Hello? Is anyone home?

"Un... Almost summer,
but in here, I feel breeze..."

"I even exhaled
cold air..."

Hanami?

Sorry, I was in
the bathroom.

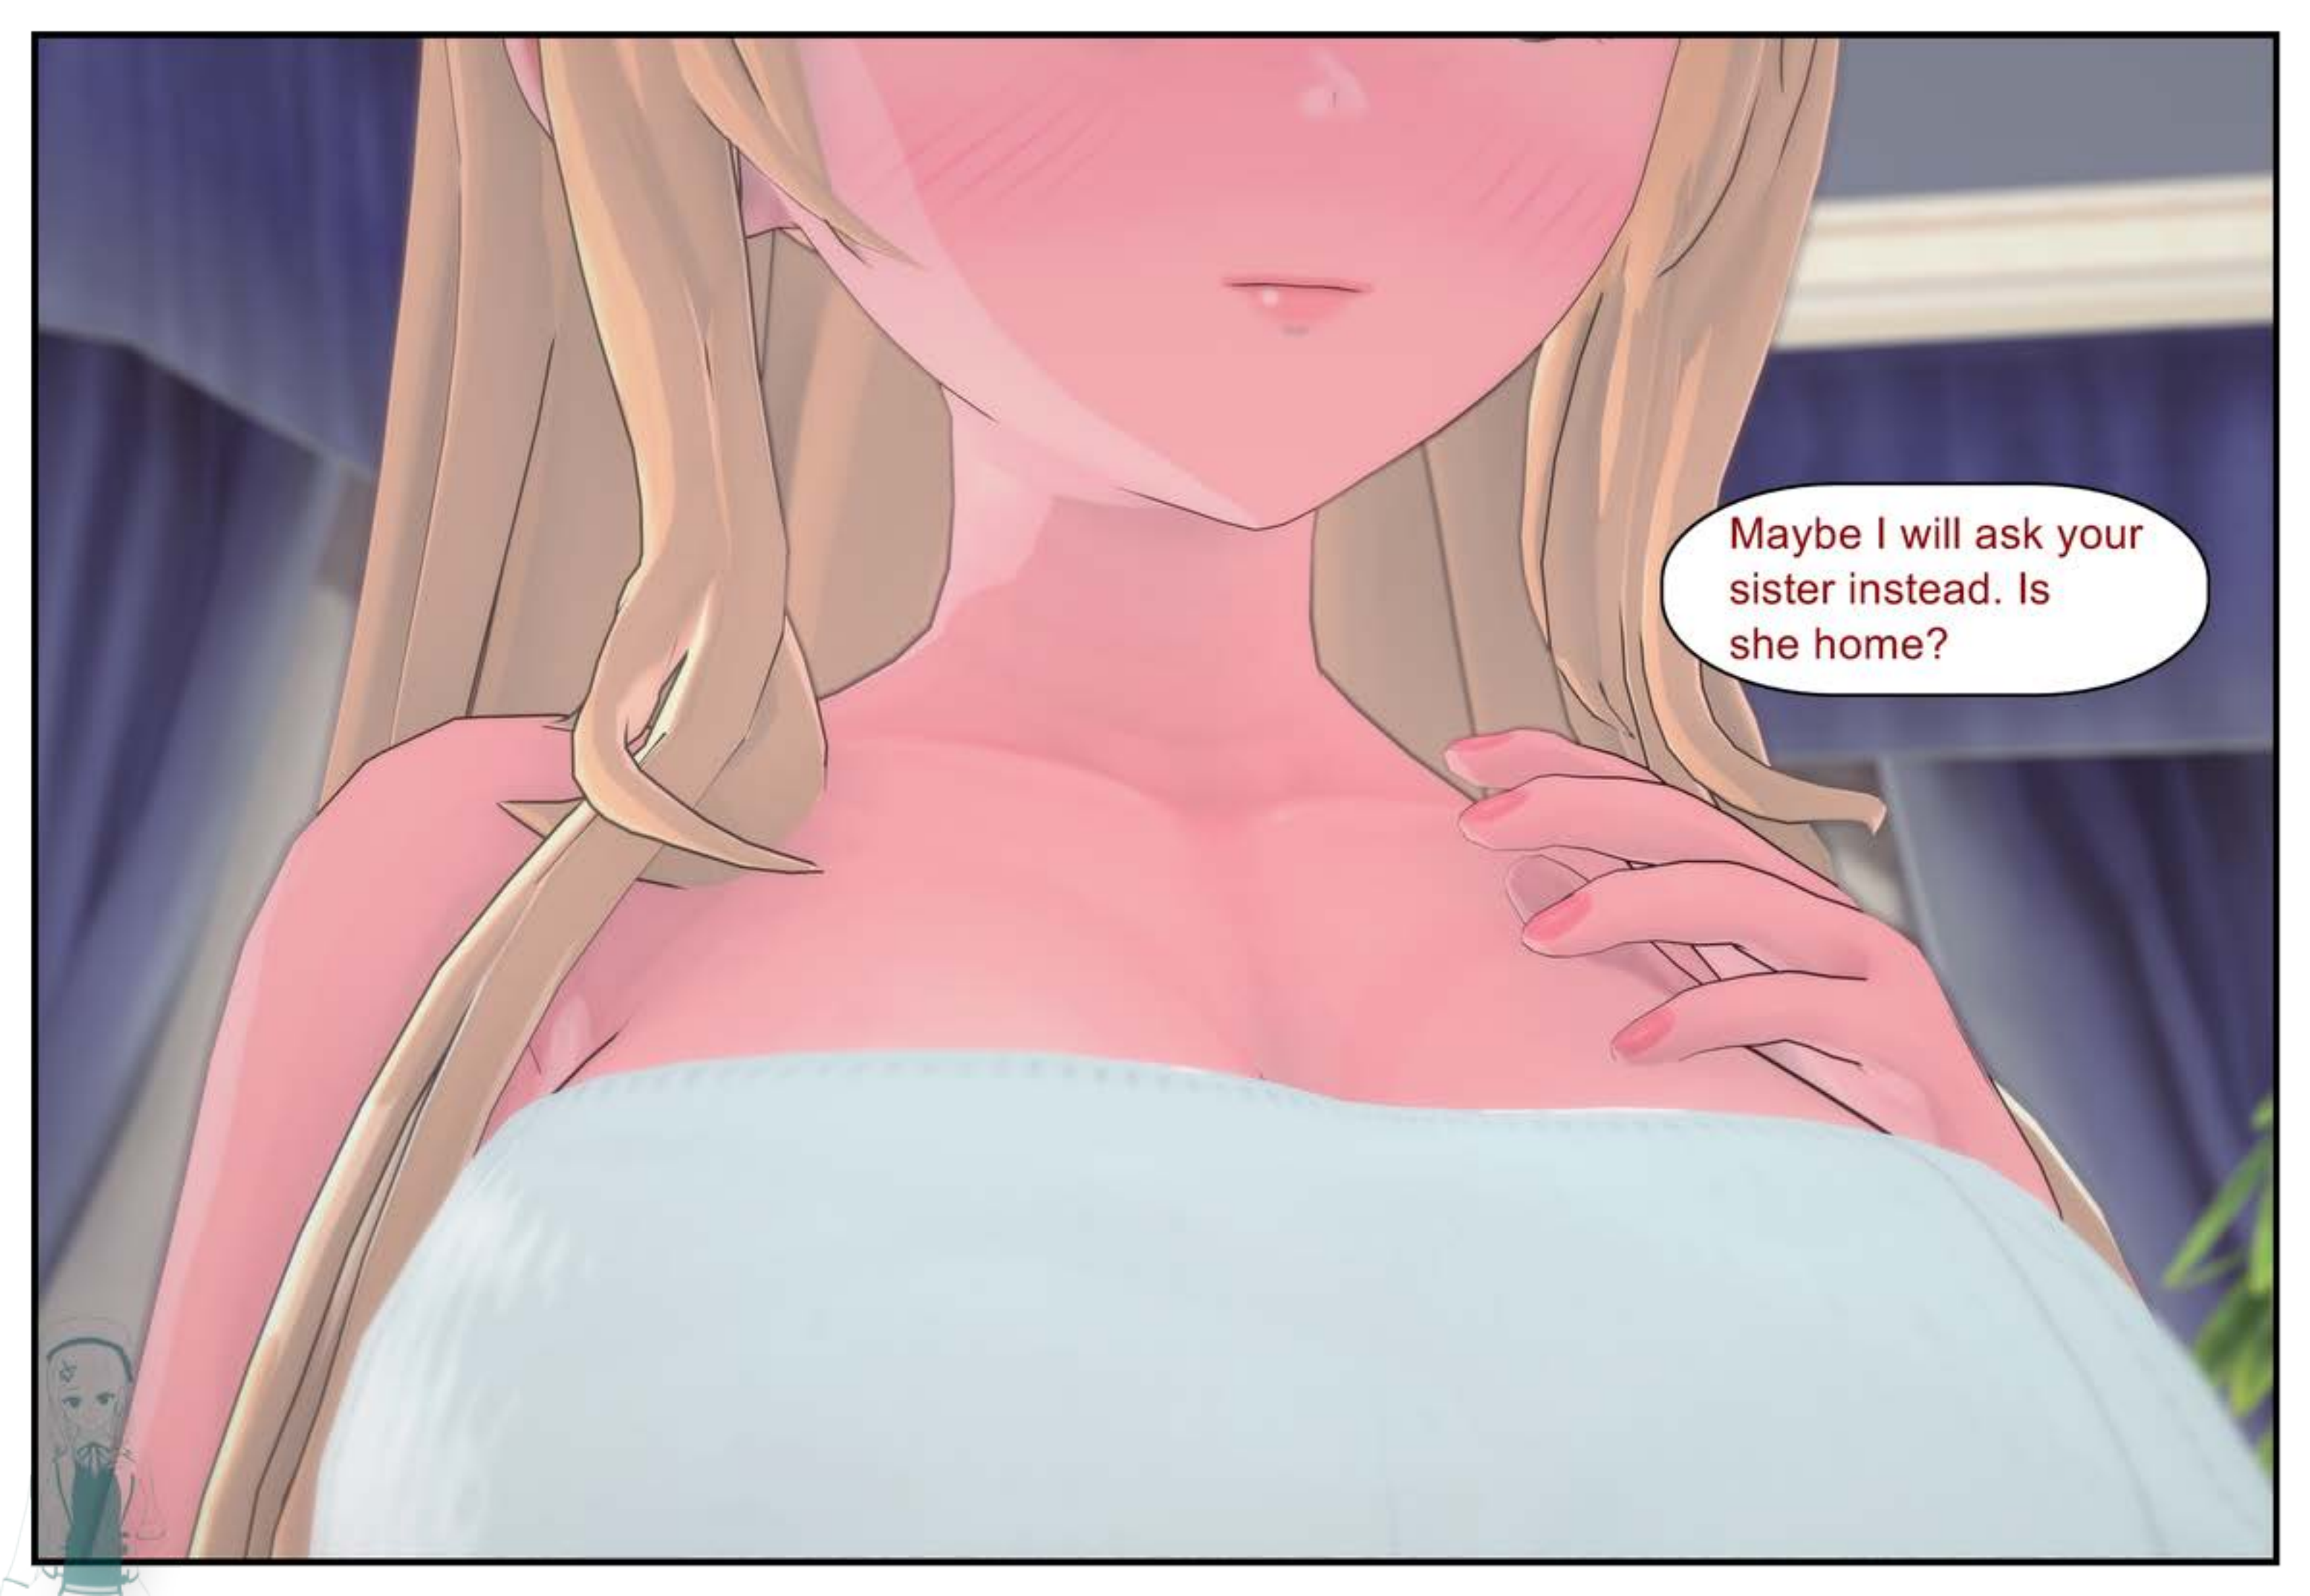

Oh okay. Look like
I came at the wrong time.

