Yui and the Guardian

Cute?

The Guardian

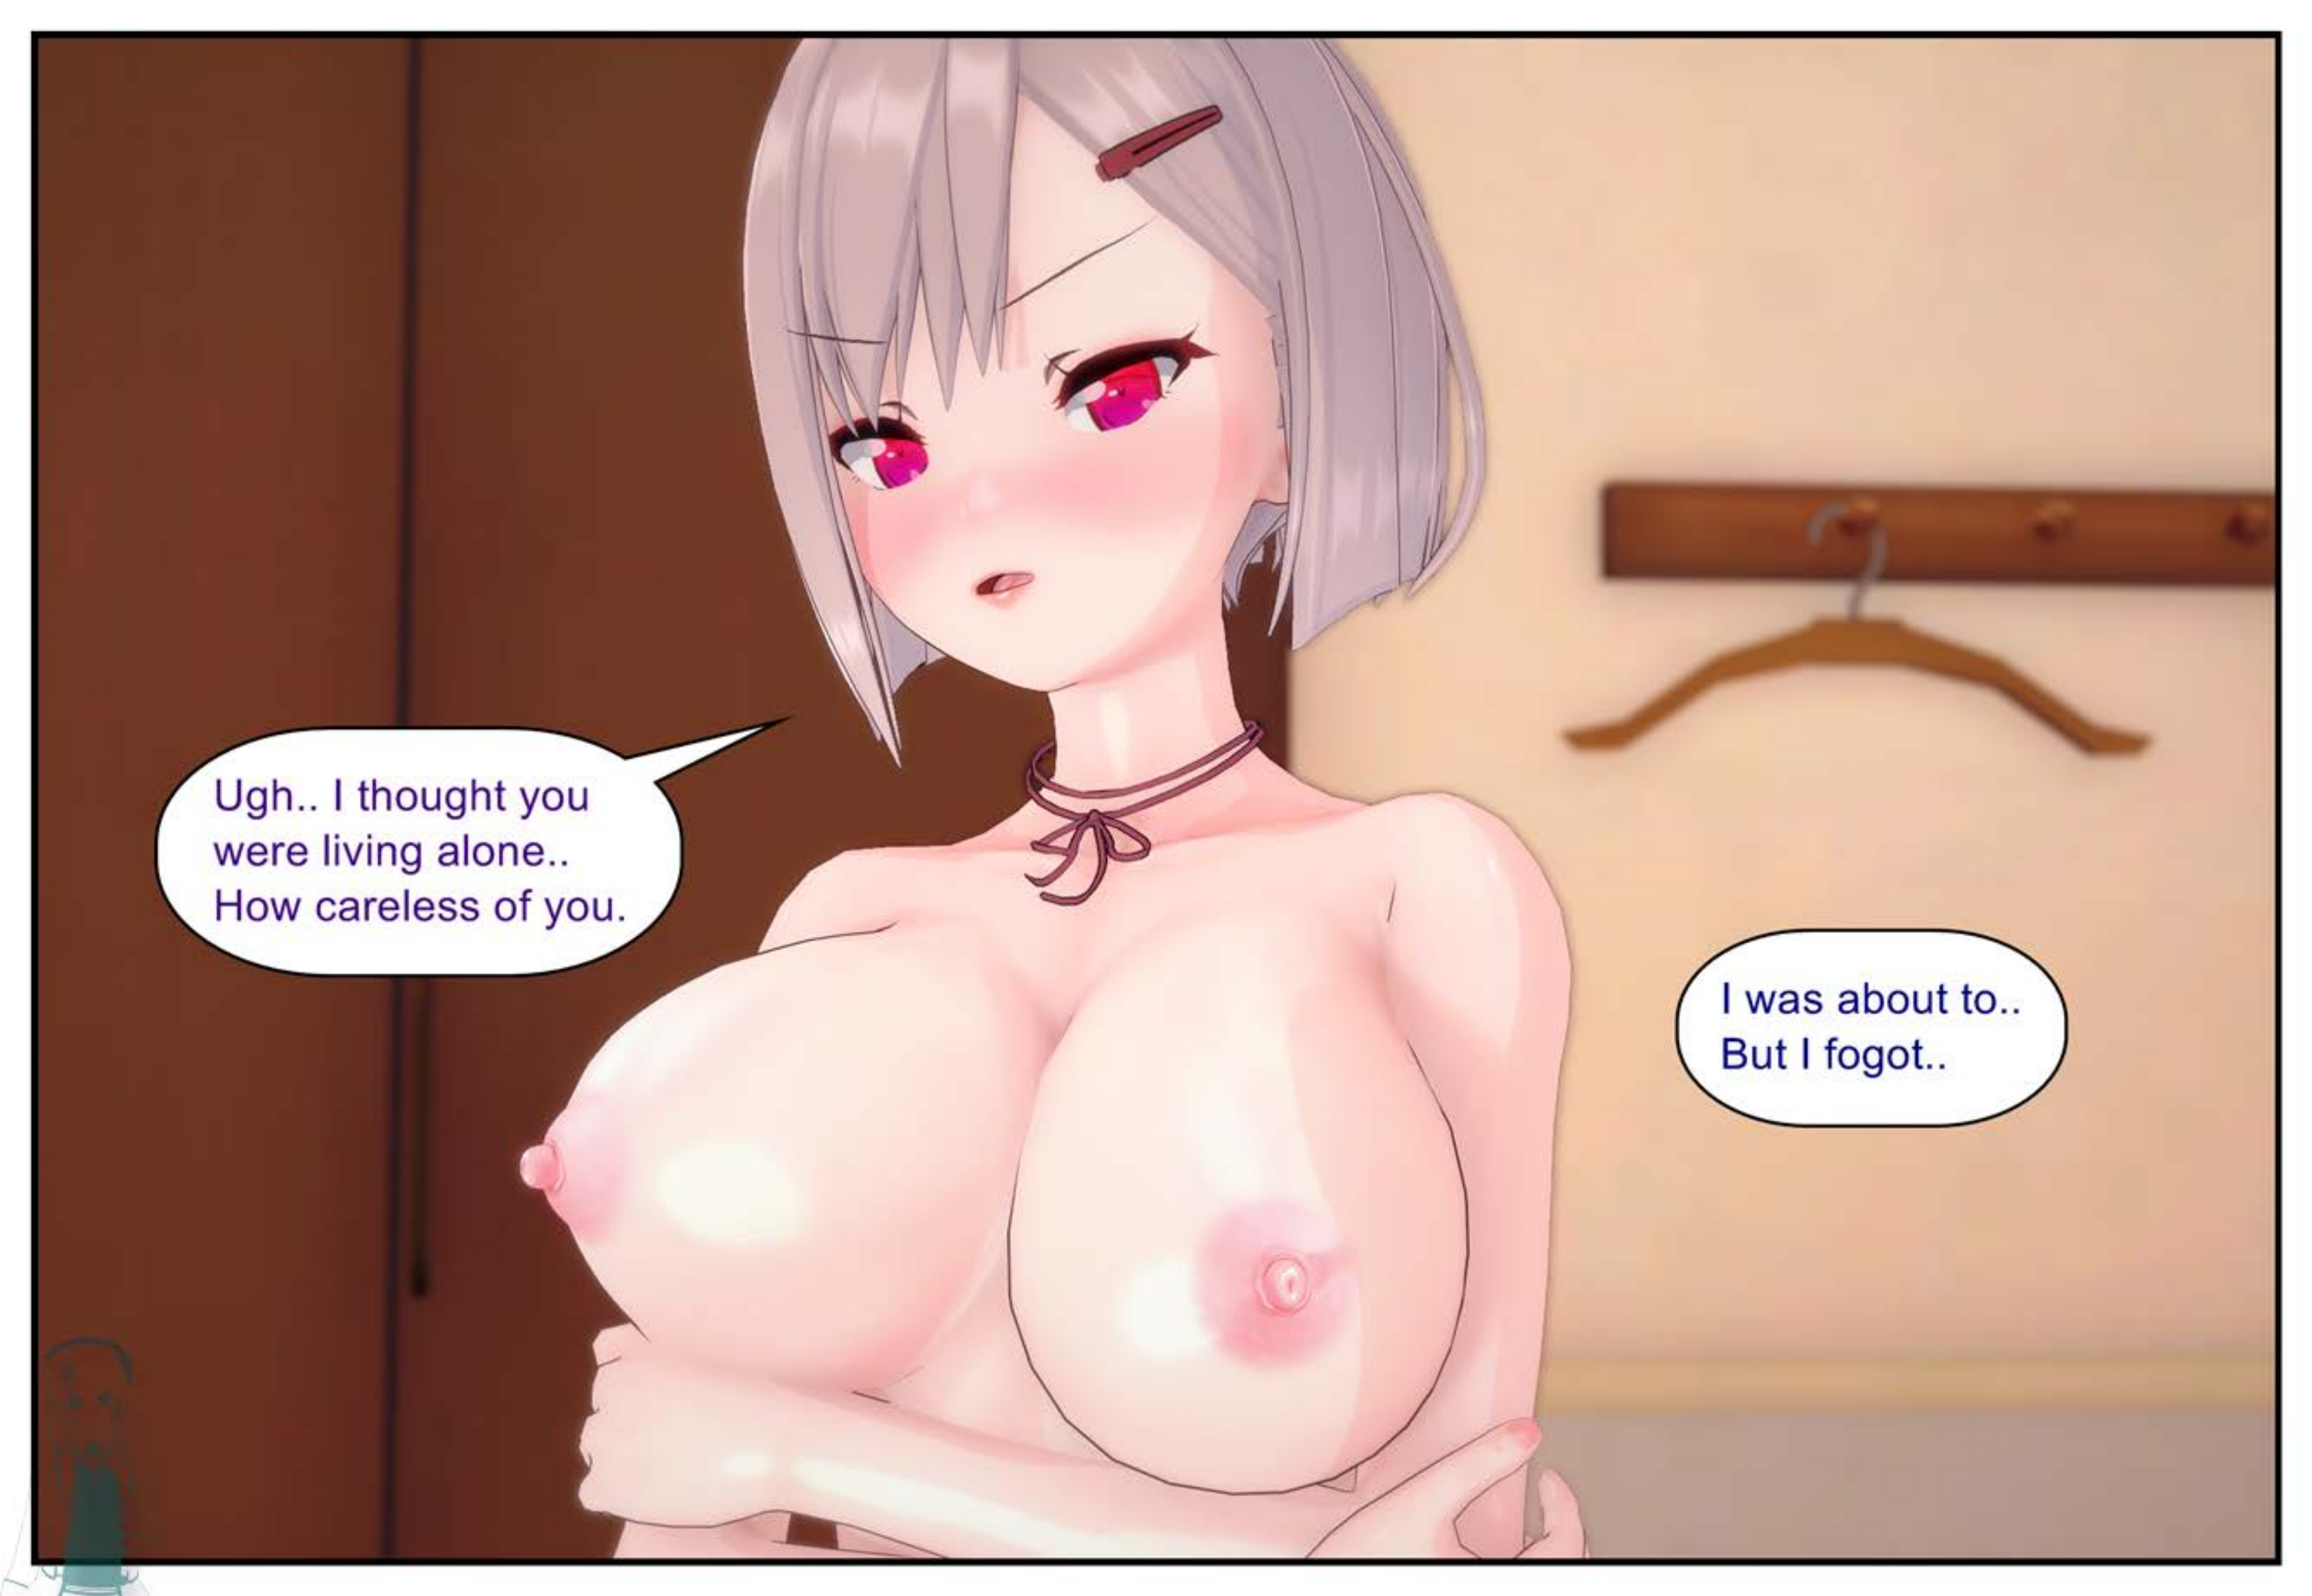

Yui (Koji's Sister)

Do not
mess
with
her!

So.. This person is your Sister?

Ugh.. I thought you
were living alone..
How careless of you.

I was about to..
But I fogot..

By the way, you
should let her go..
She's kinda.. scary..

Oh? I can easily fuse one with her. Wonder what kind of scary are you talking about?

But.. if you insist,
I won't mind letting
her go..

First time doing fusion.. How tired was that..

Well, everyone has their first time. Can you get up?

Hah.. This is nothing.
I can get myself up..

T-That was usual..
This one n-not count!

T-Thanks. This is a return for saving you, alright?

Uhm.. I'm fine..
You can.. let me go..

