

The Stepmother

A Dare Board Story

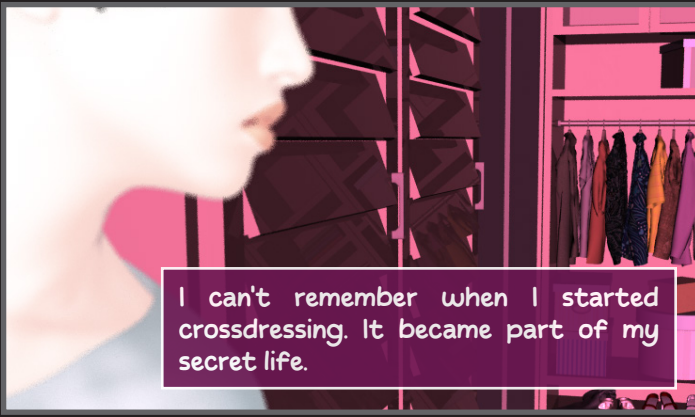

Comic #001

The Sissy
Girlfriend
Experiment

So, this is my first time creating a comic after a long while. You don't know about it, but before starting TSGE, the idea was to write hentai and comics related to sissy stories. I started learning to draw characters and other things. It was about this time I learned about HTML games and how someone with little or no coding knowledge could create something fun. It was supposed to be a linear story about a relationship between a sissy and a dominant/abusive girlfriend. I had good feedback and a lot of criticism towards the content. After a long time, the liner game became what you know today. Still, I had this craving... URGE! Let's call it this way, to write linear and short stories. That's how I came up with the idea for this comic. Like most of the content of the game, this one is a fictional story about a stepson embracing and receiving all support from the stepmother to his sissification. I like to think that each story has a bit of us in there. Something we can relate to and revive that old thrill that's still deep inside for most. Like the game, this comic and future ones are about embracing sexuality and being yourself. I had a different call for this issue, but I thought it deserved a better explanation. So, I won't delay you anymore. Enjoy it!

Hugs, Jammye.

I can't remember when I started crossdressing. It became part of my secret life.

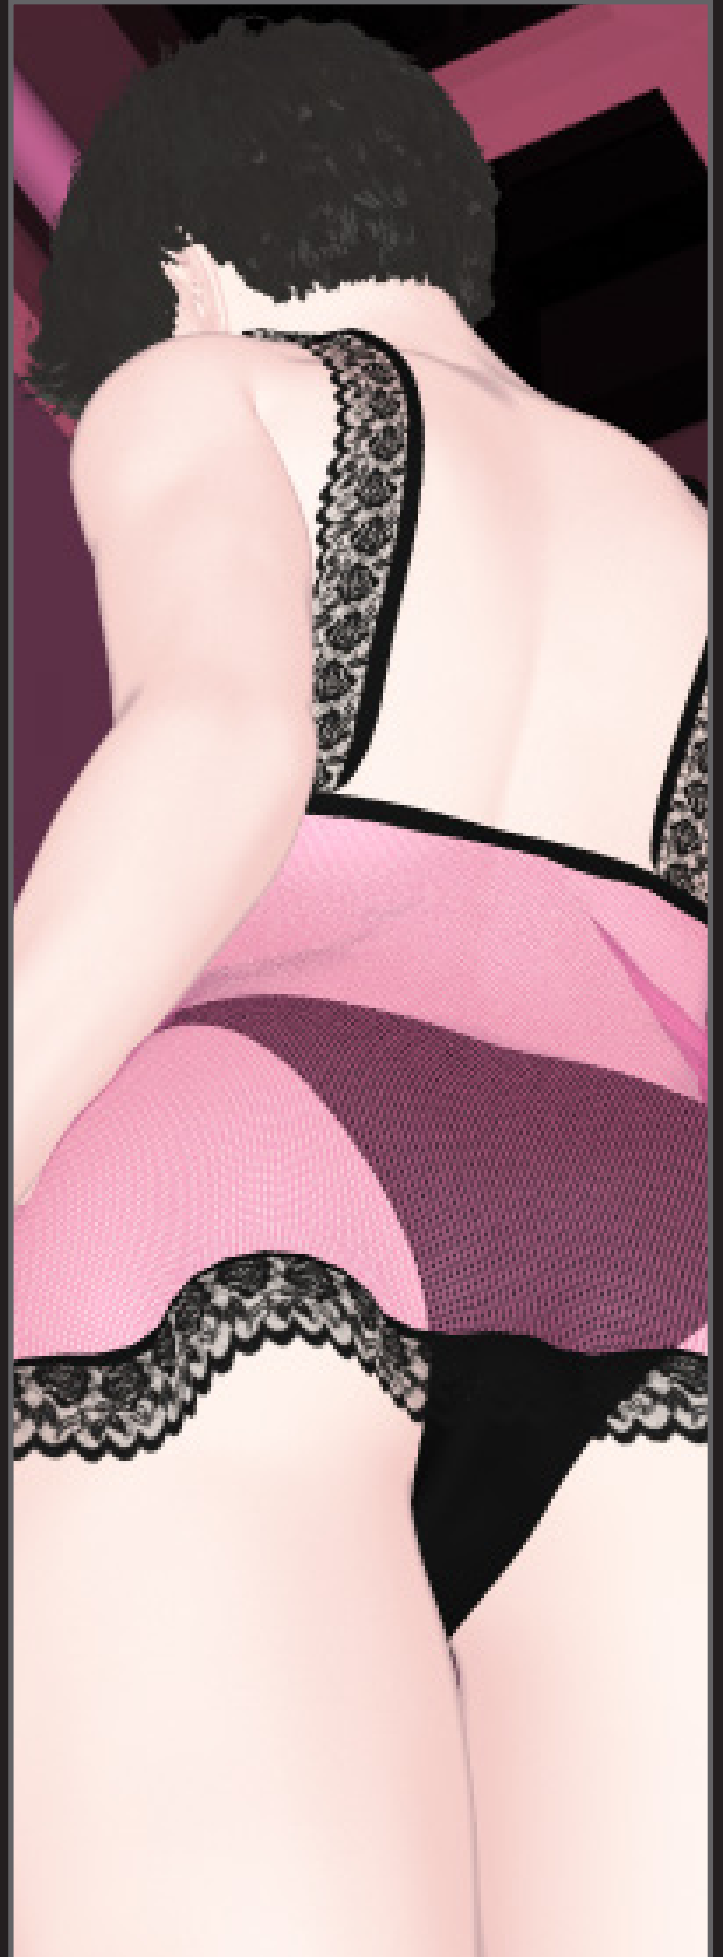

Even better now with my new stepmother. She owes so many sexy outfits.

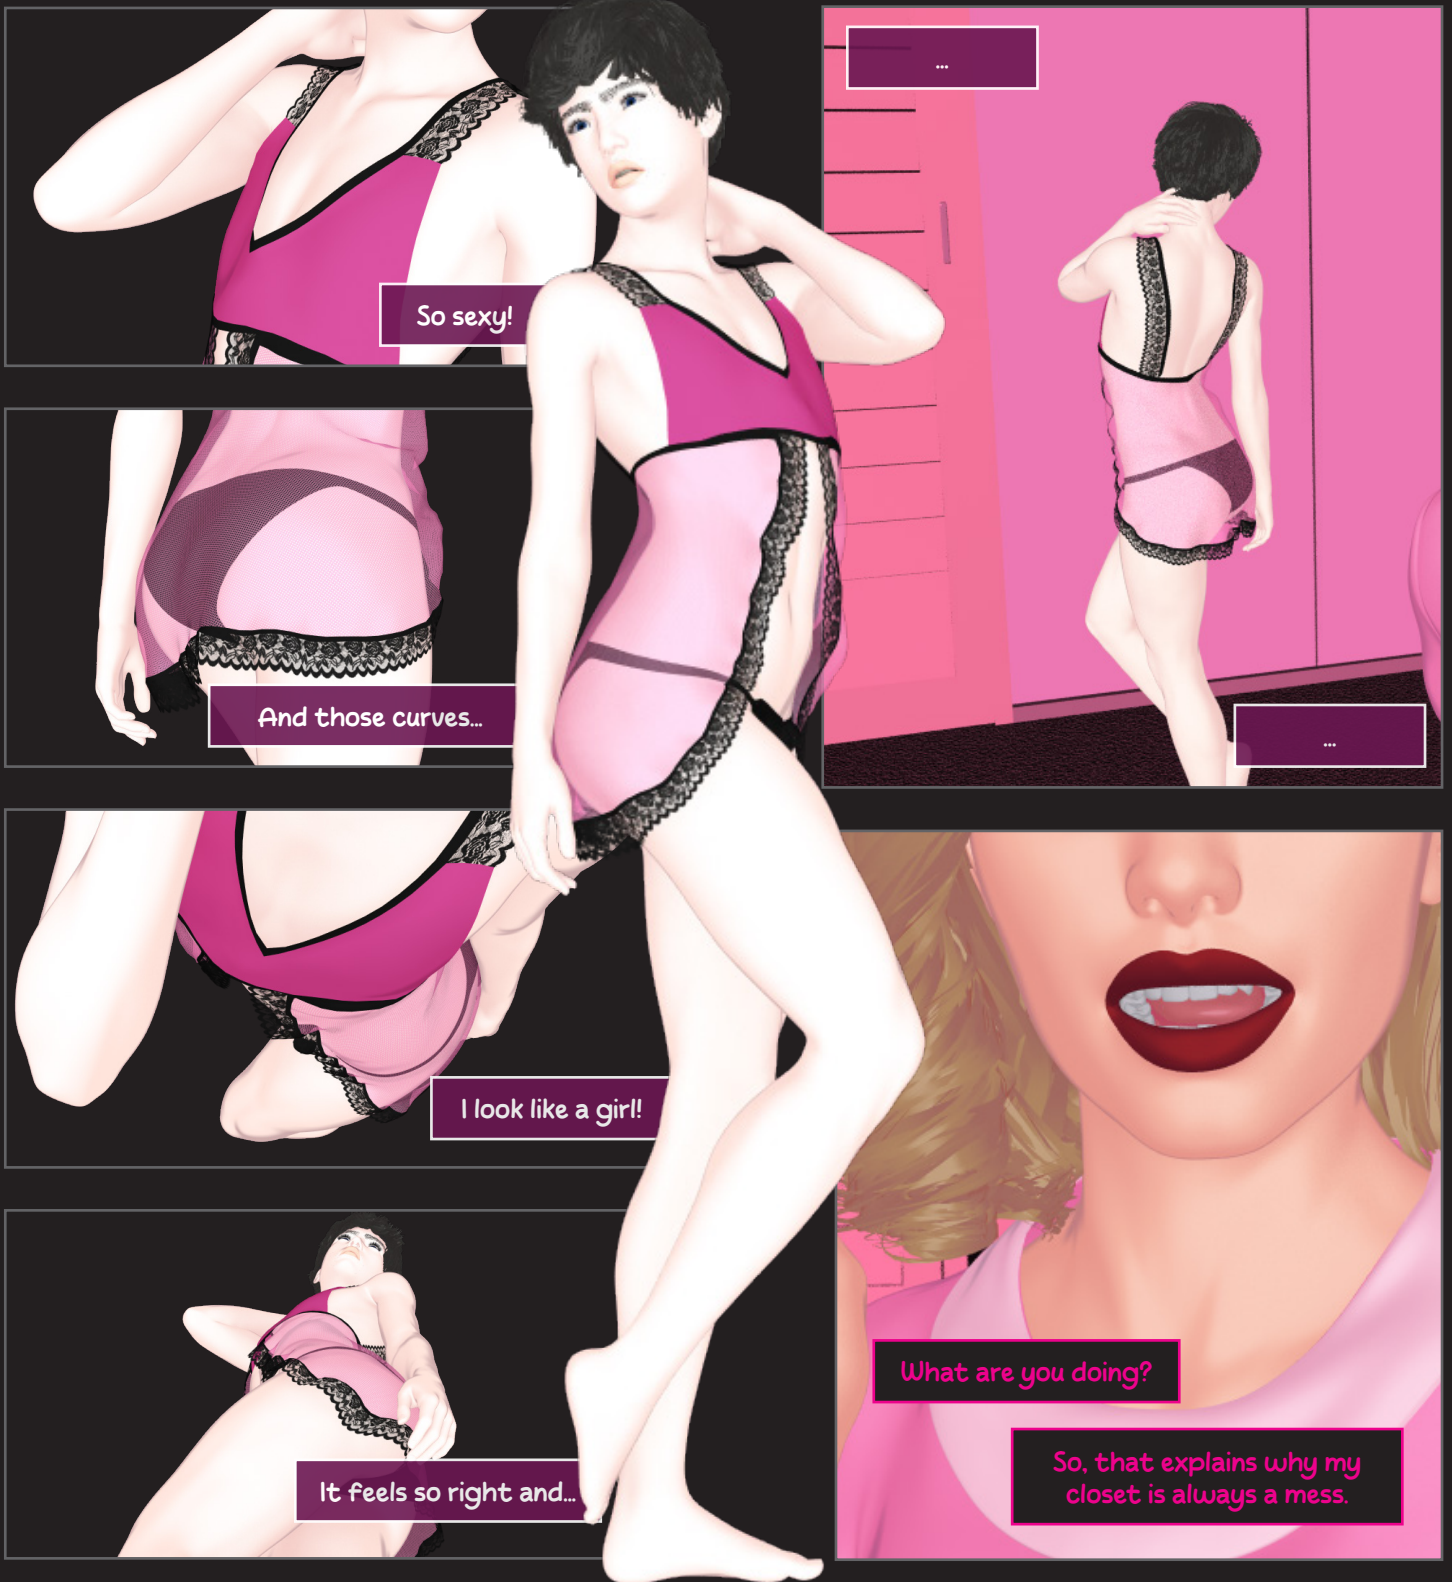

Every time she leaves for work, I try something new.

What's going to be this time?

I love how it fits my body!

So sexy!

And those curves...

I look like a girl!

It feels so right and...

What are you doing?

So, that explains why my closet is always a mess.

Oh no! Why is she here? What do I do? I think I'm going to cry.

I want to run! I want to hide! My secret is...

Don't worry. I'm not mad.
In fact, I had a suspicion about you.

Listen, I can keep a secret.

She was so nice to me.

But you need to promise not to
go through my things again.

Here, take this as a gift.
You should start your own wardrobe!

I can't believe how lucky I am!

I should stop messing with her stuff.

I started admiring her.

More than I should, probably.

She has a beautiful body.

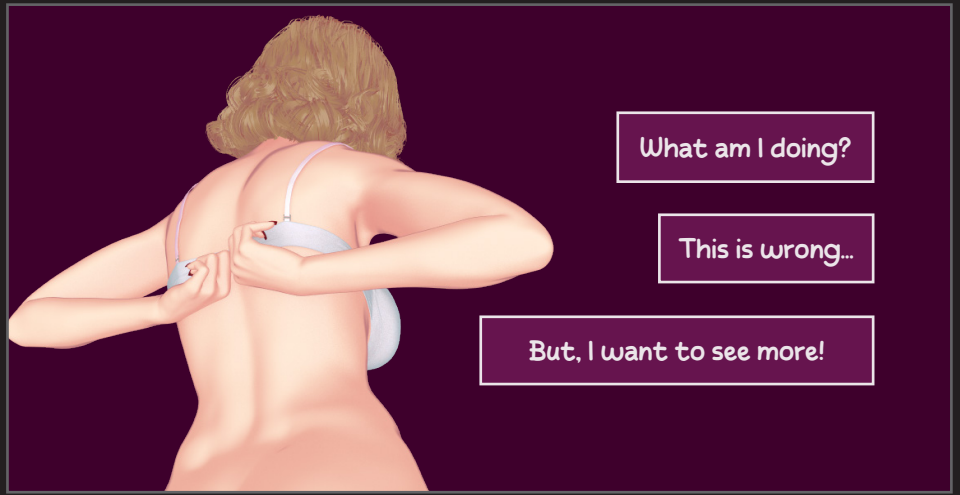

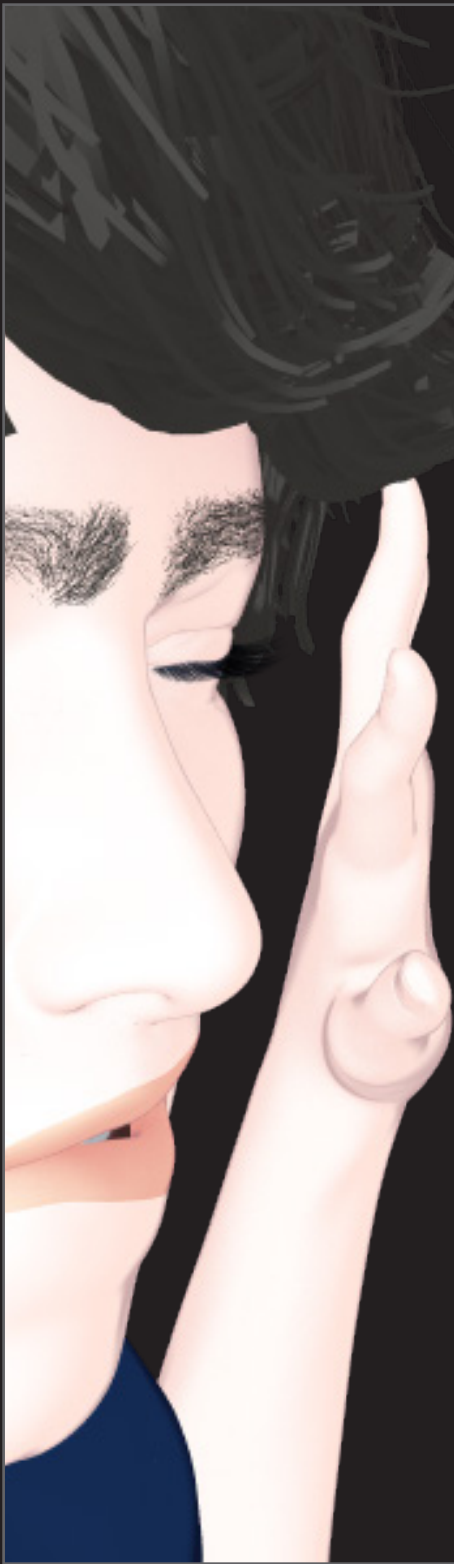

All those curves!

