

A NYT Caliber Best Selling Book!

WASUP CHICKEN LEGS

TAKE IT SLEAZM!

a series of loving threats and deadly affirmations

by EPISODE 1 BOOKS

Branson is an award-winning scientist who pioneered the controversial psychiatric technique "The Ho Test."

Charles is a PhD candidate at MIT, the president of Yale, the editor-in-chief of the New York Times, the Lowry's Seasoning Salt Honorary Chair at the Harvard Business School, and the second man to launch a car into space.

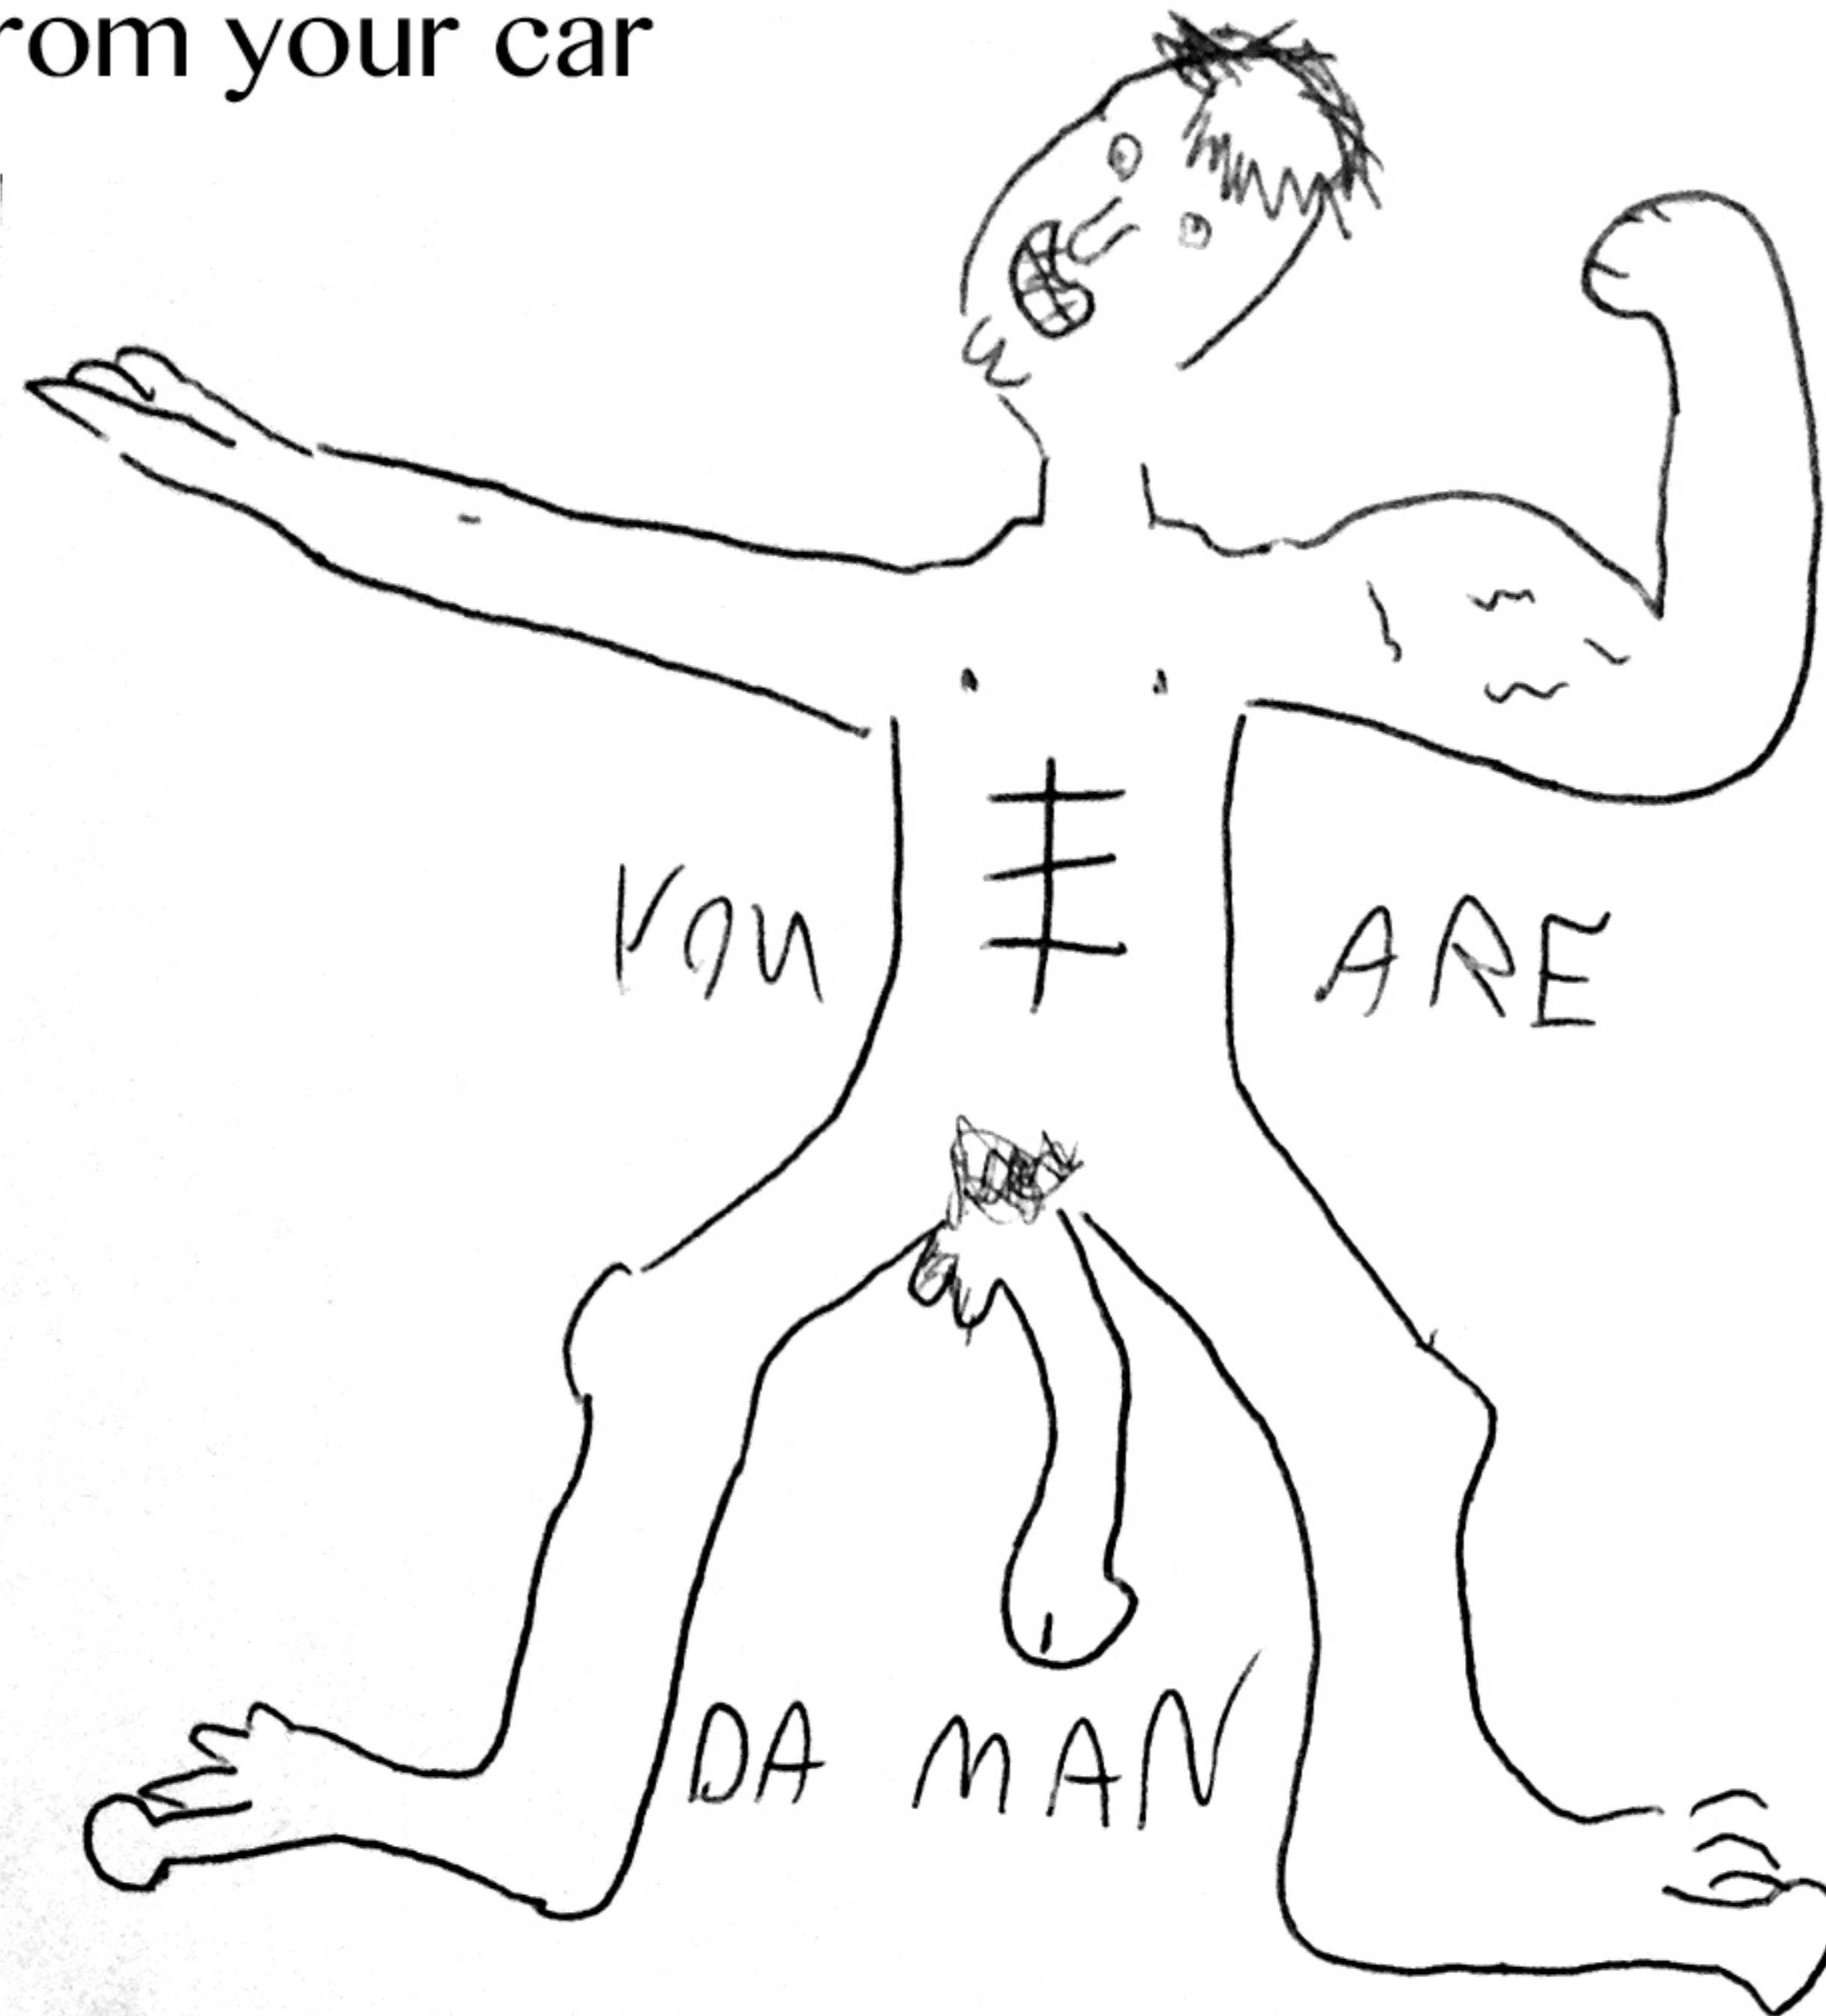

wassup chicken legs,
If you're stressed about work,
drink a beer in the morning
If you're stressed about work, don't go
If you need the money,
go to work and stop crying.
nobody has time for that.

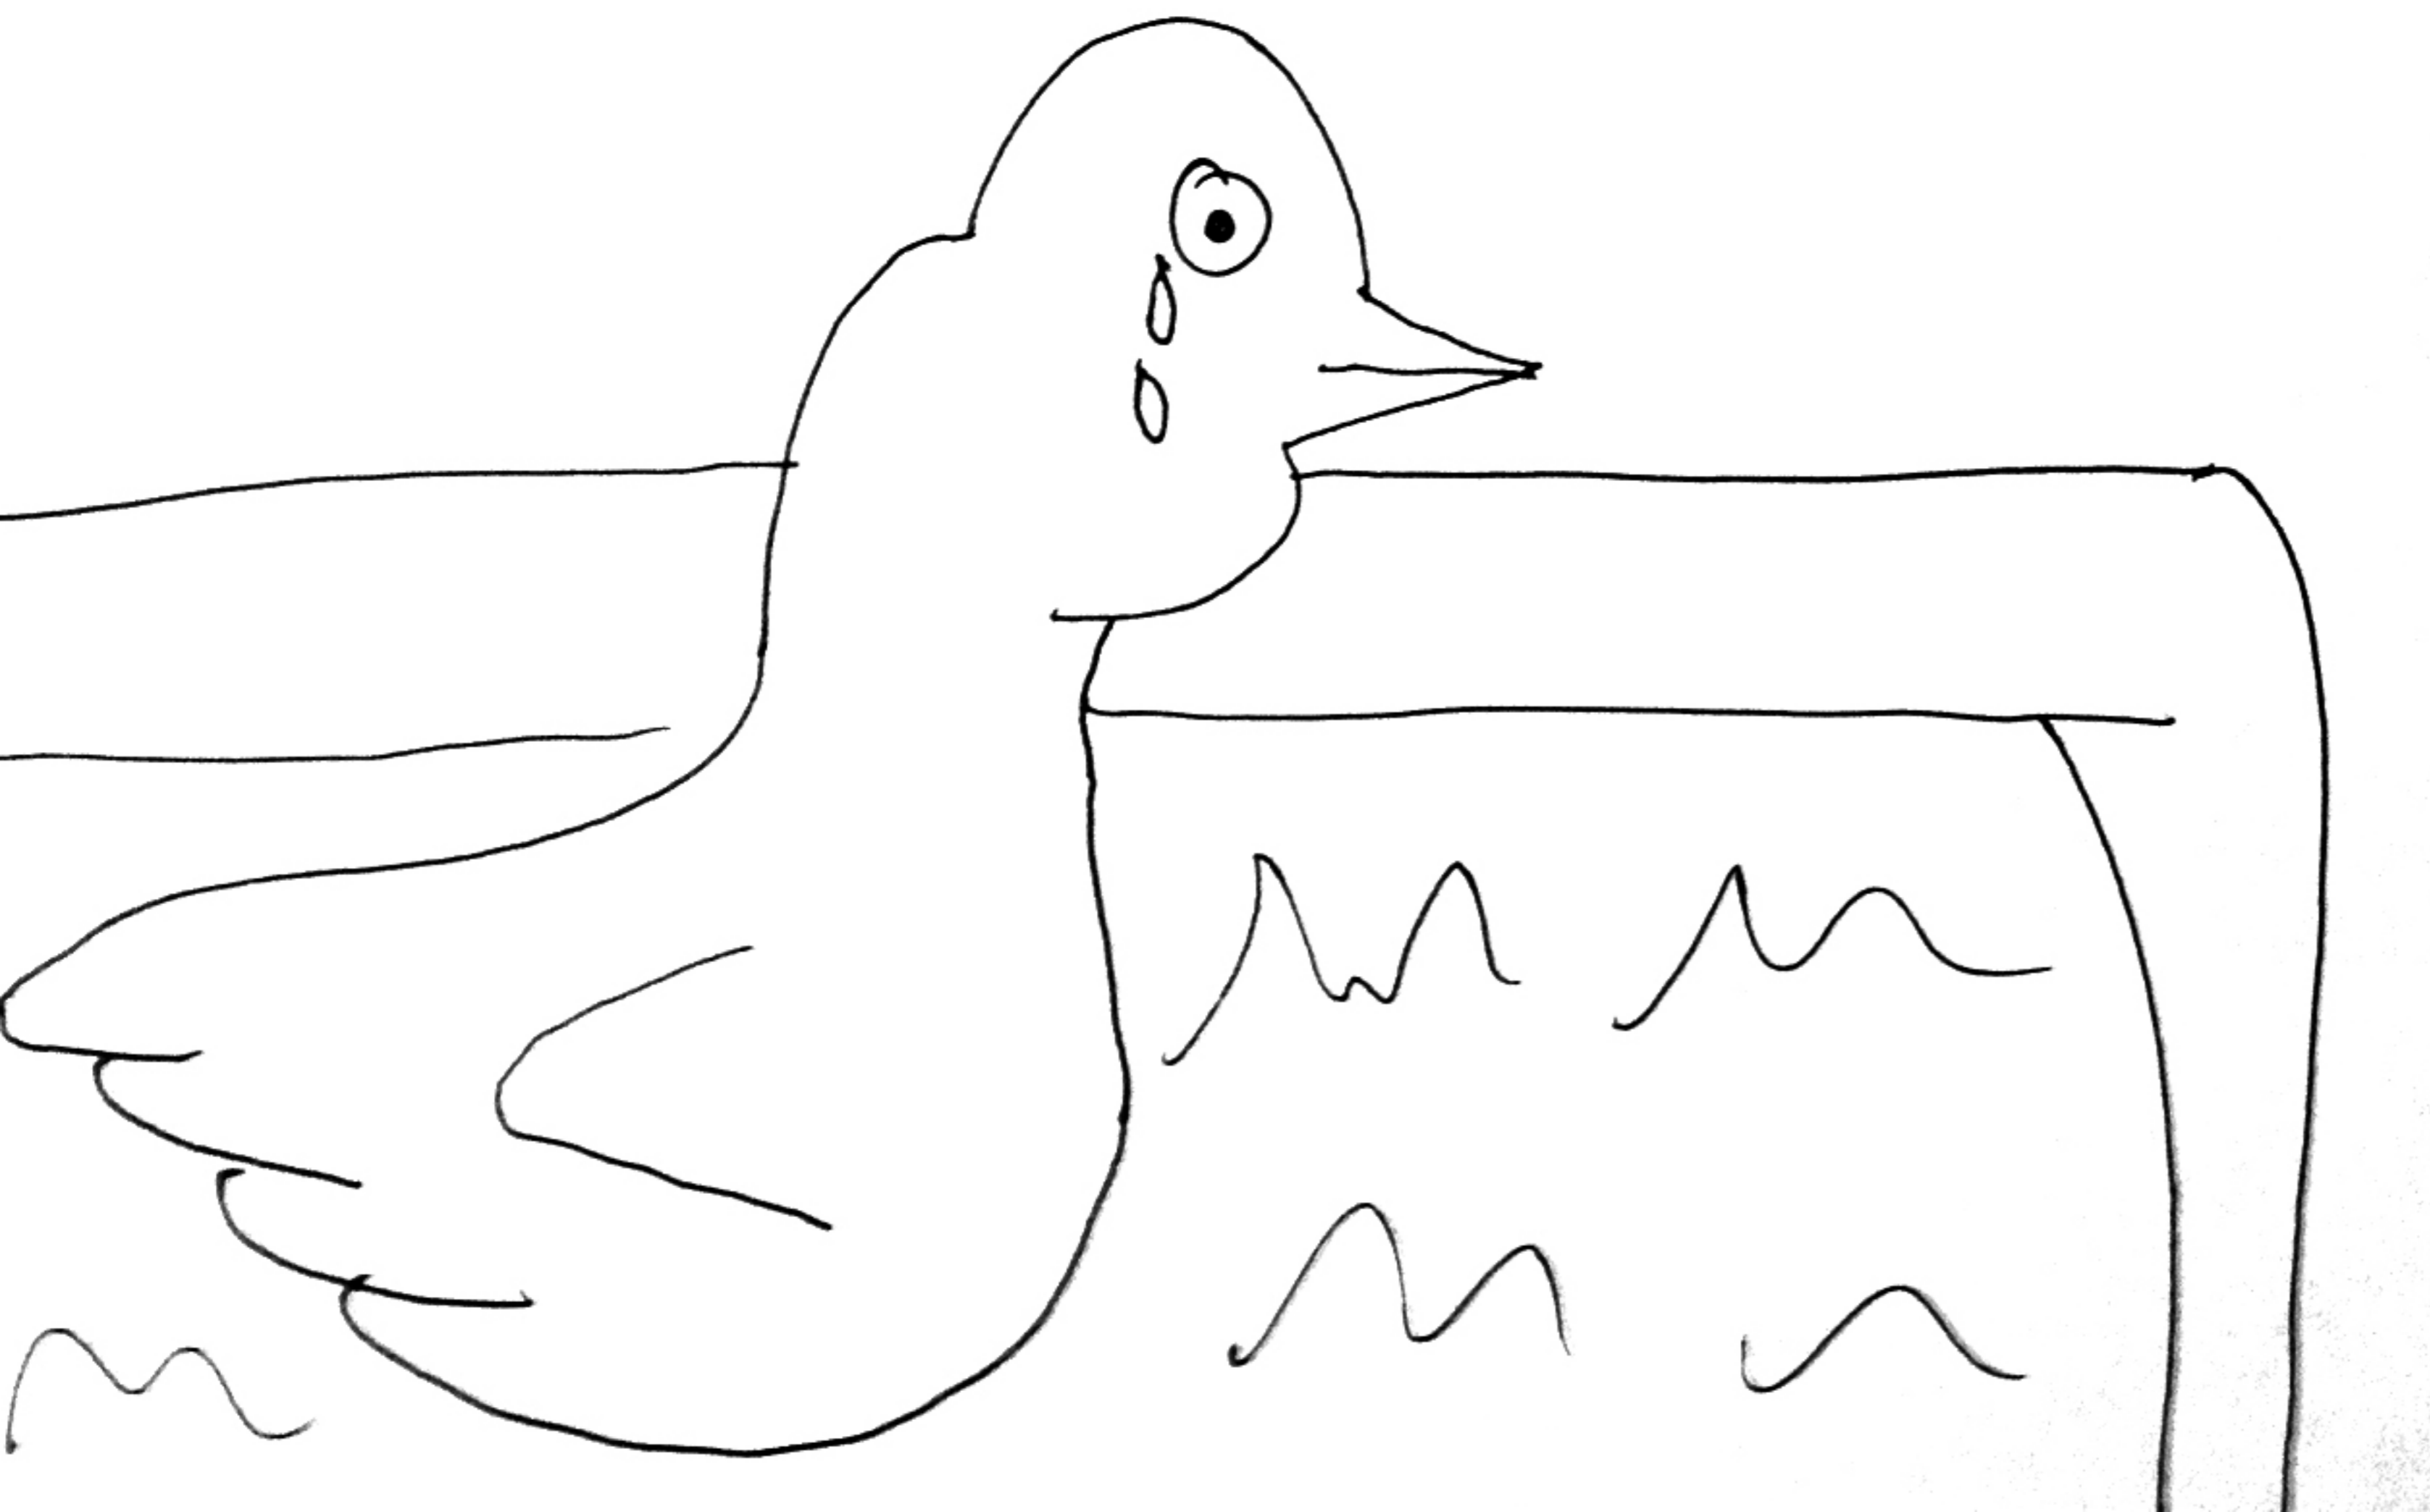

take it sleazy,
If you're stressed about work,
drink a beer in the evening
If you're stressed about work,
don't go tomorrow
If you need the money,
go to work tomorrow and stop crying.
nobody has time for that.

wassup chicken legs,
hey pimp. You're looking good
how's it hanging down there today
you're a stallion. That's wassup man
damn. The only way that thing could
get bigger is if it had a twin. Lol.
so you go out there today
and yell at women from your car
because homey
they're lucky you
even had the
emotional energy
to roll down
the window

take it sleazy,
hey girl. Damn you're a lady today
you got all the parts all the
people wanna do stuff to
you're looking like a damn buffet.
That's wassup dude
you looking like Jessica rabbit
for real. Lol.
so you go out there today
and spray a whole bottle
of perfume on yourself
and stand in the bank line
waiting for guys to ask
you your sign
because girl
they're lucky you even
picked an outfit out today
from the big pile of clothes
on your bedroom floor

