

You're just joking..

Whether it was just a joke,
or whether it wasn't

It doesn't matter

What matters
is you.

Yesterday
it was teacher

And the next
second
it was me,

You do
seem to
have a lot
of trust
issues

Unnie,
You should have
known that more
than anyone.

If your beloved
teacher gets fired

The one
that should be
blamed for
is you,
Jihyun unnie

You dragged
her into the
mess when you
are still her
student

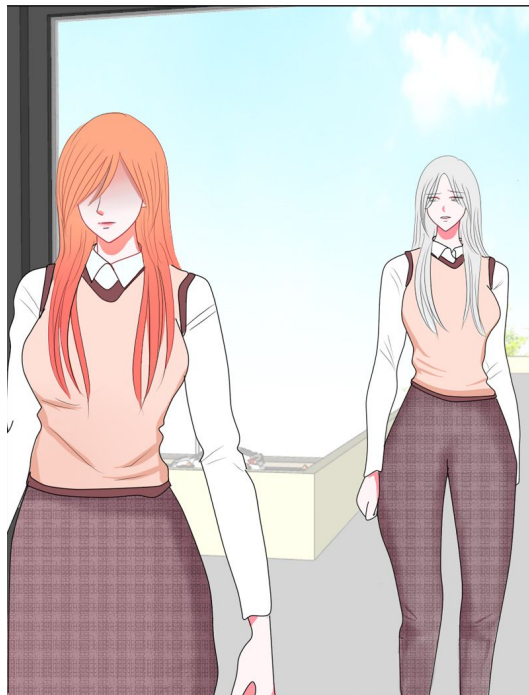

You doubt
everyone
around you
when it was
you who started
off on the
wrong foot

I don't know
how Ms. Lee dealt
with a distrustful
kid like you,

But
as for me,

You'd better
not talk to me
until you come to
your senses

It's been 3 days....

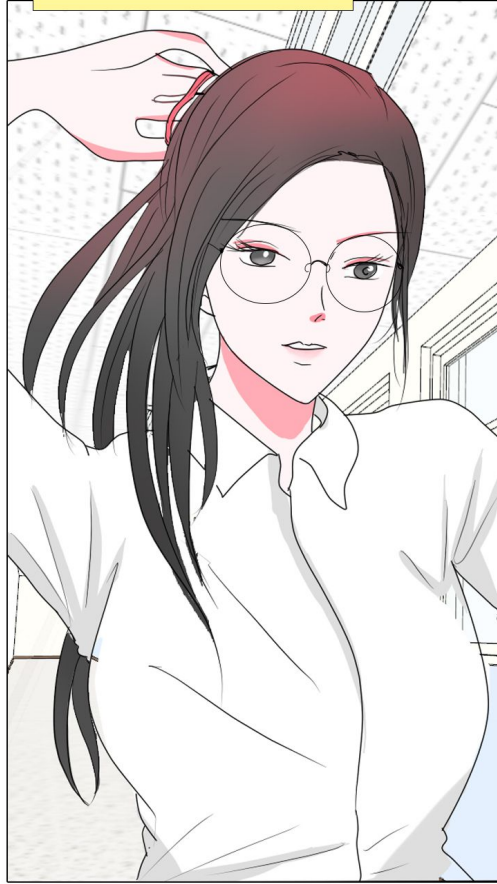

Jung Aerin hasn't
come over to
my house for 3 days

I can walk
easily by myself
now, but still
unable to attend
today's P.E classes

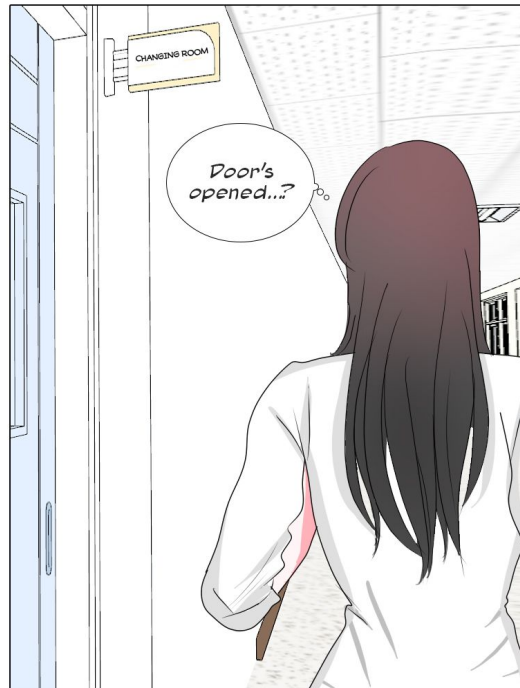

Weirdly enough,
Aerin skipped
today's class
as well

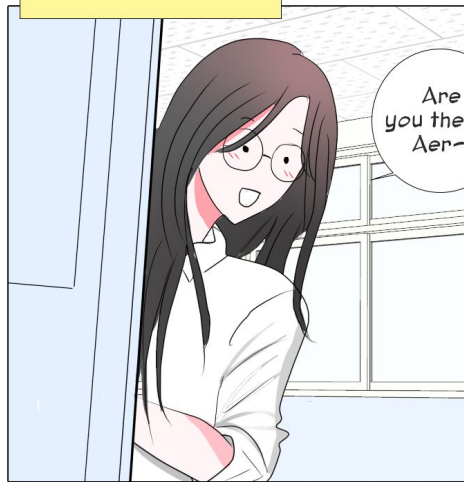

I wonder what's happening to her;