Ah.. Right..
I'm sorry.

Your hand.. so tiny.. Haha..

It's not my original body anyway.. Hah..

A 3D rendered character, likely a female, is shown from the back, focusing on the buttocks and lower back. The character has a small red mark on the lower back and a tuft of dark hair on the buttocks. A speech bubble is positioned in the upper right corner of the frame. The background shows a room with a bed, a wooden floor, and a wooden cabinet.

You two can stop
flirting each other
and explain to me.

I will start from
you first, Koji.
Tell me everything.

Ah.. Uh.. I met
her.. N-No.. Magic
stuff.. W-Wait..

"What kind of
explanation
is that..?"

"No comment.."

Ah! I met her at school and we been through many weird stuff.

W-Well, we were fighting against evil book and we.. uh.. I got hurt..

S-Sis..?

Now I know why
he scares of you..
The same to me?

I know you can
explain better
than my brother.

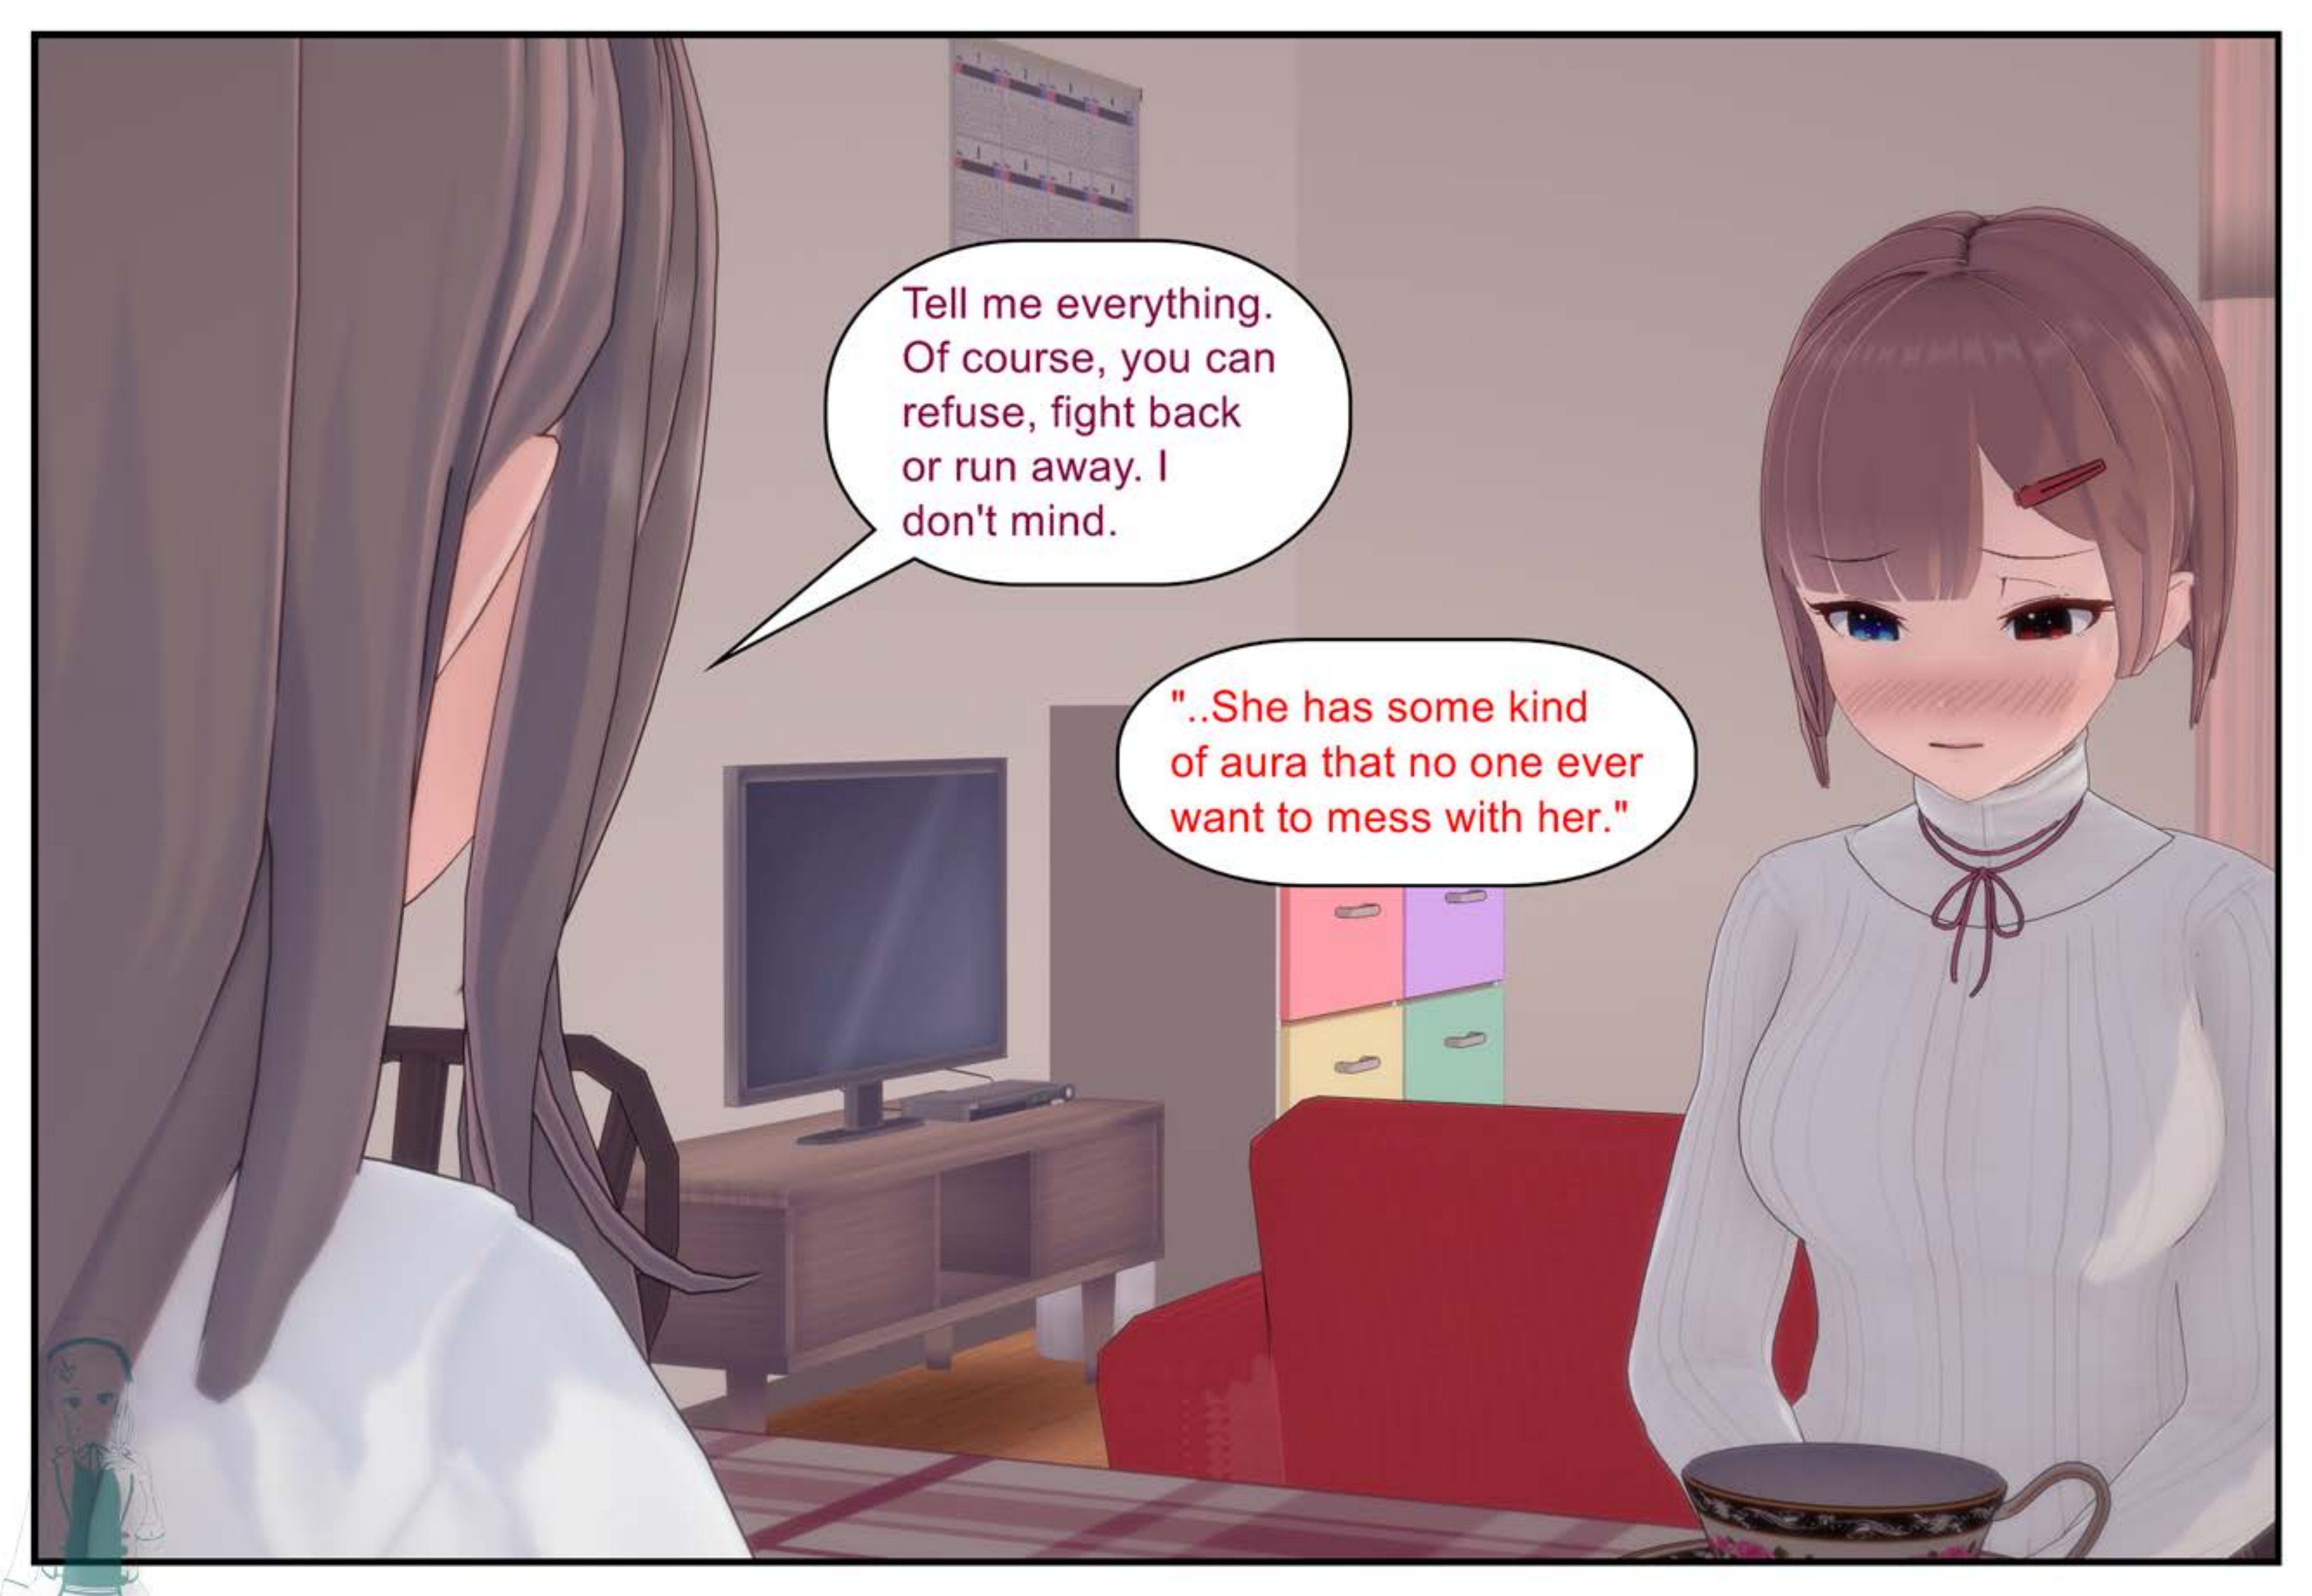

How about we put clothes on, have some tea and talk it through?

