

# The wheel of transformation 3

MAY 2024

"Good evening, everyone! Following the phenomenal success of 'Wheel of Transformation' Seasons 1 and 2, we are excited to present yet another thrilling installment," declared the host, his smile radiating perpetual confidence.

"This season, our fortunate contestant stands to win substantial sums of money in exchange for undergoing body modifications. While she will be briefed on the theme of the modifications, the exact nature of the change will be determined by you, our audience."

"Reflecting on the ethical dilemmas faced in our first season, where a participant was transformed from a white woman into an Afro-Latina, we initially banned such drastic racial changes in Season 2. Despite this, the transformation of a young American woman into a Russian blonde was still quite radical. This year, we've removed all restrictions!"

"That's enough for an introduction. Now, please give a warm welcome to this year's contestant, selected from over a thousand hopefuls in a fiercely competitive process!"

"Daisy is a spirited young American woman, a devout Christian, studying nursing in her senior year of college. Let's give her a big round of applause as she joins us tonight!"

## WHEEL OF TRANSFORMATION 3

---

As Daisy stepped into the bright spotlight on stage, the audience erupted in applause. Her blonde hair cascaded down her back, gleaming under the lights like spun gold. Her piercing blue eyes, wide with excitement, scanned the enthusiastic crowd as she offered a radiant, innocent smile. Her modest outfit spoke to her values and upbringing: a dark blue blouse buttoned neatly at the collar, tucked into a smart pair of trousers. She exuded a mix of confidence and humility, capturing the crowd's hearts with her warmth as she took the microphone.

"Daisy, are you ready to spin the 'Wheel of Transformations'?" the host asked, his voice echoing with excitement.

Daisy stood poised, her posture straight and assured, yet her demeanor conveyed a gentle sincerity. With each word she spoke, her tone was filled with optimism and gratitude, reflecting her firm Christian faith. The anticipation in the room grew palpable as the audience waited for the 'Wheel of Transformations' to spin, their collective energy fueling her resolve.

The host stepped forward, his smile broadening as he raised a hand to quiet the audience's applause. With a playful gleam in his eye, he began, "Ladies and gentlemen, it's time to reveal the theme of our first round of transformation: Fashion Style!"

## WHEEL OF TRANSFORMATION 3

---

He gestured toward a screen that displayed an array of vivid images depicting various fashion trends, from high fashion to punk rock to bohemian chic. Each style was distinct and bold, promising a dramatic makeover for Daisy.

"Our team of experts is prepared to implement a sophisticated neurological procedure that will alter Daisy's taste in clothing at its very core, imprinting her brain with a new and distinctive fashion sense. She'll adopt this style so completely that it will feel like she's loved it all her life. But what will it be? Will she become a sophisticated fashionista in high fashion, embrace the dark allure of goth, or perhaps something even more adventurous like a latex addict or a lovely Lolita enthusiast? Or might she choose the elegant modesty of a hijabi woman, the rebellious spirit of a punk, or channel a retro charm with distinctive patterns and cuts from past eras?"

The screen flickered, and the crowd buzzed with excitement as it showcased each fashion style, providing the audience with glimpses of potential transformations.

"Remember, it's up to you to decide! Cast your votes now, and we'll reveal Daisy's new style in just a moment!" The host's voice rose with excitement, and the atmosphere in the venue became electric with anticipation as Daisy stood poised, her smile vanishing as worry settled on her face.

She hadn't realized how deeply previous contestants had been changed and thought it would have been selfish to worry about her appearance. Now, she realized there was so much more at stake. How could she uphold her values with a dramatically altered fashion style?
