

C'mon Jess, use
that stupid brain
of yours!

So to break this
curse, I gotta act
like me, right?

Er, the boy
version of me...
He was like... A
manager?

I could be a
manager. You
know, if I really
wanted.

All they do is pretend they're super busy and talk in a deep voice.

"Hey, I'm the bossy boss, do what I say!"

So the first step then is to get promoted or something.

That won't
take long. Mr.
Foxx totally
loves me.

I bet if I flirt a
little and ask for
it, he'll bump me
up right away!

Not bad!

The perfect
plan! I'm such
a genius!

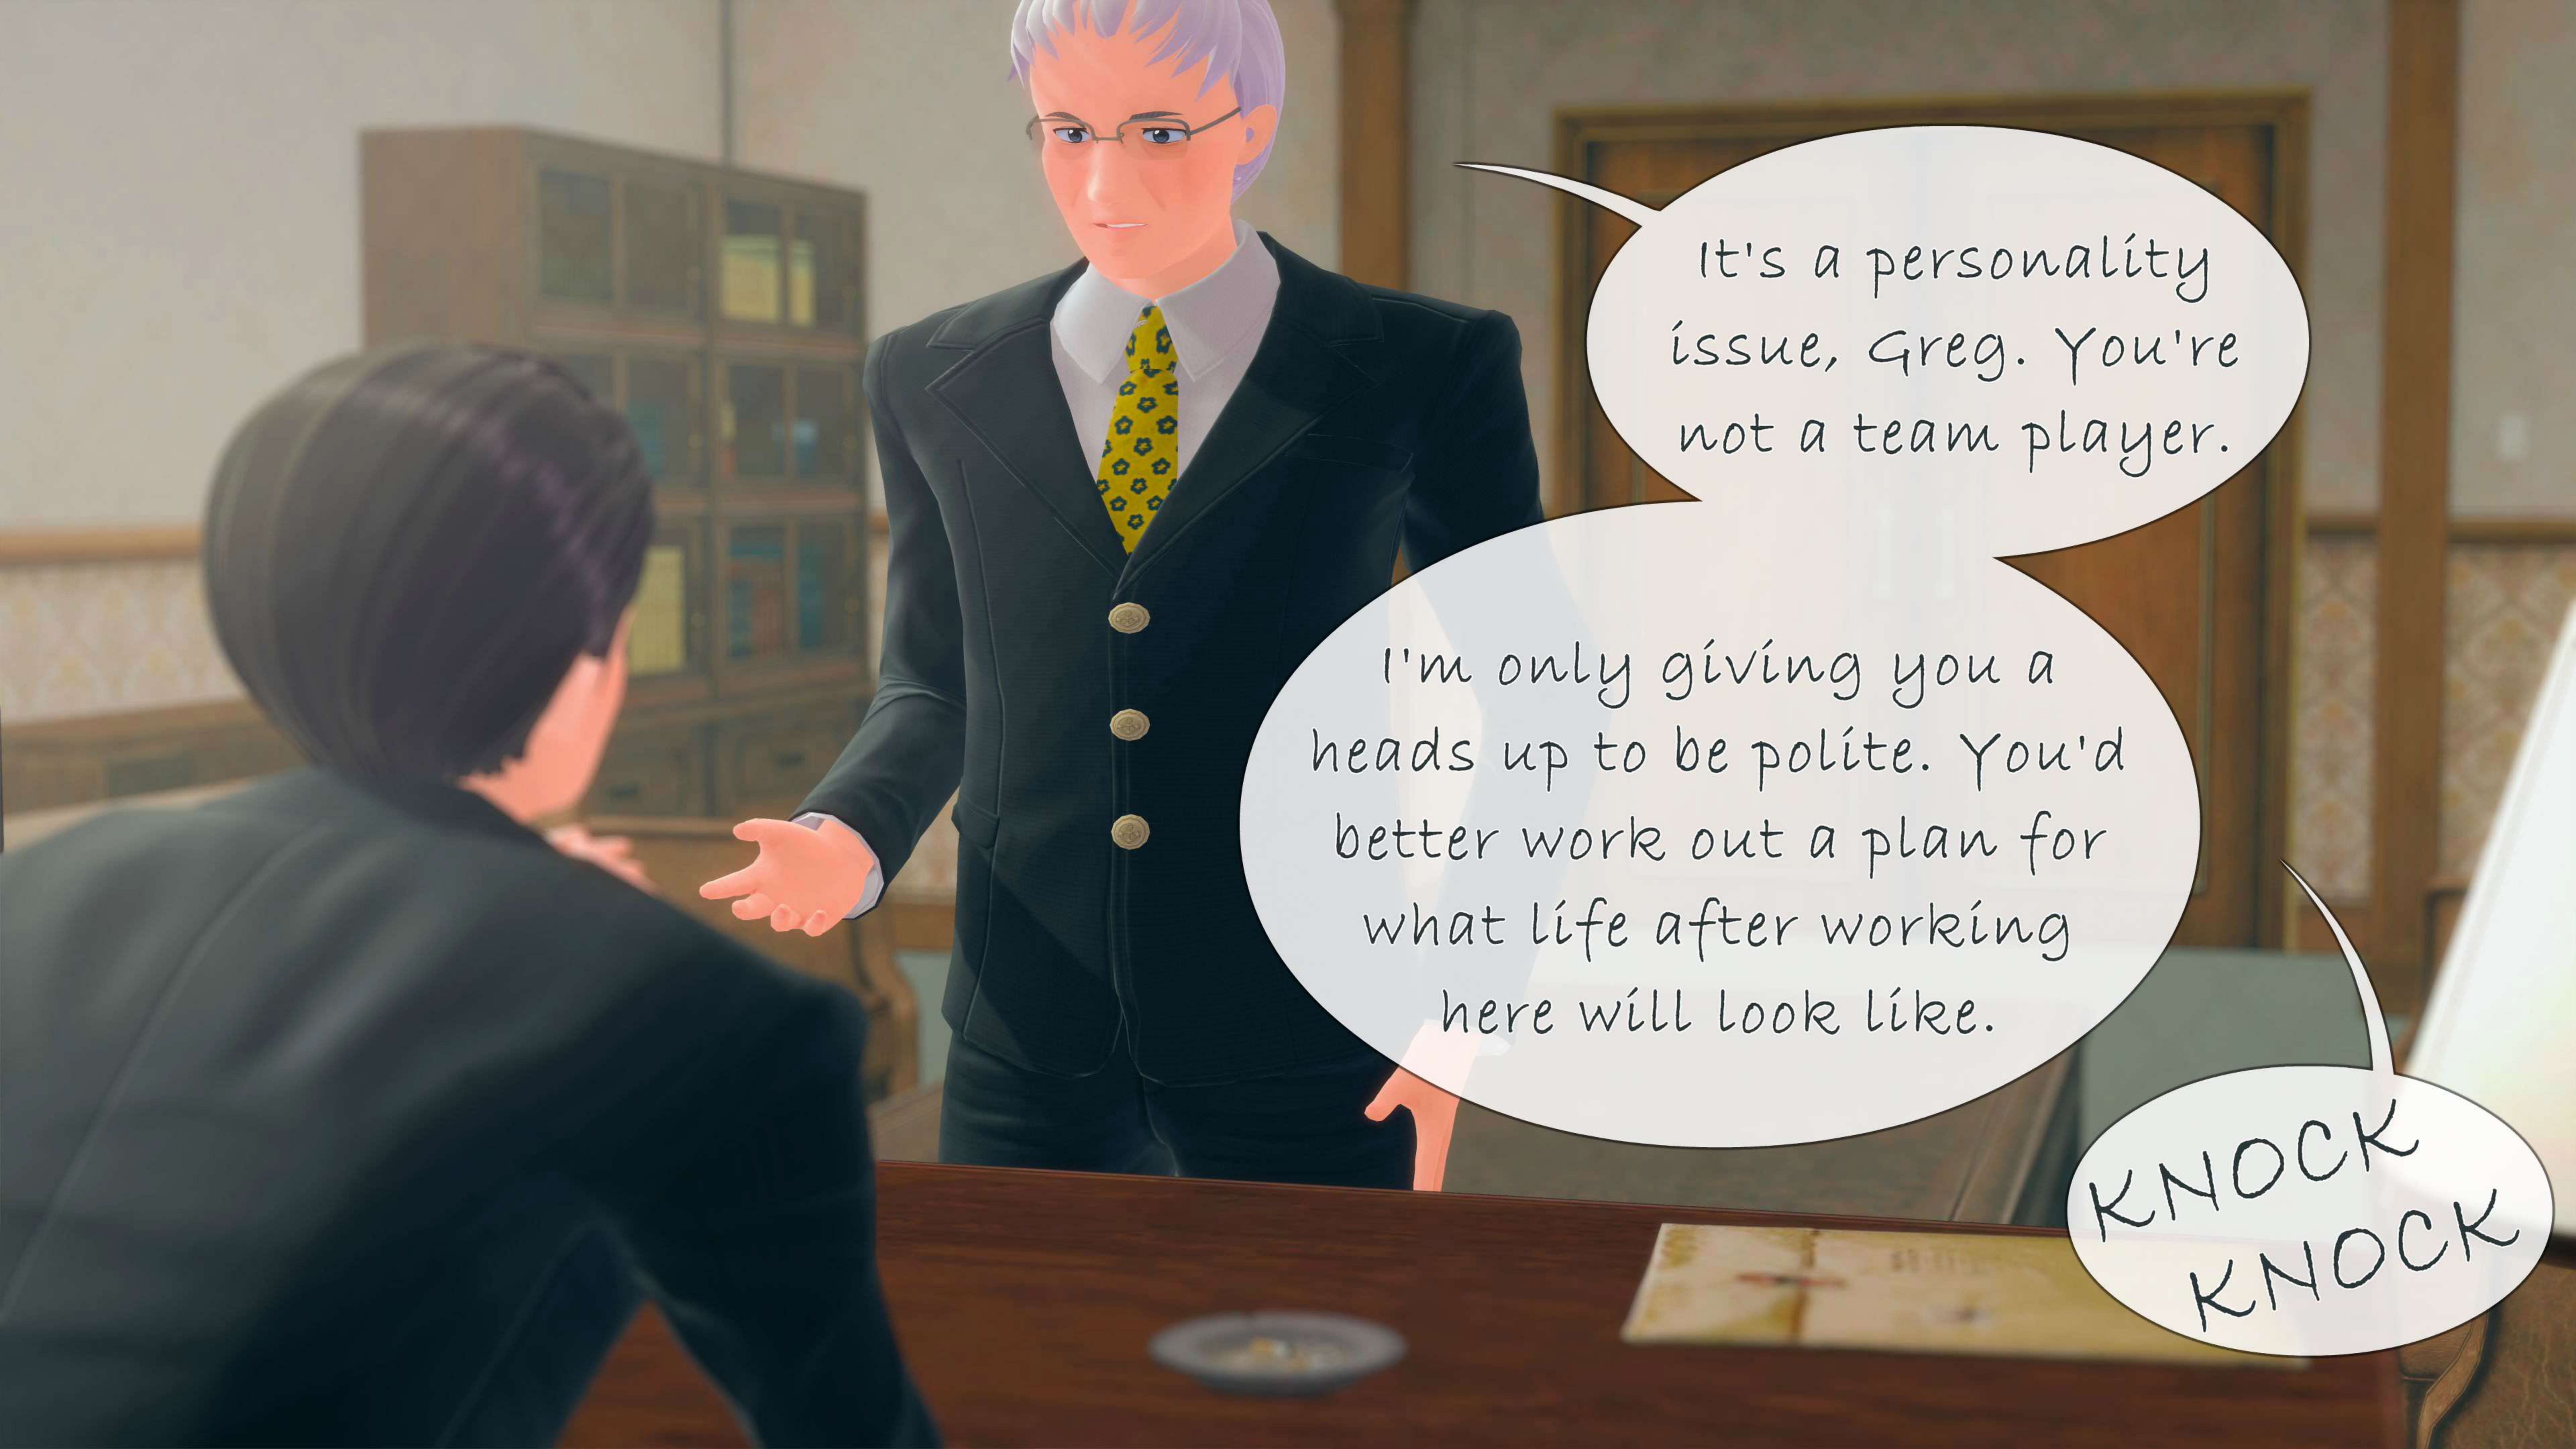

I should put
the moves on him
now while I'm
looking hot.

Boys are
too simple!

What's going on here? I thought getting rid of his kid would make me safe!

Can't we work something out? You know I only want what's best for the company.

It's a personality issue, Greg. You're not a team player.

I'm only giving you a heads up to be polite. You'd better work out a plan for what life after working here will look like.

