

## Chapter 63 - Cell phone and Powerbank.

Nahida returned to his hotel carrying the contact list that Matsunada had given him. He was also carrying a two-liter bottle of soda he had bought, as well as some snacks.

When he entered the hotel, Nahida met Nazuna at reception, talking to Rias. Nahida ignored them and went straight to the table where Rudeus was sitting.

Apart from him, there was no one else. Eris and Ruijerd had gone to their rooms, and the goblins were gone, too.

Nahida put the soda and snacks on the table. Then he called Rias over and asked her to bring two glasses.

"How long has it been since you've had soda and eaten this kind of thing?" Nahida put soda in a glass for Rudeus.

"It's been a few years."

"There's nothing like that in your world, is there? It must suck to live in a world that doesn't have the internet, television, and tasty things like that."

"I don't miss it much." Rudeus took a sip of his soda. He felt that sweet taste after a long time, and he also felt the gas. It was delicious.

"It's good, isn't it? So... You wanted to talk about the tickets, didn't you? You used one of them to come here, but you didn't put my hotel in any city..."

"As I said before, I was worried that something might happen. But I'm going to do it. It won't be long before we reach a slightly larger town, so I'll put your hotel there."

"You're not forcing yourself, are you?" Nahida opened a packet of snacks. "Would you like some?"

"Oh, thanks." Rudeus took some potato chips. "I'm not forcing myself. I want to help you, but in return, I want something. I hadn't asked you for anything, but now I want something in return."

"Hmmm... And what's that?"

"Magazines." Rudeus' face turned red.

"Hm, adult magazines. Don't you want a cell phone? A video game? Television? Some food you miss? Clothes? Do you want magazines with naked women?"

"You can't do it?"

"Of course, I can, but... How are you going to explain this to Eris and Ruijerd? I'm sure you won't be able to hide the magazines from them."

"I can. But then, will you accept it?"

"Giving you adult magazines in exchange for putting my hotel in your world? It's a very fair trade." It benefited Nahida. Magazines of this kind weren't expensive, so that it would be fine.

'But he is a sick pervert, isn't he?' Nahida smiled and then took a sip of his soda.

"Ah, wait, something might be better than magazines." Then, an idea popped into Rudeus' mind. He noticed that he could get even better things from Nahida, so he suddenly changed his request.

However, it still involved naked women.

"Do you want a cell phone with porn videos? As well as a power bank?"

"Yes, that's right." Rudeus nodded wildly. He was looking forward to it.

"That won't be a problem. However, power banks don't last forever. They need to be recharged."

"I'll return to your hotel when I need to recharge it. So, what do you think? It is a good idea since if the videos are downloaded, I don't need the internet to watch them."

"A cell phone and a power bank aren't very cheap, but I can do it. However, I will give it to you when you put my hotel in a city. What do you think?"

"Right, deal." Rudeus and Nahida held hands, sealing the deal.

In exchange for Rudeus spreading his hotel around the world, Nahida would have to get a cell phone, a power bank and also download a lot of porn videos for Rudeus. That would be a tedious job.

When morning came, Nahida sat on the edge of his bed and opened his Status. He had finally reached level 20 after a long time. And when he reached level twenty, a new skill was released.

[ Transpass ]

[ You can enter any world you want, whenever you want ].

Nahida remained silent, looking at the notification he had received on the system. Yes, he had finally received the ability he had always wanted. Now he had a free pass to visit any world!

"LET'S GO!" Nahida shouted, not caring that the people outside his room heard him. A big smile appeared, and he washed his face in the bathroom and changed his clothes as quickly as possible.

After getting ready, he ran out of the bedroom and towards the reception.

On the way, he bumped into Nazuna, who was finishing serving the customers.

"Hey, what happened? Why are you in such a hurry?"

"I need to test something."

"Wait a second, what is it?" Nazuna followed Nahida while still holding the tray. Joulan was surprised to see them running towards the reception.

"That's it." Nahida thought about Rimuru's world and opened the door.

"Waaa! Are you kidding?!" Nazuna's eyes lit up. Outside was the world she had come from. It was the world of Slime! "How did you do that? You can go there without needing my help now!"

"My hotel has changed. I've reached a high level, and now I can go to any world I want. Let's see." Nahida closed the door and opened it again while imagining the world of Mushoku.

When he opened the door, he arrived at the same place where Rudeus, Eris, and Ruijerd had left the carriage. Instead of getting to where the first hotel had appeared in Mushoku, he arrived where Rudeus had put it using the ticket.

'Have the other two hotels been deleted?' Nahida closed the door and imagined the exterior of the first hotel before opening it again. When he stepped outside and looked around, he saw the other hotel he had put there to show Rudeus the ticket working.

"I see." Nahida went back inside the hotel. Then he opened the door to Rimuru world again and asked Nazuna to come out. She managed to get out. It was working.

He would finally be able to go to any world he wanted.
