

This is what his runners cuff looks like, thick brass with a fitbit clock on its face.

Really basic, combing them results in a thin, single hand cutter like trimmer.

Basic binoculars

Warehouse roofs

The car hauler

Envision the target warehouse to look like, maybe half the size.

Warehouse interior. Envisioned with office area on upper platform, much taller and larger building

shutterstock.com · 1327906592

Paint room - larger with a secondary door on one side and a powered garage door.
