

Hey..

Hi..

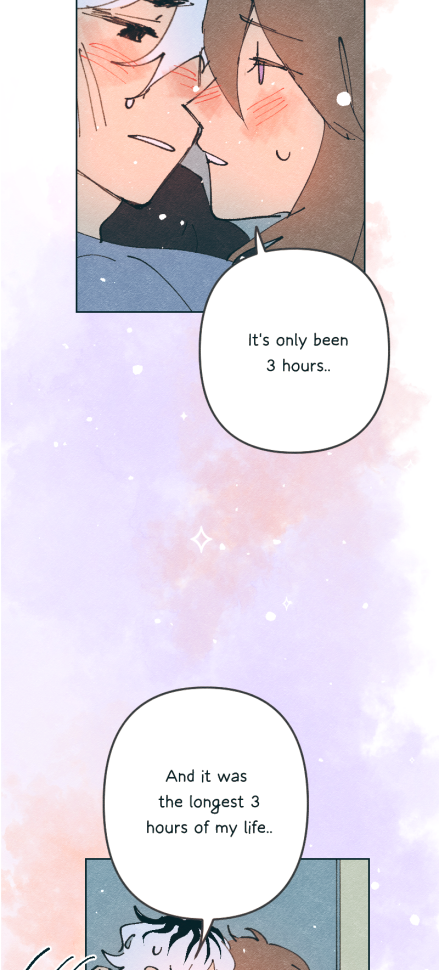

Is it done?

It's done.

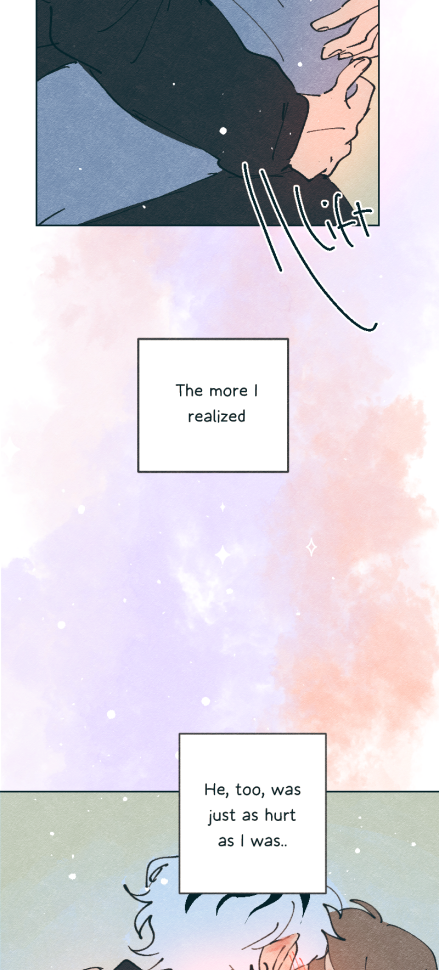

Did you wait long..?

Not really.. I took a nap.

Are you hurt anywhere?

No, I'm fine.

Are you sure- mph!

I missed you..

It's only been 3 hours..

And it was the longest 3 hours of my life..

So dramatic..

There was a time where I wished nothing but the worst for him

But the more I find out about his past..

The more I realized

He, too, was just as hurt as I was..

I felt his suffering.

I felt his heartbeat.

I felt his longing.

And it looked so much like mine..

How could I have ever wished harm on someone who loves me this much..?

This giant idiot whose heart beats for me

Who will drop everything he's doing just because I asked him to

This idiot who loves me so much

That he would rather swallow his feelings than risk losing me

I'm gonna get a change of clothes

This idiot who would rather love me in silence

than not be able to love me at all
