STORY BY
LILGUY

Pet woke up groggy. He tried to get up and found out that he was chained up. He tried to pull on the chain, but it was locked in tight. She heard someone coming. He looked up and saw Jane. When he looked up her saw her massive muscular legs. Her pussy was still soaked. It was always soaked. She was a sex craze goddess. He could not handle her.

He looked up in fear at what she would do next. She presses her foot down on his cock

"See you, awake little man. You had your rest wimp. Time for some fun"

"Men look so good when they broke. When their face is covered in my pussy Juice. It make their skin seem more radiant" she Said
She stood over him and place a foot on his face. She pressed her foot against his face. She pressed the foot against his lips.

"Kiss them" Jane Said
He Kissed him and took a whiff of the smell of her feet
"Nice and smelly, isn't it. Did a little Jog on the treadmill while you were passed out like a little weakling" she Said

She then ran it down his face and place it in her mouth
"Suck them. Coward"
She shoved the foot deep into her mouth making him gag.
"Suck every bit of sweat off"
She laughed looking down at him. Her lust rose to feel complete control over the new pet. His cock hard hardens looking up at her
"You are getting turned on by this. Getting turned on my sucking my toes. You really are a Deviant aren't you" She laughed

She pulled her foot out his mouth and wipe the saliva off her foot.
"Look at you. Got your saliva all over my feet. You were salivating" she Said
She grabbed his arms.
"Time to use that tongue of yours"
She held his wrist tightly. She bruised it. She could snap his wrist if she wanted it. She twisted his wrist. She wanted to bruise them but not to snap him not yet.

She teased him putting the pussy close to his face. She loved to have men smell her. She adores having her scent on him all-day She slammed her pussy in his face wrapping her legs around
"That's it, boy," She said humping his face "You know what I desire by now. You ate me put so much that if you haven't learned how you might never learn. Then I will have to toss you in the garbage and just use you for cleanup duty"

He sucked hard. She moaned. He had been eating her pussy at least twice a day since he was trapped here. So, he least knew his way around.

"That's it boy" Jane Moaned

"Ohhhhhhhh Fuck yes, that it lathered my pussy with your tongue," she Said

He ran his tongue up and down. As mentioned before her pussy was soaked. She is dripping into his mouth as he swallowed most of the fluid.

"Yea that's right you little pizza-slinging fucking. Lick your rich Goddess's pussy."

She put her head back with pleasure. His cock was raging. The feeling of being dominated scared him but turn him on immensely. Pre cum spewed out of his shaft as his cock pulsated as he licked.

"That slut" she said.

She grabbed the back of his head and slammed it into her. She fucked his mouth roughly.

"You're never getting out of here you hear me? Your face going to be my FUCK toy for all of eternity. Your mind. You will ALWAYS be mind."

She cried out in pleasure as she was fucking him. She closes her legs around her. She came with pleasure as she was soaking his face.

She was shaking with pleasure but she did not stop
"Keep sucking you, BETA wimp."
She close her legs around his head and then grabbed the pull-up bar.
She had her legs locked in like a vice so when she pulled up she lifted his body up
"Don't you stop' She Said
He licked around her clit and match her moans. It was a show of her amazing strength. She counted down each pulls up feeling her arms tense as pressure added to her arms. She was adding mass.
"Maybe if you worked out more you wouldn't have ended up like a slave"

She bite her lower lip enjoying his desperately pleading for air. He didn't dare stop sucking on her clit. He tapped on her arm for escape, but none would be had
"Better get me off if you want to breathe."
She was moaning getting close.
"Almost there...Fuck...FUCK you fucking Wimp."
He held on to her legs for dear life as she licked her cunt
"That's a good boy. That is a fucking BETA SLAVE. Worship my muscle body or I crushed your fucking head like a melon"

She came on his face again closing her leg tighter as she came. His eyes went red as veins appeared on his forehead. "Ohhhhh hhh fuck" she said. His face turns blue. She dropped down. She still was pulling up on the bar.