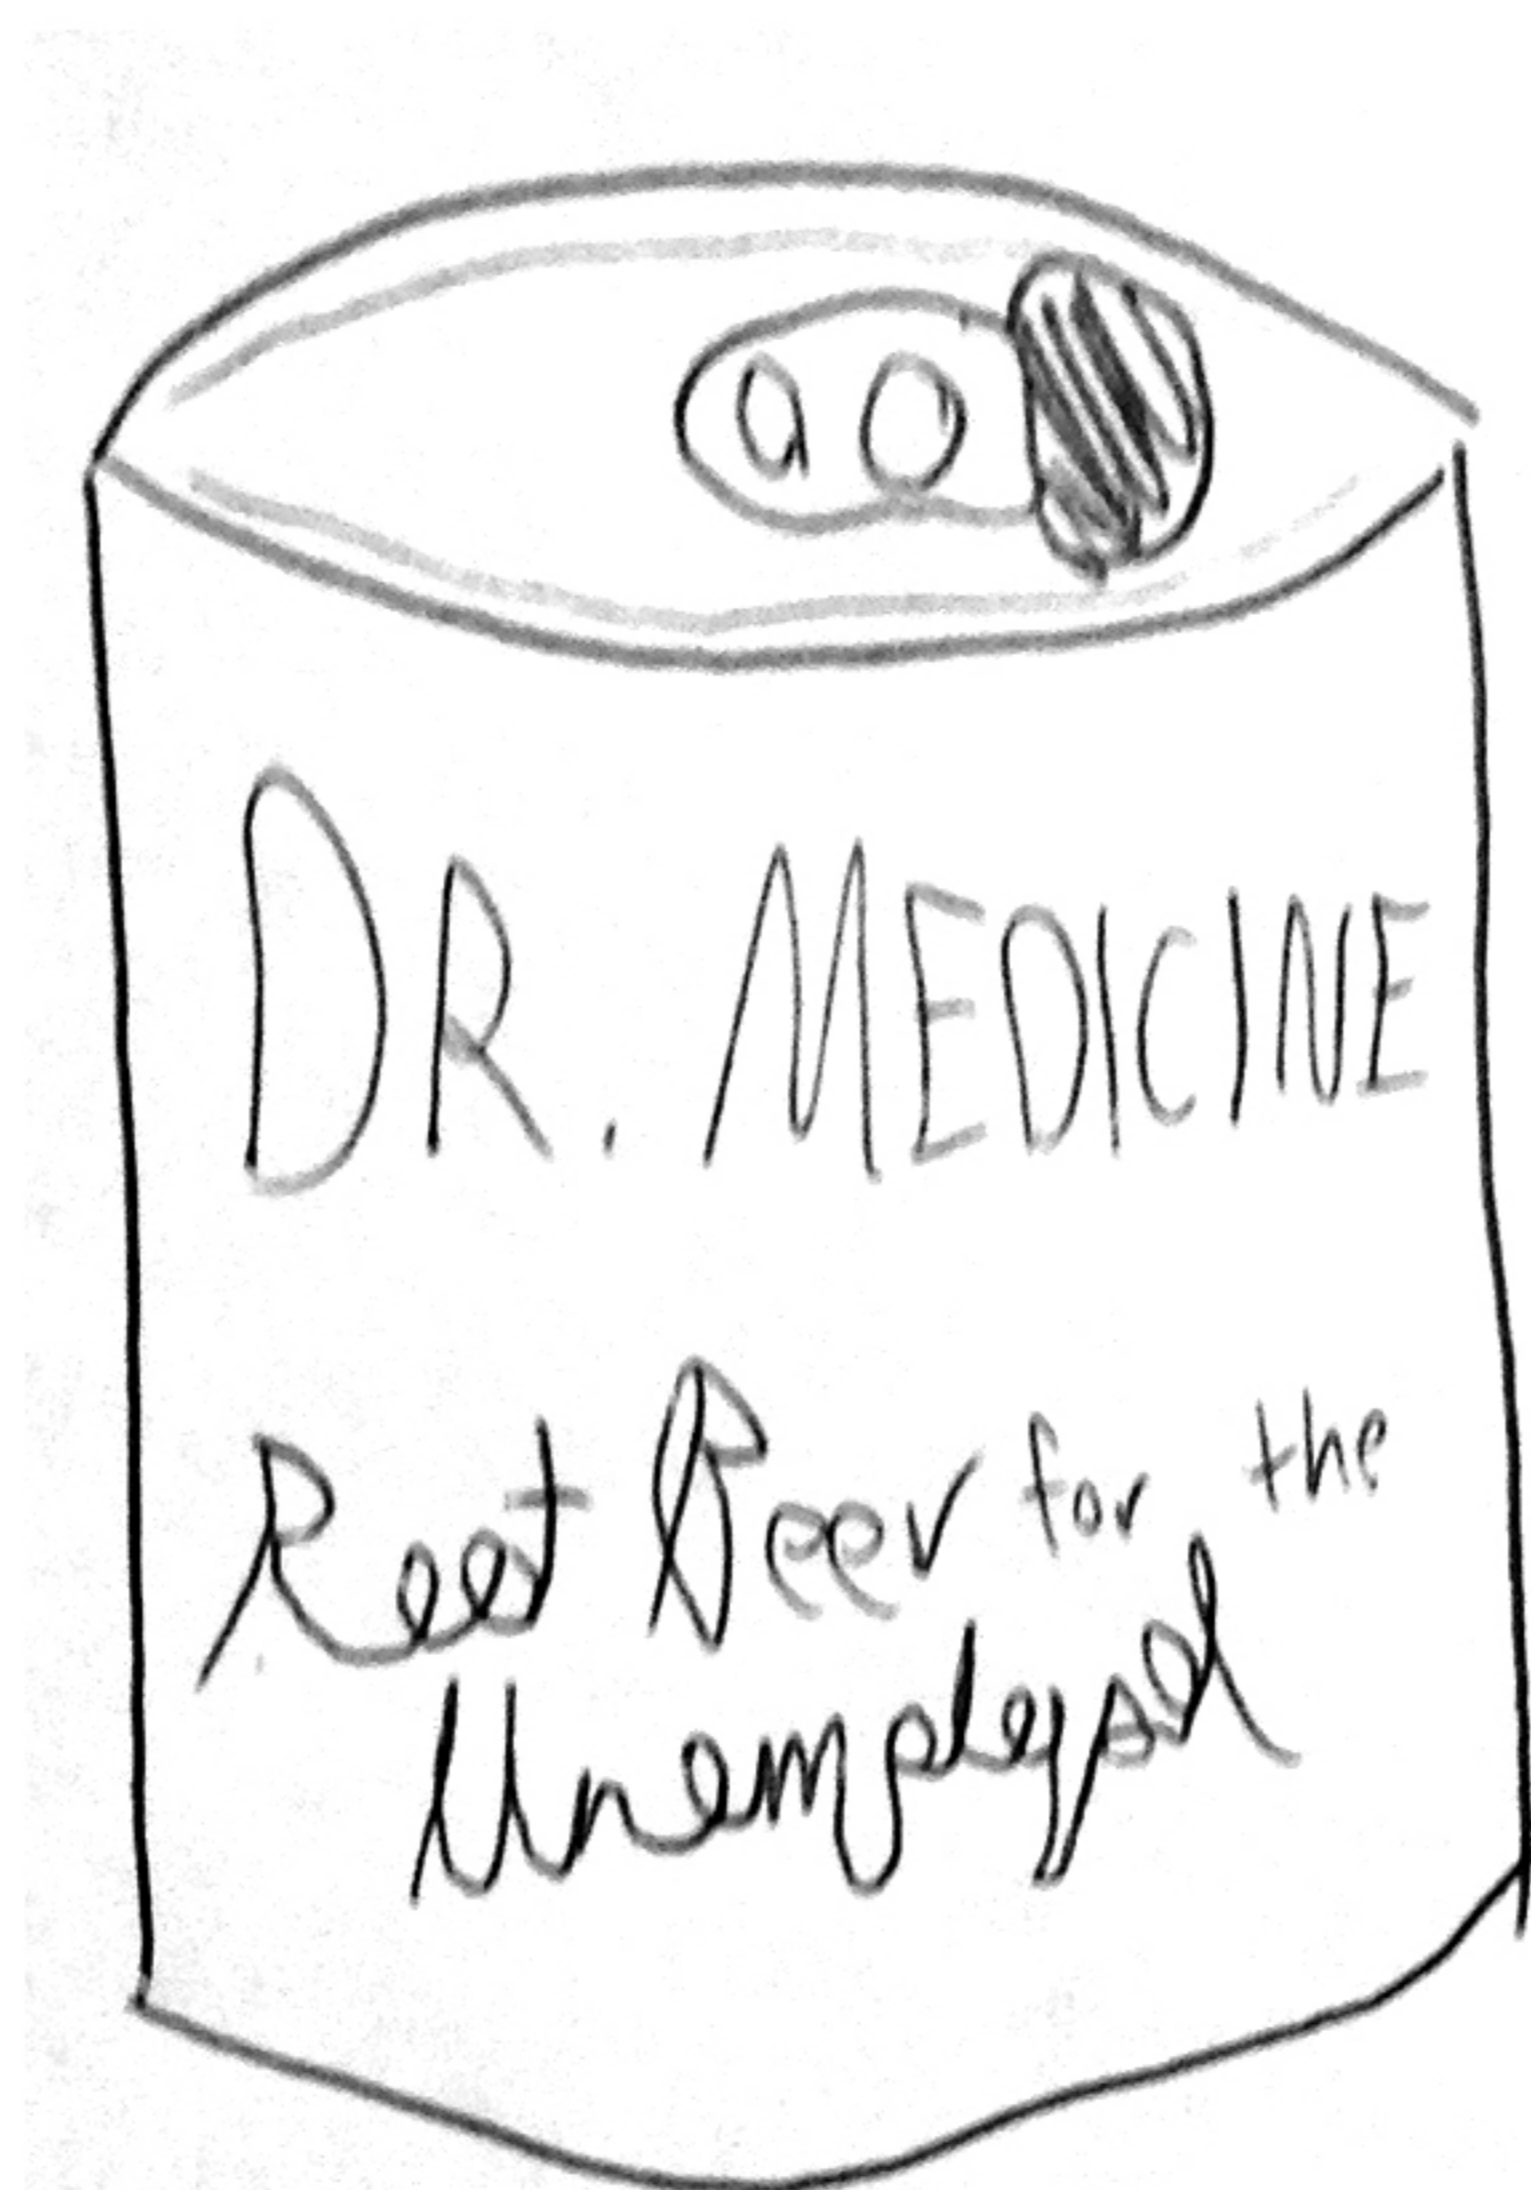

wassup chicken legs,
remember that breathing is emotional labor
and you deserve to be compensated for it
breathe as fast as you can to get rich!

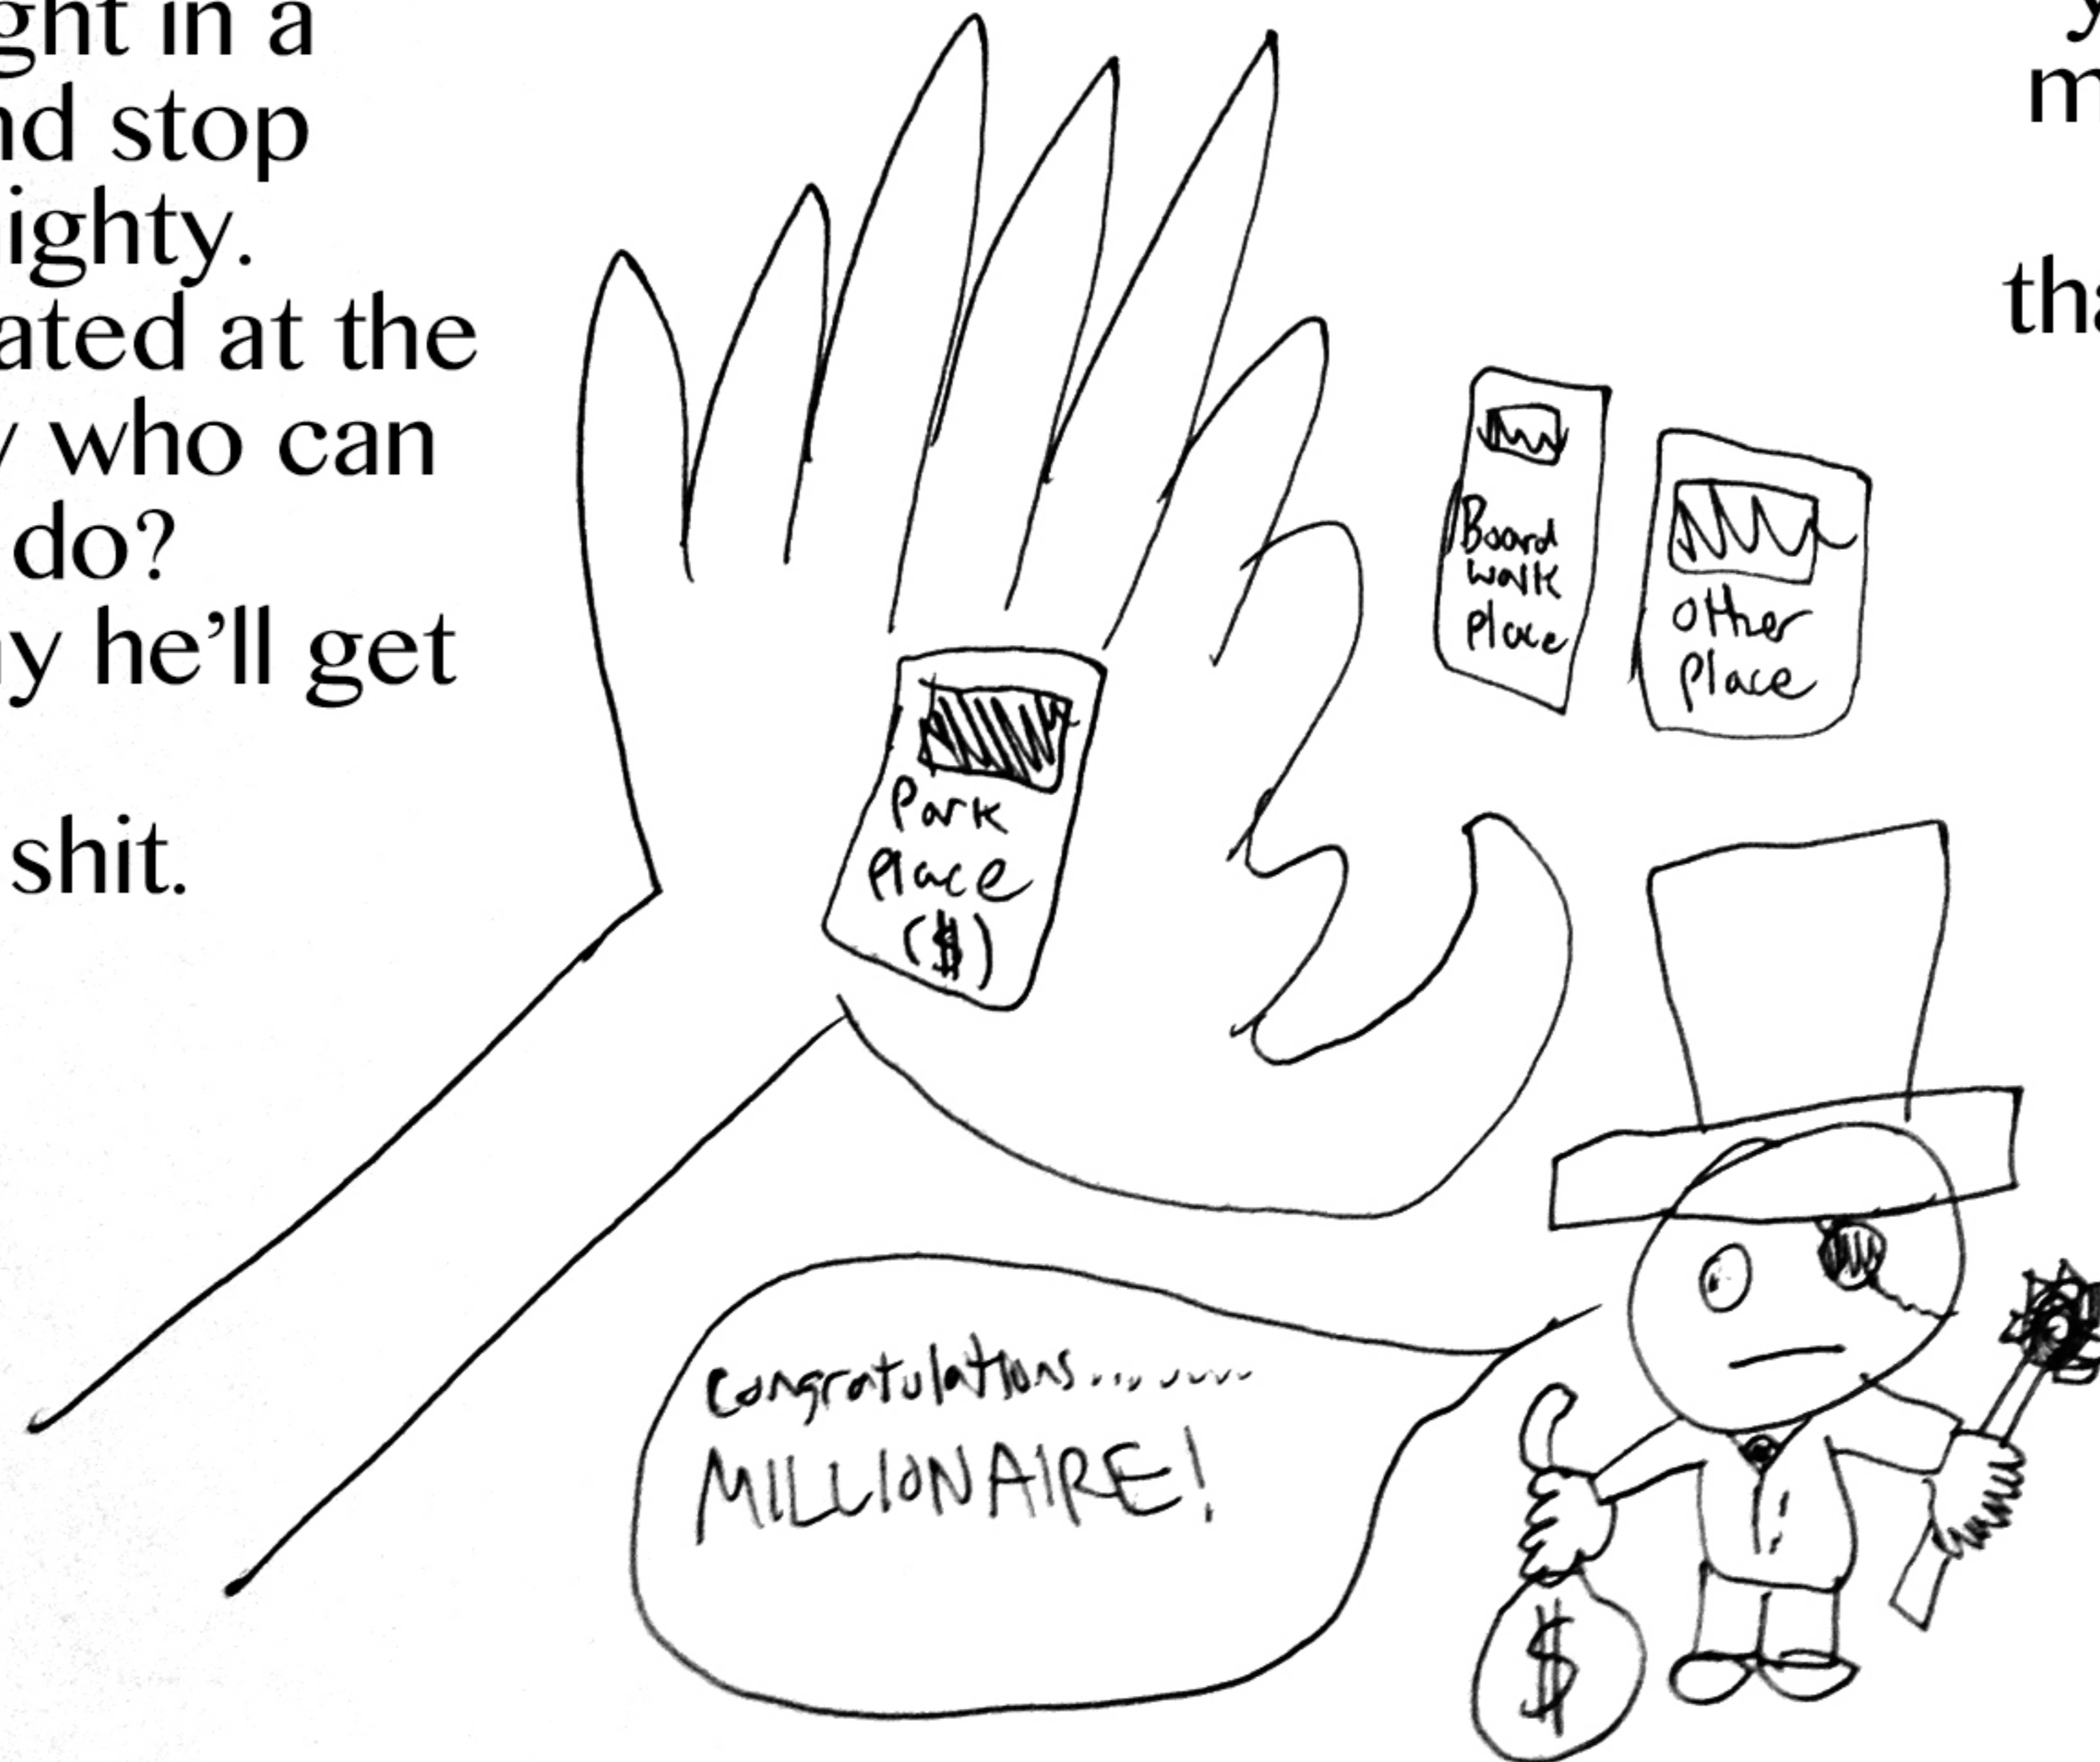

take it sleazy,
remember that breathing
as fast as you can might be a health hazard
breathe slowly, it's fine!
you're just poor and lazy
and that's how you are!

wassup chicken legs,
if you aren't going to brush your teeth before work
that's ok
just slosh some soda around in your mouth

take it sleazy,
if you aren't going to brush your teeth before bed
that's ok
just rub them on the inside of your t-shirt

wassup chicken legs,
do you feel emasculated at work by
your dickhead boss? don't worry,
he's probably a misogynist
and will get me too'd someday.
do you feel emasculated at home
by your teenage son who
tells you to lick his balls then blasts lil peep
in his room as full volume? don't worry,
he'll get his nuts caught in a
thresher someday and stop
acting so high and mighty.
do you feel emasculated at the
bar by another barfly who can
drink more than you do?
don't worry, someday he'll get
fetal alcohol
syndrome—or some shit.

take it sleazy,
oh your boss is president of HSBC now?
hm. oh well.
your son is a twitch streamer
making \$300K playing a damn
video game? well. alright.
that barfly won the mcdonalds
monopoly big prize
and now he's a millionaire?
damn man.
oh well at least
ou'll always have
moral superiority
in your own mind.

wassup chicken legs,
 you wake up and your wife of 20 years
 is fucking the mailman right there
 on the same bed as you
 better go get some fresh air
 and think about things
 surely you can
 restore some illusion
 of control
 to your life!

take it sleazy,
 you go to sleep and your wife of 20 years
 is fucking the mailman again.
 he doesn't even have the pretense
 of delivering mail in the evening.
 better go get some fresh air
 and contemplate that
 maybe she's dissatisfied
 with you because
 you're the kind
 of guy who
 reads books
 like this!

wassup chicken legs,
good morning. Remember to brush
the coins off your back
before you get in the shower
because you fell asleep
with your jeans on

take it sleazy,
good night. Remember to
knock the crumbs out of your beard
before you get into bed
or you will wake up attacked
by beards again

wassup chicken legs,
be sure you only view your pornos
in the incognito tab
your exotic tastes can be
used against you at any time
and your chaturbate
tokens must be protected

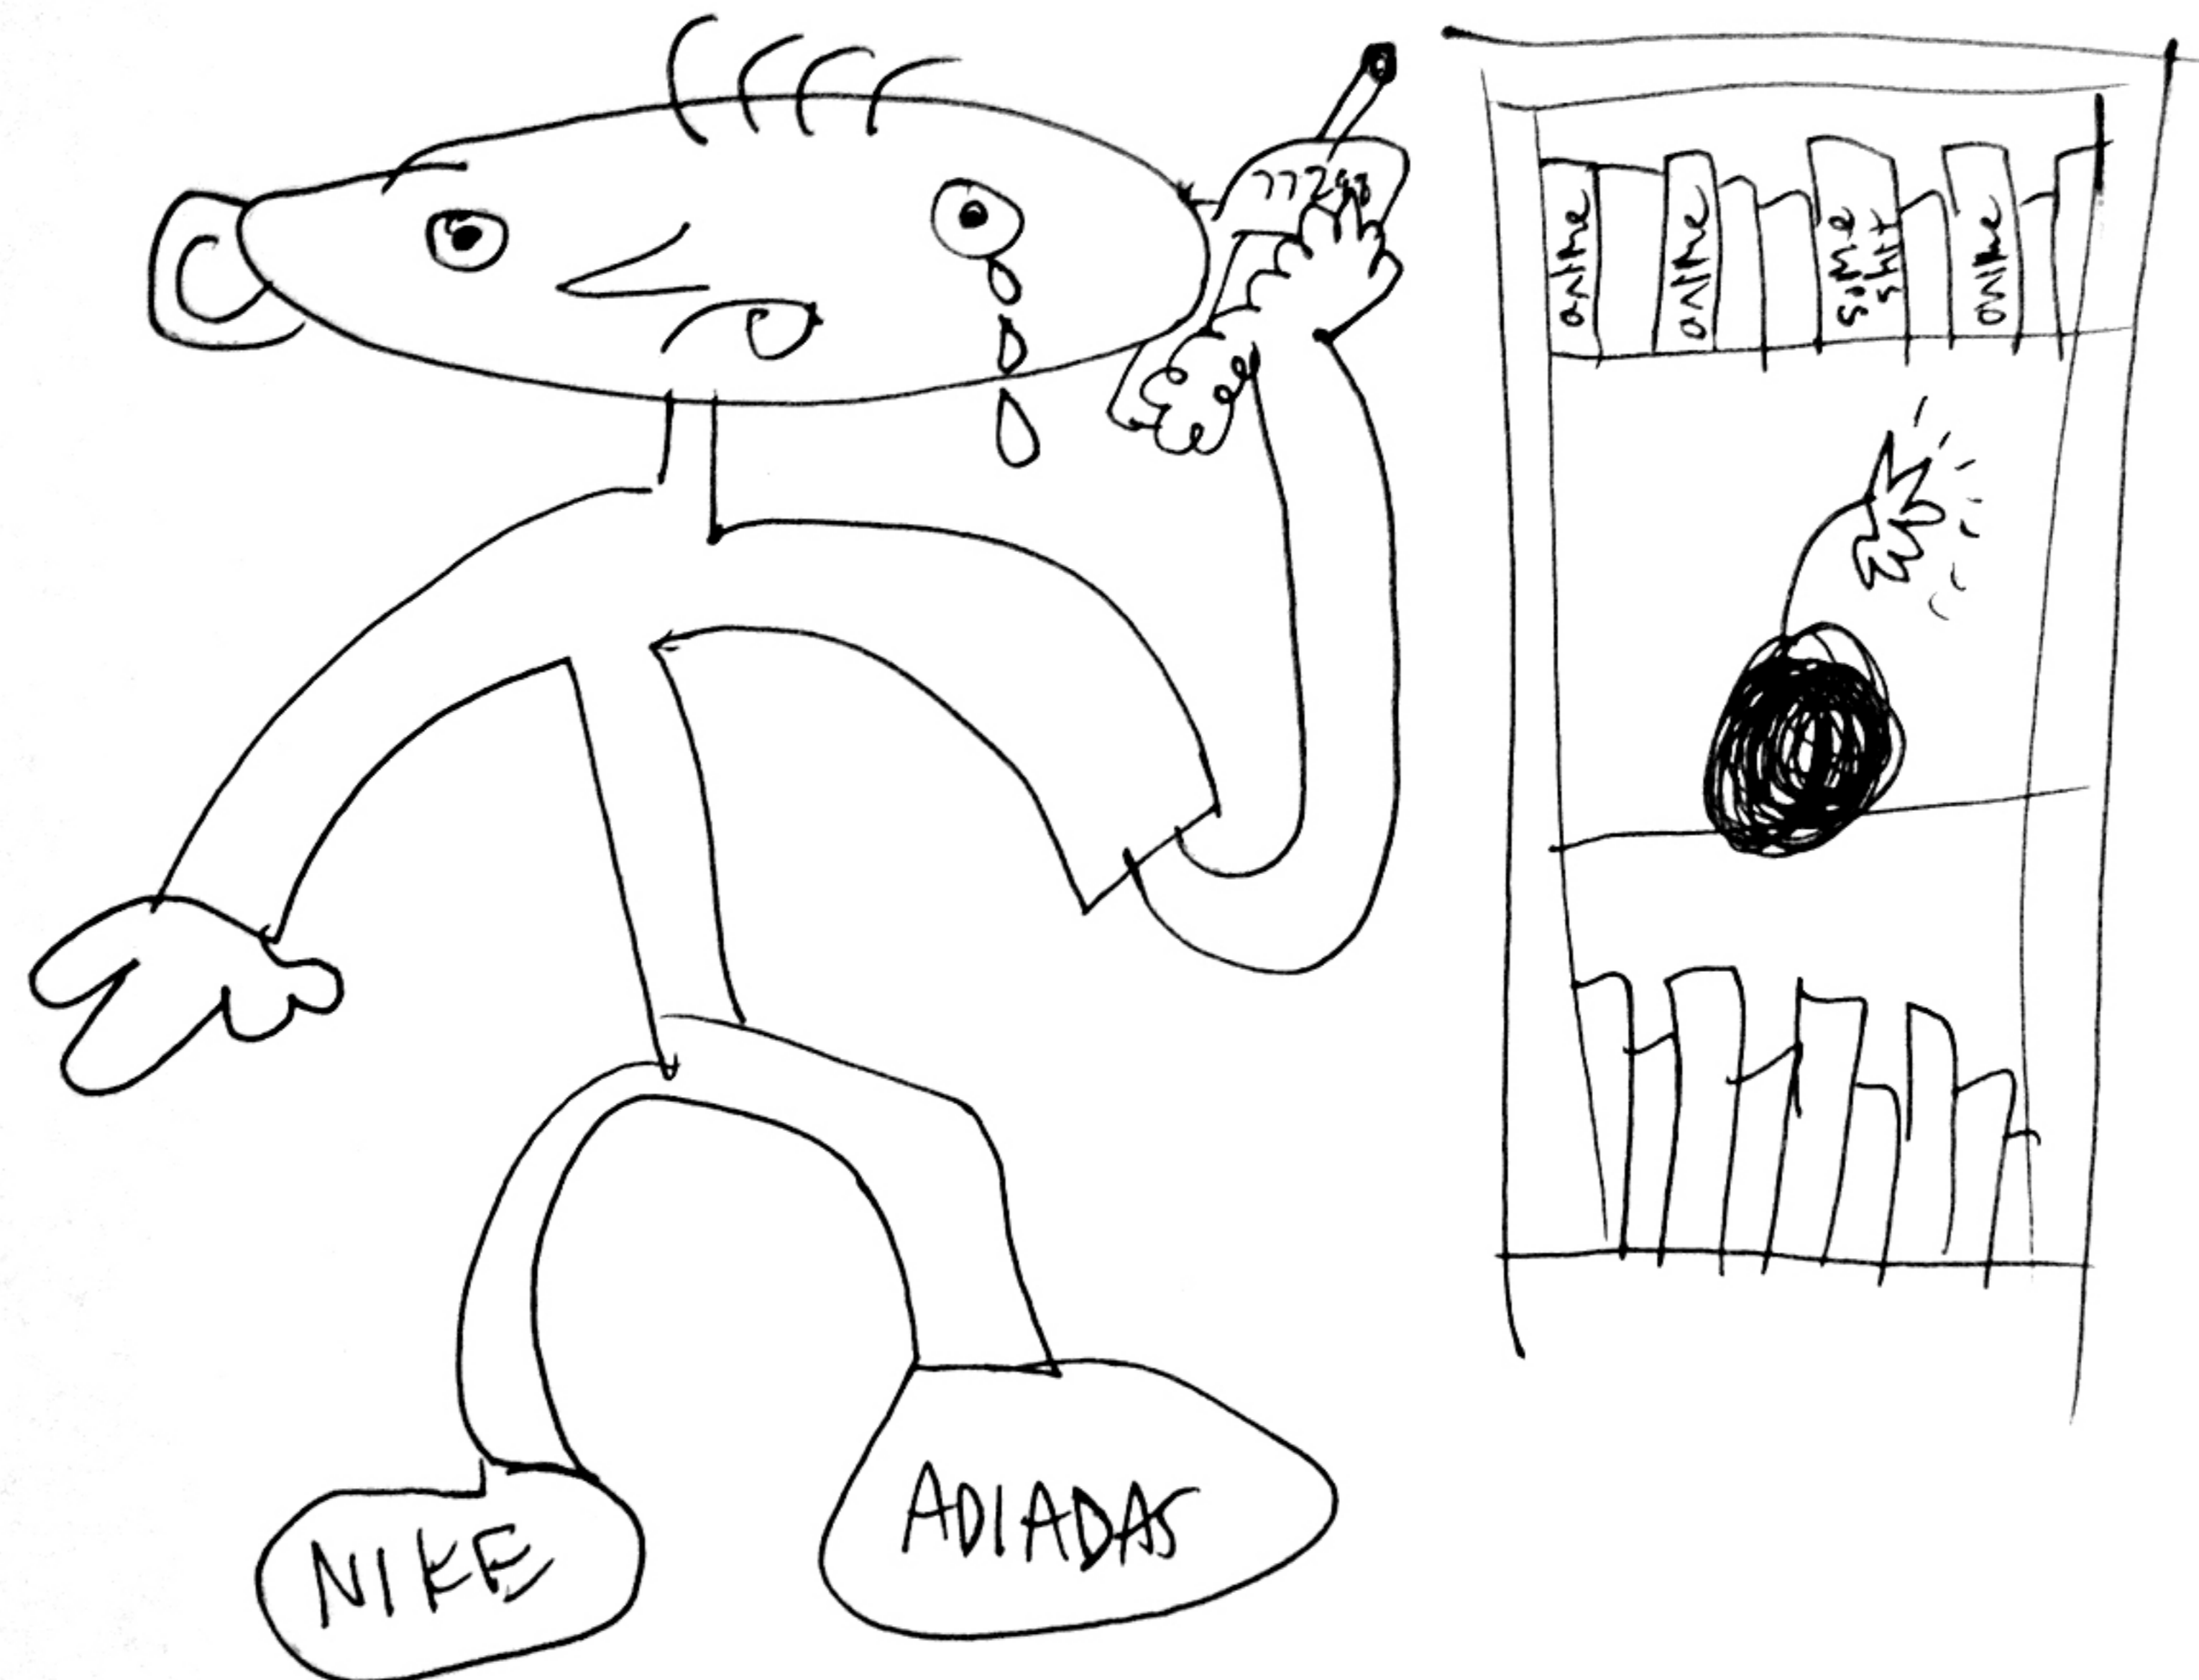

C'mon dog.
Imagine Steve
Harvey seeing you
do this. Go in
incognito. It's a
damn shame!

take it sleazy,
make sure to always click the share link
on Pornhub videos
so that your coworkers and
family are acutely aware
of the idea of a
porno music video

wassup chicken legs,
Today is the day.
you are going to
love yourself today.

