

000001 MAB| Dipper, you know nerd stuff. You've gotta help me!

000002 DIP| Mabel, it's not like I can go on your date for you.

000002 MAB| But he's soooo cute!

000003 DIP| What do you want me to do, Mabel.

000003 DIP| Hop into your mind?

000003 MAB| Yes! That. Do that.

000003 MAB| You can be the little nerd on my shoulder --just like in a cartoon.

000003 DIP| This isn't a cartoon, Mabel.

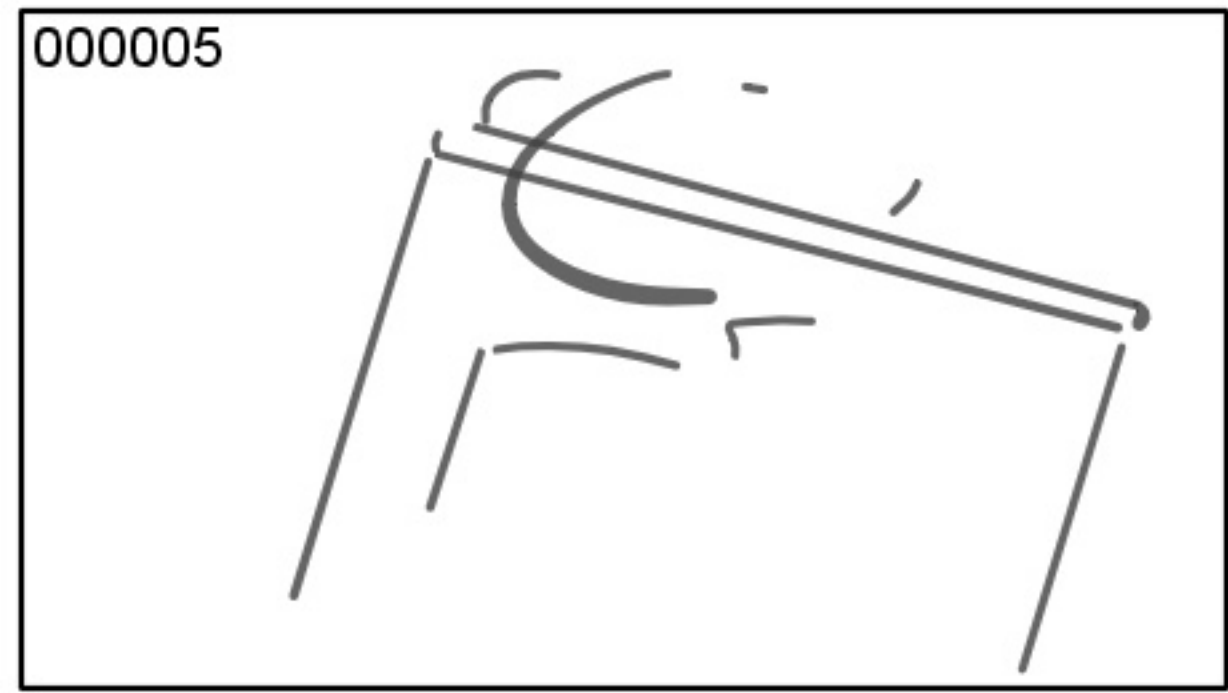

000004 DIP| ...we haven't had the best luck messing with people's minds.

000004 MAB| (throwing voice) You should help your sister get laid!

DIP| Gross...

