

Jisoo has a  
girlfriend

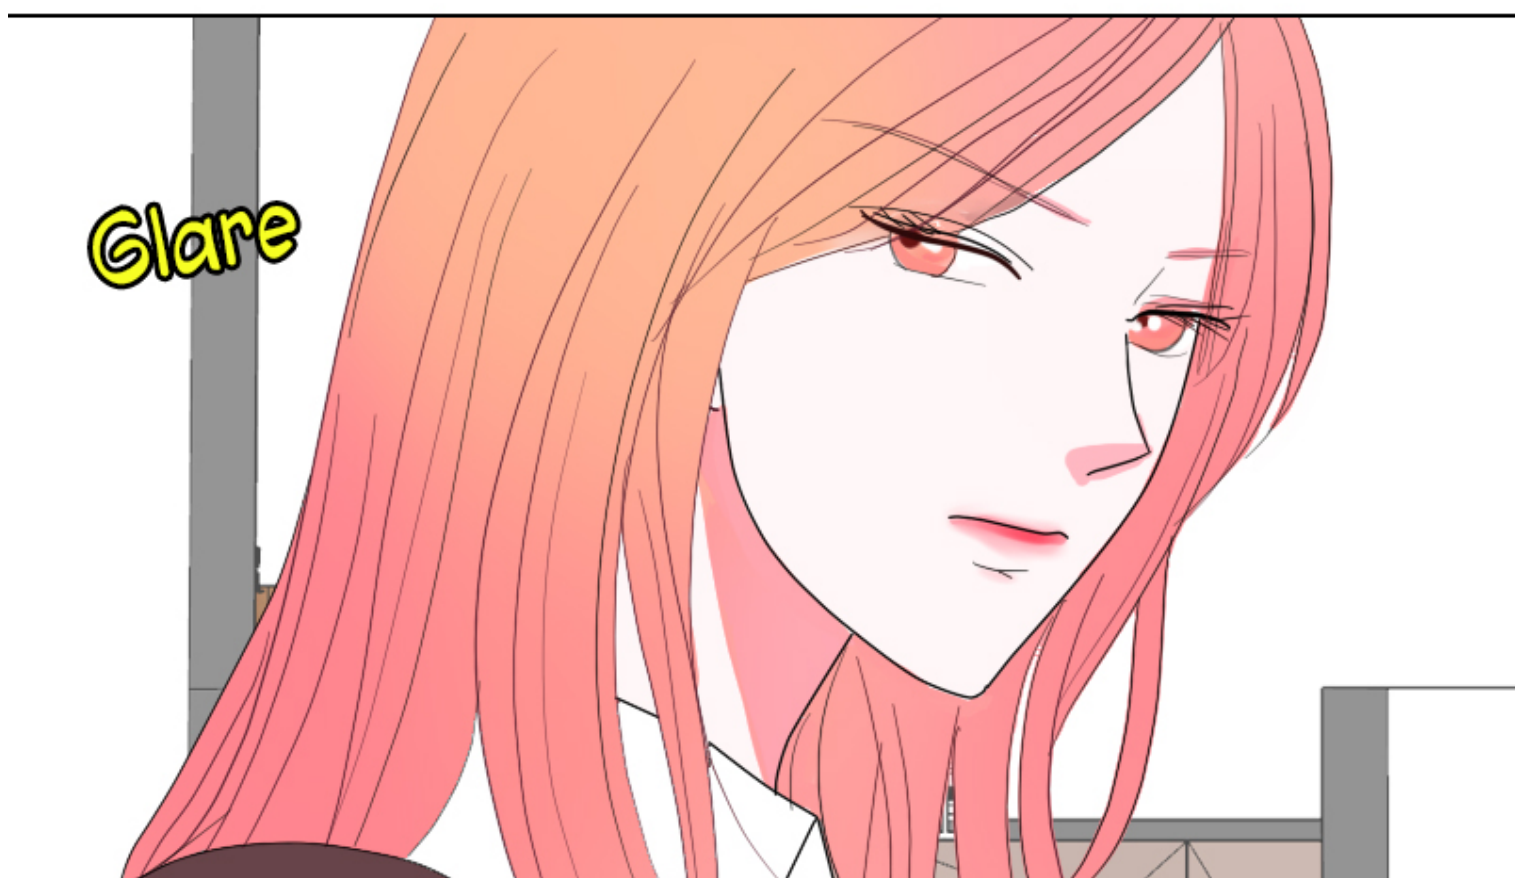

Who is it?

Oh?  
Girlfriend?

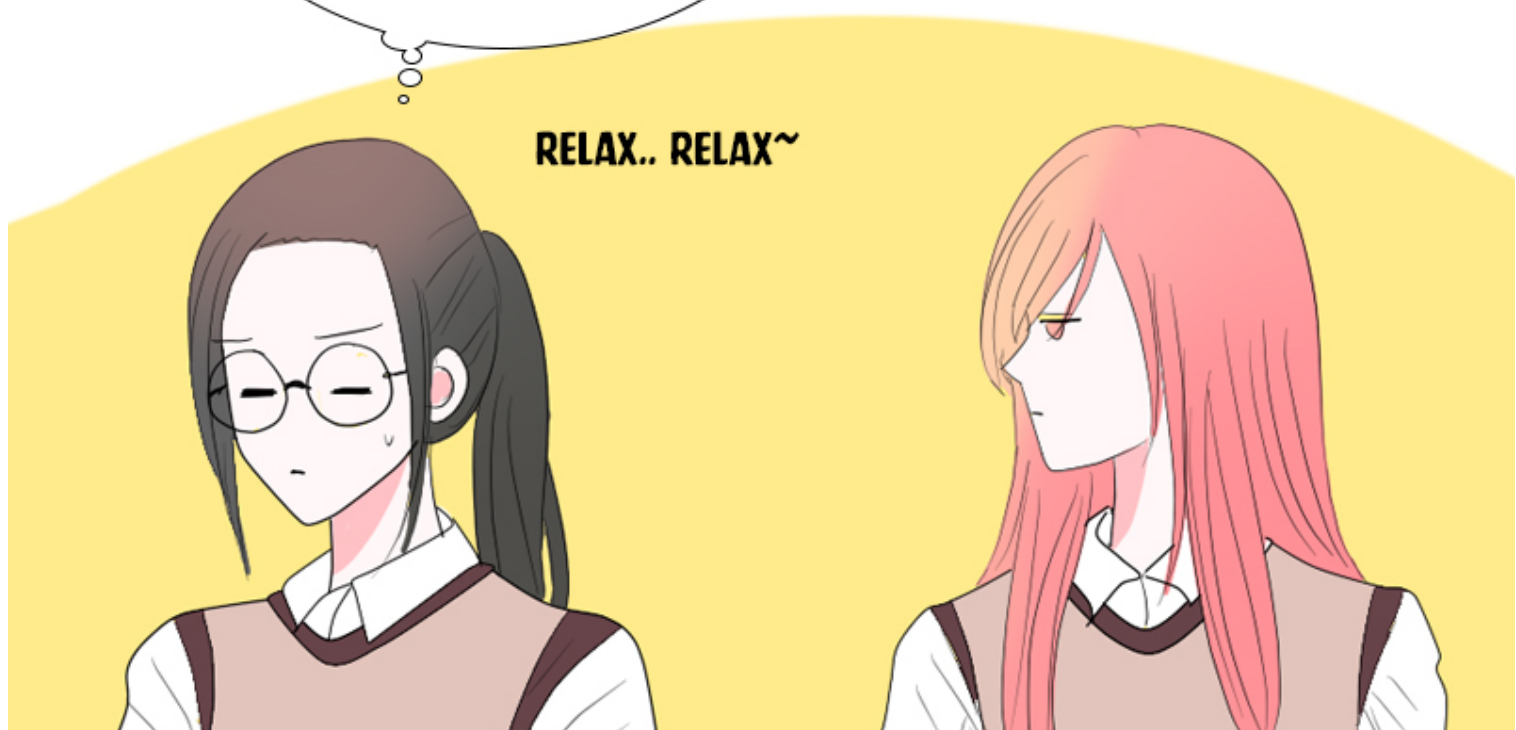

Glare

Eh?  
Eh?

Wait...I didn't  
do anything wrong...  
It was her who said  
we were only friends  
first...

