A character with long, flowing purple hair and pointed ears. Her eyes are glowing with a bright yellow-green light. She is wearing a vibrant purple, one-shoulder dress with a shimmering, metallic-looking trim. She has a surprised or questioning expression on her face. A speech bubble originates from her mouth, containing text. The background is dark and out of focus, with some red and white structural elements.

HUH?
WAIT, WHAT - WHAT
DO YOU MEAN?
AM I -

A woman with long, vibrant purple hair styled in a high ponytail. She has a distressed expression, with wide eyes and a slightly open mouth. She is wearing a bright purple, one-shoulder dress with a silver, ornate brooch at the neckline. Her hands are raised in front of her, palms facing forward, as if she is pleading or trying to stop something. The background is dark and out of focus, suggesting an indoor setting with some structural elements.
