Detailed description: This panel contains the Navigator and Histogram windows. The Navigator window shows a small thumbnail of the entire canvas with a red rectangular selection box around the character's torso. The Histogram window shows a color distribution graph. Below these are the Layers, Paths, and Channels panels. The Layers panel is active, showing a list of layers: 'jizz', 'Group 2' (containing '1', 'Layer 2', 'whites', 'gloves'), 'base', 'last', 'last', 'thrusting in', '00', and 'Group 1'. Each layer has a small thumbnail icon. At the bottom of the Layers panel are icons for 'fx' (effects), a lock icon, a visibility icon, a fill icon, a stroke icon, and a delete icon.