Everything looks amazing on her.

Stop it!

She's my stepmother!

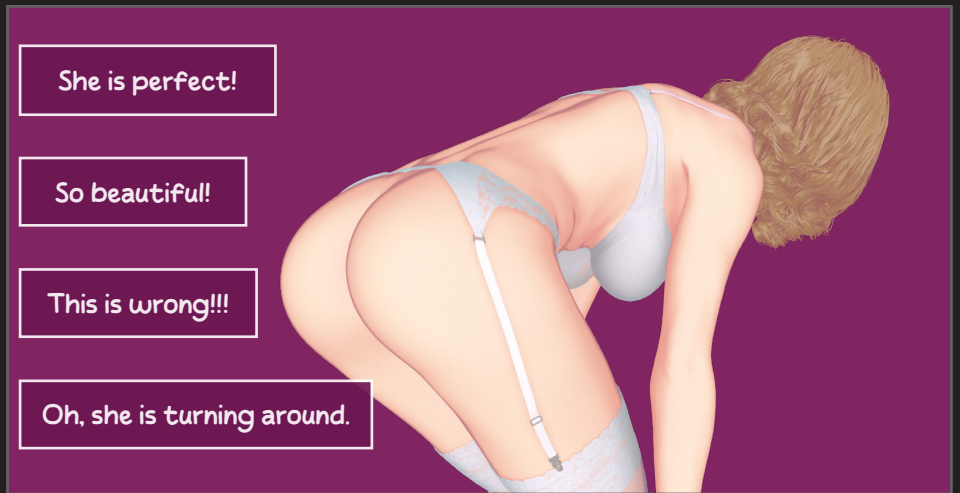

I can't look at her like this!!!

What am I doing?

This is wrong...

But, I want to see more!

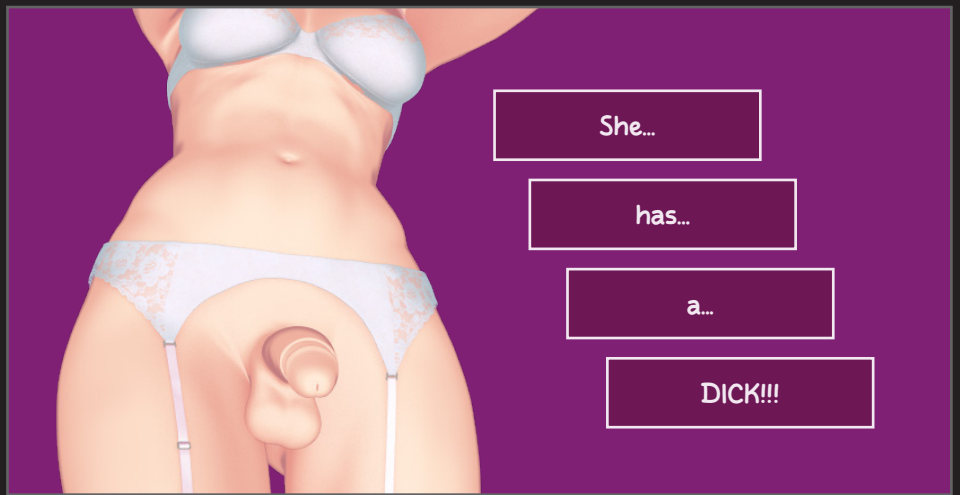

She is perfect!

So beautiful!

This is wrong!!!

Oh, she is turning around.

She...

has...

a...

DICK!!!

Look at the size!!!

And it's not even hard!

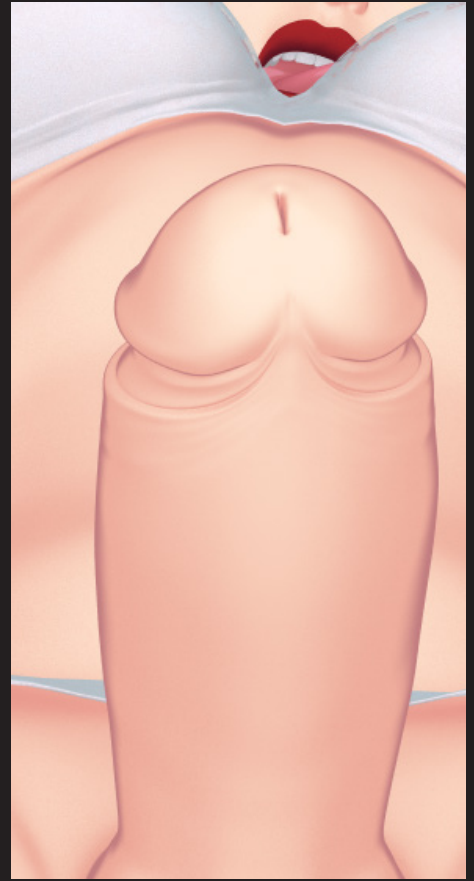

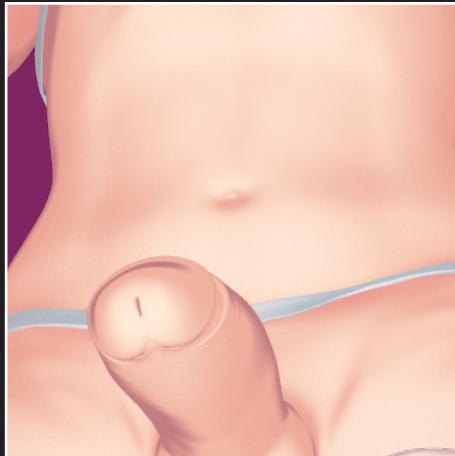

My stepmother has a beautiful cock!

I can't stop thinking about it!

I know you want to touch it.
Go ahead! Do it!

Why don't you put it in your lips?
Look how hard I am!

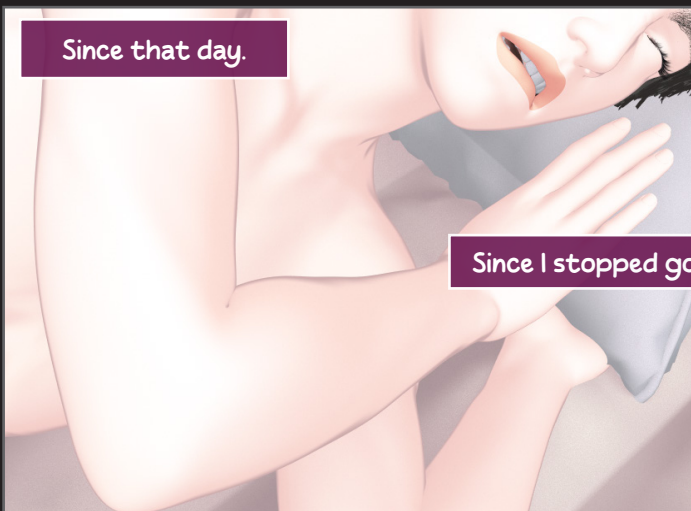

You shouldn't make your
stepmother this hard!

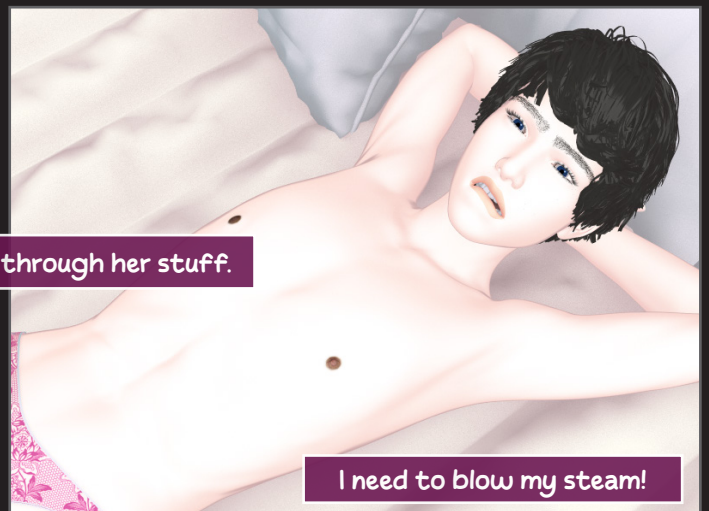

Oh no! I had a wet dream again!
It's always about her. Since that day.

