

Neuro-paralyzer?
Like a pain-killer?

Precisely,
Even if he get shot, he will not feel anything.

I see.

So that's how he survived Hawthorn..

Answers to all the questions

We didn't know we had before.

She gave me the pill out of concern for her son, I suppose..

She is his mother after all..

But..

It seems he didn't really need it anyway.

Keuk..

Heuk..

Chohan.. Do you have any idea what you've done?

You won't get away with this..

You..

..and your mutt.

Tsk tsk, Did Crush hit you too hard?

You seem confused.

Did you think I'd kill your entire board and your fiancé without a plan?

Your entire organization is currently being raided by the FBI as we speak.

Wh-

Let's see.. Worker's abuse, embezzlement, fraud, extortion, debt bondage, you're going away for a long long time, Sodam.

B-Bullshit.. I'll fucking snitch! I'll tell them about you!

I'll make bail! I'm a fucking billionaire!

A billionaire? You're barely worth two fucking cents now.

All of your shareholders have pulled out! Actually, they PAID me to pin everything on you to cover their own asses.

They offered me a seat at the board.. And with everyone else dead, you know what that means, right..?

Your syndicate, and your husband's syndicate, the entire East Side

Is mine now.

So-

Chohan.

Hm?

Am I done now?

I need to go home.

Ah, right, right. You're dismissed, Crush.

Kang, get him some new clothes, will you?

Of course!! Anything for the legend himself!

We've heard so much about you but wow, it's nothing like watching it with your own eyes..!

Thanks..

The West Side is always open if you ever wanna come-

Not interested.

Ah, right.

See? I told you.
