

...B..but, Aerin...

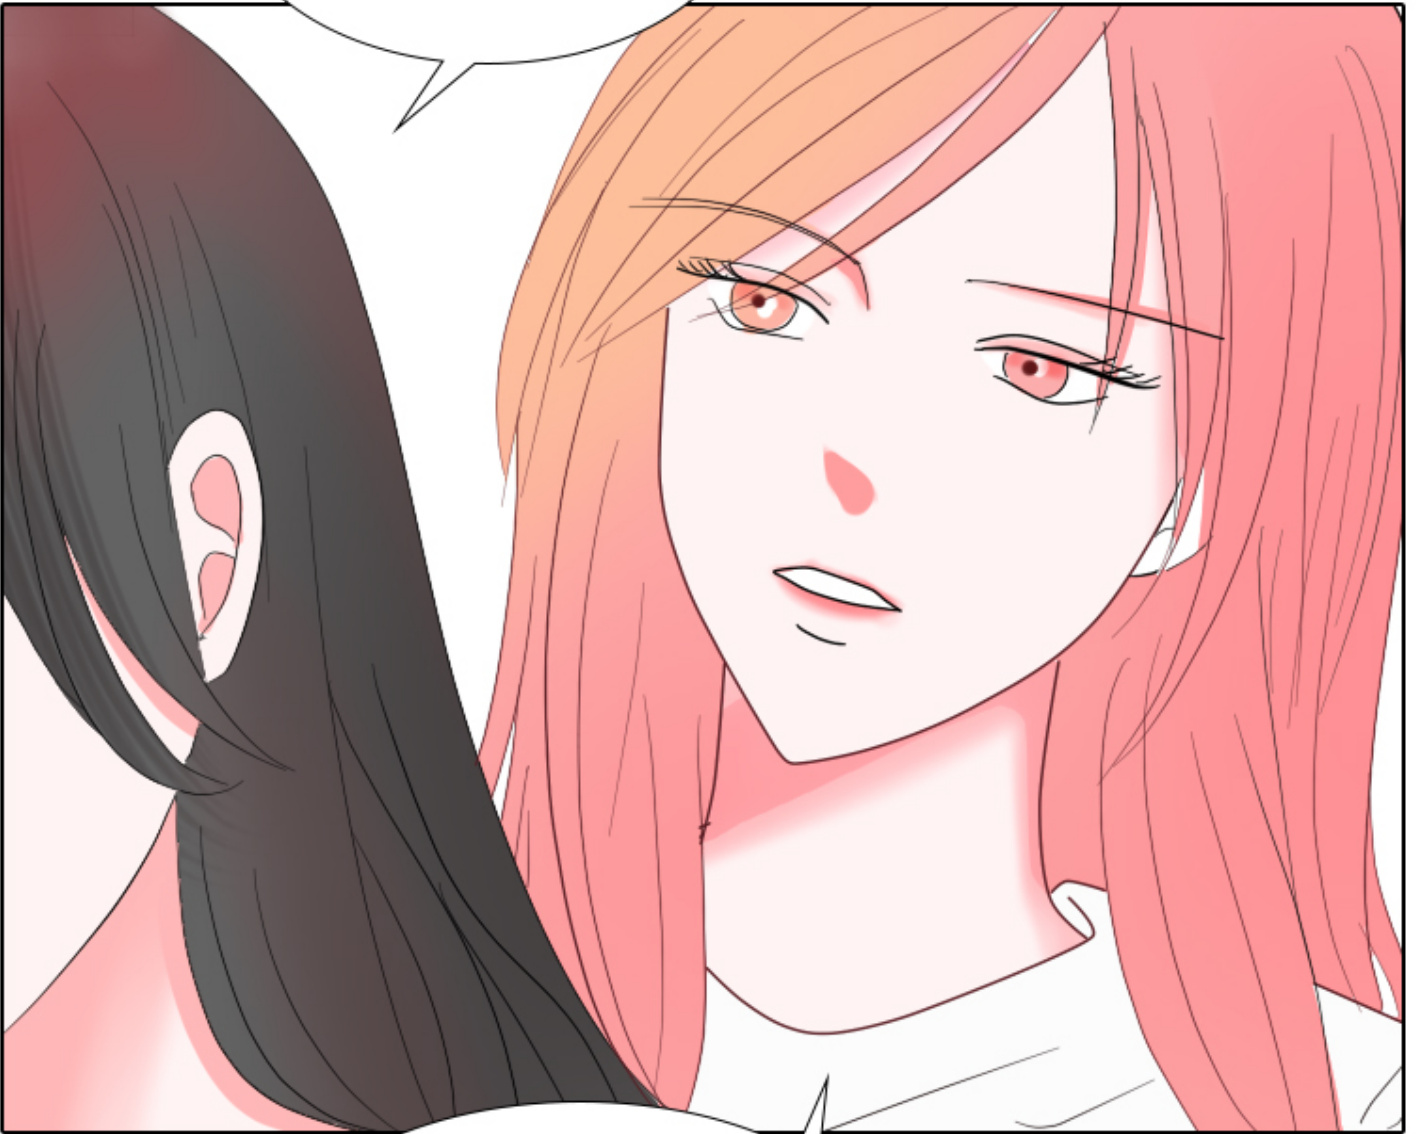

Grasp

I don't t..hink
this is okay..

Huh?
So you can
care for wounds
on the back
yourself?

No..
..I m..mean

Then
raise your arm!

I mean....This is awkward..