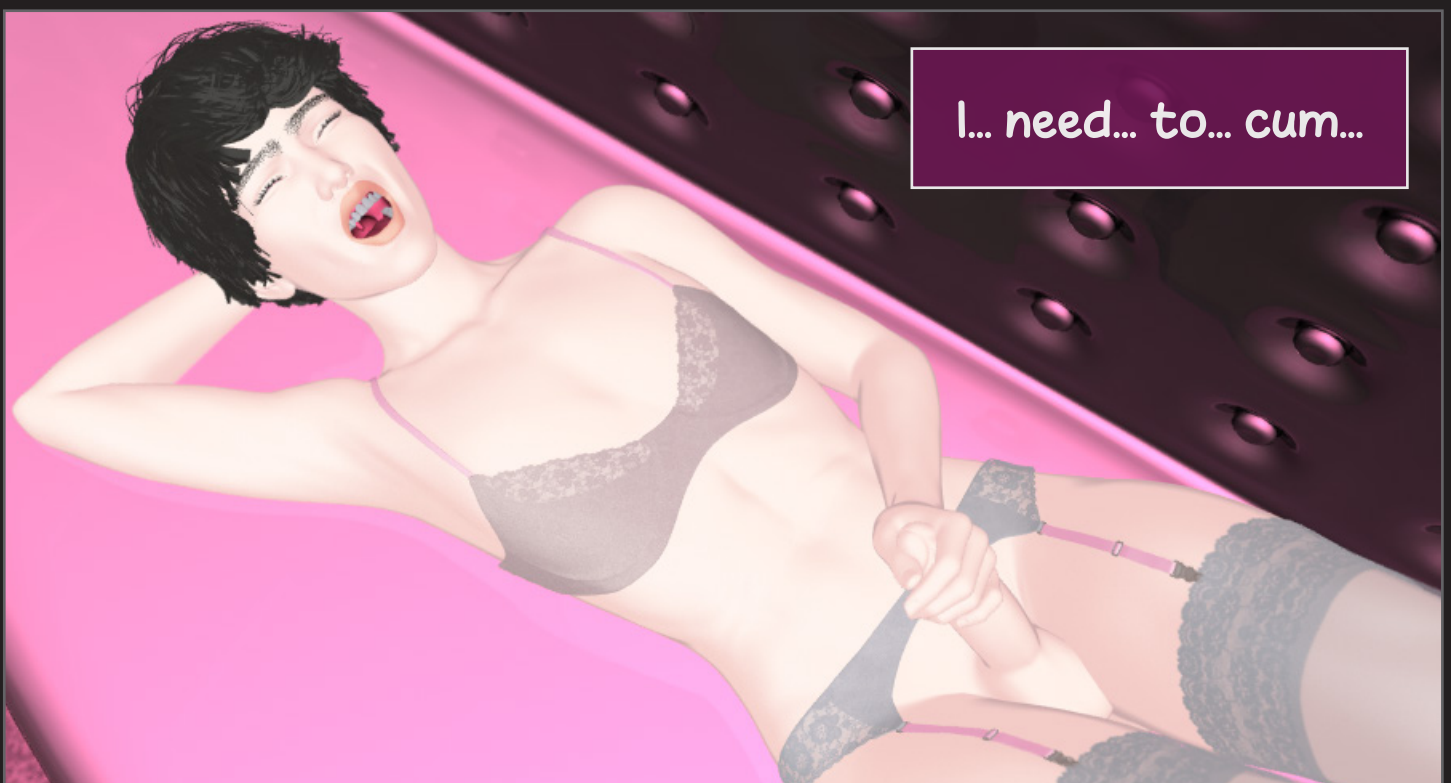

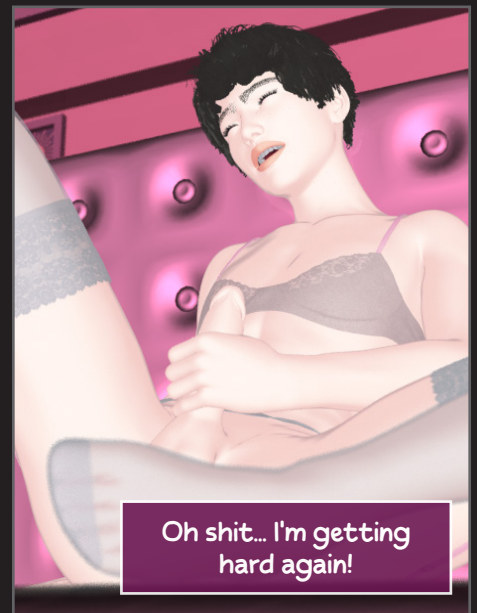

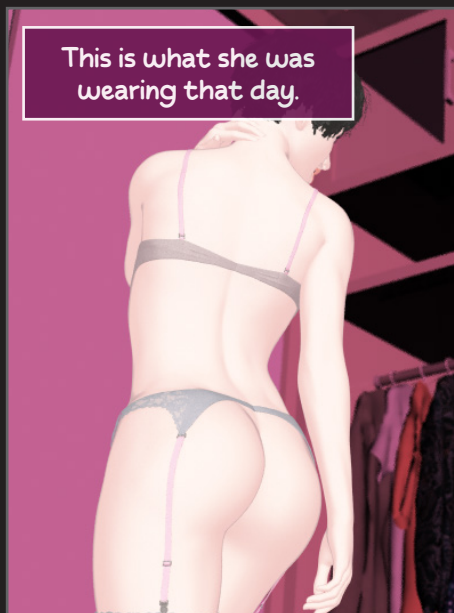

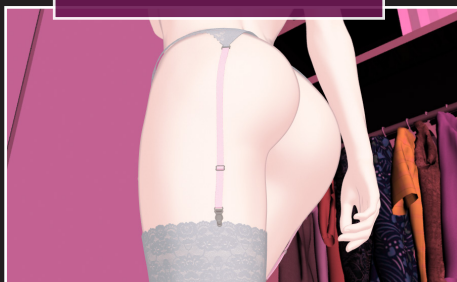

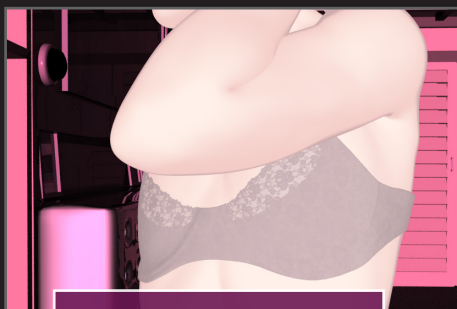

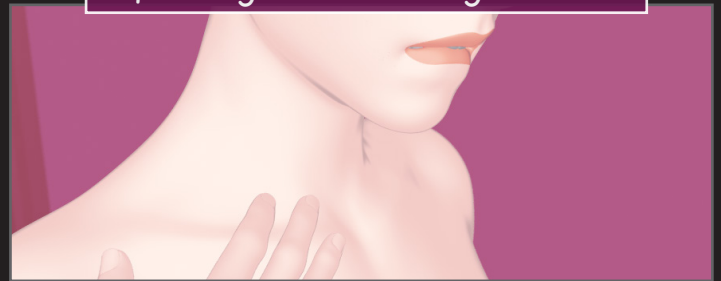

Since that day.

