

That's amazing!

You both really need it!

I'm jealous <3

I know, he's been working too hard..

I don't even know if he'll agree to the trip, to be honest..

Don't overthink it!

Who's gonna say no to a romantic vacation??

Haha, you're right..

There you go!

Remember to send me a postcard!

I will!

While it's true that most people would be able to push work aside for vacation..

Honey..

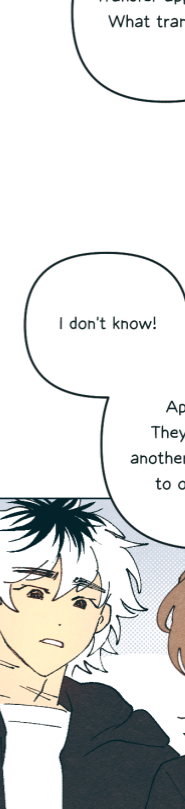

But my Cherie..

Is not like most people.

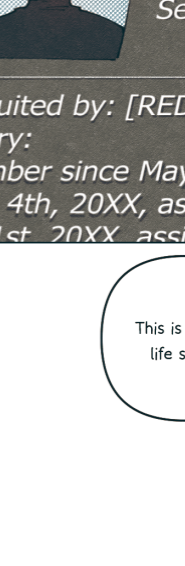

What's all this?

I CAN BARELY SEE HIM FROM THIS PAPERWORK!!

Huh?!

Oh hi, Crush!

They're the new counterclaims that our oppositions sent this morning.

Most of these are bogus anyways..

They're trying to drown us in paperwork to drag out this lawsuit.

So I volunteered to take care of these while the other members work on the case.

Sorry to add to this pile then..

Here's those reports Khoi told me to give you.

Oh, right..

The orphanage, did you finish all your tasks?

Yup, I also fixed their pipes and cleaned out their playground!

What happened to your hand?

Oh, this? I got bit by their pet hamster..

A hamster? Pfffft

Wahhh~

You're laughing, your boyfriend got mauled by a wild animal and you're laughing..

Sorry, sorry. Want me to kiss it better?

Yes, please~

Okay~

Better?

Kiss ♡

Yup! I feel strong enough to fight God now!

Haha

It's getting late.

Let's go home, hm?

Okay, let me finish this transfer approval and then we can leave.

Transfer approval?

What transfer?

I don't know!

Apparently, They're sending another senior agent to our branch!

This came from HQ?

Yeah! They must've heard about the huge lawsuit we're handling and decided to send someone.

It's temporary, but I'll take any help I can get!