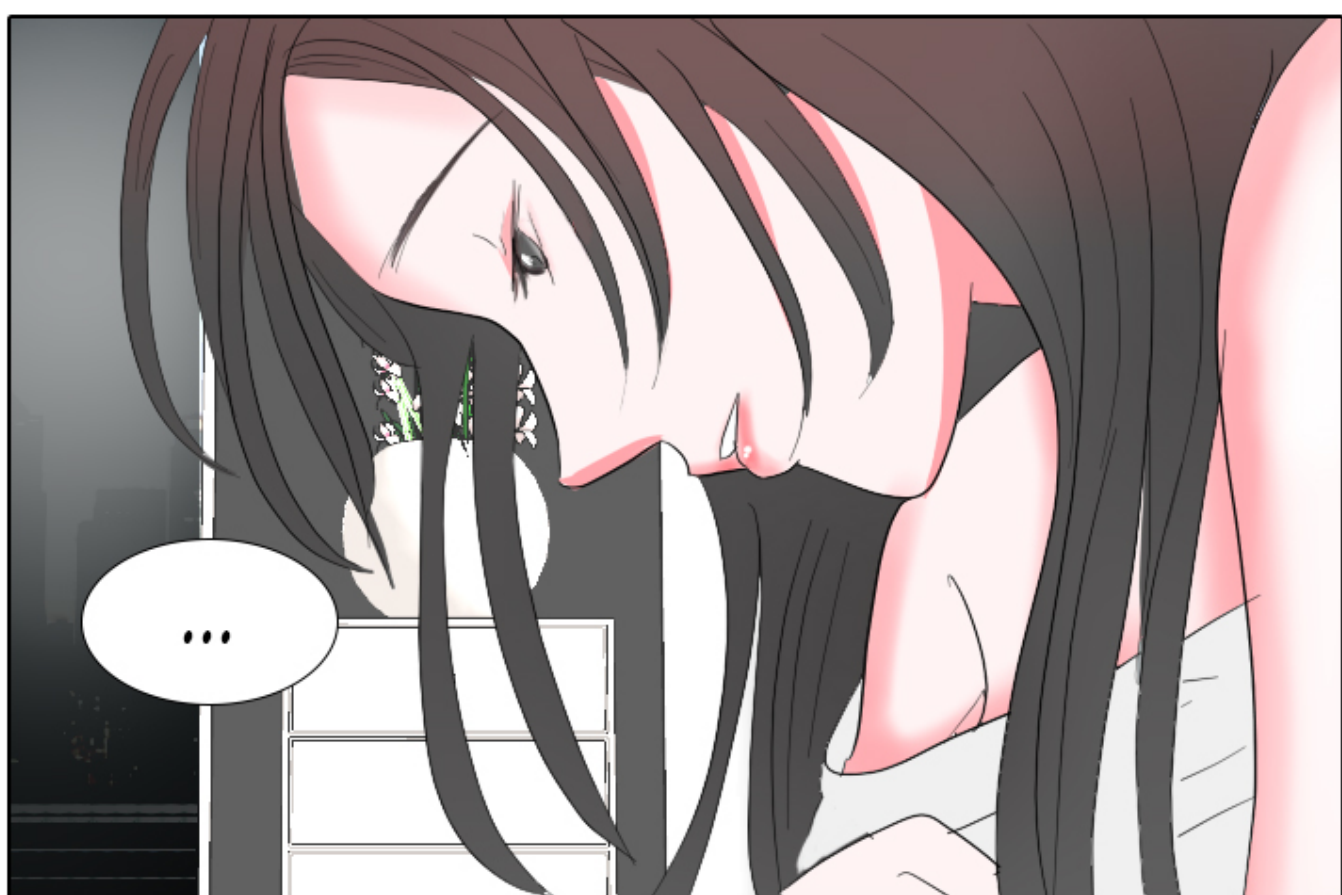

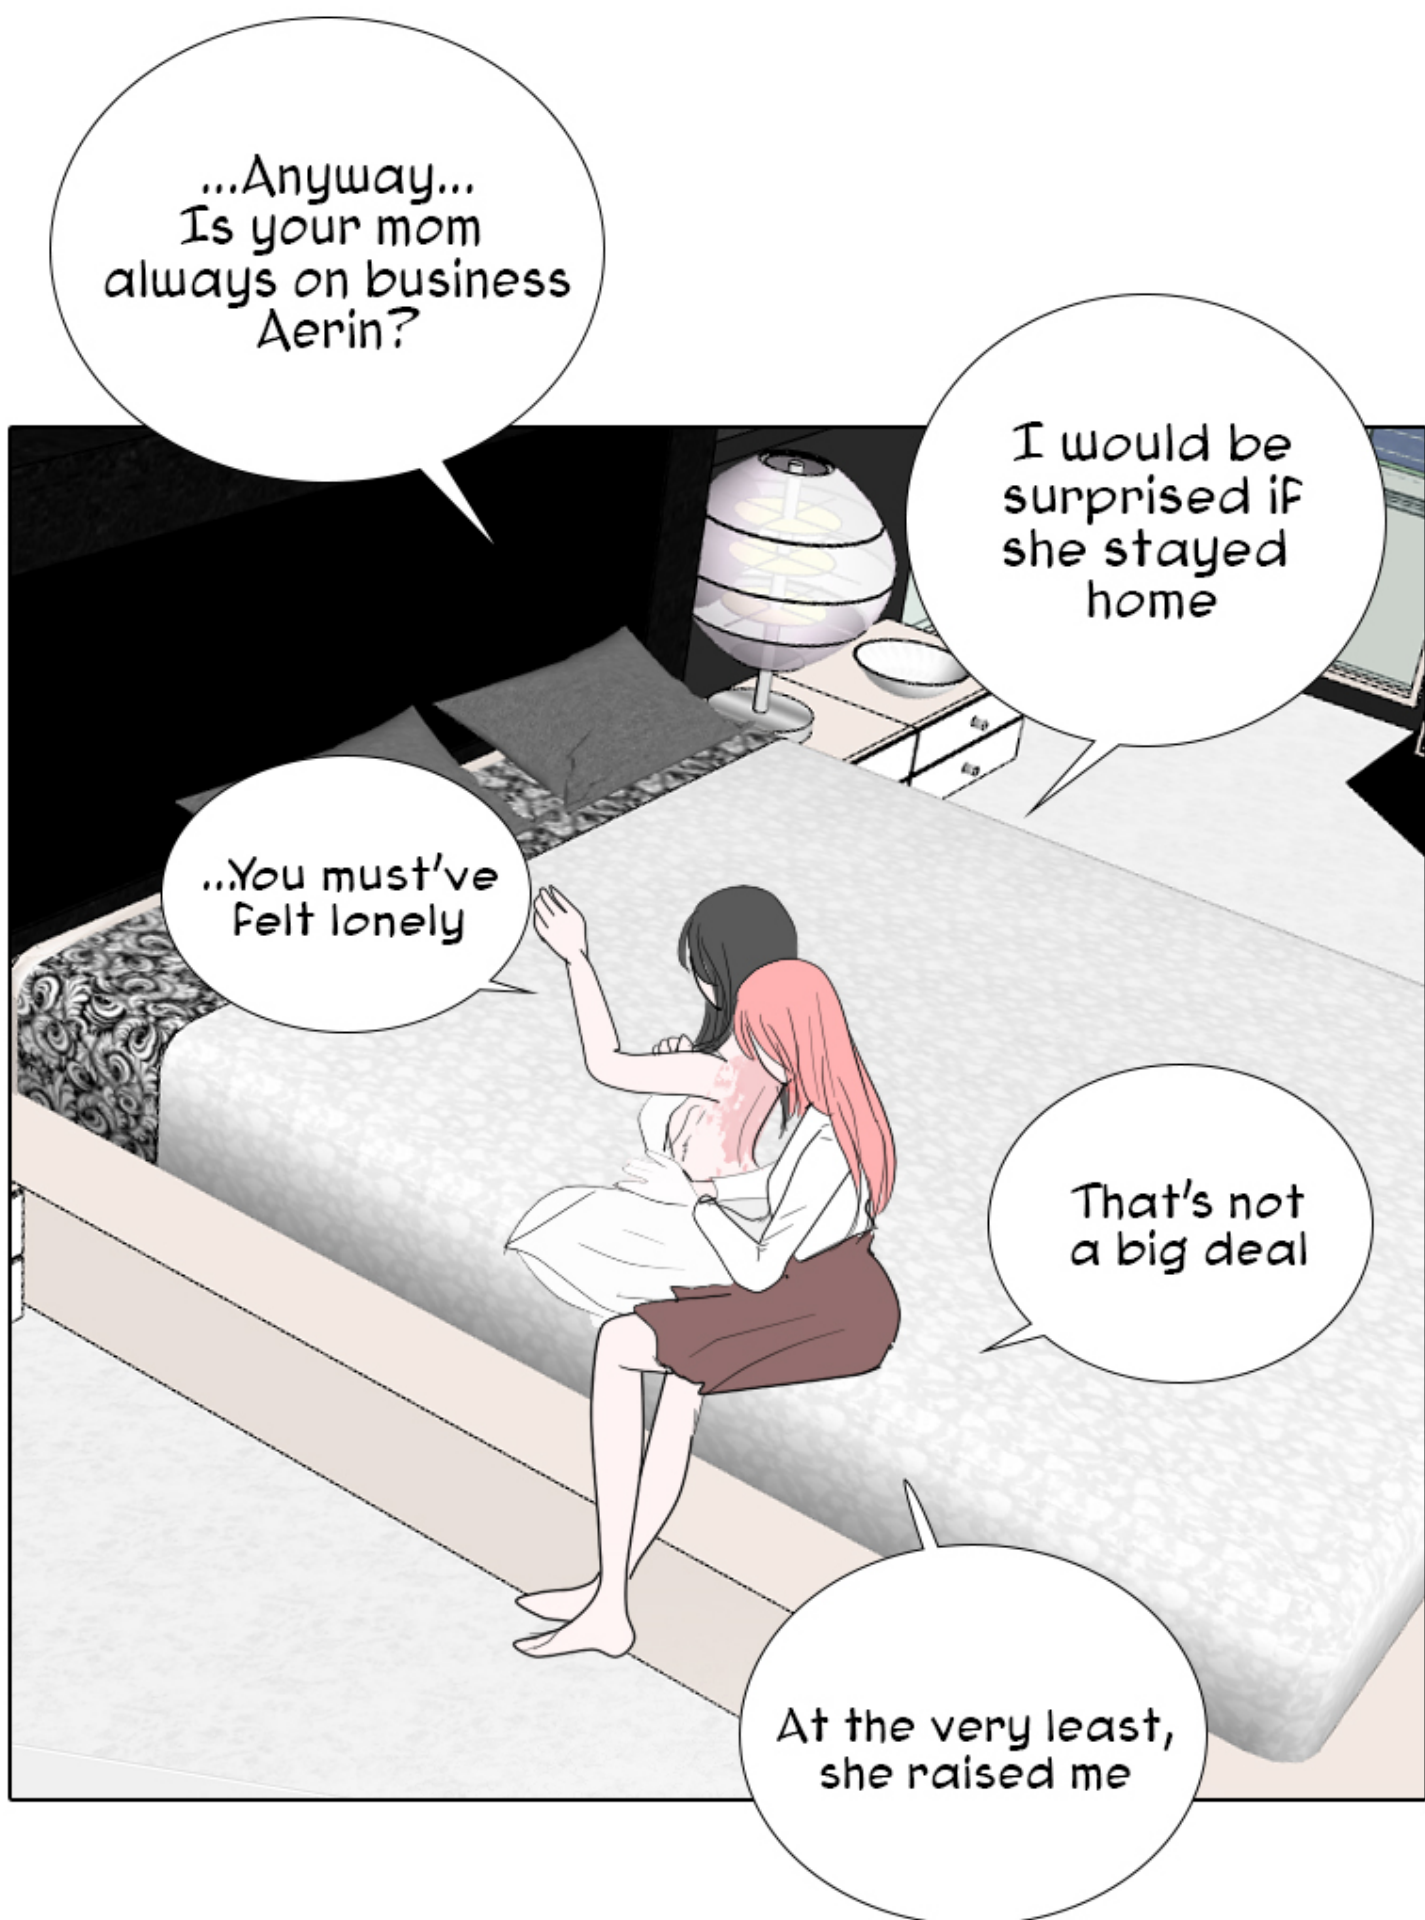

You can still clean it with my clothes on

That will only make it worse