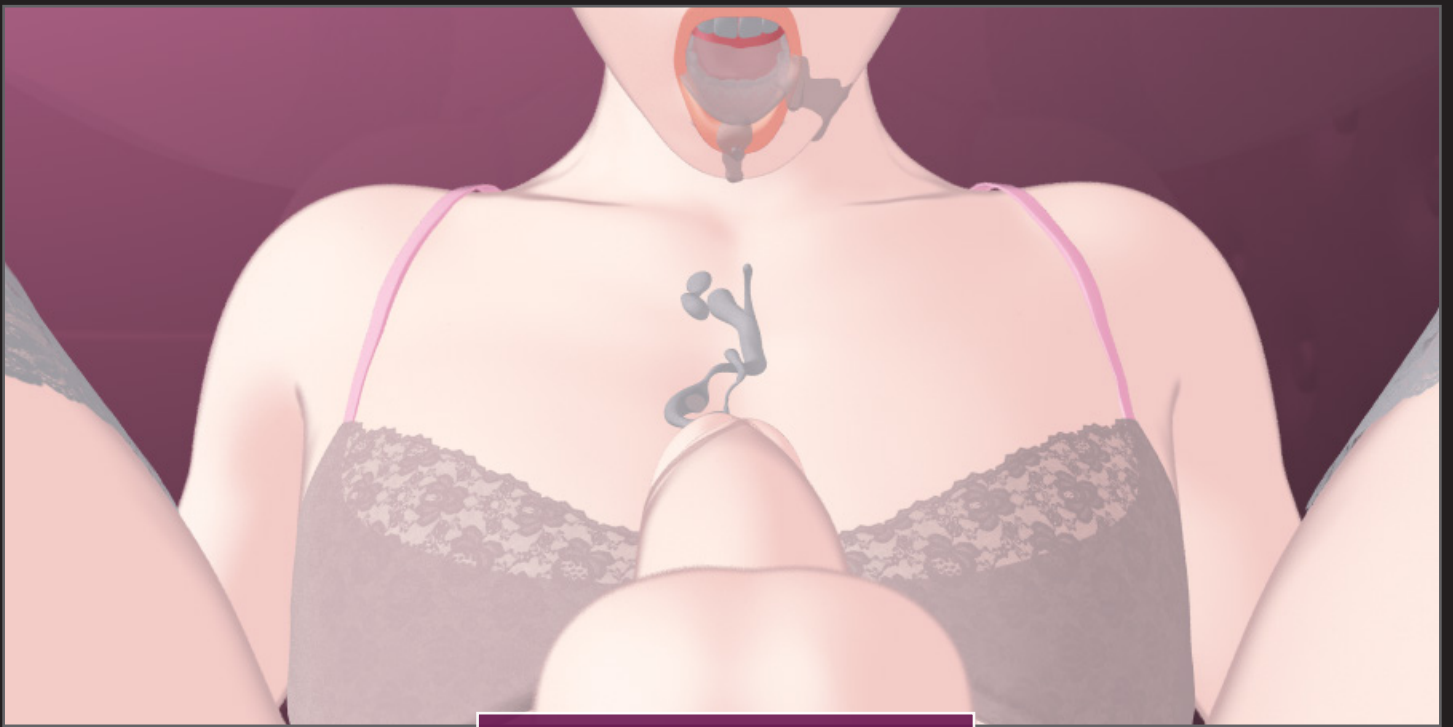

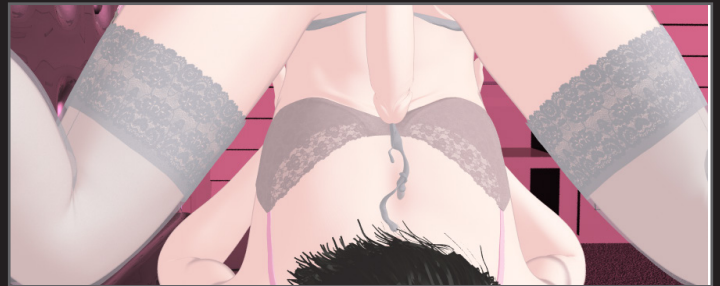

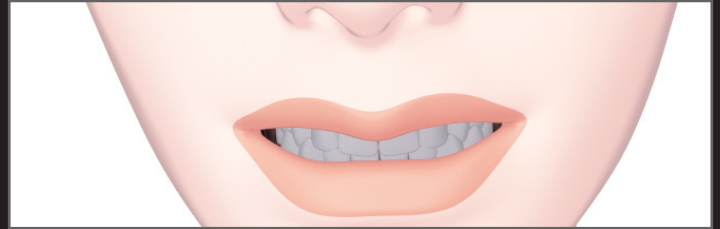

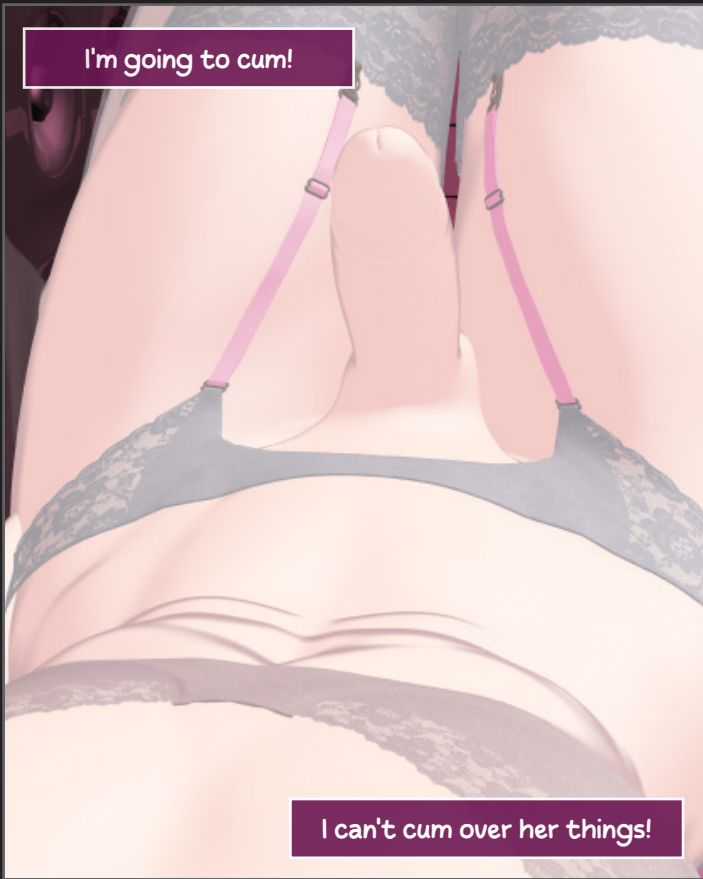

Since I stopped going through her stuff.

