

SPACE PLAYBOY

BY: DESERT PENGUIN

YOU CAN RETURN
TO EARTH AND GO
ON WITH YOUR NORMAL
LIFE WITHOUT
MENTIONING IDOL

OR FORGET
EVERYTHING AGAIN
...YOUR CHOICE

THE WAY YOU
SAY IT ALMOST
MAKES IT SOUND
LIKE YOU DON'T
KNOW YOUR OWN
ORGANIZATION'S
RULES

REALLY?
YOU CANNOT ERASE
SOMEONE'S MEMORIES
TWICE, ADMIRAL...

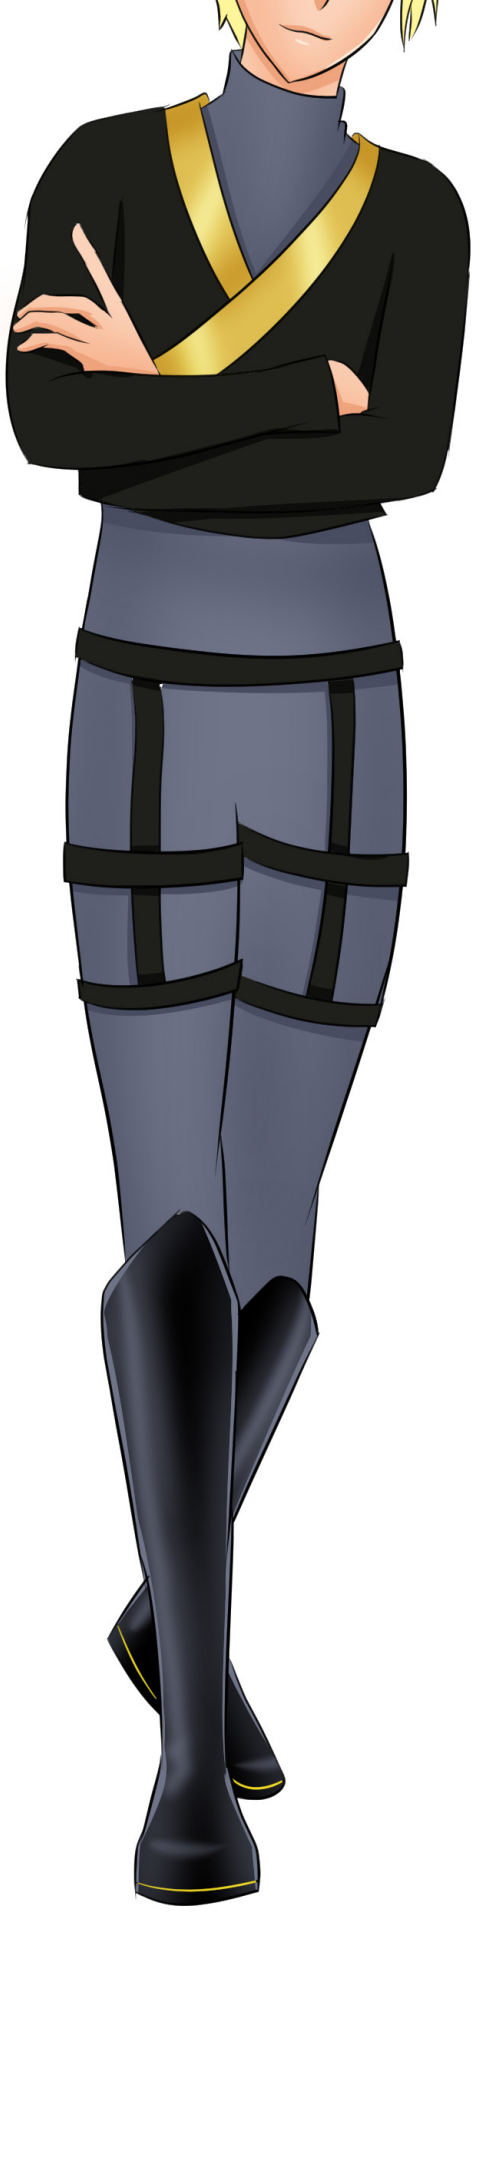

THAT'S BASIC
SPACE MEDICINE
RIGHT THERE

... HOW COULD
YOU POSSIBLY
KNOW THAT?