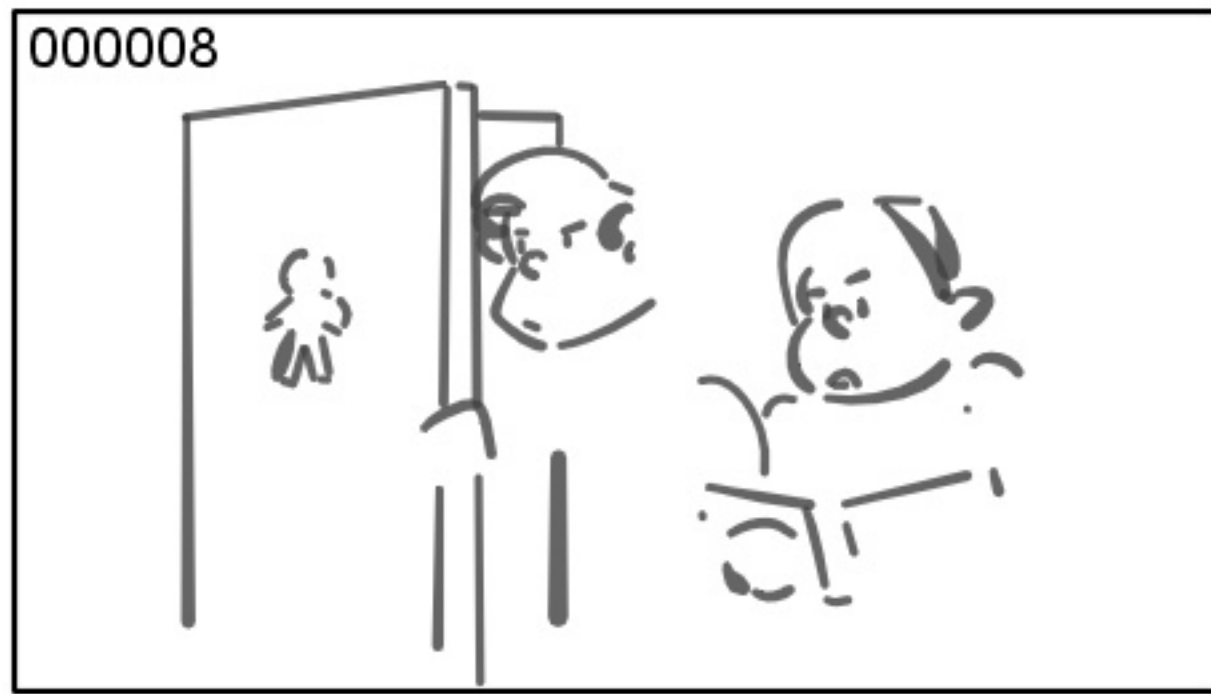

000005 MAB| Come on. There's gotta be something in your nerd book.

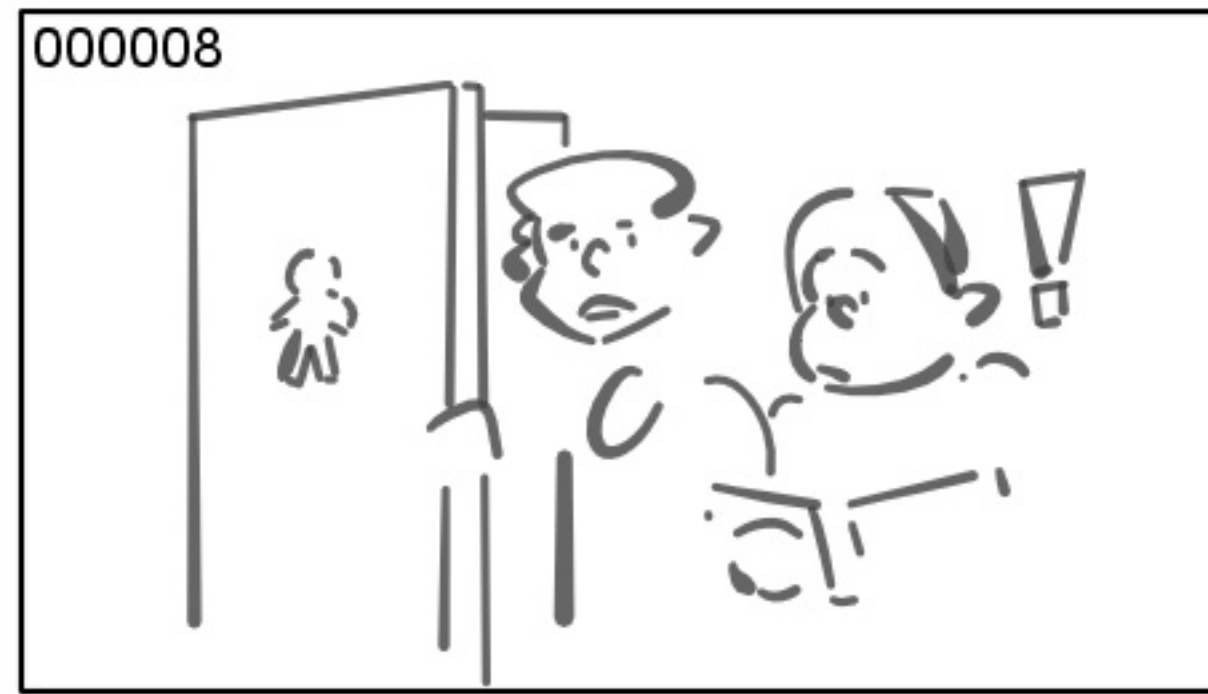

000006 DIP| Well... there is this one spell... I really want to see how it works...

DIP | If you read it, it should let me leave my body and jump into your mind.