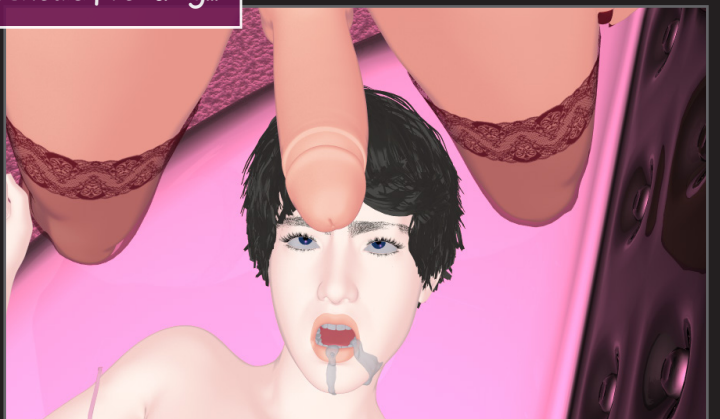

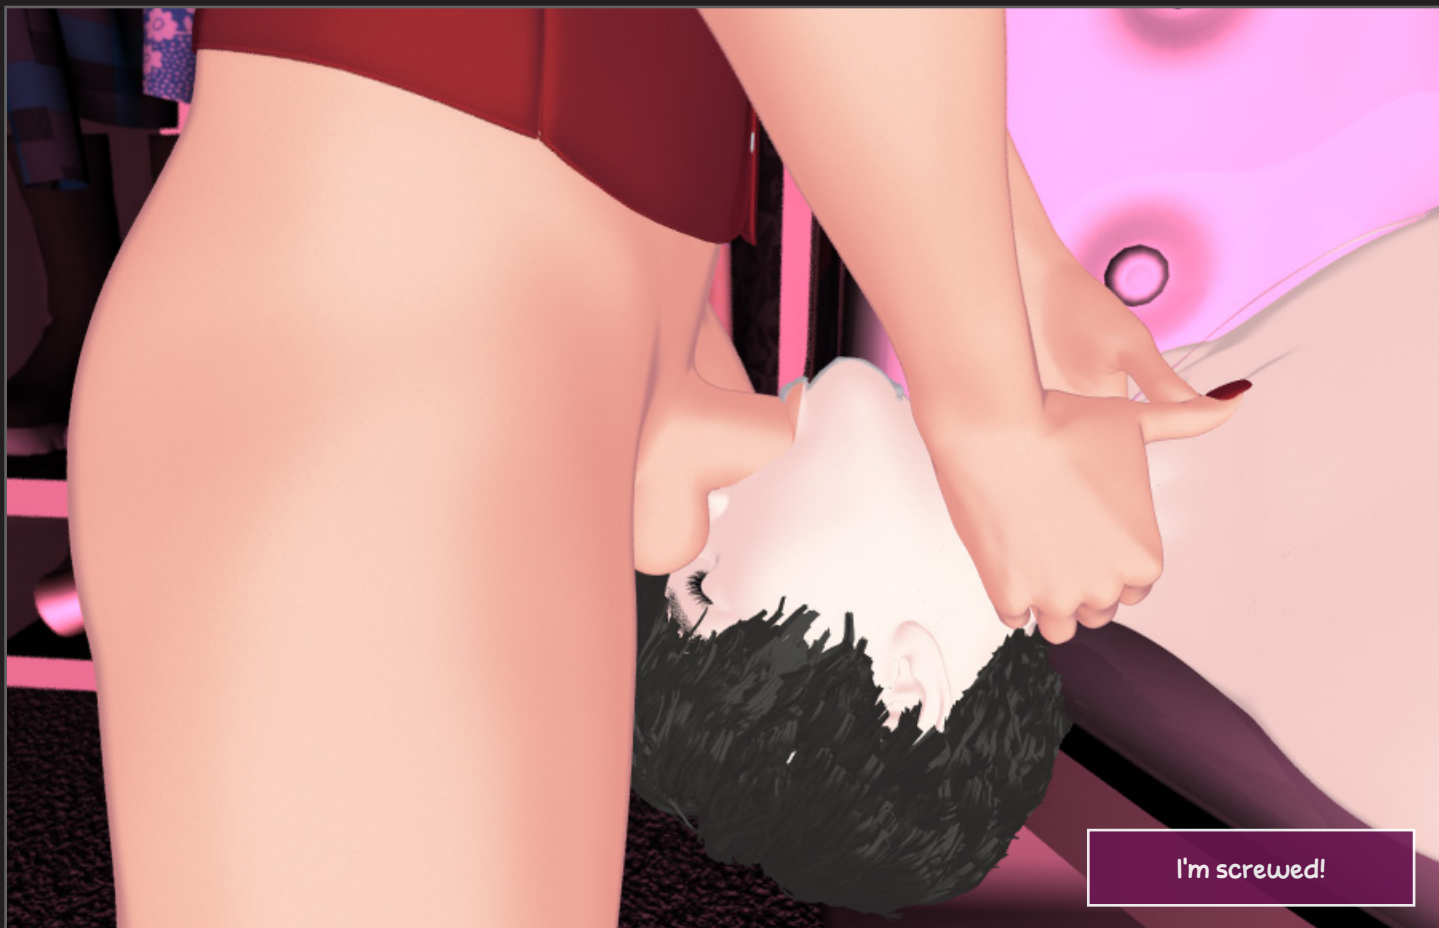

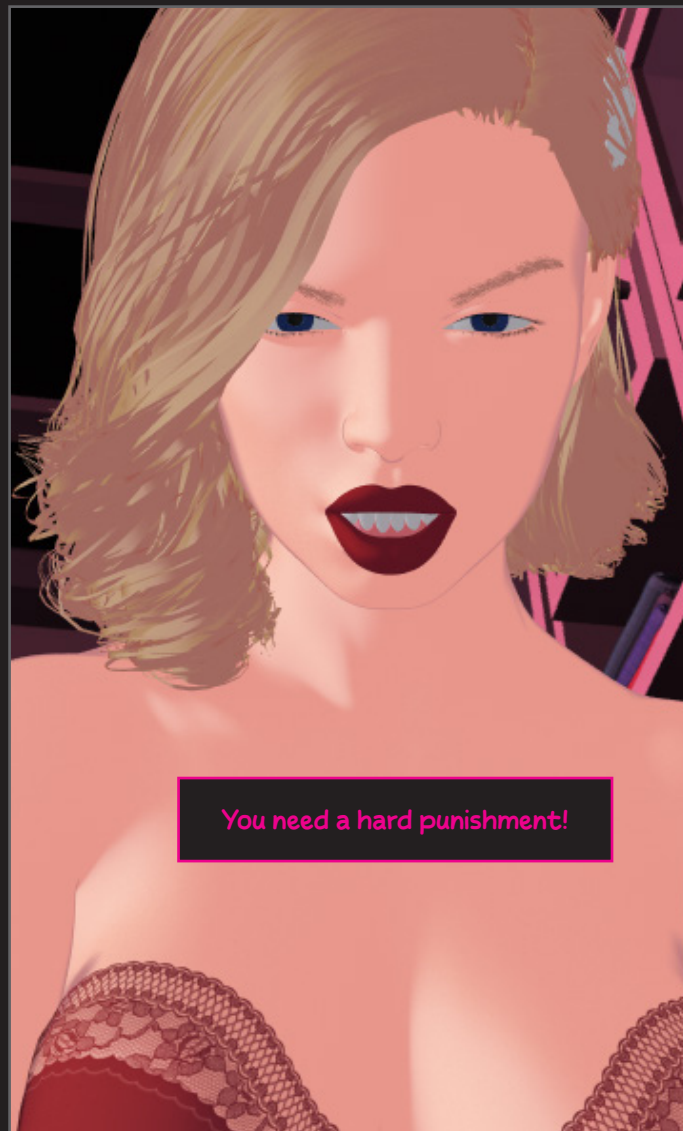

I need to blow my steam!

What have I done... I should probably...

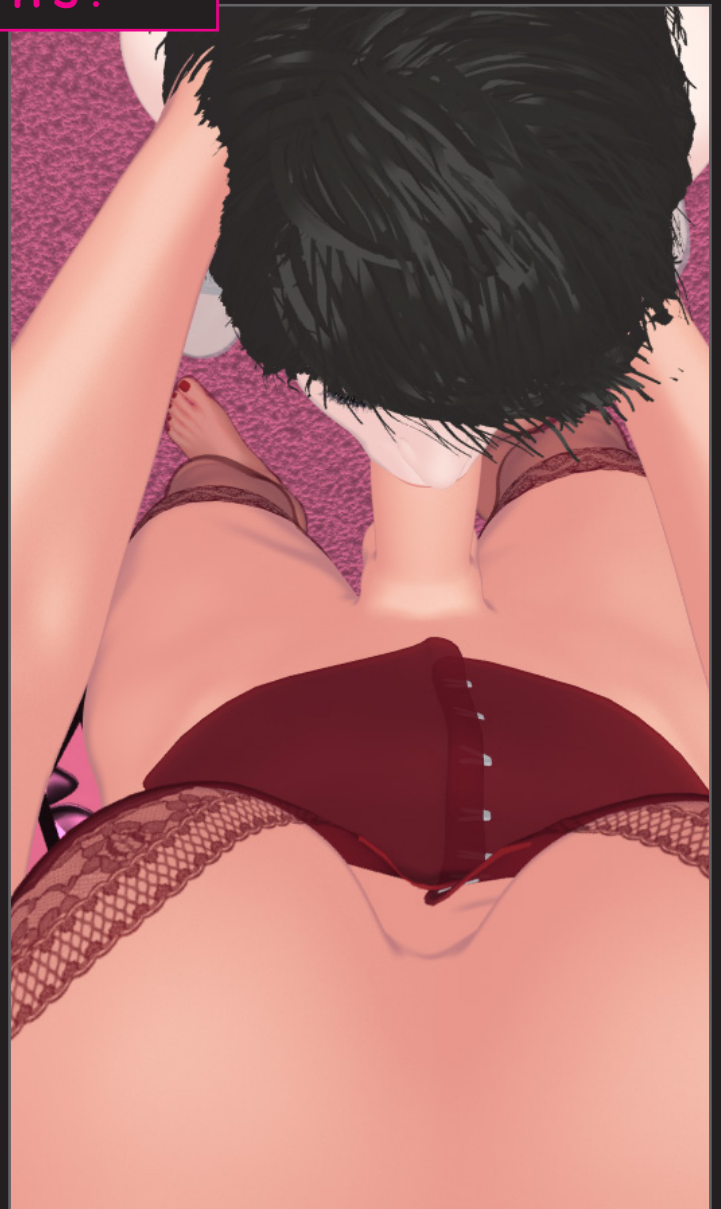

I knew you'd do it again.

I was once in your shoes...

It's addictive, isn't it?

You know what else is addictive?

DICKS!

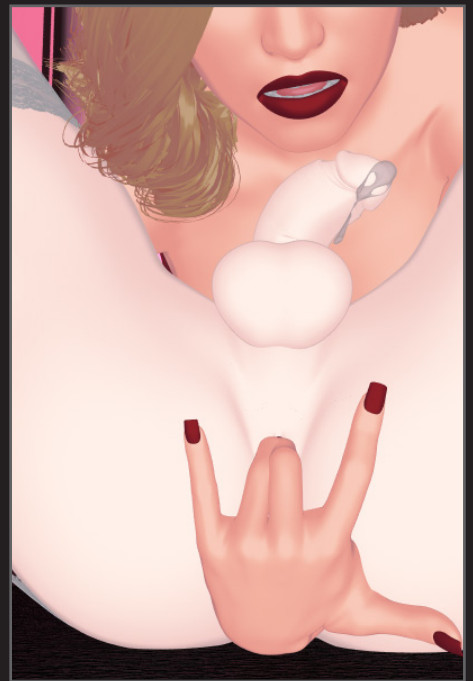

Don't worry...

This is our little secret!

Our dirty little secret!

I'm going to teach you a new way to pleasure yourself...

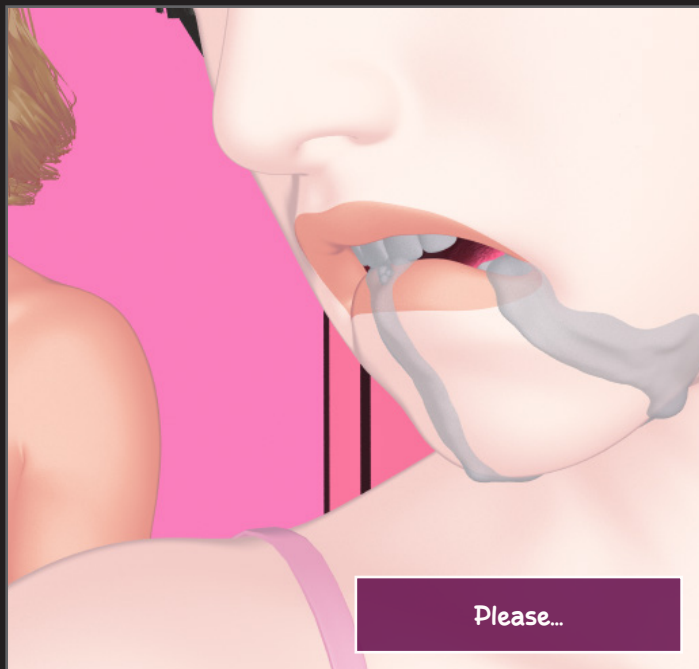

And believe me....

