The background is a dark, futuristic indoor space. In the center is a large, metallic, rectangular structure with a glowing blue light emanating from its base. The floor is dark with some glowing blue lines. There are several blue, bushy plants scattered around. In the bottom center, two small, white, robot-like figures are visible. The overall lighting is dim, with the primary light source being the glowing blue elements.

You're on a roll!
New Speed Run Challenges are now available from CPU PLAZA.

YOU NEVER KNOWER'S WHY
I CATCH YOUR EYE
IT'S GOT YOU OVERLOOK
ALL THE CHOICES I TOOK
I SPEND ALL OF MY TIME
RECEIVING AND PRELUDING YOU
I LIKE TO SURPRISE
WITH MY VIRTUAL LIES,
I SIZE AND PROSTERIZE IMMATERIAL THINGS
WHAT I FABRICATE FOR YOU, FOR YOU...

YES I TESSELLATE AND ANIMATE
THESE BARKING SPARKLES
AND SUN-LIT SHIES FOR YOU.
I DO IT FOR YOU, I'M YOUR GPU.
TEND, I'M YOUR GPU.
TELL ME WHAT TO DO AND I'LL DO IT FOR YOU.
GPU TELL ME WHAT TO DO
YES I DO IT ALL FOR YOU.