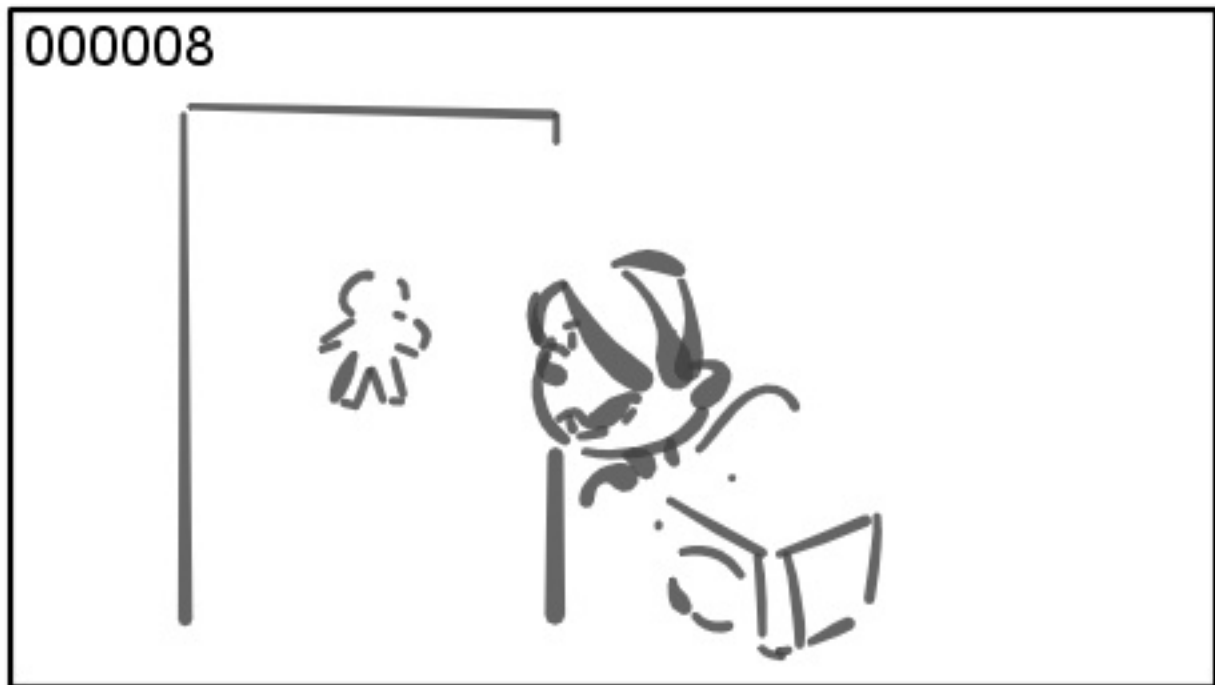

MAB | Front or back?

DIP | Back...?

MAB | Nevermind! Go! I've got this!

MAB | You're the best brother ever!
DIP | Yeah, yeah...

MAB | Open Mind, Open Mind, (Echo, Reverse)
Open Mind, Open Mind!

MAB | Dipper?

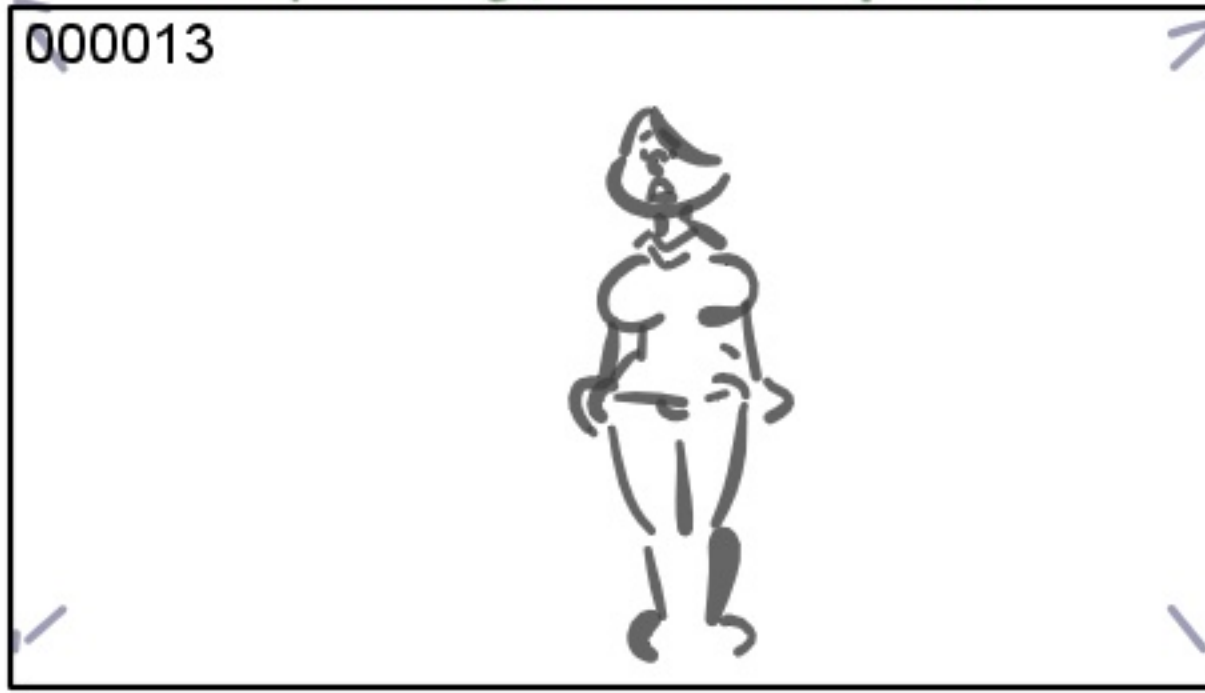

MAB | Dipper?
DIP | Whoah. Mabel? Wait.

