No, it is Miss Semele for you.

I understand your points, Cornelia. May I call you Cornelia?

But you see... your accusations are unfounded. All the people in this club that Ava and I run, work here entirely of their own free will.

The are paid excellently, get to keep tips, have a luxury health insurance... do you have health insurance, Connie?

Name is Cornelia Semele for you!

Each of my employees has their own large apartment where no one has access.

But you are offering sexual entertainment here. Your employees fuck everyone who pays! And so much more...

The Bimbo within 2

Thank you so much Sheldon...

You see...One of the girls told me a little rumor about you and Ava. This rumor is that you have a machine that allows you to change a person's body at will without surgery.

I love working here. But unlike the others, my tips are rather meager and most customers are drawn to the others. The reason is obvious, isn't it?

I have a clear idea of how I want to look...but I can't afford surgery. Can your machine help me?

Oh...and I am willing to pay...everything you want.

The Bimbo within 2

And why do you think this rumor could be true, Brandi?

I researched. According to your school's yearbooks, you were rather slight and Ava was very unassuming and boring... even shy. Look at you now.

And a few minutes ago an asian hot babe left your office with Ava. BUT... before she went to the restroom she was completely different.

She was not alone in the Restroom. I had to go and when she changed I looked over the edge of the doors and saw everything.

Good point. But you are right. I can show it to you...when you truly want...

The Bimbo within 2

This „machine“ is a prototype Brandi. I will fulfill your wishes...

Thank you, Sheldon.

...but in return you must tell me which of the girls spread the rumor. Deal?

Of course.
It was Laura. She tells from time to time that she is actually a man and that you have changed her with this machine. Is that true?

Ah, Laura.
No, that is not true. She always was a Girl.

The Bimbo within?

Welcome to Ava's and my Research Laboratory.

Wow...look at all that science stuff. Mr. Spock would love this place.

I'm sure he would. You like Star Trek? You surprise me Brandi.

Of course. He is sexy, smart and beat Kirks anytime.

The Bimbo within?

This project is based on an App I've programmed years ago. The mobil version did a good job, but this station have a lot more options for the user.

This console is used to set the parameters for the upcoming transformation. In your case, I leave the pleasure to you, since you have a clear idea. Meanwhile, I'll sit at the station in front and start the process as soon as you enter the chamber and monitor the progress.

So many choices. Sheldon...you and Ava are genius. This makes surgery useless and you very rich. Let's see...

Interessting choice. But I will change her settings a little. Knowing the truth about me, Ava and this machine and with it my LifeChanger App...there is to much risk.

But even Sheldon's newest Machine takes its time to rewire such a complicated organ as a brain and completely change a personality, so...

Geraldine can't think straight anymore....

... it's so hard to have a clear thought that doesn't revolve around sex, fun, make-up or shopping...

Brandi was always Geraldine's imagination. She wanted to look like this for years - but to completely align her personality with this figure never crossed Geraldine's mind.

The Bimbo within²

However, because she lived her fantasy daily for many years, the process of resistance was very short...

Like who
is Ger... al... dine?
Me Brandi...

... Brandi Wild!
teehee

Where Geraldine once was, Brandi Wild took place. Gone are the years of education or painful memories being an outsider... Brandi has always been the center of all attention and she enjoys using her body accordingly.

The Bimbo within?

While lust and passion dominate her mind and body, all more complex thought processes are just a colorful something - hidden in a pink cloud. For Brandon and Ava, she no longer poses any threat of ever exposing their game or going public with it.

PLUMP

*Ohhh...
i feel like sooo

giggle

The Bimbo within?

Darling, who is she and why are you changing her?

You know her, Ava. This is Brandi... she gave us some info... and asked to be changed...

Like hi there, Boss Lady Kitty... teehee.

But Brandi Wild was just an alias. Do you remember Geraldine Topazi? That is her...

... she told me that my beloved bro started to tell everyone that her name is not Laura... it is Derek...

... and finally Geraldine solved our secret. So I changed her a little more...

... and made Brandi Wild her true personality... in Body and Mind.

No way... Geraldine? Worked under the Alias of Brandi Wild? And Derek remember that he not always was a woman? Hm...

The Bimbo within?

I have no idea, Ava.

This is an amazing twist...why do you think Derek remembers she wasn't always Laura?

Alright. Brandi's transformation is mostly done. In 20 minutes should the room be free.

But leave her to me. However, I need this room in... say 20 minutes?

The Bimbo within 2

After I'm done with Laura, we need to look for a new Lapdancer.

Sounds interessting. But remember that she is still family.

Oh... and let Brandi age... or make her younger... maybe six years? She should not have the same age as we have.

D'accord... Safety first.

If Laura really remembers that she once was Derek, there must be a reason. The first thing I have to do is gain her trust....

If we need a new table dancer to replace Laura, I will specialize Brandi for that. As a new young woman in her early 20s, she still needs a specialty.

