

Office Party – Scene 05

Suggestions still active!

Hey. Pssst. Lucine. I got a question.

Do you think Stacey is acting a bit strange?

She's trying to make me do strange tasks!

Yesterday she told me to jump up and down on one leg.

When I asked her what she ment, she played it down as a joke... but ever since then she has given me many small meaningless tasks...

I know I'm just the intern, but until yesterday I never felt used by the work, she's given me...

Okay, if you say so. Now I gott 'a run. Stacey expects me to bring her a coffee.

Yes, I thought it was strange at first as well, but she said the one from the lounge helps her to focus on work more efficiently.

Hmm... Not really. What's wrong?

Why are we whispering in the hallway?

It's probably the new project. Stacey get's a bit antsy when she is stressed.

I'm sure she'll be back to normal once she has worked through the preliminaries.

But Stacey has her own coffee maker in her office...

And I'm late again... But it should be fine once I save everyone from the suggestions!

Managed to evade him yesterday... but can't do that for the rest of my life... I wonder if he really has forgotten ...

Thank god!
He's clueless!

Oh!... Dylan... Hi!

Morning Lucine!

Didn't see you yesterday. Lot' a work?

Uh... Yeah you can say that.

But hey, great party, right?

Must have been! I don't remember a thing! Guess I was drinking too much... I hope I did nothing to offend you.

Uh... No.. No. You did nothing too embarrassing, I guess.

Better not tell her that I know...

... And that's how we ended up playing this stupid game. Remember and forget, they called it. It was creepy! ...

Hey, Lucine. You listening?

Luciiiiine?

Lucine!

Didn't you say yesterday that you had a meeting with Charlotte right about now?

At first, I was a bit taken a back... I mean... sex doll... didn't know he was into that!

Yesterday was intense... I think James really liked the sex.

But once I got into the role... it actually felt good... being used... for his sexual pleasure

Thank god he realized he had to cross out the words! And thank god it took him only 10 minutes to find the marker!

I wonder how much longer I could have stayed this rigid...

But I really did not want to fall out of the role!

What?

Shhhi... Thanks Julie!

I'll go right away.

Hell! I don't even know what I should say to her when I see her again...

What I heard Şayo say... kind'a got to me... Maybe I should dress differently for the date?

I just hope she likes me for real. If it were just her trigger... that be really sad...

Man, I still haven't called her. It's almost weekend!

I wonder how I should go about this.

"Hey you guys. Did you know all the suggestions are still active and you can be made to forget anything?"

Maybe I could use their remember trigger to make them remember that their triggers still work?

You're late again!

Yeah... sorry.

Okay I need some help! So, before I get rid of the suggestions, let's get some dating tips!

If it gets too embarrassing, I can still make them forget!

HmpHmp... So, hmm... girls, I'd like your advice on something personal.

Sure, what's up?

So... there is this woman I've met. And I'm going to call her for a date this weekend...

How personal are we talking?

So, you want dating tips!

Real actual girl, or weird nerd girl?

Normal girl, I assume.

Yeah, you really should dress up for her. Either something fancy or real cool.

Okay first of, don't wear what you are wearing now. **Wear something cooler.**

Ah shit. Can't wipe his memories... Now it's getting embarrassing.

He's going to tease me for the rest of the month!

Sup. What's up?

Dylan's asking for dating tips.

Normal girl, or weird nerd girl?

Normal girl!

That's easy. Just be more like me.

Wear something cool, and man up!

If you want something you have to take it!

Women love confidence.

No. Guys Please. ①

Don't... ③

I guess I need to man up... ⑤

Signed! You could use some more confidence, and a little bit more macho in you Dylan! ④

As much as I hate to admit it, Marco is right. ②

You could really use a little bit more of Marco's attitude.

Glad to be of assistance! ⑥

You're late.

... Sorry.

It's fine. I started without you.

The numbers just don't add up.