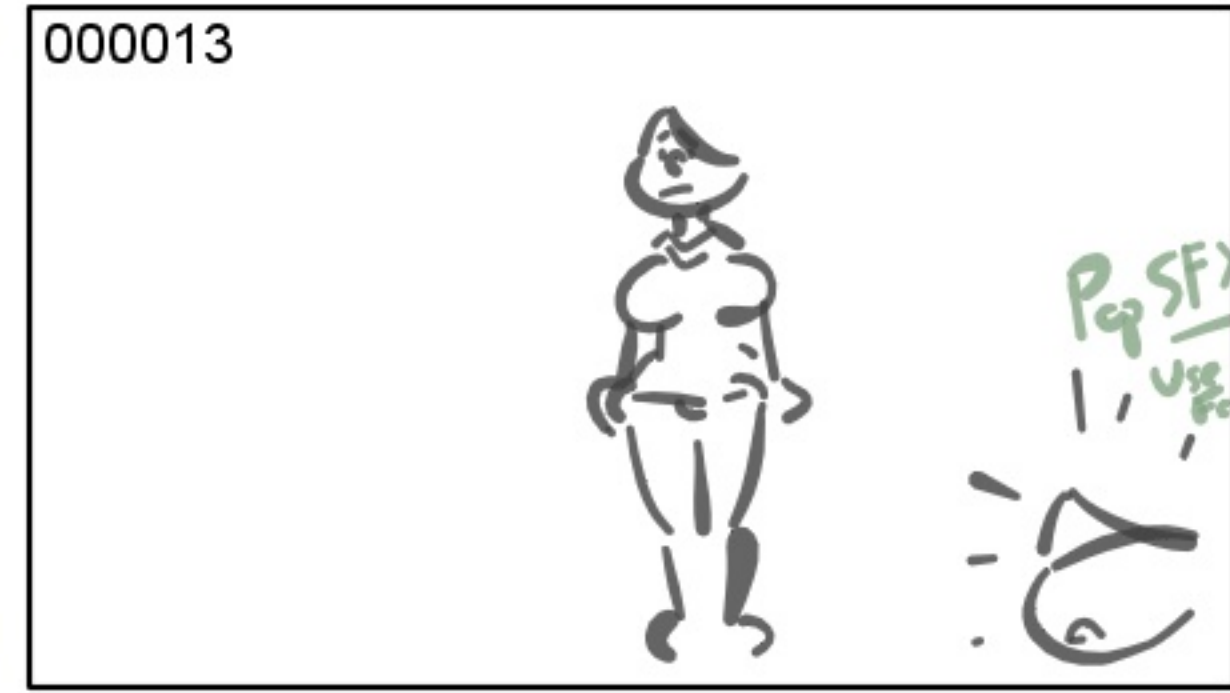

DM | What?!

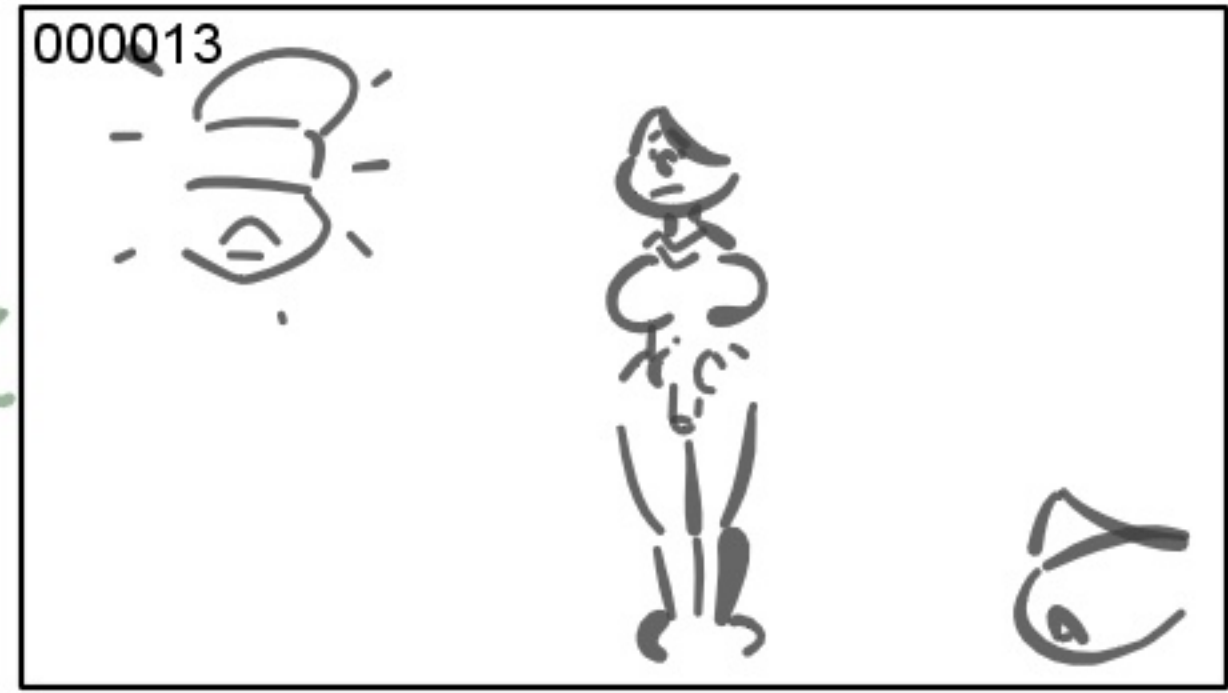

DIP | Oh no no no no no.
MAB | Dipper.

