[Blue] = Noises

(Green) = Tone

Hurry, close the door. The less cold air in here the better. *[door closing]*

When we planned this trip, I really didn't expect the snow to be this bad...I mean...I can't believe we almost got stuck in a snowstorm! If I had known I would have rescheduled. Guess that's what we get for not checking the weather, huh?

Let's change to some dry clothes. I'll go turn the heater on and try to get this place warmed up.

Hmm? What's the matter?

...

There's only one bed? You're joking. When I booked this place, it said they had two beds! Where's the second one?

...

The second bed...is the couch? God, this is a nightmare. What else could go wrong?

...

(deflated) *[sigh]* Hey, uh...is a heater supposed to make this kind of noise? It smells bad too. Is this gonna start a fire or something? I should turn it off...right?

I guess we just have to layer up tonight. Since it's so late, I don't think the owner of this place will be awake to help us.

So...I'll just sleep on the couch, then. You drove us here, so I feel like it's only fair that you get the bed.

...

We can share? Are you sure? I don't wanna be in your space if it'll make you uncomfortable. You know my sleeping habits...*[awkward laugh]*

Yeah...I guess we do have to stay warm tonight. Ok, fine. We can share. But...if at any point you get annoyed with me, just tell me, alright? I won't get upset.

...

Are you feeling warmer now that we're under the covers? My body tends to run pretty hot, so you can move closer if you'd like. I don't bite. Here, put your back to my chest...I'll wrap my arm around you. Pretend I'm your own personal heated blanket. *[laughs]*

I never imagined today would end with us cuddling in bed together. We really have to plan our trips better.

My nose is freezing...do you mind if I tuck my face against you? I'll manage if you don't want me to, just figured I'd ask.

You don't mind? Thank god. I thought it was gonna freeze and fall off.

...

[soft breathing] *[sniffs]* Is this new shampoo? I don't think I've smelt this on you before. It suits you.

S-sorry...I didn't mean to press my face into your neck like that. You just smelt nice and you were so warm...I got a bit carried away.

Huh? Do it again?...like this? *[soft breathing]* Is this ok?

Can I try something? If you don't like it, just...elbow me in the gut or something.

[kiss] How was that? Was it ok? Should I do it again?

[kisses] Your neck is...really sensitive...and warm. You're...so damn warm....feels good.

Ow! Wha- oh! Oh my god I'm so sorry! I...I don't know what came over me. My brain got a little fuzzy and I'm so tired and cold and I...I went too far, didn't I? You're my best friend and...I didn't mean to...I'm sorry.

Why are you hiding your face? Did I make you upset? Are...are you crying?! Move your hands. Show me-

Your face is all red. Is this...are you blushing? Look at me. Tell me what you're feeling right now. Be honest with me.

...

You're embarrassed? Why?

...

Because of...”down there”? What do you mean...oh! You...did I cause that? Was that...because I was kissing your neck?

To tell you the truth...I also, uh...had a...reaction. It's...still there...*[awkward laugh]*

God...why're you acting so cute? I never in my life imagined I'd be seeing this side of you...I don't know what it is about tonight, but I just...I feel myself losing control a little bit. Something about the way you're holding me...and the way your body was warming mine...is this weird? Am I being weird?

You feel it too? Thank God...I thought I was gonna have to punch myself in the face or something.

...

(nervous) Can...can I kiss you? Not on the neck this time...on the lips. I just...I can't stop thinking about it now and you were making these noises when I was kissing your neck and now I'm imagining what you'll do when I *actually* kiss you and- *[kisses]*

Oh...wow I...I didn't expect you to just...grab my face like that. Can we do that again? I need to kiss you again. *[kisses]*

Jeez, what did we get ourselves into? I swear...I feel like I'm about to snap. I need more of you...please tell me you feel the same.

You have no idea how relieved I am to hear that...I'm gonna touch you now. If you don't tell me to stop...I won't. I'm desperate to feel more of you.

PATREON TITLE: Keeping Your Best Friend Warm by Letting Him Use Your Hole [Begging] [Grinding] [Foreplay] [Masturbating Together] [Handjobs] [69] [Oral] [Anal]

Can I lift your shirt up? Ok...fuck...I've seen your chest a million times, but why does it look...different now. Mmm...I love the way you squirm when I touch you. Do you like having your nipples played with? Who knew you were so...sensitive. Kiss me. *[kisses]*

I want to make you feel good. Can I? Yeah? Pull your pants down a bit. Fuck...look at how hard you are. I should help you out, shouldn't I? *[wet sfx]* Does that feel good? You're making the prettiest noises...makes me want to keep pleasing you.

