

Office Party – Scene 06 – Part C
James' Story

After one more memory wipe and helping Sayo to her couch, Charlotte has walked over to the Kalington's home where she was invited for dinner.

Knock
Knock

Messing with somebodies' memory is a bit hard. Lucine is so much easier to control...

It's hard to predict how the target reacts to the new memory.

But it was totally worth it. I love Sayo's voice as she squirms in pleasure...

Having her cum on command was a huge turn on as well. Maybe I should install such a trigger on Lucine as well?

I hope Lucine's mission was a success...

Bienvenue
maitresse!

Pardonne moi! So
Sorry, Mistress!
Thank you, Mistress.
I've picked out the
skimpiest maid outfit
there was!

Mon mair...
pardon!... I had my
husband write on me
to be more authentic
por toi ma mair...
Mistress!

J'aime être
transformé!

Great outfit,
Lucine! But I
don't speak
French!

And the
accent?

Can I infer from your outfit, that everything went as planned?

Yes, Mistress. James sees nothing strange in me wearing this outfit.

Ses déclencheurs... pardon!
His triggers work even better than imagined!

Brilliant! What about the food? I'm starving!

Yes, Mistress. James is almost done with the cooking. S'il vous plait, entrez... make yourself comfortable.

That's quite the impressive dick... I guess from an objective perspective Lucine's a lucky wife.

But I don't really get anything from that view... Funny. My old self might have swooned over such a big one...

Oh. Hi their Charlotte.

You are naked...

Obviously. I'm at home...

Fascinating. So, you just told him it's normal for him to do the chores around the house naked? ①

Yup. As long as I tell him it's normal, he goes with it. ②

How the hell, did that suggestion come into play? ③

Well, Isa brought it up. She said James always agrees with what I say. ④

Then Julie agreed with that statement and asked James why.

Finally, he agreed himself while complimenting me. "Of course, I do, my wife has a superior level of common sense!"

No one at that time realized that we were actually triggering the rule of three.

I'm sorry Mistress. I couldn't be everywhere at the same time. ⑥

Wow. I wonder what else happened without me noticing! ⑤

I know. You've already told me how to control Dylan and Stacey. ⑦

There is something else you might want to know, Mistress. ⑧

Not now. I want **YOU**. Right now! ⑨

Tiens chérie,
when's the
food ready?

Soon.
Ten... let's
say fifteen
minutes.

Great!

Qu'est-ce que
tu écris?,
Madmoiselle?

Pardon!
I mean, what
are you writing,
Mistress?

Ignore that for
now. Spread
your legs for
me.

Cums on
command

Oh my!
Mistress!
It should be I
doing that to
you!

Orgsam
hard now!

Pourquoi
t'arrêtes...

Snap

Oui!

je jouis!

je
jouis!

Oui!

Ahh
Oui!

Oui!

Ahhhhh!!!!
Ouuuuuu!!!!

Yup. I'm totally into that! I'm soaking wet just from watching her orgasm from my command!

Everything alright honey?

Glad to hear. Now my turn!

Oh mon Dieu! Je ne... I never came like that, Mistress!

Huff *huff*
Yes hon! All good. Just had an orgasm. All normal!

Avec plaisir, Maîtresse!

French Maid
Cums on command

Oh yes!

Just like that!

Yes, Right there!

Keep doing that!

Hmm...
Tastes good.
Foods ready!

GLARE

You can't be serious!

Go sit at the dining table and let us finish here!

It's common curtesy!

Food's ready.

Hey... erm.. Girls?

A short moment for Charlotte and a long moment for James later the girls arrive at the dining table where James is waiting.

You are very skilled with your tongue.

Merci beaucoup. Any time, Mistress!

Finally! All the moaning got me rock hard!

Alright, better get the food now, before it gets cold.

The dinner was delicious and afterwards Charlotte decides to leave.

This slave is ready to do anything for you, Misstress. ***LICK***

Are you sure you want to leave already, Mistress.

Yes Mistress. I'll show him the night of his life!

French Maid

Alright. 'French Mai' is crossed out. 'Cums on Command' is cleaned off.

No traces left. So, she should be good for a normal workday tomorrow.

Don't tempt me you naughty woman!

I smell of sex all over and I need a change of clothing.

But I feel a bit bad for your husband.

He almost couldn't eat, cause he had a hard-on the whole time.

I want you to please him sexually after I leave. Do whatever he wants.

And wash off the writing before you come to work tomorrow!

Hey hon. ***Kiss***

Hi there.
She's gone?

I know you've
been hard for
quite some
time now.

Must be
unbearable
by now?

Let me
take care
of you.

I'll do
anything
you want.

Anything!

Something
specific in
mind?

Anything?

Our last
roleplay
really got me
going.

And what you
said back then...
that fantasy... it
won't let me go.

So, you want
to write on
me!

Oh god YES!
Change me!
I'm getting wet
already!

Do it!

Oh hon!
I'm gonna be
the best cum
slut a man can
wish for!

Guess the dirty talk comes with the slut part? **Nice!**

Oh Yes. Sweet balls! Your, cum is mine!

But I guess you are ready for the main event?

Let's see how deep I can gobble up that monster of yours!

French Maid

GACK

Yes!
I can see you
are getting
close!

Shoot that
hot load all
over me!

Give it
to me!

Do it!

Cover me
with your
spunk!

YEEEEESSS!

I'm loving it!

I love how it feels on the skin of my face!

I love the gooey feeling between my breasts!

I even love the smell!

Thank you!
Thank you for giving me your cum!

James cum slut

You
came so
much!

Oh Dear God!
You taste
delicious!

It's like
ambrosia!

We are going
to do this
every day
from now!

James
cum slut

I think I'm
getting
addicted!

What are you talking about?

Wow. That... that was just amazing!

God. I wish you'd always like my cum that much...

I'm your cum-slut!
It's only common sense for me to be crazy about your cum! As much as it is normal for you to feed me your cum whenever you feel the need!

French Maid

Happens.
Now what
would you like
your cum-slut
to do?

Shall I clean it off?
Shall I lick it all off?
Or do you want me
to walk around with
your cum for the rest
of the day?

It's your cum
after all. You
decide!

What was I
thinking? Of
course, you are
right my little
cum-slut.

Guess, I'm
just a little
confused
today.

In the evening James finally gives Lucine permission to wash off his cum.

Almost a pity to wash it off. But it's already dried up anyway...

Need to get a fresh load soon!

Now for the writing... Well Mistress said to wash it off.

So off it goes. Pity as well. Wearing his writing... showing off that I'm his cum-slut.... That sounds so **hot!**