My name is Yui,
Koji's Sister. Currently
a gym leader.

"He was right.."

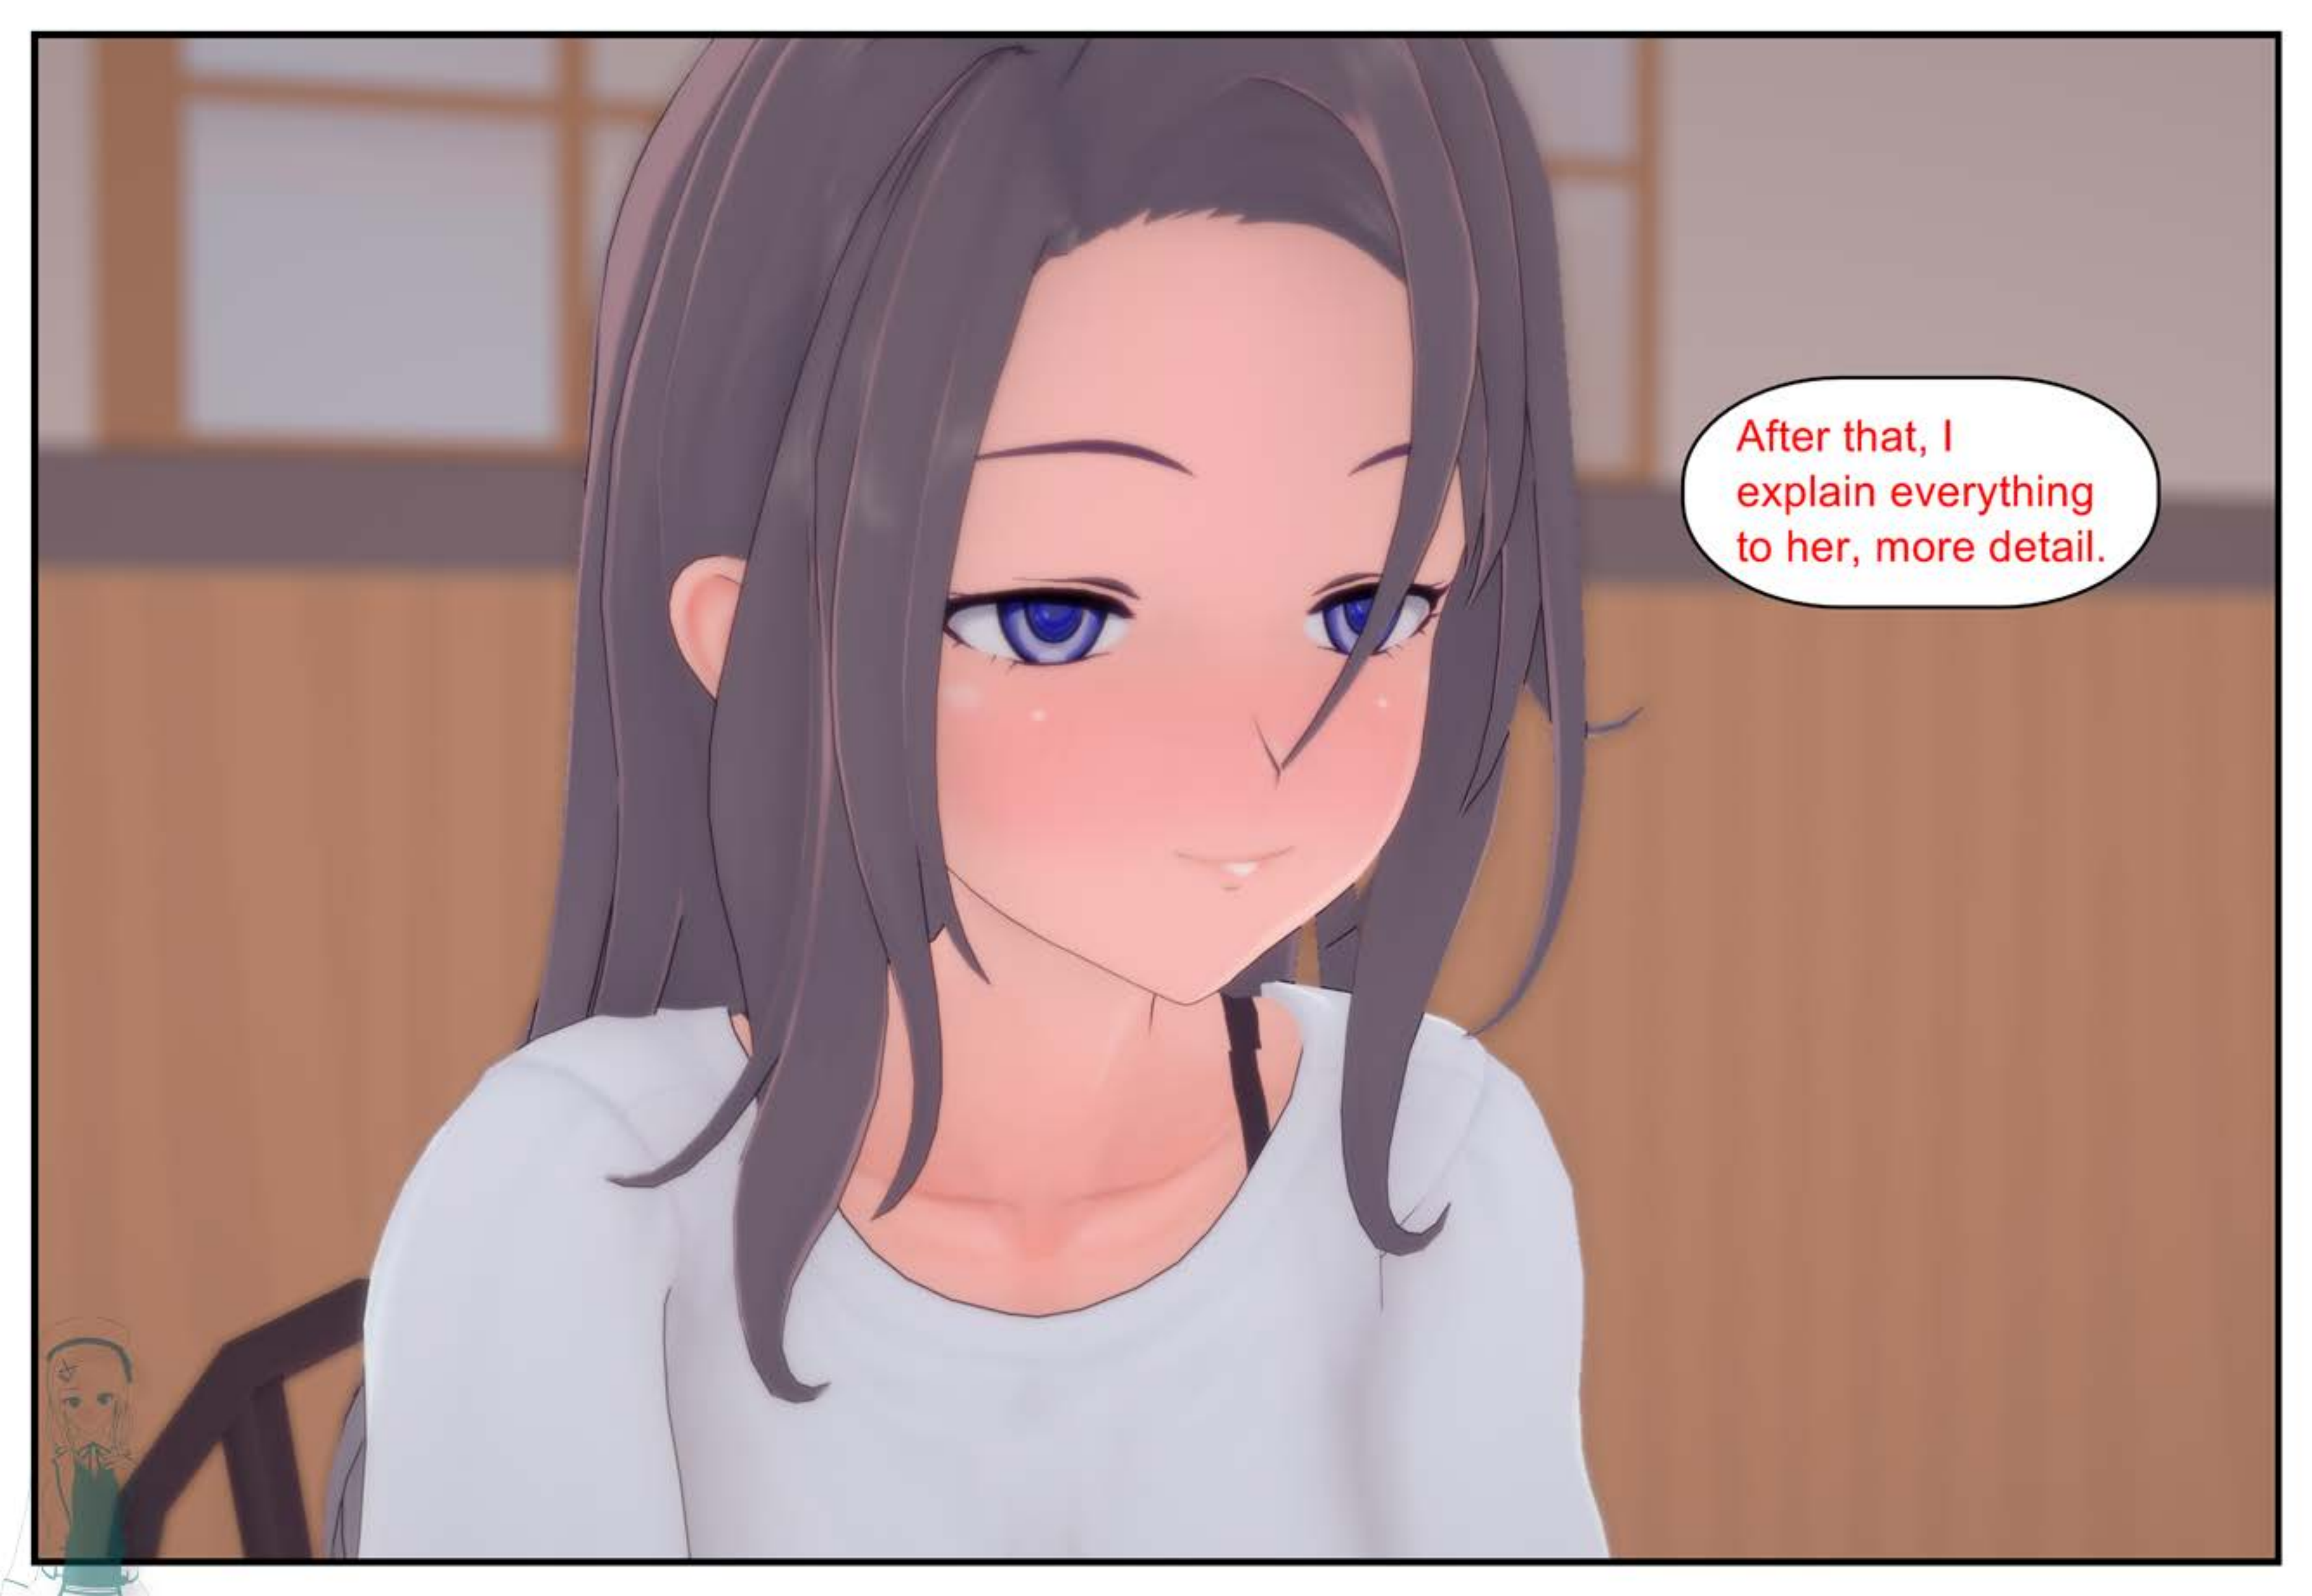

Tell me everything.
Of course, you can
refuse, fight back
or run away. I
don't mind.

"..She has some kind
of aura that no one ever
want to mess with her."

Don't be afraid.
I'm not going hard
unless you talk.

After that, I
explain everything
to her, more detail.

About me, Naoko,
and the book..

Yui's expression? She looks pretty serious to what I was saying.