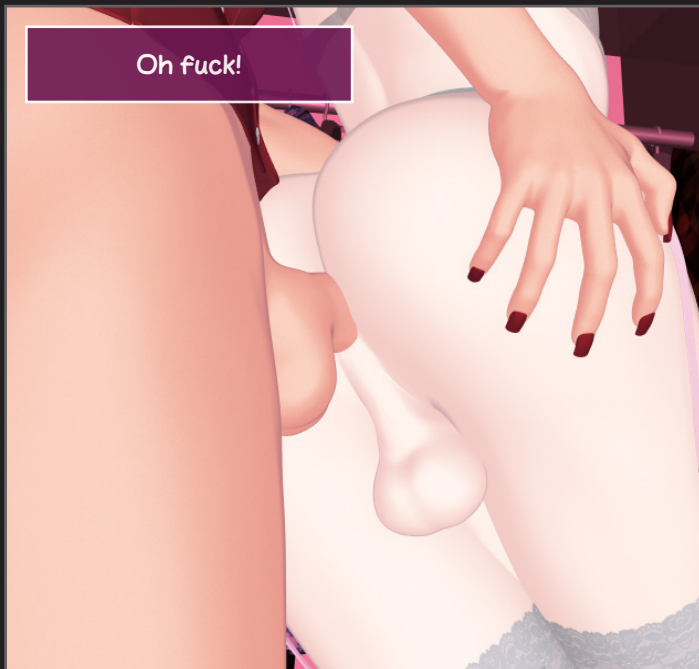

You're going to love it!

But... I'm a virgin!

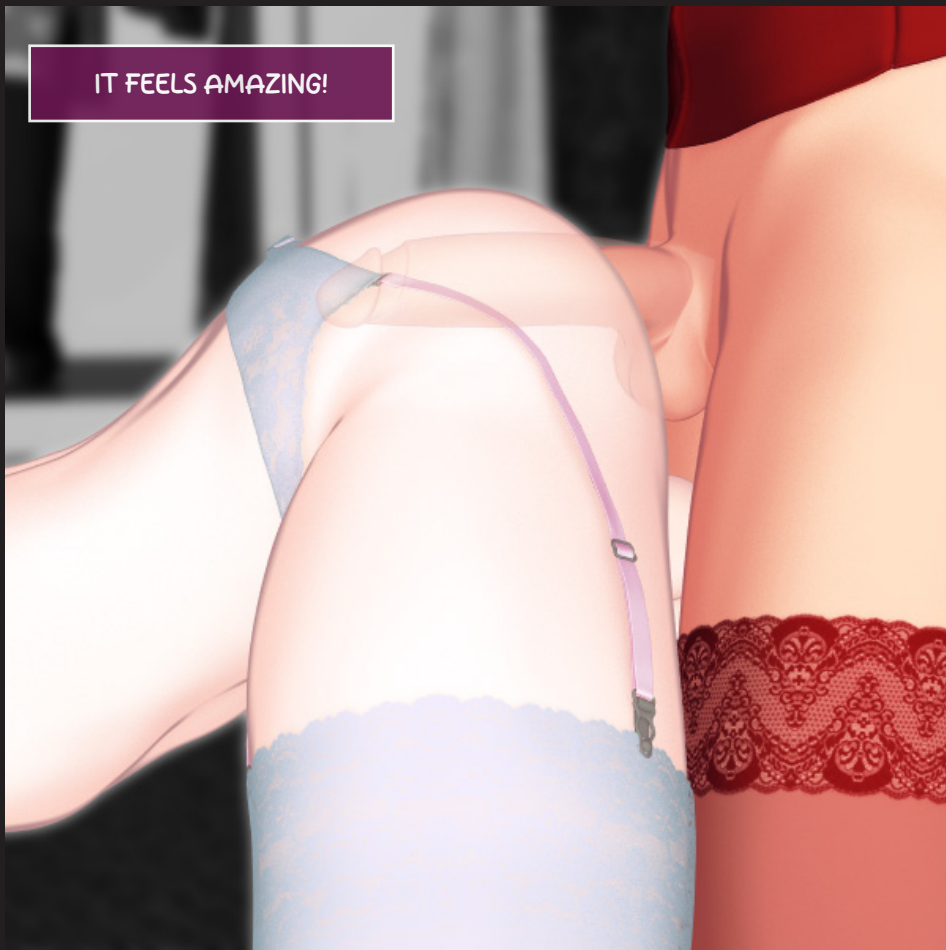

Please...

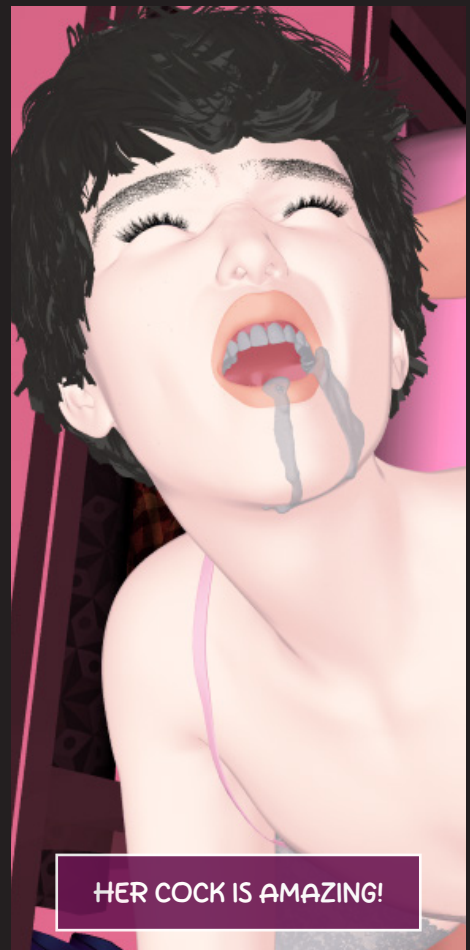

Oh fuck!

I can feel it inside of me!

IT FEELS AMAZING!

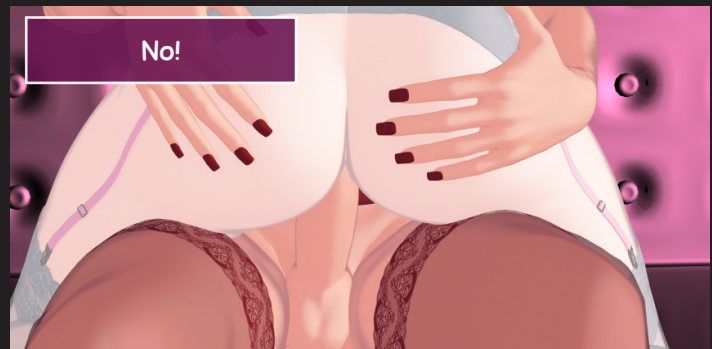

HER COCK IS AMAZING!

What is this feeling?

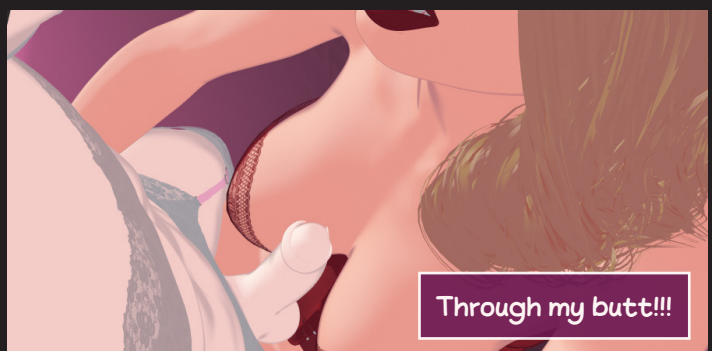

I'm dripping!

No!

I'm cumming!

Through my butt!!!

AAAAAAAAAAAAAAAAAAAAA!!!!