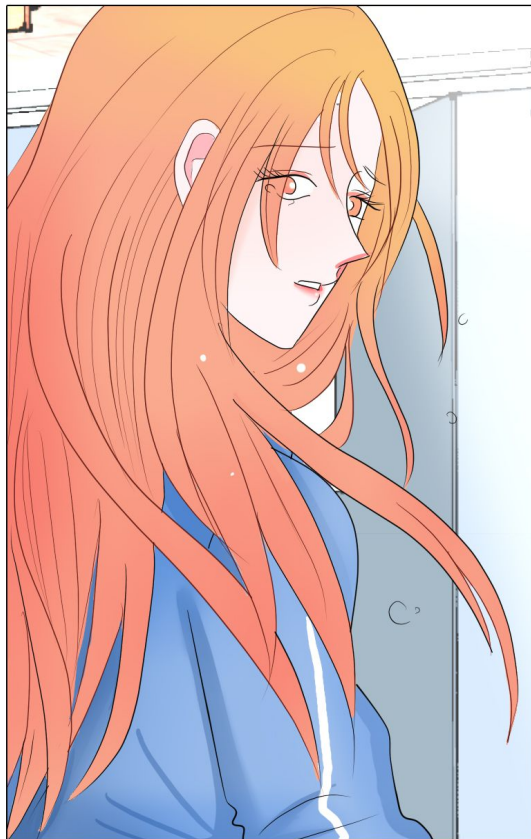

Door's opened...?

Wait.
She's probably
here,

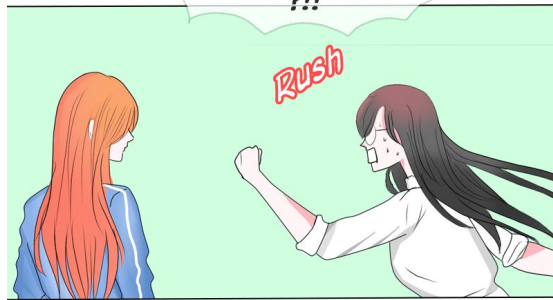

Are
you there,
Aer-

EH!!!!!!!

AERIN!!!
WHAT HAPPENED
?!!

A..erin!
What's wrong?
Why are you
crying?!

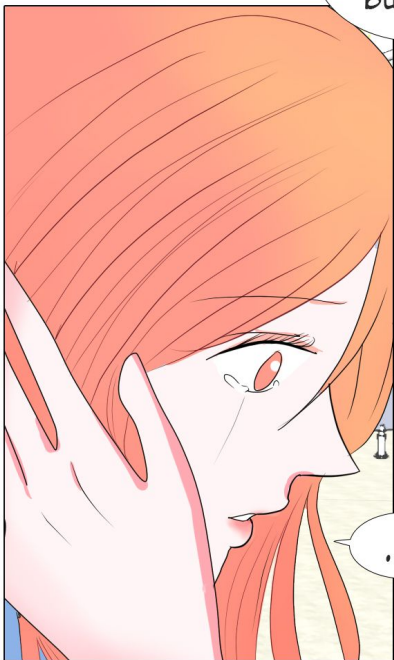

It's not
your business

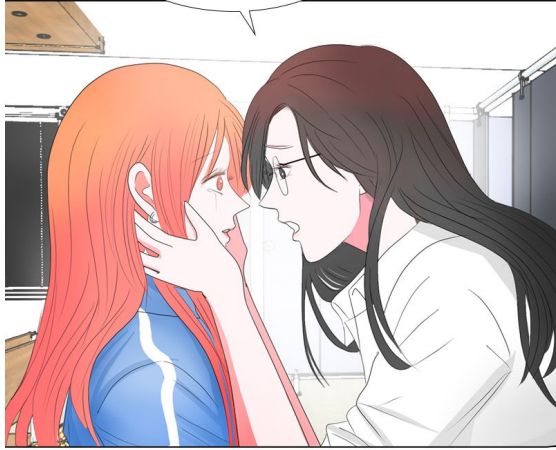

...

It surely
is not my
business

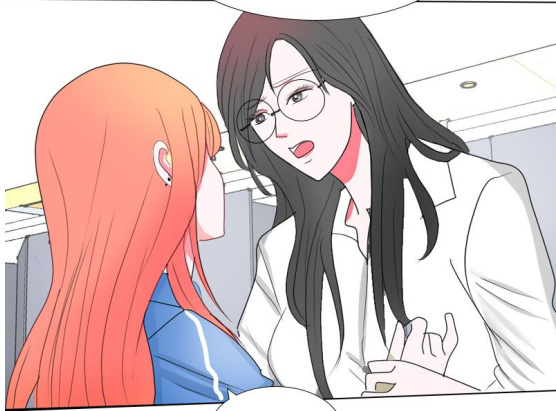

...?

But it hurts me
to see you cry

Your eyes
are almost
swollen!

Do you feel hurt
anywhere?!

I'm n-

Yah

Kim Jisoo,