Do you still keep
my notebook?

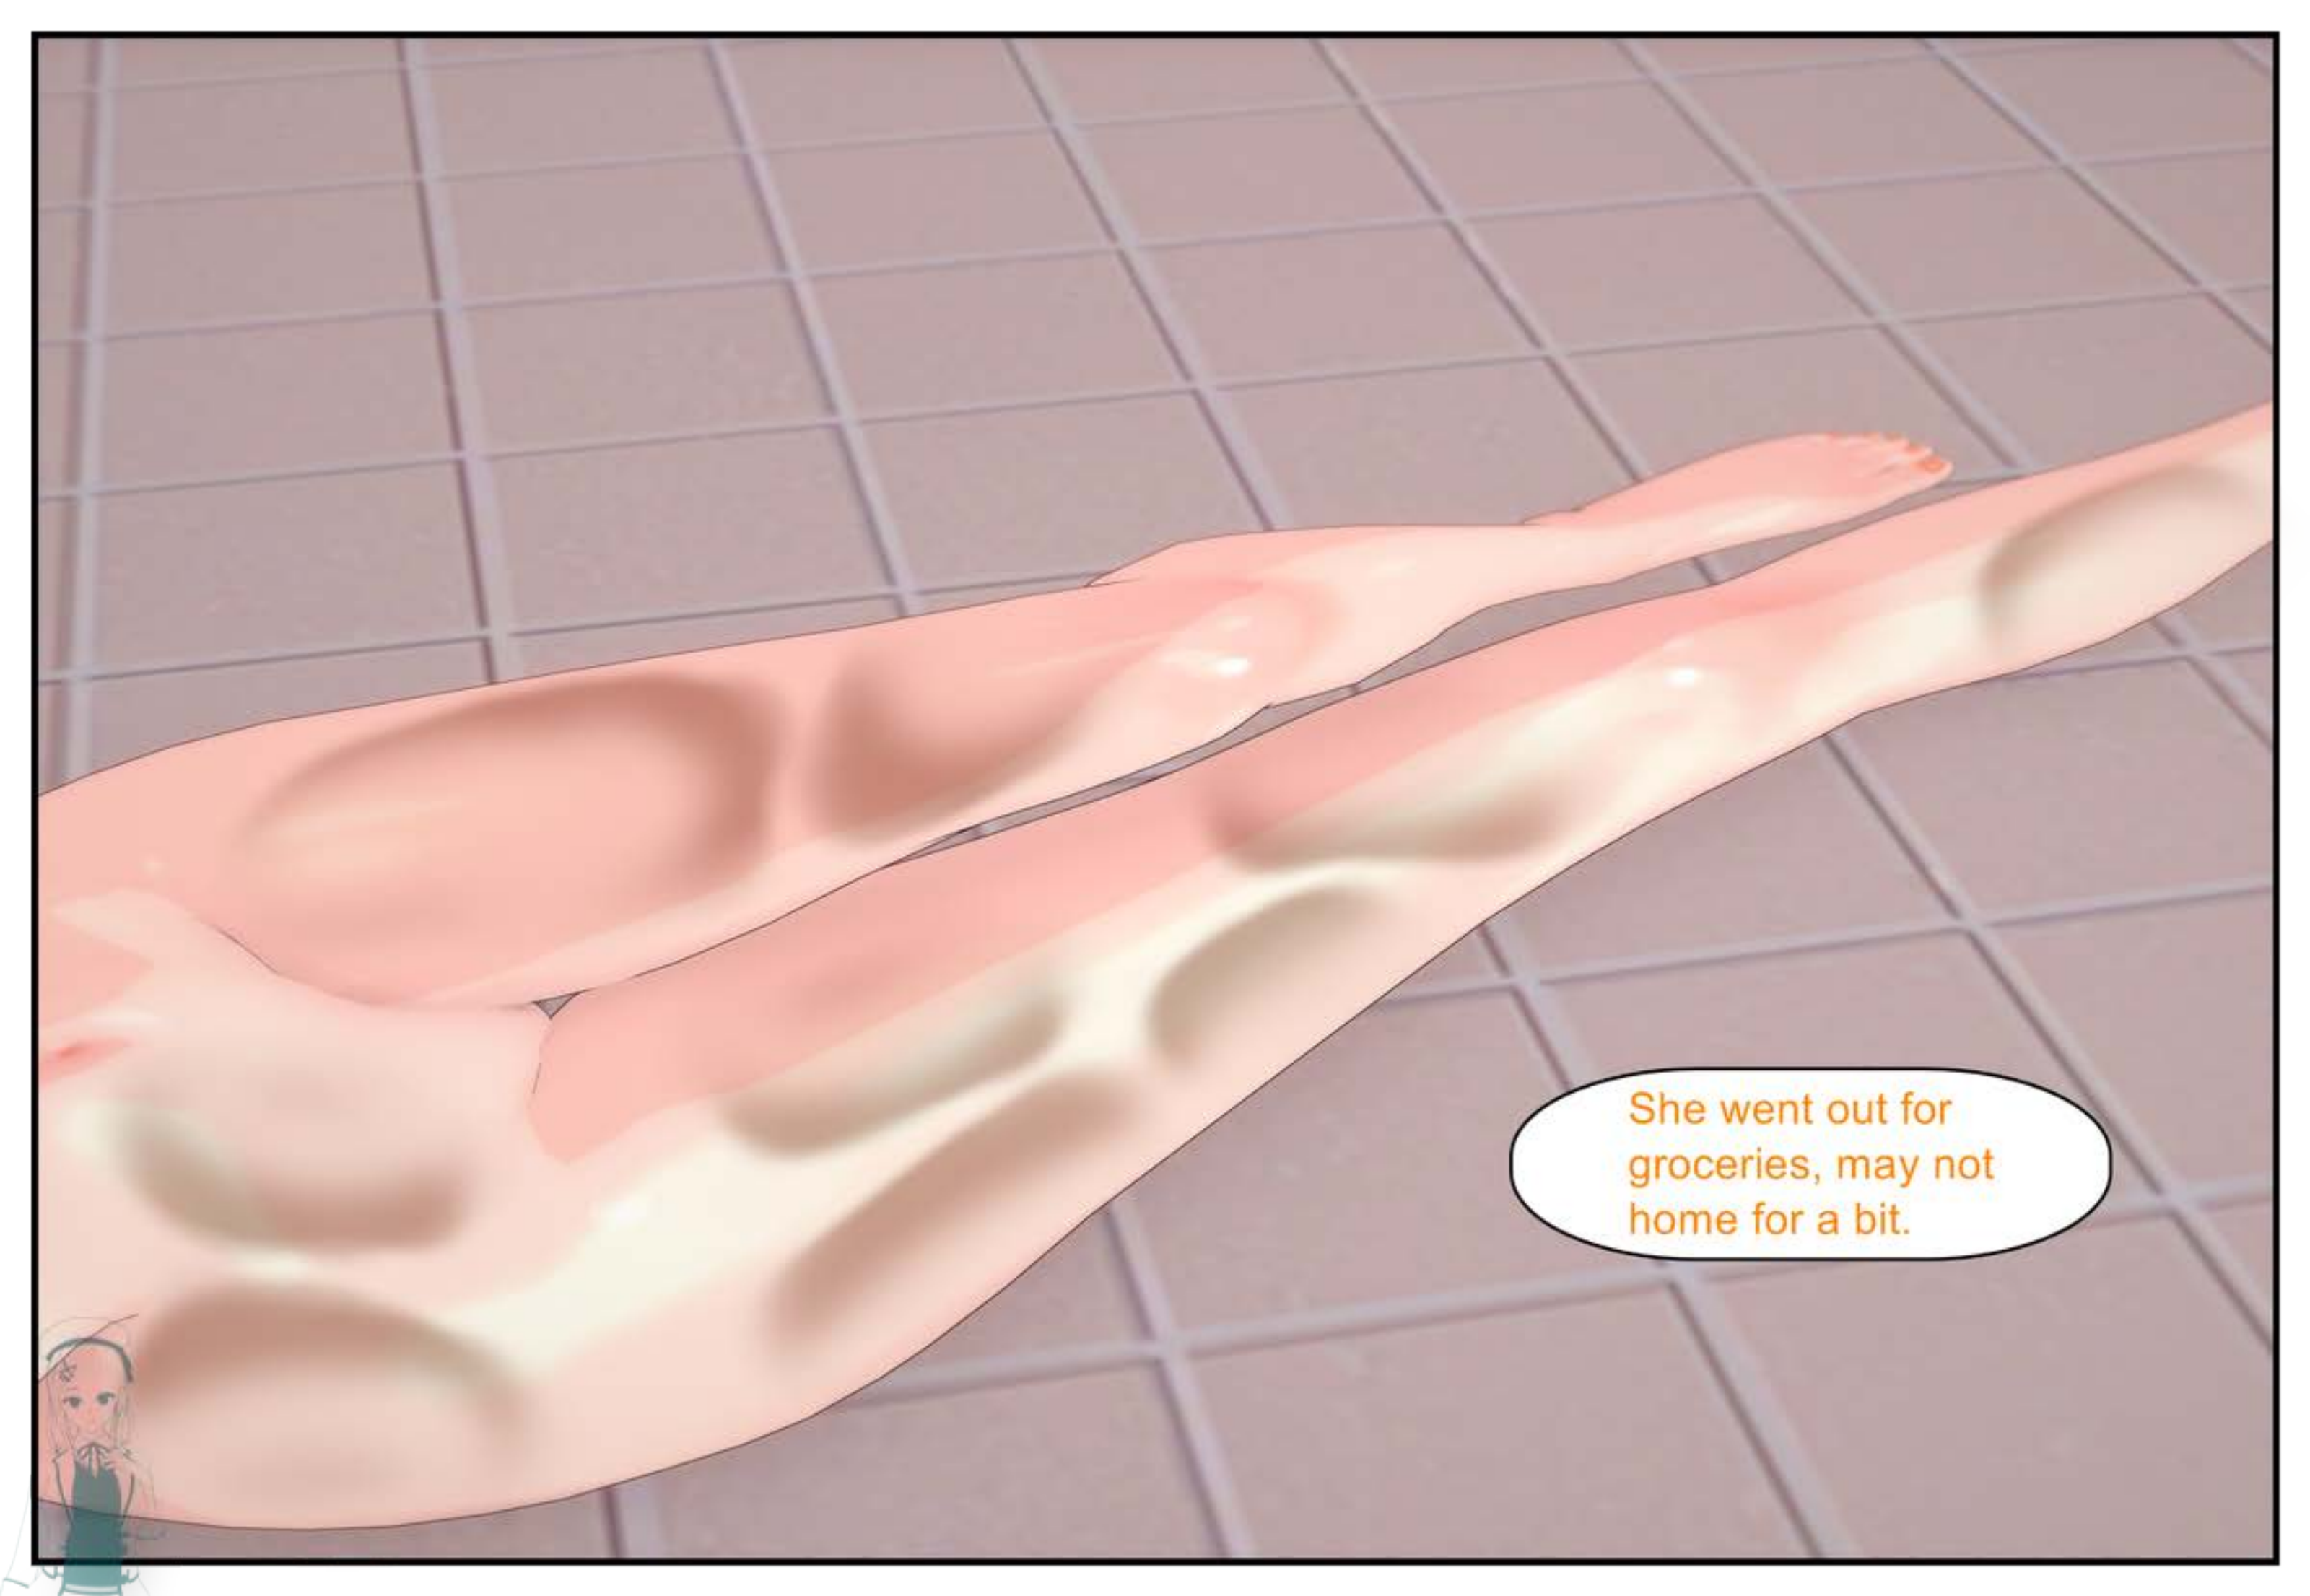

A-Ah... Let me put
my clothes on first.