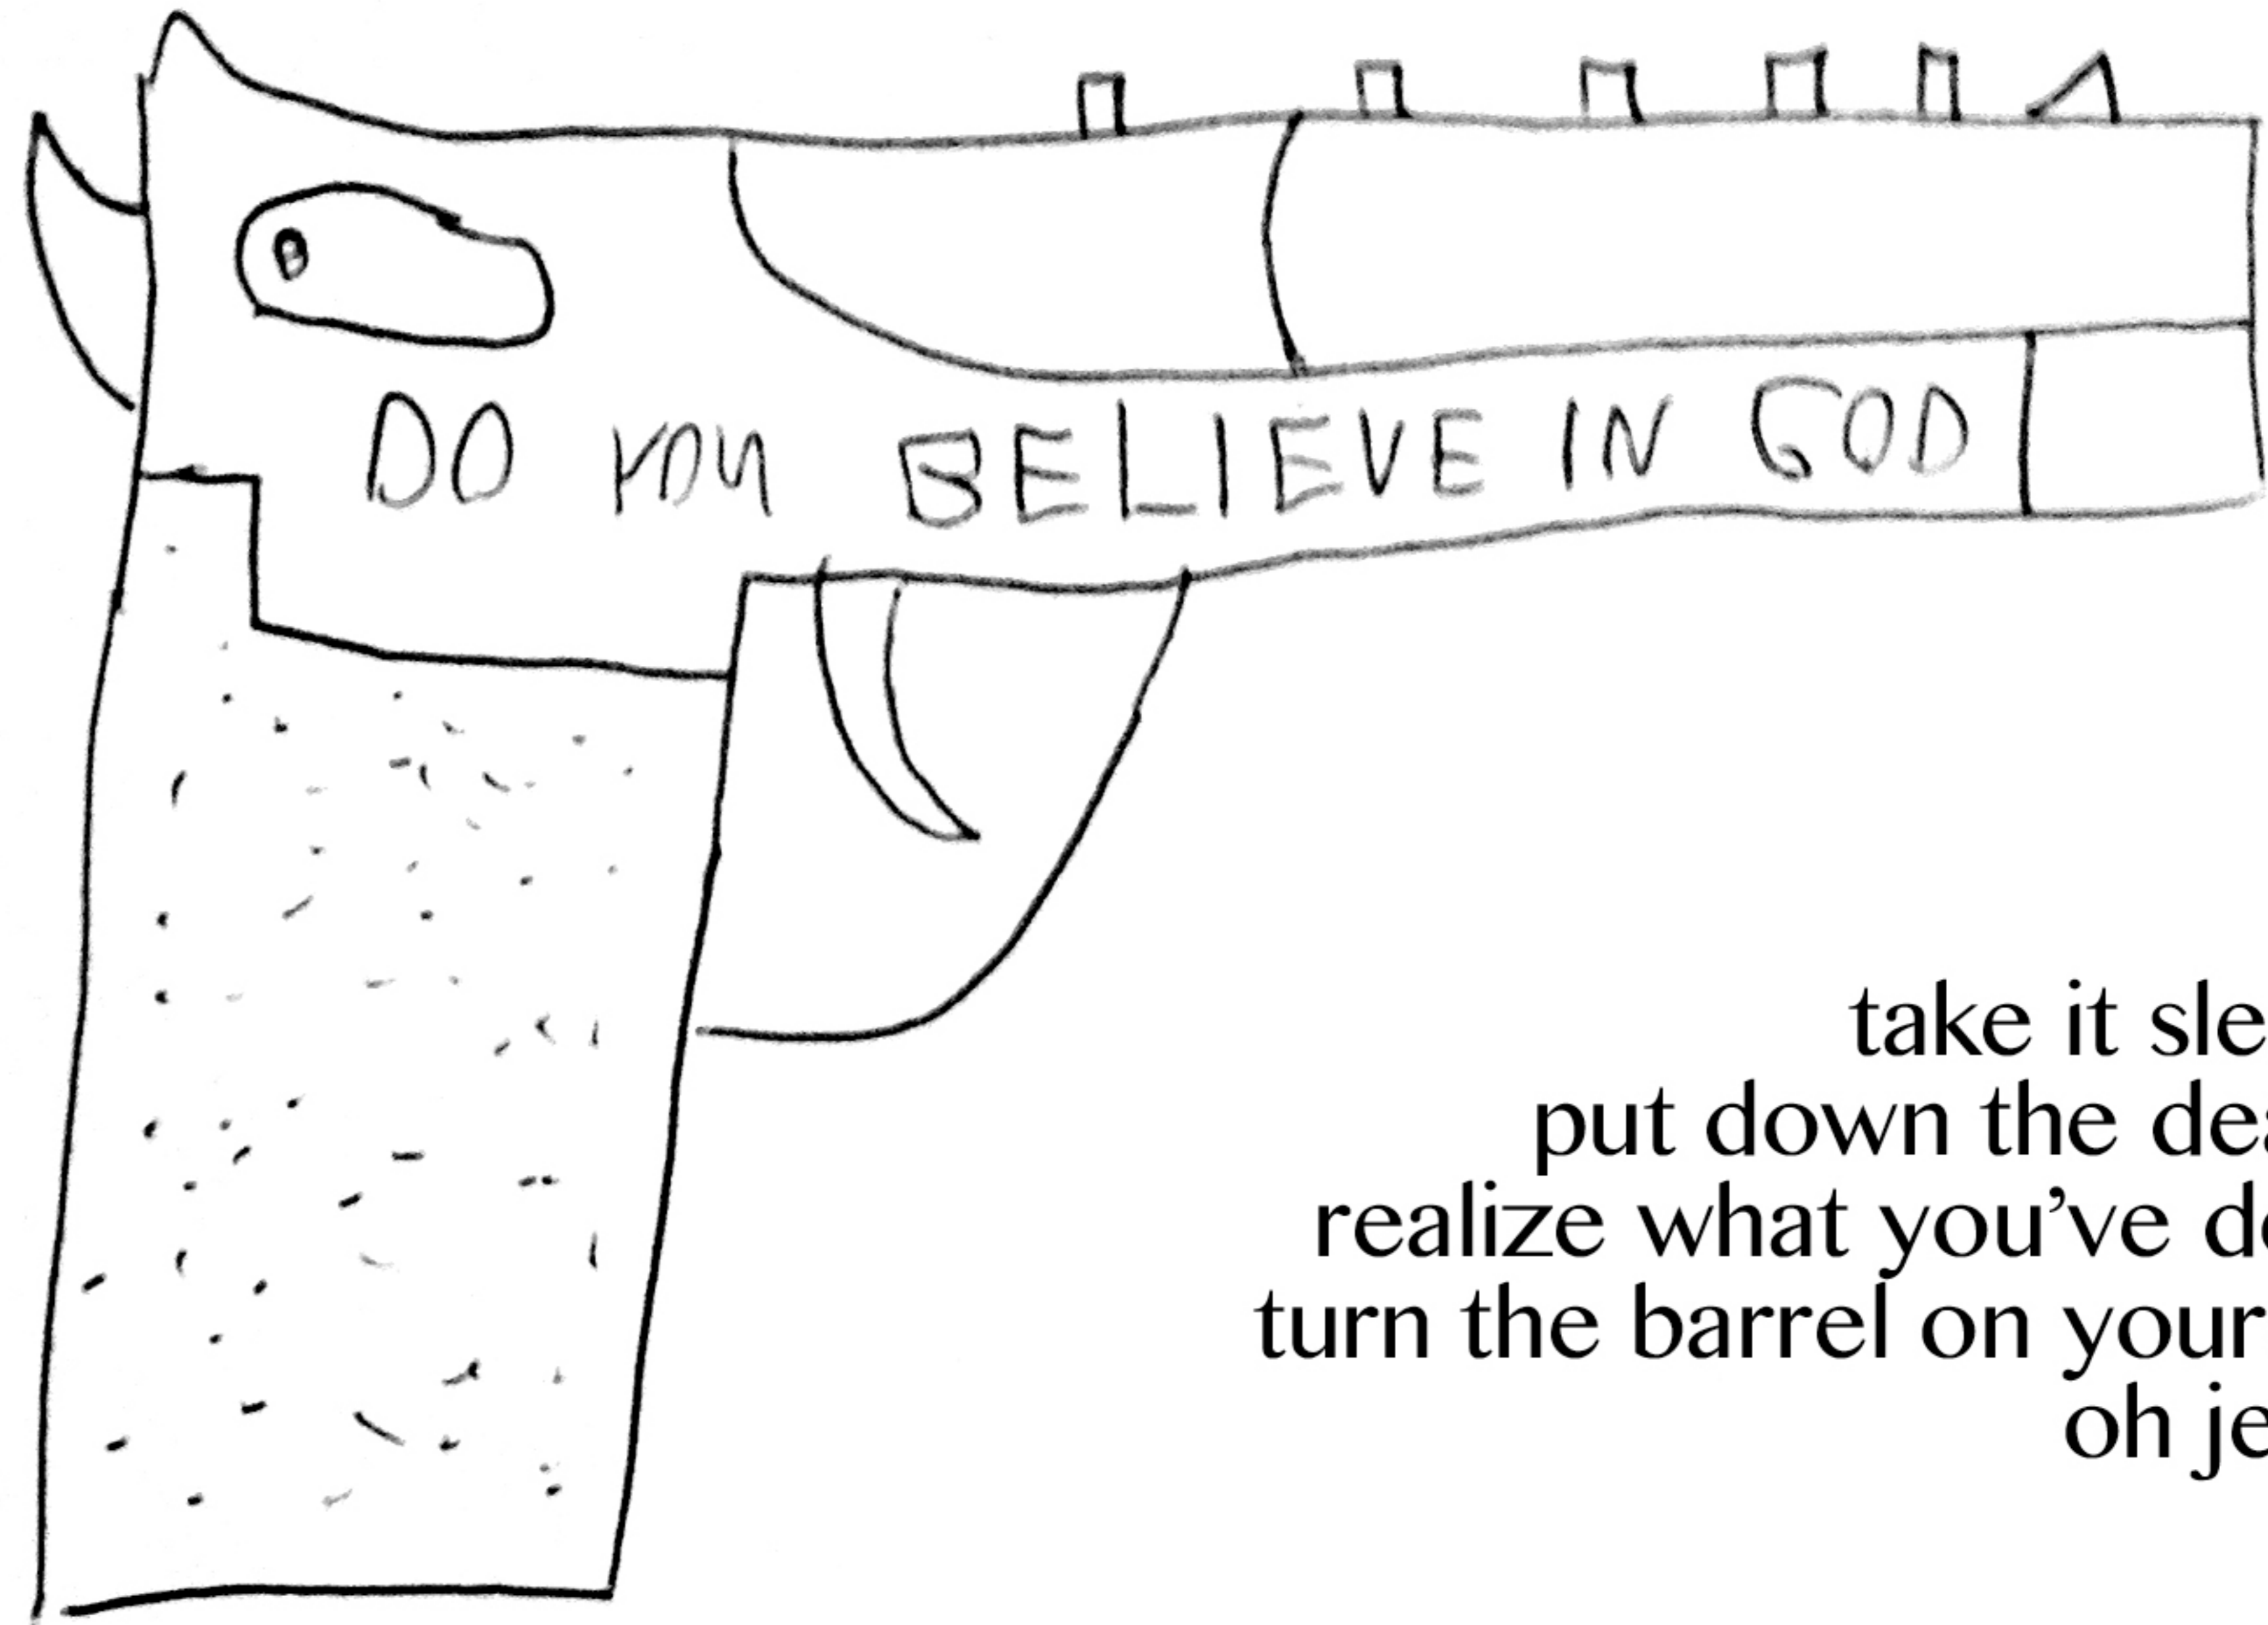

Nope! You don't have time
for the haters today! Nope! Not you
call a bomb threat into your school
Woo! You did it!
Now it's like a one day
summer vacation.

take it sleazy,
They're had it coming for awhile.
It's time they saw you as you see yourself.
Nope! They had their chance!

Nope! Their sins
are the credit
that you are here
to collect.
Woo! You did it!
Their begs for mercy
got you hard.

wassup chicken legs,
pick up the deagle.
visualize a guy
telling you to drink water.
squeeze the trigger.
good lord.

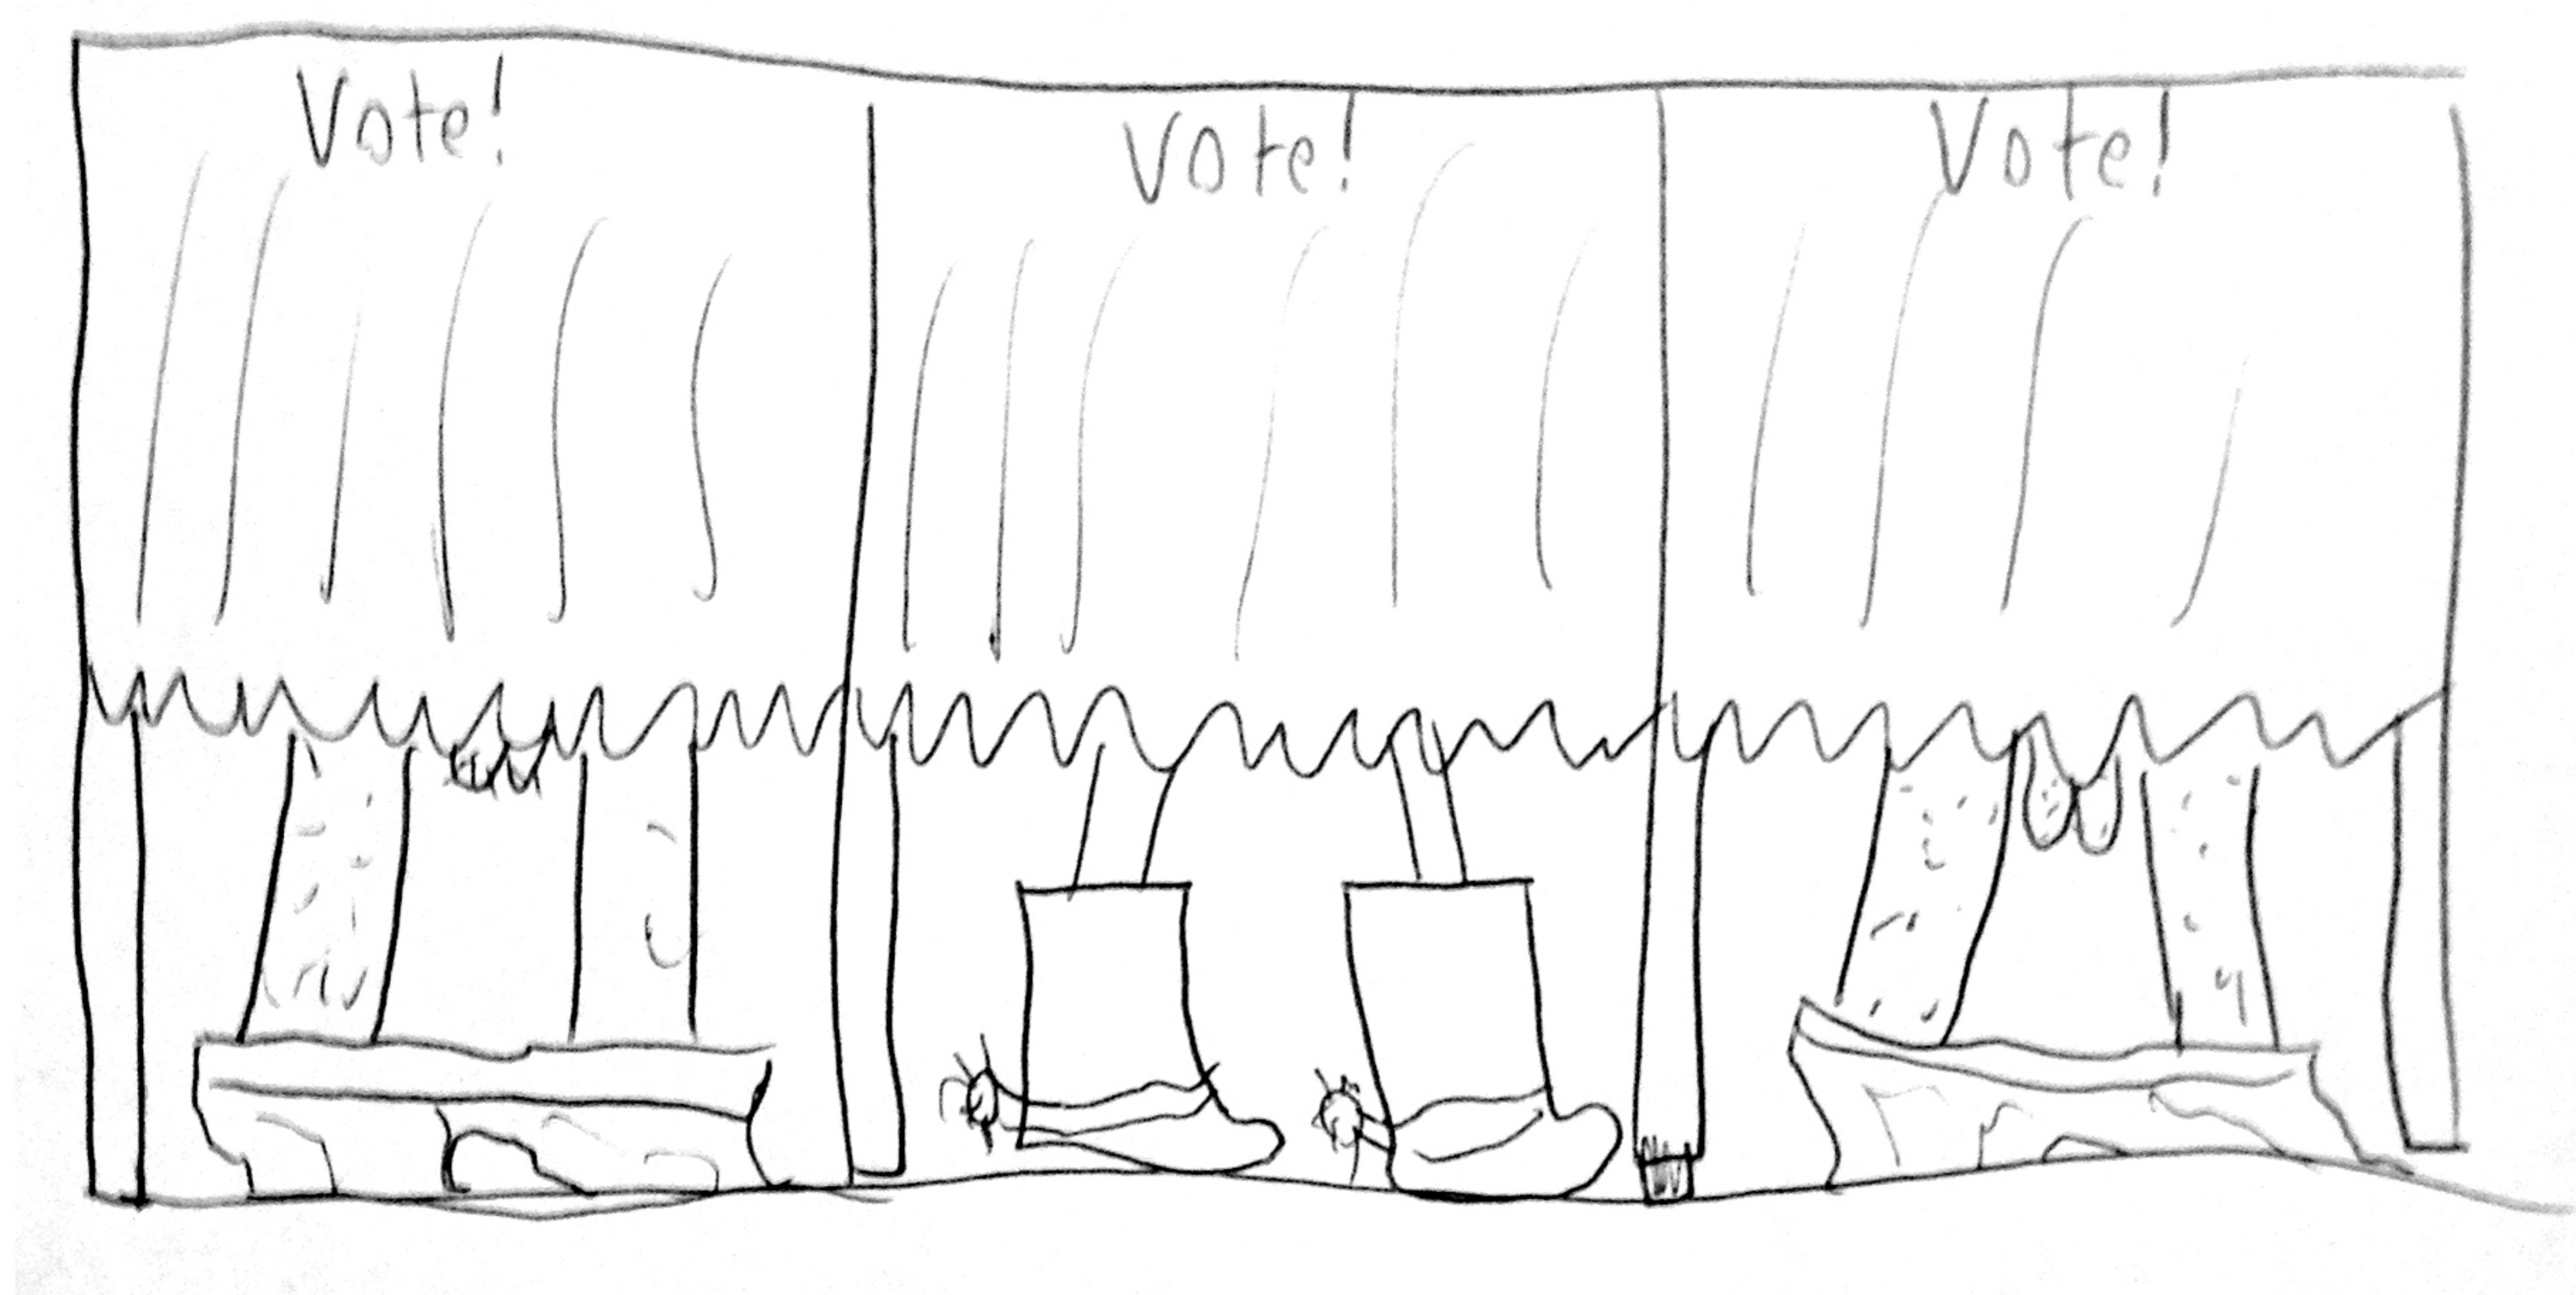

take it sleazy,
put down the deagle
realize what you've done.
turn the barrel on yourself.
oh jesus.

wassup chicken legs,
a little moment is all you need.
Enjoy the silence.
Think to yourself.
Imagine a restaurant
called "Dark Wendy's".
It is an evil version of
the popular fast food
restaurant Wendy's.
You are now ready to take
on the day. Sometimes,
it's just that simple.

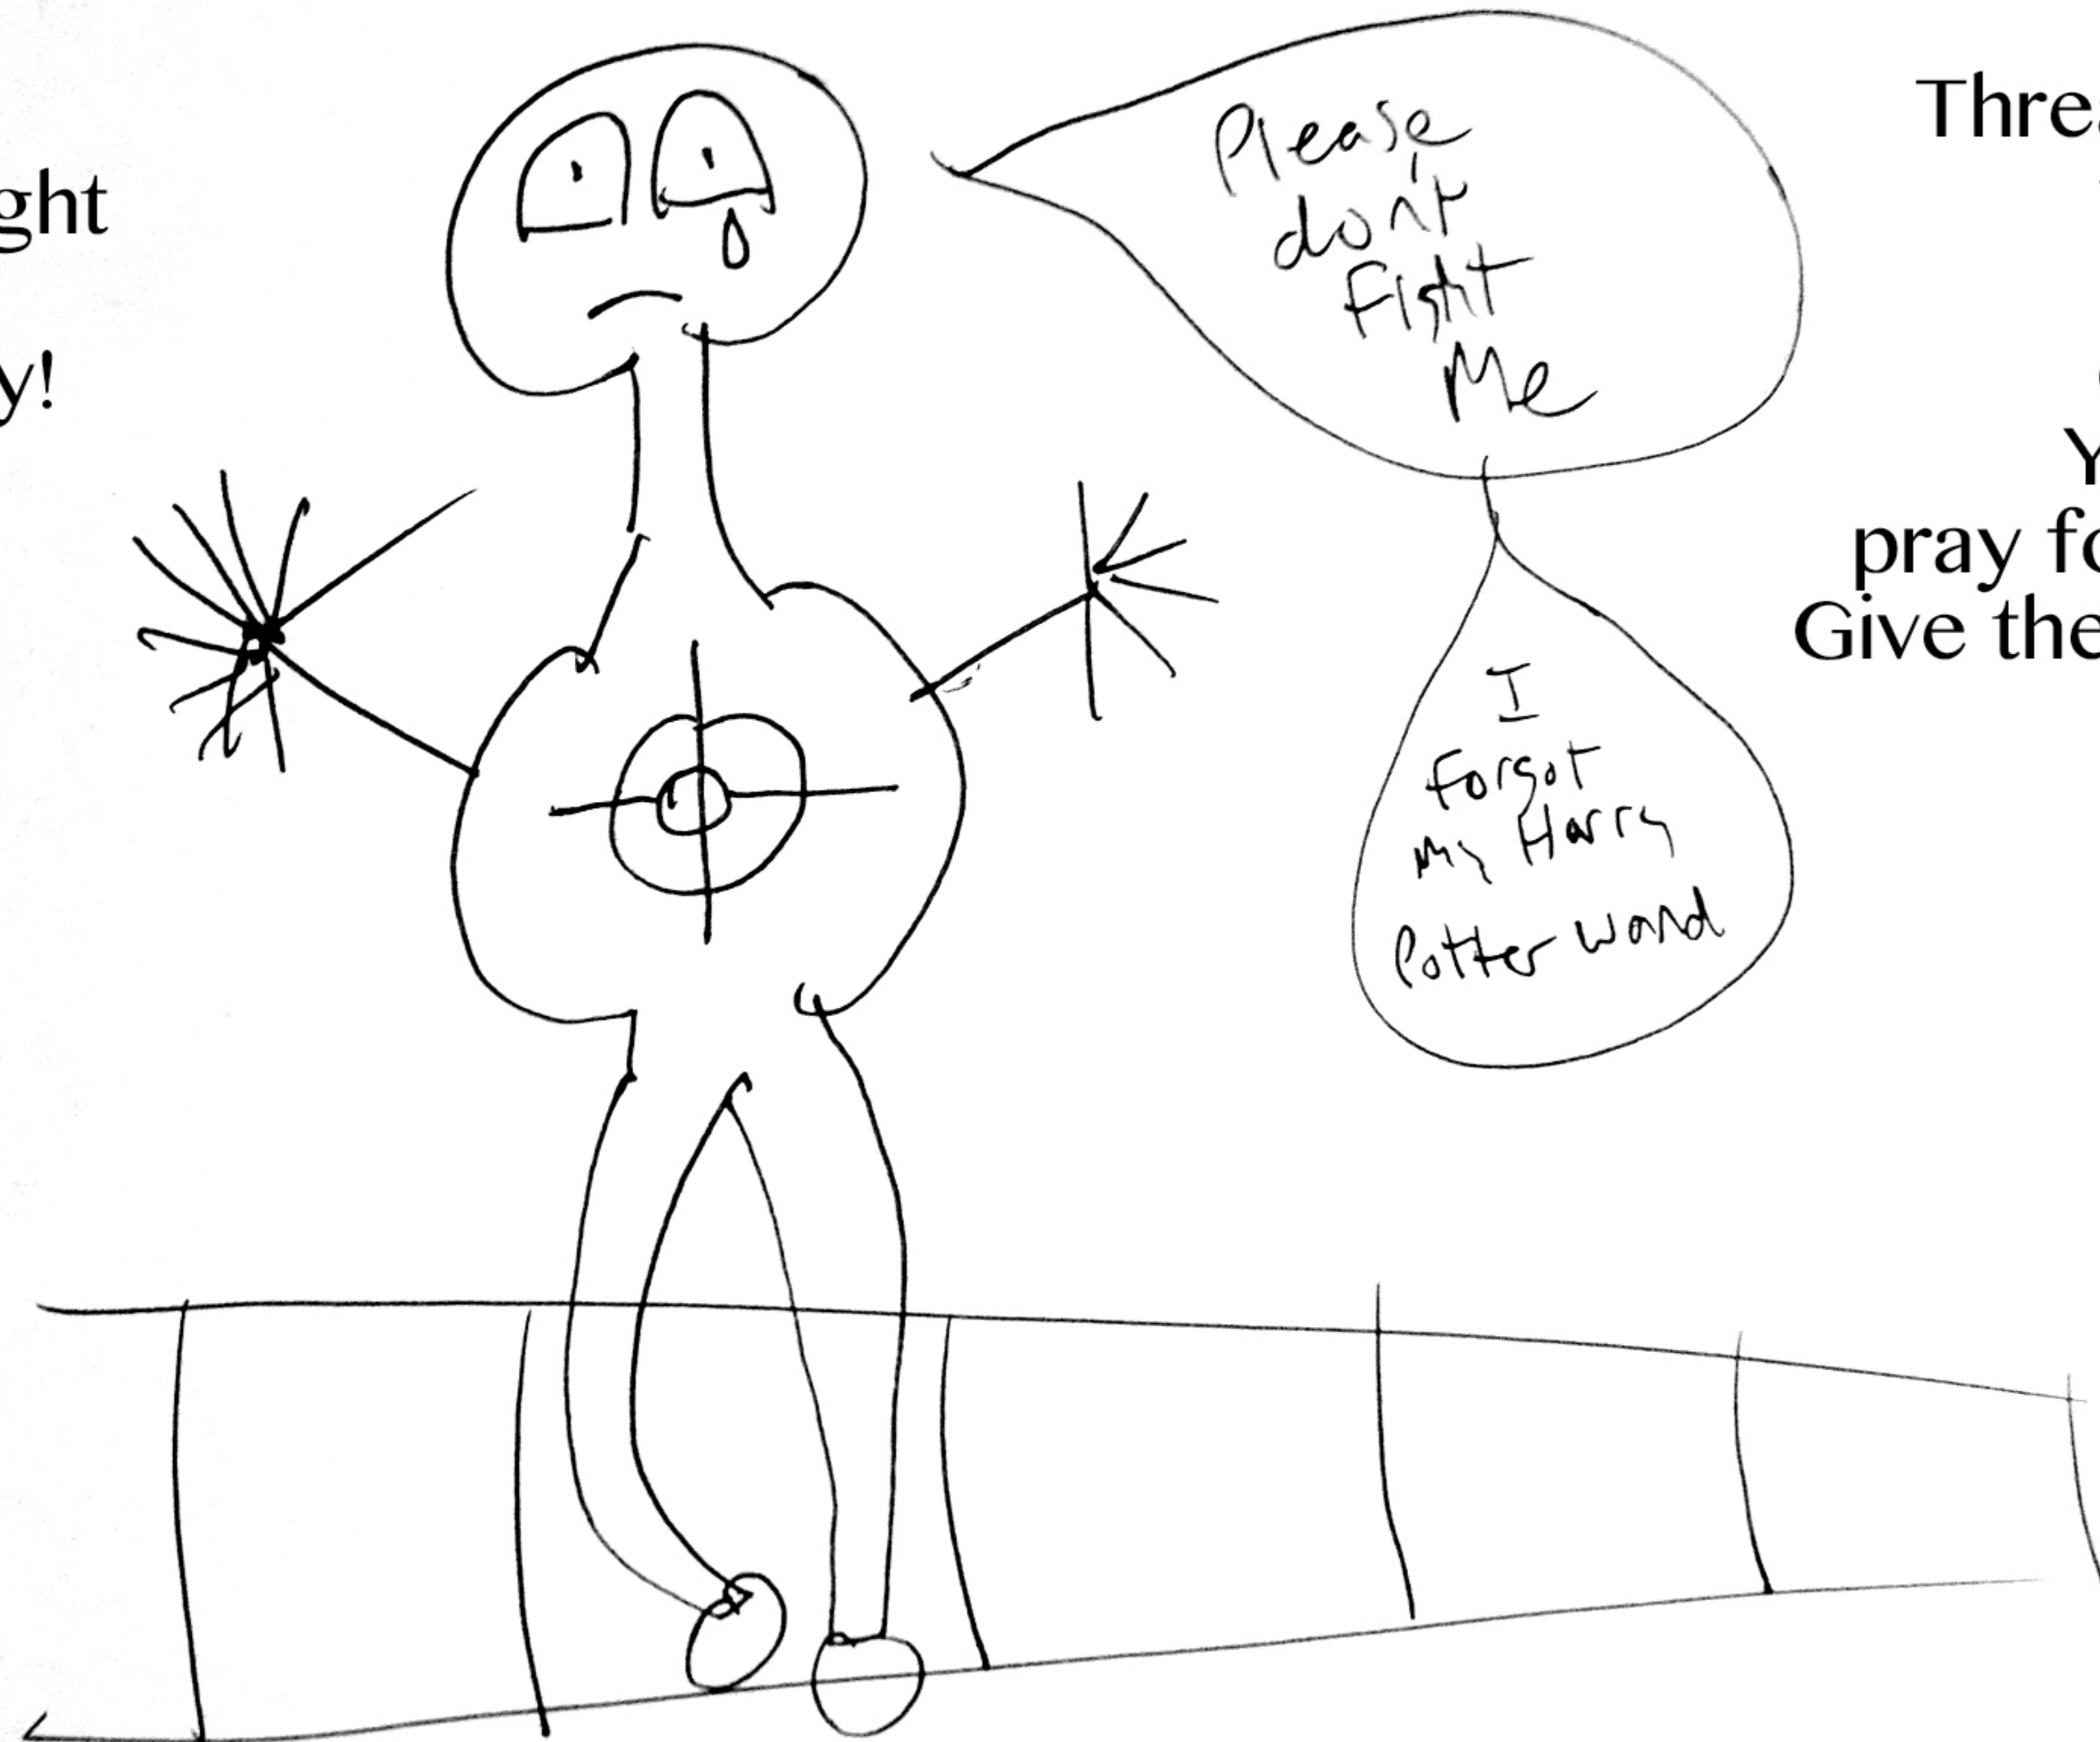

take it sleazy,
Maybe the joker was right.
take a dramatic look
over the city out of a
30th floor window.
This city has a disease.
Imagine a restaurant called
"Chaos Wendy's".
What if their version of the
frosty was just a McFlurry.
You are now ready to conquer
the night. It's too easy.

wassup chicken legs,
time to vote.
its your only duty as a citizen
we want to have benevolent oligarchs
manipulating the levers of power.
it is the best we can do.

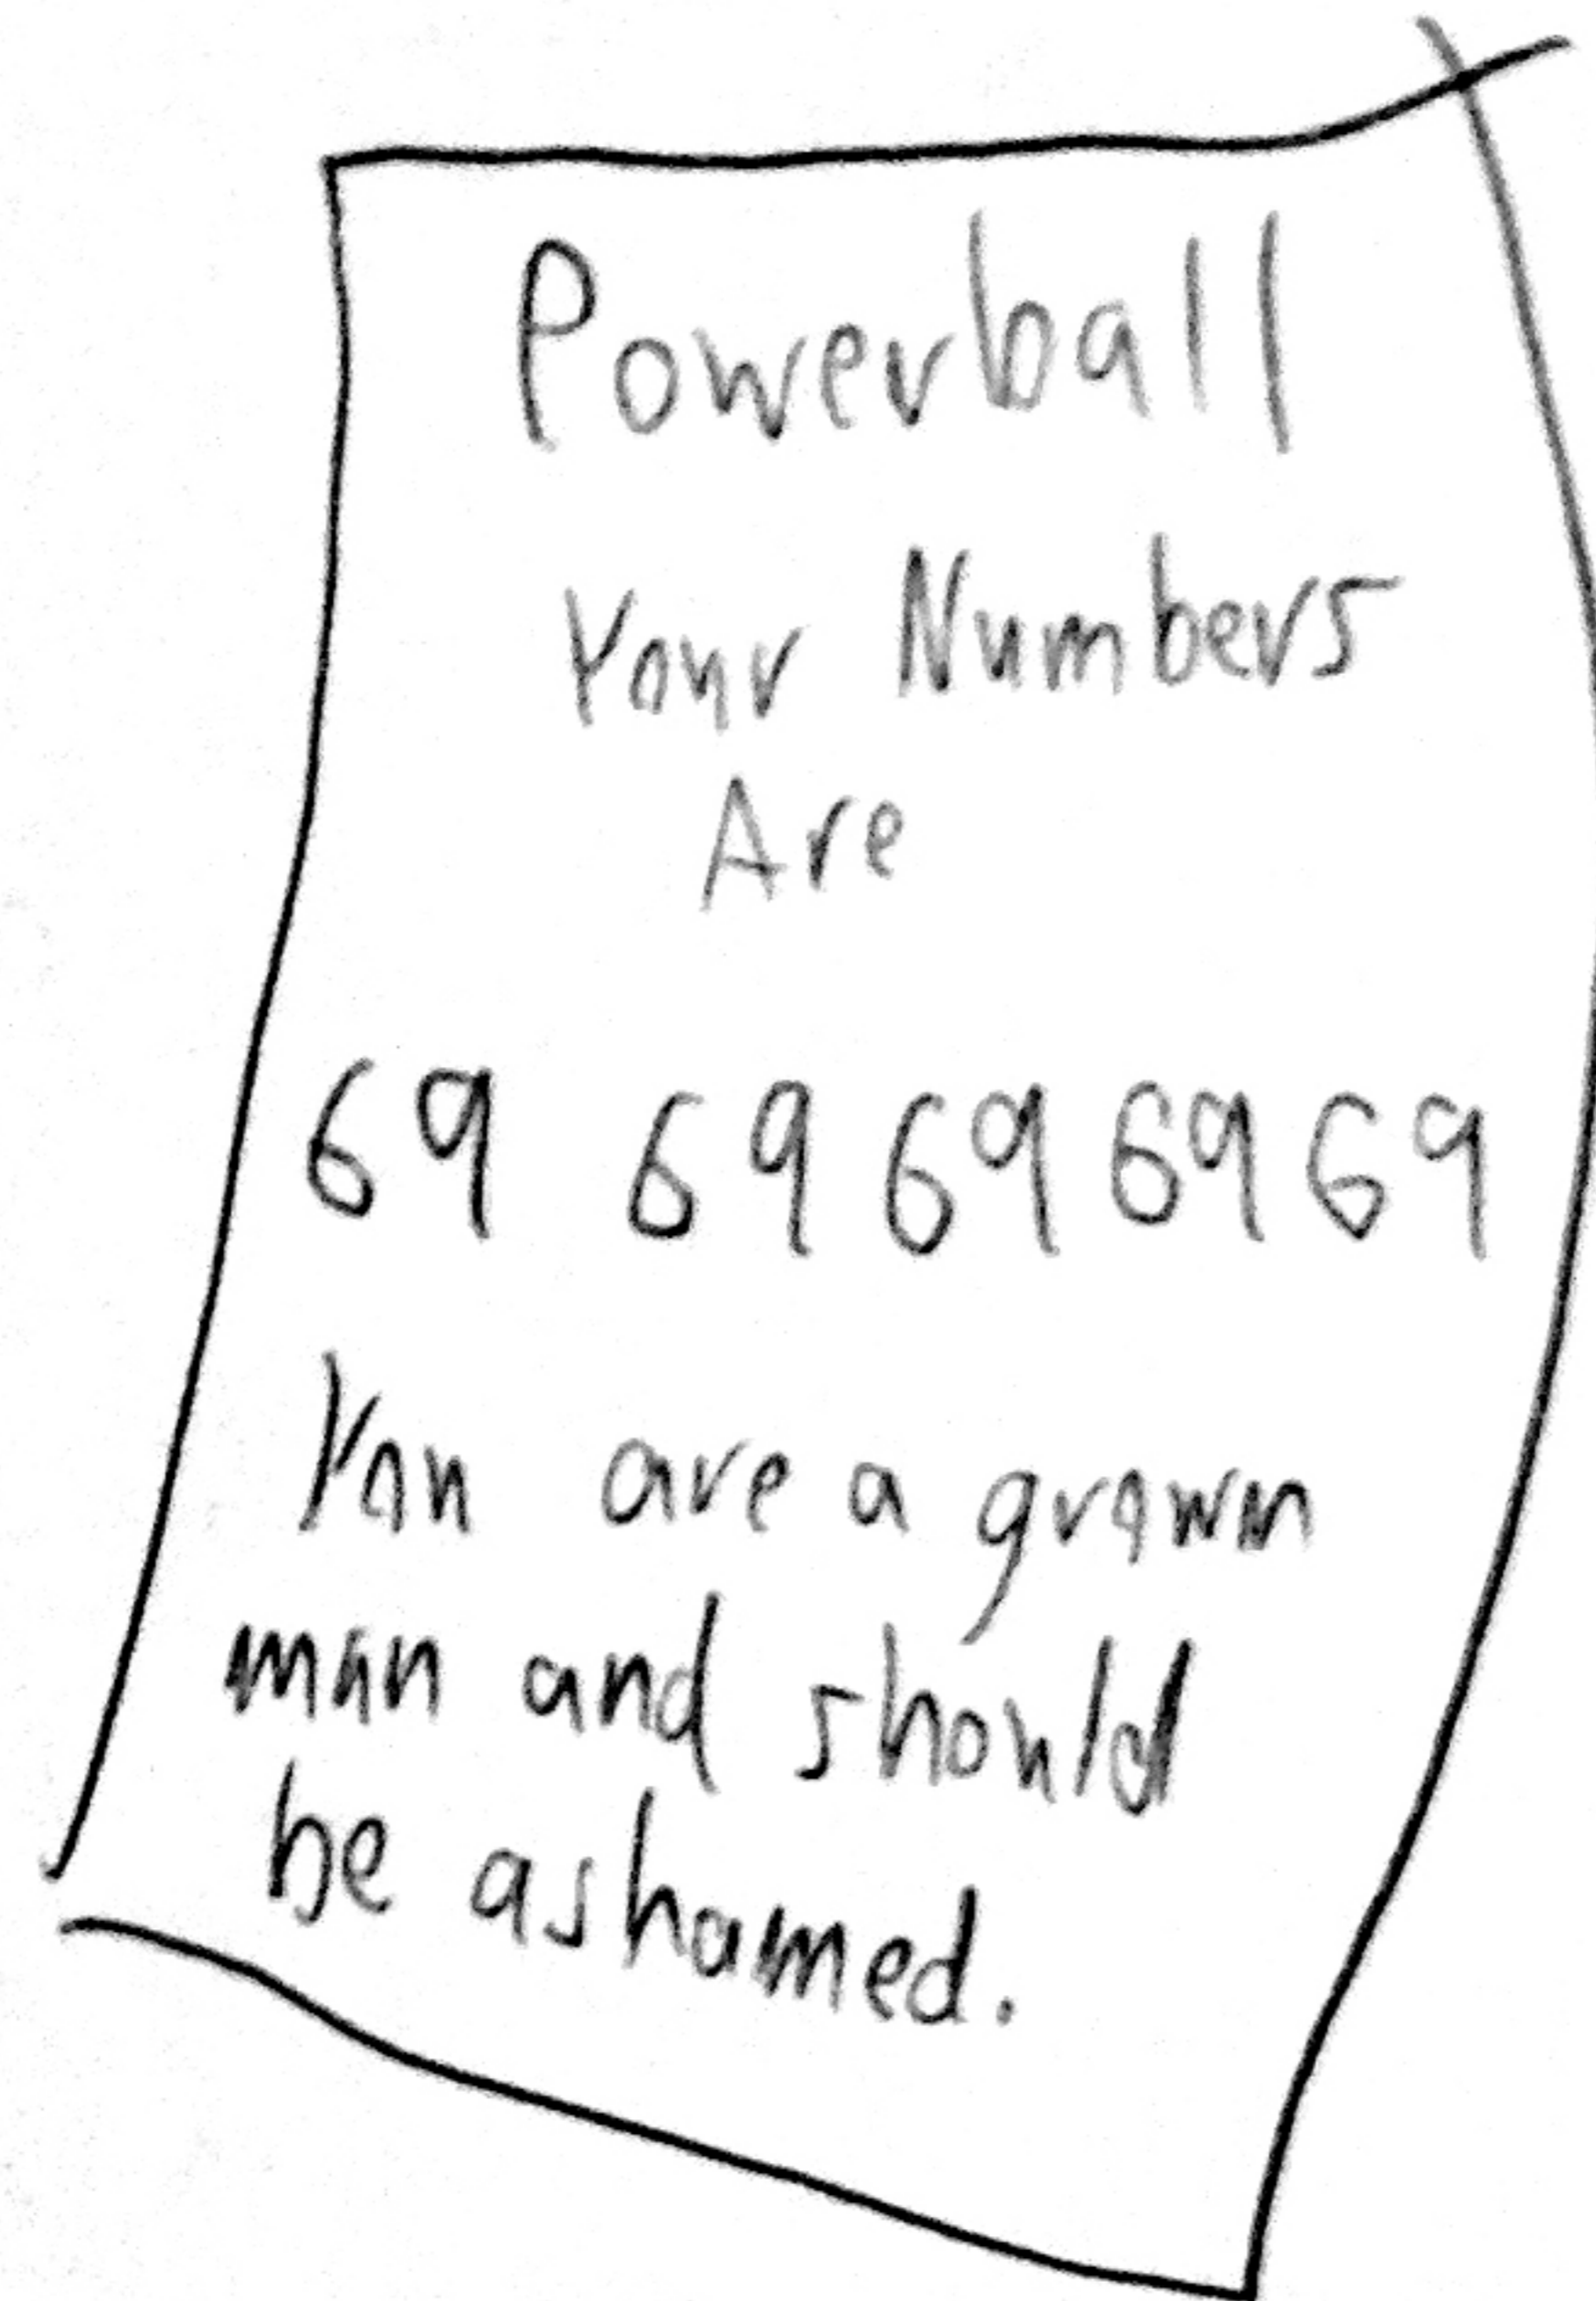

take it sleazy,
you forgot to vote.
we now have malevolent oligarchs
manipulating the levers of power.
still got time to enjoy
a nice cold beer though. not bad.

wassup Chicken Legs,
It's time to face the day! You're ready!
Have a pocket full of sand ready to throw at the day
if it starts to fight dirty!
Wait! Don't bother.
If you are reading
a book like this,
you will lose every fight
you are ever in,
you huge weird pussy!

take it sleazy,
The night is finally here.
You're tired.
Threaten the night online
to meet you to fight
in a parking lot in a
different state. Wait!
You're miserable and
pray for death every night.
Give the night your address,
and open a window.

wassup Chicken Leg,
Big powerball is coming up.
One billion dollars.
Buy as many lottery tickets
as you can afford.
You deserve it.
Tell yourself how much you
would probably give to
charity in your head, and
smile with the satisfaction
that you are a good person,
besides having done nothing.

Powerball
Your Numbers
Are
69 69 69 69 69
You are a grown
man and should
be ashamed.

take it Sleazy,
Big powerball is coming up. One billion dollars.
Imagine winning and having the ability to escape
working two minimum wage jobs
for 65 hours a week. Imagine some
extravagant reward you would buy,
like a gold four wheeler.
Now imagine some marketing
guy who makes 50k
a year judging you
for not giving a million dollars
to Meals on Wheels.
Now imagine blowing
his brains out.

wassup chicken legs,
wake up. go play the blue collar comedy tour slot machine at the casino.
spend your life savings trying to hit it big. pray for the miracle.
you know you are owed a big win,
even though you did nothing to deserve it
it rocks to be so fragile, and yet so entitled

take it sleazy,
go to sleep. dream about the blue collar
comedy tour slot machine at the casino.
dream about telling jeff foxworthy all the
reasons he is problematic
you are a good person,
and soon the money
will be yours

Wassup chicken legs,
When you feel sad, just remember,
that Harry potter is politics
You are SUCH a good person
Buying this book proves it

Take it sleazy,
Paying \$600 to see Hamilton
makes you smart
You are not a little baby
incapable of operating
in the adult world.
Reading this big book is hard,
but necessary!
Keep On #Adulting!

Ah, a holy spell
indeed...

take it sleazy,

Remind people you were in gifted classes in high school, which was 12 years ago.

Quit your job and chase your dreams, which is to abandon your kid. Call this 'a decision true to my authentic self'. Use overly analytic