Besides, there's no need to feel awkward

We're both girls!
I'm not willing to look at you either

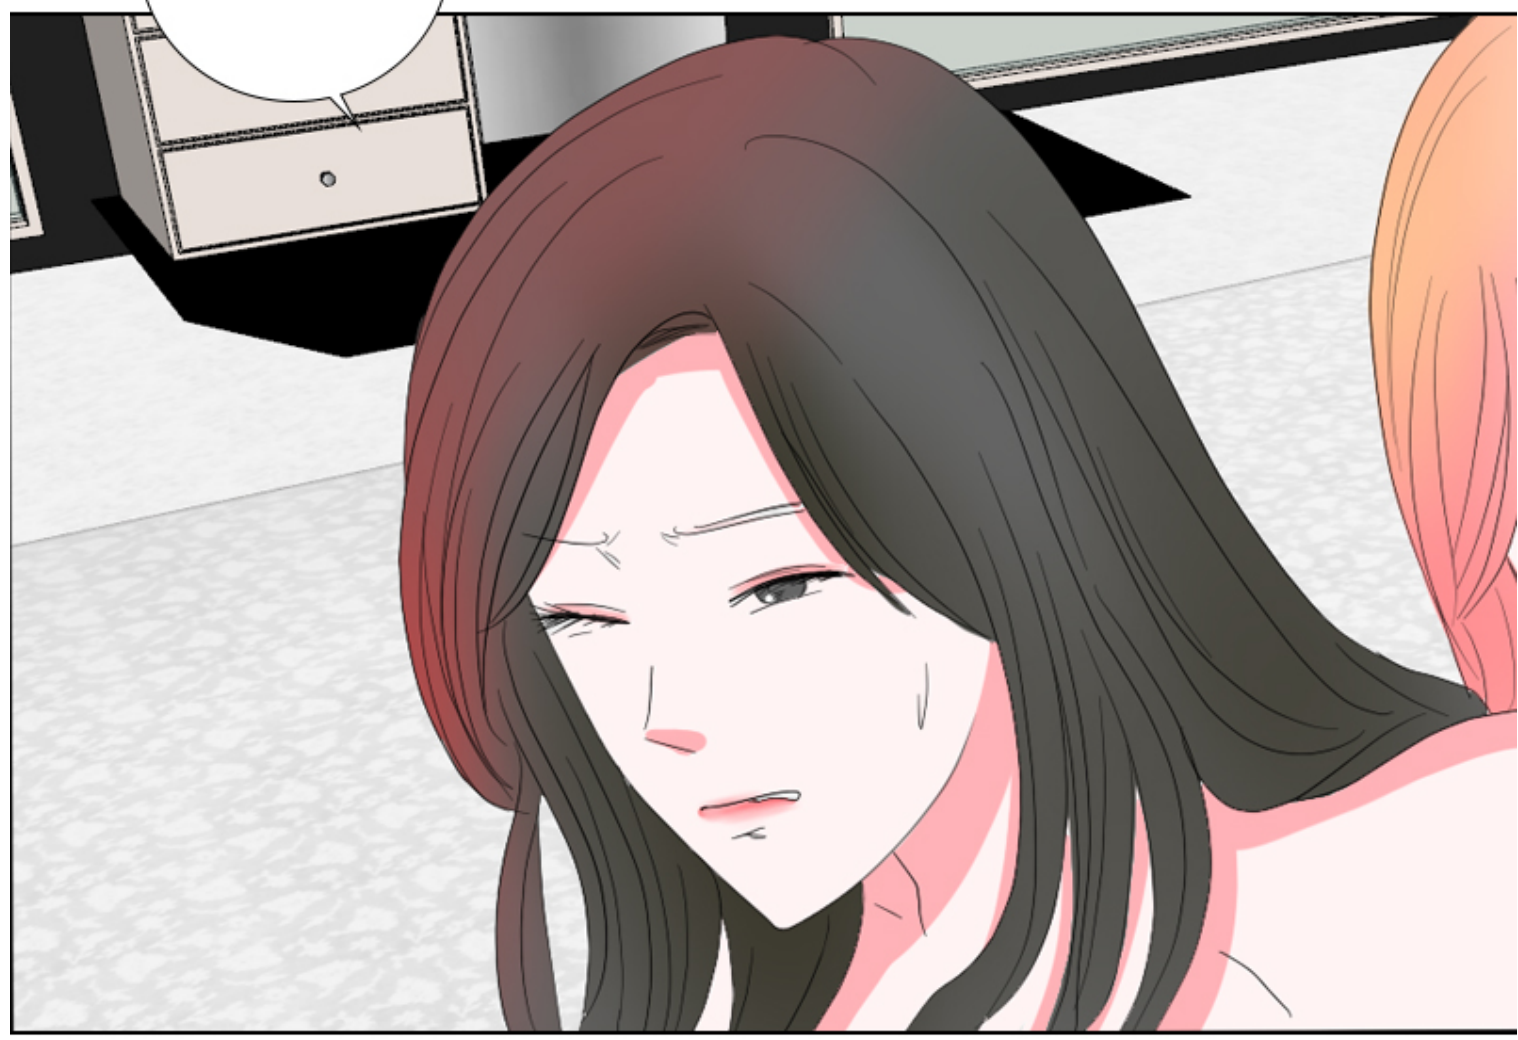

I'm....quite
jealous of you...
Aerin

....