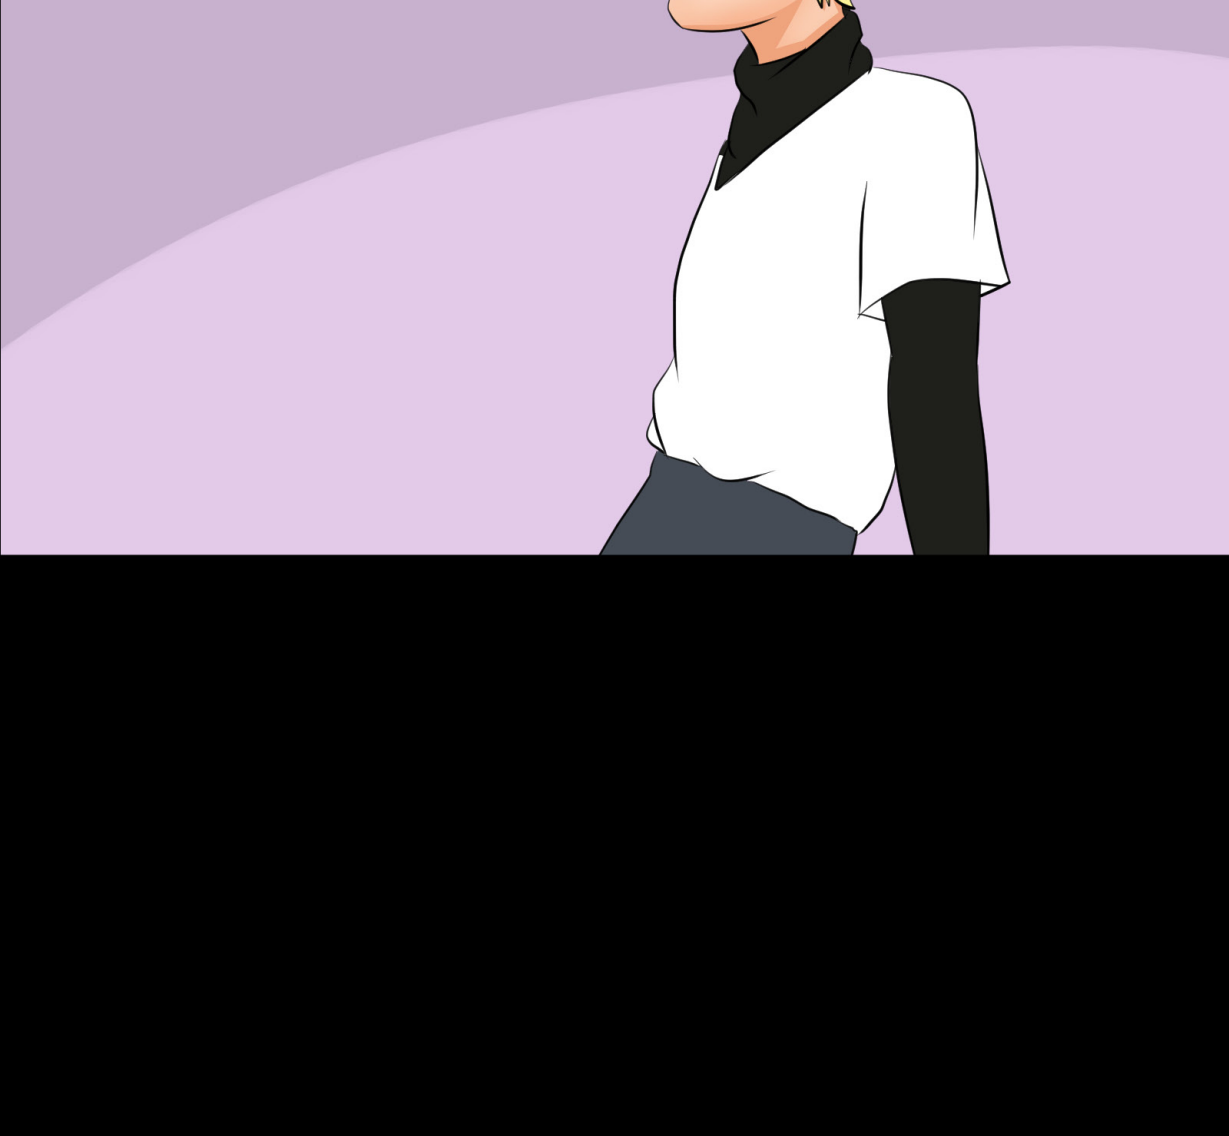

I JUST HAD
A TALK WITH A
COLLEAGUE

SERIOUSLY
EXPLAIN ME WHAT
YOU DID TO ME...

ALEX

NEURAL
IMPLANT

DIZZY BE AAAHM...
DEFECTIVE BRAIN AREA...
IMPLANT CONTROLS
BRAIN ZONE... POOF,
DIZZY GONE

O.. OK,
BUT IF IT'S SUPPOSED
TO BE NEURAL, WHY
DID YOU INJECT MY ARM?

IMPLANT SMART...
TRAVELS ON BLOOD
TO AFFECTED ZONE

HUMANS HAVE MANY
AAAAHM... BAD?...
DISADVANTAGES!
SPACE MEDICINE
HELPS LOTS

... IS IT
POSSIBLE
TO...?

COULD THAT BE
USED TO ERASE MEMORIES?