KNOCK
KNOCK

I got those
copies you asked
for, Mr. Foxx!

Damn it Jessica,
now!? And I asked for
those hours ago!

wait here, sir,
this'll only take
a minute.

Jessica,
outside!

Ah, hey!
what did I
do!?

You ditzzy
embarrassment! If
I'm going down,
I'm taking you
with me!

You're
fired, for
gross incom-
petence!

Ow!
Let go,
jerk!

W-wait,
did you
say fired?

Oh god, what
was I thinking,
trying to please
this asshole?

Game's over,
we're done. Now
get out and
forget about your
old life.

...My head feels
clearer now
though. Did the
pain snap me
out of it?

I should've
turned you into
someone who might
have actually
been useful!

Please don't be
mad at me, sir!
I'll do better!

Damn! With my
mind out of sync, I'm
back to barely any
control! What am I
supposed to do?

You're being
much too harsh,
Greg.

Sir!?

You must
have known what
you were in for
hiring her.

Her job is
being eye-candy,
and she does her
job well, right
sweety?

Dad!

Y-yes
sir!

I'm afraid Greg
won't be with us much
longer, so how about
you be my cheer
-leader instead?

Is that... A
promotion!?

Don't worry,
kiddo. I value
loyalty over
competency.

You've
got to be
kidding
me...

Huh!?

wait,
what's going
on!?

I'm... I'm
back!

You're back? I
thought you gotta
go somewhere first
to say that.

Oh, uh,
nevermind. It's
nothing.

This isn't
fair!

It's not...

..?

And who's
this little
lady?

Well...
I suppose
she's... My
secretary?

Silly! You
just hired me,
remember?

My name's
Gracey.

I didn't think
you'd be so bold in
your selection, but
if she's who you
want...

...Just keep it 'professional' with her while on the job, you hear?

O-of course!

Outside of work, well, that's your business.

GIGGLE

I got it!

...I guess I
actually have to
be an executive
now.

Gracey, could
you get me the email
addresses for all the
top dogs at the
company?

Right
away sir,
but...

...Could you
show me how to
turn on the
compu-thingy?

Oh
jeeze.

WINNER: JESSE CEROS!
