

NSFW ALPHABET

KAZAEL CRANE

A

A is for Aftercare

She's tender and thoughtful. Aftercare can be just as pleasurable as the act itself, in their opinion, and she enjoys that slow and intimate routine of cleaning up afterwards like it's her nightly glass of wine.

B

B is for Bodypart

On you, she's a sucker for a nice pair of legs. They're elegant, sturdy, and look magnificent in almost anything you might wear. It's so easy to tell if she's in the mood, because her eyes are tracing their length. On herself, she's quite fond of her elegant limbs.

C

Cum

Kaz prefers to stay neat and that reflects in how she approaches bodily fluids too. She's not into anything that involves smearing your spend all over the luxurious sheets.

D

D is for Dirty Secret

It's not a dirty secret per se; she doesn't feel the need to hide this side of her from her lovers, and especially not from you. For her, pain and pleasure are one and the same, a form of art, and in bed they are a true artist.

E

E is for Experience

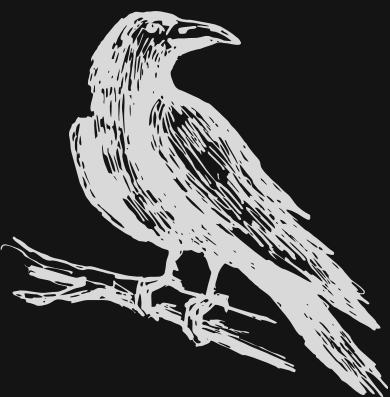

She is experienced. She's got a world of experience under her belt, tried almost everything and learned what she enjoys or dislikes. Although her past lovers were mostly one-night stands and just means to an end. For her, before meeting Death, sex was just a weapon.

F

F is for Favorite Position

She prefers positions that have the two of you with your faces close. Seeing your many expressions as she brings you to pleasure brings her to complete elation. Or, whatever can give her better access to the entirety of your body. When she takes you, she *takes you*.

NSFW ALPHABET

G

G is for Goofy

She's as serious as one might get during sex. It takes a lot to coax the sillier side of her to come out. And for many they never see it. Sure, she can be a tease, but unless you're the one taking control, you're unlikely to get much of a laugh out of this woman during sex.

H

H is for Hair

Her hair is course and thick, making management of her pubic regions important. Although her hair takes a long time to grow she keeps things under control. At least twice a year she'll trim it up just to be safe. On the rest of her body, things are pretty much hair free.

I

I is for Intimacy

She can be both, lucky you. If sweet and sensual intimacy is what you want, have no fear. You'll spend hours working up to your climaxes. A fast and rough fuck is what you're begging for? Brace yourself against the nearest hard surface.

J

J is for Jack Off

She will never feel the need to masturbate. Don't get her wrong, if you want to do it, go right ahead, and she would love to watch you go at it, but it is not something she takes pleasure in doing to herself.

K

K is for Kink

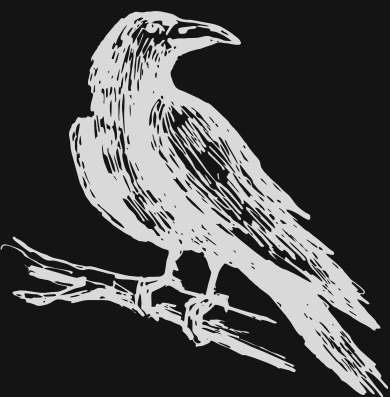

Bondage of any sort is a thrill, and nothing gets her going quite like the pleasures of pain. She also enjoys the challenge involved with edging. It's a test of will, with a satisfying conclusion no matter how long her or her partner hold out.

L

L is for Location

The bed is preferred. She likes to take her time with you, but she's more than happy to fuck her partner against the wall, her favorite chair, on the rug in front of the fireplace... even on your throne. The possibilities are endless.

NSFW ALPHABET

M

M is for Motivation

As mentioned before, bondage or pain pique her interest. Touching her neck also gets her mind going, or sensual talk. The whispered kind, in the middle of something that she can't put to the side. A bit of distraction does her good...

N

N is for No

There's very little she won't try in the bedroom, she's not hesitant to engage in threesomes, but that depends on who the third person is. Wulfric is more than welcome to participate.

O

O is for Oral

She's happy to engage in both, though tends to prefer giving over receiving. If you enjoy a slow-building climax, she's a master at it. Though if you're looking for a quick get-off, well... maybe you won't feel so blessed. She takes her time on oral, so it's difficult to rush her.