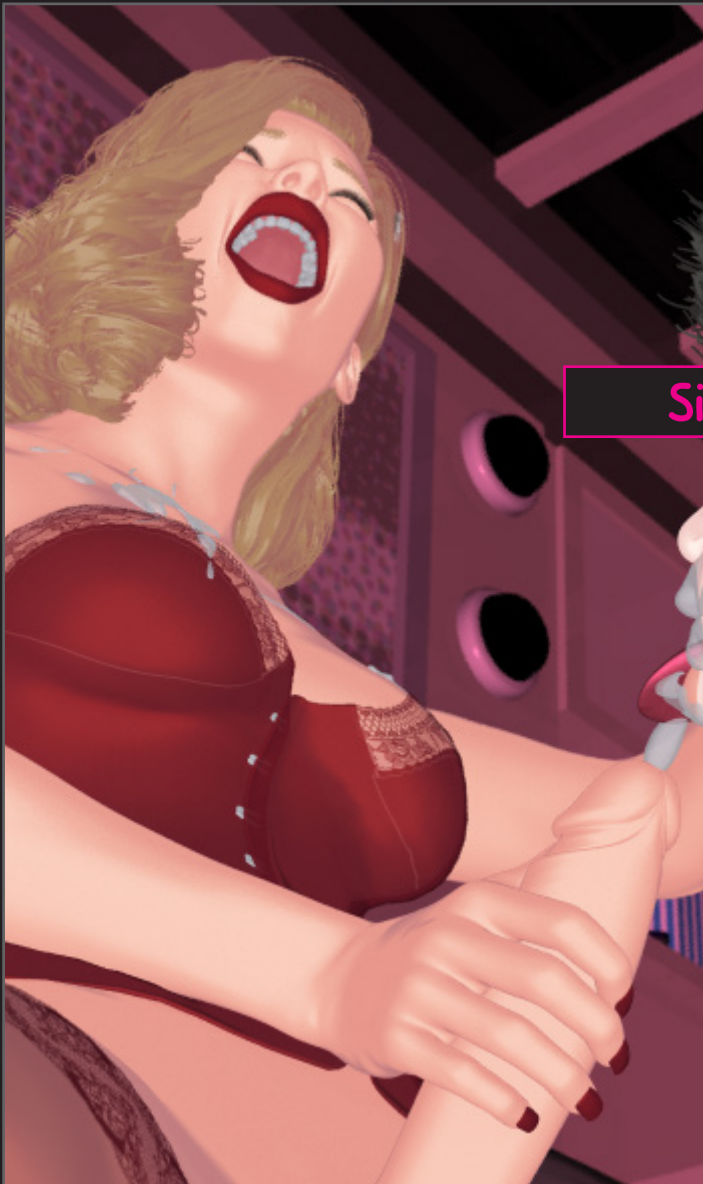

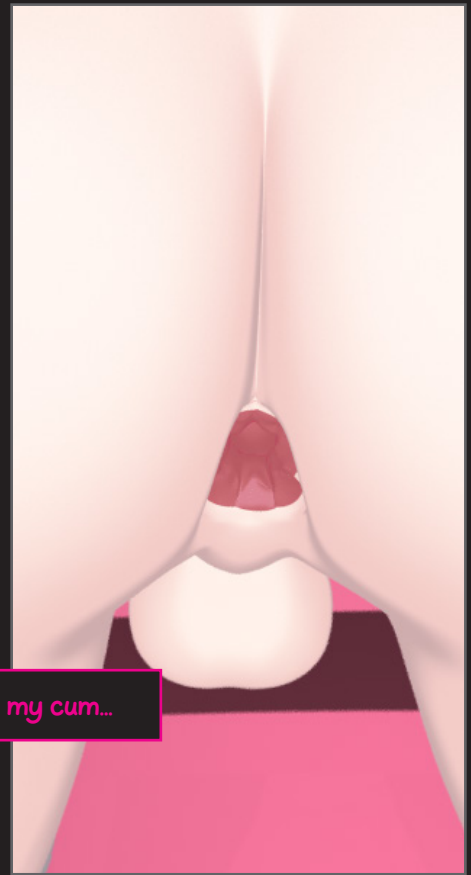

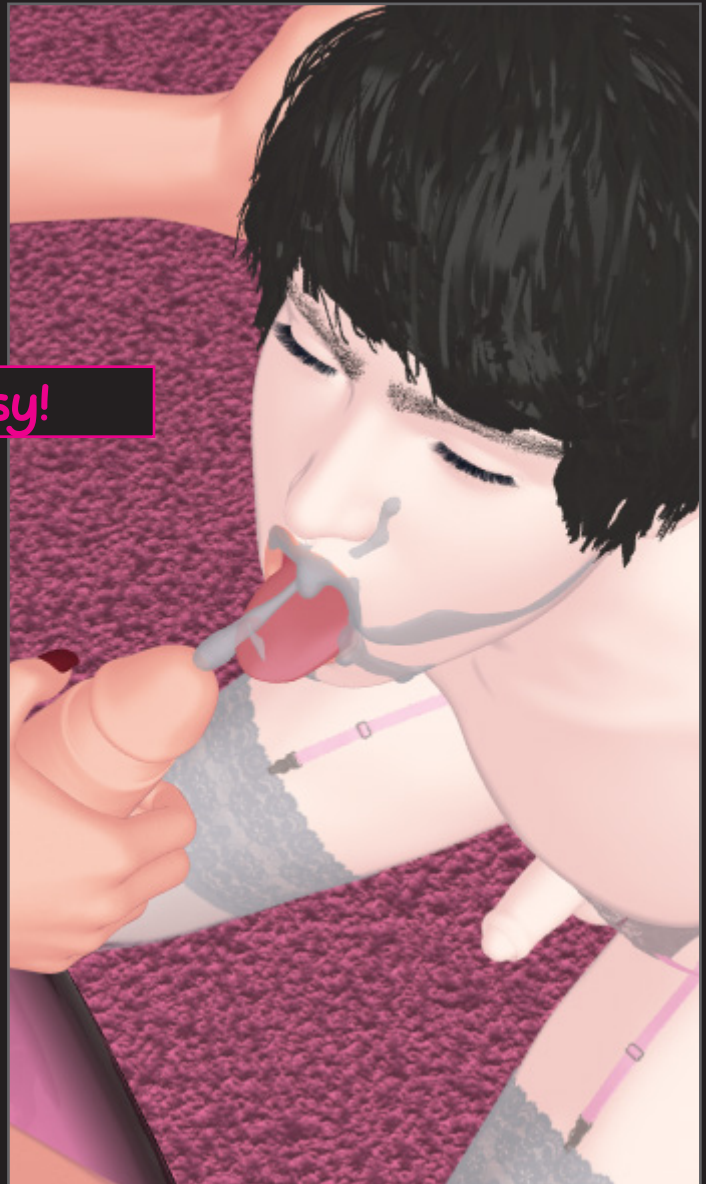

Your first sissygasm!

Now... Eat my cum...

Sissy!

I know you loved it...

Look at you!

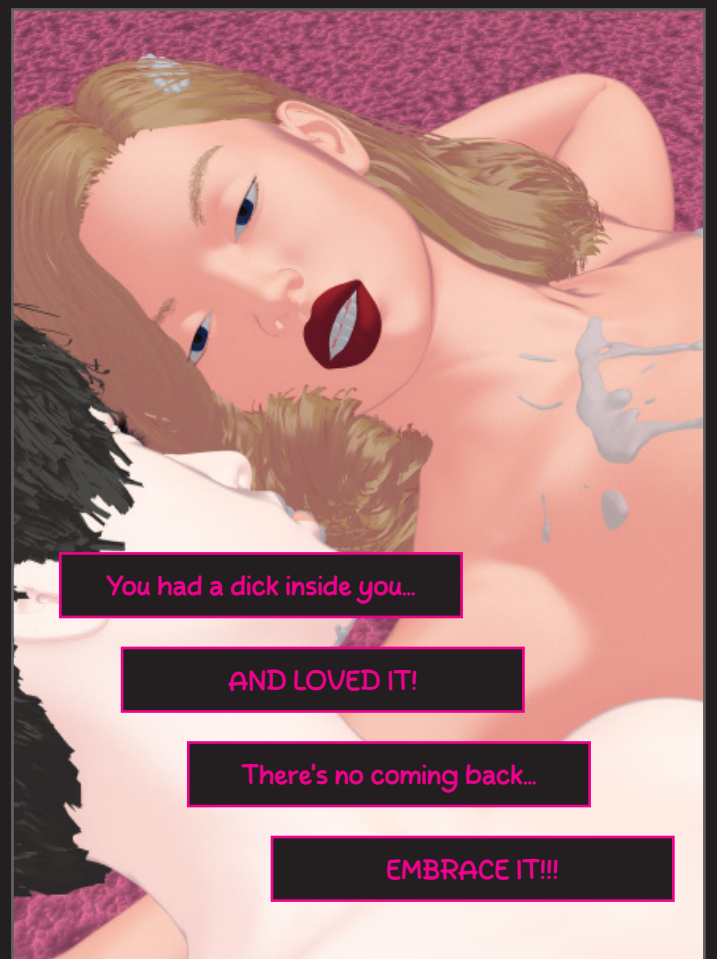

Don't worry...

I'll guide you to become what I am...

I don't know...

I... I'm confused...

You had a dick inside you...

AND LOVED IT!

There's no coming back...

EMBRACE IT!!!

Teach me...