Maybe I will ask your
sister instead. Is
she home?

A 3D rendered image of a female leg and foot, shown from the knee down to the toes. The skin is a realistic peach color with visible highlights and shadows, giving it a glossy, almost plastic-like appearance. The leg is positioned diagonally across the frame, with the foot pointing towards the upper right corner. The background is a floor made of large, square, light brown tiles with dark grey grout lines. In the bottom left corner, there is a small, faint watermark of a character with long hair and a headband.

She went out for
groceries, may not
home for a bit.

I-Is that so?

Then, tell me where
it is. I need it for
tomorrow lesson... Ahaha.

"I'm hungry right now..."

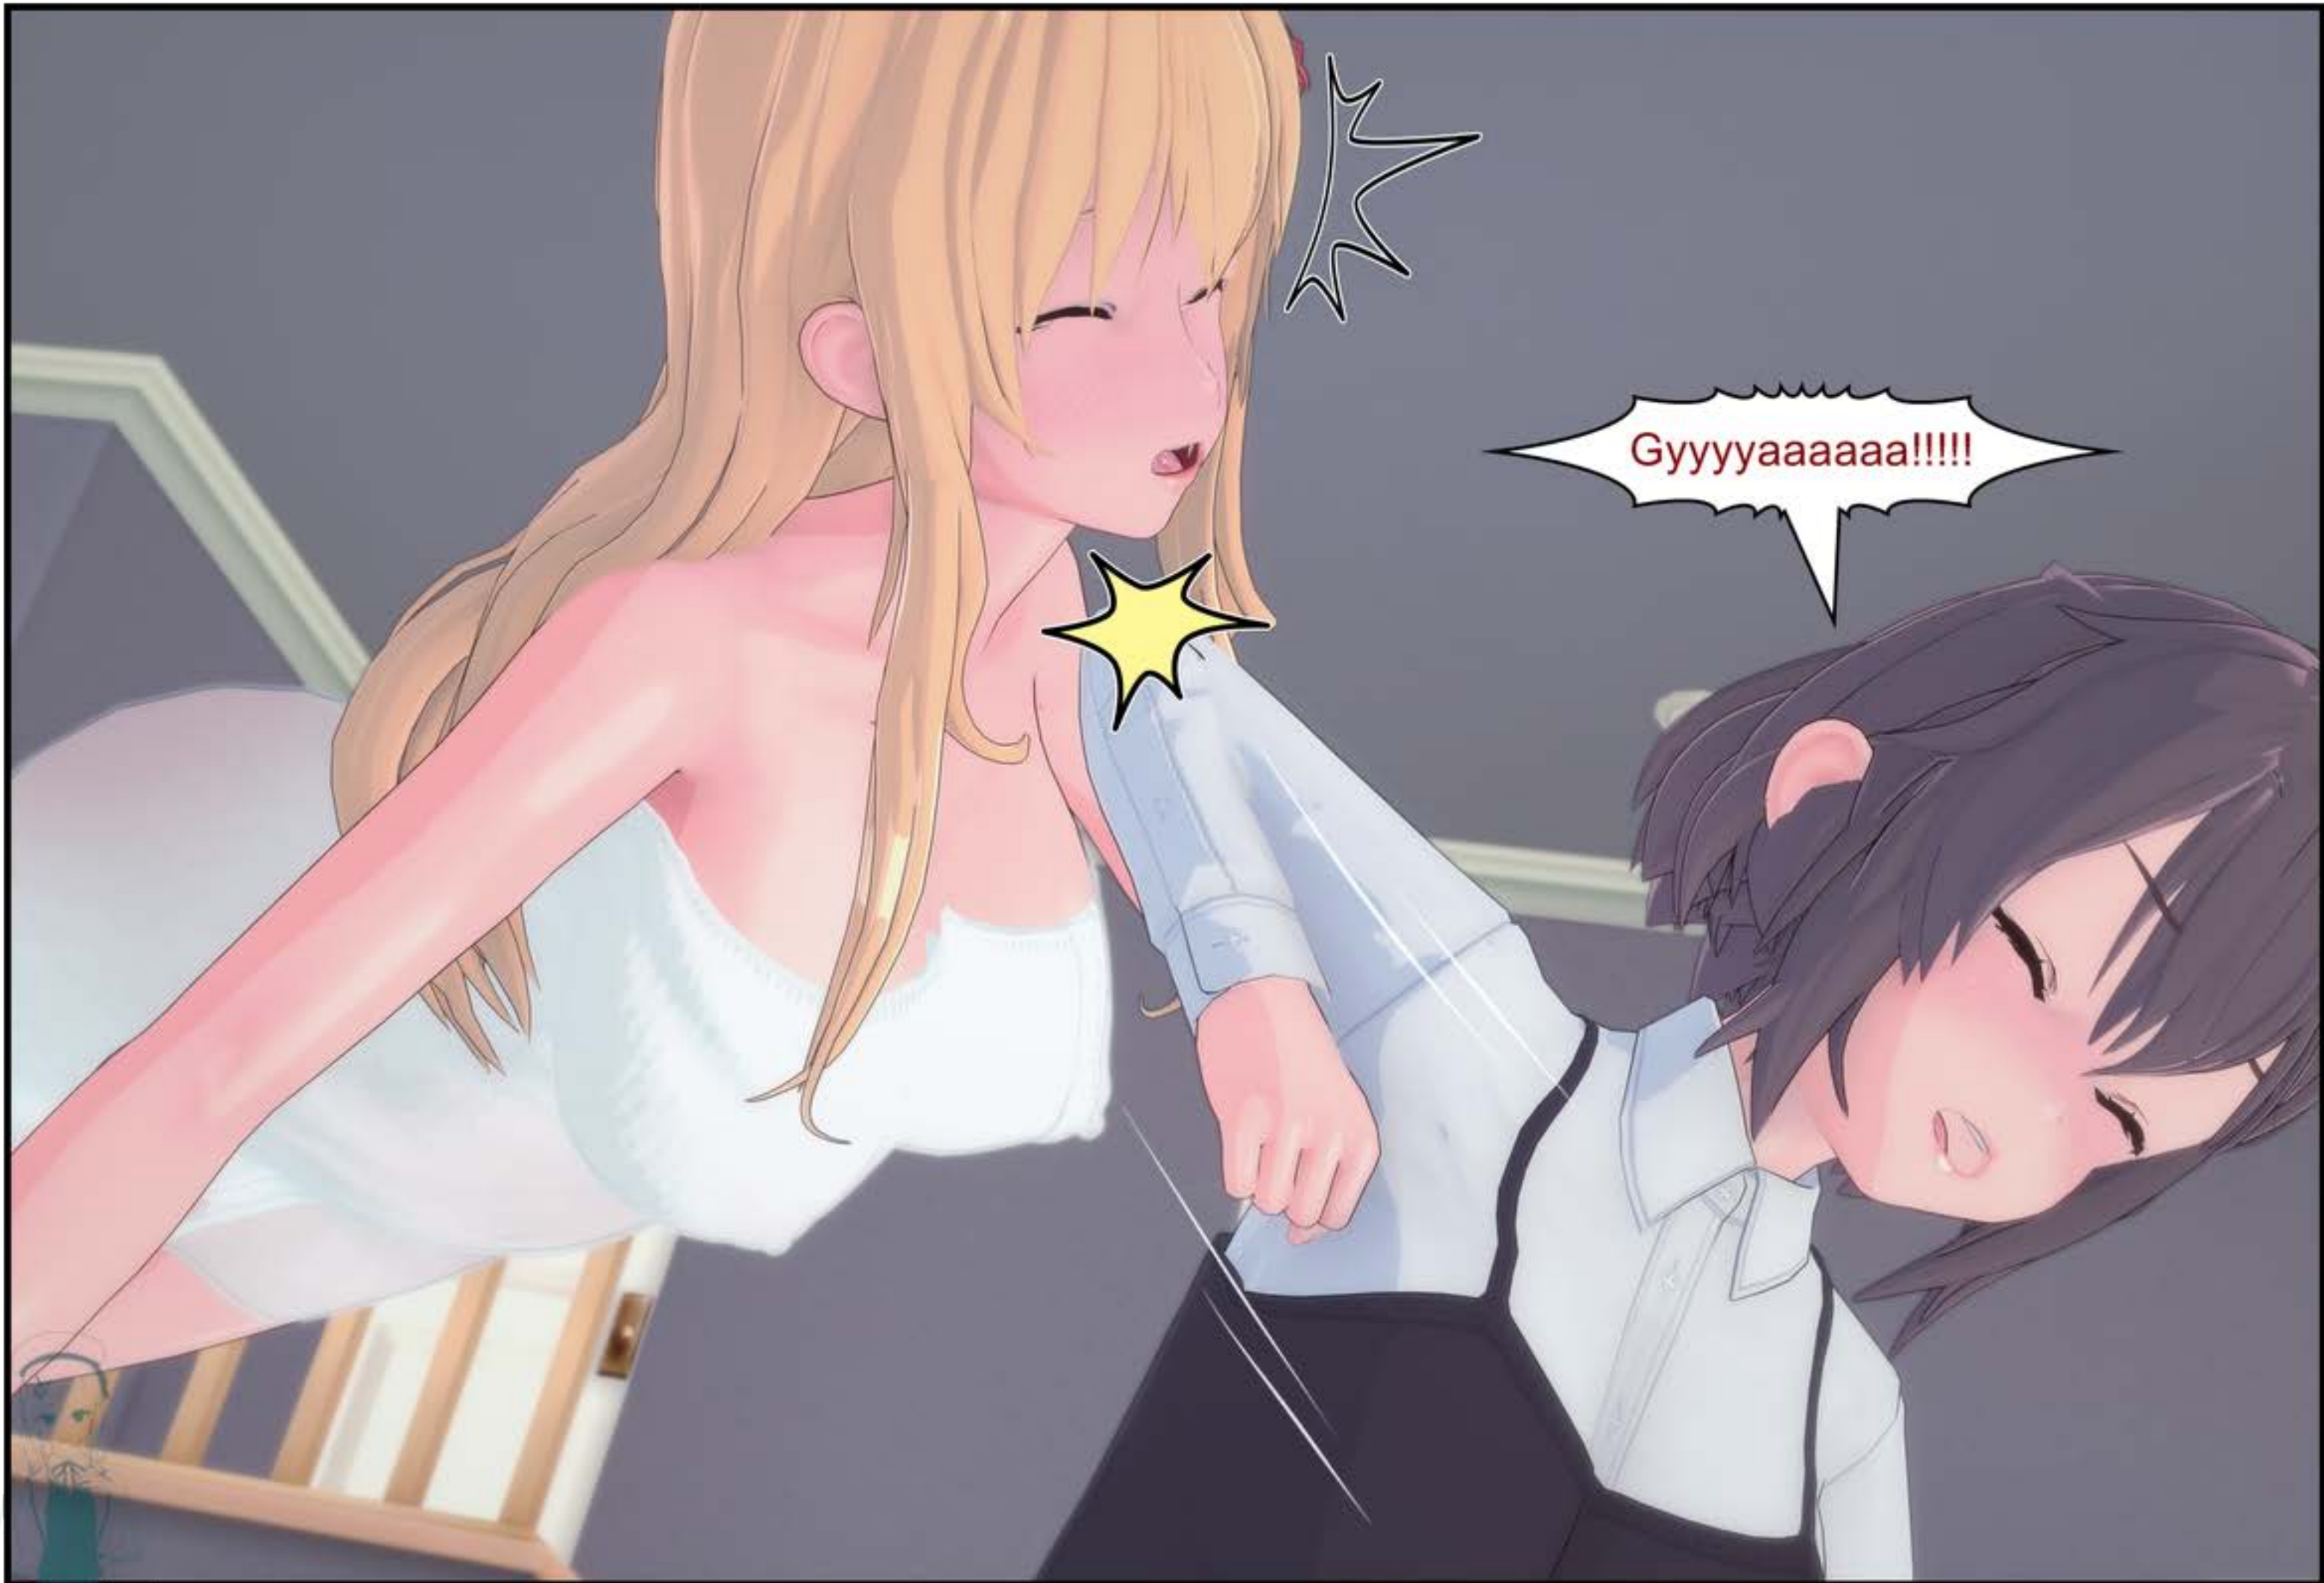

Could you let me
taste your blood!?

Hyyyaaaaa!!!???
Yurizawa!!??

Why are you try
to bite me!?

Gyyyyaaaaaaa!!!!

"W-What was that
just now!?"

"She knocked me
back with her elbow?"

Y-Yurizawa...?

Gyuu... You were
only lucky.

I have to... drink
that blood of yours!!!

Yurizawa...? What
are you talking about?

Stay still for me!!!