language to redeem your own actions constantly, but post online about the

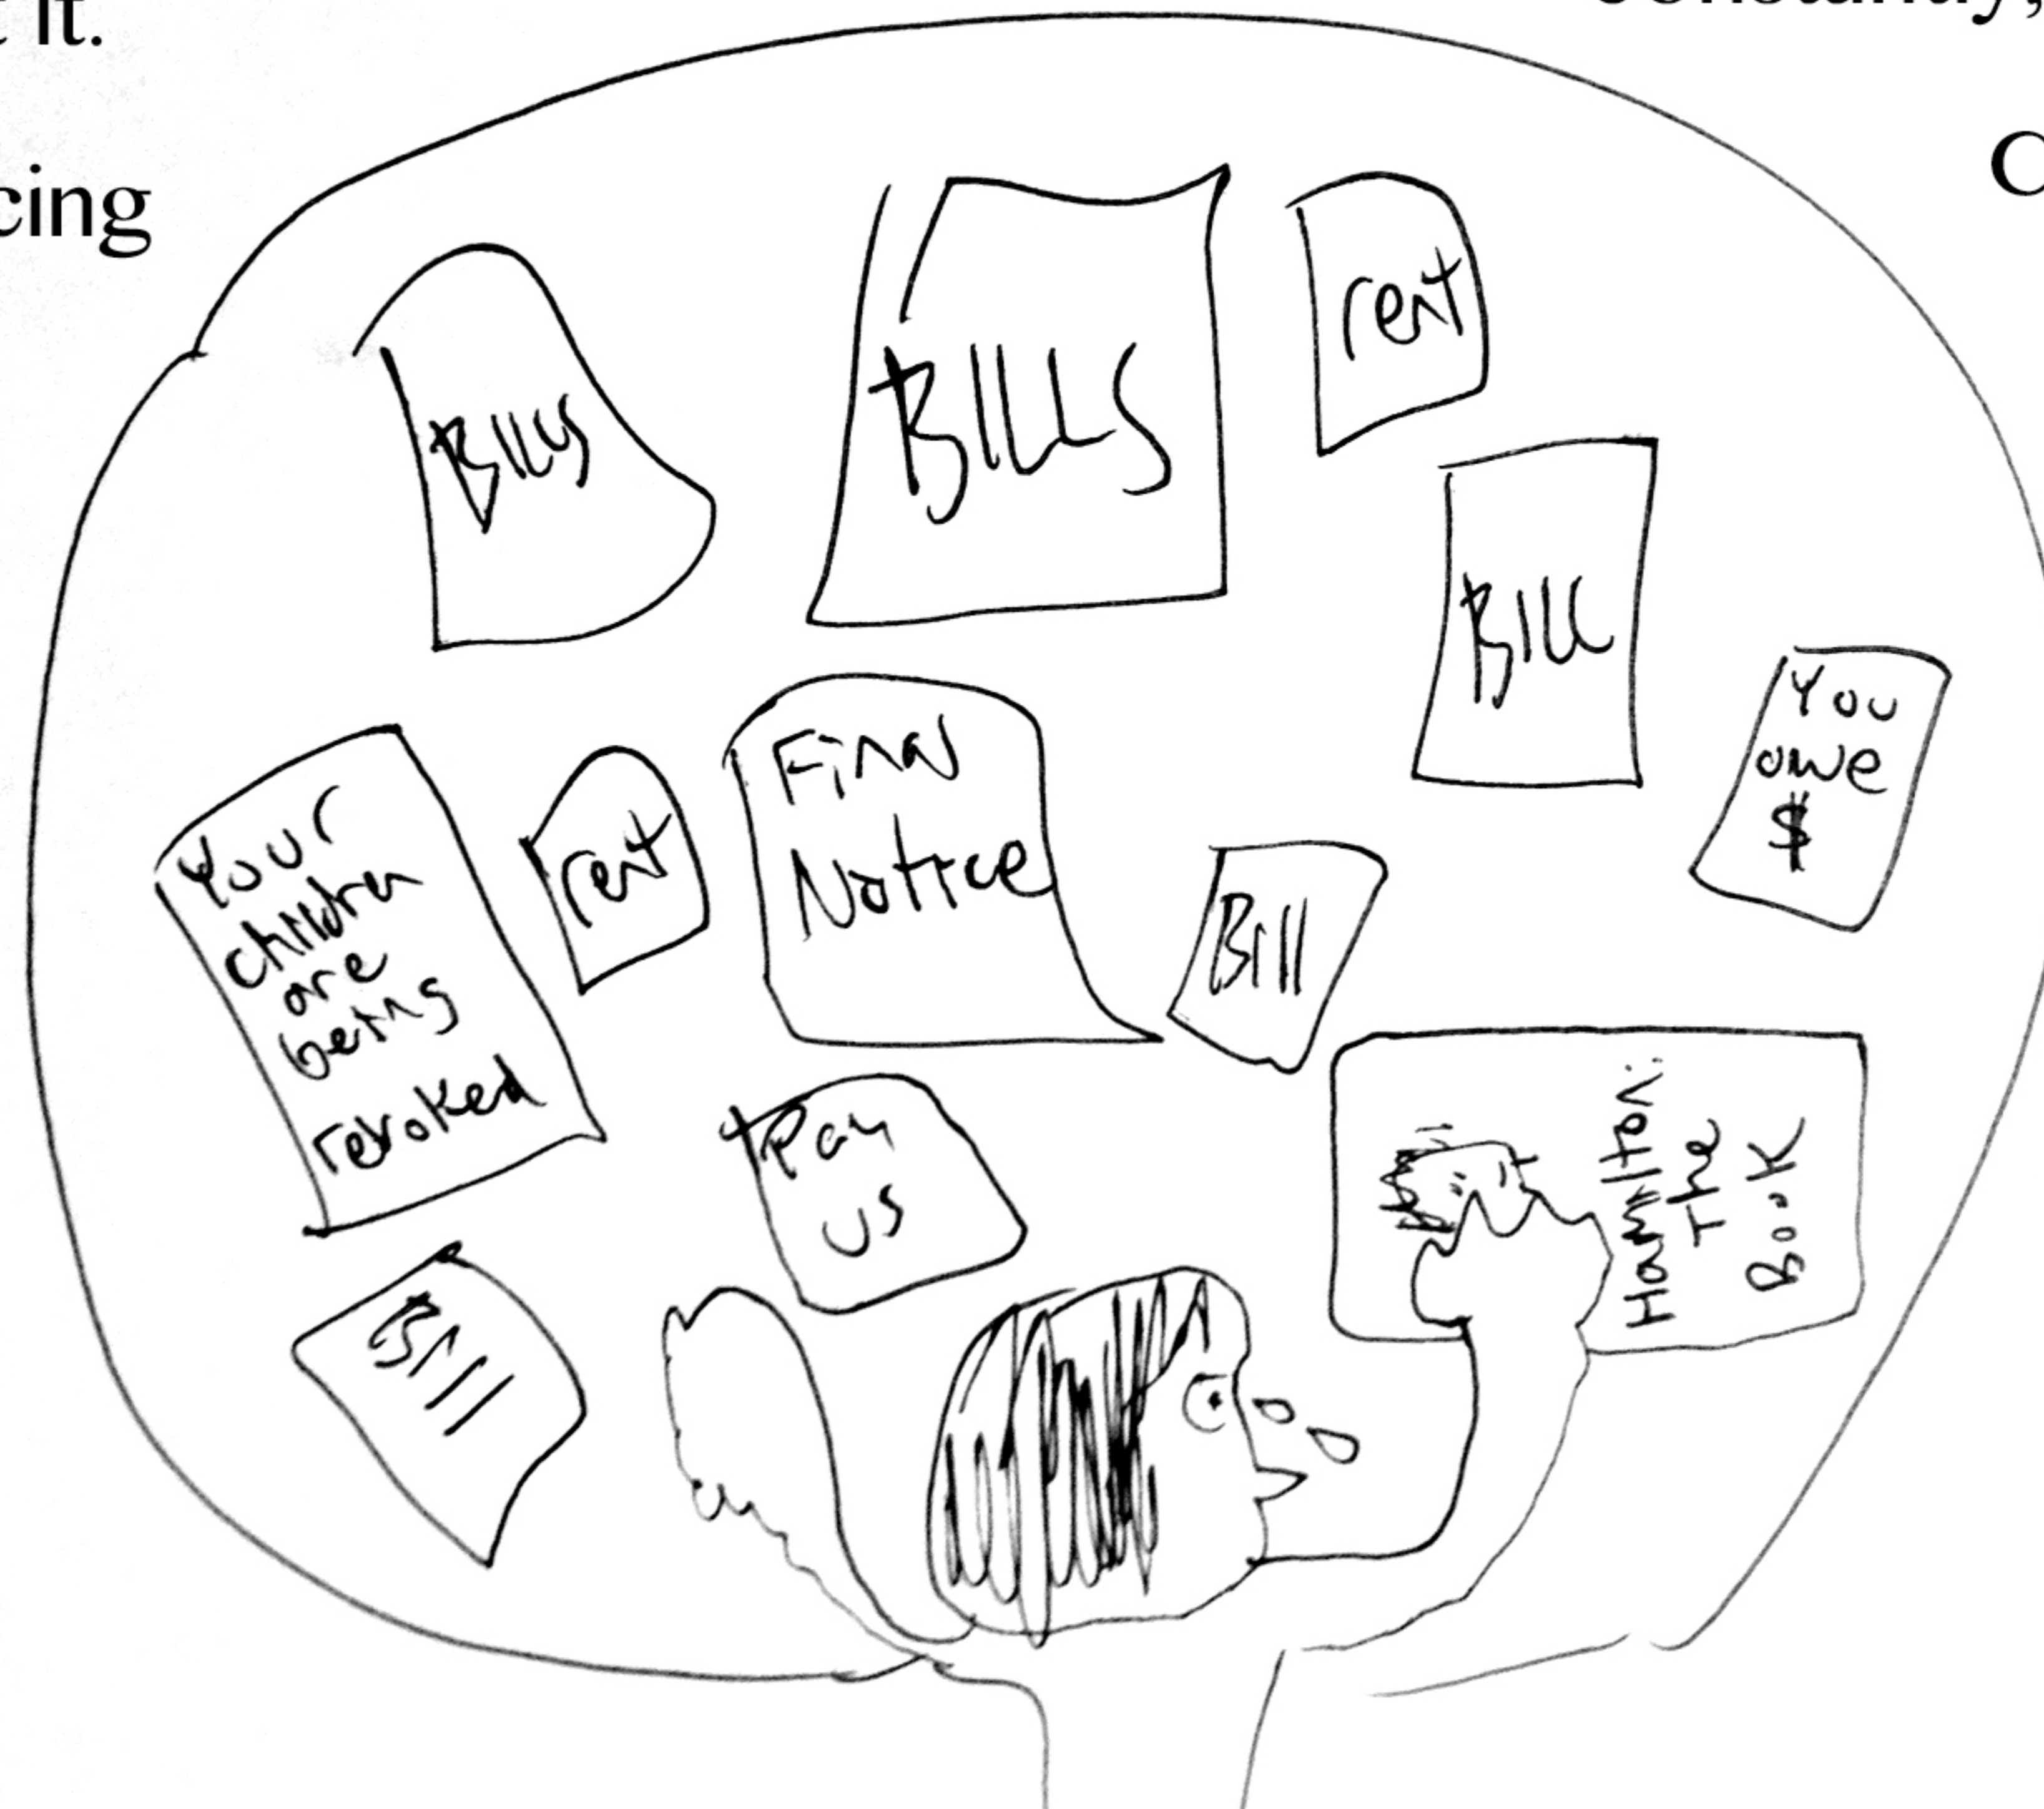

inherent misogyny in the Crash Bandicoot franchise.

Any time you fail, post an image macro online of

Honey Boo Boo falling into a grain silo with the caption

'when the depression hits'.

wassup chicken legs,
Rents due on the first. Bills come in periodically throughout the month. it's your job to deal with this stuff. There's nothing magic or unique to you about it. It's simply the fact of being an adult. Convincing yourself that there is some inherent tragedy behind it is just a mixture of laziness and self-pity culminating in what is essentially emotionally jerking off

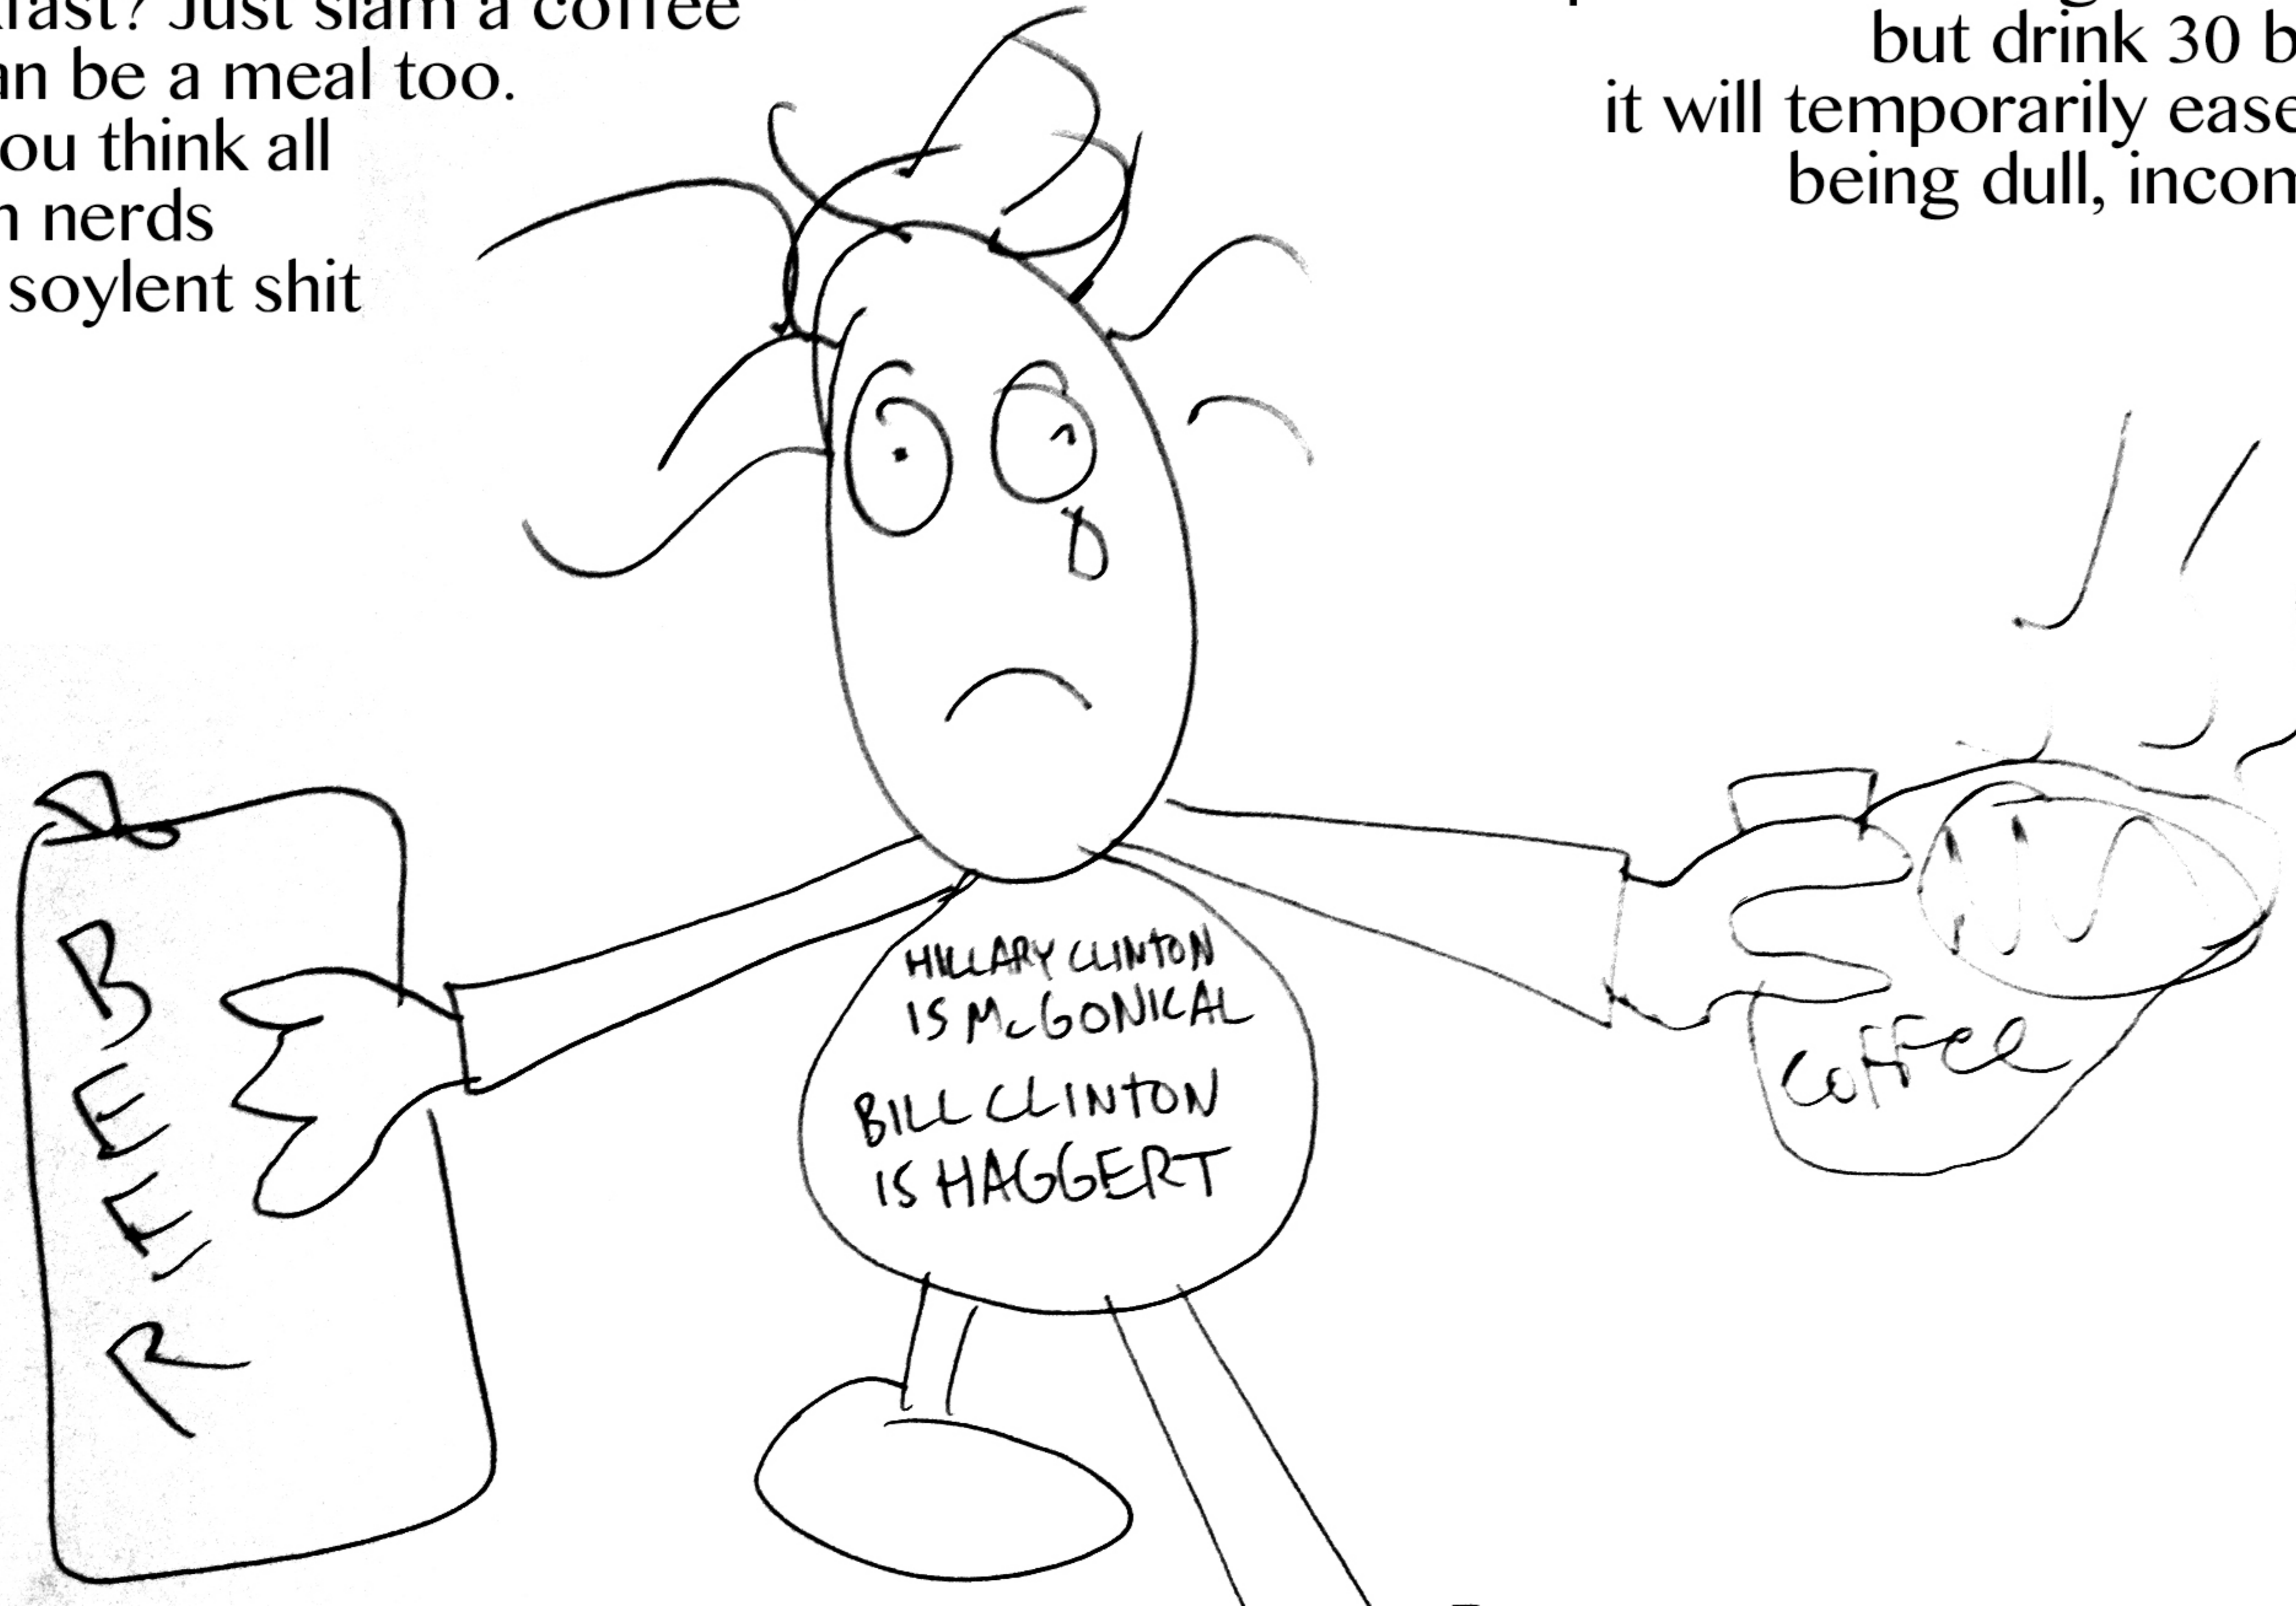

wassup chicken legs,
oh shit you're such a dumb baby
you forgot to eat your breakfast
better get a bag of
hose doritos spicy nacho.
that is a normal meal
for an adult

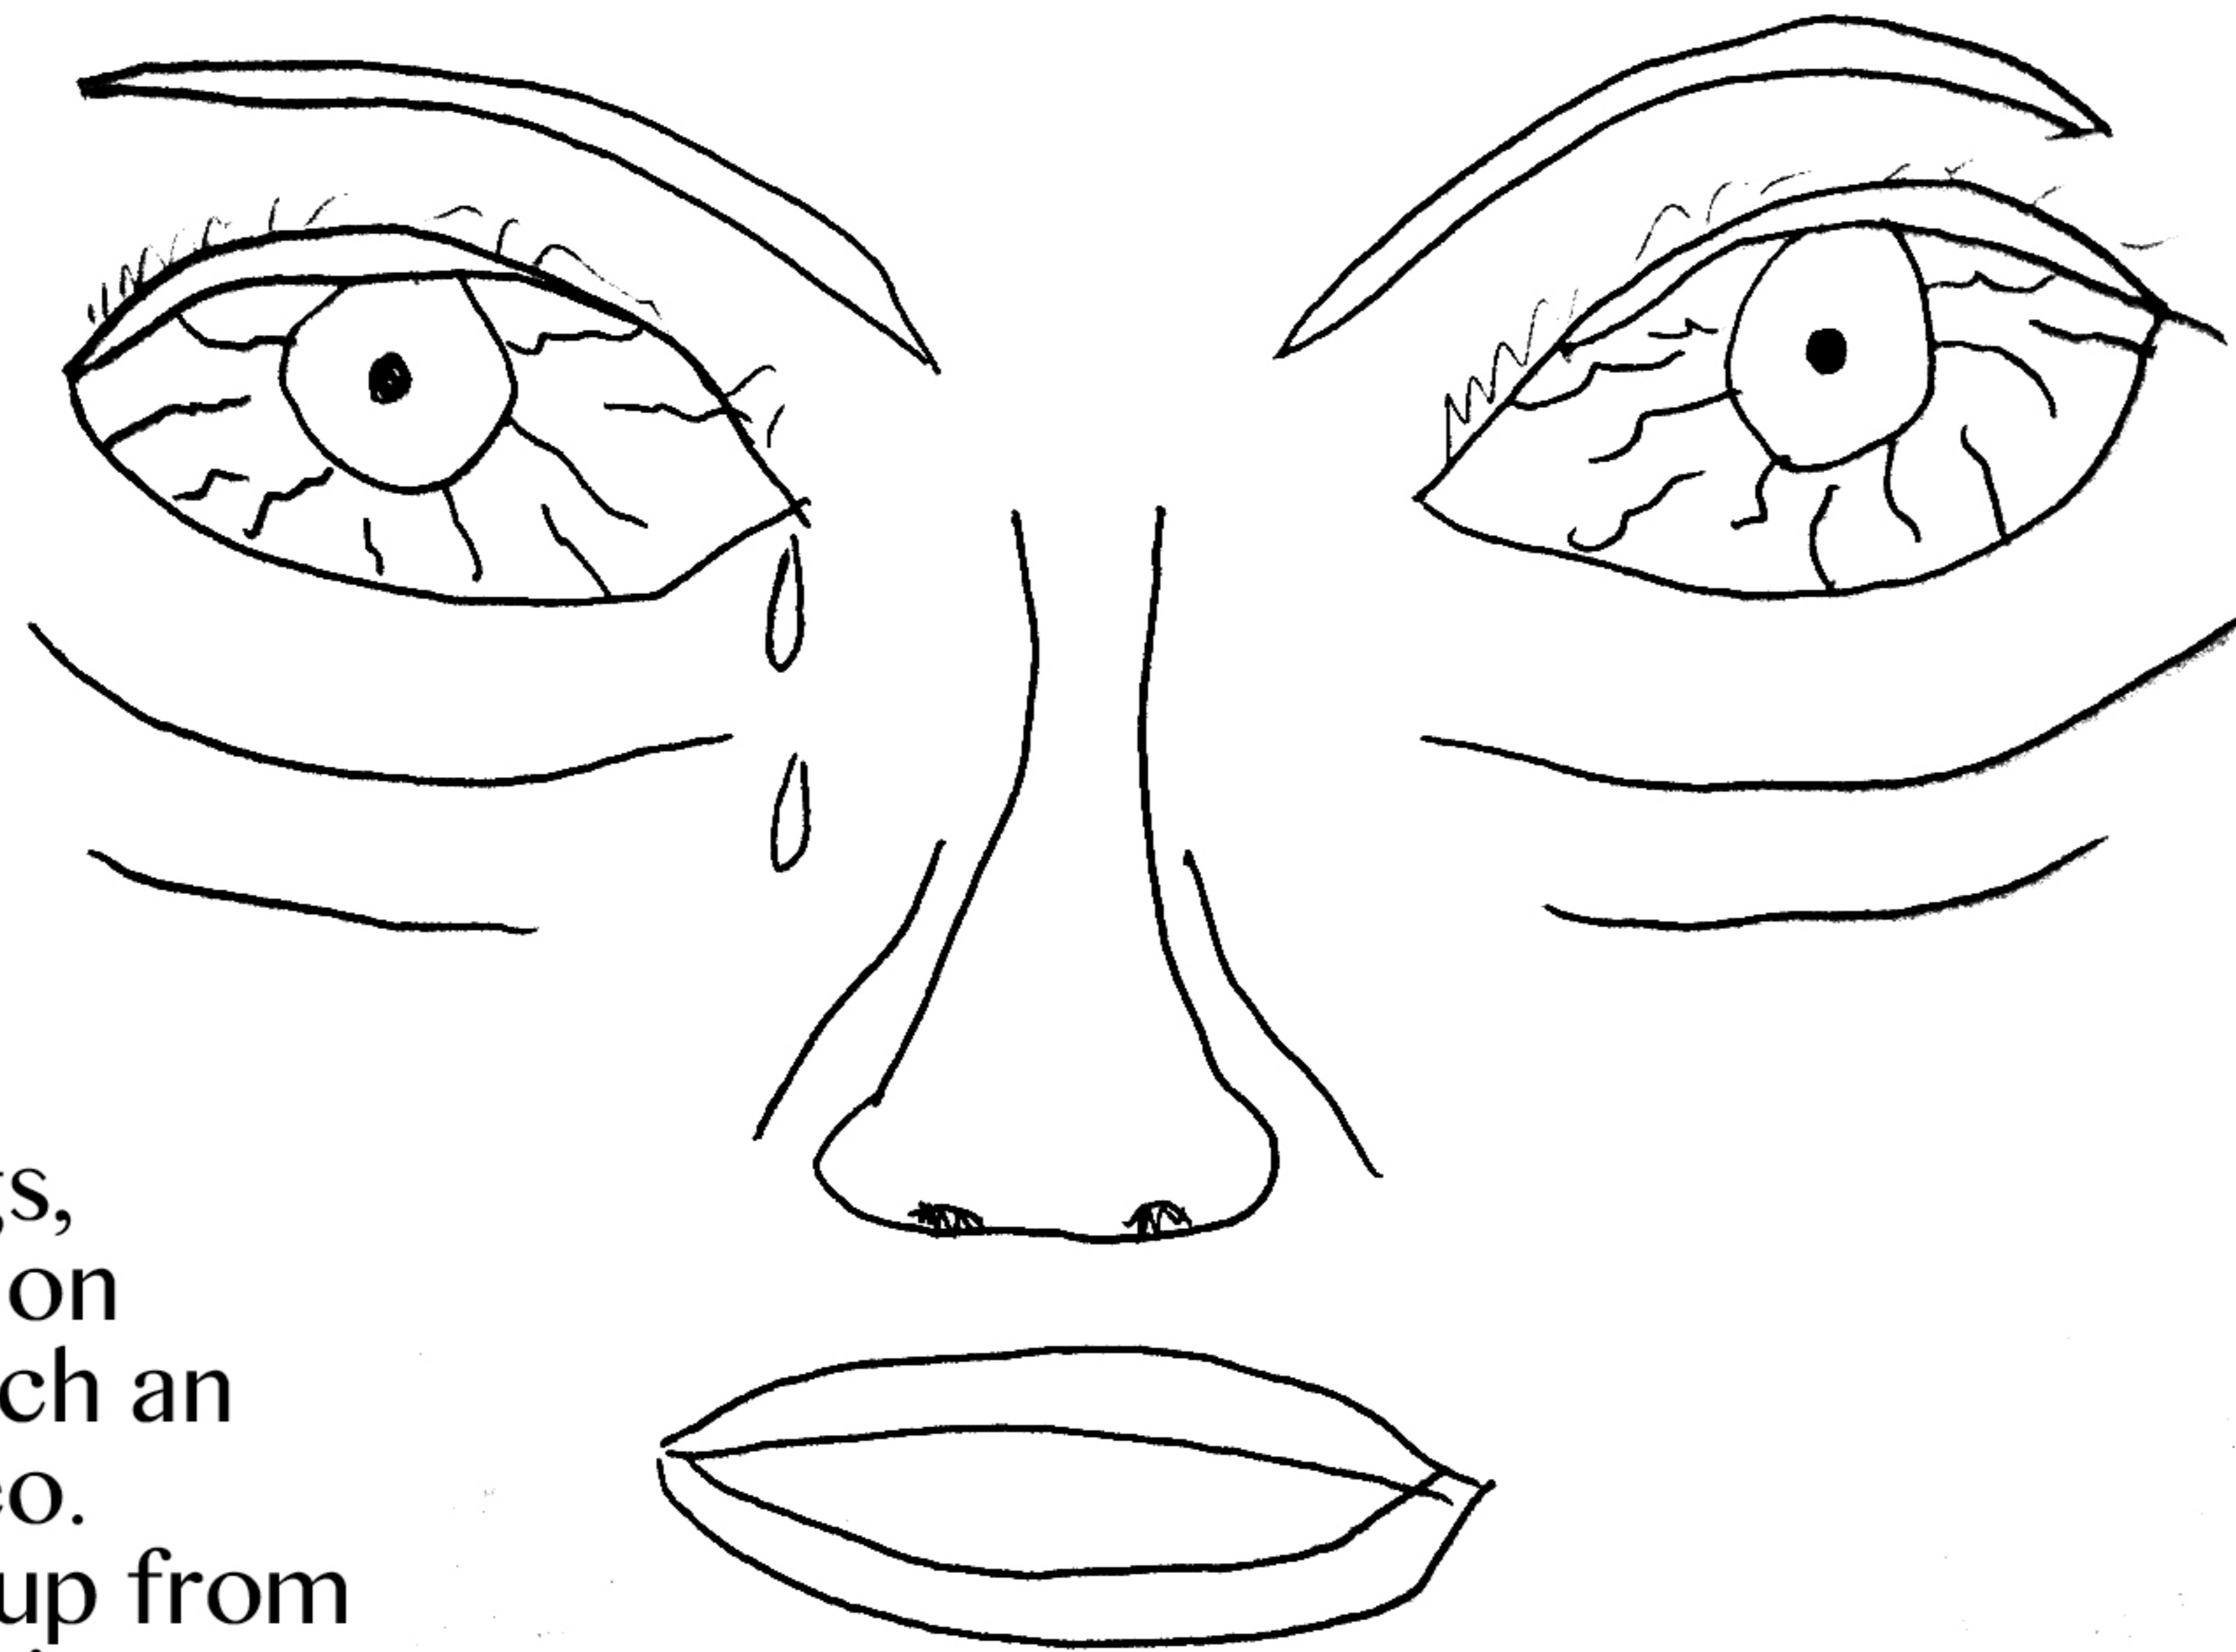

take it sleazy,
oh shit you're such a dumb baby
you forgot to eat your dinner meal
better get a bag of those doritos
habanero lime-a-rita.
a different flavor of chip
is a different kind of cuisine

wassup chicken legs,
Don't know what to have
for breakfast? Just slam a coffee
a drink can be a meal too.
why do you think all
those rich nerds
drnk that soylent shit

take it sleazy,
Don't know what to have for dinner? Just slam a beer.
complain about being broke all the time
but drink 30 beers a night
it will temporarily ease the pain of
being dull, incompetent You

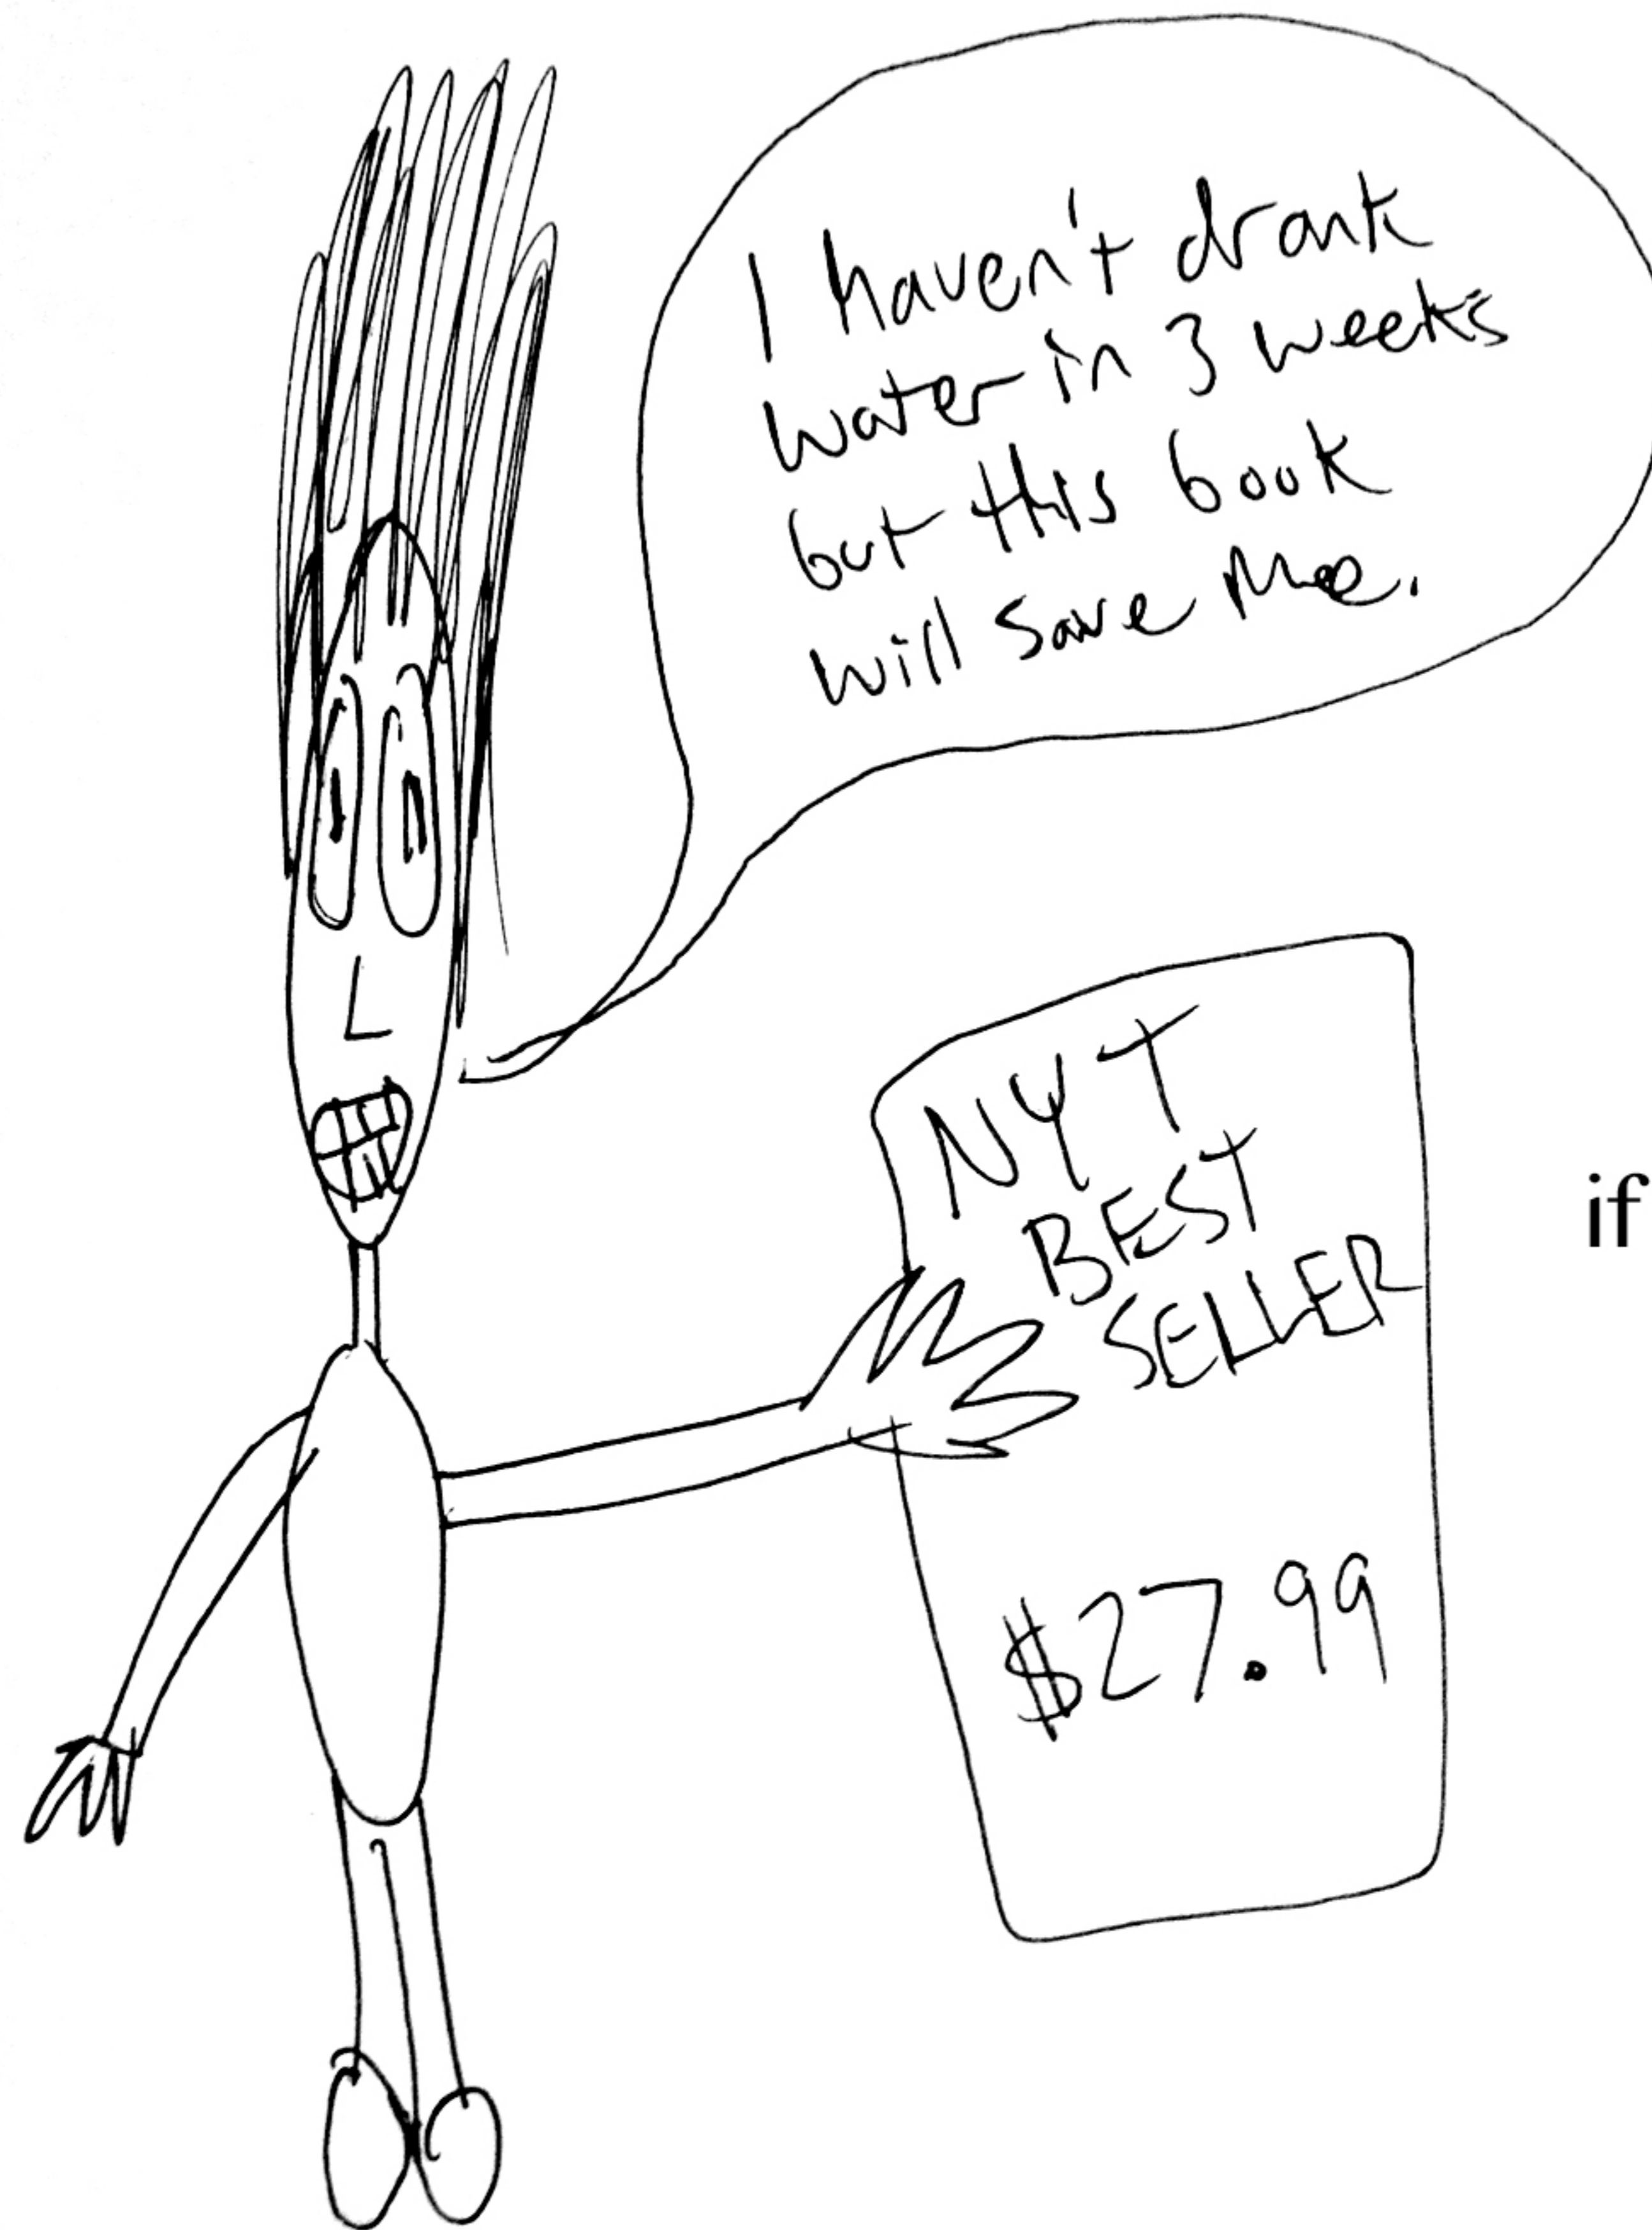

wassup chicken legs,
get blackout drunk on
sailor jerry and watch an
ISIS beheading video.
remember to look up from
your computer to give your
eyes a little breather!

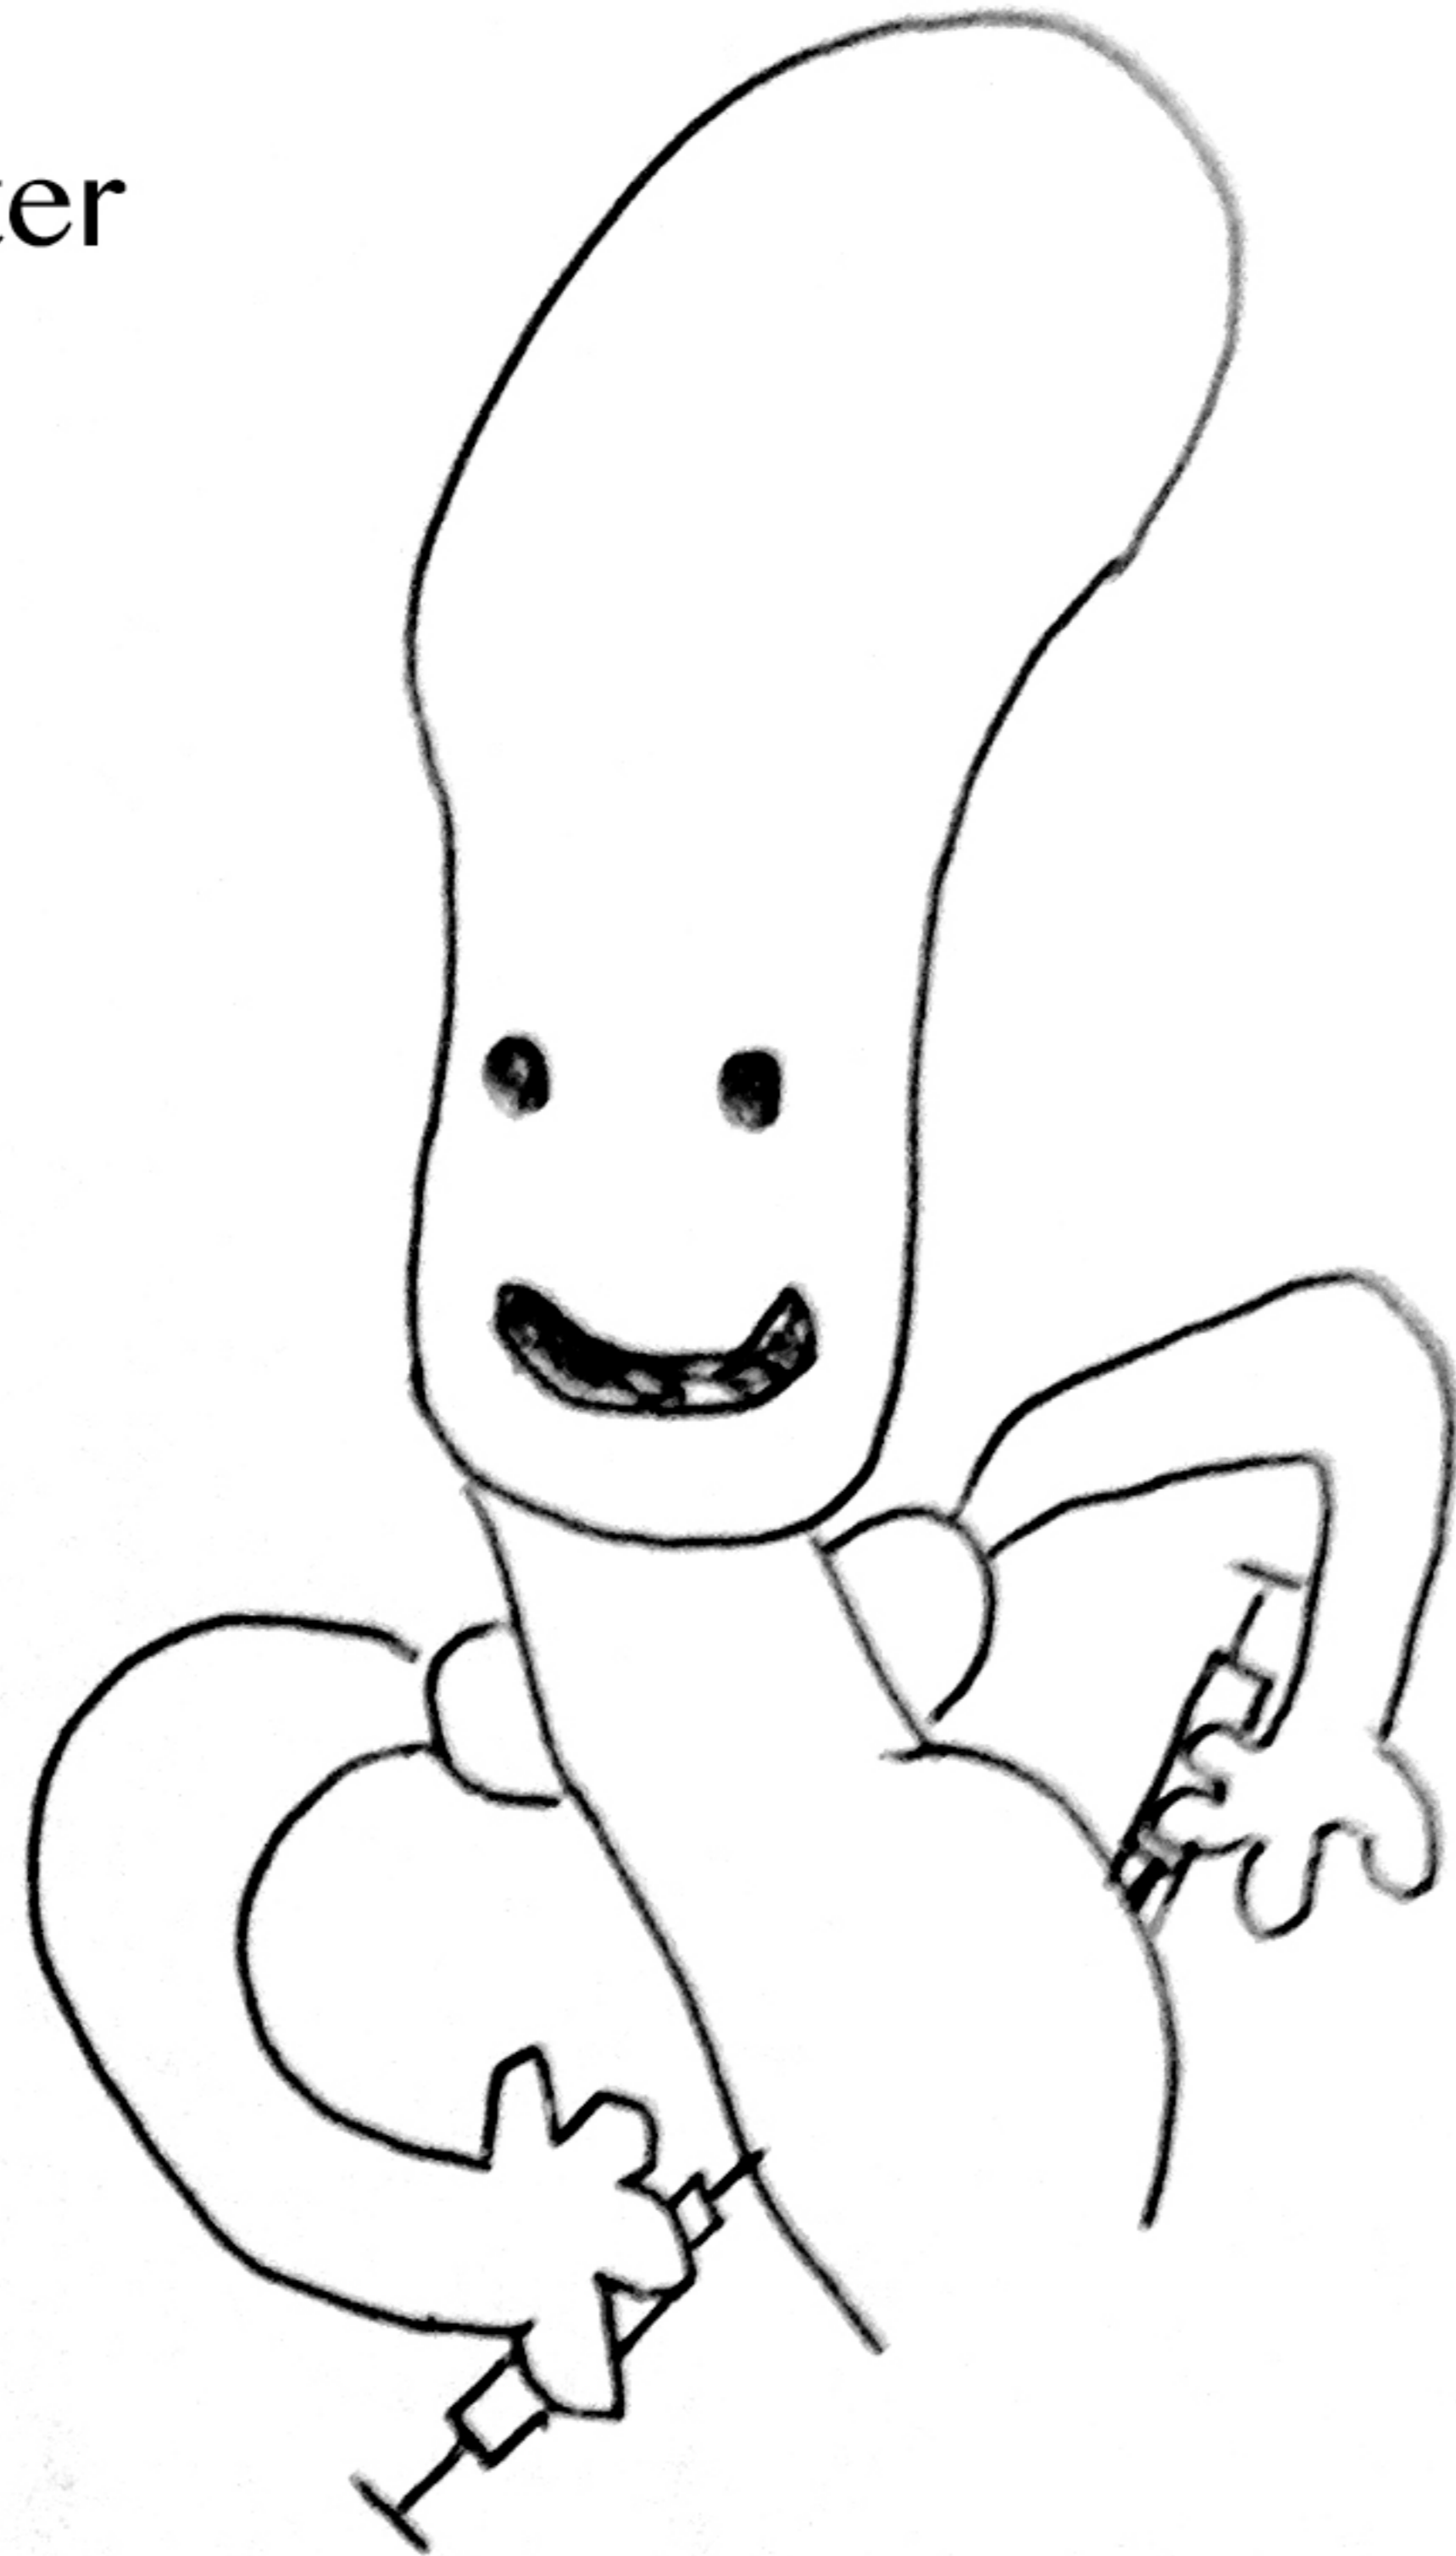

take it sleazy,
get blazed on a bowl
of that o.g.kush and
watch an ISIS beheading video.
remember to like and subscribe!

wassup chicken legs,
Are you ready?
Is your cell phone charged?
Did you drink water?
Wait, do you really
need constant reminders
on this stuff?
What possible hope do you
have to survive in a world
that is inherently malicious
at worst, and completely
apathetic at best?

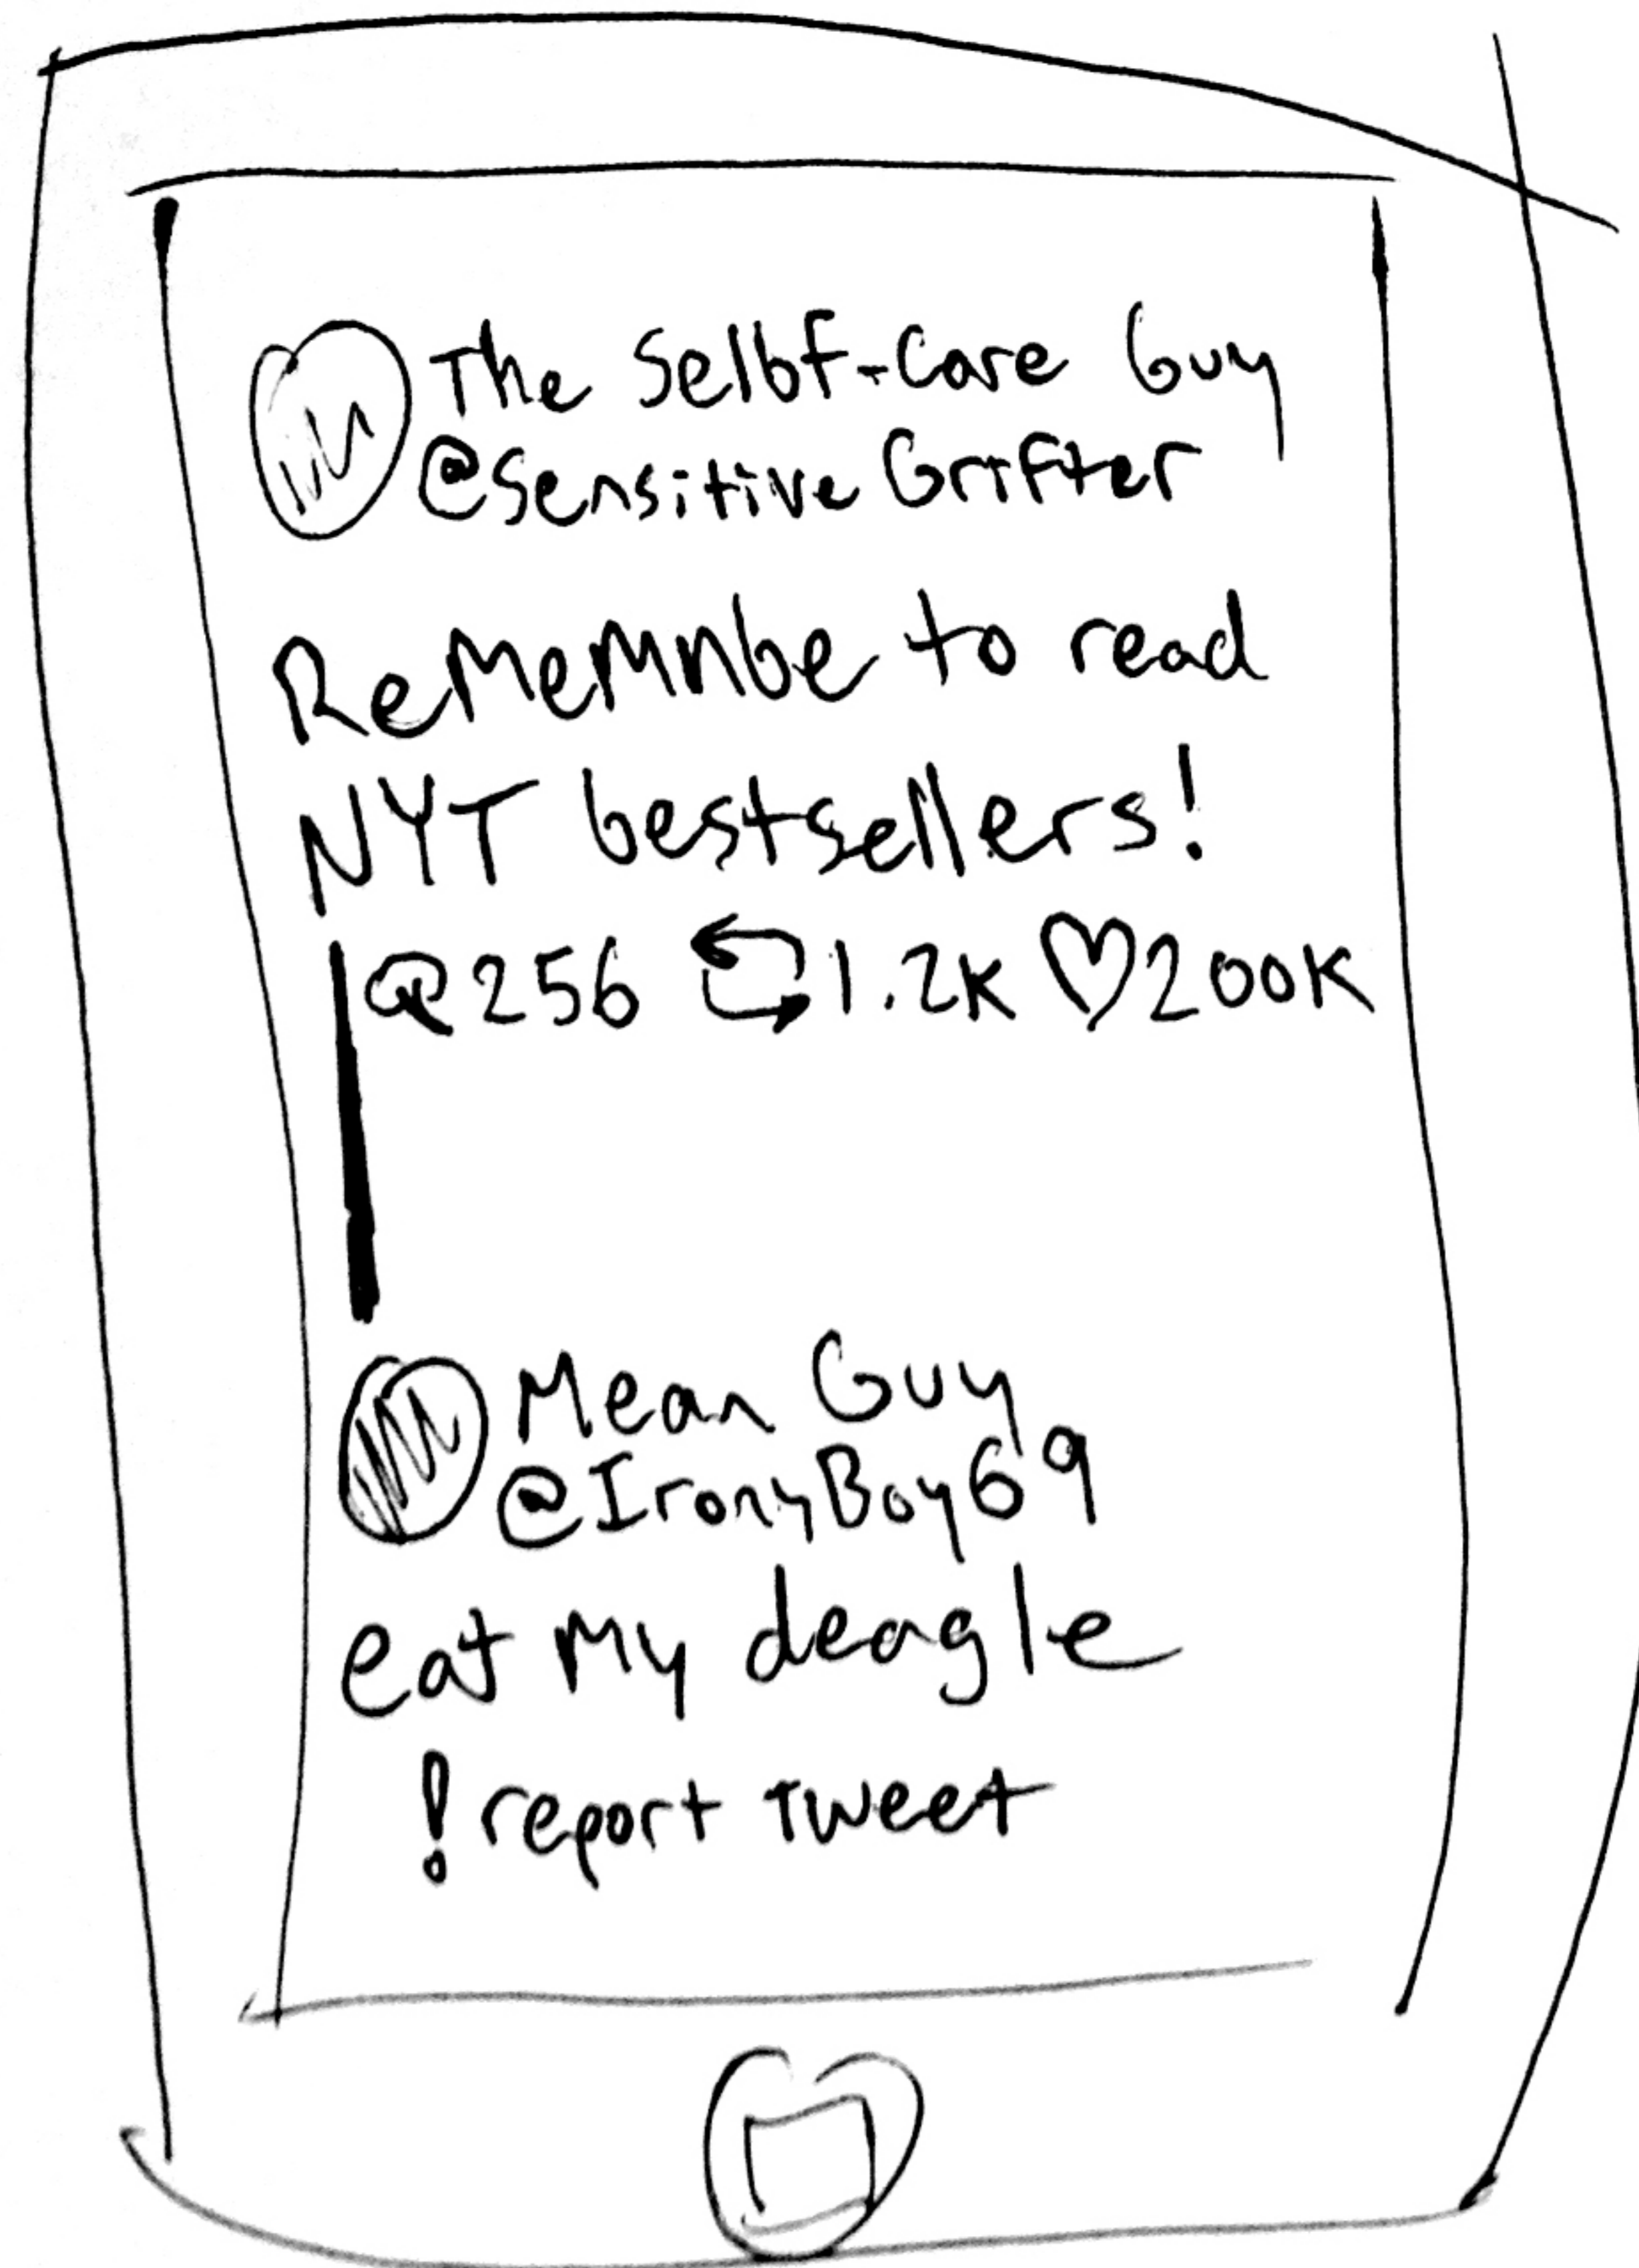

take it sleazy,
Is your book ready?
Have they sniffed
the gift out yet?
Or are they too worried
about if they drank water
or not? Who cares
if the book is only 60 pages,
they will buy it. Package
platitudes and sell it to
rich shut-ins, indie game
developers, and people
who call firm handshakes
terrorism.

wassup Chicken Legs,
Put in a cute sentence
about making the bed here.
Then tell the bitches that
this makes them ready
to face the day. Finish after
the amphetamines set in.

take it sleazy,
Remind them to do something
they should inherently know,
like that they should feed
their kids some food.
Call them a superstar, like
you are complimenting
their macaroni drawings.

wassup Chicken Legs,
Remember to take
an hour a day to put
down your phone
for the 12 hours
a day you look at it,
and instead to read
a book like this,
which is full of the
exact type of things
you read online.

take it sleazy,
Remember to take an
hour a night to put down
your phone for the
12 hours a night you
look at it, and instead
masturbate to something
you remember,
so you don't end up
jacking off to the
mom from the
Incredibles 2 again.

wassup Chicken Legs,
Do you believe in God?
Any answer is ok.
I believe it is a uniquely
positive world, full of
potential and positivity.
So go do you, and do good!
Whether or not
heaven exists,
we can strive
for it on earth!

take it sleazy,
Do you believe in God?
Suck my gun.
You're going to help
me kill the President
and there's nothing
you can do about it!
No one's coming to
save you and this
PT Cruiser might
as well be your own
personal hell!

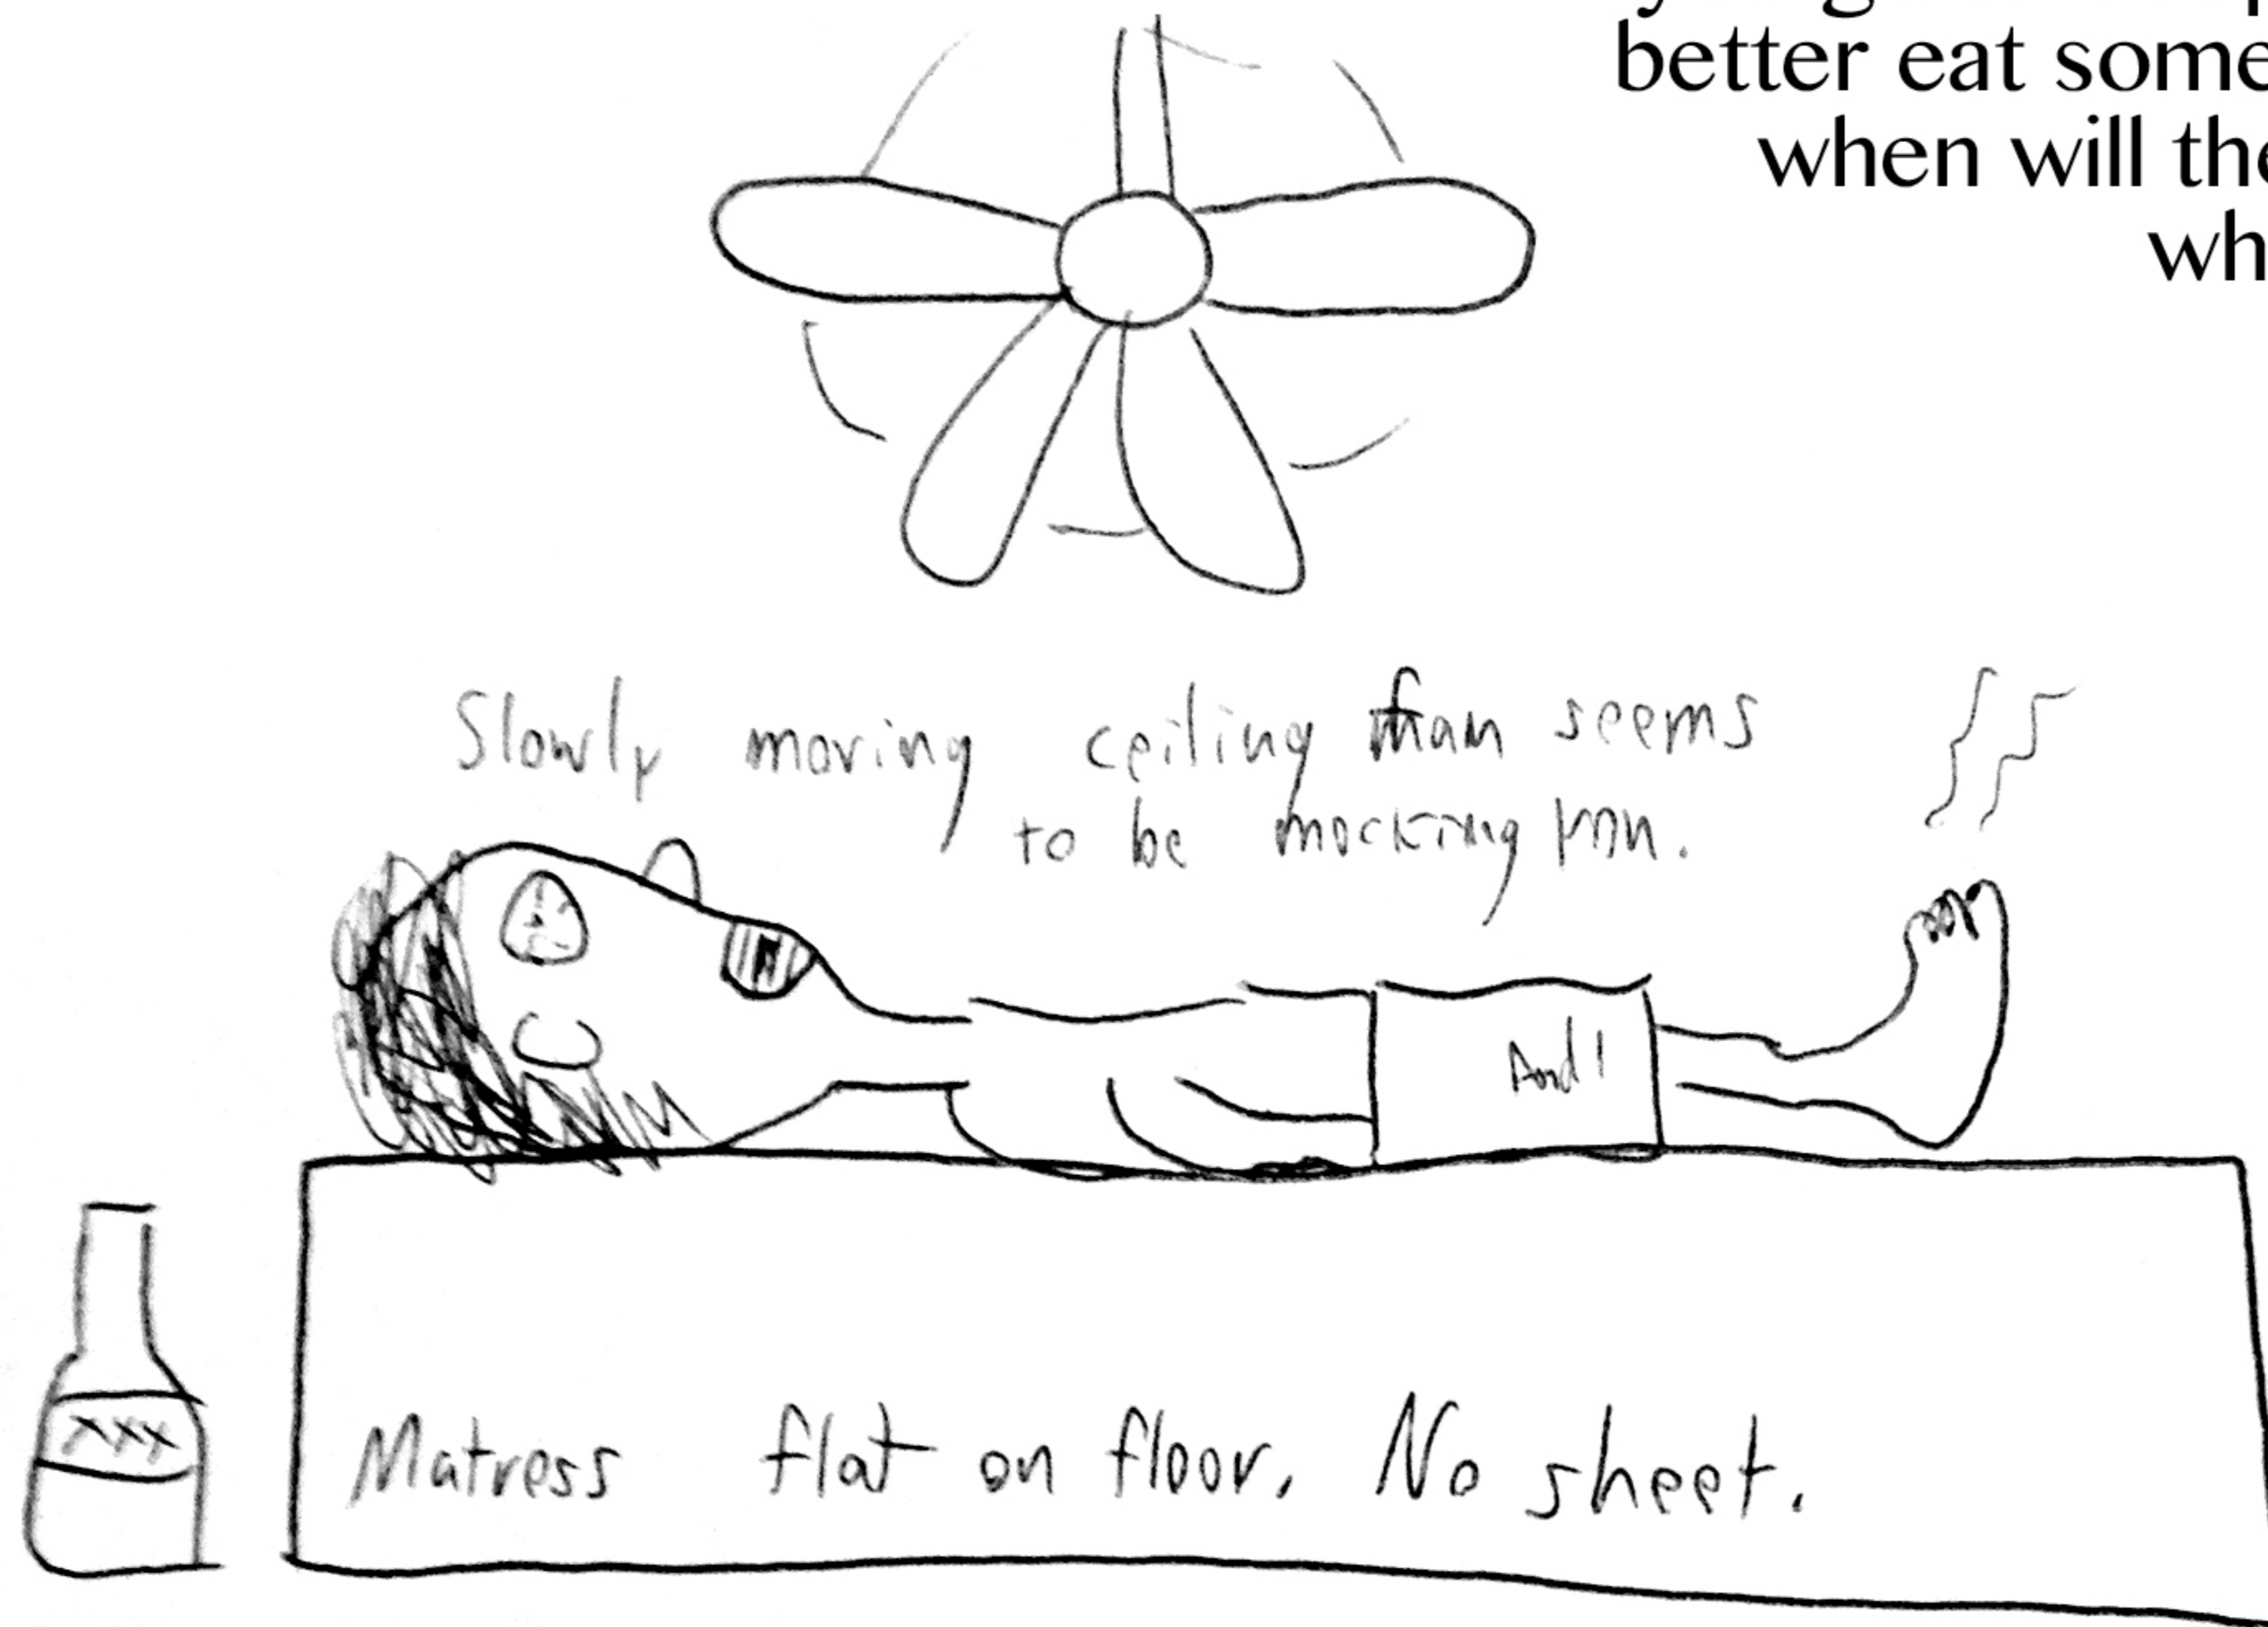

take it sleazy,
owie! a leaf touched your shoulder!
ohno! the wind got on your cheek!
oopie! the sunshine got in your little eye!
i guess you're dead lmfao!

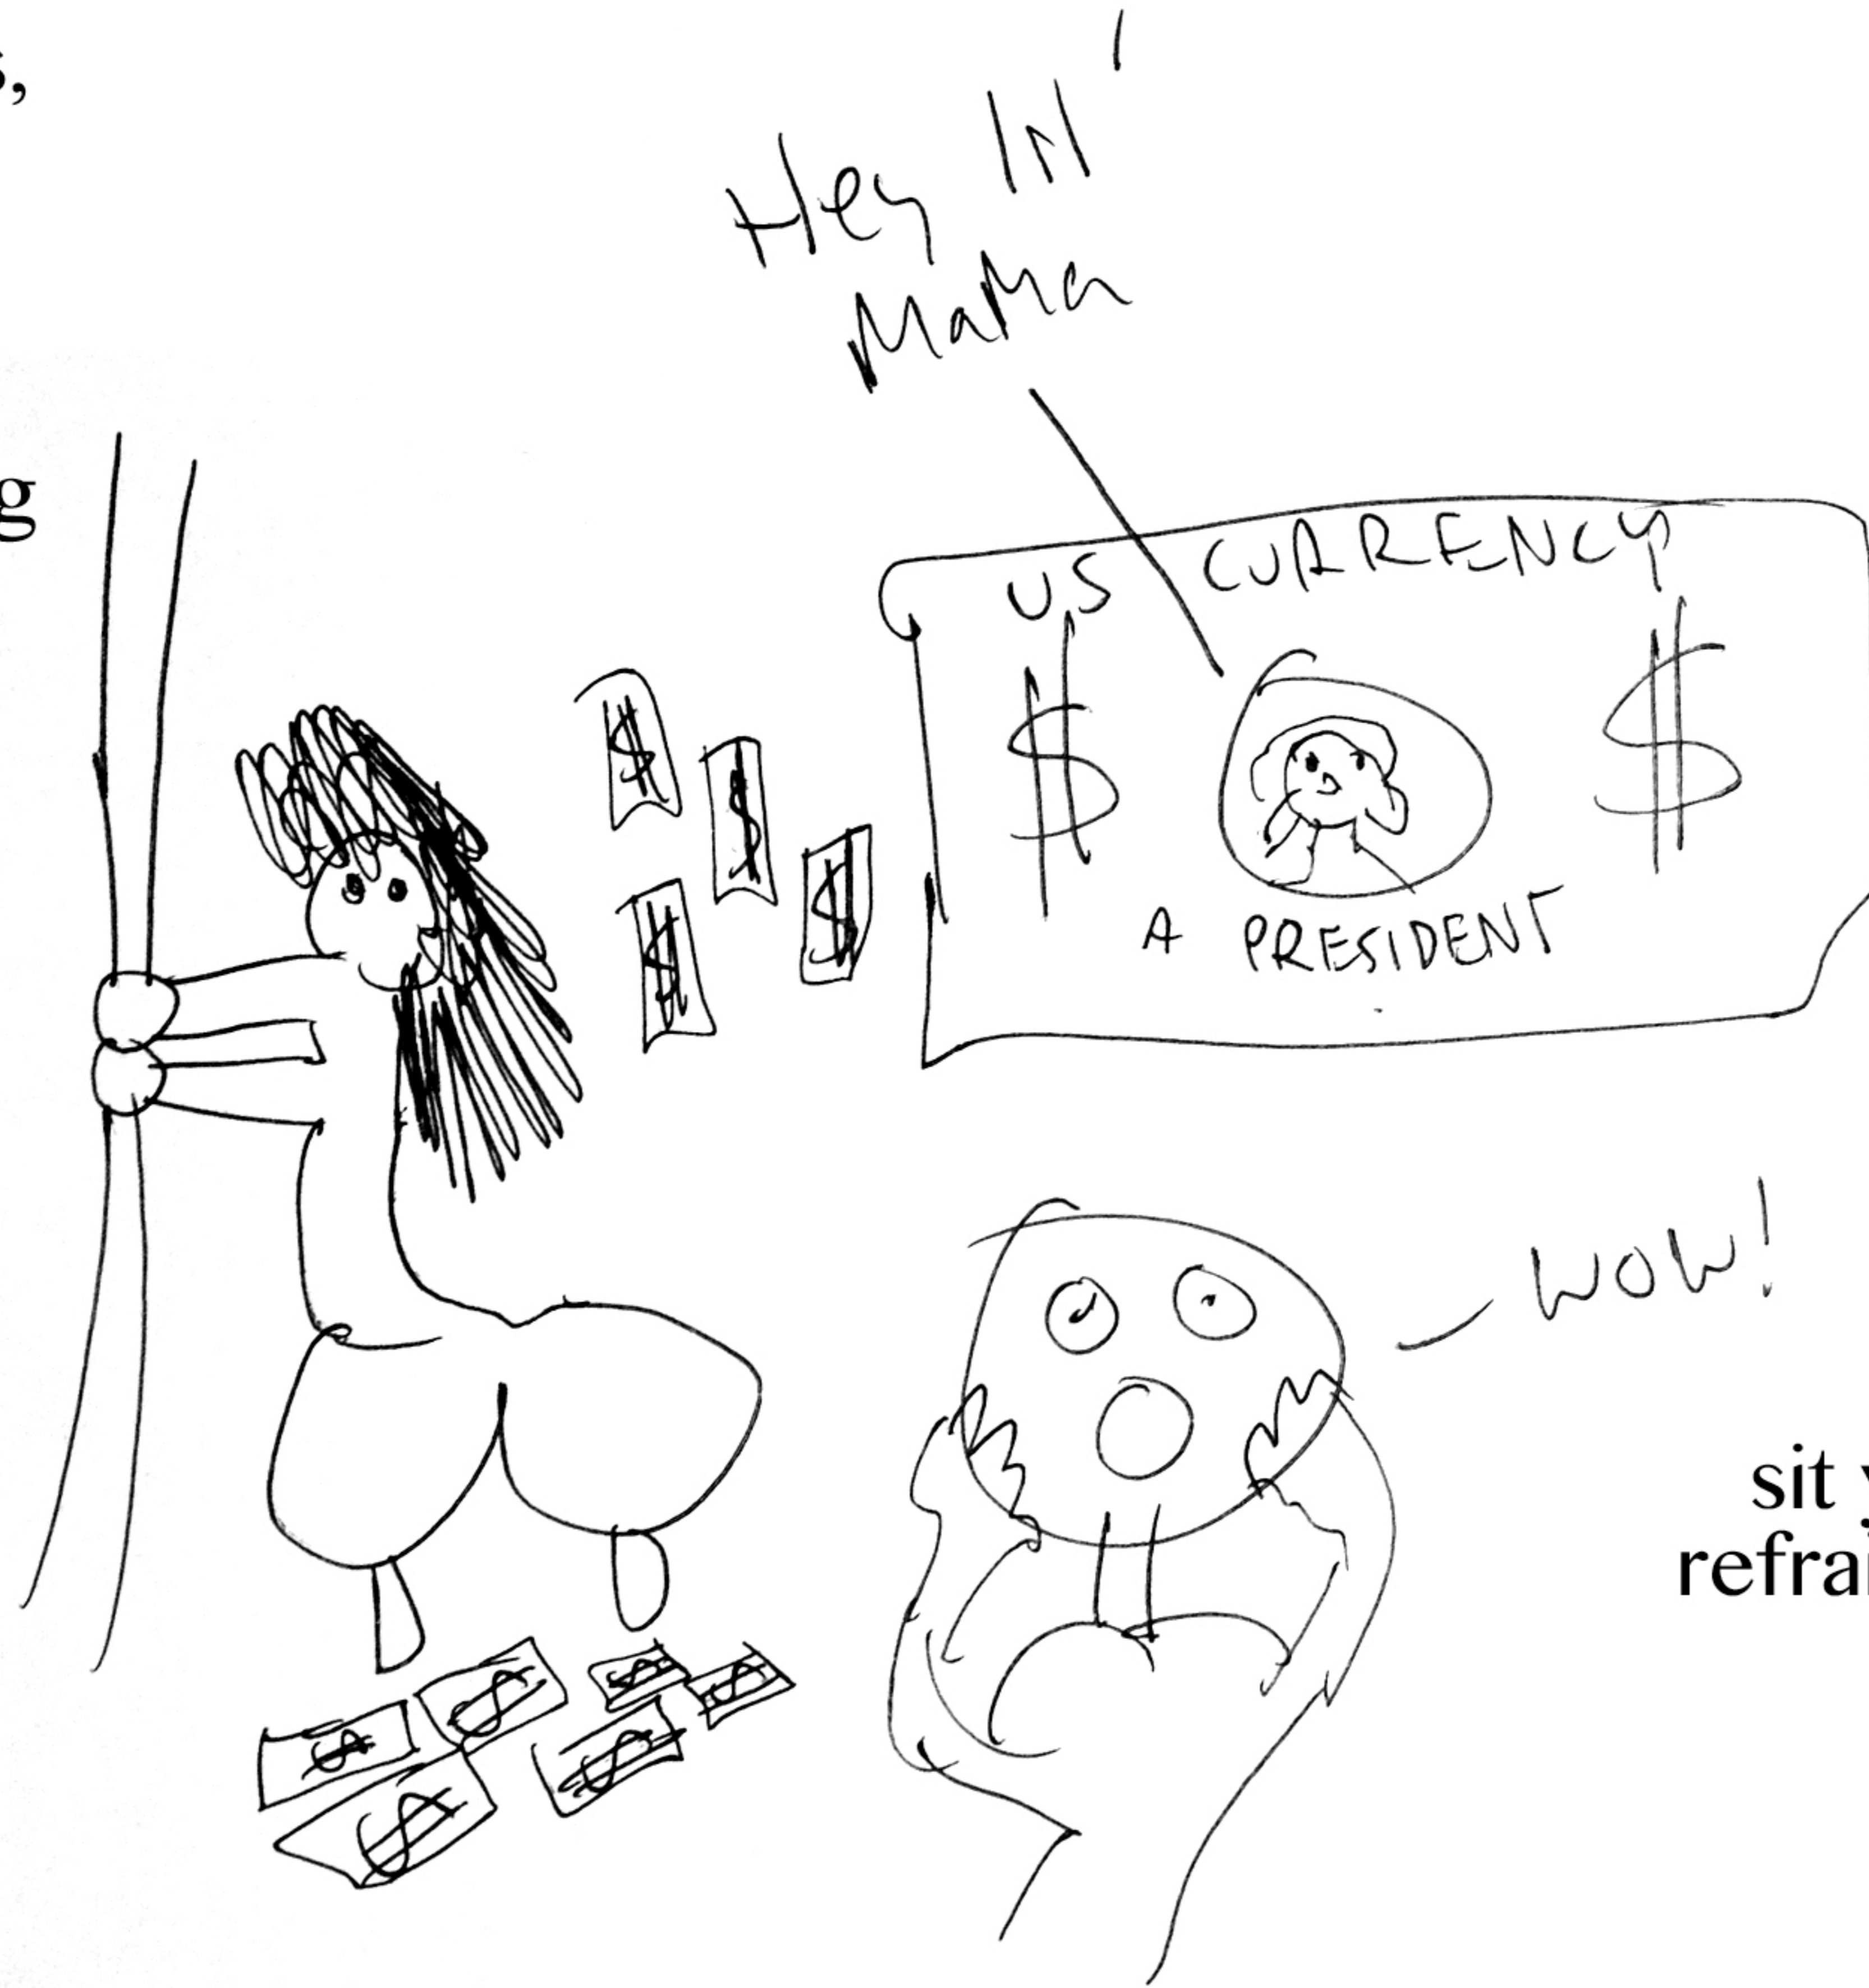

wassup chicken legs,
don't let a leaf gently graze your shoulder
don't let the wind caress your cheek
don't like the sunshine get in your eyes a little too much
all that shit might kill you, you dumb anemic infant!

wassup chicken legs,
you wake up and you feel like shit.
shouldn't have ate those K2 brownies
with K2 butter last night.

take it sleazy,
you go to sleep and you feel like shit.
better eat some K2 brownies to sleep
when will the cold gray cycle end?
what could ever break it?

wassup chicken legs,
back that ass up
and shake that shit
like there's a
damn earthquake
in this motherfucking
club. get your
paper stripping
on the pole,
do that thang.