DM | I'm you

MAB | Well it wouldn't be the first time.

DIP | I can't do this!
MAB | It's just lunch. You eat all the time, I've seen it. You got this!

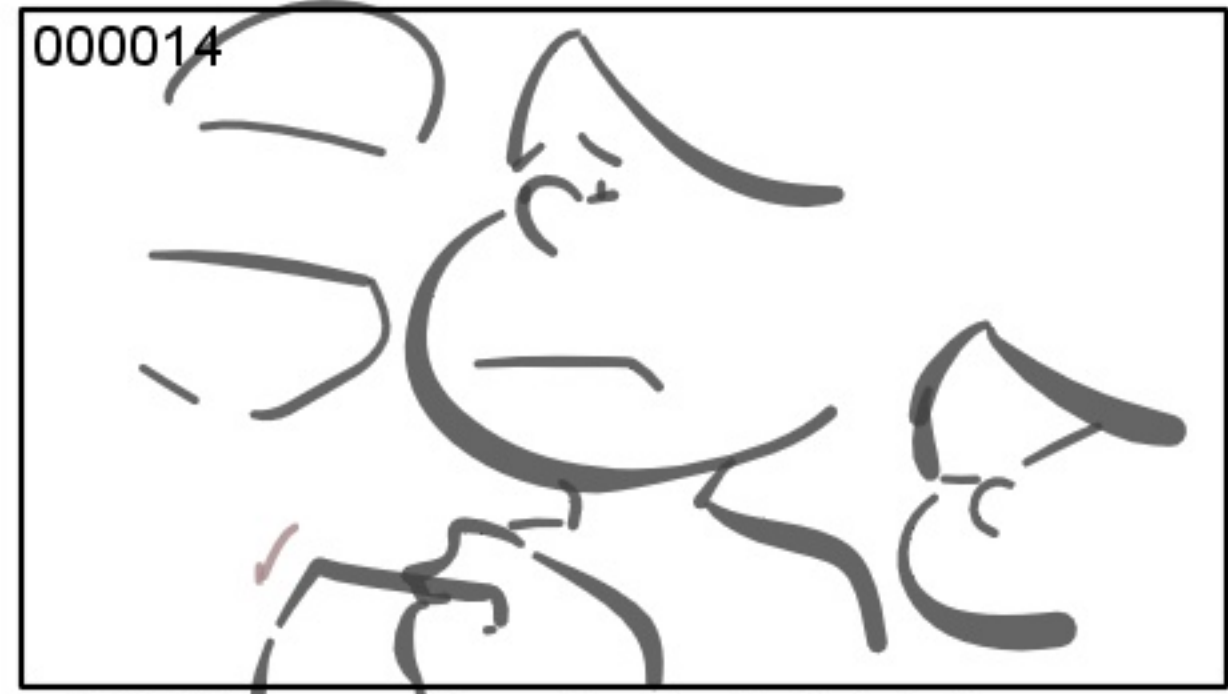

DIP | But what if... you know.

MAB | What.

DIP | You know!

MAB | Dipper please. On the first date?