But I think I narrowed the problem down to one file.

Fetch me that file while I finish up this calculation.

Sure... File number?

Always so bossy when working!

COMPANY DIRECTORY

Okay, so the file number is

You got that?

What the hell are you doing?

Lucine!

Meow

Your trigger!
You are pulling
my leg here?
Right?

Doesn't seem to
be the case. But
why is her trigger
still working?

After some struggling, Charlotte managed to get the upper hand by writing on Lucine.

Wow... I never realized how hot she looks.

Hah! Gotcha!

Now roll on your back and stop moving!

Meow?

Obeys Charlotte

Meow?

All right. All cleaned. You can move again.

What the... Why are you still acting like a Cat?!

Oh no!
I erased the word! But to end the trigger the word needs to be crossed out!

Shit!
What do I do now?

Meow

Obey's
Charlotte

After telling Lucine to hold still once more, Charlotte has rewritten CAT on her and then crossed it out.

Oh, dear god,
I hope this
works.

Okay Lucine.
You can move
and talk freely
again!

Please work!
Please work!
Please work!

Oh, thank god!

I thought I had to stay a cat forever! I mean... not that I was afraid of that... because I was a cat so why would I be afraid of being one... Oh god this is so confusing!

Okay. I'm calm now.

Wow her breasts are even bigger than mine, but natural...

I wonder how'd they feel to the touch...

Calm down Lucine. Everything's fine now.

We need to tell the others immediately. Who knows what might happen with those suggestions still active!

Wait. Lucine Stop!

I don't think we should tell the others, yet.

That's a fine ass... I really want to make sweet love to her.

Wow... where is this coming from?! I've never been attracted to women before...

Julie! Fuck! That's on her!

Obeys Charlotte

I'm no lesbian either. I'm bisexual... But I guess that's not scoring me any points here.

Charlotte, that was AWESOME!

If you ever want to, you know, experience the other side, you can join my girlfriend and me anytime!

Did she really just offer me an all-girl threesome? Creepy!

Oh my, Charlotte, you are a lesbian?

Pass. I'm not a lesbian.

I'm not a lesbian!

Oh, don't be like that. We are all friends here. You should embrace your lesbian feelings!

How stupid is this girl? Let's try sarcasm!

Marco, did you know Charlotte's a lesbian?!

No! Really? She should show it more openly and make out with every girl in the office so even a guy like me gets that she is off limits.

I agree. I certainly would not mind a display of such sapphic pleasure!

Not a lesbian!

Aha! So, he had the hots for Charlotte! Well, another man-dream crushed!

Maybe he finally gives me a chance!

What are you saying?!

Who knows what the others are going through right now!

We did some really crazy stuff at that party!

Strip naked and kneel before me!

What?!

I did not even realize that would count as a suggestion!

I don't care... This feeling... I want to make love to women... And with those suggestion in place, I have a chance to try it out!

Why am I doing what you say?

The writing!

Why are you doing this?

Never interfere with my writing!

And sit still!

You are so beautiful...

This is so humiliating. I'm not into women!

I can't stop licking her clit. I can not fight her commands at all!

SOB

Wow this feels good!

I just wish she'd enjoy it as well.

Alright stop!

We need to work on your attitude.

Kneel back down!

Hm... Not good enough.

Let's add some more.

bisexual

Loves oral sex

Charlotte's willing slave

Oh god! Her voice sounds like that of an angel.

I'm so wet!

Perfect!
Now were you able to read all that in the mirror?

Yes, Mistress.

bisexual

Loves the taste of cum

Loves being changed

Gets wet when hearing Charlotte's voice

Loves oral sex

Charlotte's willing slave
Let's Charlotte write on her when asked

A moment later, after cleaning off all the writing of Lucine's body, Charlotte has decided to taste her first pussy...

Oh wow! Mistress! Your tongue feels amazing!

I wish I could make myself love the taste as well... But having Lucine spasm just because of my tongue is awesome!

