

ANTHROPOLOGY

chapter one, preview

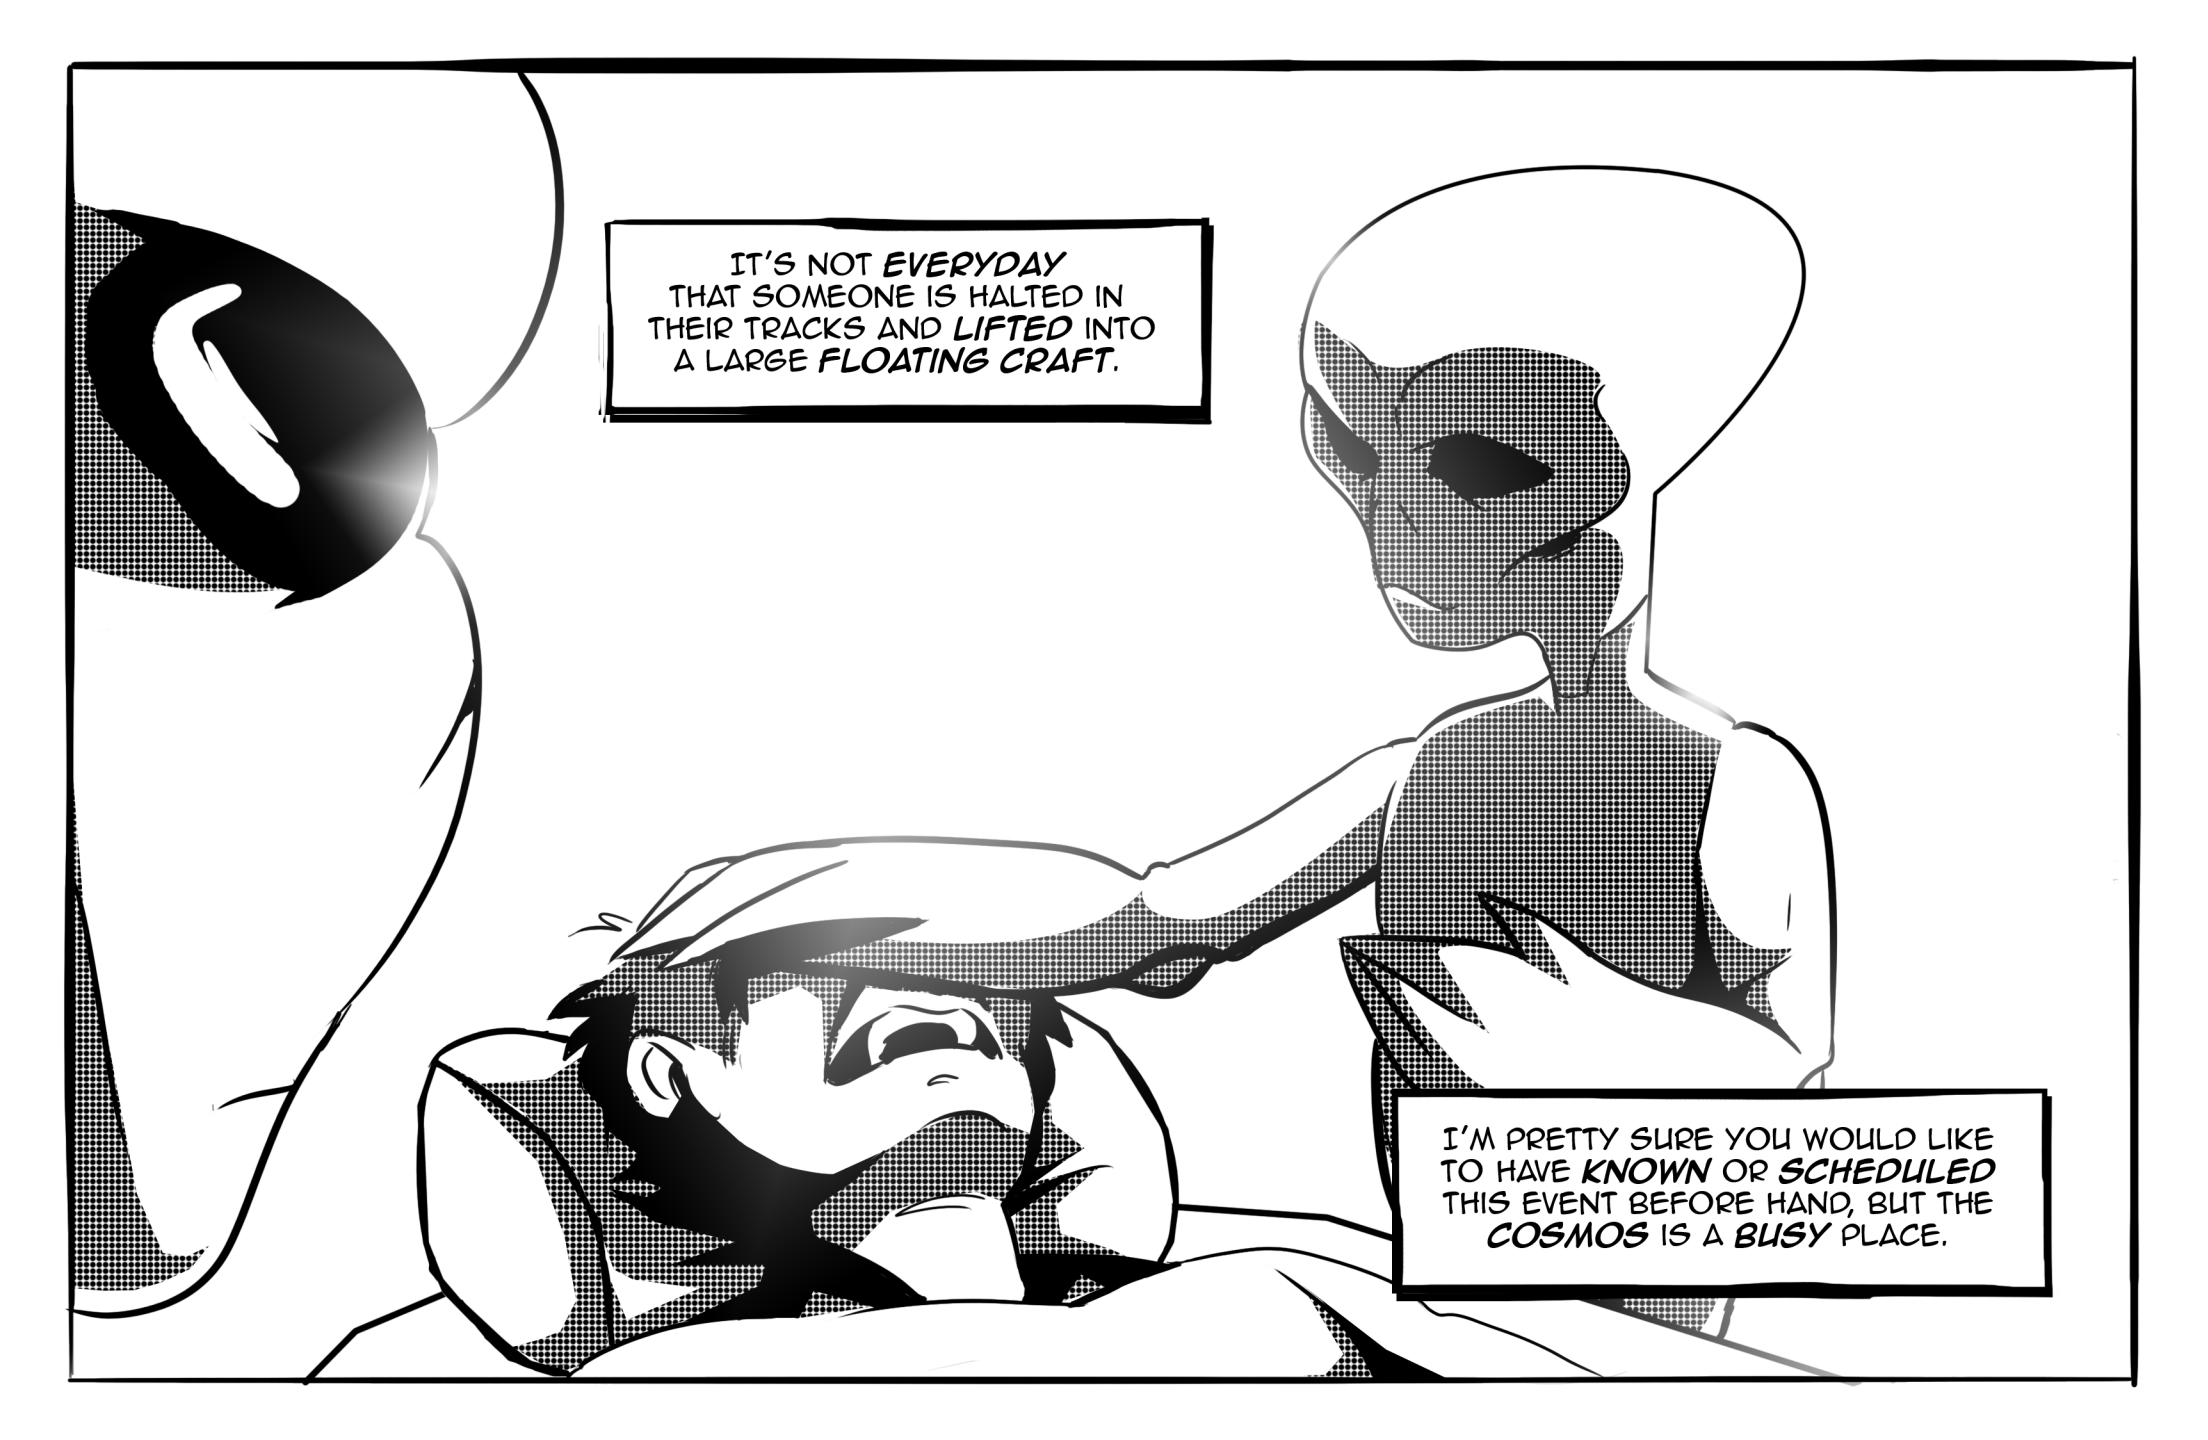

STOP
SCREAMING.

