No, it is Miss Semele for you.

I understand your points, Cornelia. May I call you Cornelia?

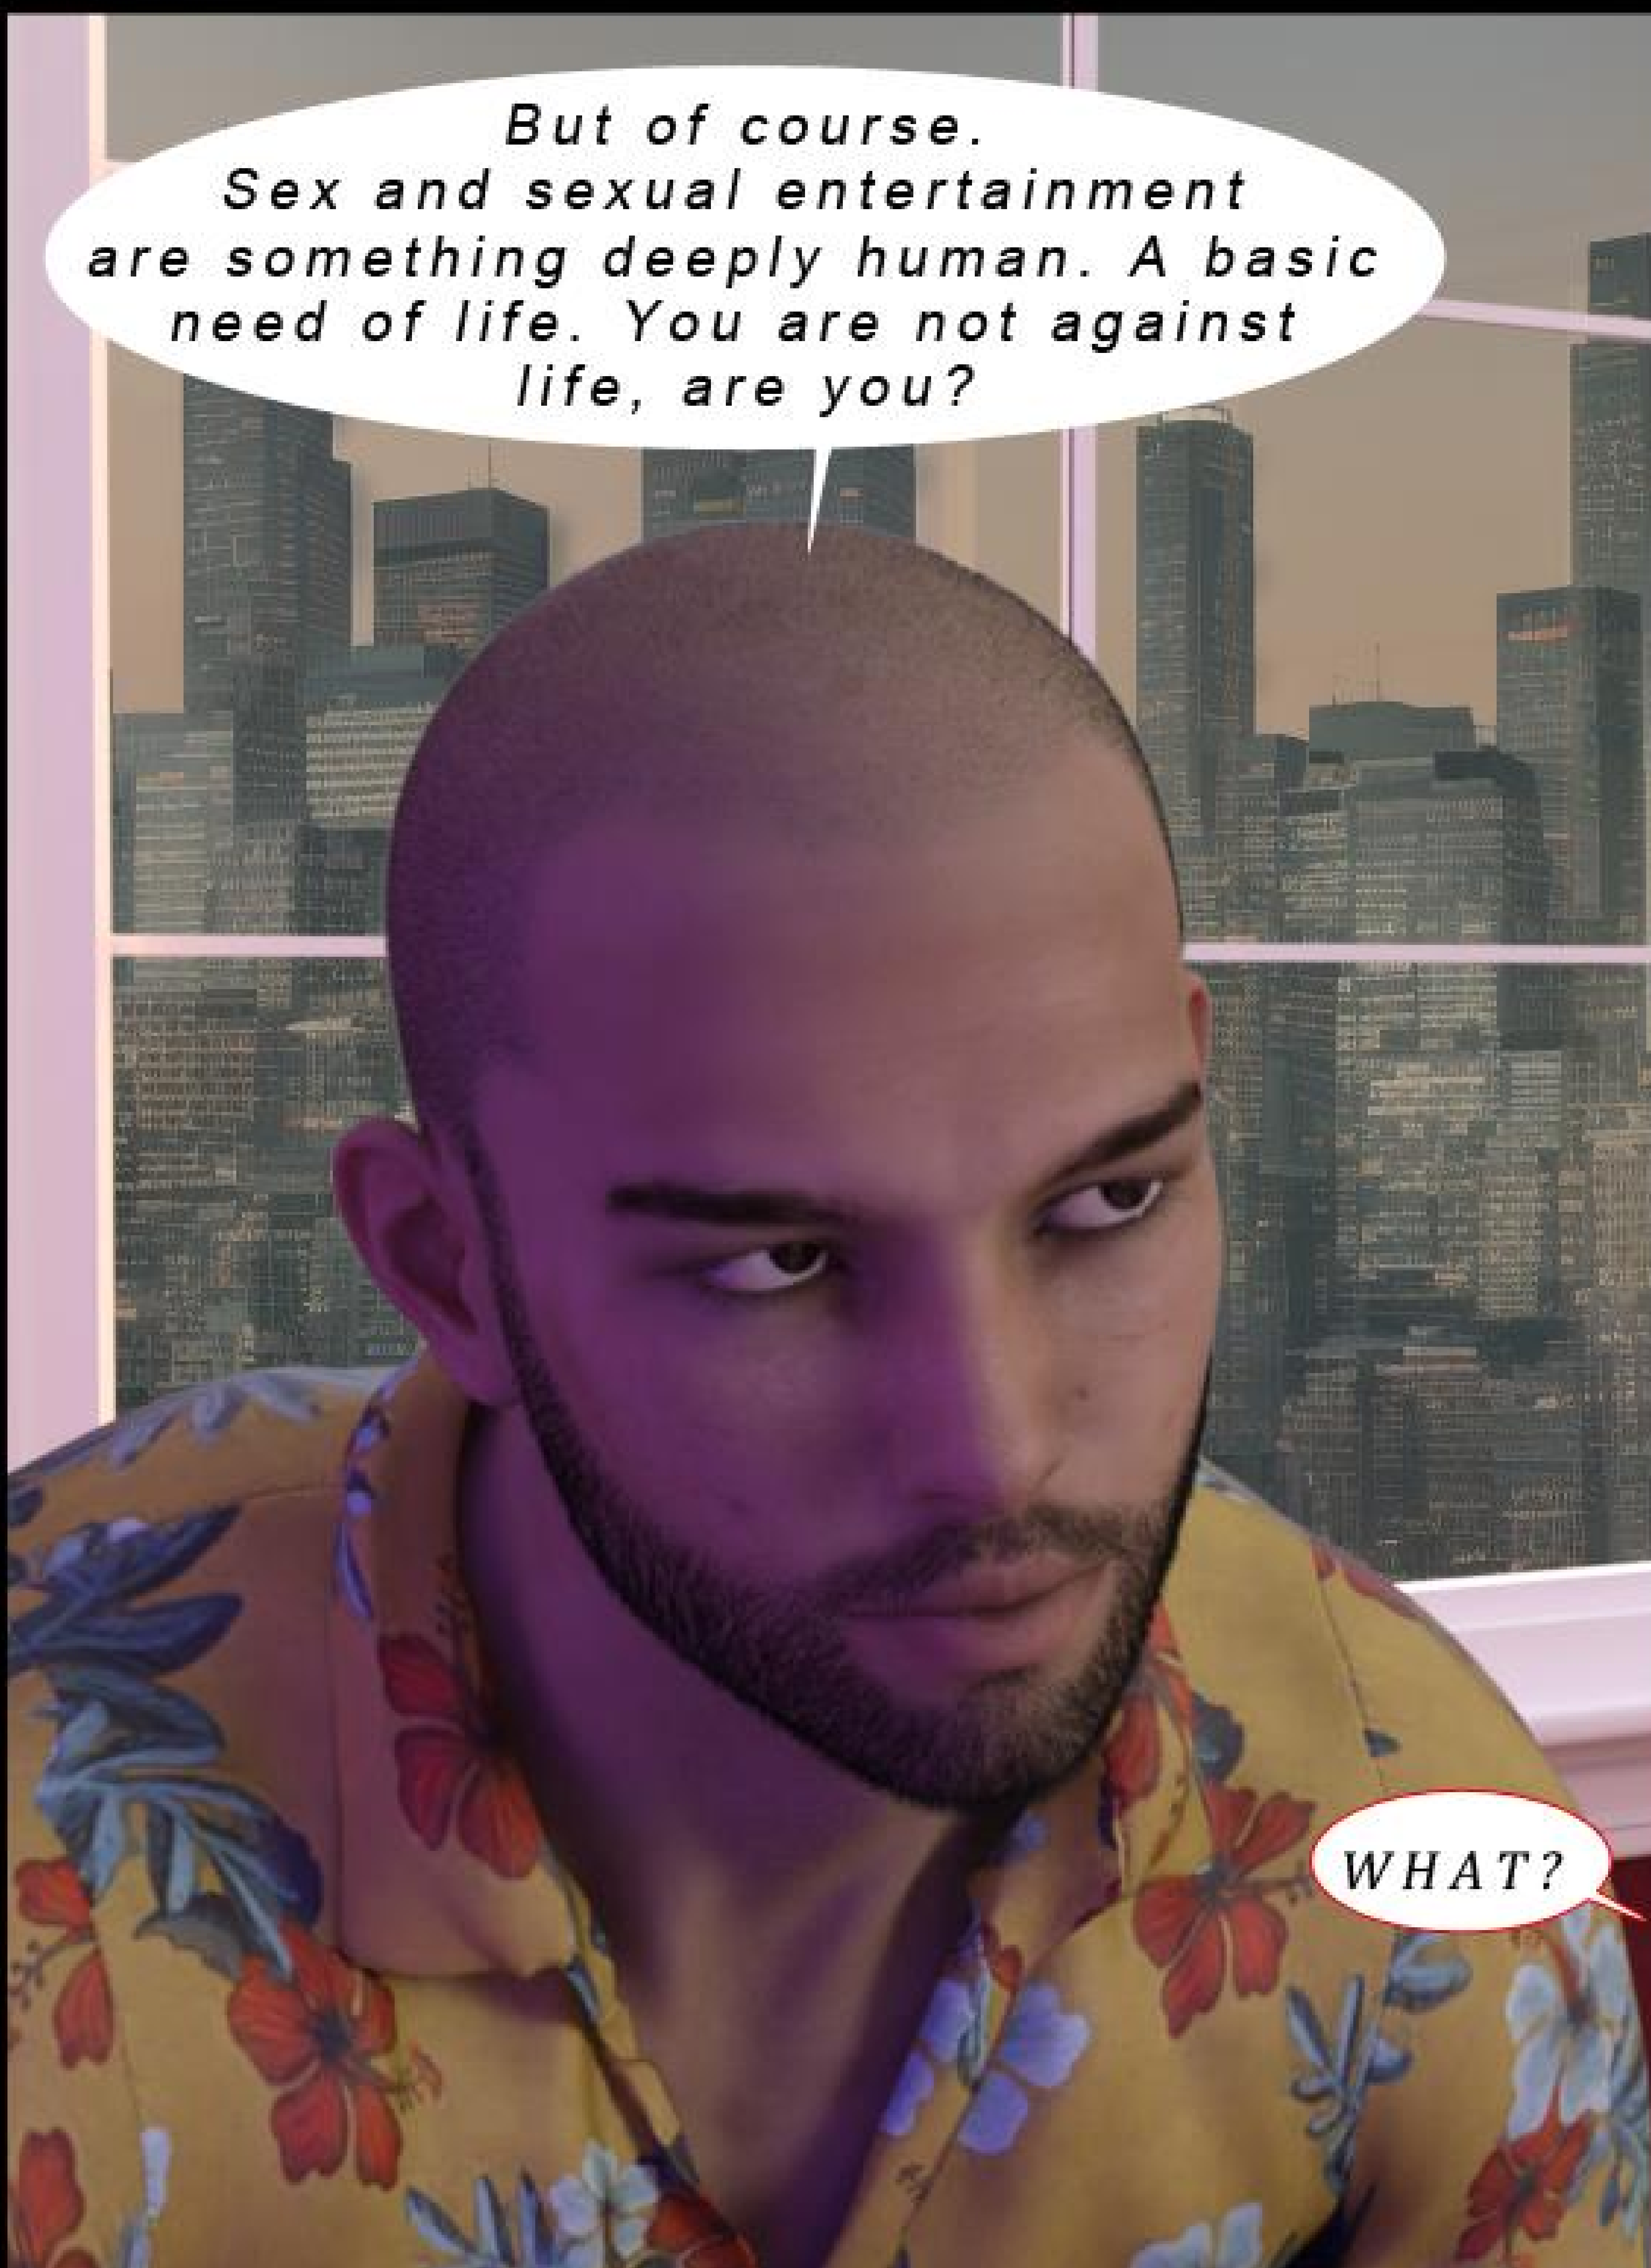

But you see... your accusations are unfounded. All the people in this club that Ava and I run, work here entirely of their own free will.

The are paid excellently, get to keep tips, have a luxury health insurance... do you have health insurance, Connie?

Name is Cornelia Semele for you!

Each of my employees has their own large apartment where no one has access.

But you are offering sexual entertainment here. Your employees fuck everyone who pays! And so much more...

But of course. Sex and sexual entertainment are something deeply human. A basic need of life. You are not against life, are you?

WHAT?

Of course not! How odd to even utter such a thing. I...i...

Damn the
guy is smart. Each of
my trick questions was
recognized and countered,
even used against me.

I should
investigate...there
always is a weak
point.

Disgusting. But that can only be an illusion. Fingernails do not grow so quickly or color themselves

These fingernails would suit women in this establishment.

But I now know his weak point. Somehow it evokes hallucinations... probably an odorless gas?

Did I not wash properly? No... this is my skin...

The Bimbo within?

For a woman of your age you have very impressive, fake curves. How did you pay for it?

You also know how to make money and how to invest it. Last question Yun, can you work with other woman?