"Well, shit almost killed you, kid."

Shed dropped down.

"You better be careful. With a mouth as fuckable as yours a woman like me just loses herself"

She kicks him a bit.

"Still alive"

"Yes Goddess"

His mouth was overflowing with her pussy Juice. He coughed. It had filled his lungs.

"Ahhh is too much for the little baby to swallow" She Teased

He nodded as she still dripped on them

"Damm that's a BIG climax too. Bet you didn't think a woman could cum blast guy hu. It's just that mouth of yours so soft and wet. Makes a girl with a big clit like mind just melt"

She stepped on him.

"Well it aint done yet boy," She Said

She grabbed him by the hair.

"Please Can't even move anymore" He

Whine

"Fuck toys don't need to move their limbs. They just need their mouths. And the way you're whining your most certainly can move your mouth"

She dragged him by the hair like a small child.

"Come here, you wimp."

She laid him down under a Queening seat. It was not a regular seat mostly just a bar with two pads on it. This way he could still look up at her as she weights to lift. He was no match. She was a titan and he was a mere mortal. She grabbed a weight that looked like it would take two men to lift.

"Goddesses like me need an audience when they worked out. They need to see the fear and awe in mere mortal eyes" she Said

She grabbed the massive weight and curled it with one arm. He could see the veins go up her arms as she lifted.

"Pure power. No steroids. Just NATURAL muscle" she said.

She moaned in pleasure.

"Fuck yea. The burn from weightlifting is amazing. Almost like cumming.

There more I lift weights. The more I am fucking cum. The more I cum the more I want to fucking lift weights. Little BETA shit like you have any idea how good that feels.

She grabbed another bare bell and started pumping the iron. She was feeling the heat go up her arm and started to drip on her face

She took a seat on the chair. He was looking out at her massive ass. She breathe and her ass cheeks spread as she used her ass muscle to show him deep down her anal cavity "What you are waiting for slave," she said. He sat up a bit lifting his torso. He started to lick her ass. She moaned. "Fucking wimp. Got to tell you everything." He pushed his face deep into Jane's ass "You're so wonderful Goddess," he said infatuated by her buttocks. "Is that so slave?" She said, "Then get deeper."

He pushed his tongue deep as he licked faster tasting every part of her. She started doing hammer lifts changing up as she lifted. A man licking her ass was natural. She was a dominant woman. All men were her slave. She had very little respect for him. They were there to be served and be fucked. Very little else "Keep licking Pet. Your old name is Dead. You're a pet now" She She lifted faster feeling ecstasy faster. "Lick the pussy now boy," she said.

He was licking wildly, running his tongue.

"Next time you try to escape and think you're a man, remember you worship my ass like some wimp. Remember the beating I gave you. Got that PET."

"Yes Goddess" Pet Said

"Tell me who you belong to."

"Belong to you my Goddess" Pet Said with total sincerity.

She moaned as licked the middle of her pussy. He licked around the lips making her moan. Pet sucked on it. He pulled on the pussy lips with his tongue.

"That's a good Pet," she said.

She moans with pleasure as Pet continued to lick up and down. His tongue twisted into her pussy. She loved the feeling of his submissives licking as she pumped more weights than any man could lick

"Yes baby," she said.

Pet held on tight as he sucked on "Fuck about to cum" she Said She squirted a gusher of cum. A big gusher of juice than any man's cum. It splashed against his face as he was baptized by this Goddess.

"Ohhh Good boy"

She cried out with pleasure as she continued to cum on Pet's face. He was pushed back by the forces.

She got up standing over Pet's body.
"Don't need to chain you up do I pet? There are cameras around here. And there is nowhere to go."
"Yes Goddess," he said meekly.
"This Is your NEW home Pet this is your world"
She put the weights down with a clang.
"Use your tongue to clean this mess up. Then when you're done. Crawl your broken body to your room. I will be checking later to make sure you are done. And Pet..."
"Yes Goddess"
"Do NOT fail me."
She walked left the room and closed the cell door.