No, don't stop. I like hearing your moans. It lets me know that I'm doing a good job. Plus...I can figure out your weak spots more easily. For example...you really like when I rub the head like this. *[low moan]* God, when you moan my name like that, I swear my whole body shudders. Keep saying it.

Shit...you've got me wrapped around your finger...you know that? The way you're looking at me while I please you...you're so fucking sexy.

Hmm? I'm...what? I keep grinding against you? I...hah...I didn't even notice. Sorry...I'm just...really turned on right now and I'm getting kinda desperate. *[laughs]*

W-wait...what are you- nng! Ah shit...you can't just...turn around and grab me so suddenly...hah...fuck...who would have thought we'd end up in the same bed jerking each other off tonight?

Nng...you're so good at this...your touch feels so good. C'mere. *[kisses and moans]* You're gonna make me lose it. I need more... *[wet sfx stops]* Huh? You wanna try something? Alright...what is it?

...

Get on top of you? Ok...like this? The other way? B-but then...my ass would be in your face.

That's the point? Ugh fine...is that better? God this is so embarrassing. *[wet/licking sfx]* Ah! Wh-what are you-? Where do you think you're putting your tongue? I'm-! This feels weird! *[moan]* Shit...how are you so good at this?

Ah fuck...this feels so good. Don't stop! Please keep going.

What? You like it when I beg? I can beg as much as you want me to. I've become utterly obsessed with you. There is nothing I want more than for you to kiss and lick and bite me. Please...I'm begging you.

[laughs] Did that make you blush? Even when you're eating my ass you're so cute. Makes me wanna do more for you. How about I help you out down here?

[wet/licking sfx] Is this ok? From the noises you're making...it sounds like you're enjoying yourself. *[wet/licking sfx]* Mmm...I can feel your hips thrusting into my mouth...keep doing that. I like it a lot. *[wet/licking sfx]* I can feel you twitching every time I take you deep. You're so fucking hot. *[wet/licking sfx]*

Can you put a finger in? Sure, just...be gentle. Please.

...

[wet sfx] Nngh...yeah...yeah that feels good. Fuck...your finger feels so thick inside of me. I never knew something like this could feel so good.

I can hear you groaning beneath me...do you like seeing me get off on just one of your fingers? Is it driving you wild? I'm discovering so many new things about you. *[moan]* Oh fuck...whatever you just did with your finger felt amazing. Do that again...please? You're making me feel so horny.

What? You have three fingers inside? That's...I didn't even know I could do that. Ah fuck...you're amazing. God, I've never been so turned on in my life. My whole body is on fire...shit. I'm getting close...

...

W-wait...stop for a second. *[wet sfx stops]* I don't wanna cum from just your fingers. I want you to be inside of me...I wanna cum from your cock. Quick...I need you. I want you to fuck me so badly. I'm begging you...please hurry.

Nngh! Sorry...I just got startled. I didn't expect you to flip me over so quickly. Guess it's nice to know I'm not the only one who's desperate right now.

[whimper] You're just rubbing the tip against me...you're teasing me, aren't you? Please...fuck...I can't stand this...just put it in...I'm begging you. I feel like I'm gonna explode.

[loud moan] [wet sfx] Ah fuck...shit! You're so...oh god you're so big...so warm...are you ok? No...hah...it doesn't hurt...so...c-can you start moving? I'm...I'm about to snap.

[improv noises] Fuck...the faces you're making...am I making you feel good. This is the best view I've ever seen...you on top of me...moaning my name while you pound me. What did I do to deserve this?

You're perfect...god you're so perfect...how did I not see it until now? You're like a work of art. Do you feel good? You deserve to feel good. Every inch of you is just so fucking beautiful...I love doing this with you.

Please...nngh...please kiss me. I'm getting close. *[kisses]* You're amazing...so good...I'm addicted to your every move. Ah...I don't know how much longer I'm gonna last. Fuck...I need you to go faster...fuck me hard until we both cum...ok?

[improv noises] You're close? Me too...shit...cum inside me...I want you to fill me up...fuck...make me yours. Would you like that? I'll make sure not to spill a single drop...oh god...I'm gonna cum...cum with me...! *[loud moan] [heavy breathing]*

Holy shit...I can barely see straight...are you ok? Good, I'm glad...hah...what the fuck just happened? *[laughs]* We really lost control of ourselves, didn't we? I never thought...you and I would do something like this. Though...I am absolutely not complaining. That was amazing...*you* were amazing. *(softly)* You were everything.

Ya know...I completely forgot how freezing cold the room is until now. Guess that's one way to keep warm, huh?