MMMMMM!

MMMM

SOP

I've never felt this... exhilarated in my whole life!

Simply wow.

Wow!

But tell me the truth! How was it for you?

It was the best sex of my life!

But at the back of my head, I always know it's because you made me feel this way...

Oh god! This will change me completely!

I won't even realize I'm acting on her behalf!

All those suggestion...

I'll become them, from the bottom of my heart!

That's so awesome!

Forgets that something was written on her, as soon as it is cleaned off.

Thinks everything Charlotte writes on her is her own idea.

And you really want to go through with this?

Yes Mistress! I don't know why I haven't declared my servitude sooner!

Meanwhile in Dylan's office...

Isa got some fine boobs.. Wish I could touch them.

Be more like Marco!

If you want something, take it!

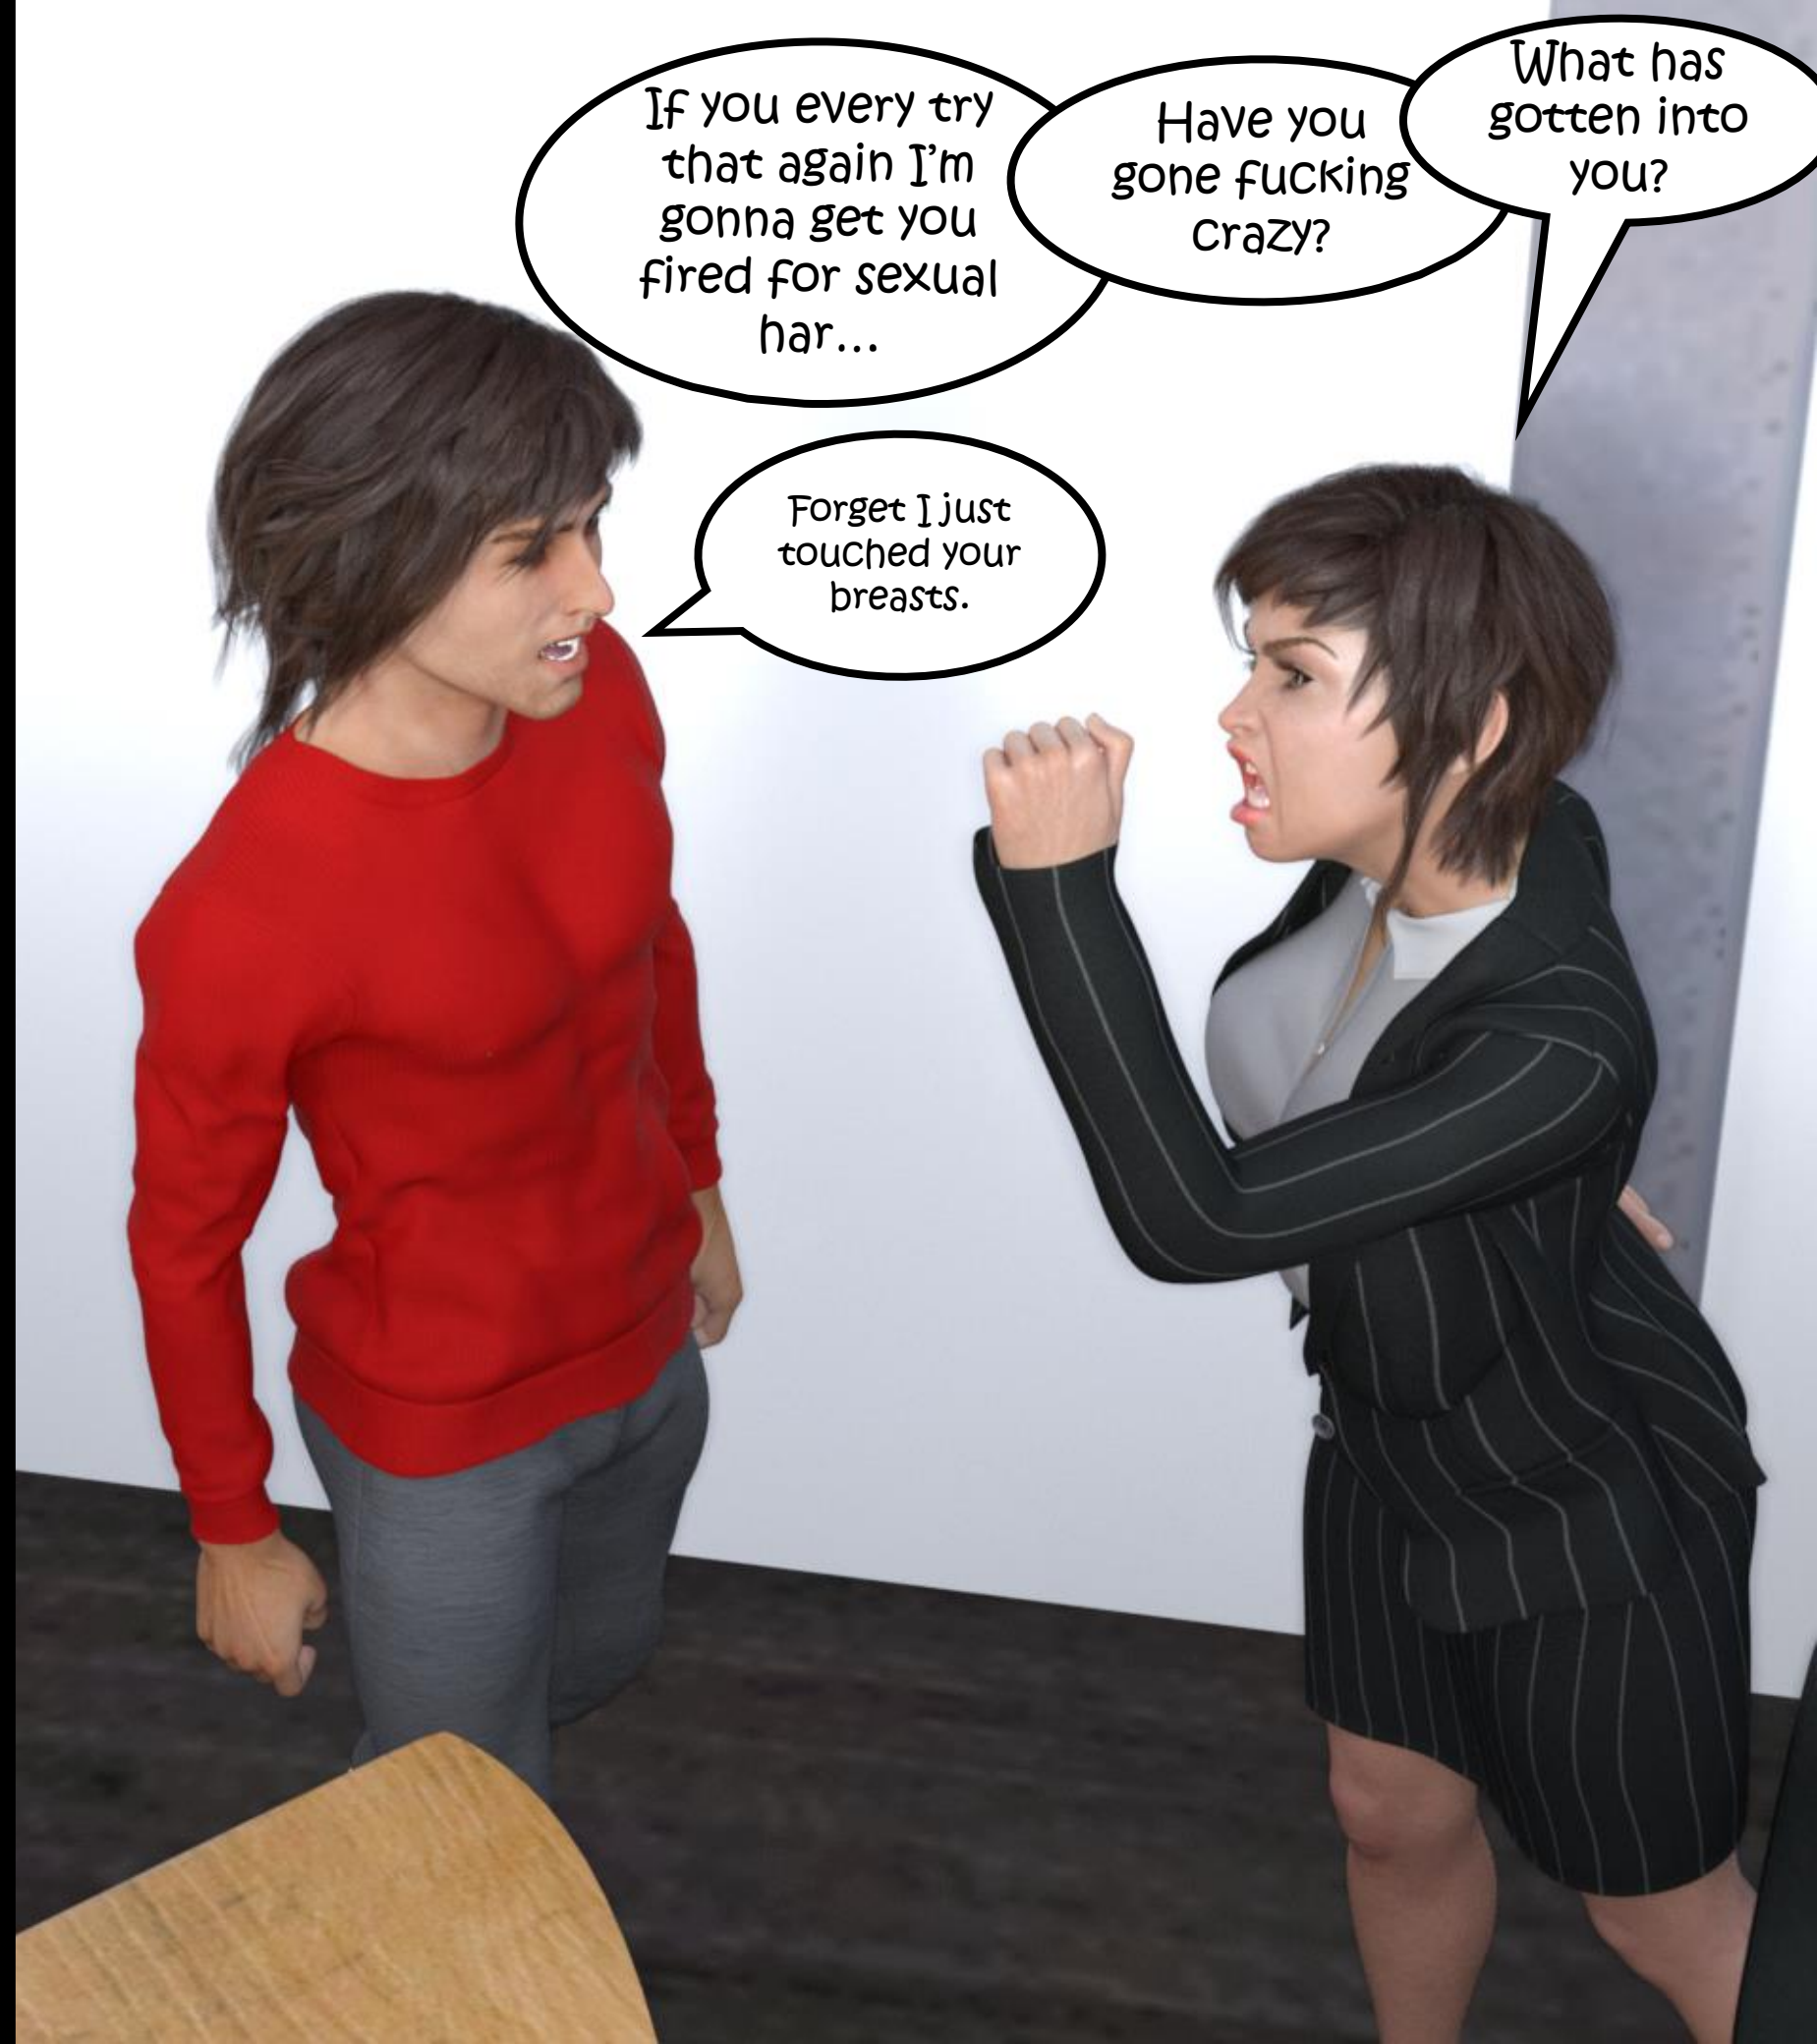

Man up!

Macho