LOWN, WE'RE
GOING TO HAVE TO
KNOCK THEM OUT.
I CAN'T WORK
LIKE *THIS*.

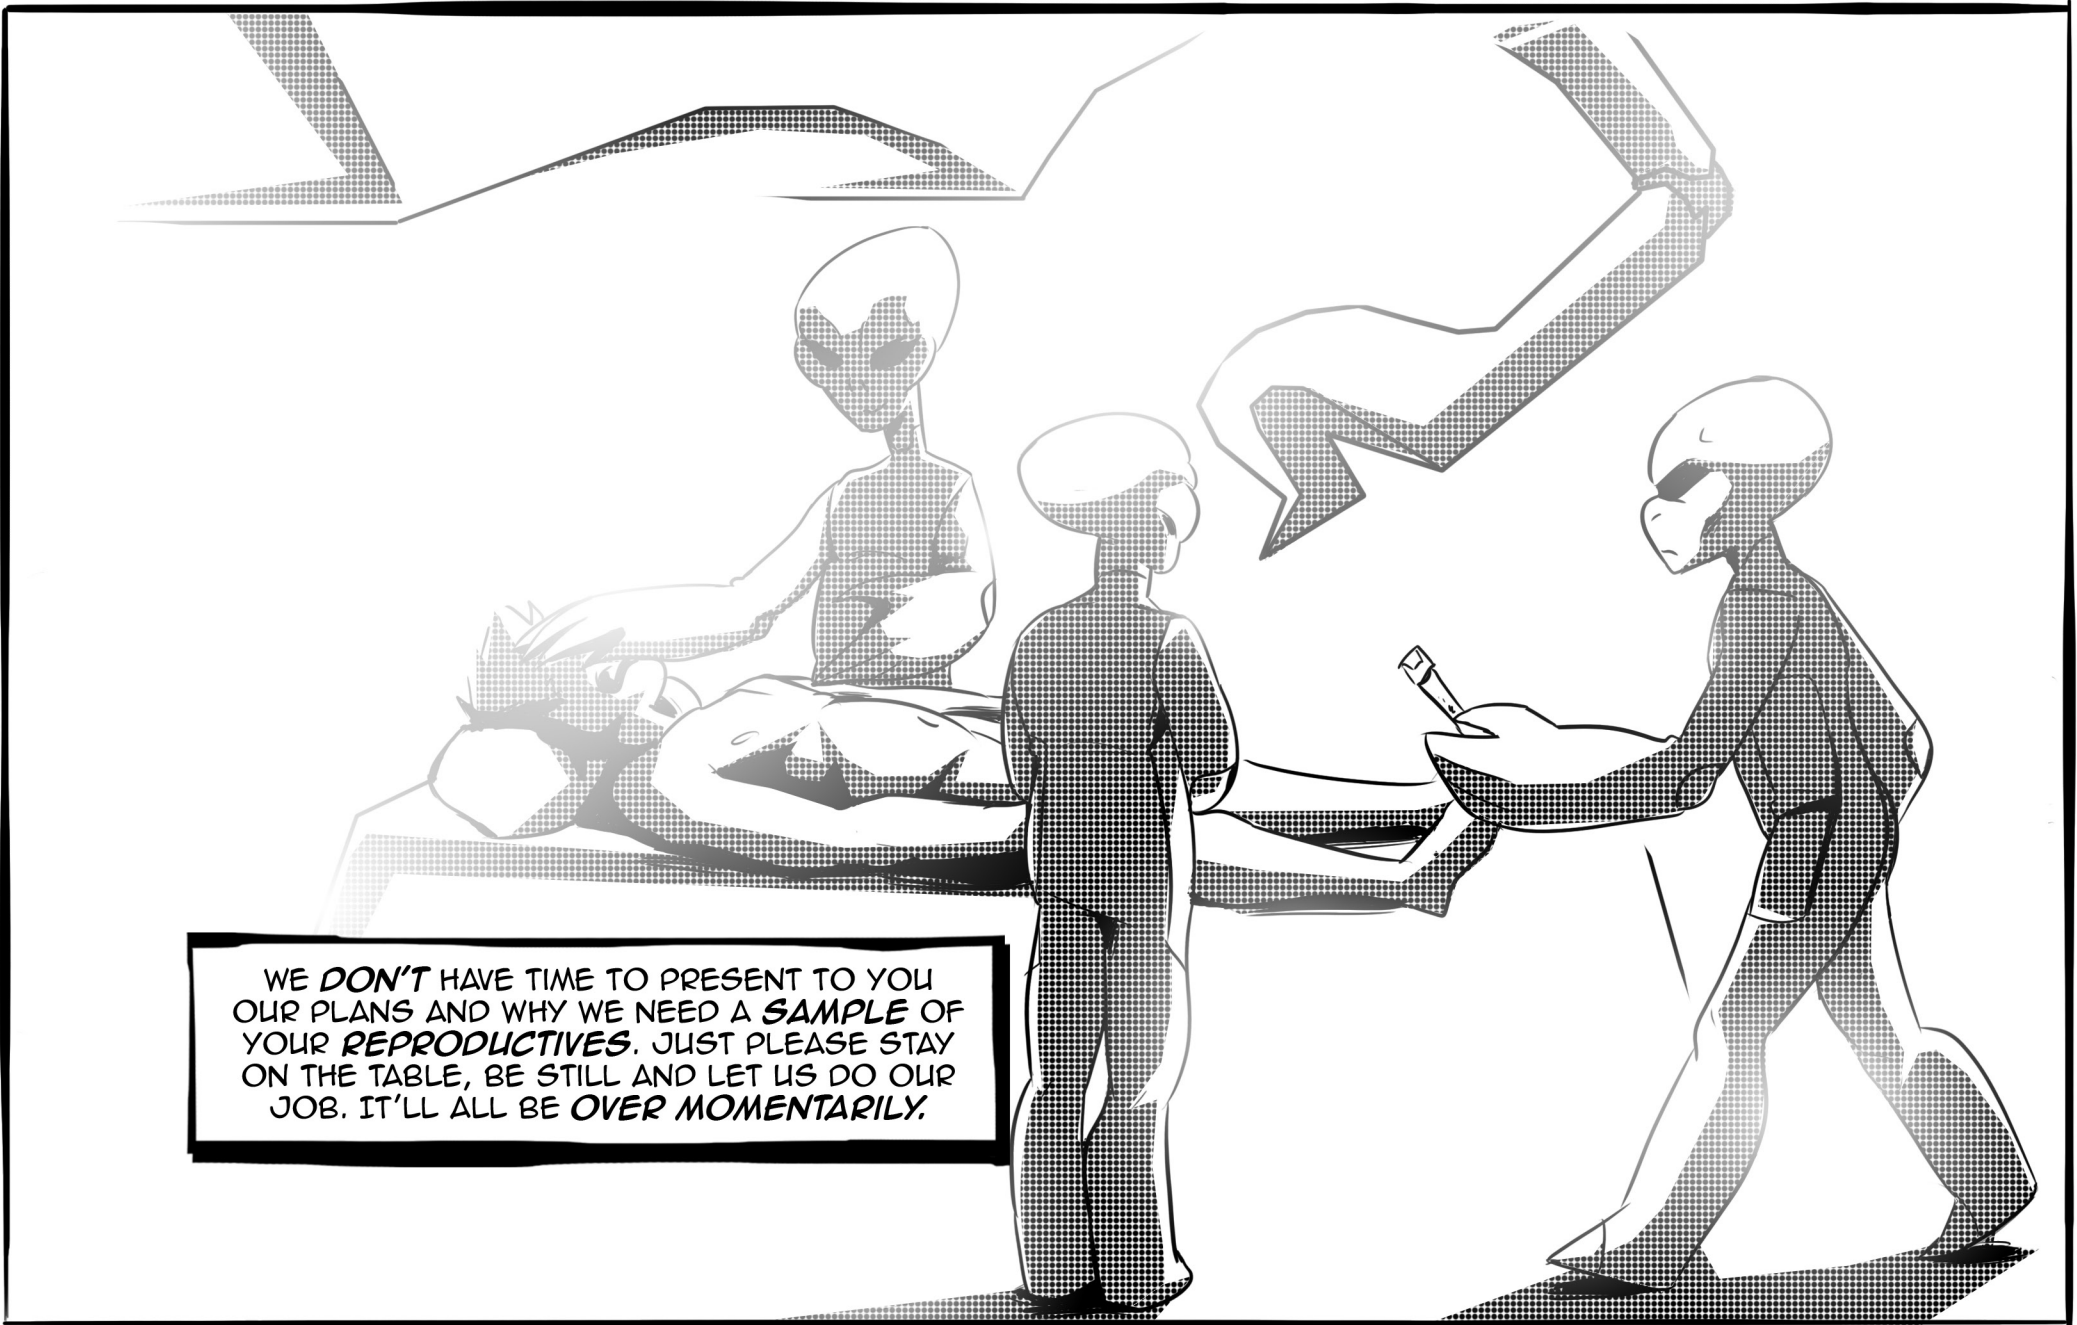

IF YOU ARE RANDOMLY *ABDUCTED*
OFF THE ROAD BY SMALL BIG HEADED
CREATURES...