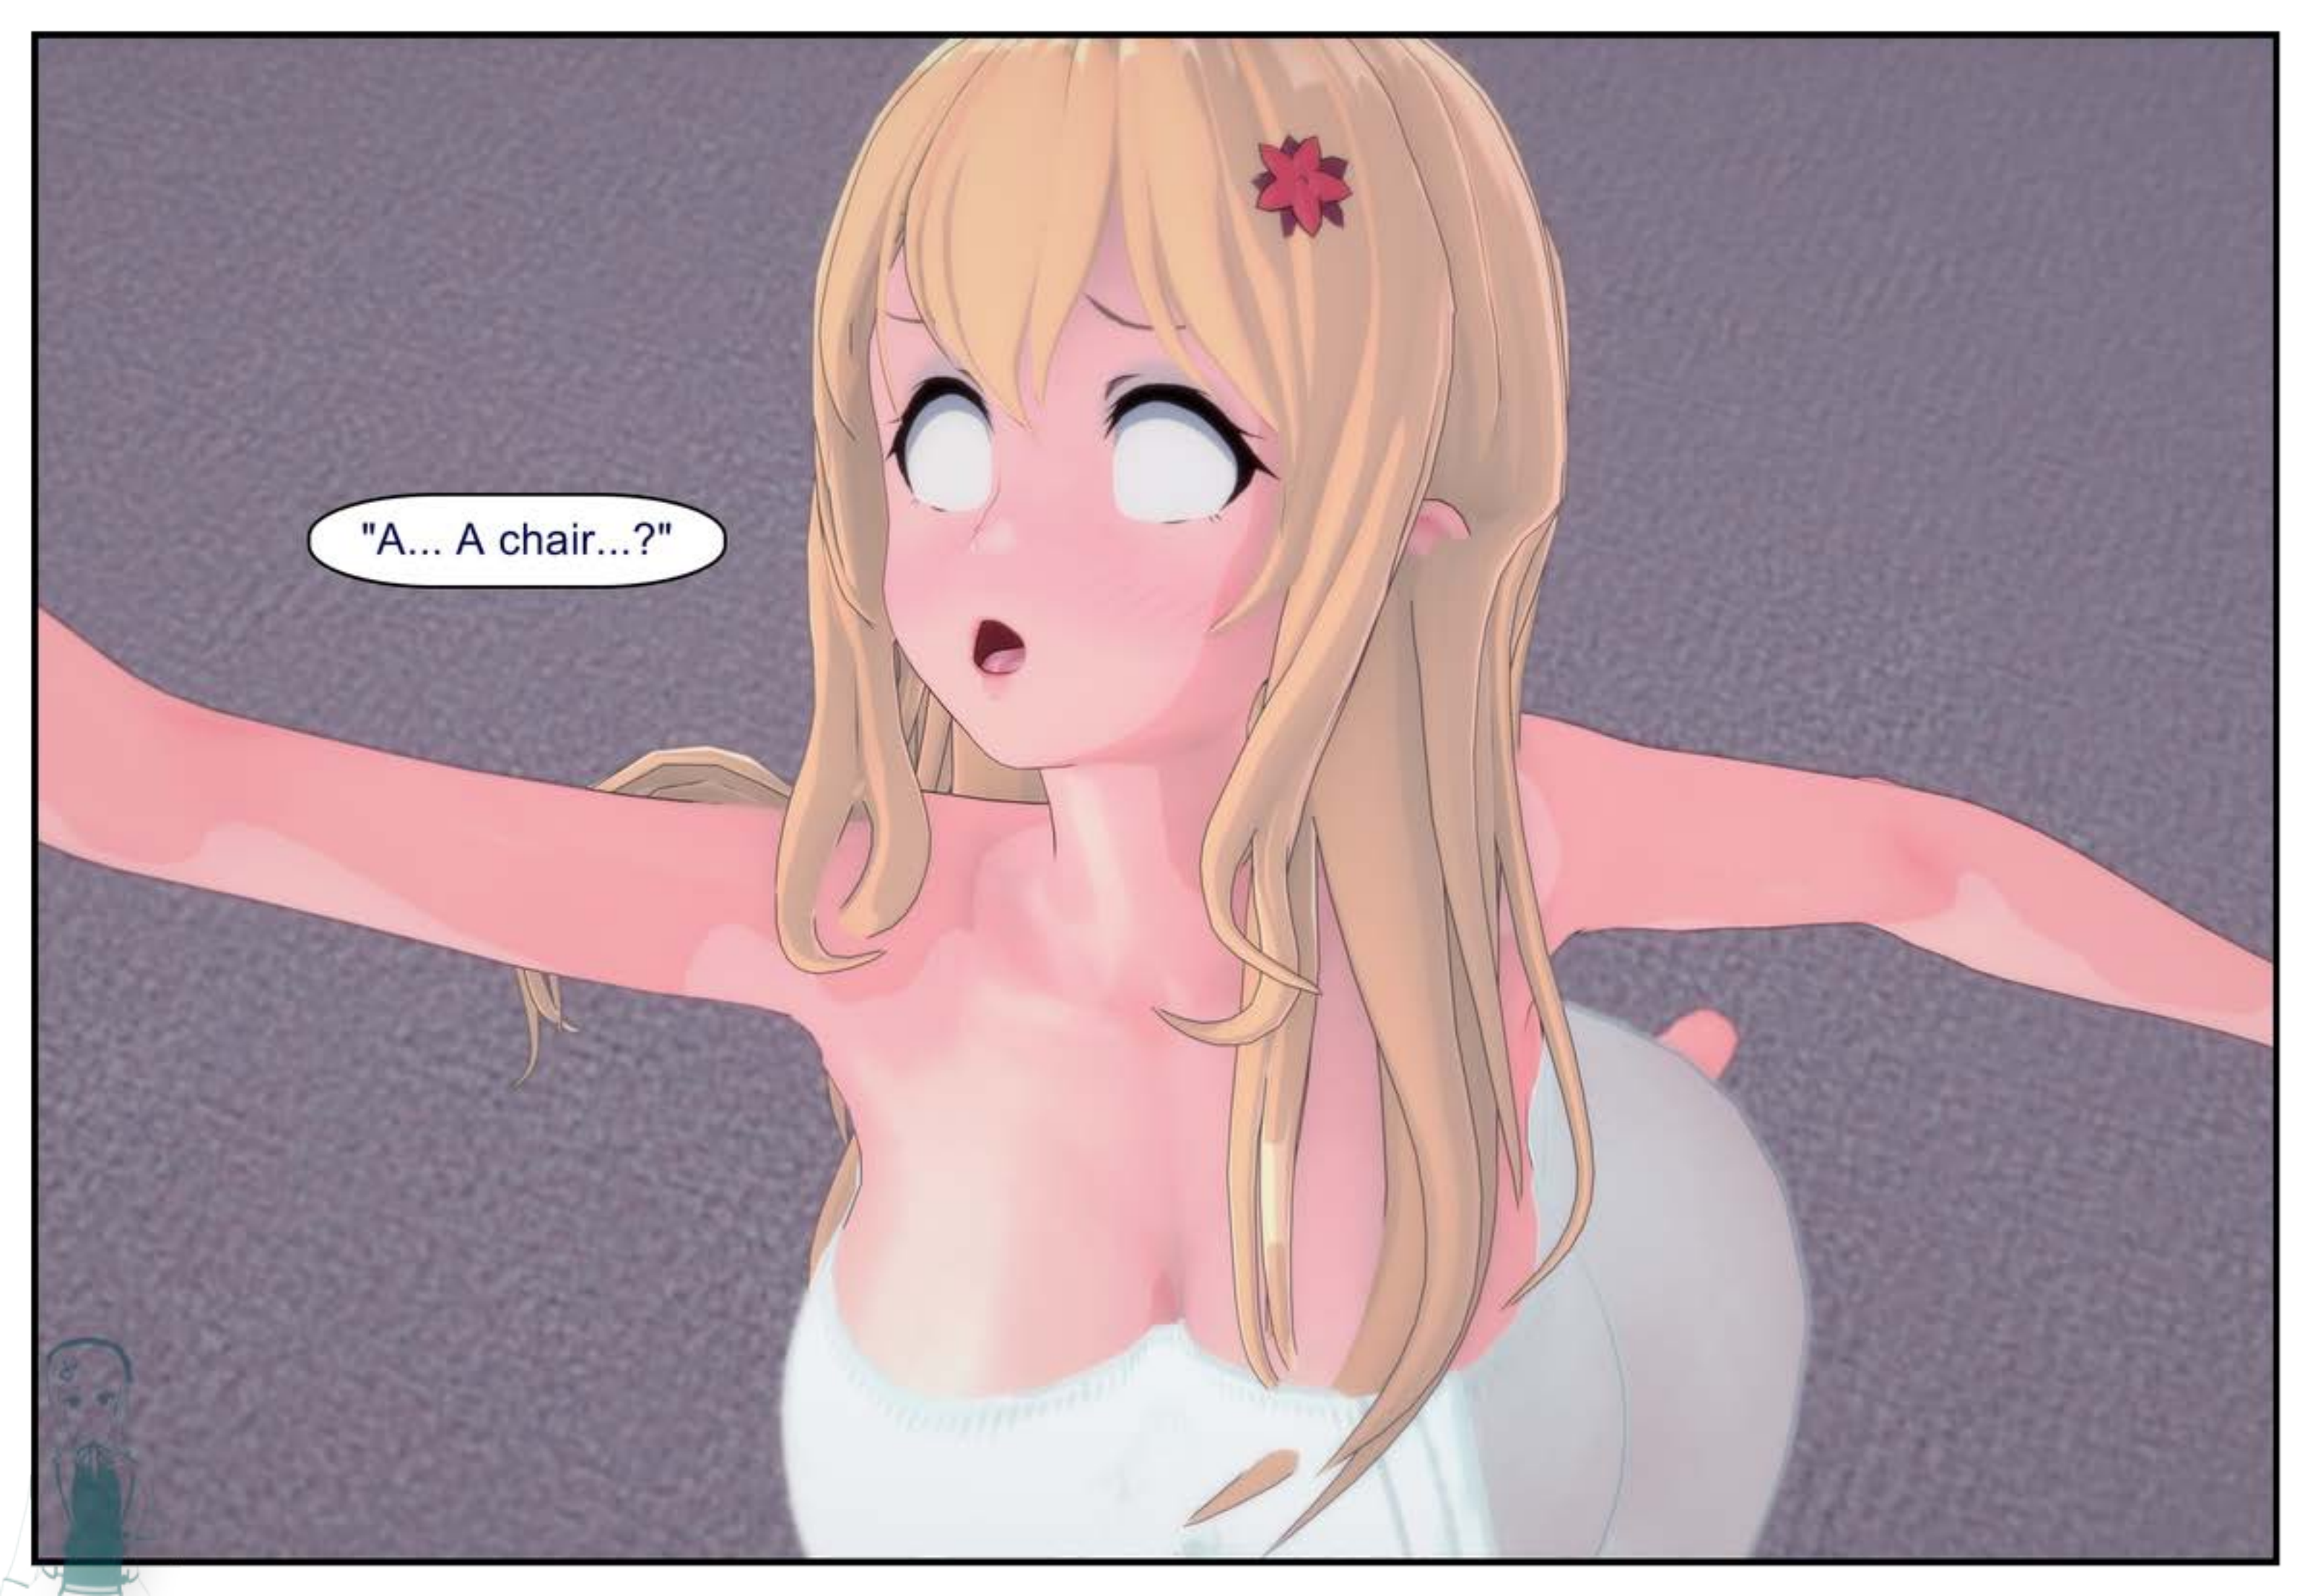

Haaaahhh....

Let me taste it!!!

"A... A chair...?"

"N-No... I think
you were..."

"That girl... She didn't even care about it would damage this skin..."

***Crack*....**

"Ugh... It not hurt much, but the immdiate pain..."

What a difficult prey...