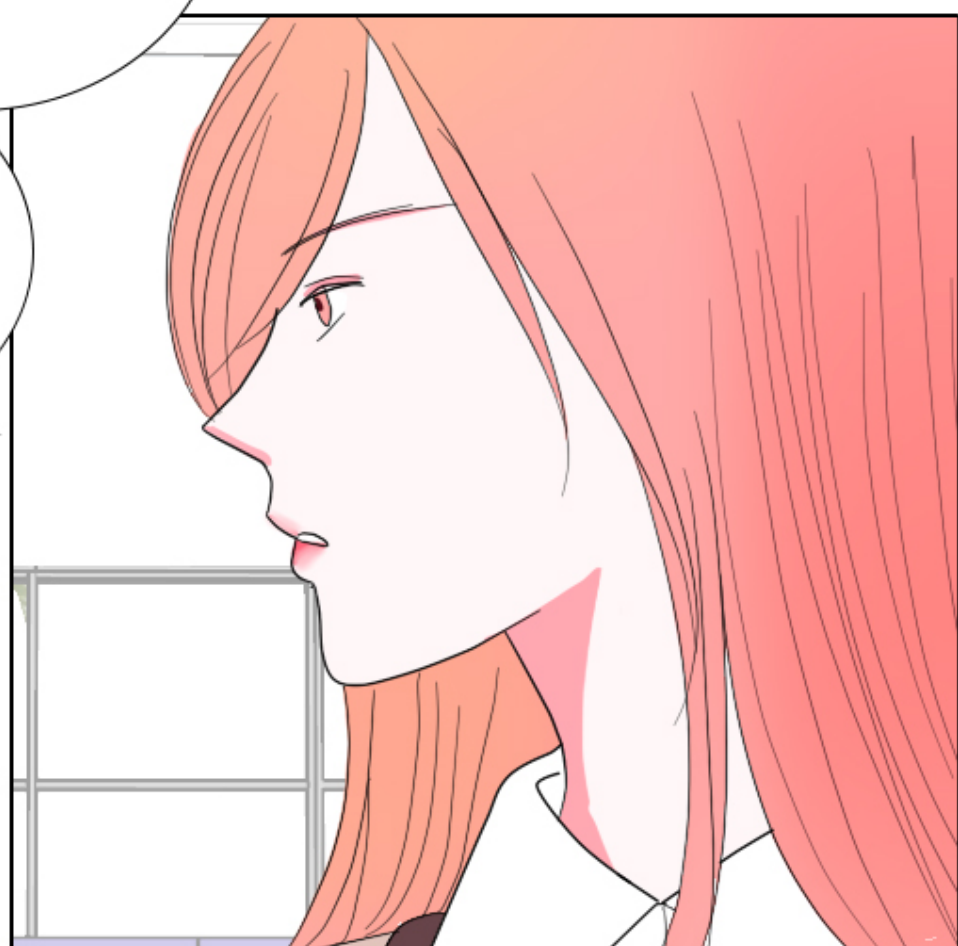

RELAX.. RELAX~

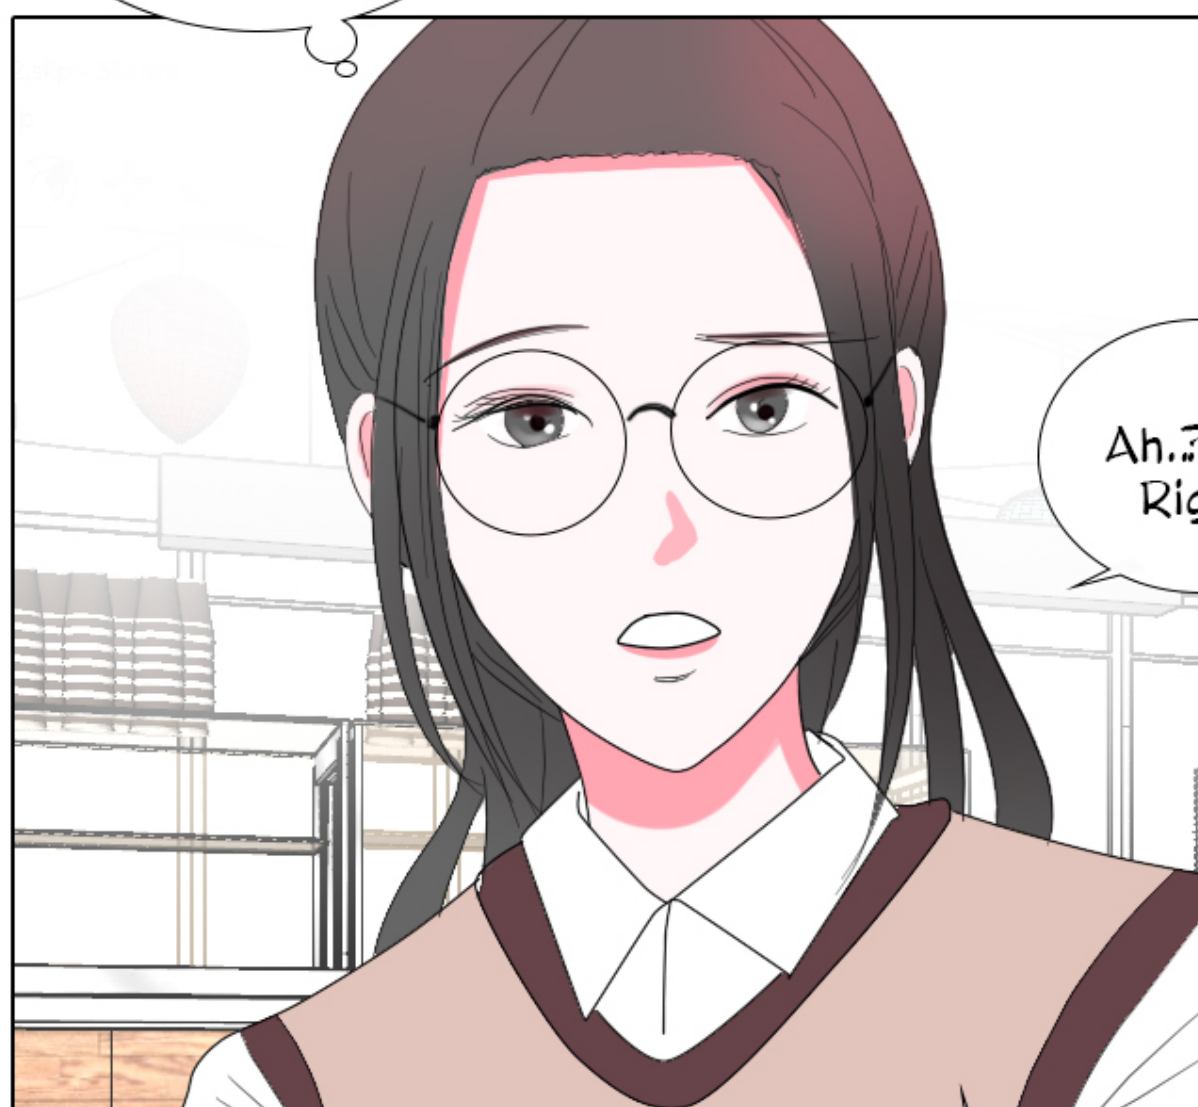

I don't know  
who she's dating,

You didn't  
tell me that  
right Jisoo?

W-What is it?  
Why does she  
want to hide our  
relationship from  
Jihyunsunbae?

