Attorneys for Plaintiff

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK**

WATCH TOWER BIBLE AND TRACT SOCIETY OF  
PENNSYLVANIA,

Plaintiff,

-against-

THE TRUTH AND TRANSPARENCY FOUNDATION,  
RYAN C. McKNIGHT, and ETHAN G. DODGE,

Defendants.

**No. 20-cv-3366**

**COMPLAINT**

Plaintiff Watch Tower Bible and Tract Society of Pennsylvania, by its attorneys, Cowan, Liebowitz & Latman, P.C., for its Complaint against Defendants The Truth and Transparency Foundation, Ryan C. McKnight, and Ethan G. Dodge alleges:

**NATURE OF THE ACTION**

1. This is a civil action for copyright infringement in violation of the Copyright Act, 17 U.S.C. § 101 *et seq.* This litigation seeks relief against the ongoing wholesale infringement of

Plaintiff's registered copyrights in 74 original motion pictures. Defendants, without authorization or permission from Plaintiff, have made unauthorized copies of Plaintiff's motion pictures, and are reproducing, publicly displaying, publicly performing and distributing Plaintiff's works online. Plaintiff, accordingly, seeks injunctive relief and statutory damages for willful copyright infringement.

### **PARTIES**

2. Plaintiff Watch Tower Bible and Tract Society of Pennsylvania ("Watch Tower") is a Pennsylvania non-profit corporation with its principal place of business at 200 Watch Tower Drive, Patterson, New York 12563.

3. Upon information and belief, Defendant The Truth and Transparency Foundation ("TTF") is a Nevada non-profit corporation with its principal place of business at 109 Cascade Meadow Court, Henderson, Nevada 89011.

4. Upon information and belief, Defendant Ryan C. McKnight ("McKnight") is an individual residing in Henderson, Nevada. Mr. McKnight is the President and Executive Director and a founding owner of TTF.

5. Upon information and belief, Defendant Ethan G. Dodge ("Dodge") is an individual residing in Pleasant Grove, Utah. Mr. Dodge is the Secretary and Technical Director and a founding owner of TTF.

6. Upon information and belief, McKnight and Dodge had and still have primary responsibility for the control, management and operation of the affairs of TTF, with the right and ability to supervise the infringing activities complained of in this Complaint.

7. Upon information and belief, Defendants, while engaging and participating in the unlawful acts set forth herein, were agents of and collaborators with one another.

8. Upon information and belief, Defendants operate and control websites located at *www.faithleaks.org* and *www.truthandtransparency.org*.

### **JURISDICTION AND VENUE**

9. This Court has original jurisdiction over claims arising under the Copyright Act pursuant to 28 U.S.C. §§ 1331 and 1338.

10. Venue is proper in this judicial district pursuant to 28 U.S.C. § 1391(b) and (c).

11. This Court has personal jurisdiction over Defendants because, on information and belief, Defendants, in person or through an agent,

(a) have transacted business, and have offered to supply goods, in New York, including through their interactive website located at *truthandtransparency.org*, on which merchandise is offered for sale to, and donations solicited from, New York residents; and/or

(b) have committed tortious acts both within and outside New York, causing injury to Watch Tower in New York.

### **FACTUAL BACKGROUND**

12. Watch Tower over decades has created and published thousands of original works of authorship, including literary works, works of visual art, musical works, and motion pictures, and has secured over 3,300 federal copyright registrations for its original works. Under the Copyright Act, Watch Tower has the exclusive rights, among other things, to “reproduce the copyrighted work[s],” to “distribute copies or phonorecords of the copyrighted work[s] to the public,” and in the case of its “motion pictures and other audiovisual works, to perform the copyrighted work[s] publicly,” as well as to authorize or license others to engage in such

activities. 17 U.S.C. § 106.

13. In mid-2018, Watch Tower learned that 487 of its copyrighted literary works were being reproduced, displayed and distributed without license or permission by Defendants on the *faithleaks.org* website.

14. On December 31, 2018, Watch Tower's counsel notified Defendants that their unauthorized publication of Watch Tower's literary works on the *faithleaks* site was in violation of Watch Tower's exclusive rights under the Copyright Act, and demanded that such infringing materials be removed from the *faithleaks* site.

15. Defendants, through counsel, declined Watch Tower's demand that its literary works be removed from the *faithleaks* site. Defendants did not contest Watch Tower's ownership of valid copyrights, or its *prima facie* case of infringement of those copyrights, but instead asserted "the defense found in 17 U.S.C. § 107," claiming that Defendants' wholesale reproduction and distribution of complete works, unaltered and unaccompanied by new matter, was protected as fair use.

16. In May 2019, Watch Tower learned that a large number of motion pictures created by Watch Tower, including the 74 motion pictures at issue here, had been uploaded to and made available for public performance on Rutube, a Russian online video streaming service located at *rutube.ru* and available to users worldwide.

17. Watch Tower submitted to Rutube notices of claimed infringement, objecting to the unauthorized posting of its copyrighted works on the Rutube site and demanding their removal. In response, Rutube removed the Watch Tower videos from its site.

18. Shortly thereafter, Defendants posted the Watch Tower videos that had been "taken down" from Rutube to Defendants' *faithleaks.org* site.

19. In a May 2019 article titled “2019 Jehovah’s Witness Convention Videos Published Again After Successful Takedown Request,” published on Defendants’ *truthandtransparency.org* website, Defendants boasted not only about their past infringements and refusals to comply with Watch Tower’s efforts to enforce its copyrights, but also about these new infringements, leaving no doubt as to Defendants’ willfulness.

20. The Watch Tower videos remain available on the *faithleaks* site to the present day.

**WATCH TOWER’S COPYRIGHTED MOTION PICTURES  
AND DEFENDANTS’ INFRINGEMENTS**

21. (a) In 2018, Watch Tower created, in-house, an original video motion picture titled “Be a Courageous ... Pioneer.” Watch Tower’s copyright in the “Be a Courageous ... Pioneer” video has been duly registered with the United States Copyright Office under Registration No. PA0002121393, with an effective date of May 18, 2018.

(b) Defendants have unlawfully copied, reproduced, publicly displayed, publicly performed and distributed Watch Tower’s “Be a Courageous ... Pioneer” video on Defendants’ “Faith Leaks” website, at the URL [https://faithleaks.org/wiki/index.php?title=File:2017-No\\_23-Be\\_a\\_Courageous%E2%80%94Pioneer-Video\\_1.mkv](https://faithleaks.org/wiki/index.php?title=File:2017-No_23-Be_a_Courageous%E2%80%94Pioneer-Video_1.mkv), where it is available, in its entirety and without alteration, for public performance and for further reproduction and distribution via download, without restriction:
