and conduct bigger projects..

And..

Blink

..!

W-Wait, Miss Mae!

This is-

Hm?

Aha, yes, yes!! Every senior agent gets to make a request for it!

The Director still has to approve them,

But you and Tez are close, so I don't think it'll be a problem!

Why?

You have someone in mind?

Well.. Um, kinda!

They're my best friends..

But..

I need to check in with Crush first..

Dan city?!

Are you sure..??

Yes..

It used to be Yunco's territory, and with Sodam's scandal, that area is up for grabs!

We need to establish a branch there as soon as possible.

It's rich in resources, but the wealth is not evenly distributed amongst the citizens

Privatization has crippled its local government

Thanks to Sodam, it's basically a corporate-run city at this point.

It's my hometown, Crush..

I want to change that..

Plus.. I wanna see Yao and Bamae again..

...

Wow..

You really thought about this, haven't you?