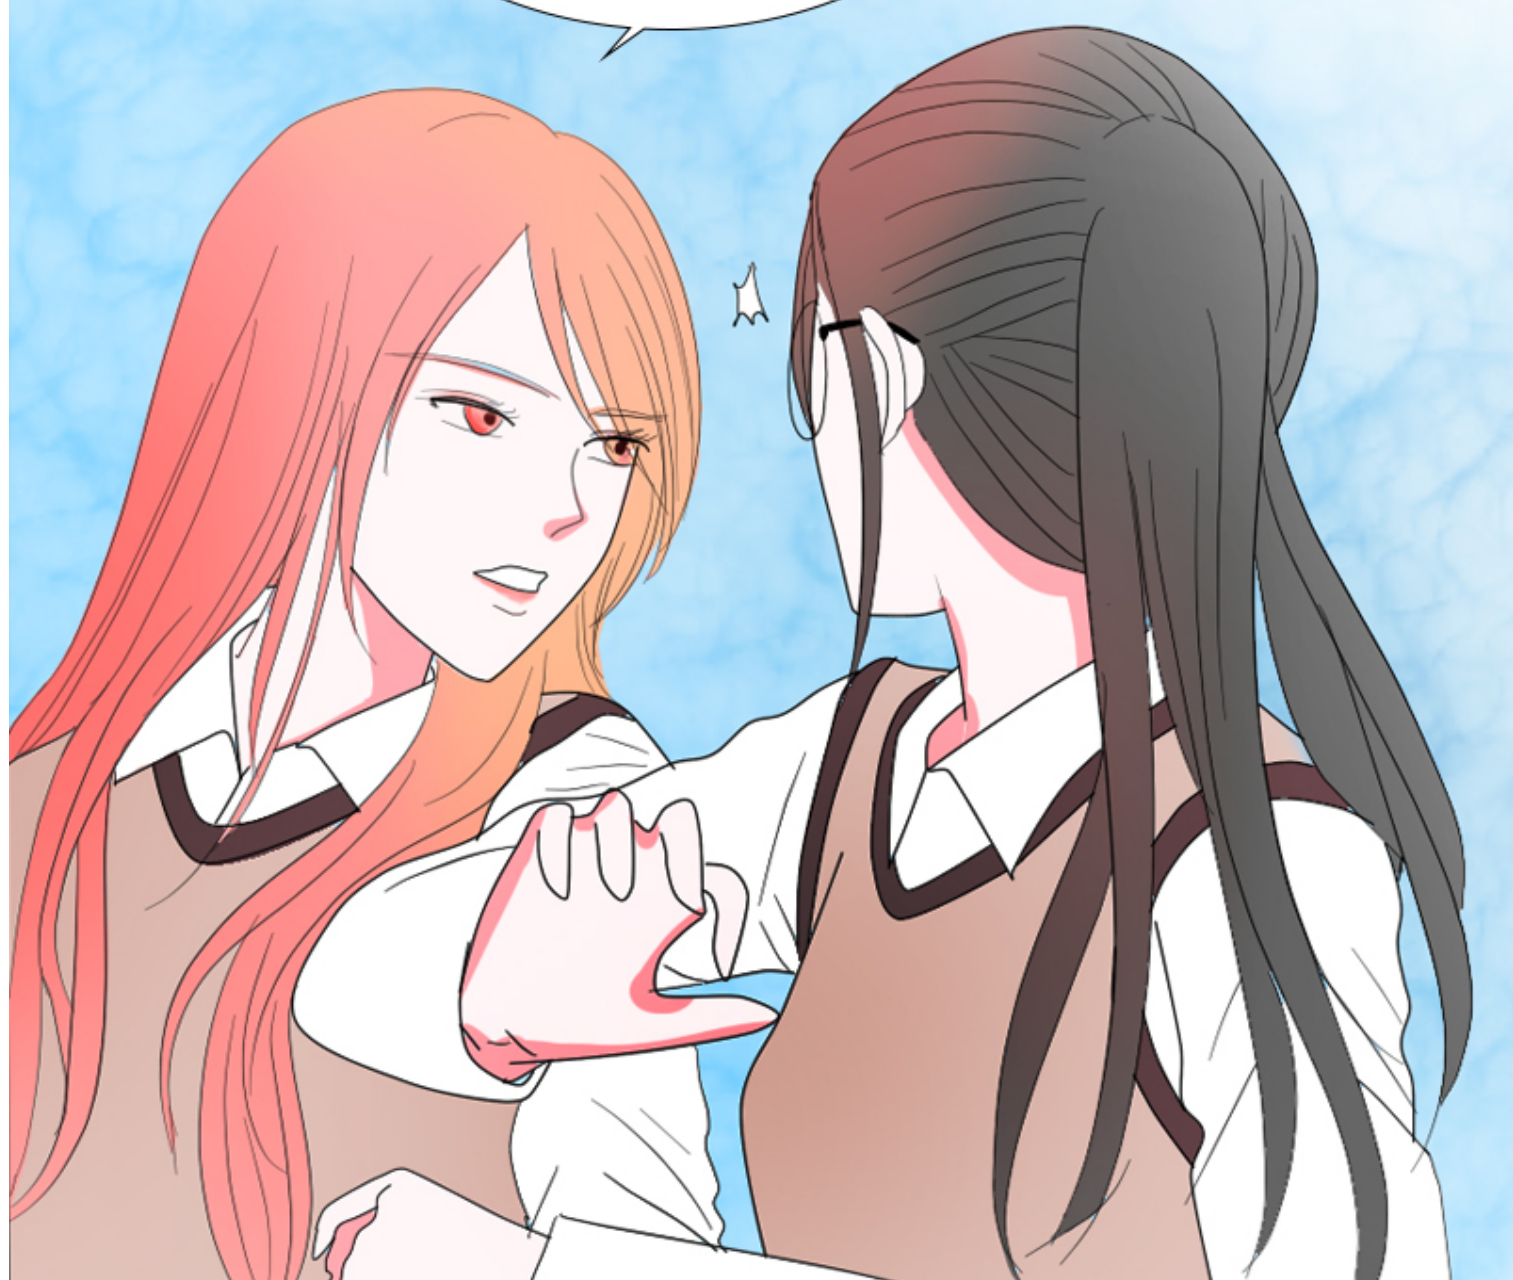

Ah..? Ah..  
Right!

Right...  
That's right!

Then how can you go along with it so easily?

Not only had you lied to Jihyun unnie,

You were about to see another girl behind your girlfriend's back, y'know that?