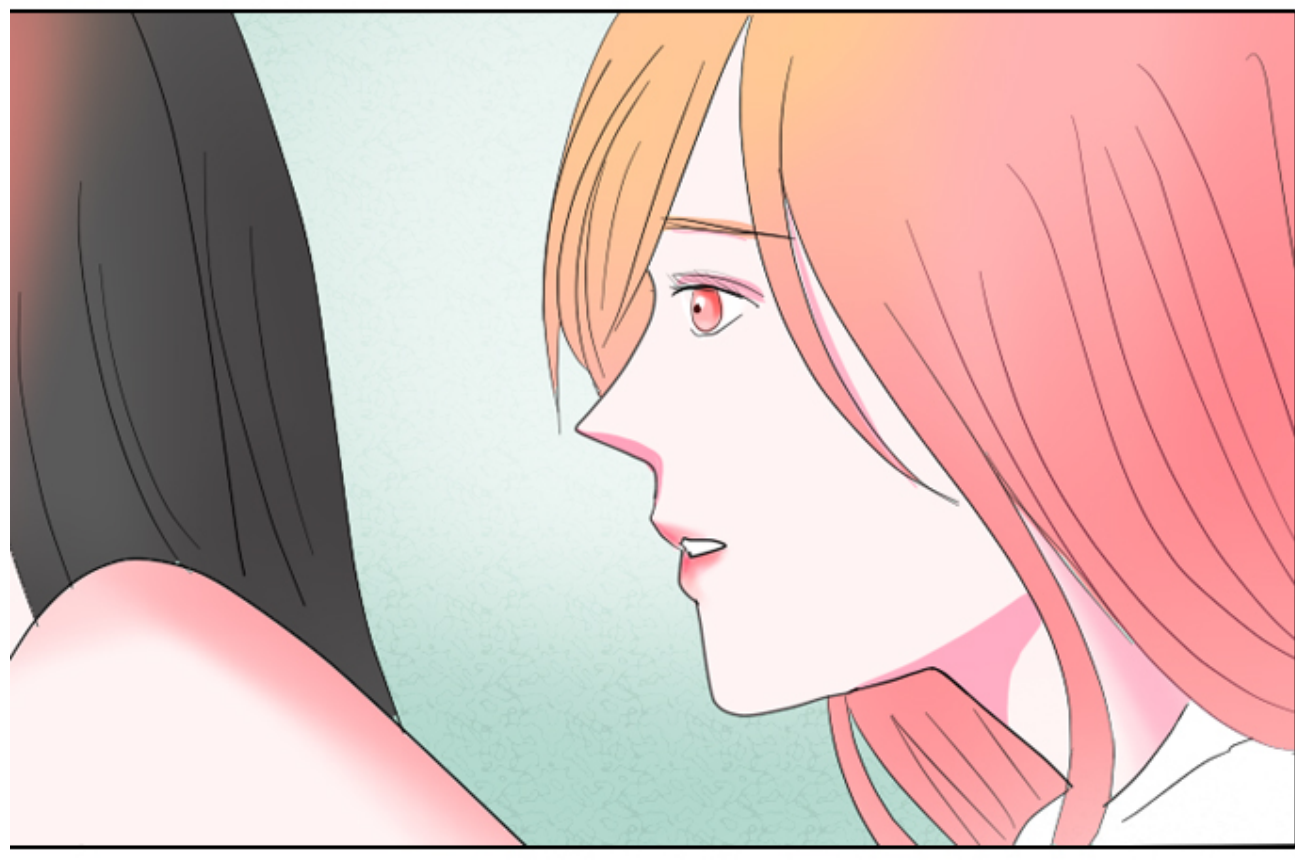

I couldn't even
remember how my
mom used to
treat me

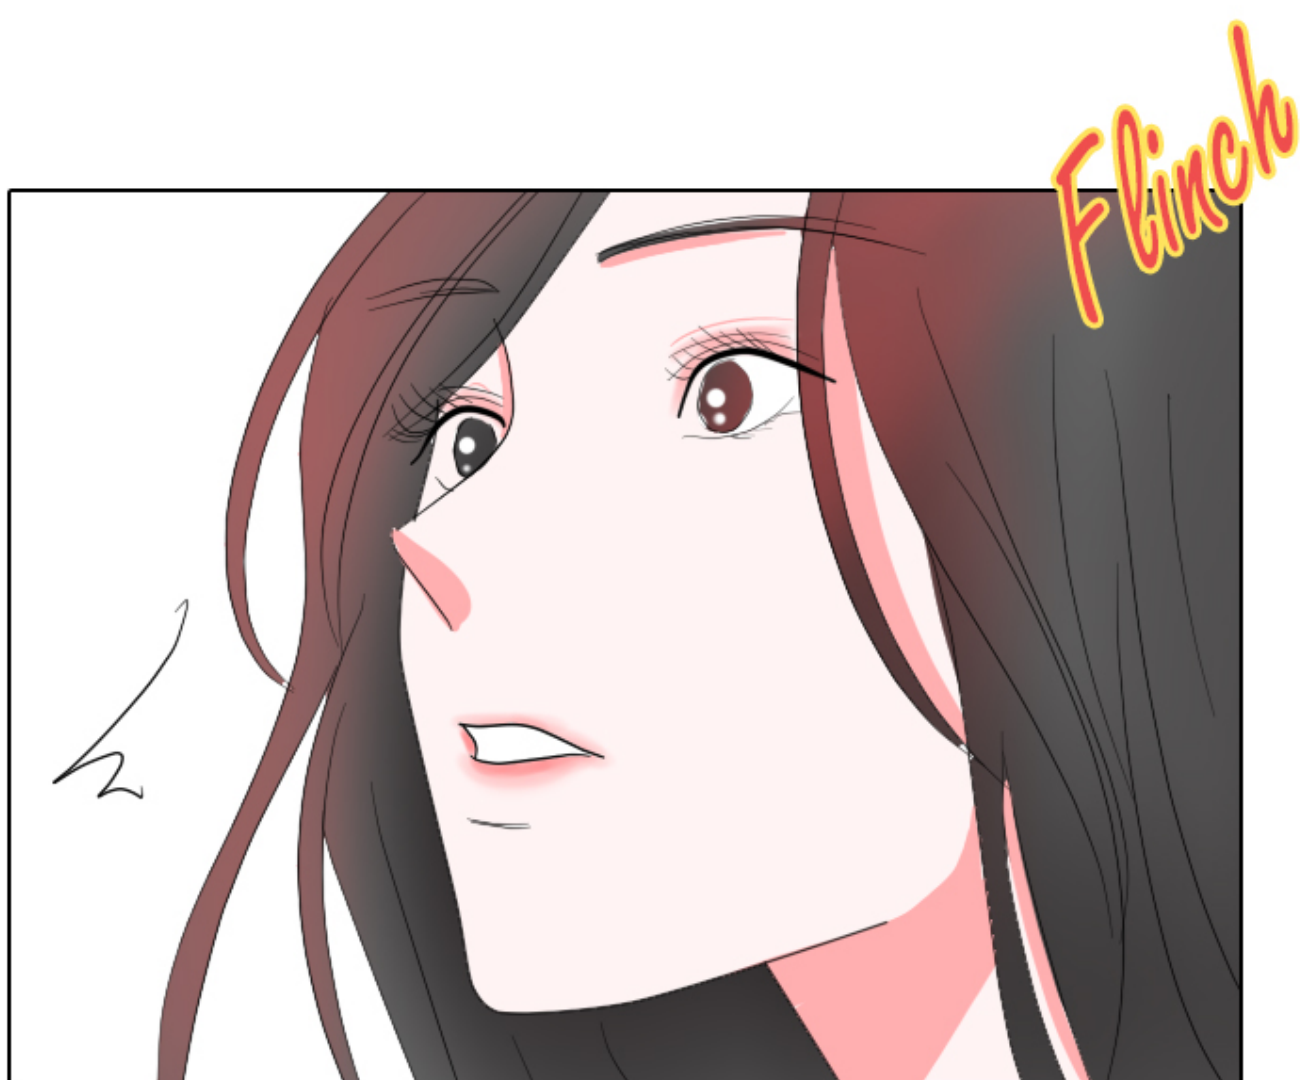

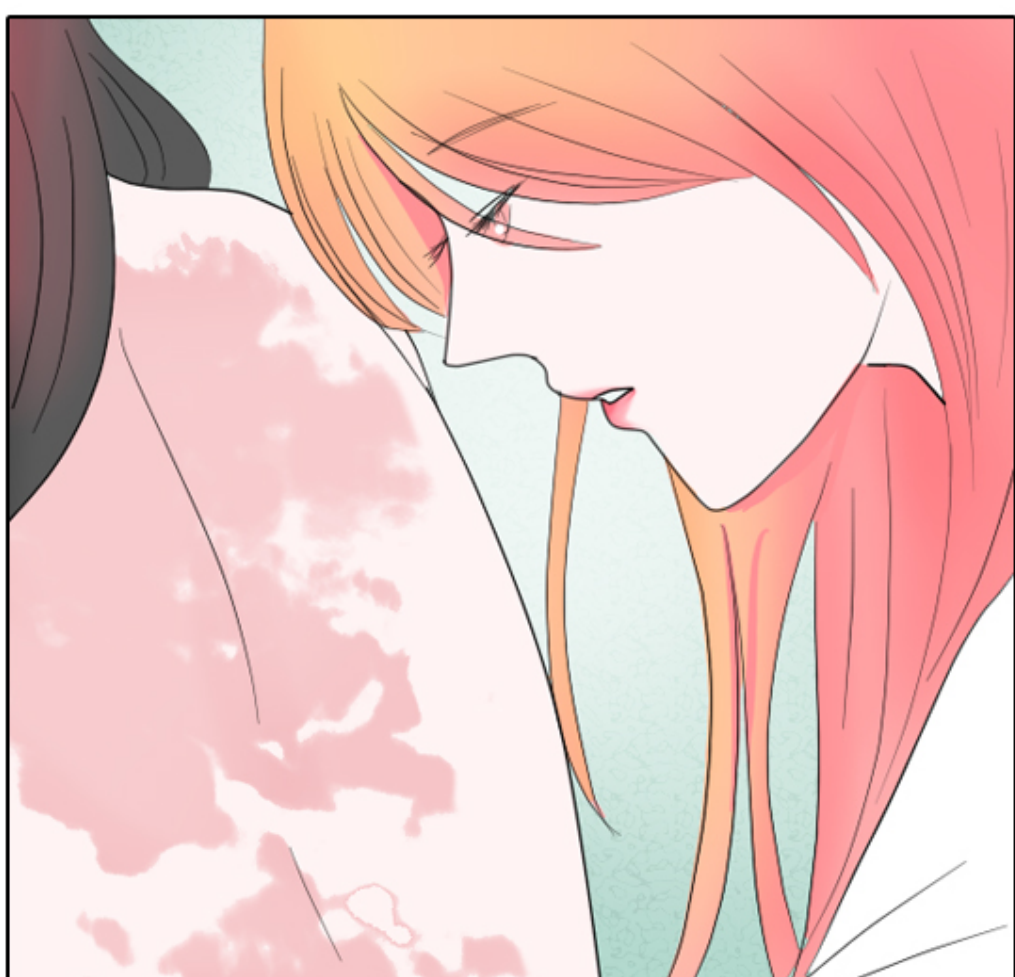

...Ah..