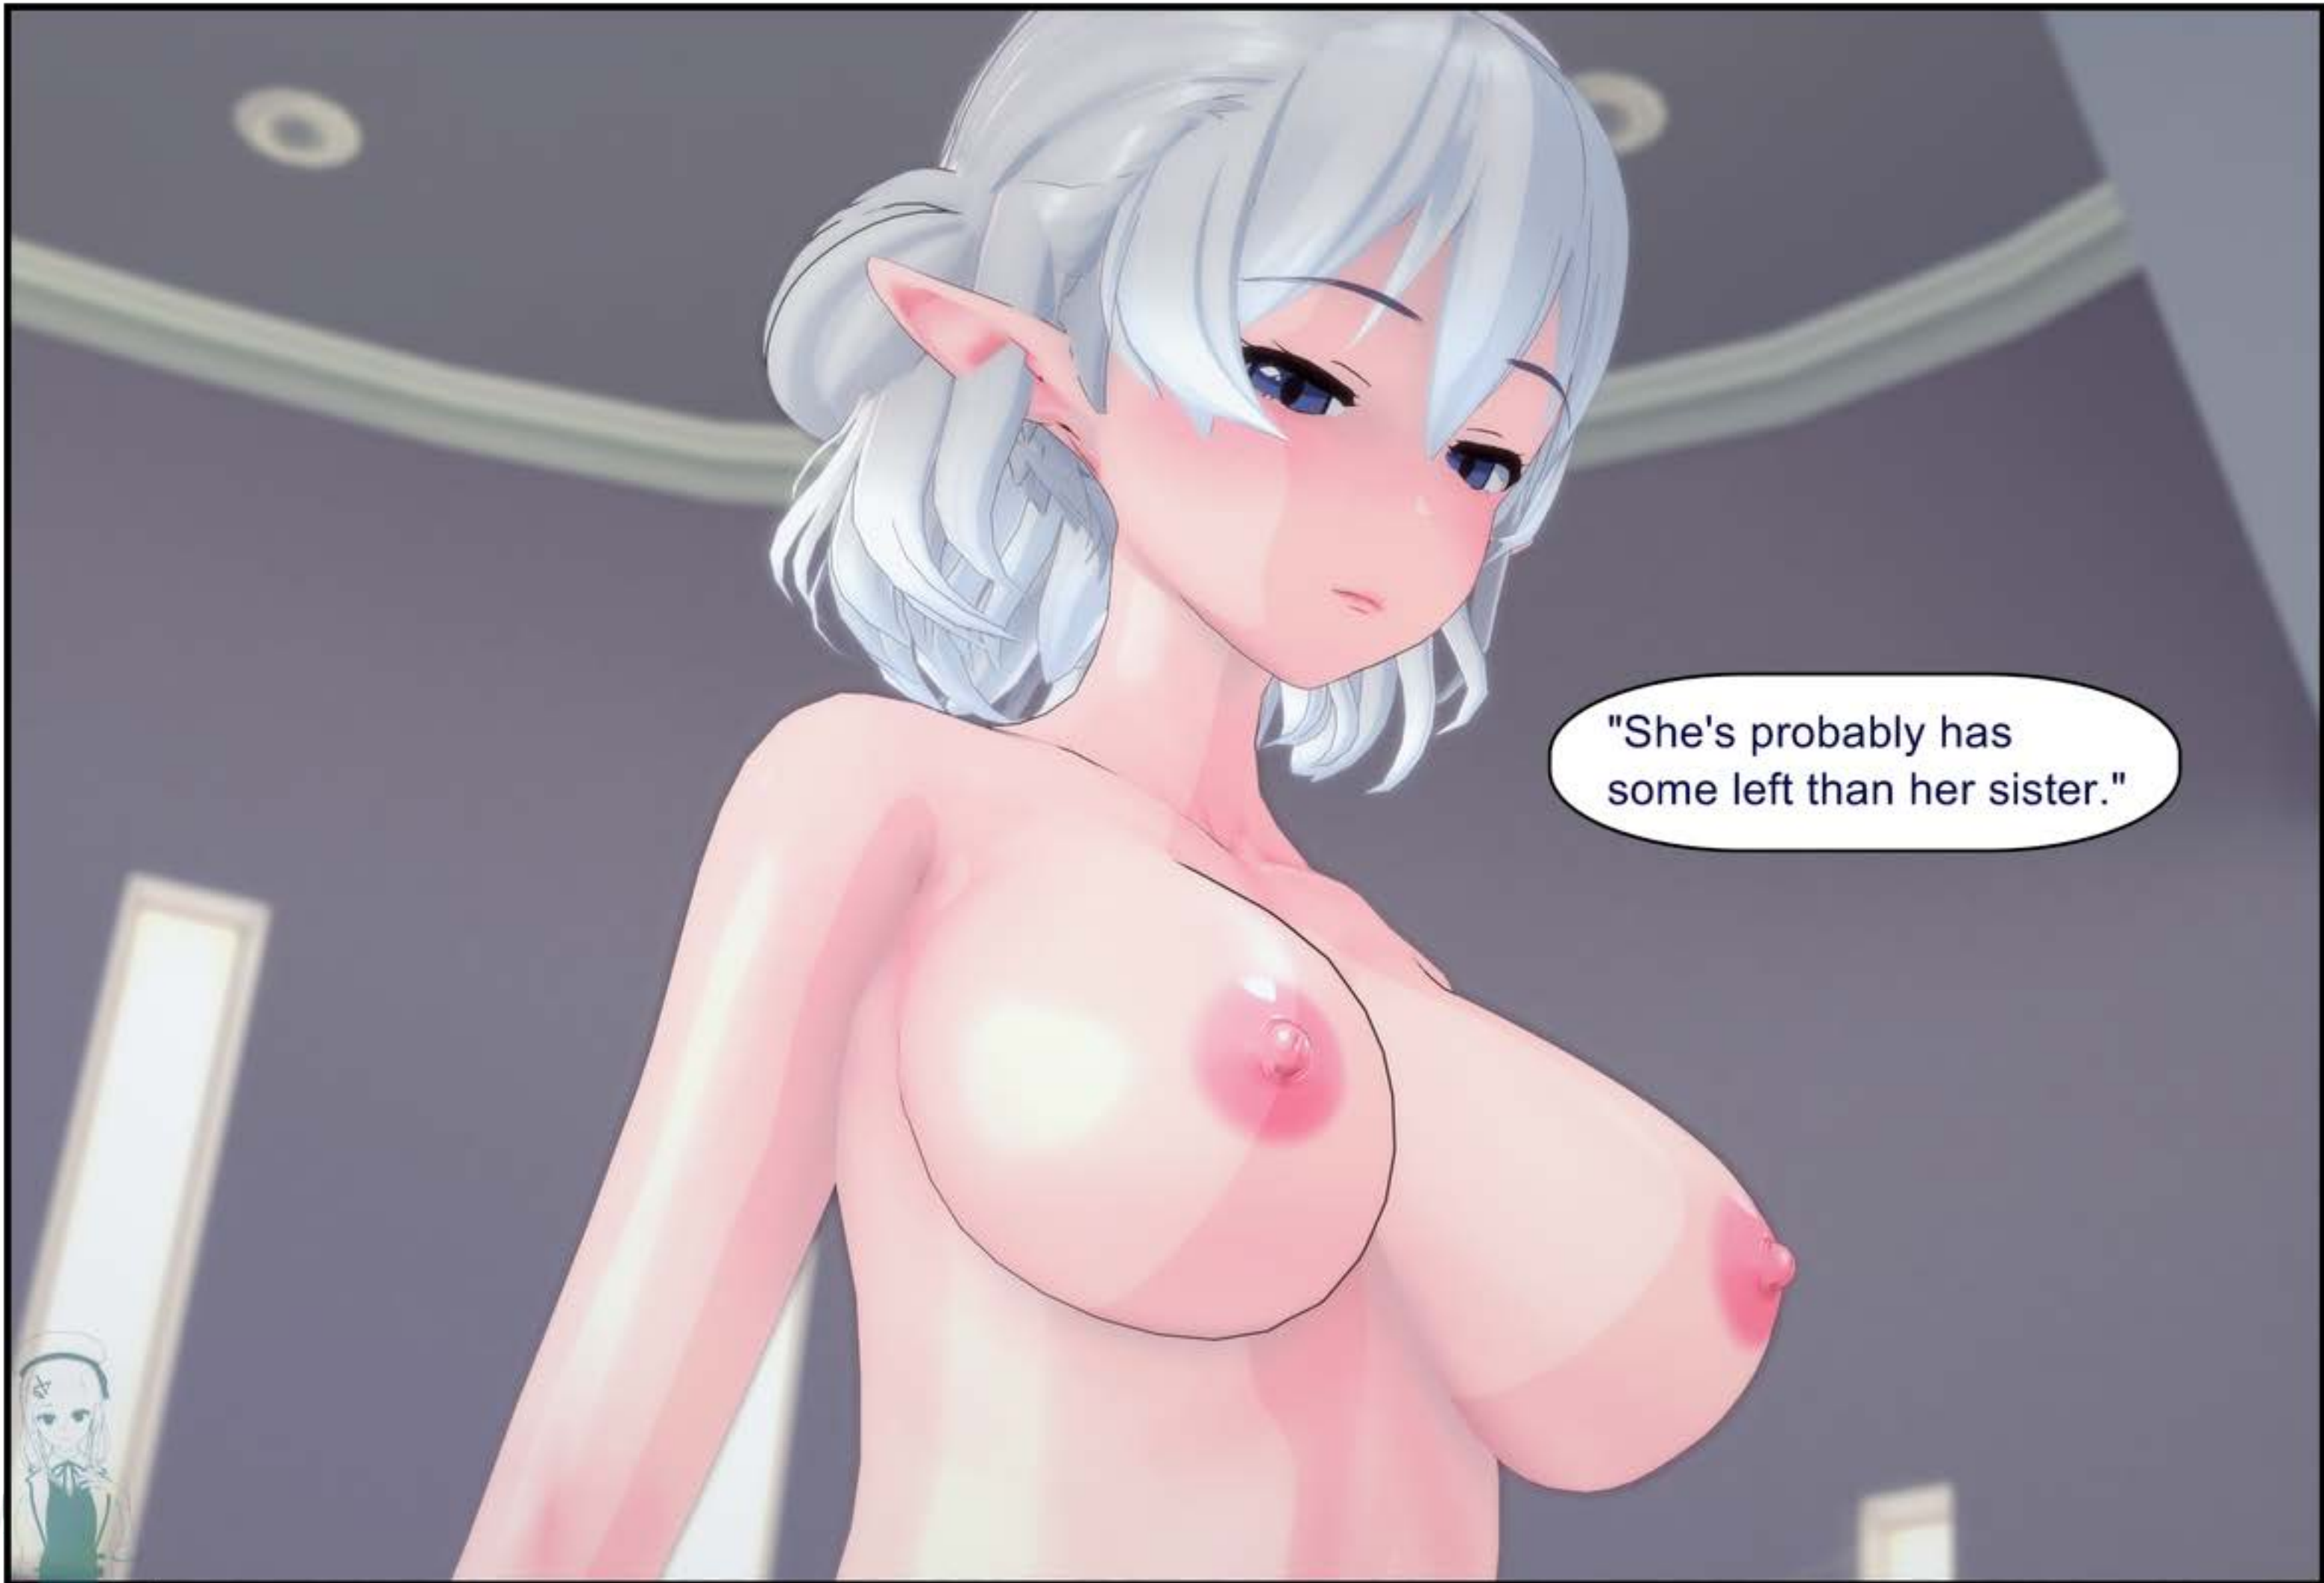

"Hm... Maybe I spent too much blood that I can't mind control her from a distance."

"I'm going to drink
some more..."