Pft...Haha

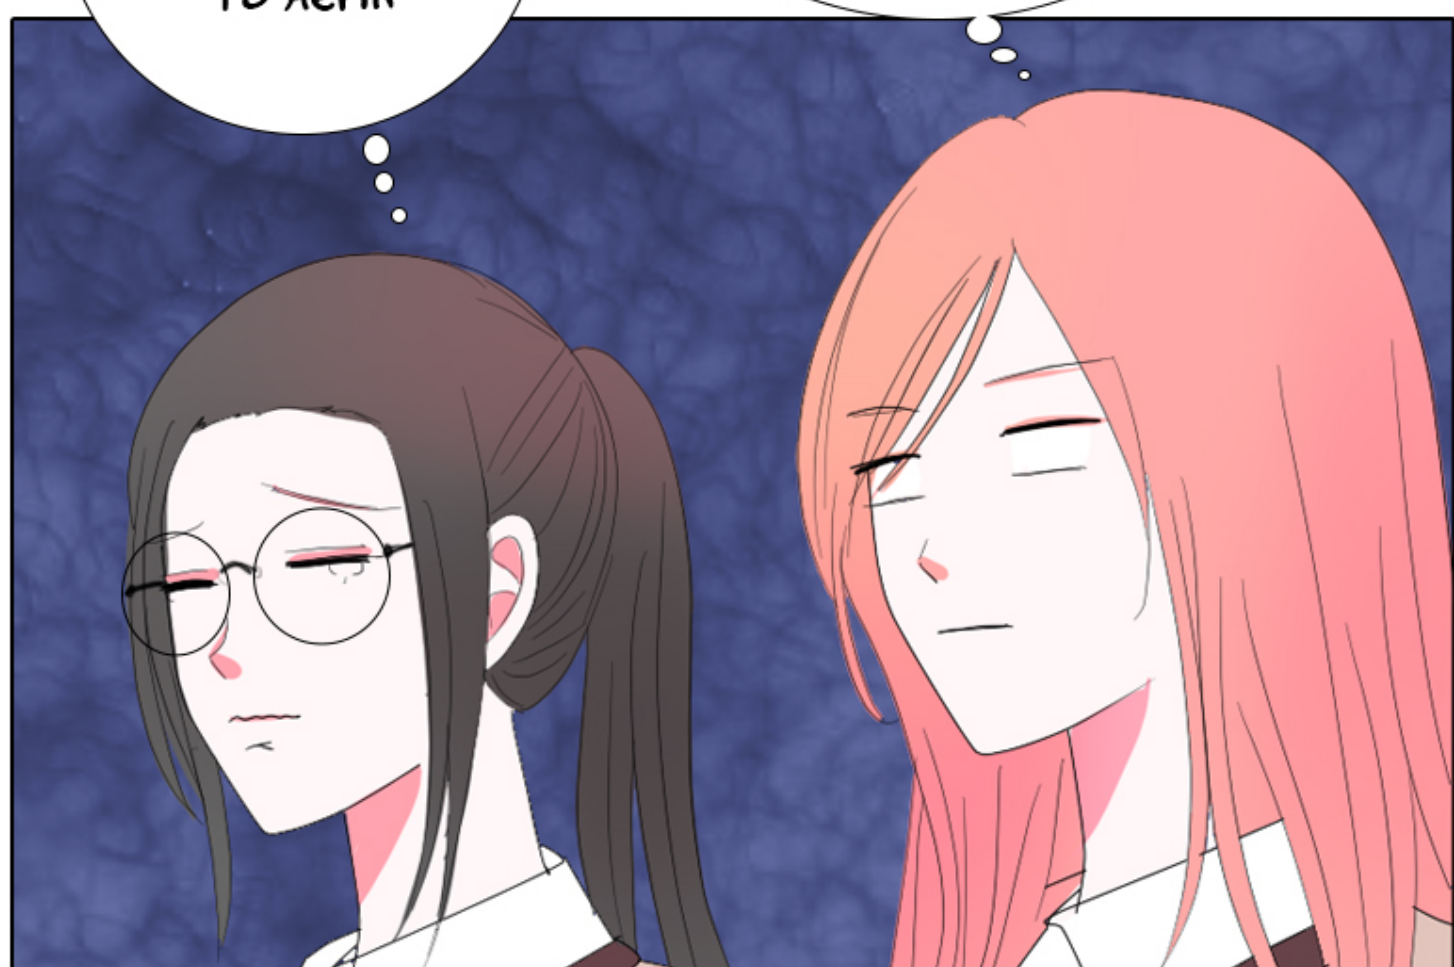

It's Fine

There must be  
a good reason  
for it

Sunbae is  
totally the  
opposite  
to Aerin

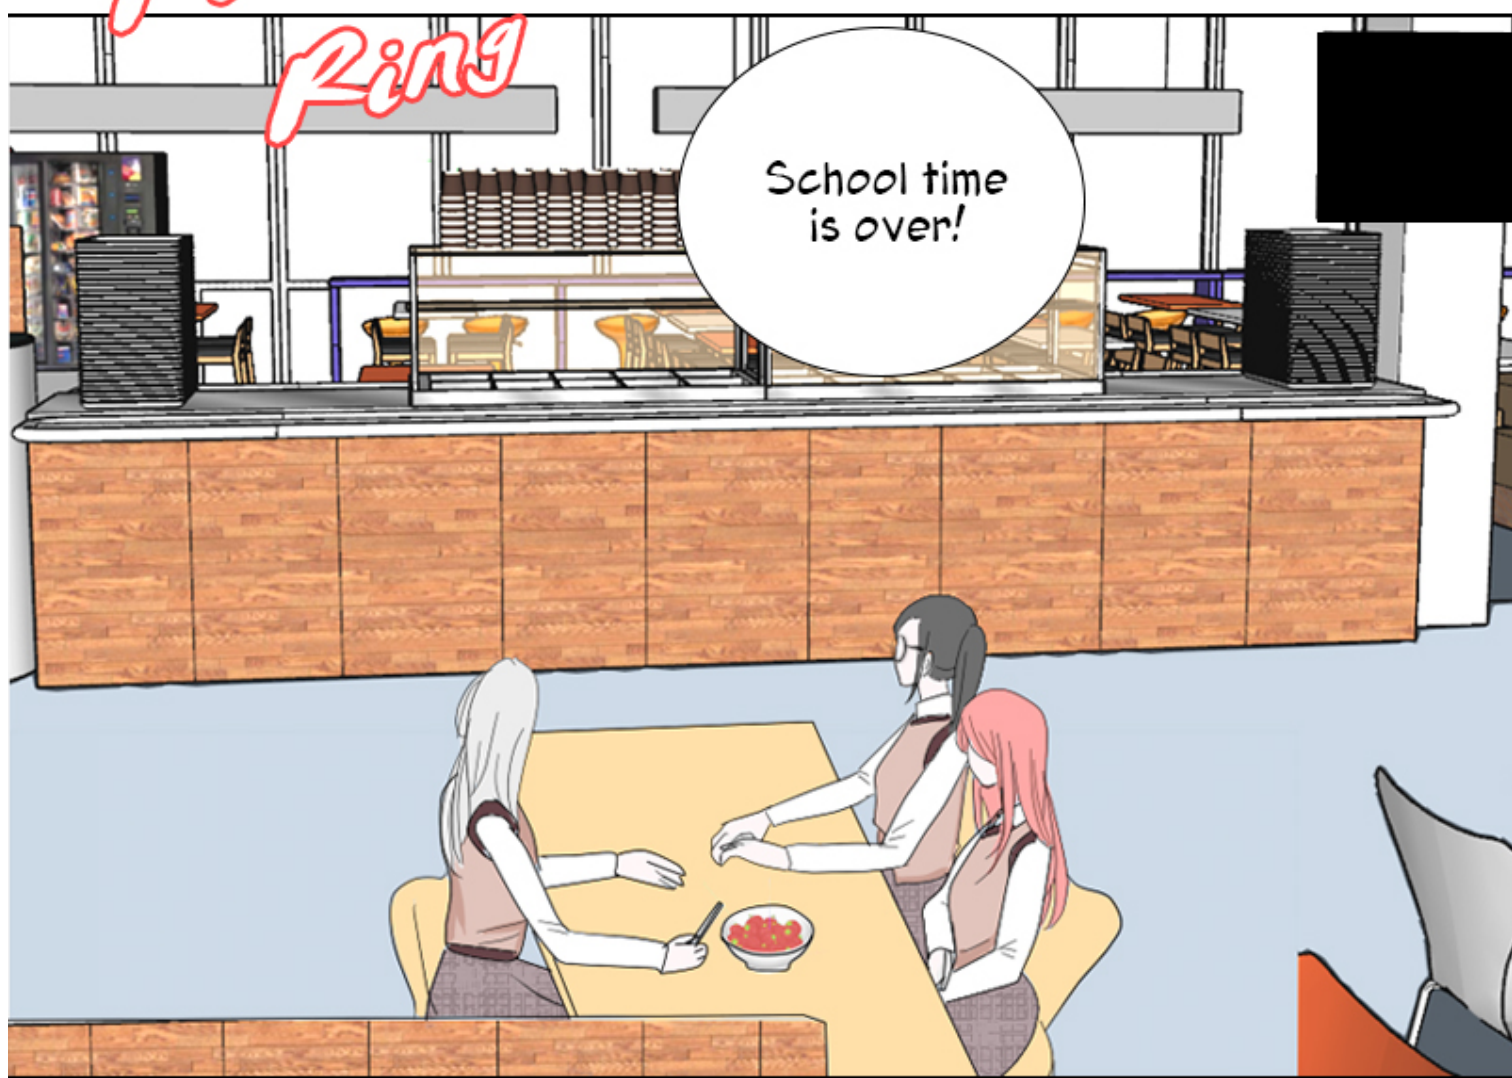

Such an attitude...  
She must have learnt  
it from Teacher

Ring! Ding

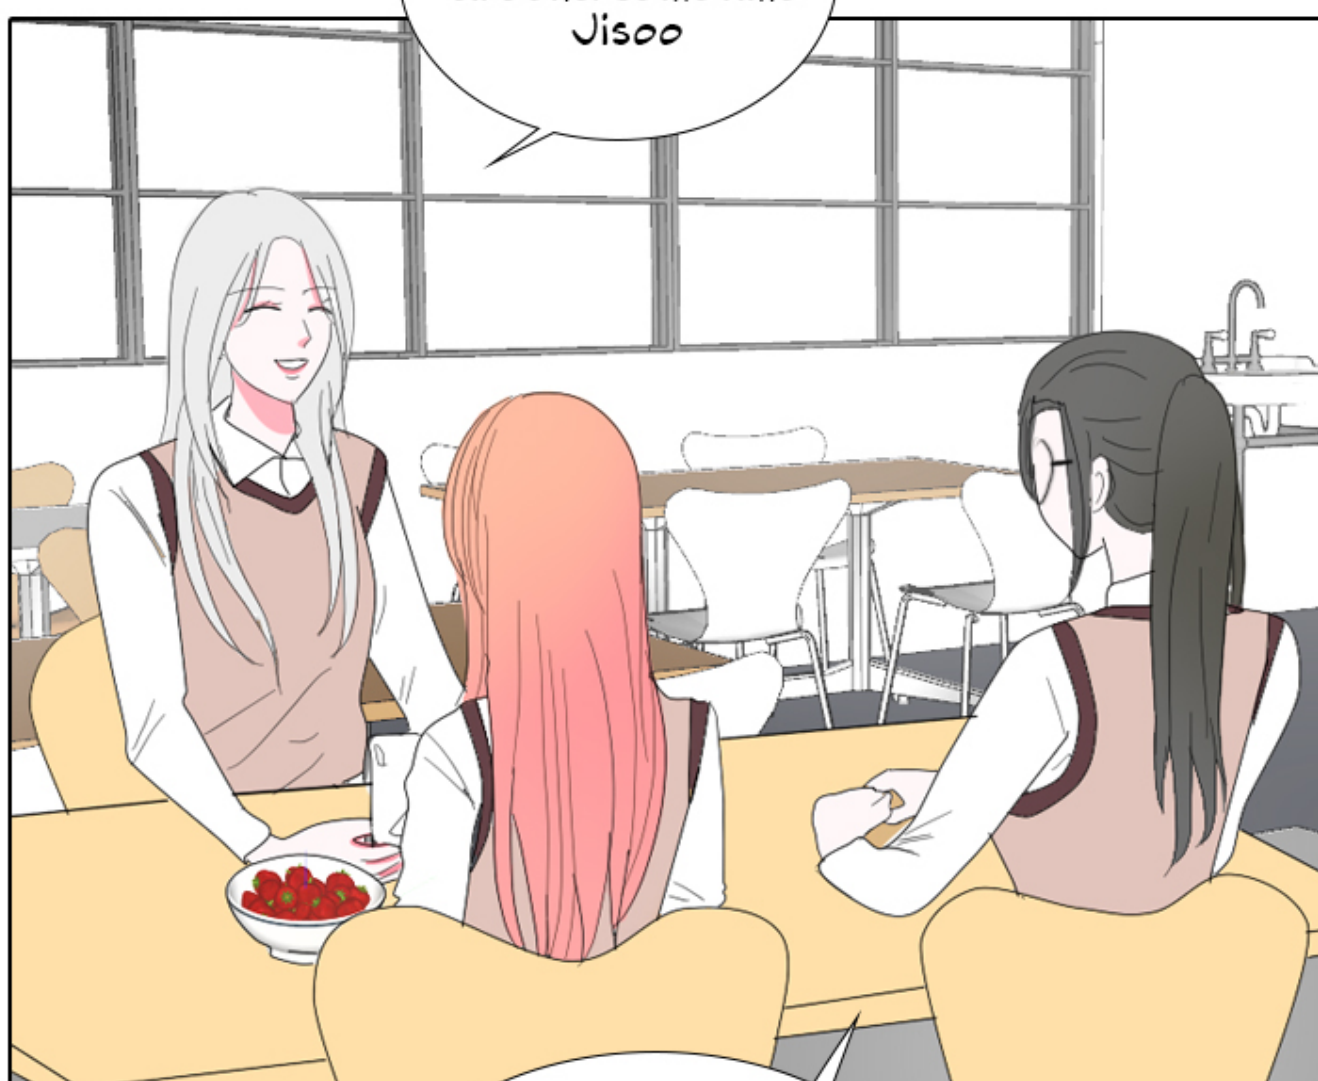

Ring

School time  
is over!