YOU HAVE EVERY *RIGHT* TO
ASSUME THAT WHATEVER IS GOING
TO HAPPEN IS *BAD*.

IT'S NOT *EVERYDAY*
THAT SOMEONE IS HALTED IN
THEIR TRACKS AND *LIFTED* INTO
A LARGE *FLOATING CRAFT*.

I'M PRETTY SURE YOU WOULD LIKE
TO HAVE *KNOWN* OR *SCHEDULED*
THIS EVENT BEFORE HAND, BUT THE
COSMOS IS A *BUSY* PLACE.

WE *DON'T* HAVE TIME TO PRESENT TO YOU OUR PLANS AND WHY WE NEED A *SAMPLE* OF YOUR *REPRODUCTIVES*. JUST PLEASE STAY ON THE TABLE, BE STILL AND LET US DO OUR JOB. IT'LL ALL BE *OVER MOMENTARILY*.

ANTHROPOLOGY

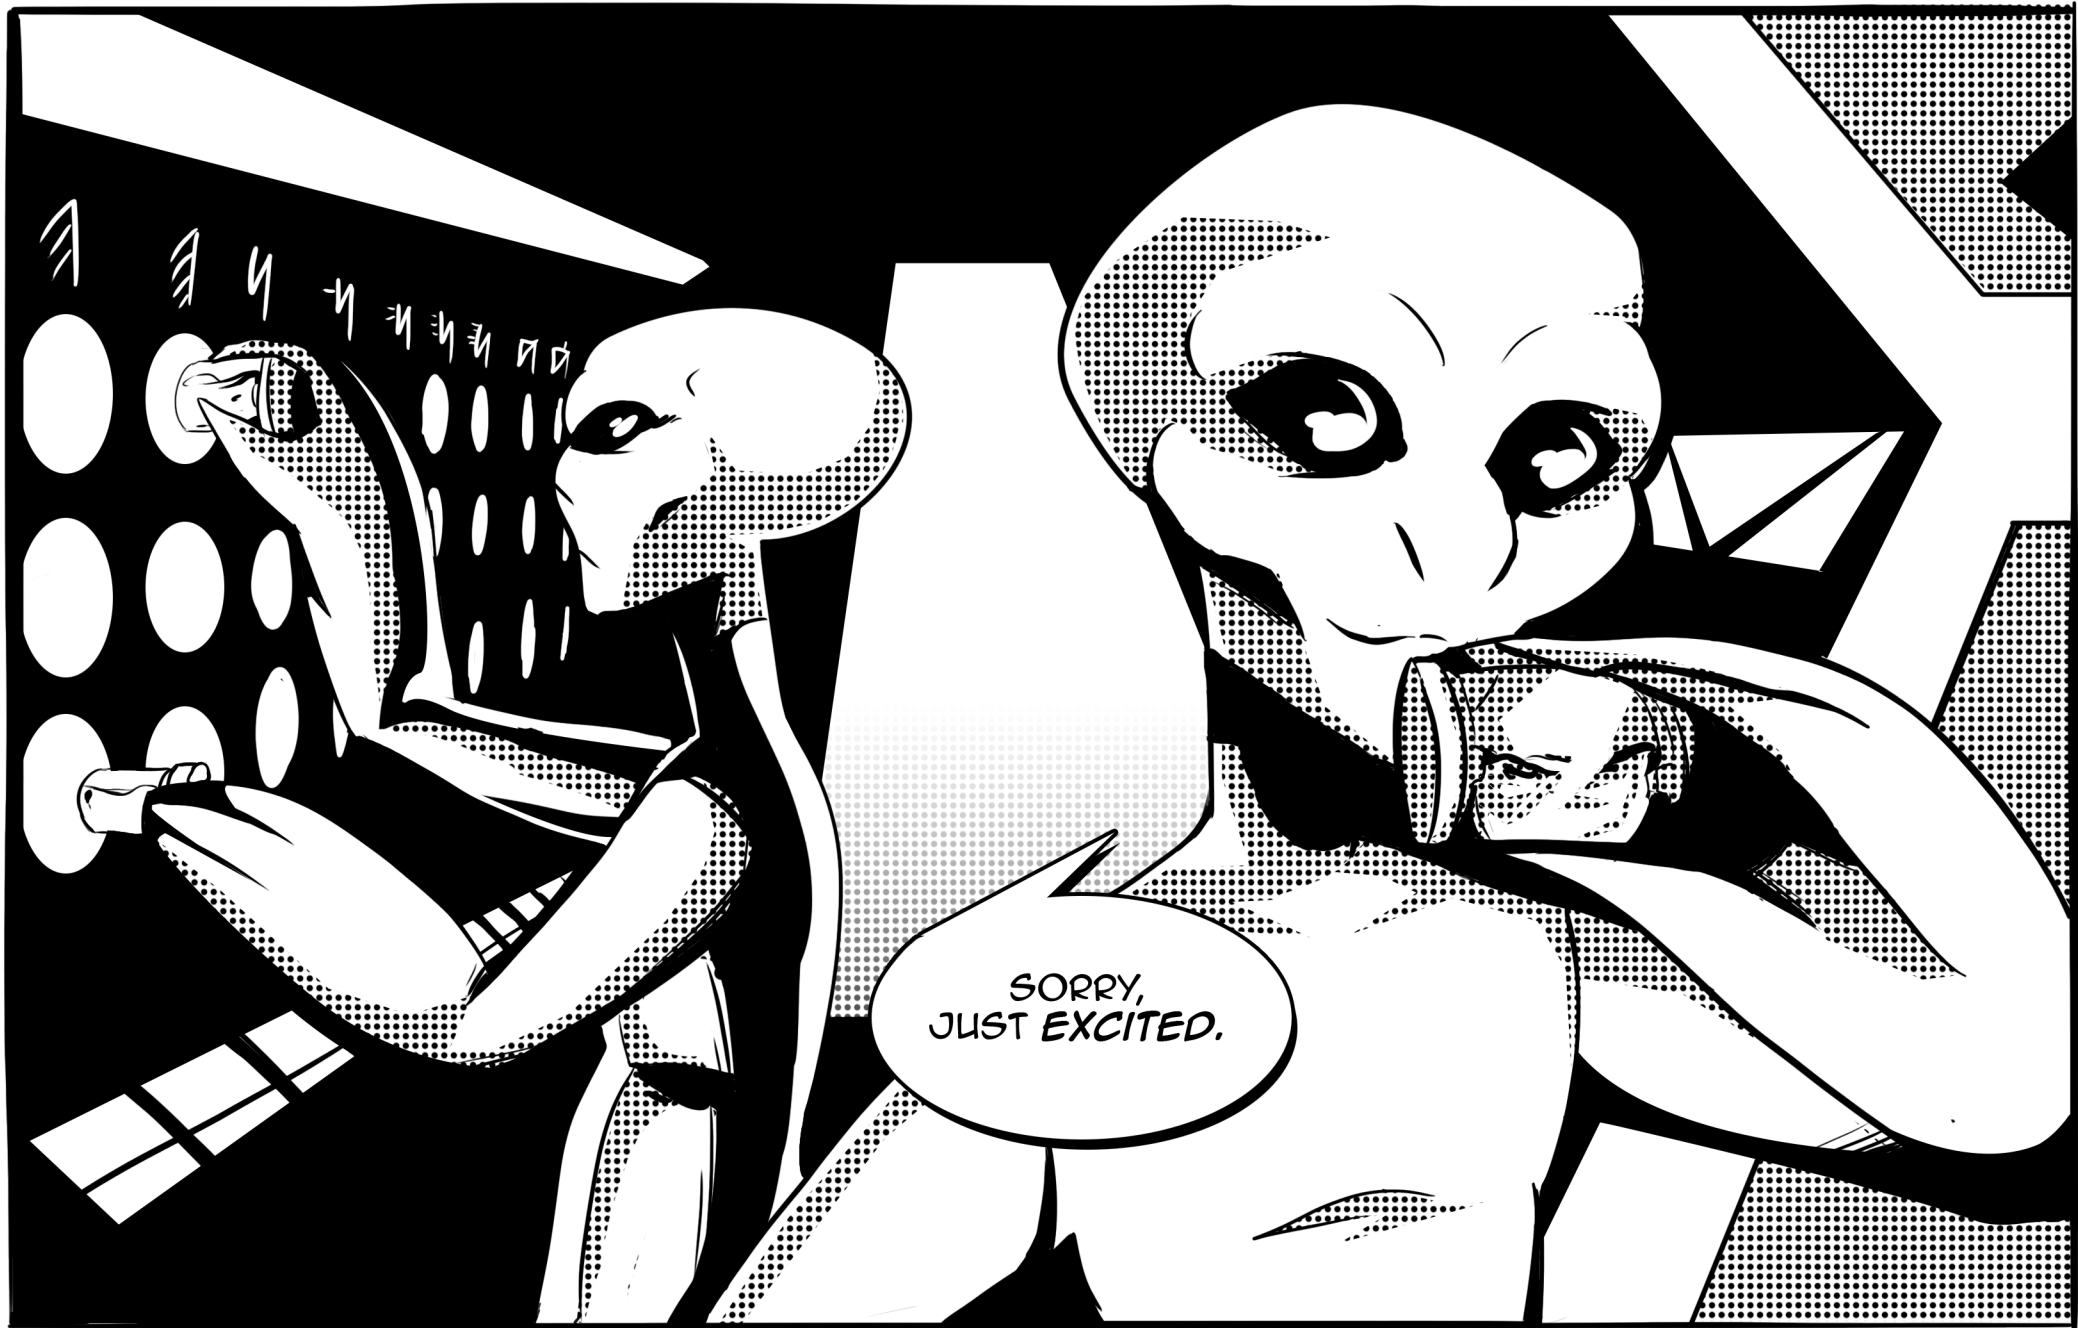

chapter one:

PLANET EARTH IS BLUE.