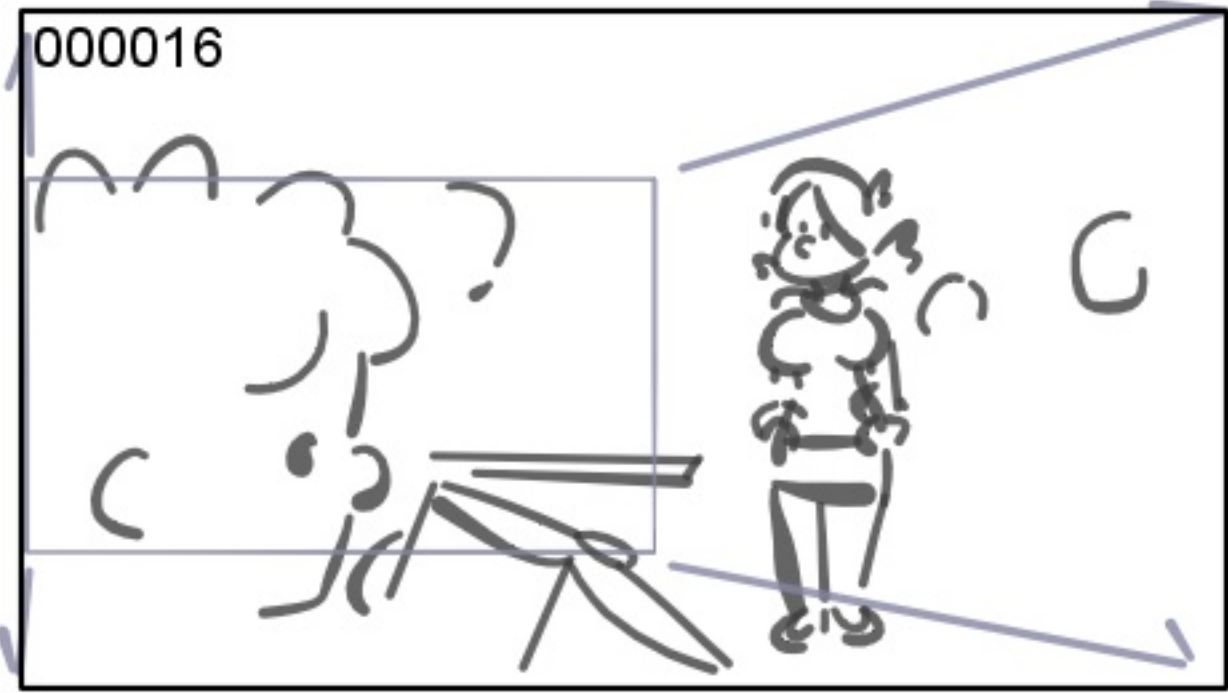

DIP | Says the girl who's wearing

DIP | Is this even underwear?!

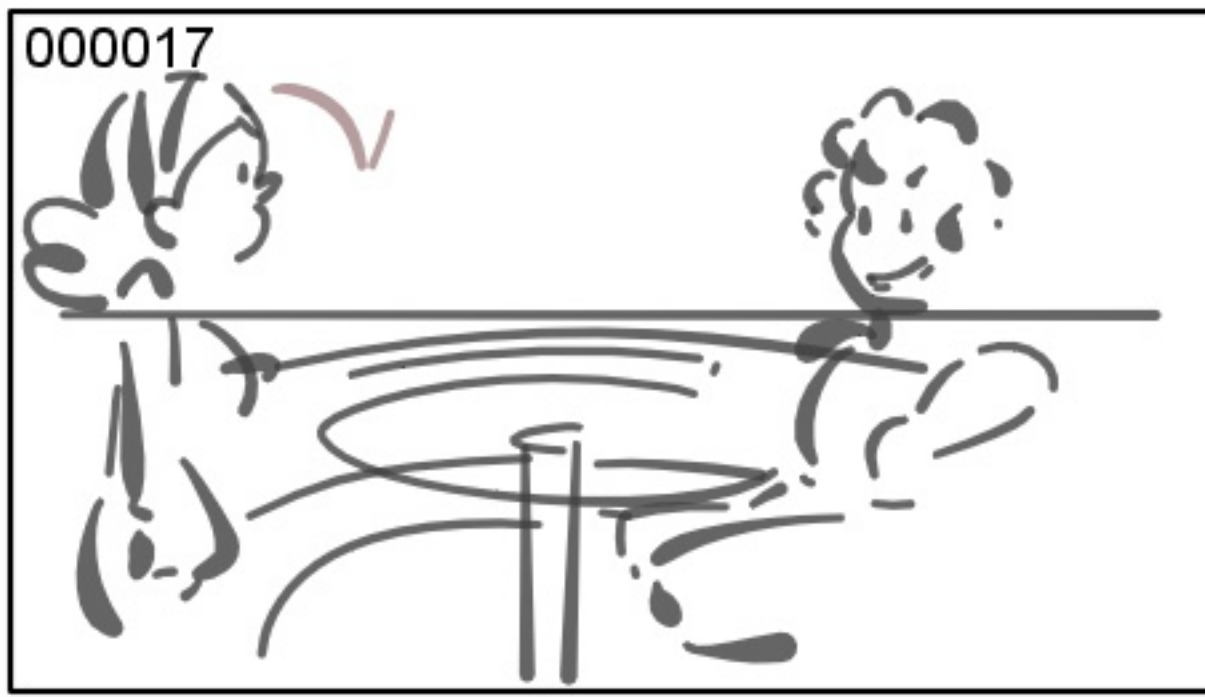

MAB | Dipper! we're going to be late, let's go!