Well,  
I've got to get  
back to the  
club now

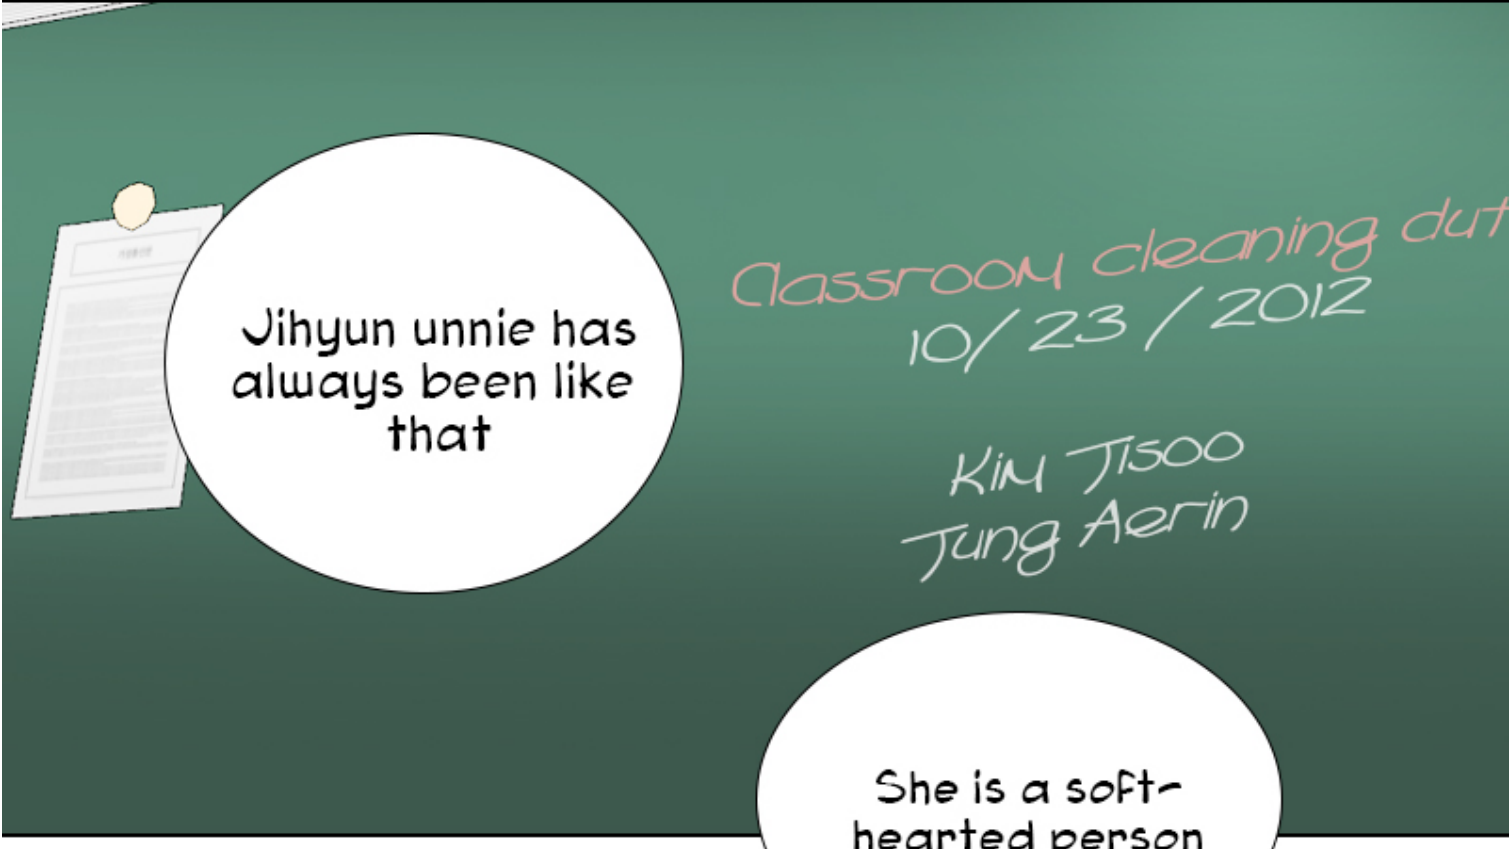

I'll see you  
around sometime  
Jisoo

Ah..It is great to  
be friends with you,  
sunbae

Jihyun unnie has  
always been like  
that

Kim Jisoo  
Jung Aerin

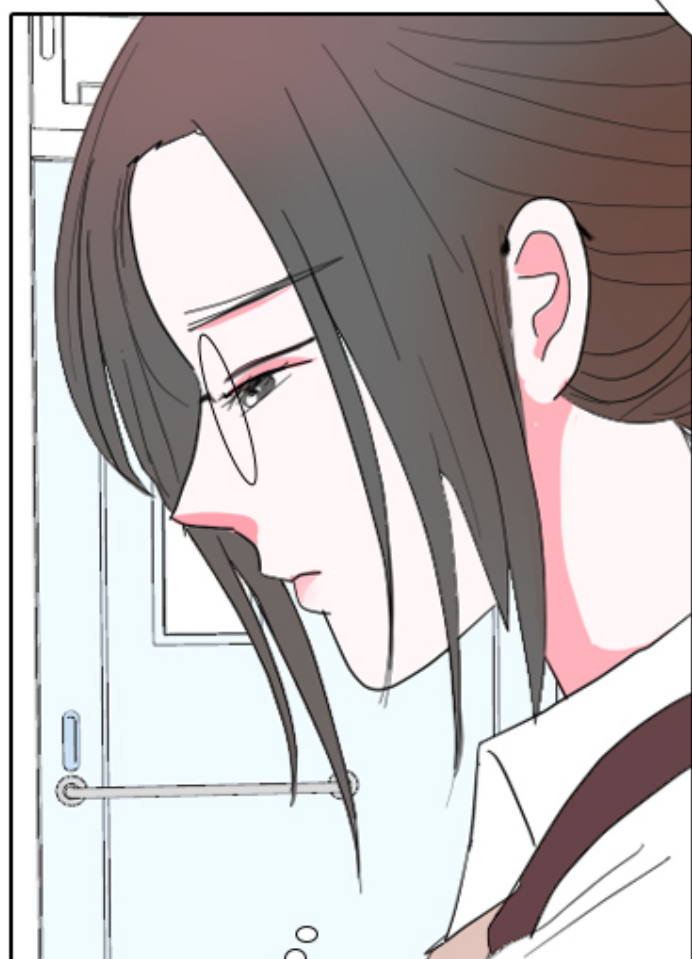

She is a soft-  
hearted person

That's why when  
she sees those who  
look vulnerable  
Just like you.