And it took almost half an hour..

You are a spirit,
need a body to
stop it from
happening.

So.. a book is trying
to restore the world.
And Koji got involved.

It's all hard to believe, I will leave if I have to!

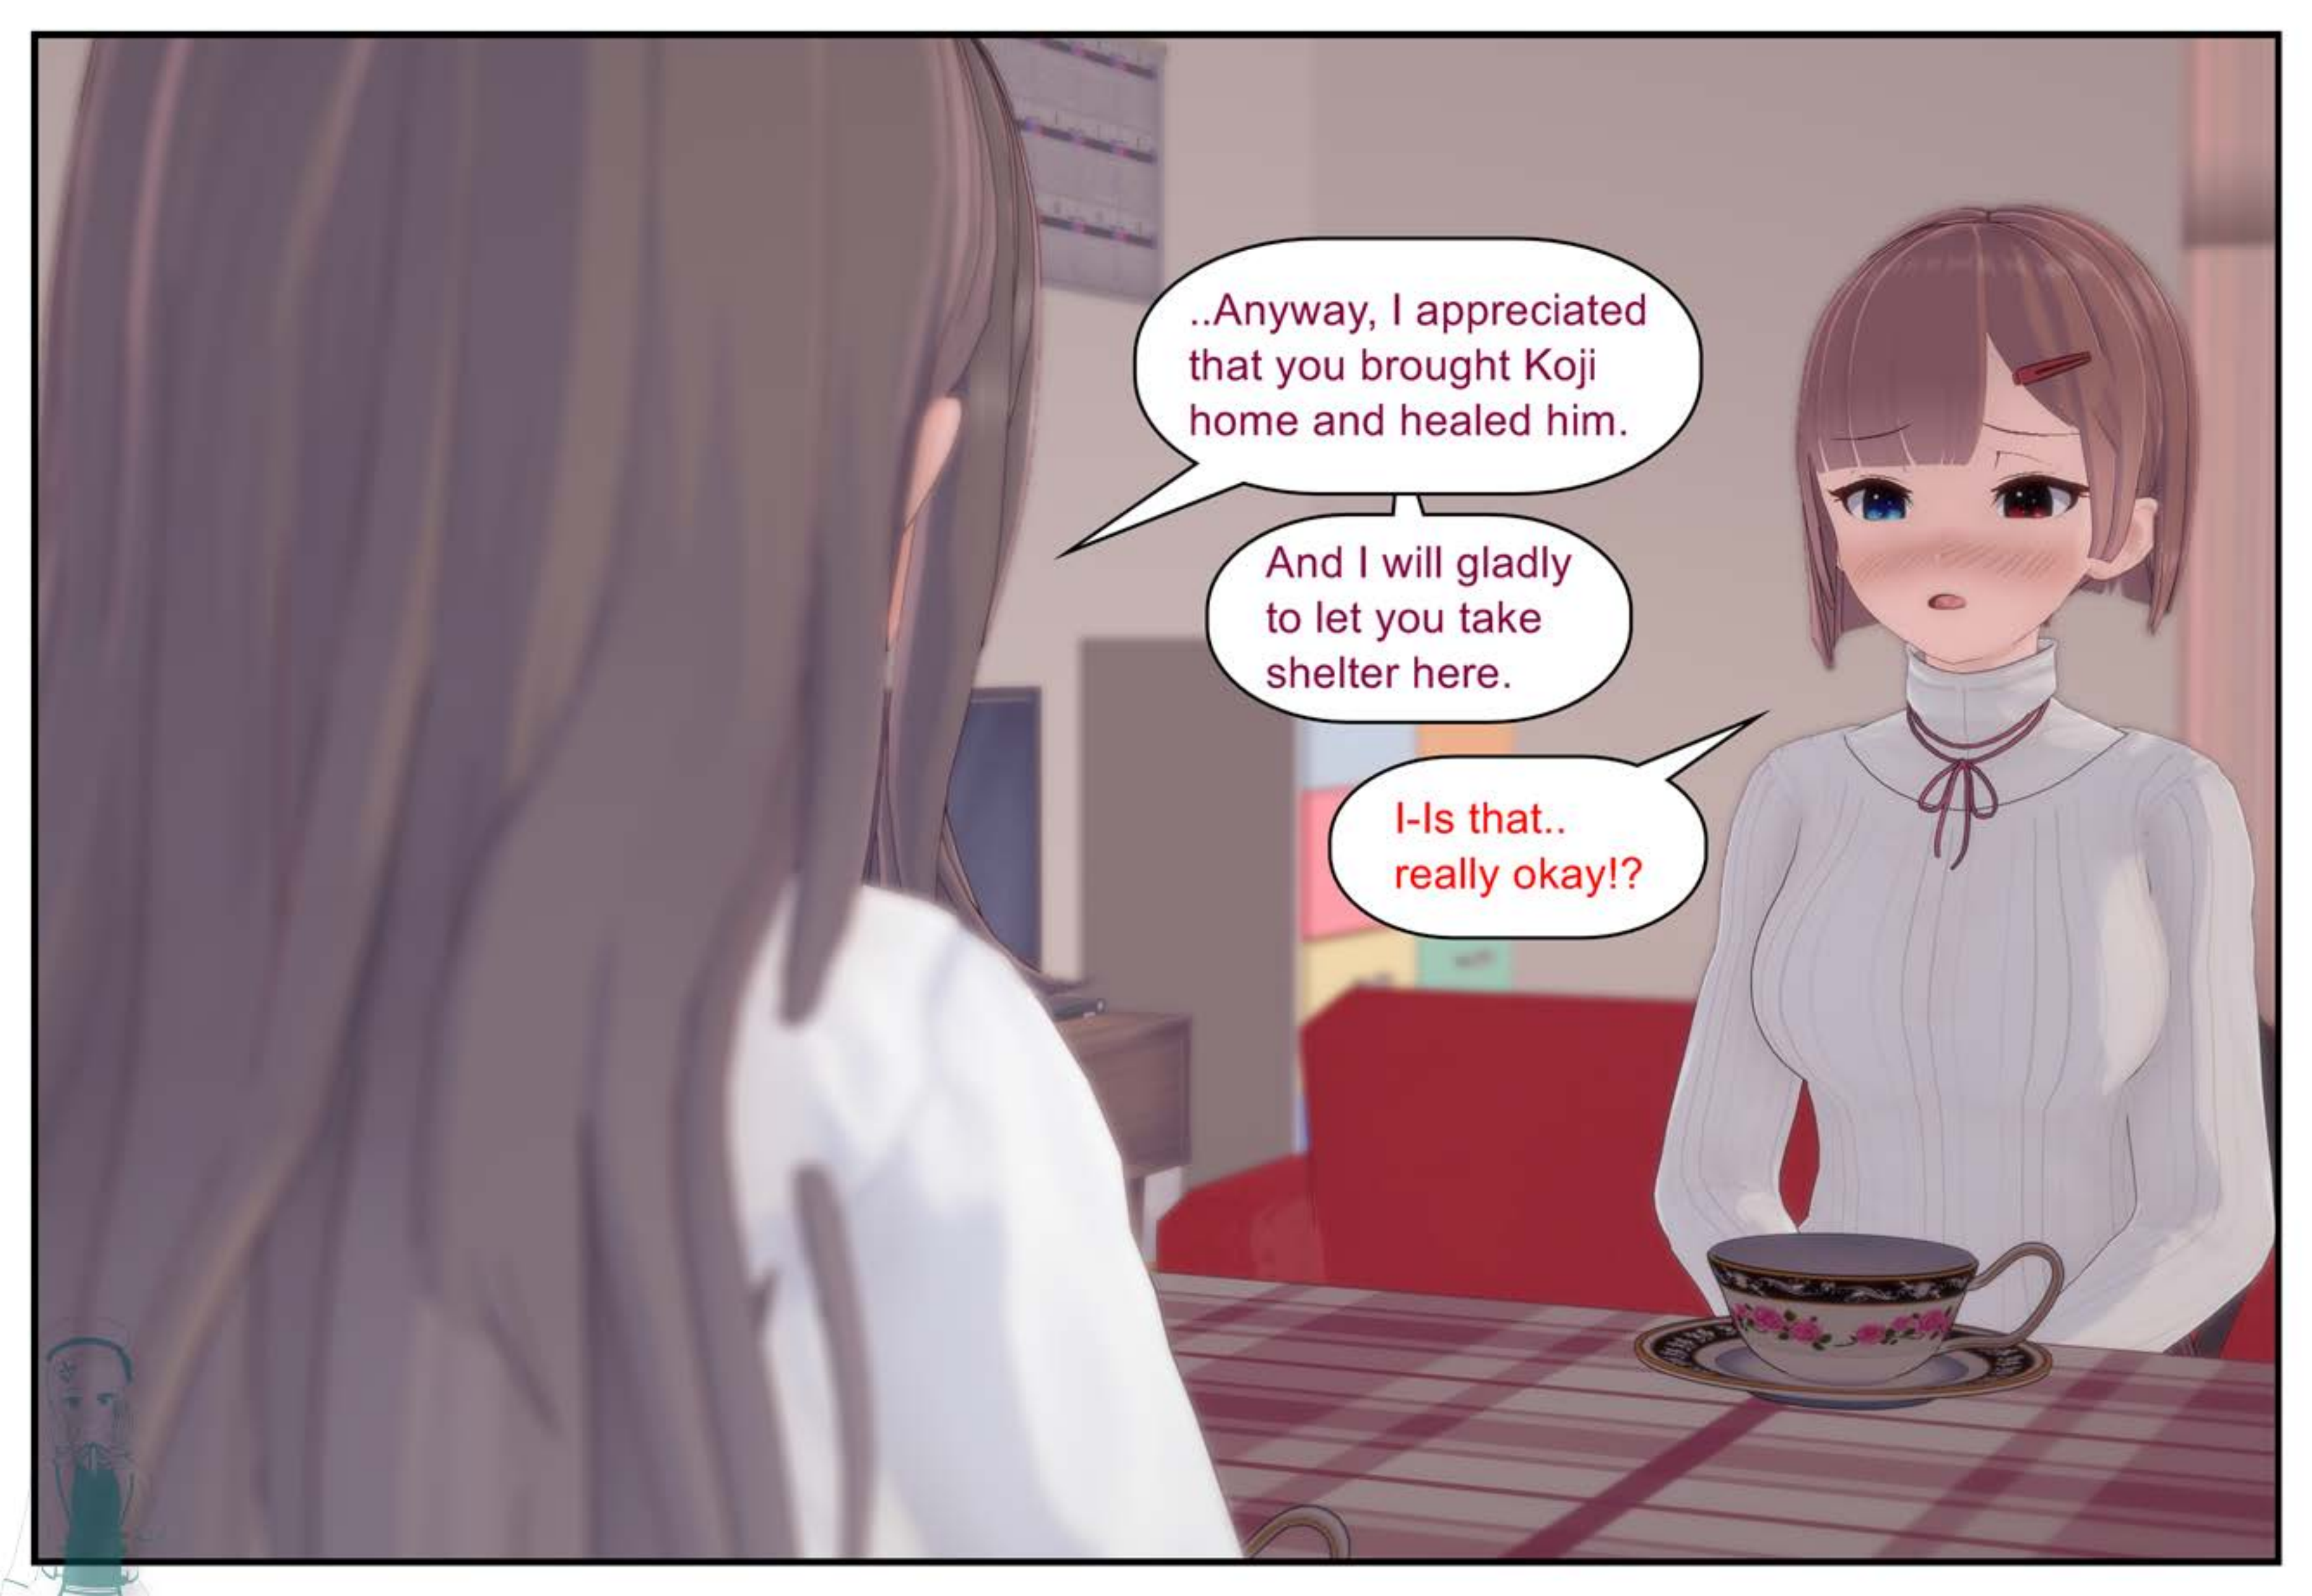

I think that form was pretty good.

Yes, it was hard for me, too. But after that fusion you made with me..

..Anyway, I appreciated that you brought Koji home and healed him.

And I will gladly to let you take shelter here.

I-Is that.. really okay!?

S-Sis..? What are you talking about?

One condition, I'm interested in your fusion. Could you do it with Koji?

Can you still do it one more time?

Y-Yes, please allow me.

"She's a bit mystery herself, why would someone interested in fusion like her?"