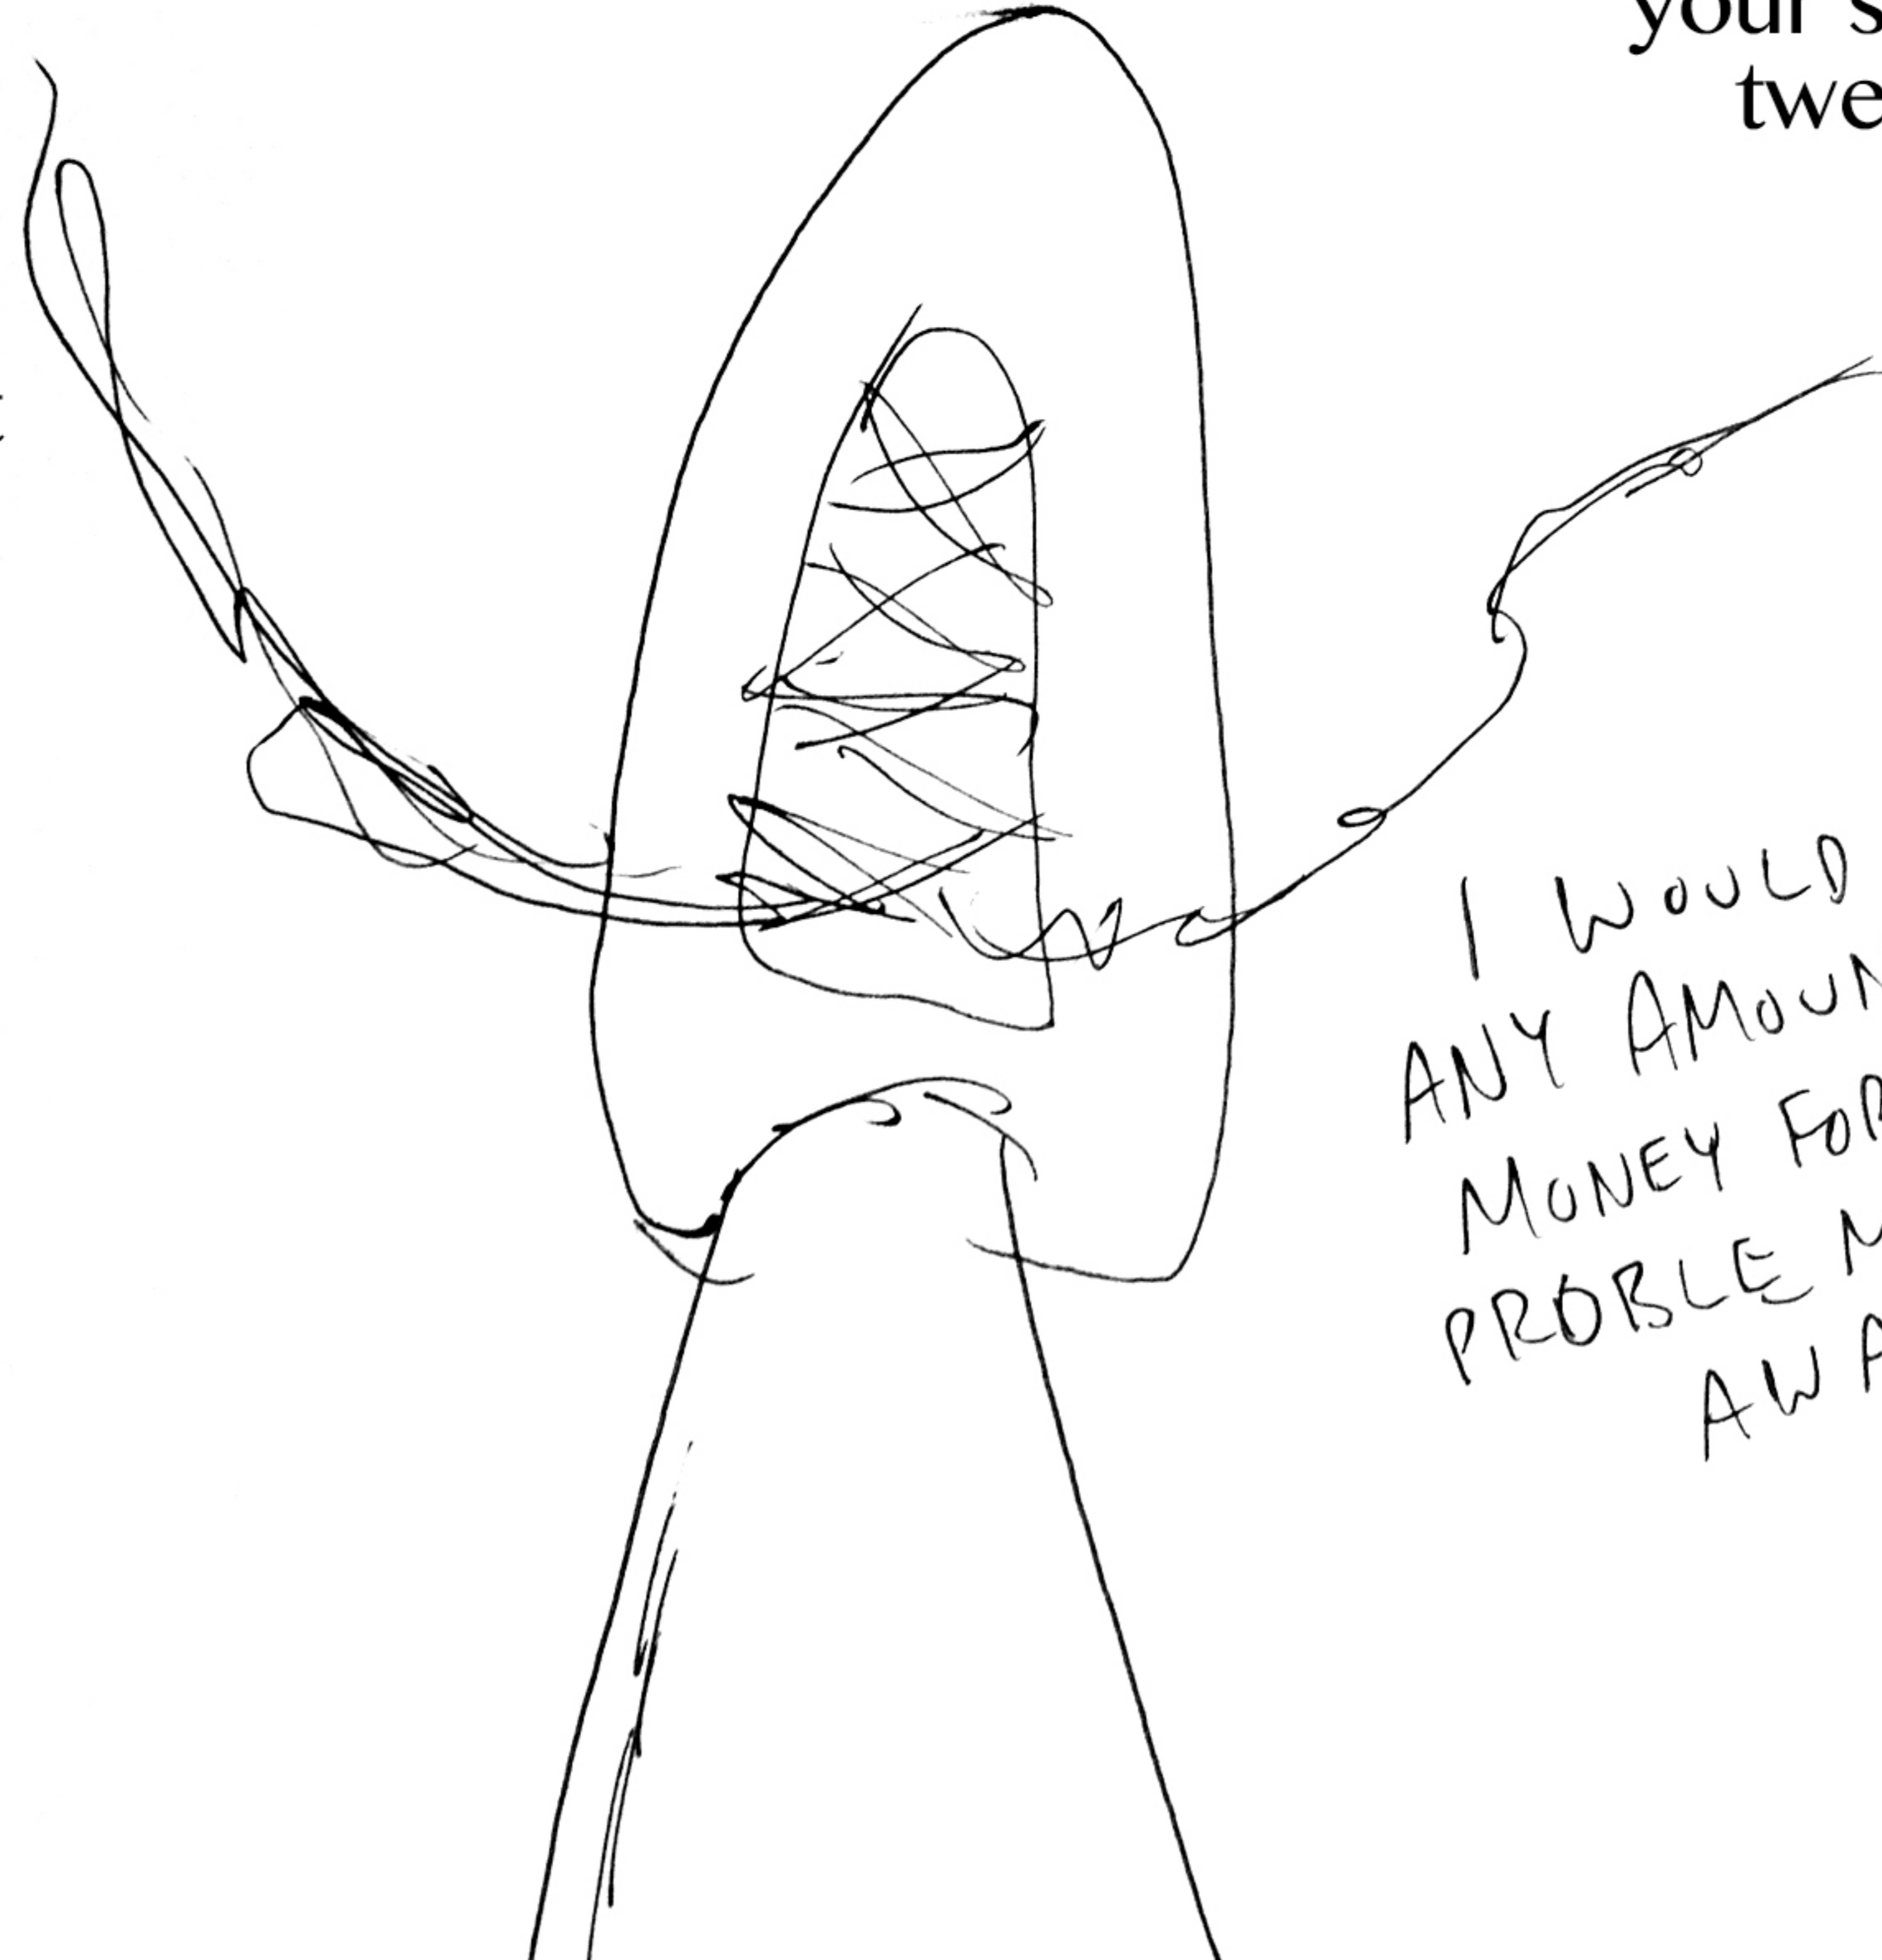

take it sleazy,
sit your tired ass down and
refrain from shaking that shit
like there's a damn
earthquake in this club.
you already got your
paper on the pole,
now it's time to relax
from doing that thang.

wassup chicken legs,
Watch out for rakes today.
Watch out for flower pots
that fall on your head,
causing the flower to
laconically wilt in a
comedic fashion.
The world is dangerous,
but you are ready.
To work, presumably,
anything but a minimum
wage job.

take it sleazy,
Doo hoo hoo.
A rake bonk me noggin,
give me big red bump.
Me push big red bump
down in skull, smile
for quick second, before
different bump emerge
in different spot in head.
Me try to make job at
racism factory on time!
Doo hoo!

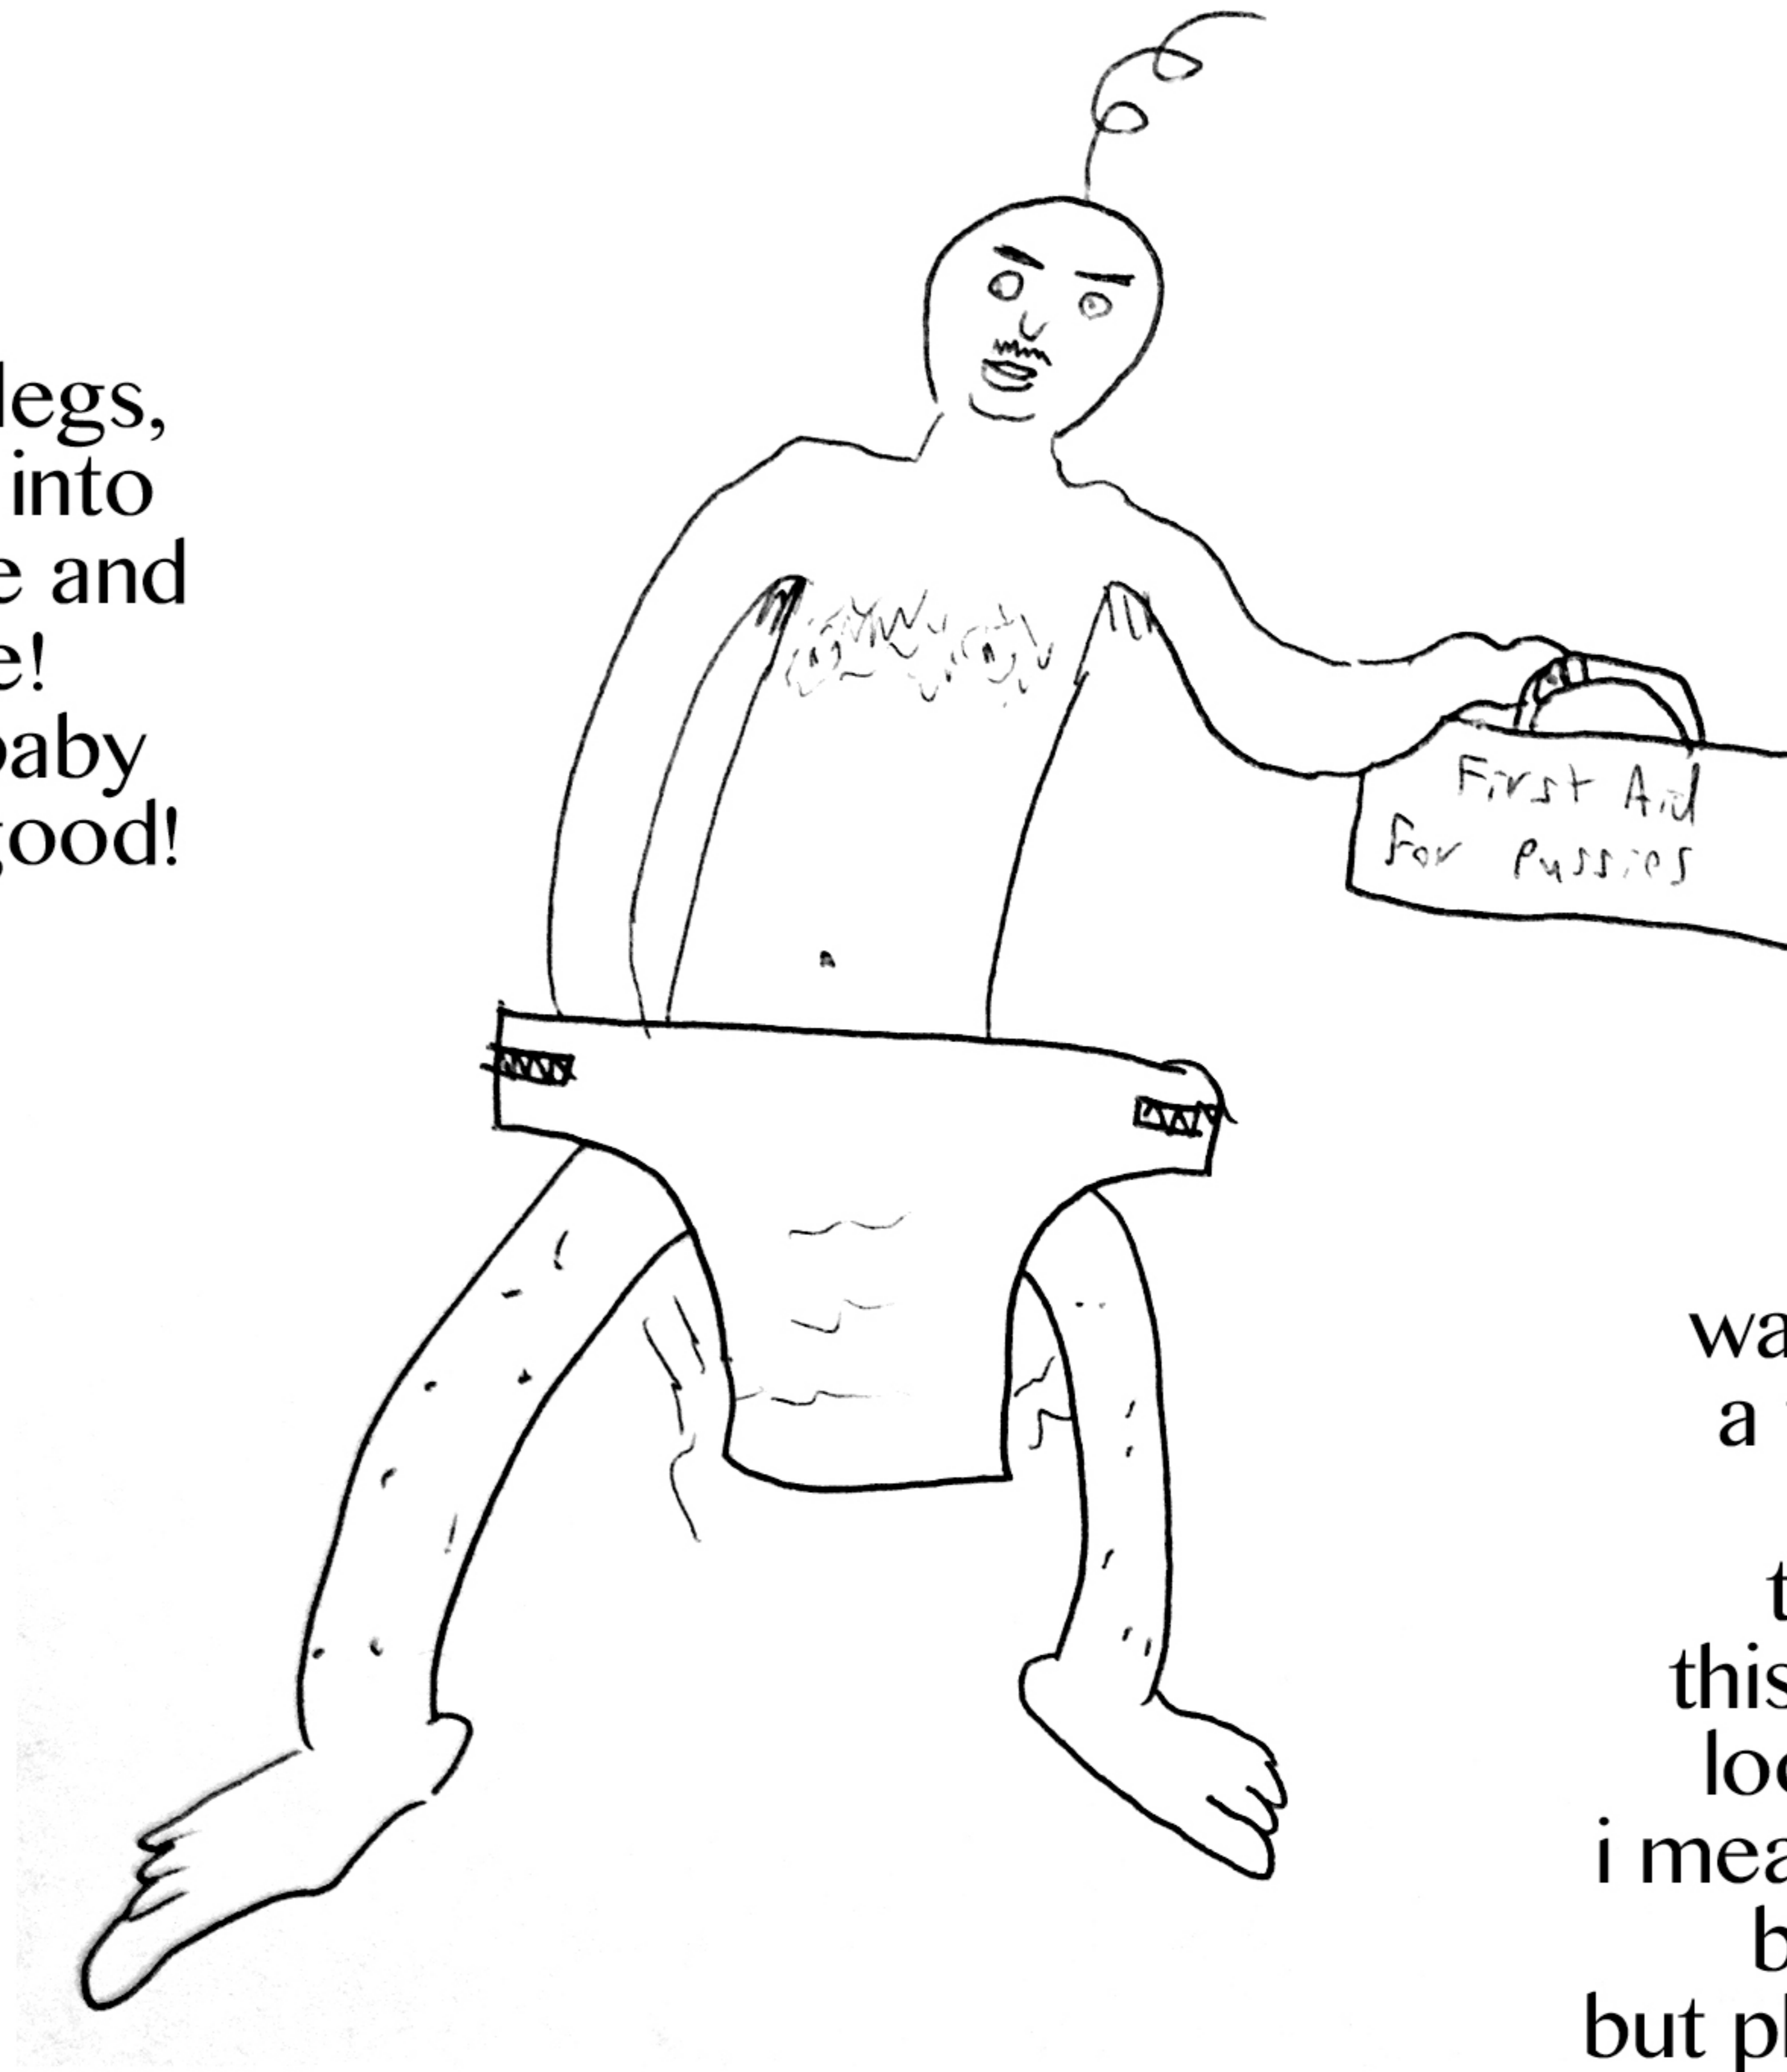

wassup chicken legs,
are you crying because
you forgot how to tie
your shoelaces
you fucking
infantilized fuck?
tweet about how
tying shoelaces
is emotional labor
then enjoy the latest
Marvel movie!

take it sleazy,
are you crying again because
now you forgot how to untie
your shoelaces you sniveling shit?
tweet about how shoelaces are
capitalism then enjoy the
latest D.C. movie!
it's not true that you
have the personality
of an unripened fruit
that fell off the vine
too early!

I WOULD PAY
ANY AMOUNT OF
MONEY FOR THIS
PROBLEM TO GO
AWAY

wassup chicken legs,
wake up and fall into
an open manhole and
get a little ouchie!
that hurts! little baby
doesn't feel so good!

take it sleazy,
fall asleep in a ditch.
wake up and realize you're
a fucking grown-ass adult.
you are reading a book
that is written for babies.
this shit makes harry potter
look like gravity's rainbow.
i mean that shit sucks ass too
but for different reasons.
but please at least try reading
a book for fucking adults.

wassup chicken legs,
A B C D E F G.
reading is fun!!!
wheeeeeee!!!!

take it sleazy,
W X Y and Z.
good job finishing the page!
you deserve a ice creabm!

wassup Chicken Legs,
Did the little baby
fill his diaper up?
Did you fill up
your diaper with
some poo poo?
Is that what my
wittle itty bitty
baby did
in its wittle itty
bitty diaper?
Who made a
messy poo?
That's right.
You did.
My wittle
baby did.

take it sleazy,
Does the wittle baby
like when dada
wipes his itty bitty
wittle butt?
Does the baby wike
its wittle clean butt?
No more poo poo
or doo doo for
my little guy.
You da man.
Who's dada's
wittle man.
That's right, you ARE!
Does the baby like his
Little Lord
Fauntelroy suit?

wassup chicken legs,
wwwAaaahhb waaahahh!
goog oo gaa ggaa!!!!
widdle babby need a bwaddle!!!!
oooh its okay
widdeel baby!!!
eveythin gtoing
to be okay now!!!!!!

take it sleazy,
WWHWHAAahahhh Ugjggjghhghhh! goog oo gaa ggaa!!!!
widdle babby need a dwinky!!!! ooh its okay sweett wifdle one!!!
let me hold onto your widdle money i'll fix all your pwoblenms!!!!!!