She might want  
to start taking care  
of you one way or  
another

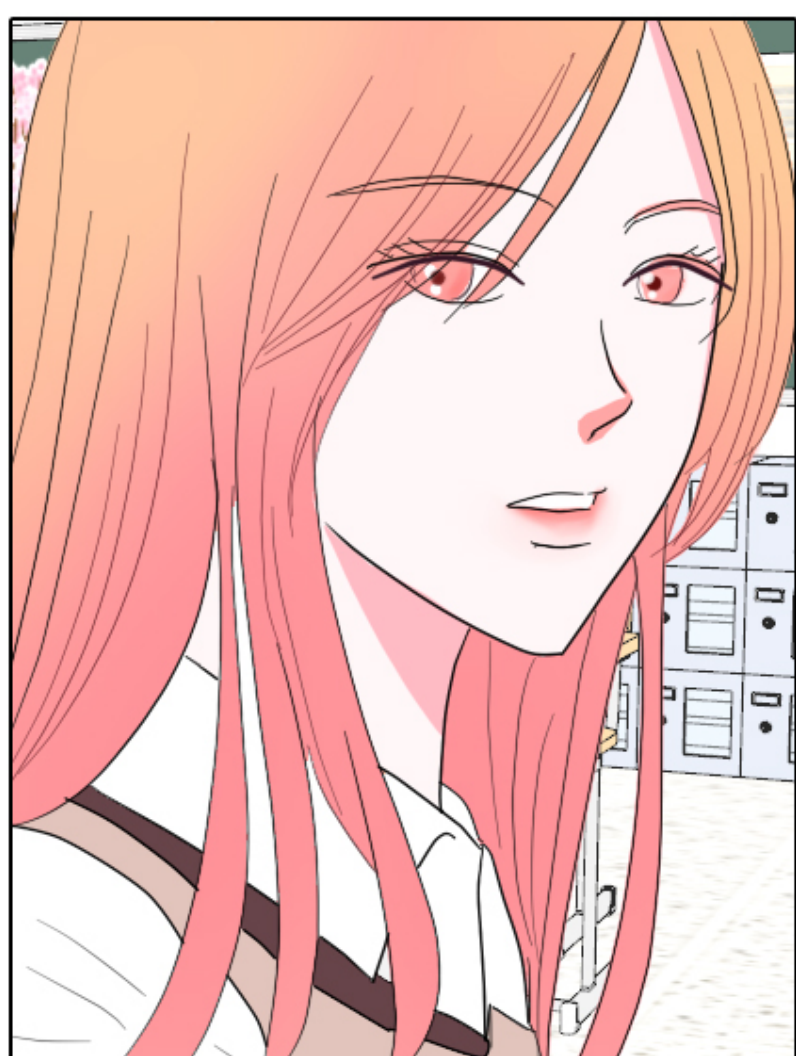

She keeps on talking  
about Jihyun sunbae  
after getting back  
to class

So~  
Just clear your  
mind with what she  
said earlier