Yikes, my shoulders are stiff. Need to do a bit of stretching.

Oh yeah!
Ahhh.

Mhhhh.

I'm really doing it!
My cock is inside my
big titted colleague.
And all that at the
office!

Isa, your pussy
feels great
around my
COCK!

Not really in the mood for sex... but I guess that's what fuck buddies are for. Wouldn't want my cock-to-go leaving me hanging when I want a ride.

Uh!

Uh!

Uh yeah. Give it to me!

Okay. That feels nice!
I guess I'm getting
into it now!

Keep that up and
you will make me
cum for real!

MMMmmmmh...
h...h...h...

Oh god.
Her pussy is so tight.
Her huge tits are
pressing against me as I
piston into her.
It drives me crazy!

Oh Yes!
Make me
shoot my load
all over you!

Or not. Guess
he's closer
than I am.

I guess I could ask him to finish me... I mean that's what fuck buddies are for...

But the moment is gone. Would take ages getting back in the right mindset... And there is still a lot a work on my desk...

Hey Isa?

Isabel?

Oh sorry.
What?

Thanks for
the fuck!

Yeah...
sure!

Next time, we
gonna focus a
bit more on me
though.

Buddy!

How did we end up fuck
buddies again? I mean,
naked, he does not look
that bad... But he's not
my usual type I'd say...

But I guess that
makes him perfect
for a secret office
fling.

No one would expect
him and me shagging.
And a bi girl like me
can use a casual cock
from time to time...

Next time...
YES!

What mail?

What's up with that mail?

Stacey just sent one.

Oh... Stacey probably did another one of those management trainings. Afterwards she always comes to the office with some crazy ideas...

Scrum... Kanban... Interaction room... open conflict management... We had them all!

Well, we're wearing black all the time anyway... So, whatever.

Thankfully, she gives up rather quickly.

Dear coworkers,

In order to improve productivity, I've decided to enforce a dress code around the office. From Monday on, females are obliged to wear something pink, while the men have to wear something black.

Have a nice weekend!

Your Boss,

Stacey

PS: This is no joke. Failing to follow the dress code will have consequences!

Hello? Who's speaking?

Hi! It's me, Dylan.

Who?

We met at the bar.

Duh If this is a prank call, I'm gonna hang up.

Guy in the red sweater. You got me those tapes. We said we'd have a date sometime...

Oh yea. Dylan! I can remember now. But we never said DATE. It's just a good idea for you to invite me to some food as a thank you!

... Yes. Of course. Sorry I misspoke. So, are you free tomorrow evening?

Yeah, tomorrow is fine. Where?

You know the restaurant at Wallington 3 - The Bonnet?

Uh yes. I like that one!

Great! Meet you there at 6 PM?

Okay. See you there.

To all my Patreons

Thank you!
