

Name:	Spoon of Groucha Glass	
Rare (one of a kind)	Worth: 500	
	<p>This spoon was forged by master craftsmen who specialized in enchanted spoons. This spoon is one of a kind in a set that has been scattered across the lands by treasure hunters and collectors.</p> <p>This spoon looks as if it is made out of a dark tinted glass. The scoop of the spoon is strangely always sticky, even when clean. When this spoon is placed and stuck onto the face of the user, the spoon casts Disguise Self as a free action. However the spoon is not secure and might fall off if moved too suddenly. In addition to that, the disguise made will always give the caster with extra bushy eyebrows, even when the disguised image should not have hair there.</p>