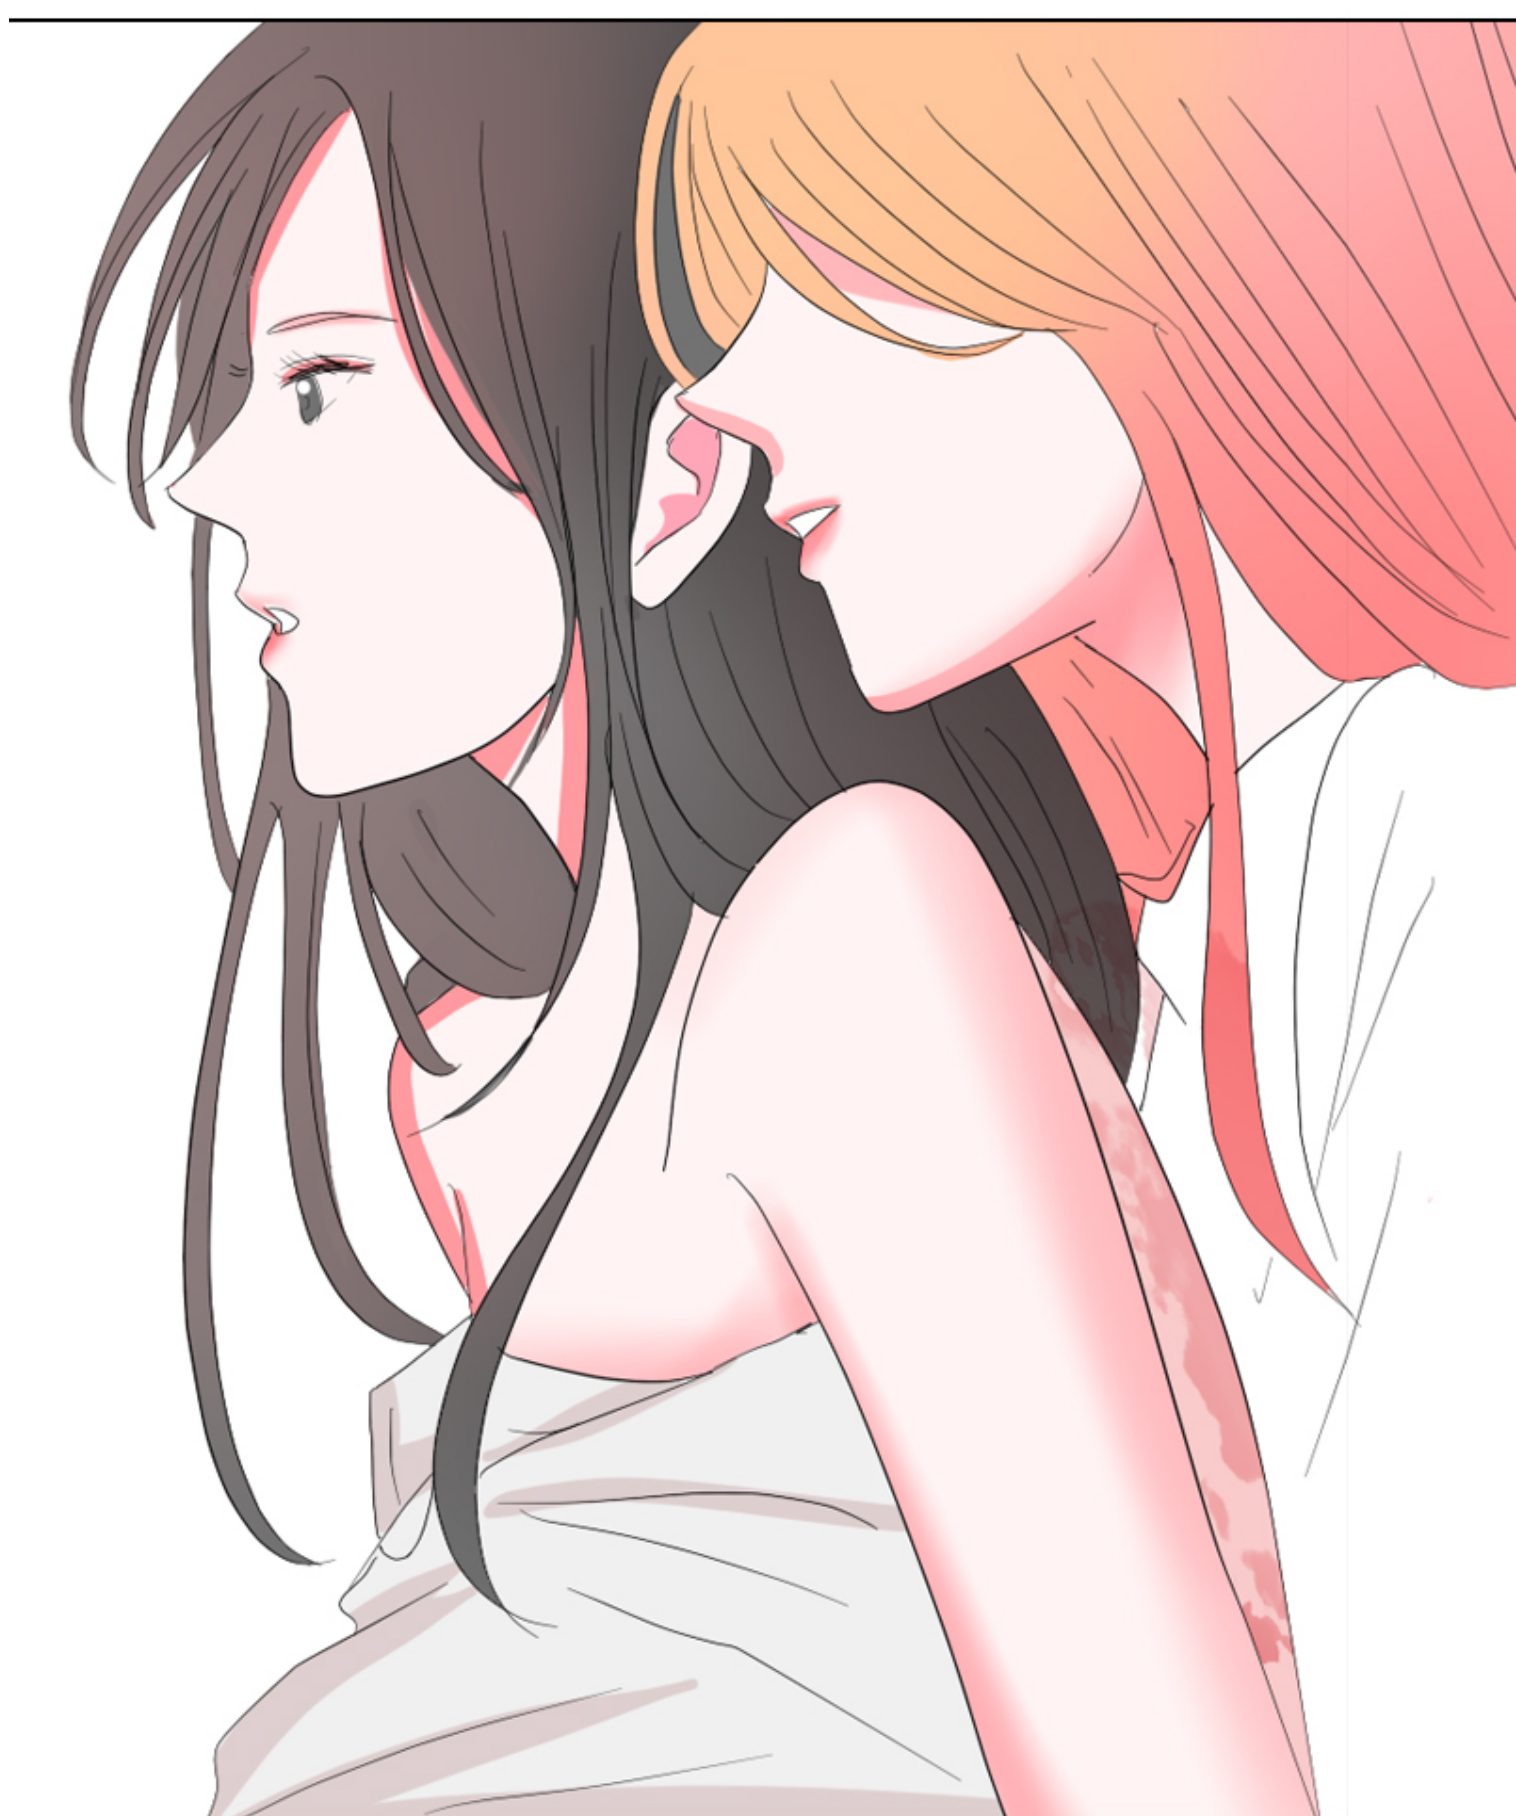

...?