000020
DM | Try me.

000021
RAN | It's a book about shadow biology, completely alien life that may have developed independently on earth

000022
RAN | It could still be here, living among us!

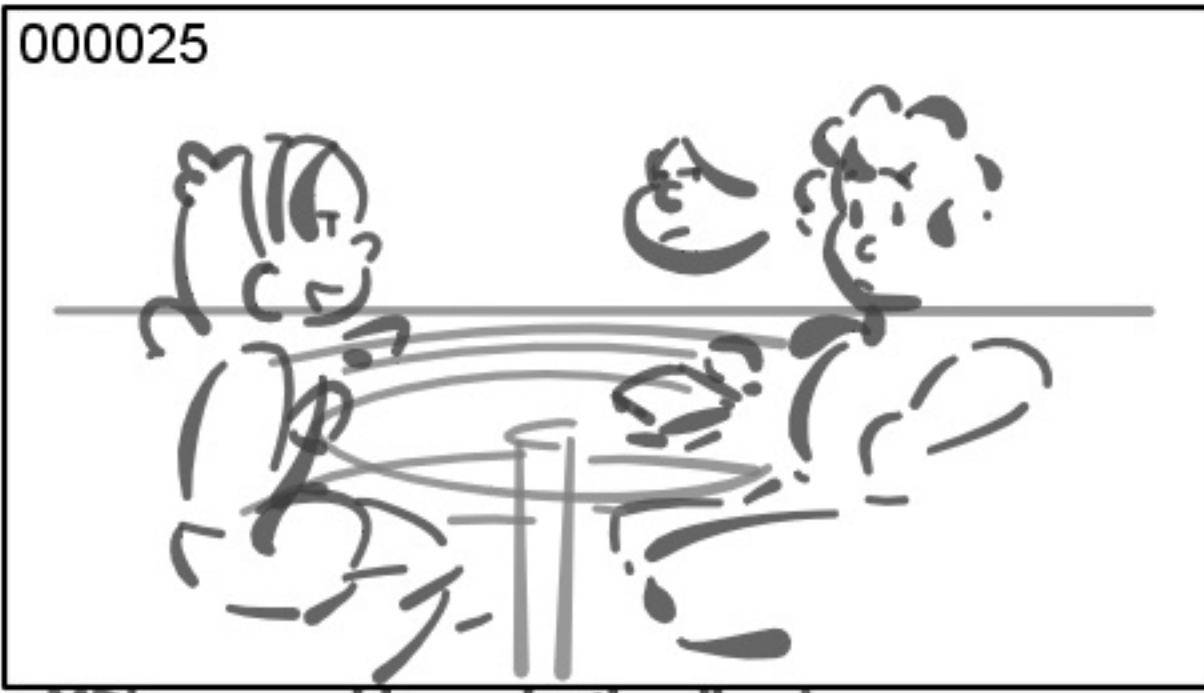

000023
MD | A shadow biosphere! But what if it didn't develop here at all?

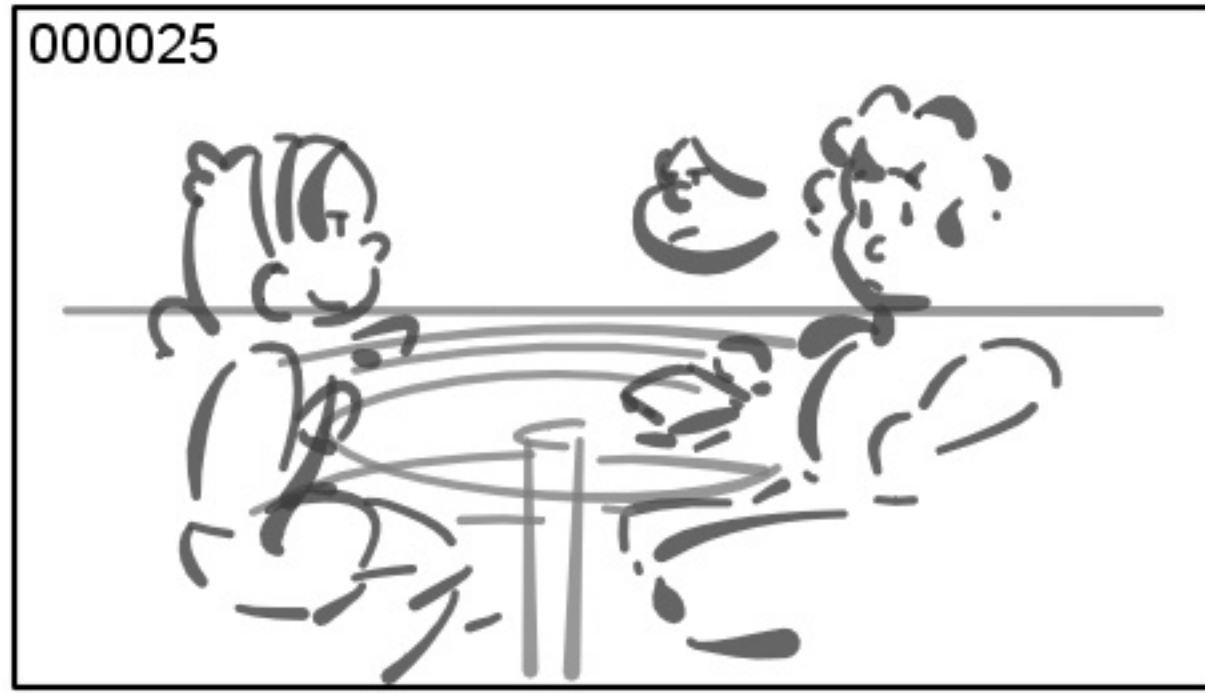

000024
MD | What if earth was seeded with ancient alien life

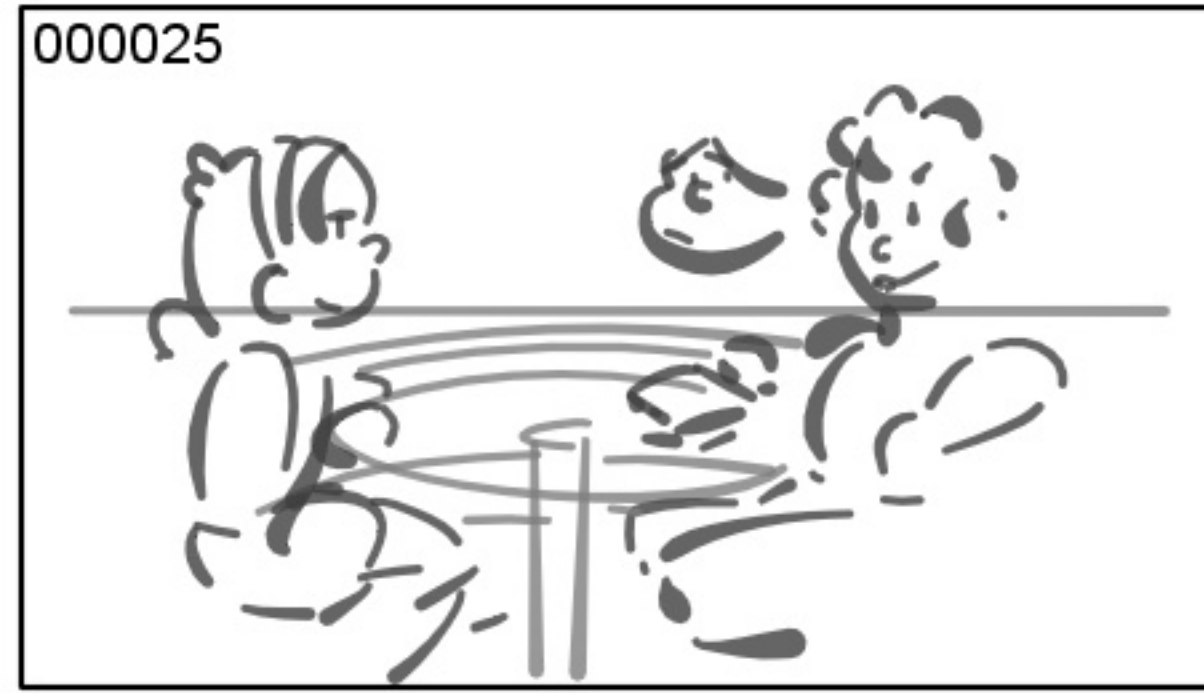

