*Hello everyone. This is me...Cole. I am sure that you do not know me...nobody does, because I am the local egg head...or in short nerd, here on the campus. There are a few like me, but I am the top egg head. My life was...as most nerds can tell you...mostly normal until this day.*

*Oh, by the way: This is me... a regular day here on campus it is really quite boring for me so i often spend the time solving riddles or doing other intelligence testing activities...*

*But there are always things I do not see coming...and if I did I would be far to weak to block it...*

Is my homework done, Egghead?

Ughhhh!

# The mischievous Bimbo Genie

That is how very intelligent, but socially isolated computer fans, or should i say: Nerds...Some one like me got treated every day...

I'm sure you don't want me to fall through the school year, right?

Tom...\*sigh\*

So as usual. Put my homework into my mailbox. And if I'm not at home, don't ring the bell...

teehee... oh yea like totally... we will have sooo much fun.

Cassy here and I want to have some privacy.

Tom-boy... name is Tina...not Cassy. \*giggle\*

Tina, eh? Who cares... Cassy was a good fuck like you.

...and of course those guys always got the hottest babes...and what do I get?

# The mischievous Bimbo Genie

...but all this will change very soon...but right now I did not realize how my future will be changed in this moment...

Well...the life of a Nerd...but one day...

Wow...what for a nice piece of work...

It looks... antique. It would fit into my live stream as fun prop...

# The mischievous Bimbo Genie

But even nerds don't hesitate long when they see something that arouses their interest.

And then, when an inexplicable phenomenon suddenly occurs, they look for logical answers...

**\*sigh\***  
**Another mortal?**  
**Very well...I am the**  
**Djinn of the Lamp ...**

Fascinating.  
A Djinn? You...I thought you  
Guys only existed in fairy tales  
from the Orient.

**Um... no?**  
**I'm standing here, so I'm**  
**not a fairy tale. So... shall I**  
**now fulfill your wishes by**  
**singing and dancing**  
**for you?**

Sure, but first I want  
to know your name, Djinn.

**What?**  
**Really? You disturb me from**  
**watching the final episode of**  
**„Swami's next Topmodel“ just**  
**to know my name?**

Yes, this is a  
question of courtesy.

**\*sigh\***  
**Very well...my name is...**  
**um...was...I can't remember. I**  
**had one once...but nobody**  
**ever asked.**

Okay, okay...  
and how many wishes  
do I have?

# The mischievous Bimbo Genie

**Look Mortal,  
Normally, I fulfill three  
wishes and the contract is  
considered fulfilled.**

**But when I look around here,  
I suggest something to you. As long as  
your desires don't bore me, you die, or change  
world history, I'll grant you as  
many desires as you like.**

**If you fail  
I vanish. So...do we  
have a deal?**

*The legends say that  
you can't trust a djinn. They  
like to twist the wishes.*

*I have to  
be careful how I formulate  
my wishes.*

*On the other hand...  
I could have my revenge...  
and some improvements.*

*Okay, Djinn...  
we have a deal.*

# The mischievous Bimbo Genie

**You have interesting taste in woman, Mortal. I have never seen women with such big breasts.**

Well...thank you Djinn. And I already know what my first wish will be.

I often feel inhibited to talk openly with men. So I wish that you were a woman who fits my taste and fullfil my wishes.

**Interessting choice, Mortal. Granted!**

**But don't faint. You have never had a woman so close to you.**

# The mischievous Bimbo Genie

*Even for me  
it feels...fascinating you  
should know...*

*Female Breasts  
are not only for enjoyment...  
they are so important for humankind. But  
a college of mine put his personal home  
into one females breast...as his powers  
grew, her boobs grew too.*

*Ah yes...  
a tight pussy...waiting for  
more...but not for you mortal.  
You can only watch, but  
not touch.*

# The mischievous Bimbo Genie

*Wish done,  
Master...Do you have  
another wish?*

That  
was unexpected Djinn...  
but I think now with this look the  
name Jenny would suit  
you well.

Djinn in female  
would be Djinni...or for  
todays terms...Jenny.

*That is not a wish,  
but I accept the name...  
for now.*

You know, Jenny,  
I really want to trust you.  
But my trust has been betrayed  
many times.

*\*gulp\**  
*But it is my nature,  
Master. A Djinn has  
to be mischivious!*

My last wish  
for today, Jenny. I wish that,  
everytime you try, or think about  
twisting my wishes...your body and mind  
will become a little bit more  
like a sluty, empty minded  
Bimbo with huge curves

*Granted...  
Master.*

Good night, Jenny. Oh and about  
touching you...I can wait. There WILL  
be a time where YOU will want  
to be touched.

Like all the  
fools who mobbed me. They  
will all be my slutty  
fuck dolls. hehe

And while Jenny indulges in her thoughts, Cole sleeps the sleep of the righteous. And finally, the next morning... begins with entering the school, the usual routine.

Hey look...  
there's our homework  
coming to us...

Listen Clyde!  
Come over here before we  
come to you...where is our  
homework you did  
for us?

Tom, he is called  
Cole...not Clyde.

I don't care  
what this clown's name is, Josh.  
He is an egghead. Nobody  
cares about that piece  
of shit.

# The mischievous Bimbo Genie

*Master, these people seek to harm you for their pleasure, how about we change that?*

Good idea, Jenny. Let's start with my old childhood friend Dick...he betrayed my friendship years ago.

I wish that he would turn into a strongly cum addicted Girl, that every time, she drinks cum become more and more a Cumslut Bimbo, with huge tits, wide hips... the whole package.

Oh, is he ignoring us?

*Granted, Master.*

# The mischievous Bimbo Genie

I think I must have eaten something bad guys!

Dick...you run like a Girl!?

Yo, man, is it just me or does his shirt looks larger...I mean then usual...

These are...argh... stomach cramps! I'll... urk...see...

...you later. I need to get to a toilet now!

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Hole shit! Damn!  
My body! After all those hours of exercising  
to lose weight and gain muscles it's  
finally paying off...

Though why am I getting  
a boner in this situation?