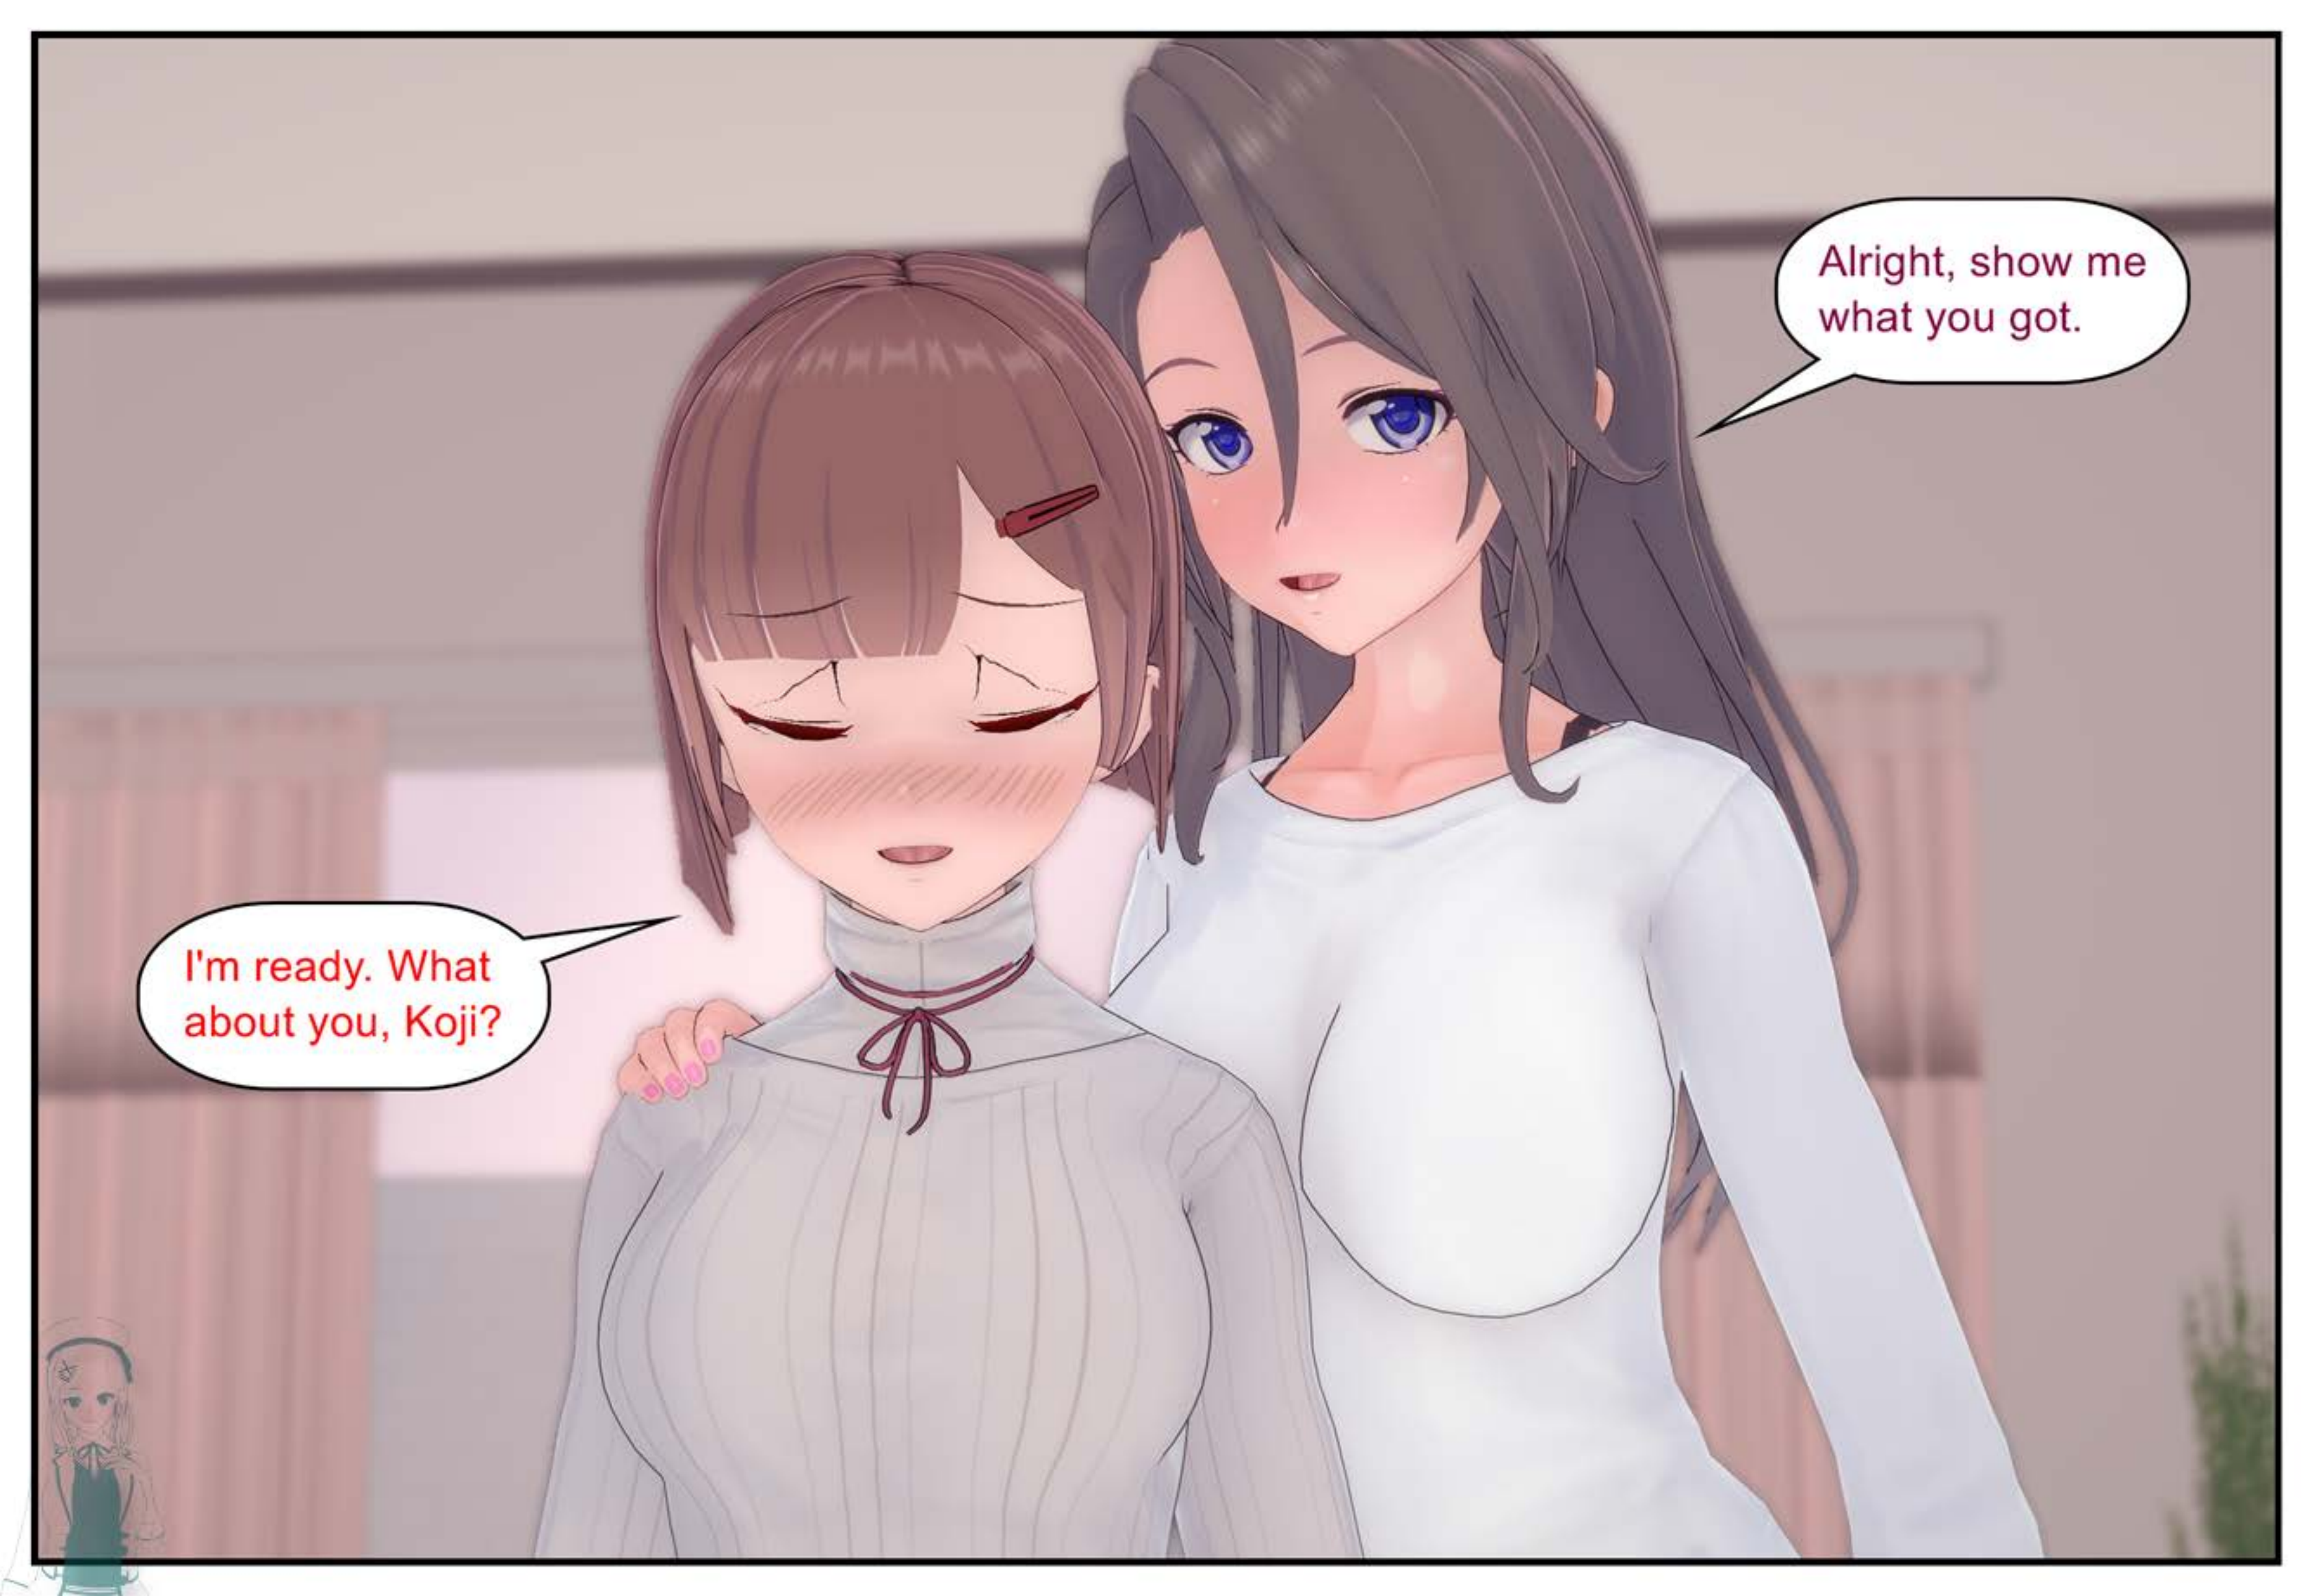

W-What?

"Are they.. planning something..?"

Alright, show me what you got.

I'm ready. What about you, Koji?

Koji..?

"Everything happened
so fast.. back at the
rooftop.. my decision.."

Are you still
regret about your
choice, Koji?

"What if I hold
Naoko's hand? Can
I save her?"

D-Did I..?

You just saved
millions of lives.

Every choices have consequences, you can't avoid it.

Whatever that cost is, I'm here to protect you from it.

Let us fight until
everything is over.

