

Office Party – Endgame 02

Dominant Lovers

Part A – Making up

And don't you dare lie to me now!

Did you know about my trigger when we had our first date?

I... I did...

I knew it!
And you used it to get me into bed!

What? No!
I only... used it once so we did not have to end the date at the restaurant.

I would never abuse you like that! I want you, not some mind-controlled doll!

He did not realize I heard him through the door!

Next question: Do you know that you are still under the hypnotic suggestion from the party yourself?

I... do...

And... it has already been used.

My colleagues told me to be more self-confident...

Before that... I ... you would not have liked me...

And what do you intend to do about it?

Hm... interesting answer.

Will you promise to never ever use my trigger again?

I... like who I am now. I don't think it needs changing.

I promise!
And I'll find a way to remove all these suggestions and make this right again!

I guess this is good?

So... *kiss*
How do you feel *kiss* about...

Controlling *kiss* other people.*kiss*

I swear. *kiss*
I won't use your trigger!
kiss

Yes, yes. We've established that.

What I want to know is, *kiss*,
how do you feel about *kiss*

further using those suggestions
kiss

So, we two can take control of the lives of your colleagues...

WHAT?!

I've always had this fantasy...

Of controlling somebody.

But that's just it. It's a fantasy...

But with those suggestions!

It could become reality!

What I'd really yearn for is to share this fantasy with somebody I love and trust.

Don't worry. I don't want to control you.

Will you be that someone, Dylan?

But... isn't that immoral?

Nah! We wouldn't hurt them!

They wouldn't even know they were controlled.

And they'd love every minute of it. We'll make them love every minute of it!

Oh, C'mon!
Don't tell me
you haven't
thought about
it already!

The power?
The Money?

All those
cute female
coworkers of
yours being
putty in your
hands?

Err... *Hmpf*
Hmpf...

Aha!
I know that
look! You
already did!

I can see it
written all over
your face! You've
already used the
suggestions to get
what you want!

What?

sigh
Well... I
might have...

Ha-ha-ha!
I knew it! Not
judging here!

You can have
all the fun you
want, as long as
I can have that
as well.

Just promise
me that it will
always be me
you'll love.

Are they really going to...

Welp!
I guess that's better than her being heartbroken for the next few weeks...

Guess they are...

Oh, Yes!
Dylan!

Fuck me

Your cock
feels so

Don't worry.
I will make you shoot your load like you never have, right now!

I love her red hair!