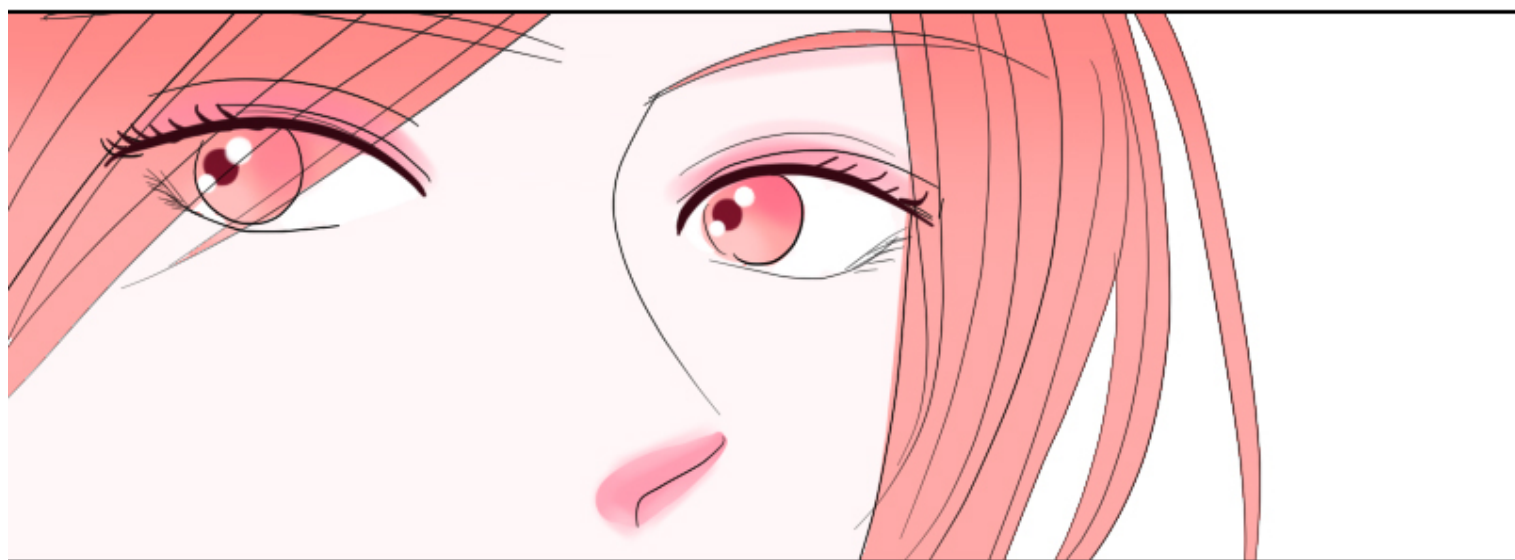

**I WAS SAD**

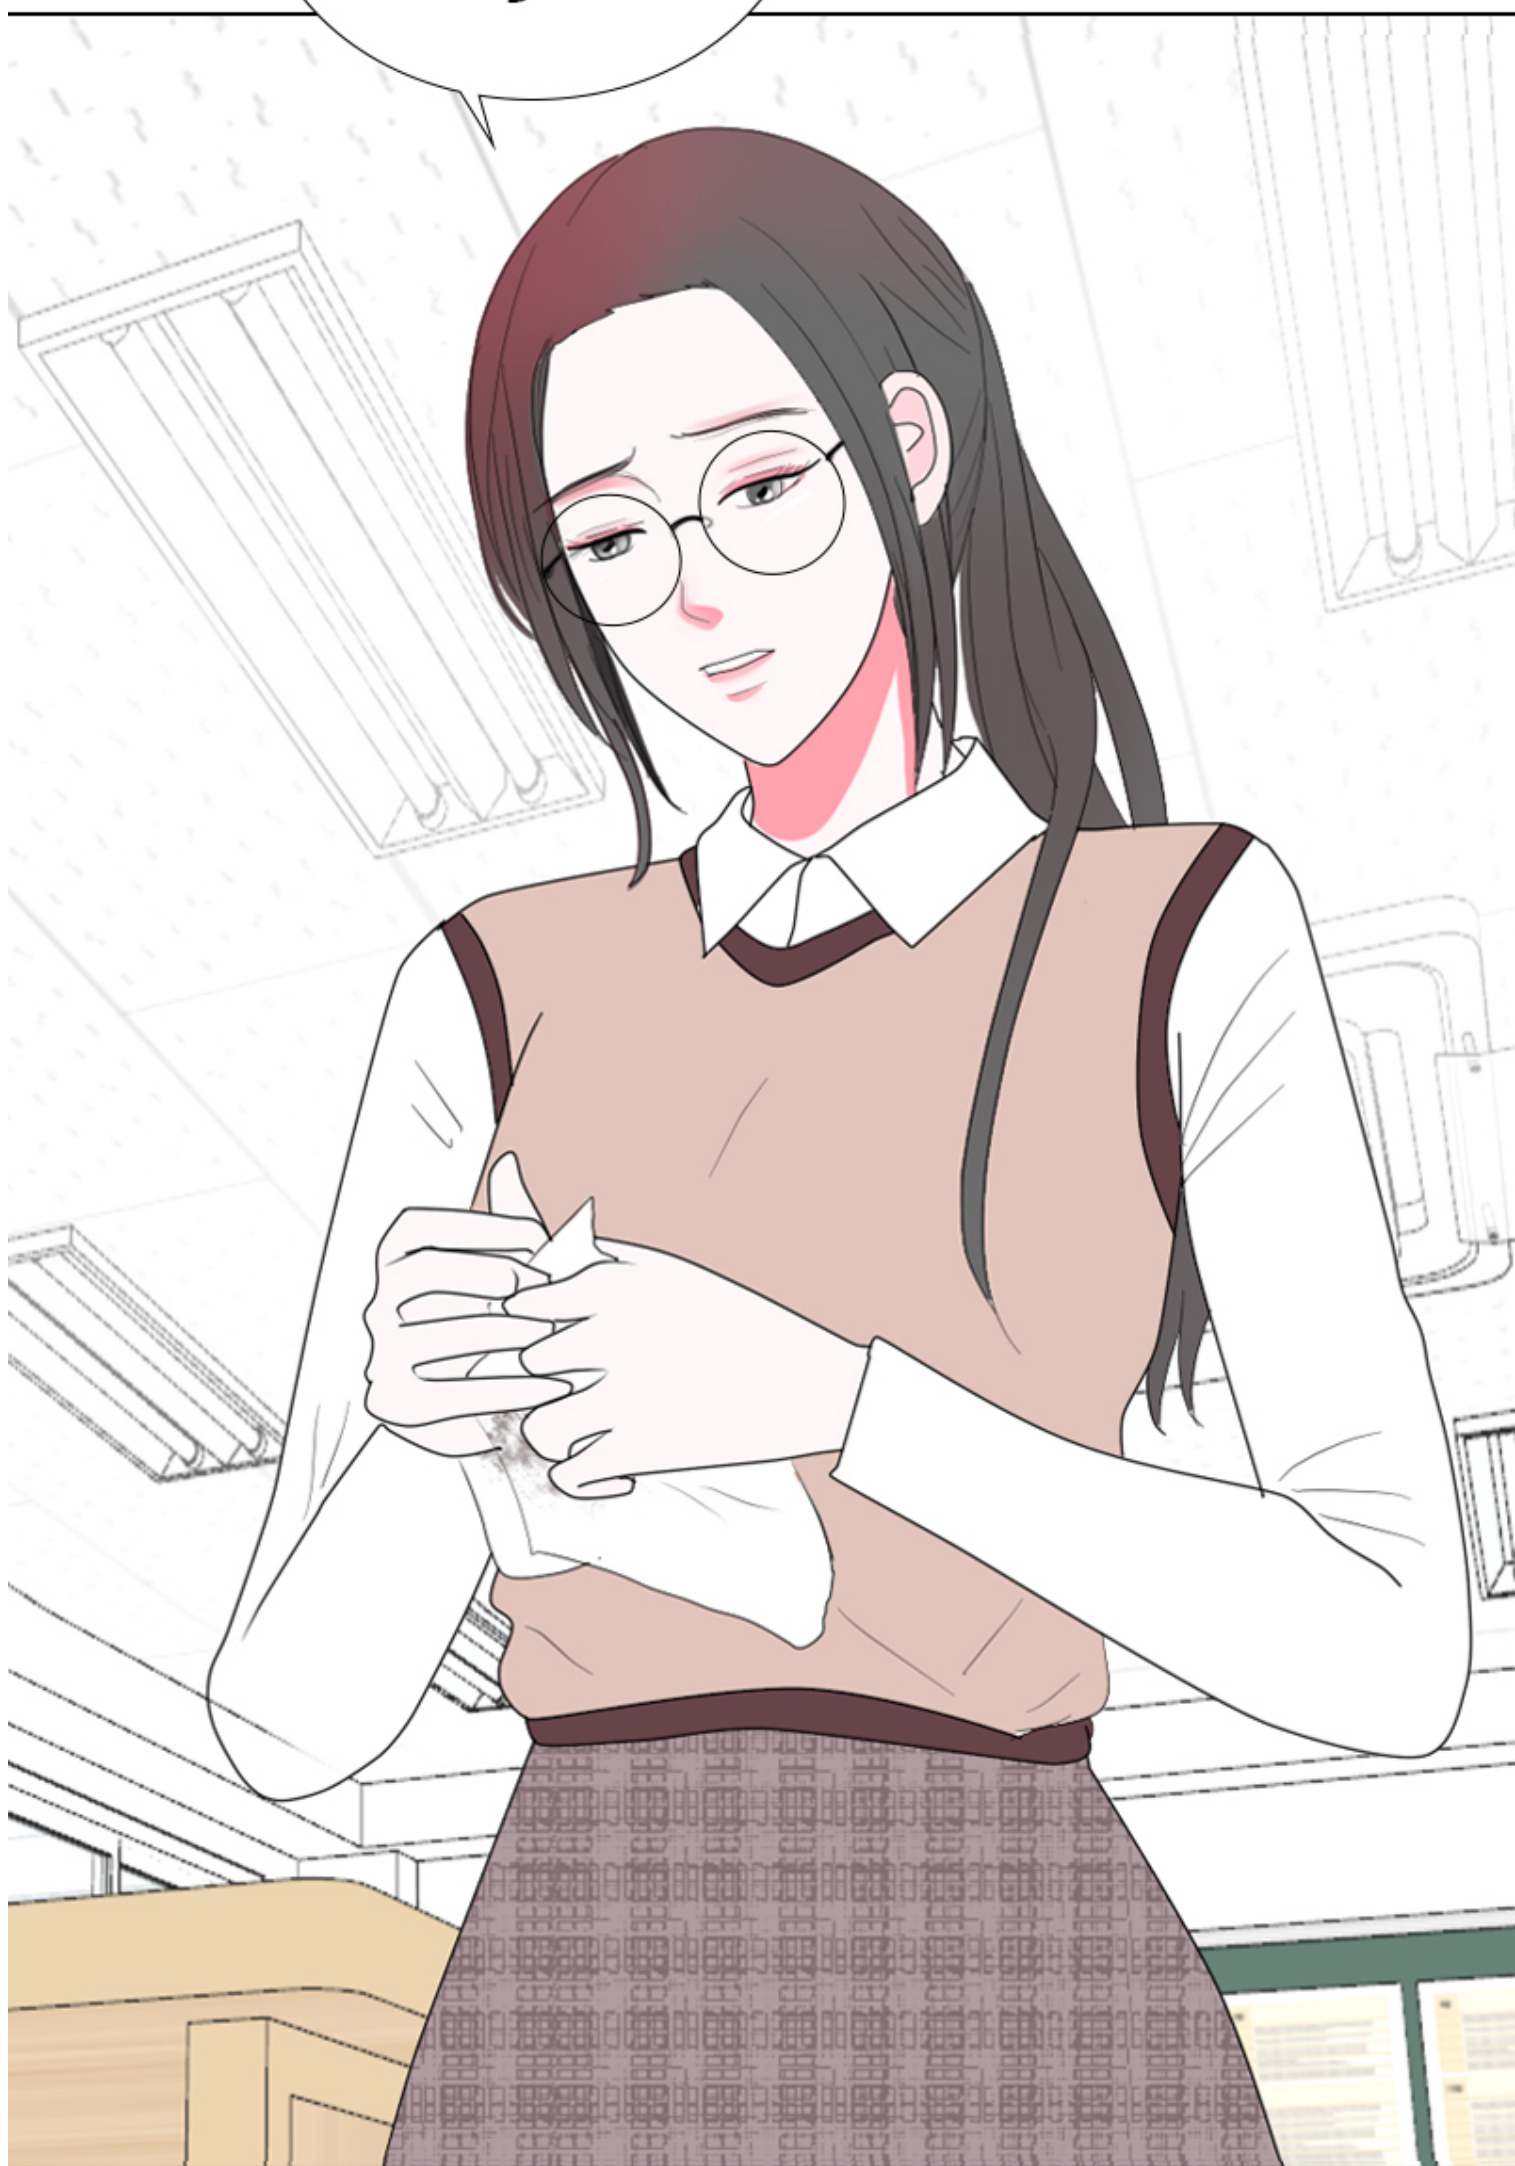

?!

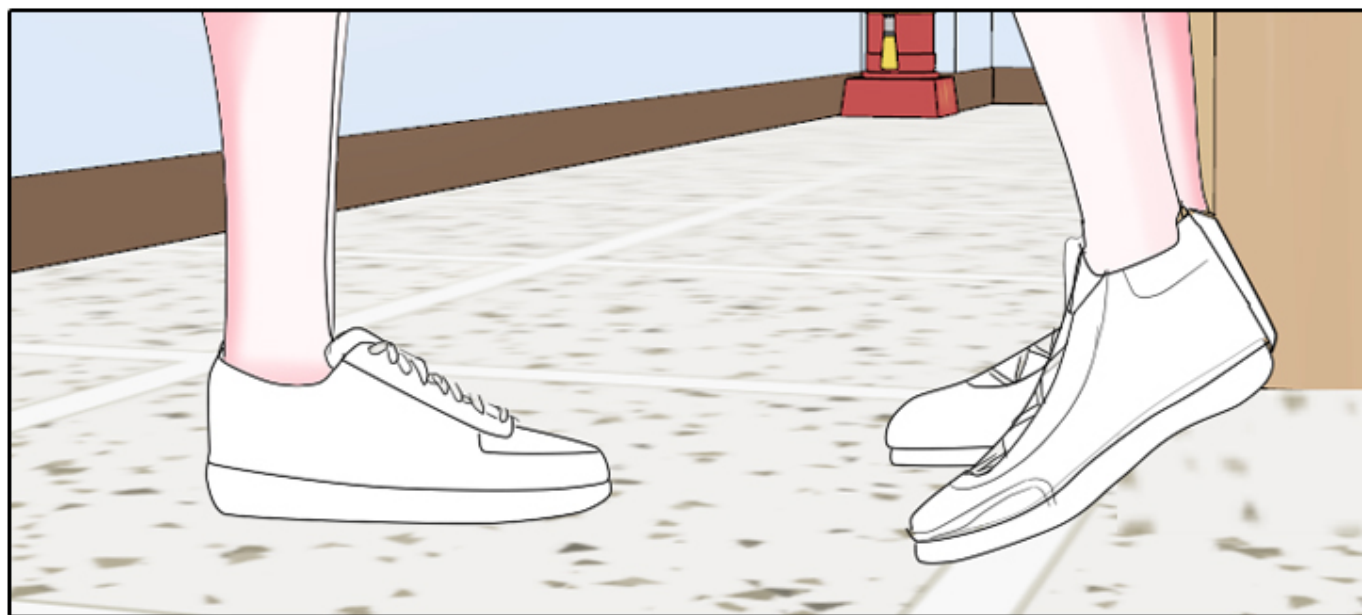

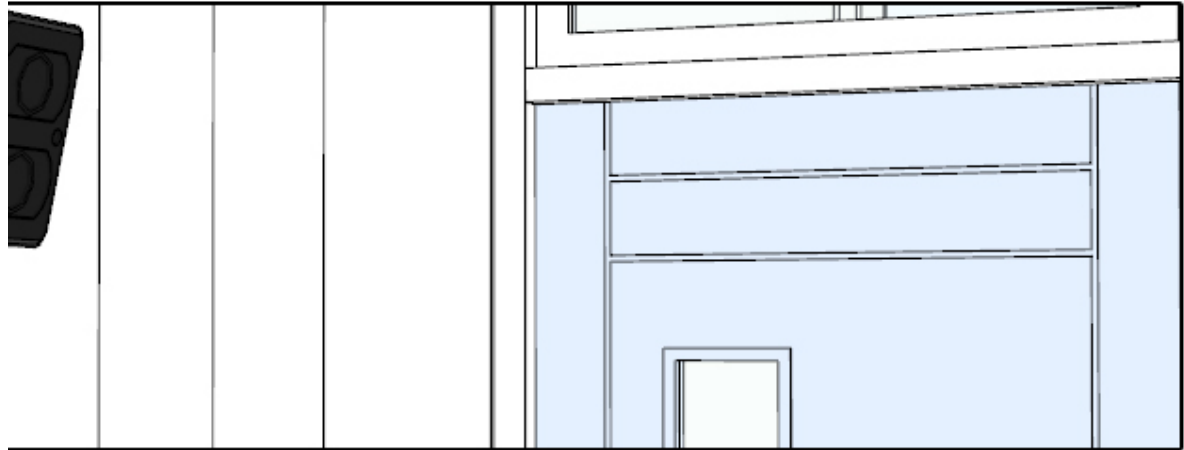

Aerin ah,

We're not  
really dating  
or anything...  
right?

