

THE ULTIMATE FANTASY AUDIO EXPERIENCE

MICHAEL GHELFI

Dear adventurer,

My name is Michael Ghelfi, I'm the composer of the most expansive RPG ambiances library.

The project I have is to keep expanding the ultimate fantasy audio library, to cover all possibilities. The ambiances library I made is already by far the biggest in the world, but hundreds of other ambiances are still waiting to be composed. In that regard, I know I can count on a fantastic community on [YouTube](#) and [Discord](#), which you are more than welcome to join.

However, to make the ultimate fantasy audio experience, I need the best sound effects. Unlike many ambience composers do, I do not steal sounds from video games and movies. I purchase the most renown audio libraries. This has its price though, therefore I set up a [Patreon](#) page, where you can get hundreds of exclusive ambiances (not on Bandcamp) as well as SFX available nowhere else. If you are curious, check my [wishlist](#). On my Patreon, you can also get dozens of battlemaps, game-ready D&D scenarios, magic item cards, SFX, a spreadsheet of all my pieces, etc.

You can get collaborations I made with great artists such as Czepeku, Loot Tavern, 2MinutesTabletop, TheMADCartographer, etc.

On Discord, we have a thriving community, speaking about tabletop RPGs, worldbuilding and writing mainly. There you can suggest new ambience ideas.

My creations are also available on [Spotify](#).

If you want to use my creations for a specific project, you can check the [conditions of use](#).

Thank you for your attention. Happy adventuring!

Michael Ghelfi