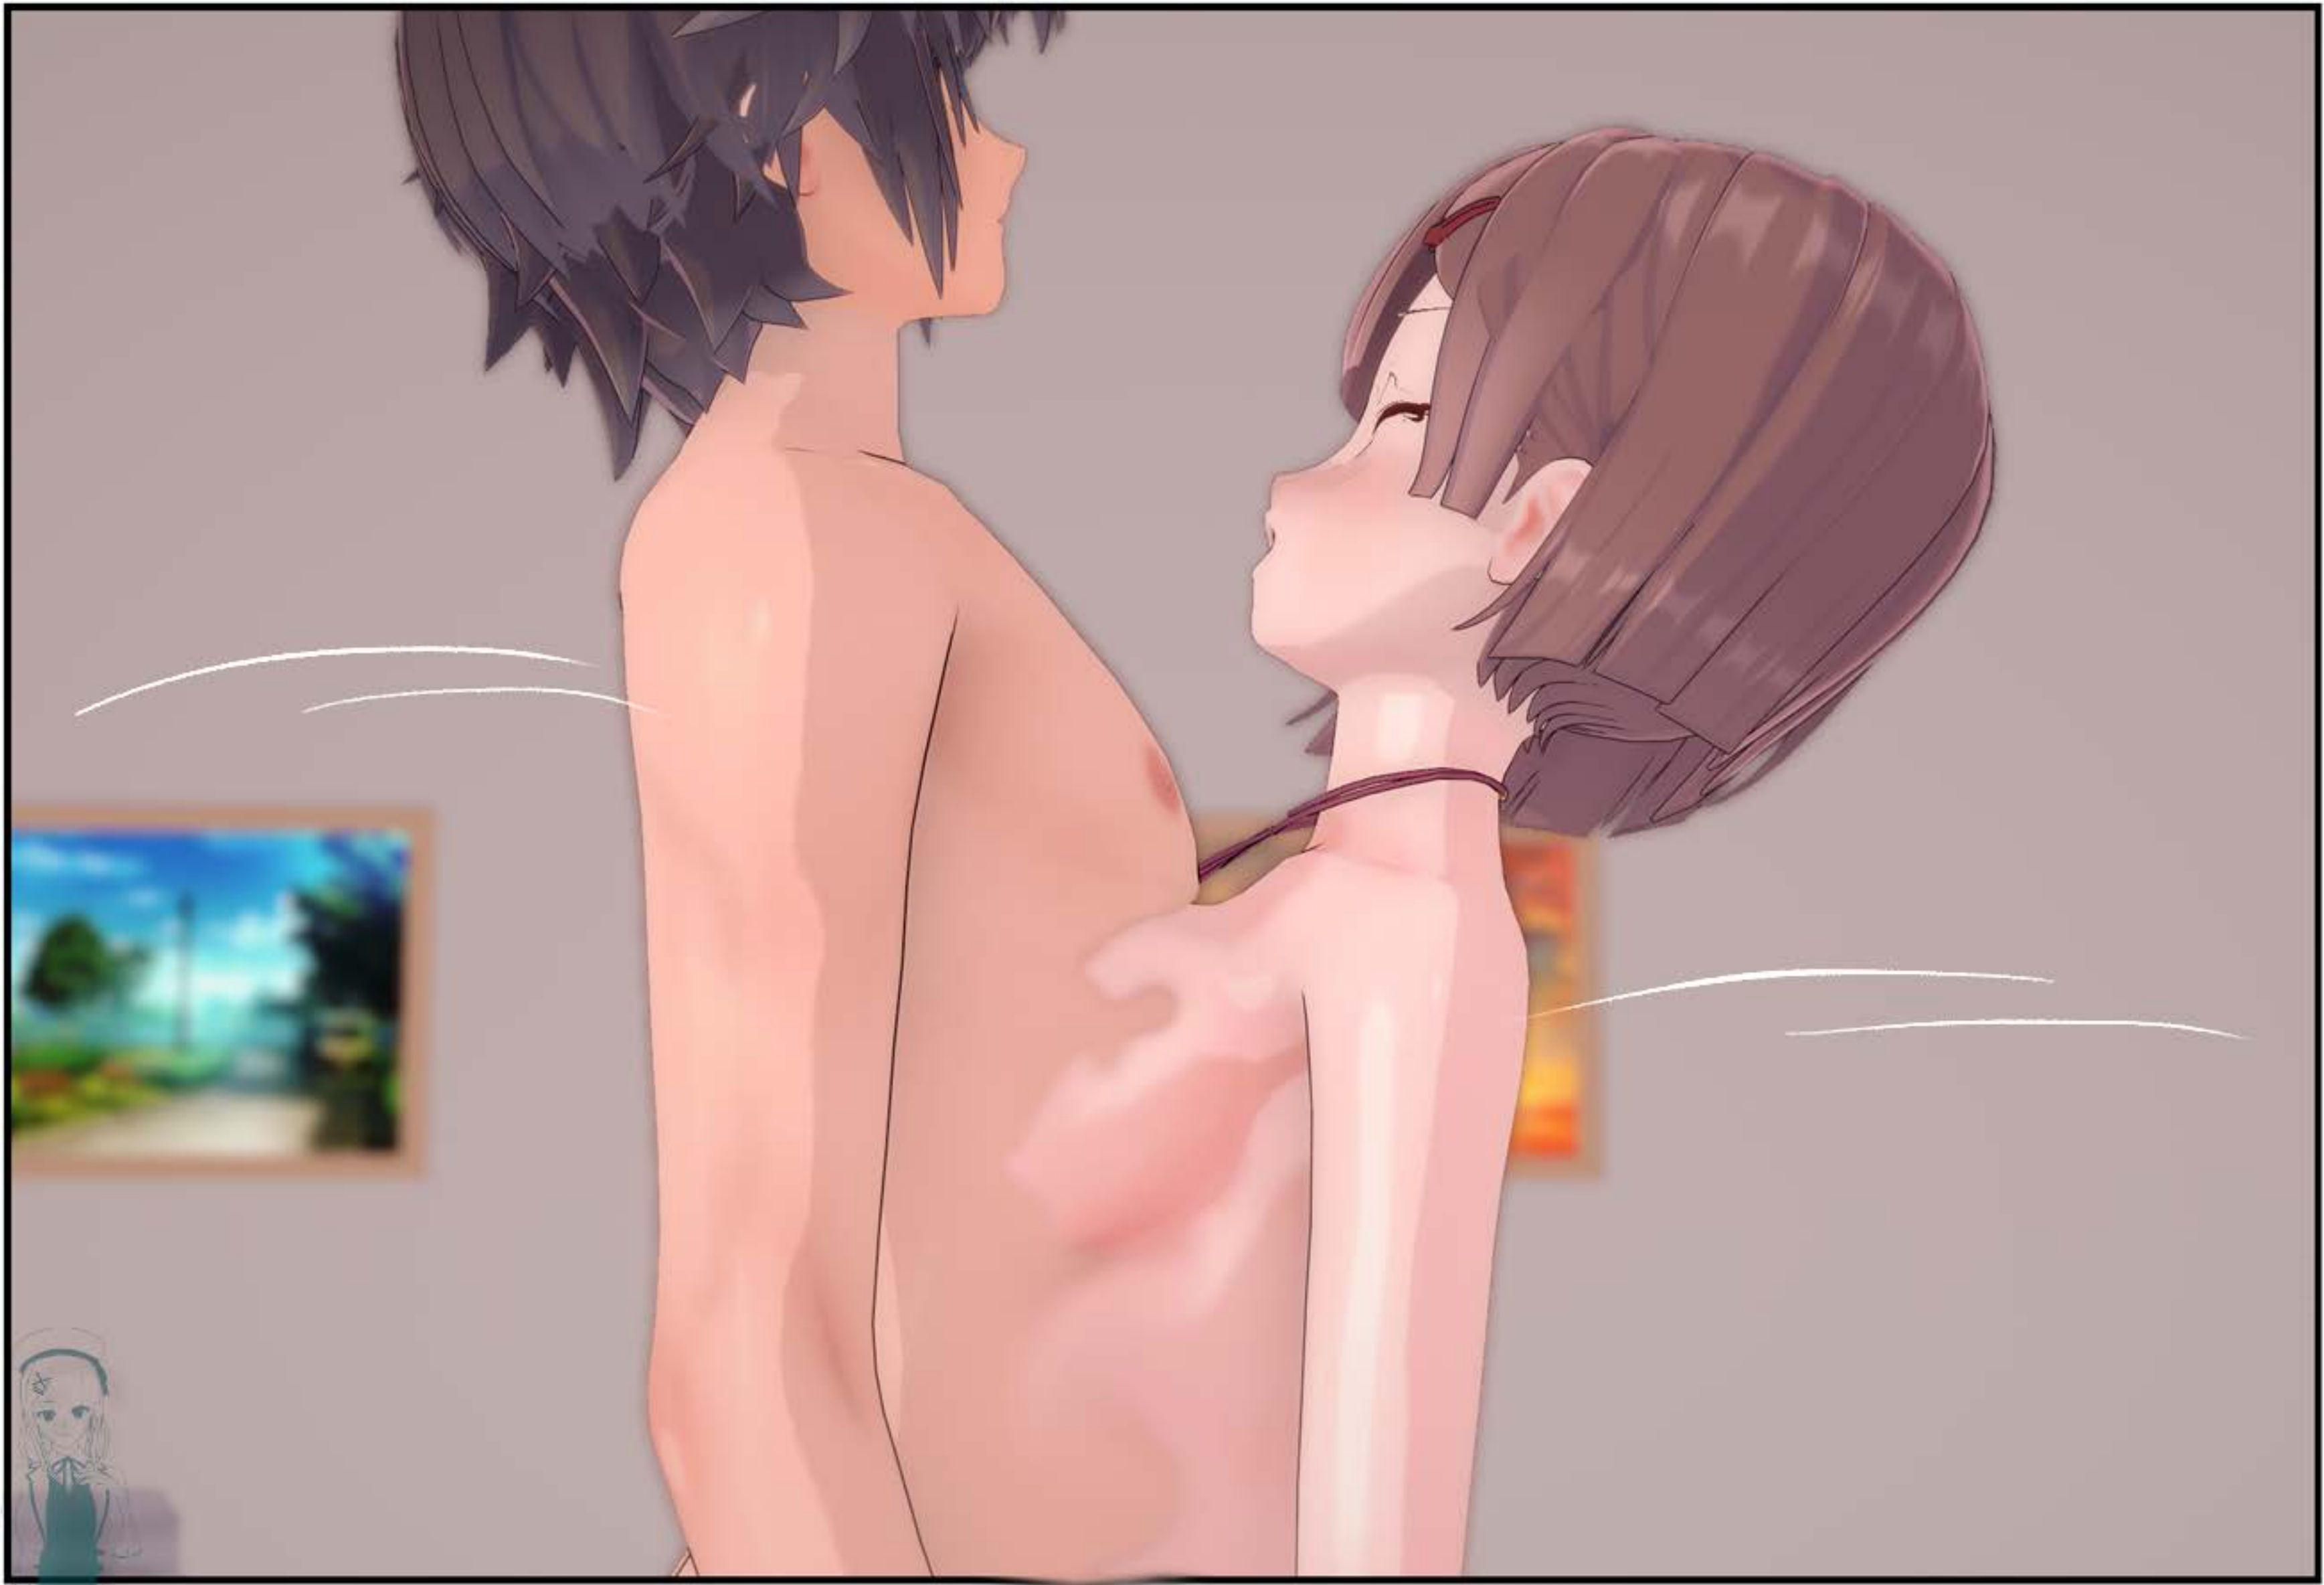

I know you can do it, Koji.

"I.. can.. save the world?"

Yes, over Koji,
like you wanted.

That was fast.
You took control?

"I want to make out after the fusion, to see how you gather mana. And don't let Koji know."

"That was what she whispered into my ear."

"Is she simply
a normal gym
leader..?"

Y-Yes, keep it up!

