## **Donated Flora Fire Reward Money Given Away** *Funds Diverted to Fire Department*

**Dateline: Flora, IN, July 19, 2022** — r/FloraFire, an online Reddit community who advocates for justice in the Flora fire of November 21, 2016 which claimed the lives of four children, has learned that \$20,000 in donations made by citizens for a reward fund has been diverted to the fire department and other locals.

The Flora's Four Angels Facebook Group announced that the \$20,000 check would be presented to the local fire department.

These funds were donated under the assumption that they would be used as a cash reward for information leading to the arrest and conviction of those responsible for the arson.

The check will be presented by the Flora Community Club on Thursday, July 21st at 5:00 at the Tractor Pull Arena.

r/FloraFire is an online Reddit community who advocates for justice regarding the Flora arson in Carroll County in November 21, 2016 which claimed the lives of four children: Keyara, Keyana, Kerriele and Kionnie. Our mission is to raise awareness for the case while advocating for its victims.
