

IF YOU LISTEN TO
ME WELL,

I CAN REWARD YOU

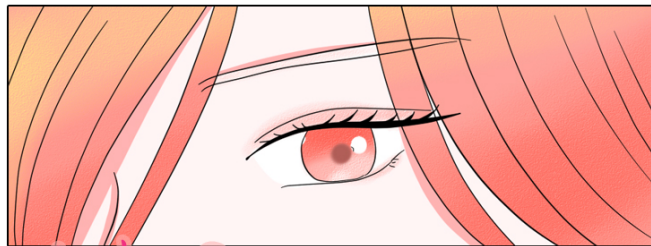

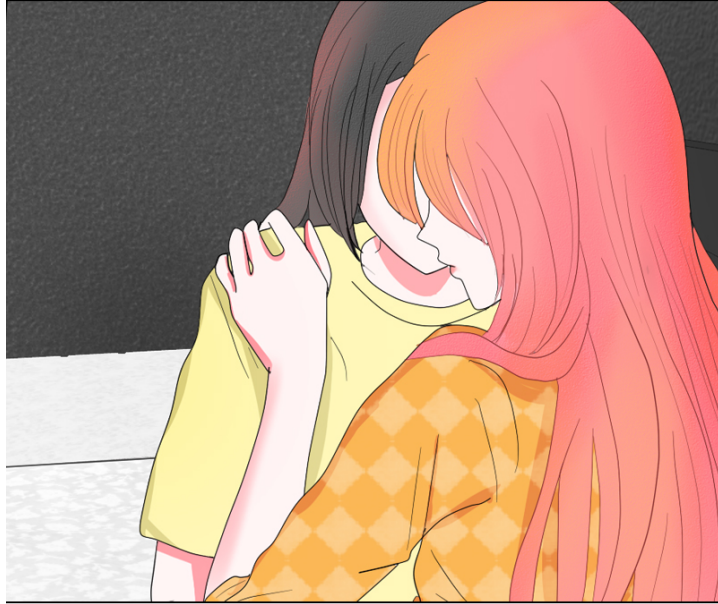

For some reason, I want to bite her

I want to see her reaction
when I pretend to return her feelings

Jung Aerin
she just bit me

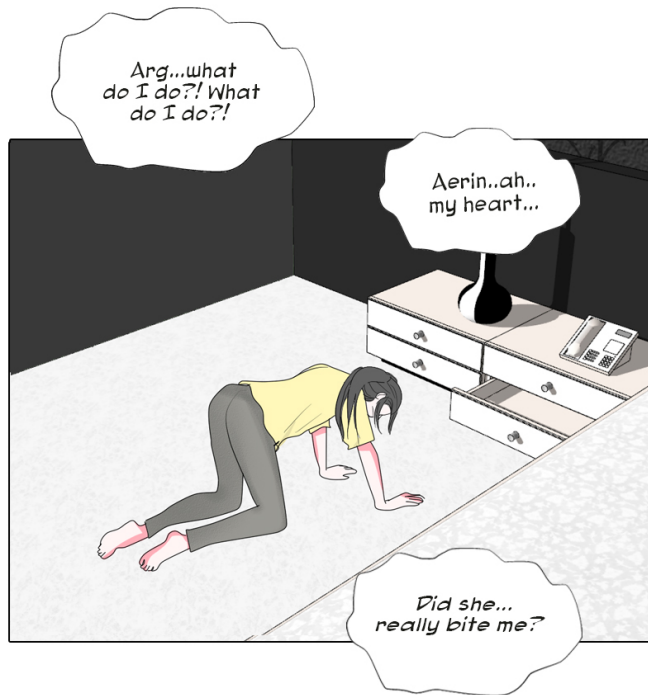

Badump

SHE ..LICKS MY EAR?! NO?!

I MUST NOT WASH IT!!!