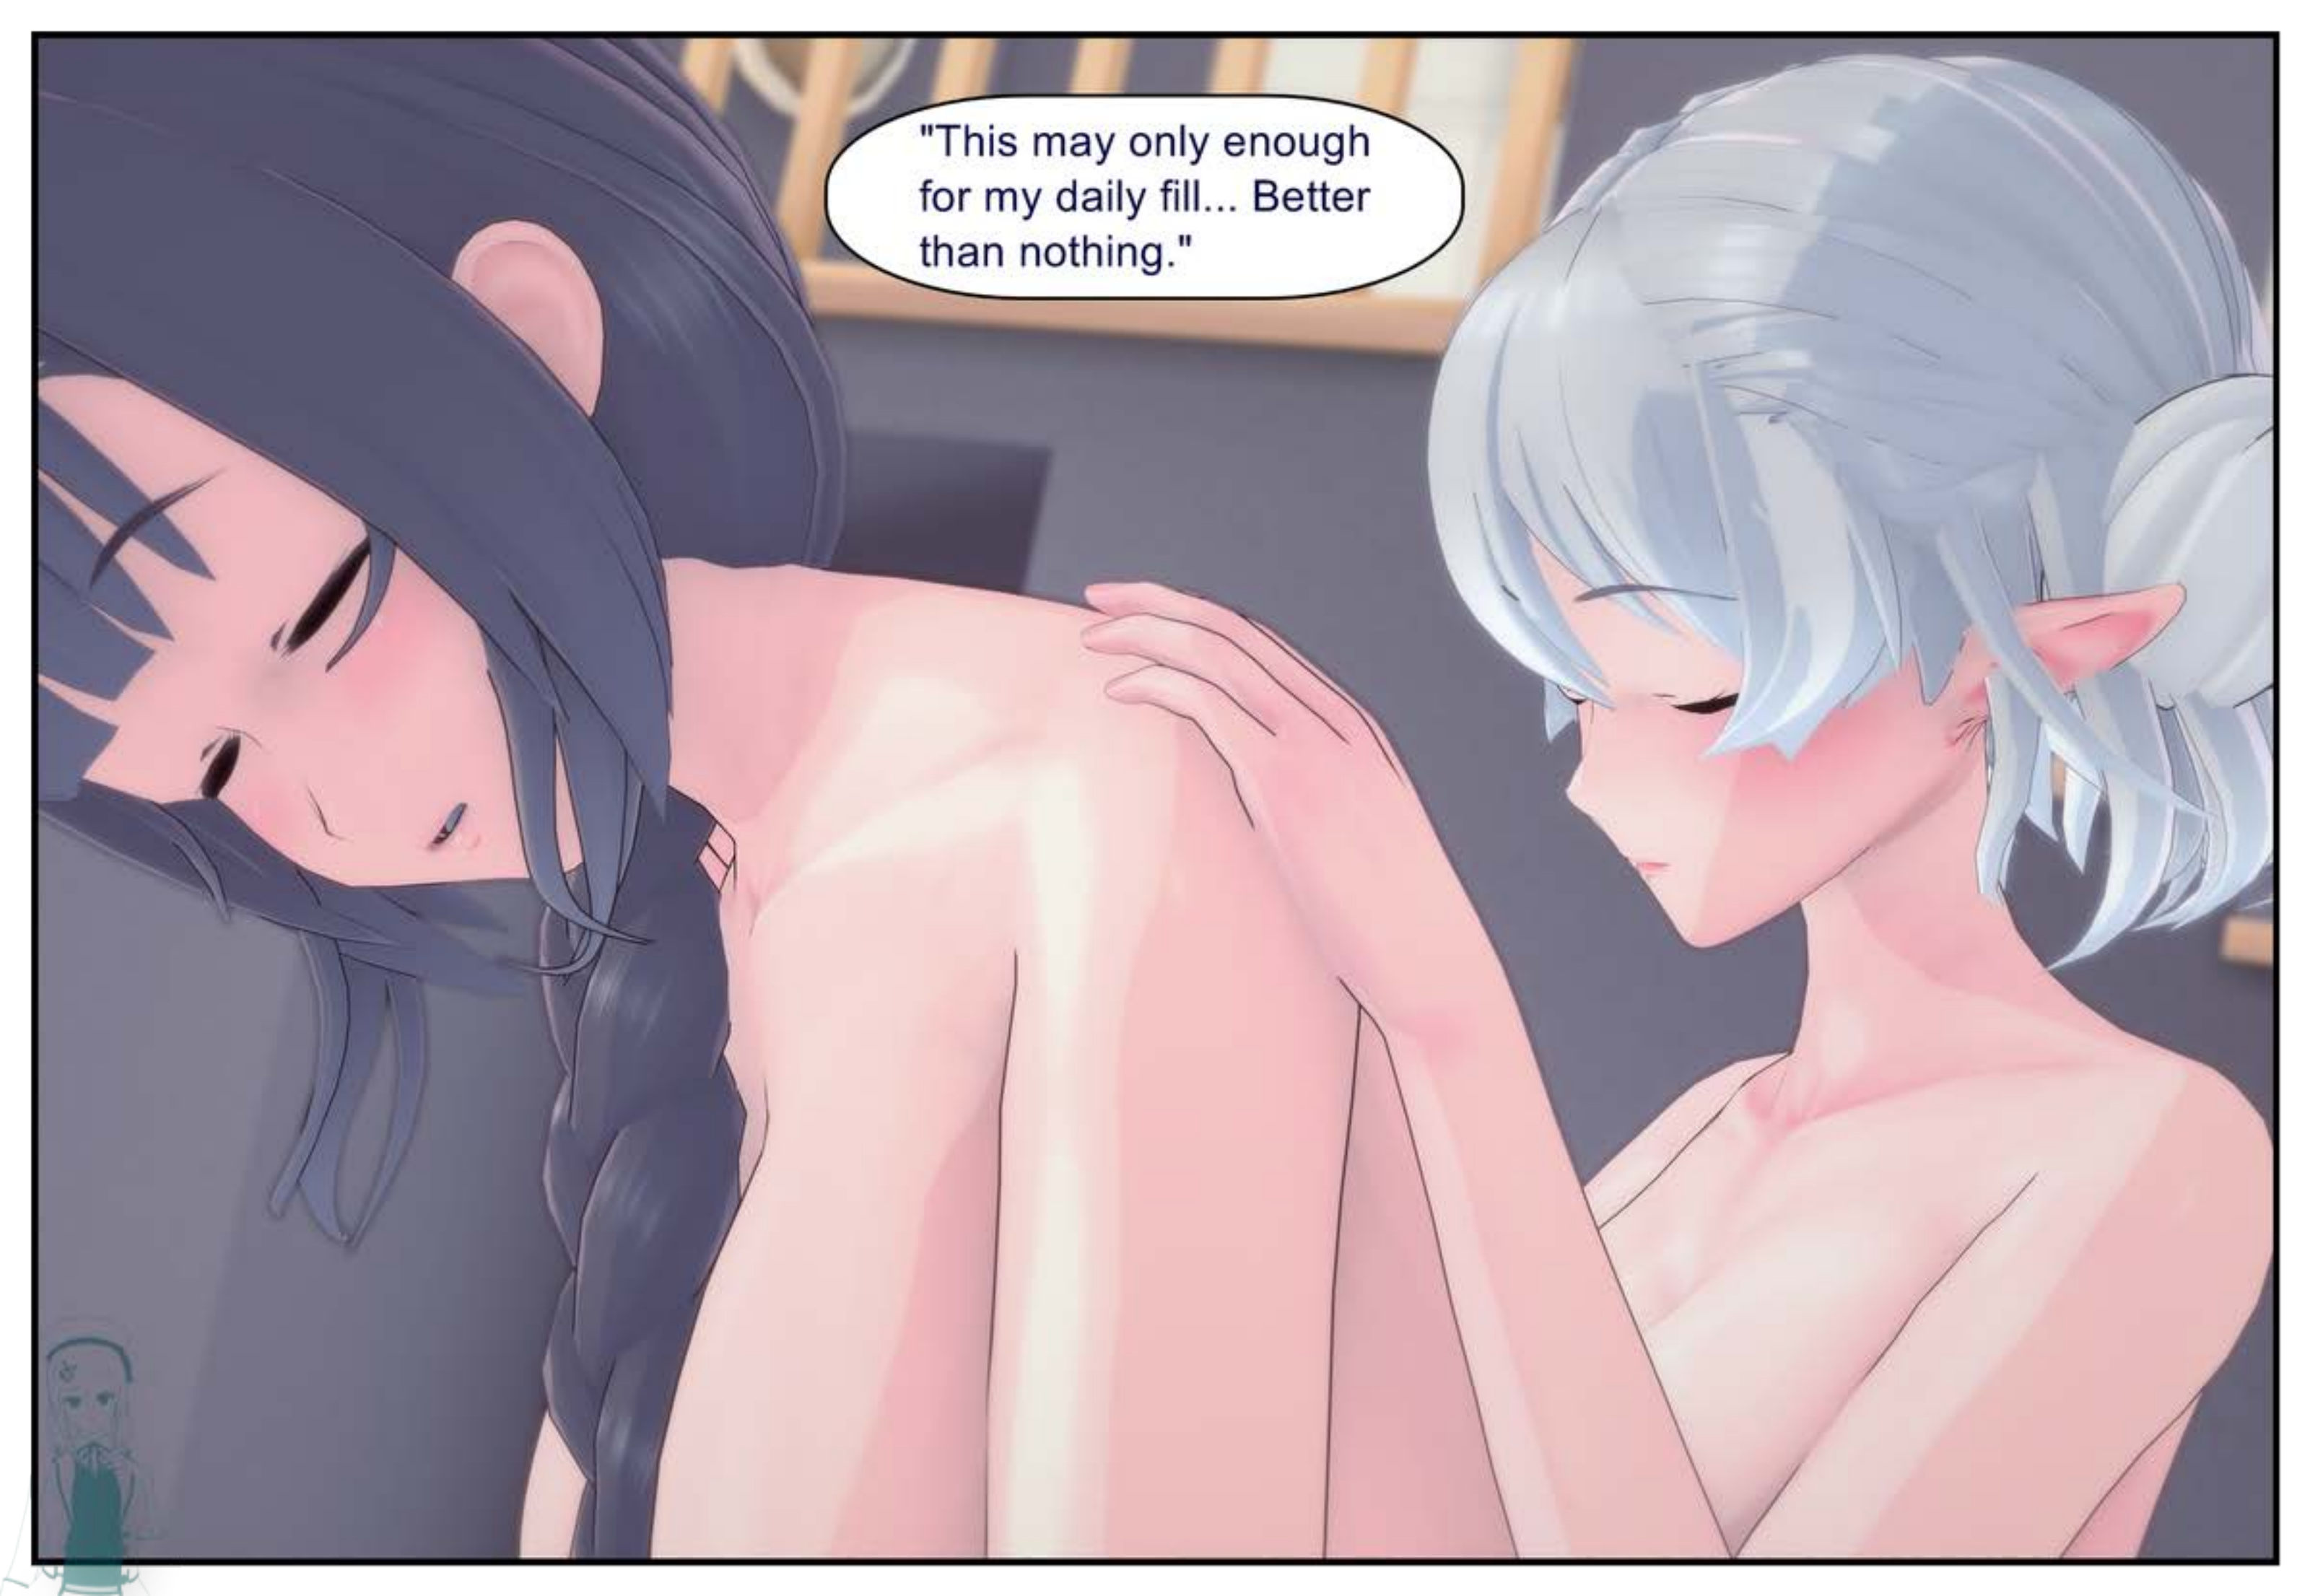

"She's probably has
some left than her sister."