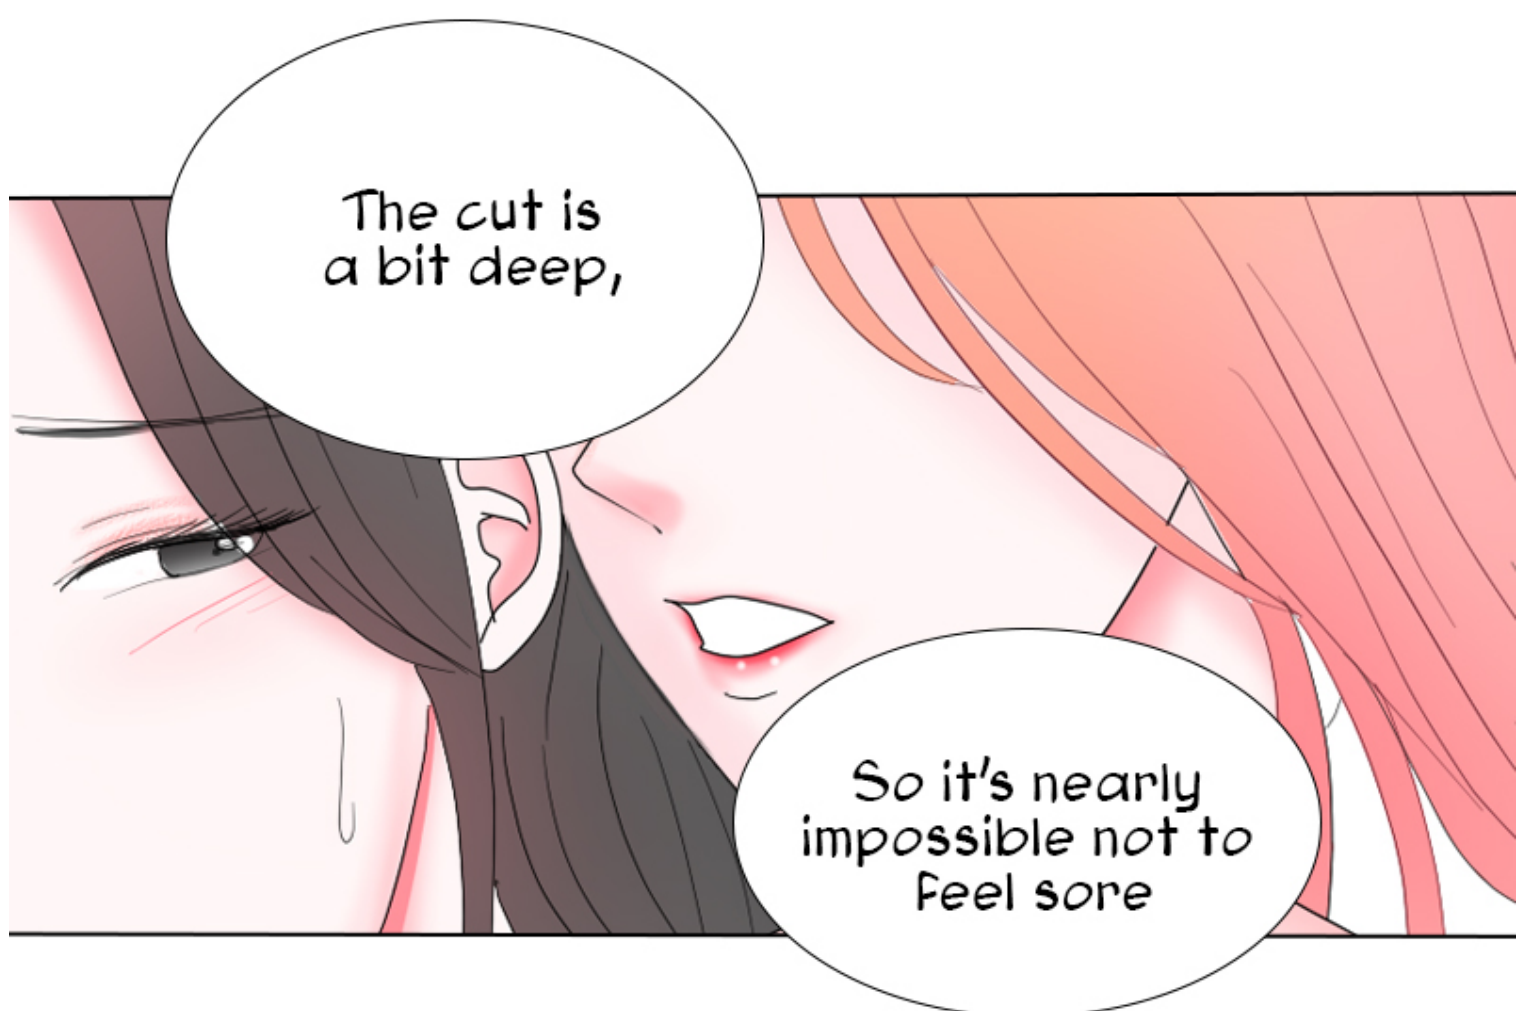

I didn't mean
to hurt you

The cut is
a bit deep,

So it's nearly
impossible not to
feel sore

...T..That's
a bad habit..

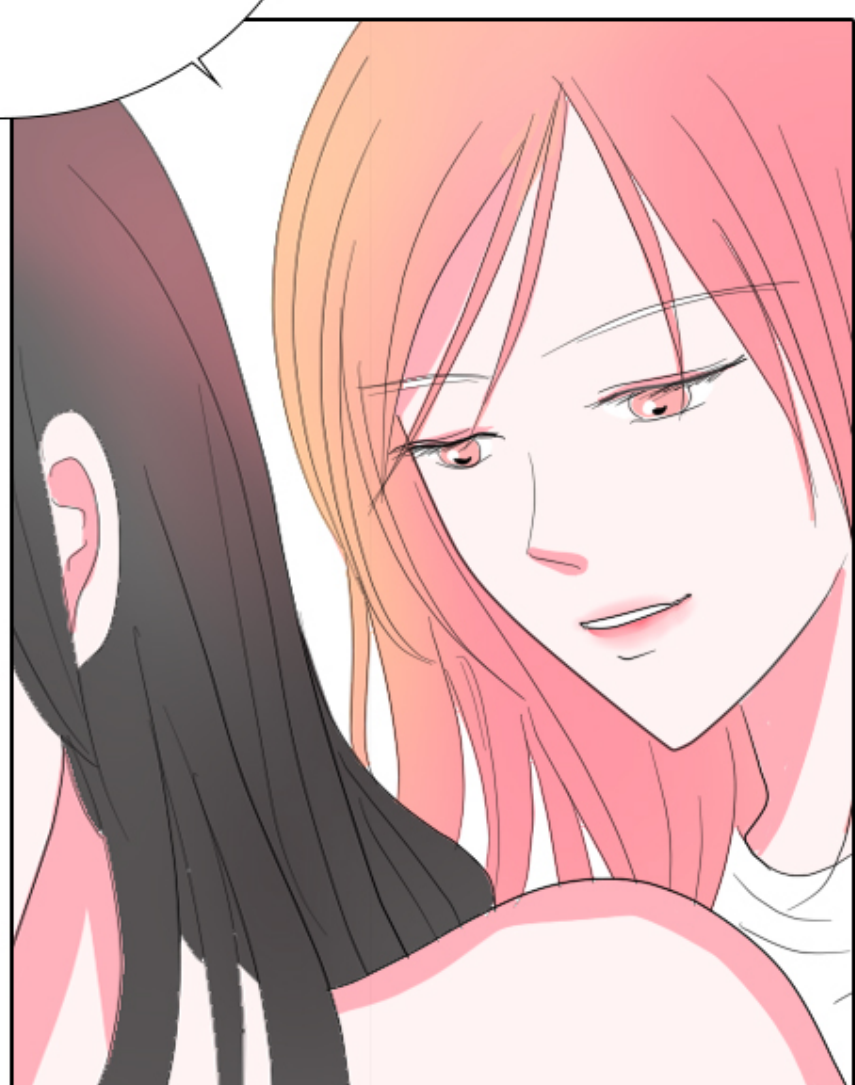

...?

move

..Aerin..
You don't
have to lean in
so ...close to
talk...

It's not
really that hurt.
I can still bear
with it

Then why do you
seem so tense when
I touch you?