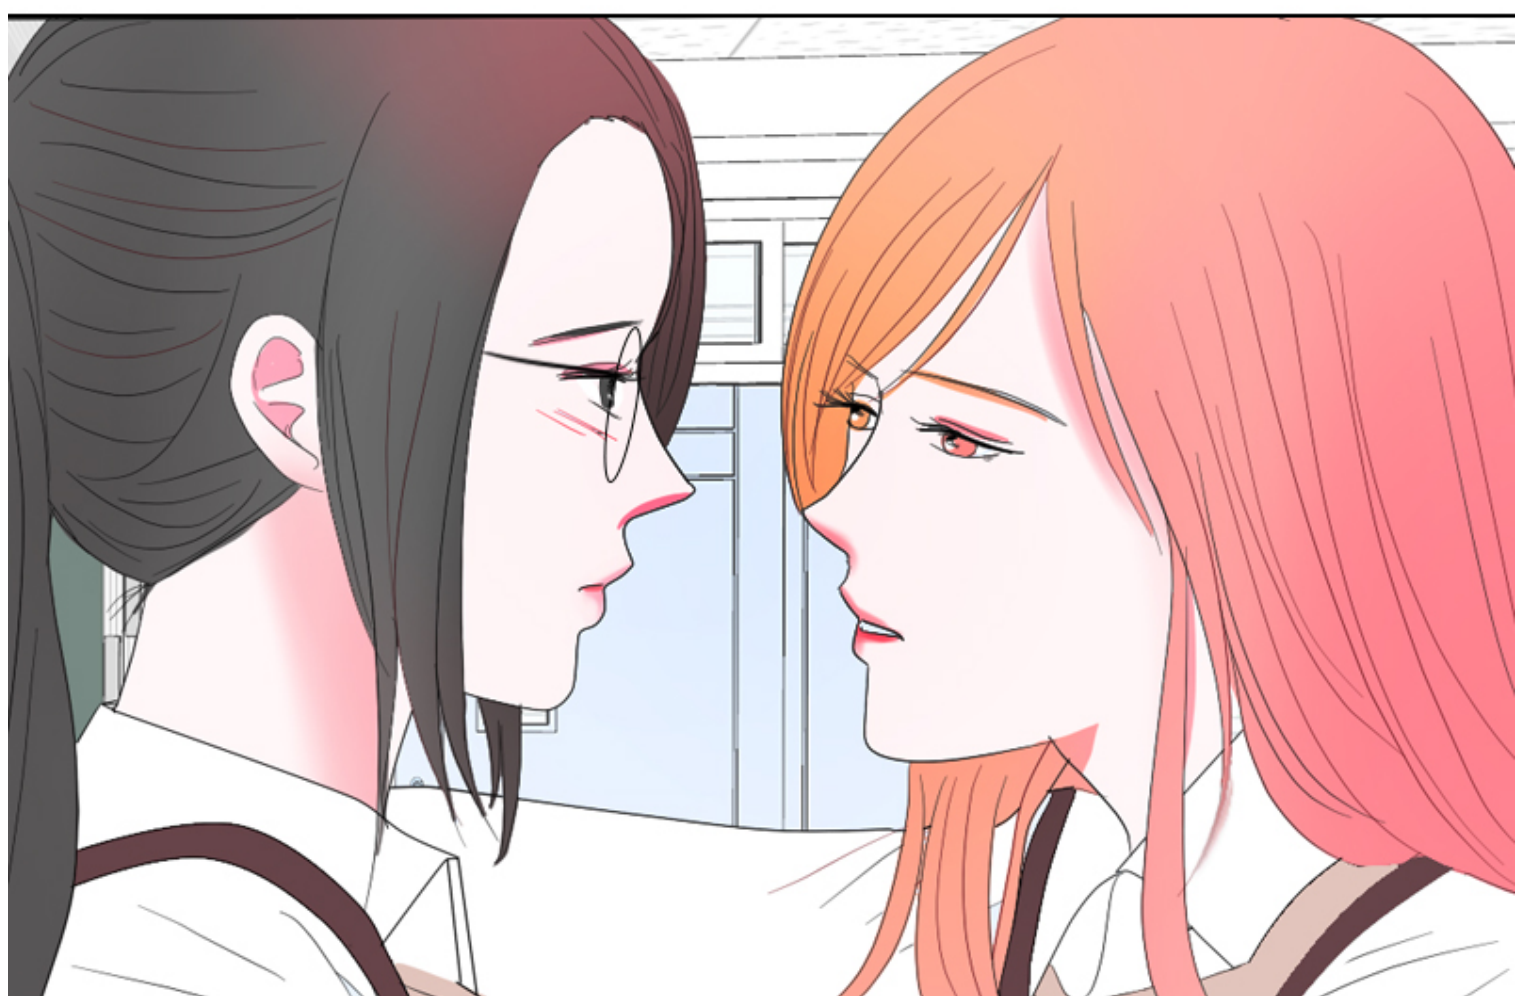

When did we stop  
being in that kind of  
relationship?

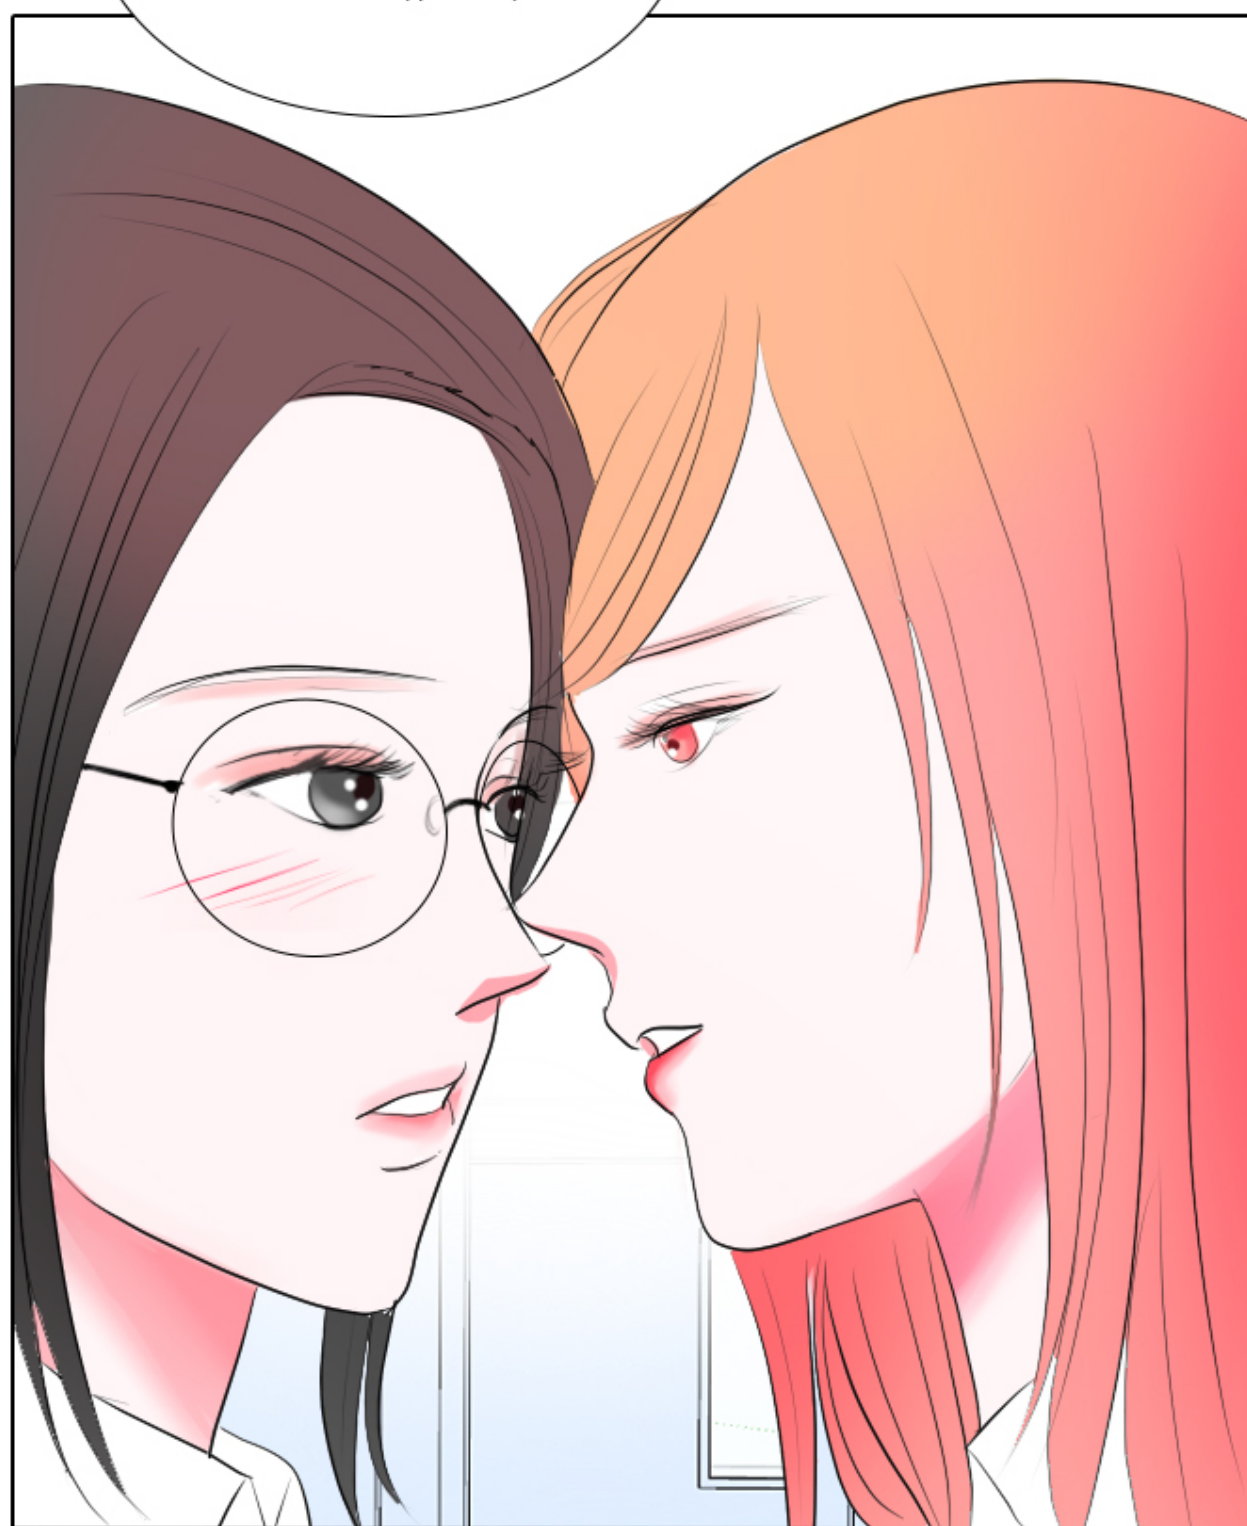

You...only  
treat me like  
a friend

It was because,

I really  
don't know what  
love means

Can you show it  
to me?