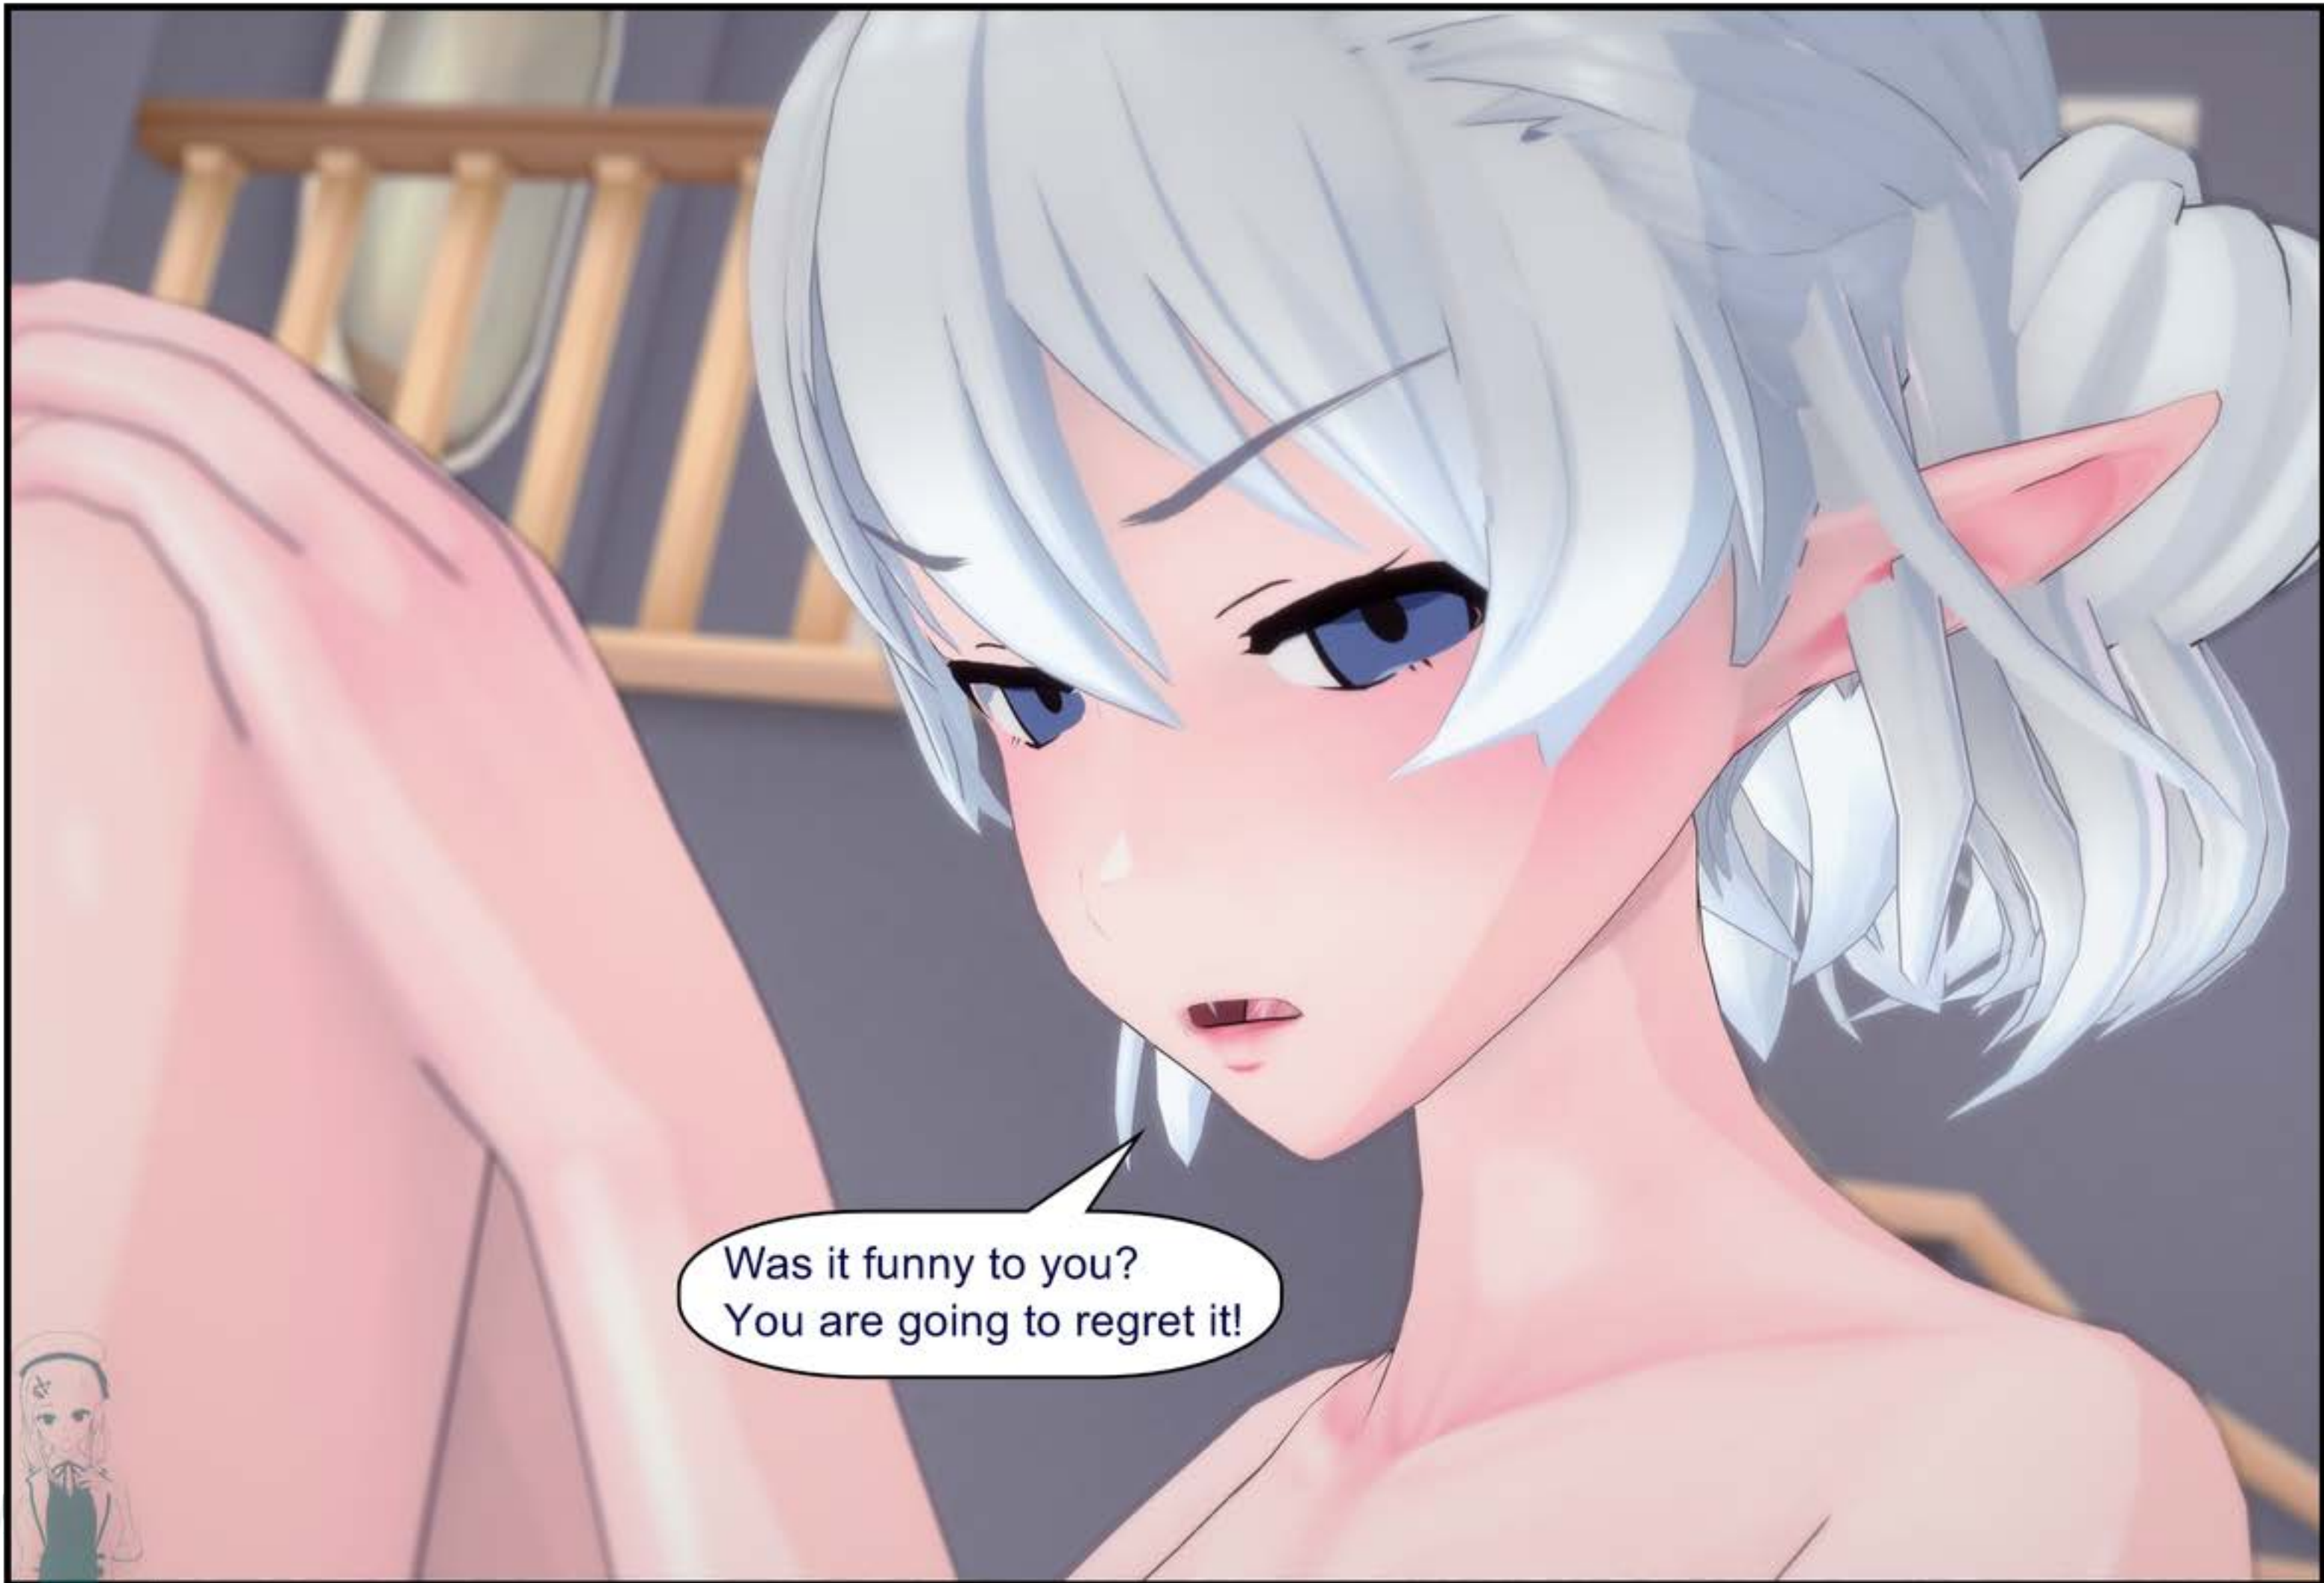

"This may only enough
for my daily fill... Better
than nothing."

Was it funny to you?
You are going to regret it!

S-Sis...?

May I... have some
of your blood, Yurizawa?

Un... Mm... Slurp...
Nn... Um... Nn...

Slurp... Nn... Mm...
Un... Slurp... Nn...

Slurp... Mm... Nn...
Slurp... Un... Slurp...

S-Sis... It's...

Un... Mm... Slurp...
Mm... Un... Slurp...

An anime-style illustration of two young women in a shower. The woman on the left has dark blue hair and is seen from the back, with her hand on the chest of the woman on the right. The woman on the right has blonde hair with a red flower accessory and is looking down with a blushing expression. Water droplets are visible on their skin. The background shows wooden shower slats.

Gulp... Slurp... Nn...
Um... Nn... Slurp...

Hyaaaaaa!!!!

Aaaahhhh....

Now, tell me, where
does Hanami live?

N-No... I don't...

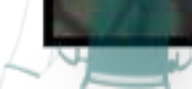

Hanami... I don't know...
But... she is... a student
of... Sakaki High...

Sakaki High, hm?
Seem like it will
be my next place to be.

The next day...

I-I'm telling you
the truth!!!

About your friend,
Yurizawa, turned into
a blood thirsty vampire?

I saw her with my
own eyes when I
came to take my
notebook!

I know... But I still
find it hard to believe...

T-Then... after school,
we will go to her house!

Vampire is also a
myth in the West
hundred years ago...

And nowadays, people
put their faith more in
scientific rather than
a myth in some book.

Probably, you were
influenced by the
Internet's urban legend.

Vampire... is not
real. You must have
been pranked.

B-But... Kyu...

E-Eh... You don't
have to, Hanami...

I understand...
I'm sorry...

A manga-style illustration of two young women in school uniforms. The woman on the left has short, light purple hair and is smiling with her eyes closed. The woman on the right has short, dark grey hair and is looking at the first woman with a slight smile. They are both wearing white shirts with dark blue plaid bows and dark blue plaid jackets. The background shows a chain-link fence and some foliage.

Actually interesting
when you brought up
about this topic.

Yeah, I want to see
how your friend
cosplay as a Vampire.

You guys...

U-Uhm, I started to
feel pretty hungry.

Ah... I forgot to
prepare my lunch box.

Me too.

I heard that canteen
today sell curry bread!
Let's have some!