"None of us know what the UFO phenomenon really is or what it's ultimate purposes may be, but in the absence of answers, we must at least act upon our feelings... we must offer understanding and heartfelt emotional support to these fellow human beings who have endured such profoundly unsettling, unfathomable, truly alien experiences. They are, in every sense of the word, victims. And yet, unmasked, they are pioneers. For good or for ill, they have seen the future." - Budd Hopkins, *Intruders* 1987

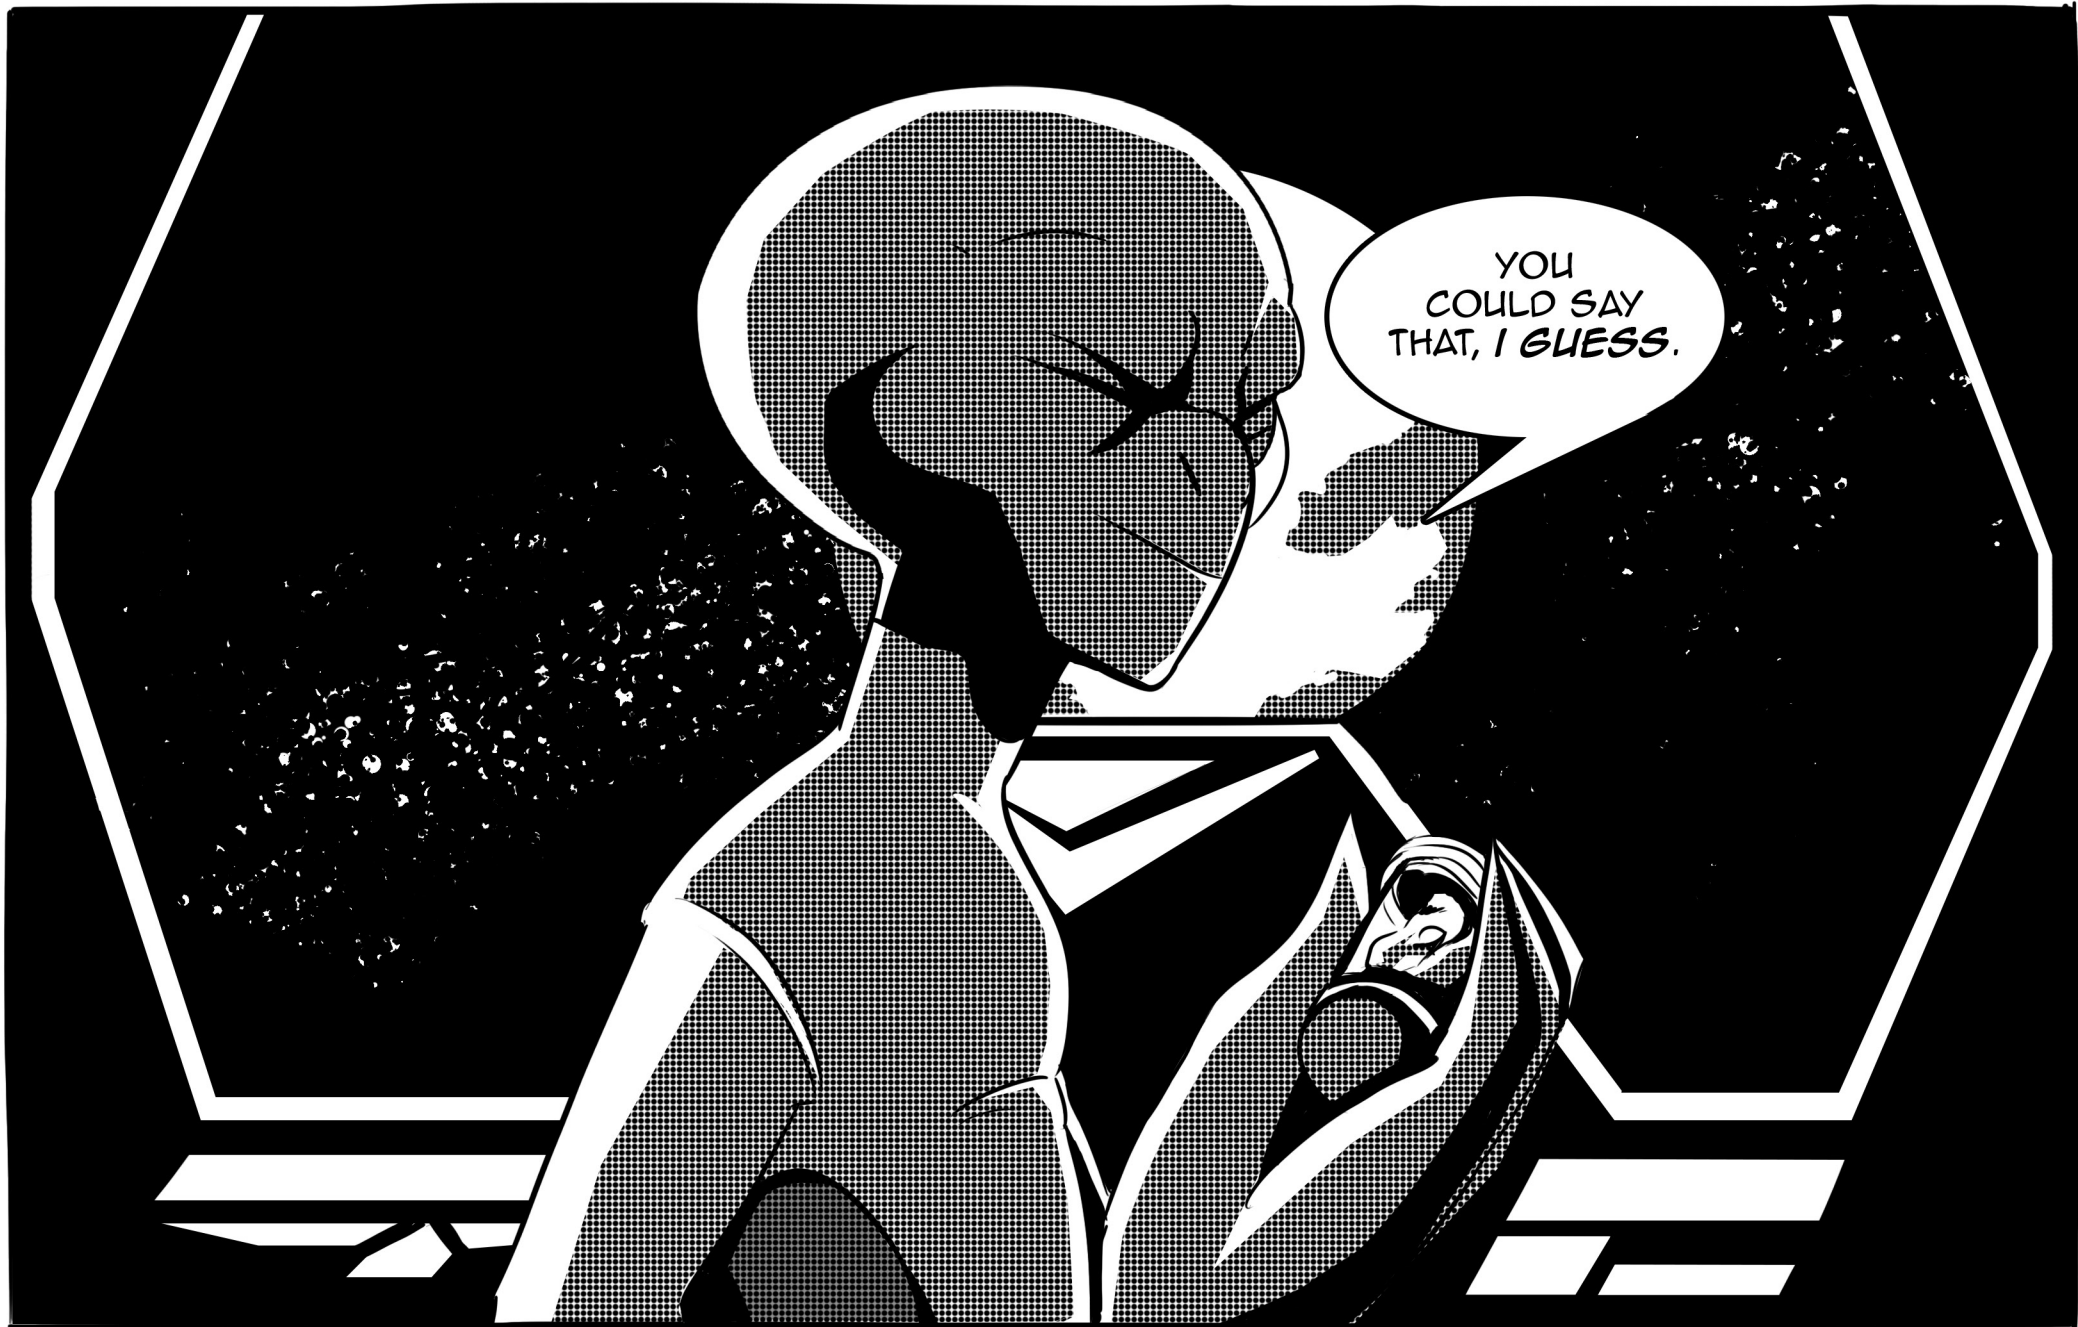

*RHONAXI, STOP
PLAYING WITH THAT
CONTAINER, I NEED
TO NEST IT.*

SORRY,
JUST EXCITED.

ABOUT
HUMAN SPERM?

YOU
COULD SAY
THAT, I GUESS.