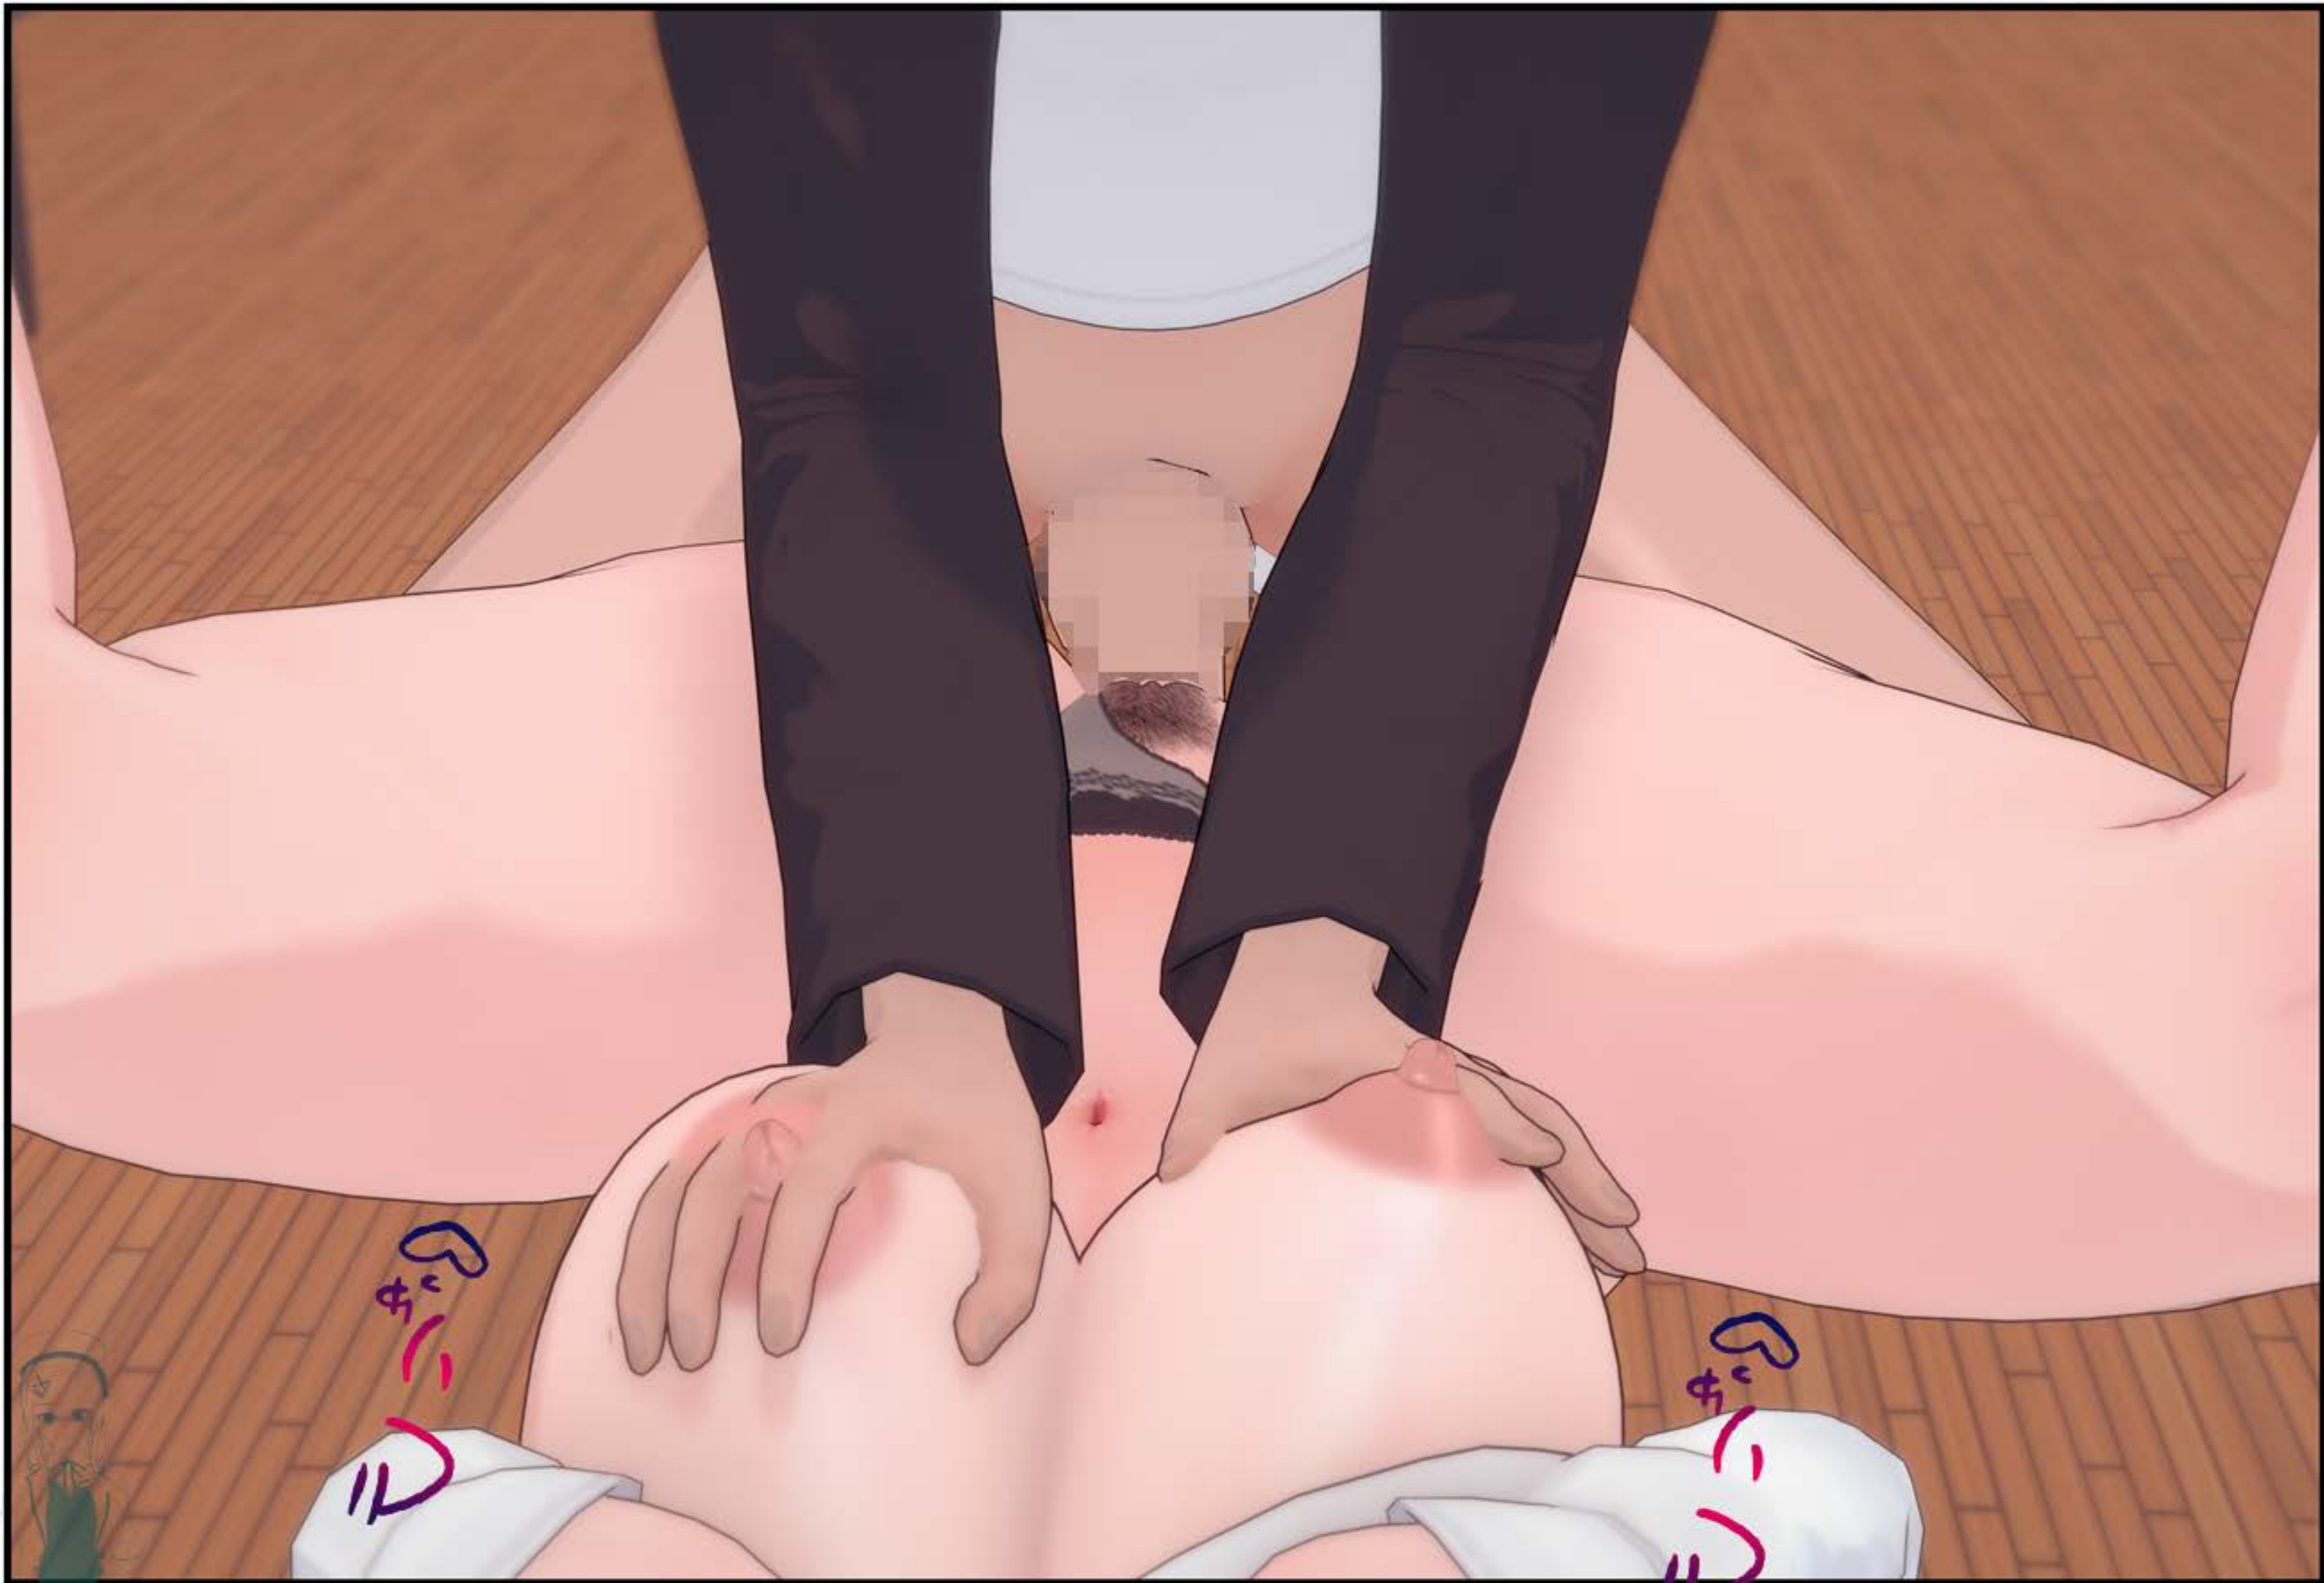

Massage my
breast, please.

L-Like this..?

It's late.. hah..
I will leave for
bed now..

Before that, were you hiding something?

Why did you think so?

You were studying
about my abilities..

Well, I only
interested in
2 of them.

Today is enough.
You can stay here
if you trust me.

Oh and clean up those semen.

Uh.. What happened
after we fused..?

Nothing, it's a fail one. I took almost control, while you fainted.

Hm.. I see.. Felt a bit weird though.

By the way.. I know
this is a bit selfish..

I will need some new clothes.. since I couldn't wear yours.. Or Yui..

U-Uhm.. Could you go with me tomorrow? If you don't mind..

The next day..

I decided to help her out a bit.

Oh? Then take my card, buy what you need.

Yui.. Thank you
very much. If I
could repay you..

I want you to
promise me..

..keep Koji safe.
Don't let anything
happen to him.

I promised.

S-Smartphone..?

By the way, you don't have a smartphone, right?

U-Uhm.. What is that..? I don't know..

Wait.. Don't tell
me.. you..

Ah right!! Everything
is new to me!! Okay!?

You simply use it
to contact me or
someone, that's all.

You two should go now, I have a guest to meet.

Thank you very much for this smartphone, Yui.

Enjoy your date,
you two.

It's not.. actually
a date or anything..

"I quite surprised.. that she didn't know how to.."