I think... I will have
a look around first.

Going to have
your lunch, Hanami?

Maybe you still
remember what
happened last night?

Y-Yurizawa...?

Yes, her blood
taste okay...

Did you... bite
her and turn her
into a Vampire?

Why do you care?
I will show it to you
right away!!!

There's nowhere to
run this time!!!!

Hyaaaaaaa!!!!!!!

E-Eh...?

A close-up comic panel showing the lower half of a character's face and their clothing. The character has light skin and dark, spiky hair. They are wearing a dark blue plaid shirt over a grey collared shirt. The background is a bright blue sky with soft white clouds. A speech bubble is positioned to the left of the character's face.

Pant... *Pant*...

"She thrown me
down in one hit...
What is going on!?"

I'm not as weak
as you thought, human!!!

"I... lost... How
could it be...?"

P-Please...
Spare me...

I'm sorry... Did I
have it too hard
on you?

Please... turn Yurizawa
back to human. Can
you do it?

I... I will...

An anime-style illustration of two female characters on a rooftop terrace. The character on the left has short brown hair in a ponytail, is blushing, and is saying "Thank you." She wears a grey top, a dark plaid jacket, and a black skirt. The character on the right has short white hair and pointed ears, looking slightly away with a faint blush. She wears a light blue crop top and denim shorts. The background features a chain-link fence, a brick wall, and a cityscape under a blue sky with clouds.

Thank you.

"What a shame..."

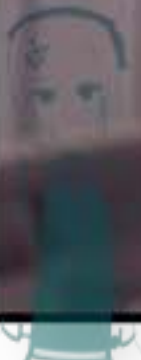

"...I can't believe that
I lost to an ordinary human..."

"I'm a Vampire with
a strength overcome them!"

Hmph...!!! I'm not giving up yet! Until I can drink her blood!

Ah, the school rooftop
is open!

"Fufu... The sky so
clear and refresh air!"

"I'm going to enjoy
my lunch until class begin."

W-Where did you
come from?

Oh, pardon me.
I'm here to enjoy
my lunch, too.

The difference is
my today menu...

Gaaaaahhhh!!!???

Un... Slurp... Be
more careful...
Um... Gulp...

mm

Unnn... Mm... Slurp...
Mmm... Gulp... Nnnn...

Hahhhh... Thank
you for the meal.

May I have this
lunch box, too?

Y-Yes... You can...
have it...

Um... Hm... Human food are not that bad.

"But... Nothing better
than blood."

"Back to business..."

"She's a bit large
size for me... Uff..."

So refreshing...

To be continued?

Now, Hanami... I
won't give up on
tasting your blood!