000024
MAB | Ugh! Nerd stuff! (talk over)
DM | ...when they crashed here millions of years ago.

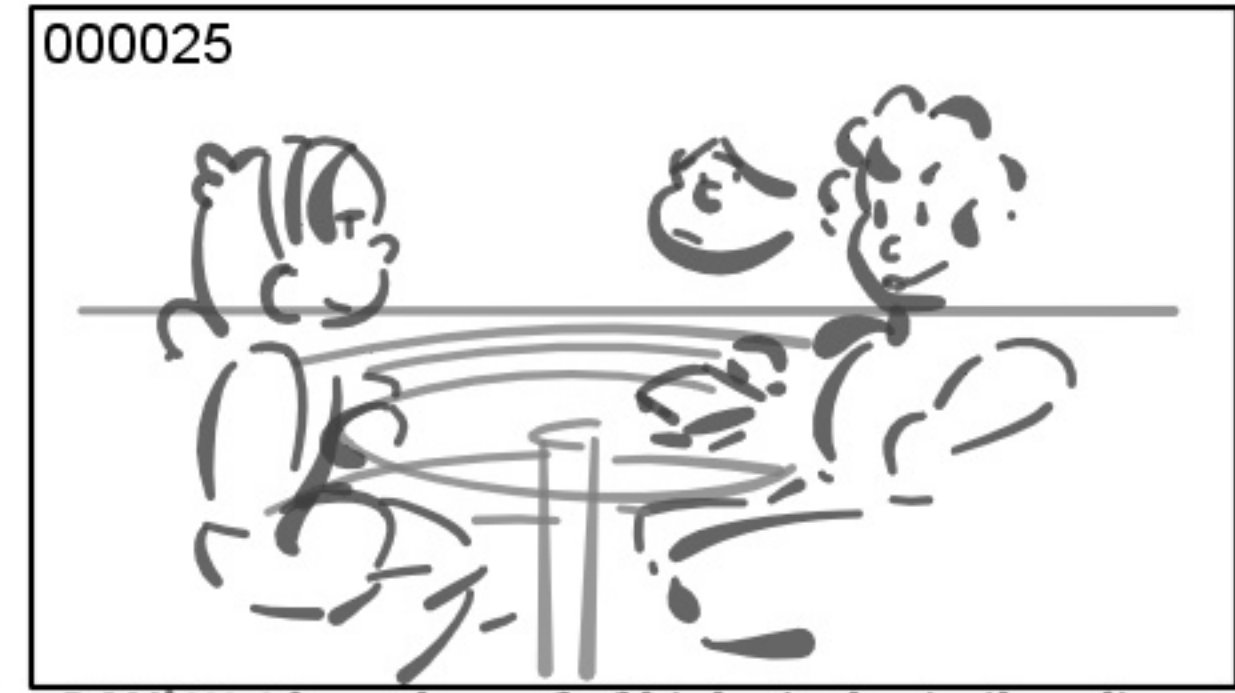

000025
MD| ... we could even be the aliens!

000025
RAN| Panspermia

000025
RAN| We'd need proof of biologically similar alien life. What if it were true, how would we know?

000026
DM| Ha ha ...yeah ...how would we know.
(awkward)

000026
DM| You know, Randal, you're actually pretty cool.

000027
