HURRY UP, MARLEY...IT'S FREEZING!

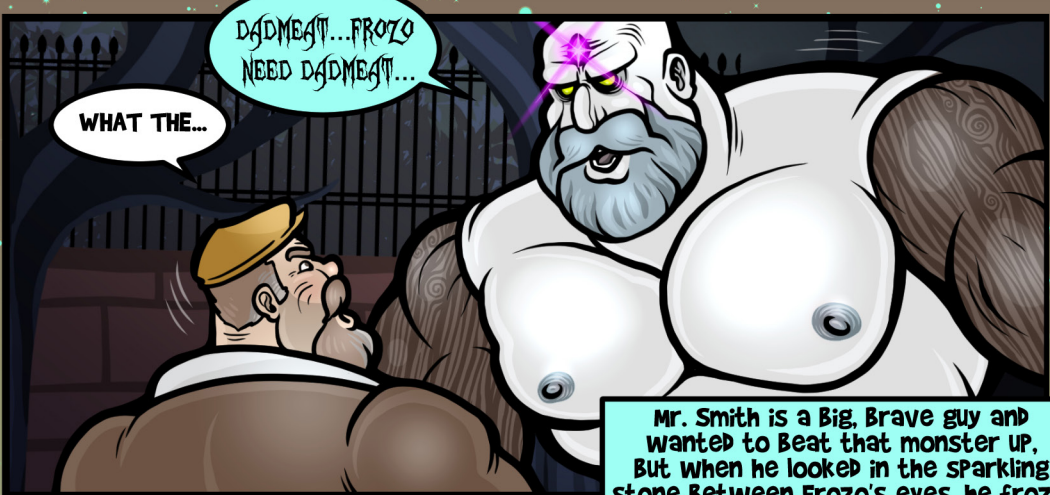

That dark, cold, winter night, Mr. Smith was walking his dog Marley in Butchmore Gardens, the Big City Park close to the Pilfwood District, where he was living with his family.

The man saw something huge moving behind him.

HEY!

DADMEAT... FROZO
NEED DADMEAT...

WHAT THE...

Mr. Smith is a big, brave guy and wanted to beat that monster up, but when he looked in the sparkling stone between Frozo's eyes, he froze.

Marley ran away, while Mr. Smith stood there, looking numb as he was hypnotized, and feeling insanely cock-hungry.

**HUMP!

Frozo fucked the man right there in the park. Mr. Smith was a Big man, but in Frozo's arm was like a tiny twink fucked by a huge Daddy Bear.

SHORP!

After a savage fuck, Frozo came inside and outside Mr. Smith's fat, hairy ass.

Then the monster started arousing the Beefy Daddy with his strong, wooden fingers, playing with his tits and swirling them in his sloppy hole, until the horny man came all over himself.

The Golem left the poor Daddy right there, still numb and covered in cum. His worn-out dabcunt pouring jizz and trembling to the freezing winter air. Who will be the next victim of Frozo's rampage?

That Dark, winter night Chef Bernard worked at his restaurant The Lodge til late.

He didn't notice the huge monster waiting for him, But when he realized it was too late!
