

And that's it for this expansion.

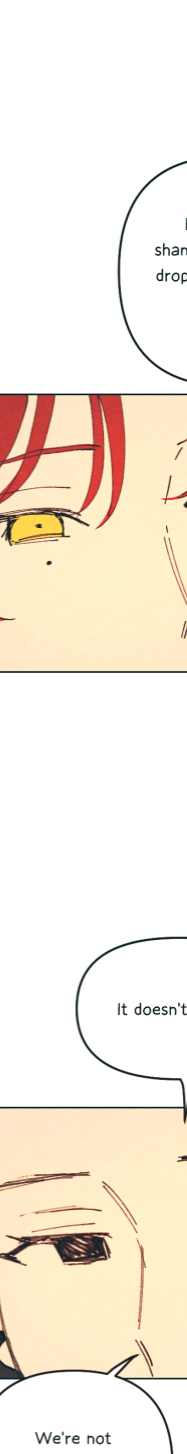

Next up, Cindy Con.

Sodam's Syndicate used to do them, since you liquidated everything and he's in prison.

The West Side would like to take over before you canned it, too.

Hmm.. You sure? It's quite a pricy event.

Your gears are atrocious, you dumb whale.

No wonder you can't clear endgame.

What? Really??

That's precisely why we want it.

It'll be good to launder money for our clients.

I see

It's next month, isn't it?

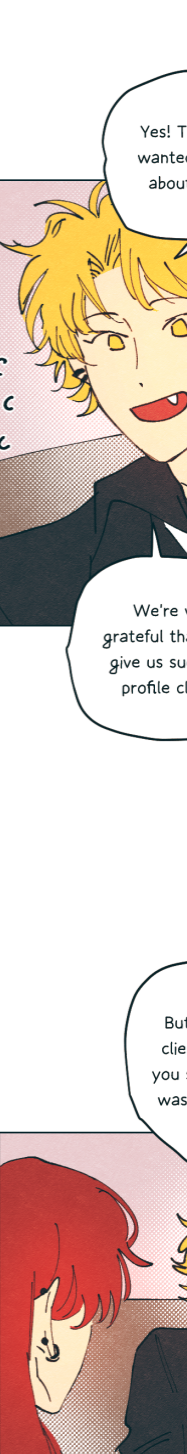

Will you manage?

It would be a shame if his sponsors dropped out because you were.. incompetent.

It doesn't matter.

We're not taking this project for profit.

Very well!

I'll have my assistant send you the Cindy Con files.

Pleasure doing business with you

We'll be taking our leave n-

W-WAIT! I HAVE A QUESTION!!

Ah..

I'm going to fucking kill him.

Kang, isn't it?

You're the one handling Crush's client while he's on hiatus, right?

Yes! That's what I wanted to ask you about, actually..

We're very grateful that you'd give us such high profile clients!

But.. I took his clients because you said his leave was temporary..

So..

When is Crush coming back?

Seriously? You begged to come to the meeting just to ask about that guy??

I apologize for this, Crush spared his life once and he's been a fanboy ever since.

You don't have to entertain him with an answer.

I don't mind.

Crush has been gone for awhile.

I'm curious about when he's coming back, too.