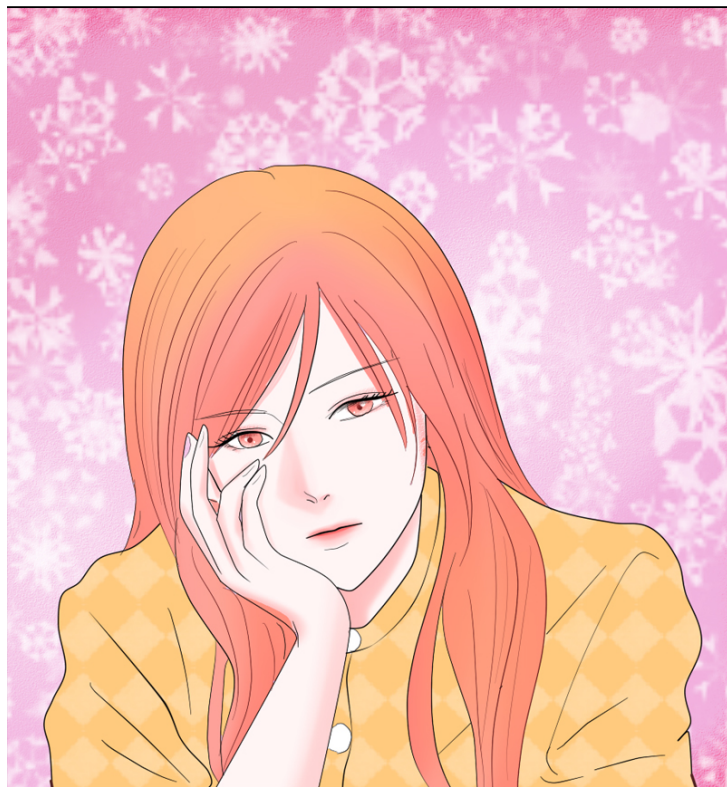

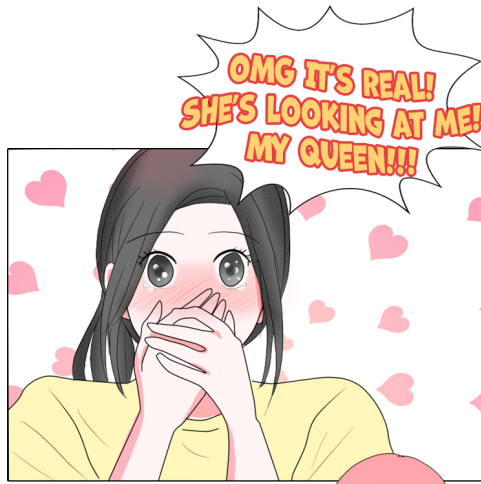

I should've stayed away from this idiot

But to see someone
losing their control
just because of my
sudden impulse...
It's not bad.

What..the hell?
How can a person
be this dumb?

Do you show this
foolish side of yours
to me only?

Including your current
apperance without such
a strange makeup?

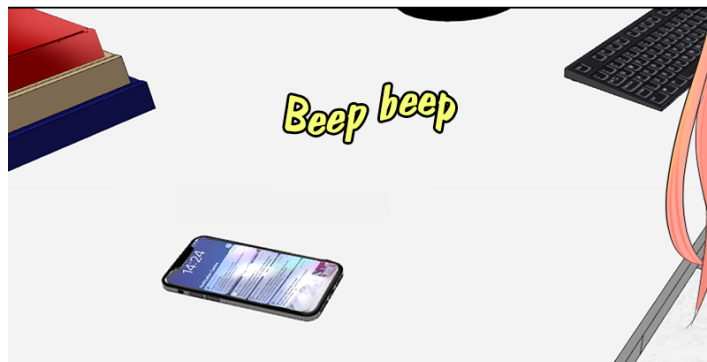

Because my uncle and Ms...no..my uncle says that if I only show you my bad side, you will never turn to look at me