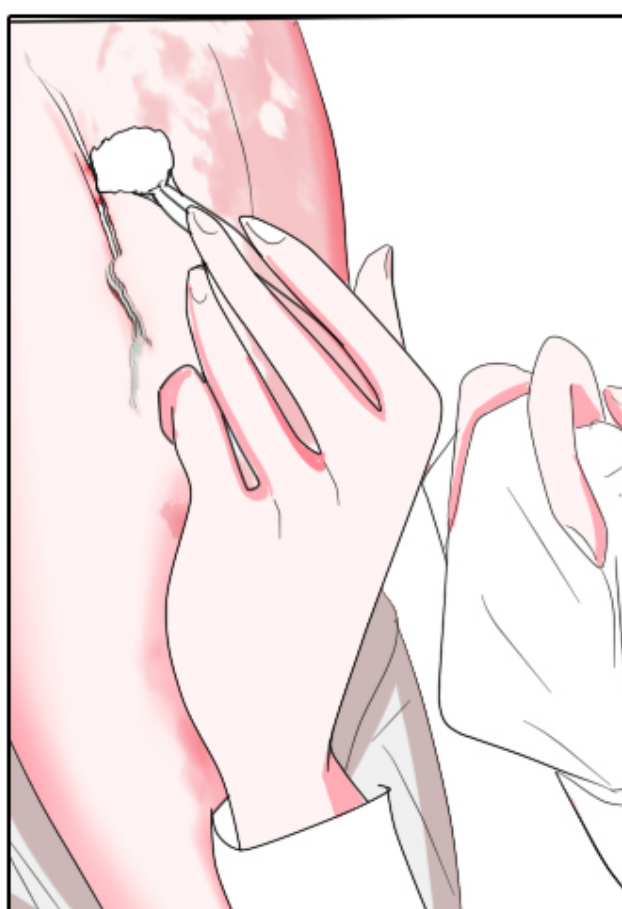

I didn't...

Don't
underestimate
me!!

Pfft

U..gh

It's done!

IF there are
signs of infection,
You must
go to a doctor
got it?

