Save  
over 60%

## Features

- ✓ 6 Lightroom workflows with a total of 327 Lightroom presets + bonus preset pack
- ✓ XMP, Irtemplate and DNG format included to ensure maximum compatibility and flexibility across platforms and devices
- ✓ compatible with Adobe Lightroom 4, 5, 6, CC and Classic CC (Win & Mac) as well as the free Lightroom Mobile app (iOS & Android)
- ✓ also works with Adobe Camera Raw (ACR) in version 10.3 or newer - that means you can use the presets in Photoshop, too!
- ✓ optimized for JPG and RAW images
- ✓ **Bonus: All future product releases included!**

Currently you save over 60% compared to the individual purchase of the preset packs. The price will increase over time, with new products being added to the bundle.

## These are not your average one-click presets

All products are organized in **structured workflows** and consist of up to 9 modules (→ [see previews](#)). This gives you the freedom to individually shape the final image with a selection of adjustment presets and develop a repeatable personal style in the process. A structured workflow frees you from the worries of where to start and what to do next.
