

Model Name						
Christmas Lightbulb Ornament/Container						
Model Description:						
The Christmas Lightbulb Ornament, or Stash Container. This simple 2-piece design can be used as an ornament, but it is also hollow so it can be used to store small items/candy. This is a fairly quick, support-free print and the lid just screws into place.						
Printing Info:						
**These are just the settings I used to test the model, feel free to use whatever settings work best for you.						
FDM or Resin:	FDM					
Scaling:	Can be scaled up, threads may have issues if scaled down too much.					
Supports:	None					
Infill/Perimeters:	10% infill + 2 perimeters					
Nozzle Size:		0.4				
Layer Height:		0.2				
Printing & Assembly						
No supports are needed for this model, just print the pieces in the orientation that they import in and screw together afterwards!						
Assembly:	- Lid threads onto the container.					
File List (2):	- christmas_bulb (STL) - christmas_bulb_lid (STL)