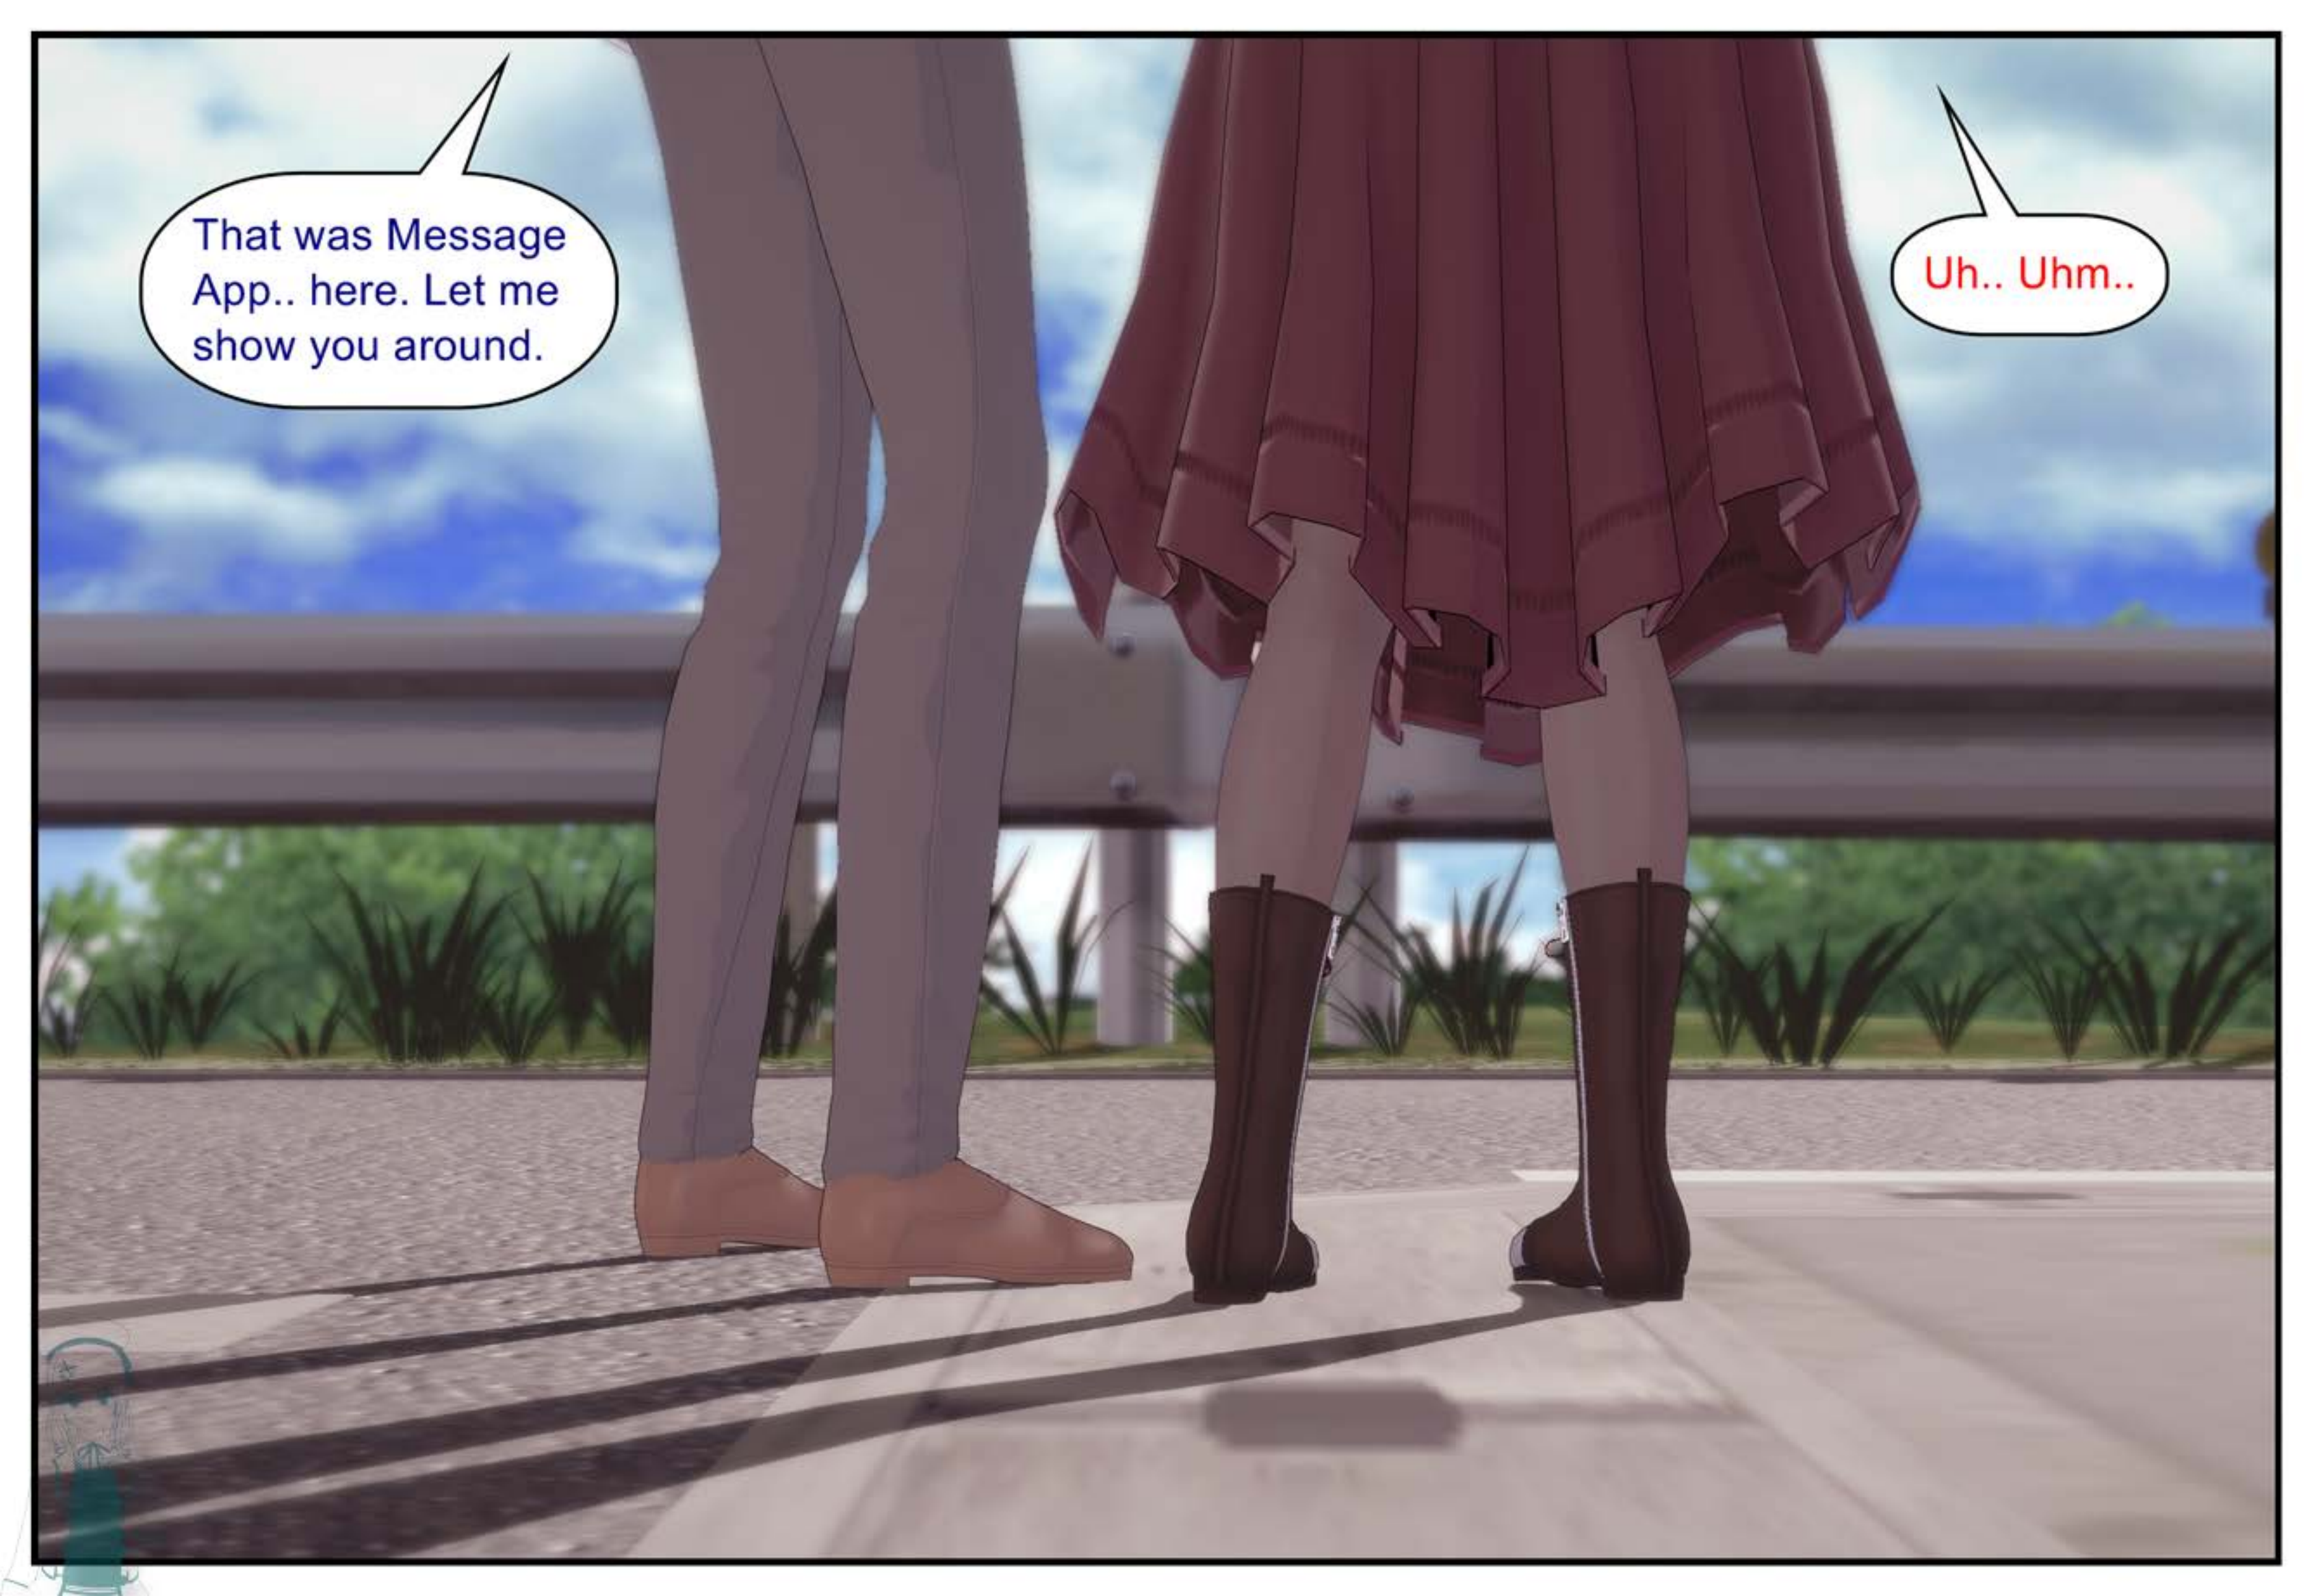

"Look how she
confused.. So cute!"

W-What are
these signs..?

W-What!? I
can totally use it!

That was Message App.. here. Let me show you around.

Uh.. Uhm..

Open that, yes.
Enter my number..

My first time.. that
I can actually recieve
this warm..

Uhm.. For a Guardian like me, this is enough.

Meanwhile..

Thanks for your
advice about my
hair style, teacher.

And I would like
you to accompany
me on this..

Well, you can
refuse if you want.

We should prepare soon.. change the way it was..

If it was about
the change you
told me yesterday..

..then let me help you, Naoko.

Teacher start to side with Naoko!?
To be continued?

This is how The Guardian and Koji fused together, still in test and would like to know your thought~
