

# THE ULTIMATE FANTASY AUDIO EXPERIENCE

MICHAEL GHELFI

Dear adventurer,

My name is Michael Ghelfi, I'm the composer of the most expansive RPG ambiances library.

The objective is to create the ultimate fantasy audio experience, to cover all your needs. The ambiances library I made is already by far the biggest on YouTube, and in the world, but hundreds of other ambiances are still waiting to be composed. In that regard, I know I can count on a fantastic community on [YouTube](#) and [Discord](#). You are more than welcome to join it!

My ambiances can be downloaded in big volumes of 50 pieces on [Bandcamp](#).

I believe in transparency and honesty. To make the ultimate fantasy audio experience, I need the best sound effects. I could have stolen the sounds from video games and movies, as many ambience composers do and you would never know, but what is the worth of an artist stealing other artists? This is why I set up a [Patreon](#) page, where you can get exclusive ambiances available nowhere else, while allowing me to purchase sound libraries of exceptional quality. If you are curious, you can see some of which I plan to get in my [wishlist](#). On my Patreon, you can also get dozens of battlemaps, game-ready D&D scenarios, magic item cards, a spreadsheet of all of my pieces, etc. from collaborations I made with great artists such as Czepeku, Loot Tavern, 2MinutesTabletop, etc.

On Discord, we have a thriving community, speaking about tabletop RPGs, worldbuilding and writing mainly. There you can suggest new ambience ideas and we will gladly speak about them.

Most of my non Patreon-Exclusive creations are also available on [Spotify](#).

If you want to use my creations for a specific project, you can check the [conditions of use](#).

Thank you for your attention. Happy adventuring!

Michael Ghelfi