Sounds good, Darling.

Dereck was always very easygoing... If I'm strict with him, it doesn't help. So first change clothes and slip into something loose....

Laura? Are you there?

U-hum?

Can I can come in?

Sure...

The Bimbo within 2

The Bimbo within?

Have you drunk to much, Kitty? Or why can't you see clearly?

What can I do for you? You are here for a reason Kitty.

Kitty? Is THAT the name Sheldon used to... I'm Ava by the way... Ava Takada.

Ava? The Nerd my brother stalked that much in college? Always thought that you are Kitty.

So you are also a victim of my brother!

The Bimbo within?

Yes exactly.
Can you believe that he
let my Ass expand... while
we was in the library?

But now I'm
myself again... except
for my body.

Yea... i was
sunbathing as he turned
me from a hunk into...
this!

I always loved
to fuck... not to be
fucked.

I realized by happystance
that something was wrong...these
dreams - I was a completely
different woman.

Then my blog...
which hasn't been updated
in years.... and lastly
his cell phone...

Did you know that
Sheldon kept a detailed
log of everything. That's
how I found out about you.
How did you find out?

A Customer.
He told me he knew my
family and wondered where
Derek had been all
these years.

The beginning
was not easy. My head is
like packed in wool and
constantly this stupid
giggle...

I learned to
control the giggles and
gathered information in
my free time.

Finally, I got
no further and asked
John B. Books for help.
He is a private
investigator.

He found out
that I didn't seem to
exist until a few years
ago... and I showed up
when Derek disappeared.

I did an
expensive genetic test
and it was almost identical
to Derek - except that
I'm a woman by genome.

The Bimbo within?

When I became aware of this, the memories came back little by little. It was a key moment.

After that, I did everything I could to hurt Sheldon. In the end, I told an activist about the condition here... but she never showed up here. And then you come...

I see...
La-er... Derek.
We should take action.

First:
We should become ourselves again.

And I know exactly the place where we can undo the changes.

Really?
Let's go Ava!

Second:
After that, we lure Sheldon into the Machine and give him a taste of his own medicine...

...a few years as a dumbass with an inflated sexdrive shouldn't hurt.

Yea! But not as hot as we both are... let us make her real ugly.

Sounds like a deal, Derek.

The Bimbo within²

I'm curious, Derek. What will you do when you are yourself again?

Oh that is easy. I'll kick my brother in his balls, throw him into his machine and let him taste his medicine. Then...

... I'll take all money here and destroy everything including my asshole of brother.

He always was a pain in my ass.

I see. You don't want to revert the others to their former selves?

And I know exactly the place where we can undo the changes.

No. Why should I? I don't care about them and they are hot to make a living with it.

The Bimbo within?

Typical for my stupid egg head brother... functional and no taste.

All this info are very, very helpfull... true... Laura mostly got her memory back... but she is still very naive. Keep talking girl.

But I bet this machine is super effective.

All right, and what should I do now?

Just stand there, Derek. I already found your file to revert the changement.

What? Who are

The Bimbo within?

Oh... pardon me. I'm Aisha... your brothers wife let me inside.

My brothers wife? Good joke, girl.

Hmm... I see. You think that is the real world hm? We are inside your mind...

... and I'm what you will be... well, at least in origin.

I'm YOU!

The Bimbo within?

That is not true! You're nothing...

Oh, really?
I tell you a secret, cause we are one in our mind...

Your brothers device can only change people who are not honestly to themself.

Secretly, we've always fantasized about what it's like to be a woman, before he changed us...

When it happened, we enjoyed it inwardly - even if it shocked us first.

But sure, that's also the reason why I've fucked dozens of girls...

Oh, please... we only fucked two girls... cause we was drunk and aroused.

The Bimbo within 2

How... how do you know that? You wasn't there!

Of course was I there. I'm you... we both was there.

All we did was to get more attention...

We wanted to be seen... and tell me Derek... what was more fun for us?

That is not true...

Fucking as a guy, cuming after a few minutes... and be completely exhausted?

Or did you enjoy to be fucked as Woman? The afterglow when an orgasm hits you... the feeling to be touched...

The Bimbo within 2

When we are
in my mind... and
you are me...

Why are
you taller than
me?

Oh, spiteful
resistance? Simple
answer... Look down and
you'll see why I
seem taller.

You are standing on your tip toes? That increase your height and makes you...

... a few inches taller then you are right now... heheh

What the... why do I have **BOOBS** again!

The Bimbo within 2

I'm turning into a Girl again... THAT CAN'T BE!

Why turning? Remember... WE are in OUR mind... out there you are still Laura

But fear not... when my personality have Once my personality overwrites yours, the real fun begins.

And now we are the same height... for the best shoes ever.

Shit!

In the moment you stepped inside the machine your destiny and your past as Derek or Laura changed...