P

P is for Pace

It depends on the mood, and your own preferences. She's a patient person for the most part, defaulting to a slower, more sensual pace a majority of the time. But if you've riled her up, or if you're in a particularly frisky mood, she's more than happy to get you both off fast.

Q

Q is for a Quickie

They aren't her favorite, like at all. She definitely prefers drawn-out sex, the kinds that go on for hours. More time for her to enjoy her partner and all that.

R

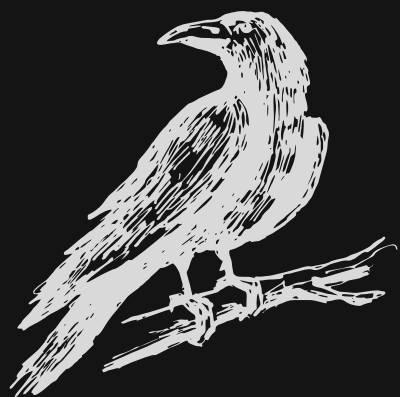

R is for Risk

Given her experience, she's fine taking risks. They aren't what gets her blood going, but they can be thrilling, admittedly. With your consent, a risky place or a risky kink is something she won't deny you. And more especially, she doesn't care who may be watching...

NSFW ALPHABET

S

S is for Stamina

Her average is 3 to 4 rounds, depending on their length and how much time does she have. Sex with her is intense and drawn-out, regardless of its speed, and it can take a lot out of her to be so thorough.

T

T is for Toys

Definitely, she has a collection of toys. Toys mix things up when she or you are in a sexual rut. Again, she's basically up for most things.

U

U is for Unfair

Kaz is usually obliged to give you what you want without a fight. But if you've been particularly daring or teasing in return, she's happy to repay the kindness with an agonizingly long round of sex that has you begging to cum. She's been known to get you riled up only to announce that she's leaving on a long meeting. She doesn't give a threat she won't follow through with it, so keep that in mind.

V

V is for Volume

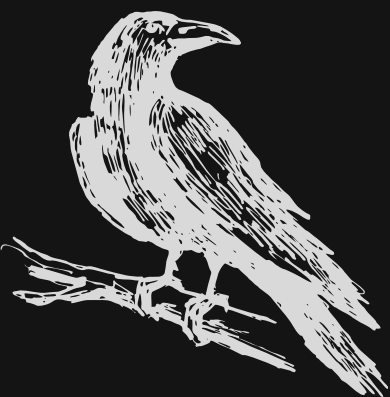

Her noises are only for your ears, so she sits more towards the quieter side of things. Low and breathy, groaning deep. It's hard to get her to make much noise, so each sound is earned and feels all the more rewarding.

W

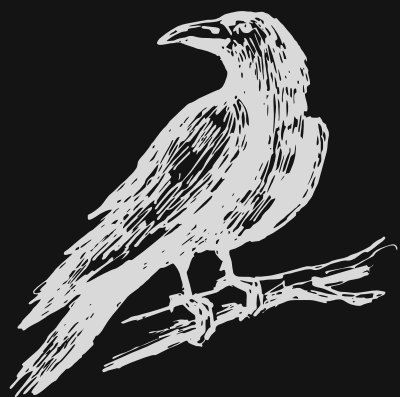

W is for Wilcard

While it is rare, there are times when Kaz can't find her own release during sex, either from her excitement not quite making it to the finish line, or when her own stamina gives out. She understands it's a natural thing, and especially for someone with her affliction, it's going to happen. She doesn't let this get in the way of having fun, however. Whenever it dos happen, it's easy enough to switch to simply watching you get-off on your own as she straddle your waist.

NSFW ALPHABET

X

X is for X-Ray

She's quite endowed in the breast department, but not overly so. It fits the rest of her elegant curves perfectly. Her lower lips are the same pale tone as the rest of her body and lean. She also has some surprises in the form of piercings...

Y

Y is for Yearning

While certainly not as high as it was in her teenager years, Kaz still feels that desire for sex pretty frequently. At least once a week, perhaps. And even if she's not in the mood, there are times you can convince her to get you off with her hands, rather than her package.

Z

Z is for ZzzZz or Sleep After

Not typically. She prefers to clean up after sex, even drink some wine or eat some food after that if you're feeling peckish. Sex with her can happen at any point during the day, not just the evening, so sleeping right after isn't always prudent or possible. When she does, however, it takes some time for her to fall asleep, as always. as she closes her eyes and lets her mind wander with the feeling of you at her side.