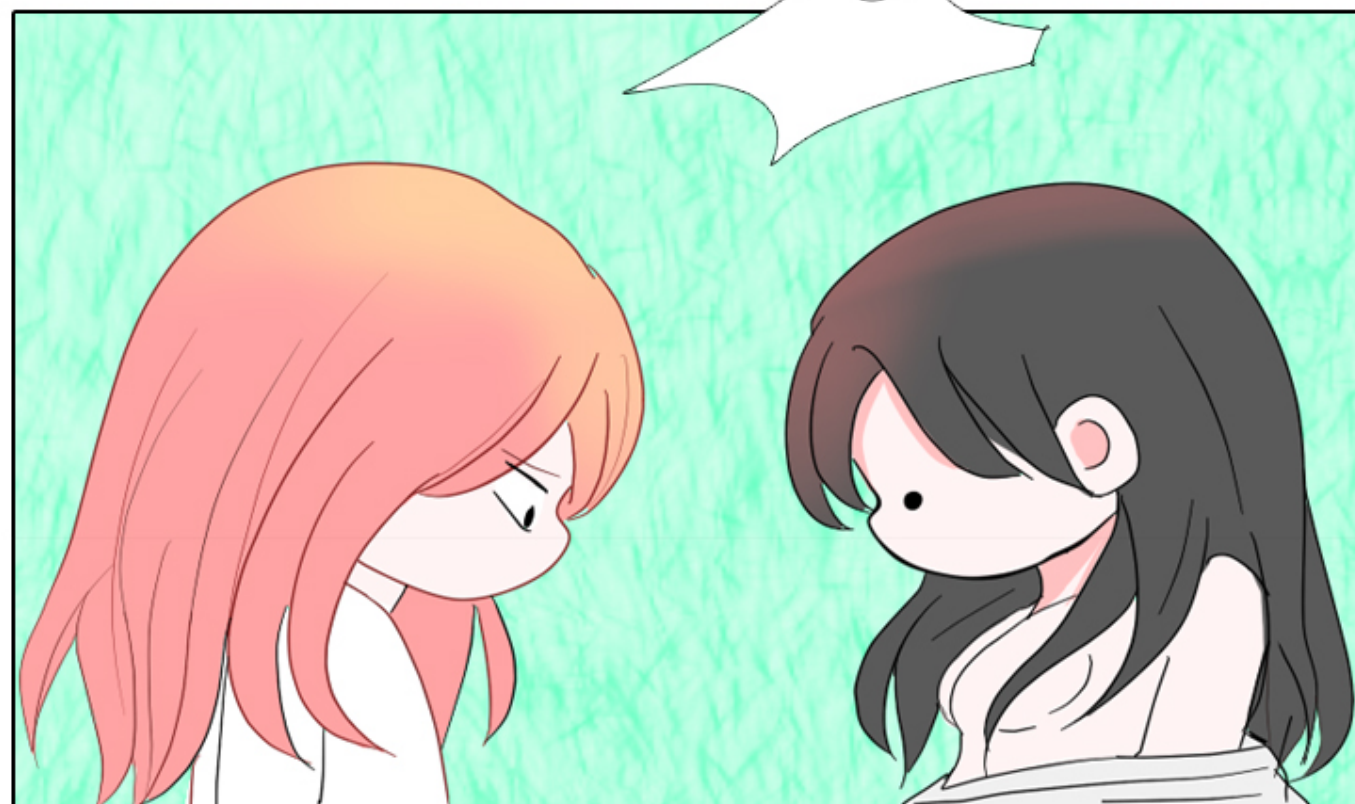

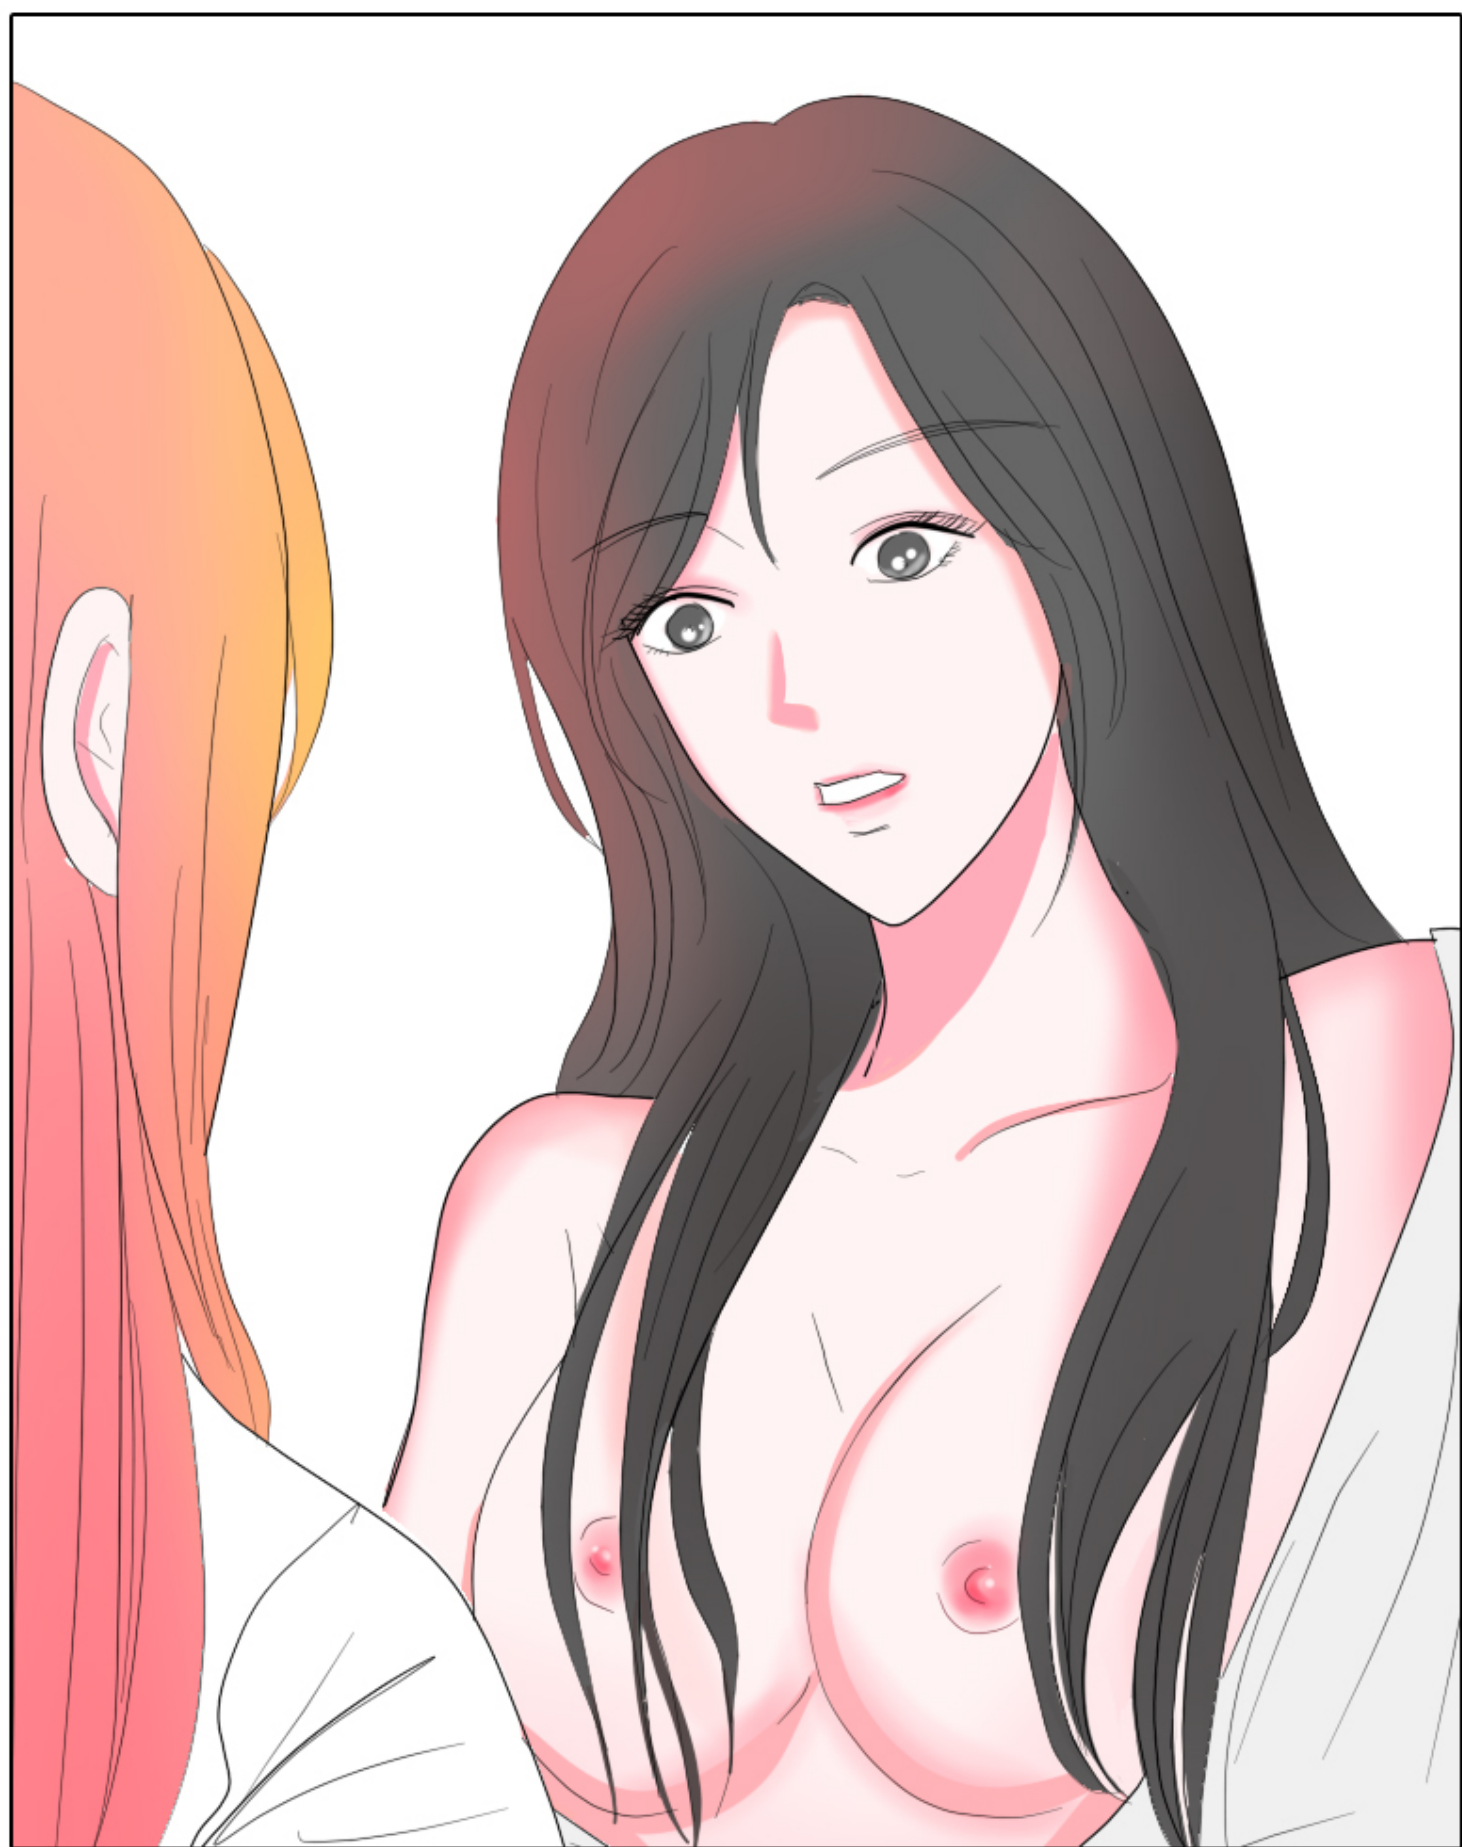

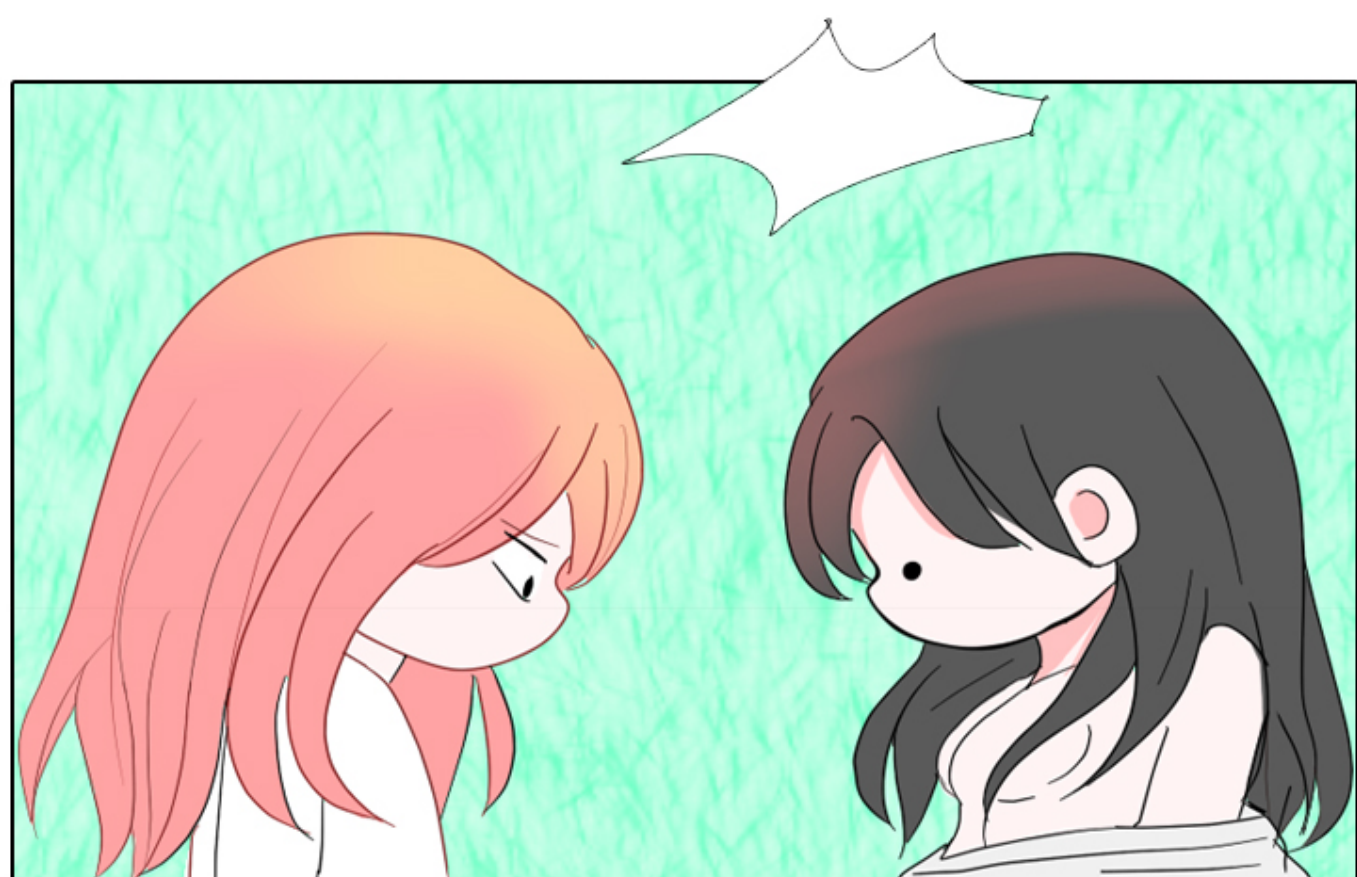

Will do!!

Turn

Thank you
so much~~!
Aer~