... and I took place. When we wake up there will be only I... and Derek or Laura will be gone.

And while we talked Ava remodulated our DNA from the ground. The last piece of Derek is this lovestick here.

JINKIES!
THESE CLOTHES
ARE ABSOLUTE
COOL!

Oh, a what
do we have here?
A little Velma Fan,
hm? Glad you like
the clothes.

IS THAT LIKE
TOTES NORMAL THAT
YOU GIVE YOUR PEOPLE
CLOTHES?

Of course.
We don't call them worker
or employees, everyone who
works here is family to
Sheldon and me.

And you
are now a part
of the Kitty Lounge
Family, Dee.

Come, I
show you the way
to your place.

COOL!
I CAN'T WAIT.

Of course.
Your clothes are
lying there.

Yes, we work in erotic entertainment, Dee. But nowhere is it more comfortable to be a woman than here. Privacy and protection are the number one priority here.

OH?? AT HOME WE OFTEN HAD PROBLEMS WITH FANS AND OTHERS WHO HOPED FOR MORE.

If a man or woman goes over the top, it will be taken care of immediately. The same applies online. You will not experience cyber attacks here.

Oh, hello there Darling. Glad to see you...who is... ?

WOW... LIKE JUST WOW!

Hey Hun...

Who ever she is... she is like sooo hawt!

WHAT FOR A HAWT HUNK!

Dee? This is Sheldon Weaton, my husband.

HMMM... YOU HAVE A GOOD TASTE, KITTY.

Thank you. Sheldon, this here is...

...Deana Smith- Baja Mar... well known as „Dee Rollinhills“, successful Webcam Modell and influencer. She starts here today.

Is that Derek? She must be... there was no plan to hire a new girl...

GLAD TO MEET YOU, ROSS.. TEE HEE

GIGGLE LIKE SOOO MANLY...

Ahm... the pleasure is on our side, Dee... It is amazing to have you here. Welcome.

Excellent. Come Dee. I'm sure you'll like your new place.

The Bimbo within 2

And this place is now yours, Dee. You'll find everything you need here.

This is your room to work or relax. The other rooms are the kitchen, toilet and of course your sleeping room.

All you need is to decorate it as you wish to have it, Dee.

UMMM... KITTY... I'M LIKE SOOO SORRY... I'VE FLIRTED WITH YOUR HUBBY...

Don't worry, Deana. He is hot and I take it as compliment.

...WHAT REALLY? YOU ARE LIKE SOOO COOL. THANK YOU SO MUCH.

While Kitty shows Dee everything (and check if there are any memory fragments of Derek left), Sheldon went back to his and Kitty's office. But in the front room to the office...

WE both
are friends since
childhood Sheldon. We trust
us. I think I'm the only one
who know how You and Ava
really was and how it was
changed, am I right?

Yes you are.
And I offered you many
times to fulfill your dream...
you always declined.

True. But I have
changed my mind. The incident
earlier with the wig has strengthened me
in my decision even more. I finally want to
be a woman and I no longer want to get
there with some hormone therapies and
sinfully expensive operations.

You know
how uncomfortable I've
always felt as a man....

... and how much
I wished I had been born as
a woman....

...with some really
huge watermelon sized
knockers...

Here you go. The App is already active, just touch the screen.

How does it work? What have I to do?

The camera will focus on your face to make a picture and then the options appear.

This changes can be very intim, June. I can go out or give you a single room, if you want.

No... no. Please stay... I'm a little nervous right now...

Wow... that is a one to one screen and the numers are 100% correct. Brilliant.

And? Do you like what you see, June?

Nah, you just feminized your face and lengthend your hair...there is another option...

Ohhh... that is me as Girl?

hmmm... Hair could be longer... maybe shoulder length?

...to switch your gender completely. Look under Sex...

ummm... I want to enjoy this... would you do this for me, please?

I will take my pants off and enjoy the feeling of my brand new pussy.

Okay... I'm ready... hope it will not be painfull.

Don't worry, June. The system is so calibrated that you don't feel any pain... there may be a slight tingling, not more.

The feminization process is not yet complete, June. Your female organs have yet to fully form, which means your bones and body structure have yet to adapt.

... so your hips got wider and your ass rounder and bigger.

And I hope that you like the new pubic hair form... bushes are from the 70's and not in.

Ohhh...
I love it Sheldon...
it was stupid of me to refuse your offers all these years.
I feel so different now.

Wow... my skin feels
so velvety soft now... but also
so sensitive...

... the lightest
touch sends waves of
pleasure straight
into my vagina...

... it feels
so unreal... Almost
like a dream.

Oh I really love them. Sheldon look at me... I'm all woman now!

But my tits are really small... or is it just my imagination?

Hm, the process is finished, June. You now look exactly as you would if you had been born a woman.

What? Really? I hoped for a far larger chest... could you...
