

It's been a couple of days since the Fluttershy's confession and I still don't know how to react to her words O\_o

**You:** It has to be a joke hehe. Yes. ... maybe some misunderstanding, a simple confusion that's all.

I would like to clarify this misunderstanding with her, but now everything has become very awkward! I mean, every time I see her I get paralyzed and at the same time, she has been avoiding me. It's obvious, we're both nervous! But if this is all misunderstanding, we shouldn't feel that way... it's just a joke. I'm used to Pinkie's nonsense by now, but not Fluttershy's. She is not like that. Is that the reason for my nervousness?

**You:** AAARGGHH!! I dont know what to do! Dx

In the middle of my dilemma, I hear a familiar voice ...

**Rarity:** heeey darling!! :D

**You:** UAAGHH!! *\*Rarity jump and hugs you tight\**

WOAH!! This soft feeling! I feel two marshmallows on my chest as Rarity hugs me \*O\*. OMG, just a little more Rarity huehuehue!

**Rarity:** perfect timing, Darling! I was looking for you! ☺

**You:** did you need something? :O

**Rarity:** As you may know, the school is holding the costume event again for the second year in a row. This is for the encourage of the students and participate in the next Friendship Games ^^ . You knew that, right?

**You:** heh, how to forget it. If you mean the Friendship Games, I've never been so scared seeing Twilight as that girl, Midnight. Although I must admit that she looked very ho-.... ... ahmm...  
o.o

**Rarity:** ¬\_¬'.. yes?

**You:** *\*gulp\** nothing :x. Anyway, If you mean last year's costume event, of course. I also remember that. I dressed like Discord hehe, or I tried it XD.

**Rarity:** well, this year you will go with us again. And don't worry about your costume, I took care of that and it's other of my masterpieces! :D. We will look perfect together!

**You:** together? O\_O

**Rarity:** that's right, Darling ;). I'll go to your house tomorrow to give it to you personally :D. See ya! *\*Rarity leaves\**

**You:** hey wait! Dx

Do I really have to go again? It was at that event where Fluttershy was dressed as an angel, she looked wonderful... and it was precisely where we... ..... AAARGHH !! I can not go there! >///  
<

*\*Riiiiing\* - \*phone sound\**

**You:** hello?

**Pinkie (phone call):** don't even think you'll escape, Dummy!

*\*end call\**

**You:** really... how does she do that! O\_o!

Whatever. Tomorrow I will explain Rarity that Im not going to go to that event. I'm not in the mood for that right now, my main goal is to talk to Fluttershy about what's going on with us, I don't want to lose her as a friend!

## - The next day -

It's morning. I eat my bread with strawberry jelly while drinking my morning coffee.. aaah the good life!

*\*POOOOMMM\* \* You hear a loud noise in your room\**

**You:** huh?

Is someone in my room? A thief? An enemy? PINKIE PIE?! I honestly wouldn't be surprised to see Pinkie getting me into trouble in my own house. Still, I have to be careful in case it is an intruder!

...

**You:** I caught you, you bastard !!

With impetus, I open the door of my room to confront the intruder, however, there was no one! Books, desk, drawers. Everything was in place, even my hard-earned money was still in place. Relieved by the situation, but worried about that strange noise, I hear someone knocking on my door, it is Rarity ... but she was not alone.

**Pinkie:** Aaaaaaand opened! Dont worry Rarity, make yourself at home ^^

**Rarity:** Aww, thank you ☺ .

What the heck?!

**You:** How did you enter in my house !! DX

**Pinkie:** I have many copies of your house keys, dummy :D

**You:** o\_o--- you what?! How did you get copies of my house keys?! DX

**Pinkie:** relax dummy ^^ . It's easier for us to come see you! What if one day you get sick? We will take care of you and for that, we need to have keys to your house. Just in case :D

**Rarity:** She is right, each of us has a copy. Thanks Pinkie :)

**Pinkie:** Don't mention it ;)

**You:** ... *\*sign\**

It's completely impossible to win an argument with Pinkie, she always wins -.-

**You:** alright. Welcome to my humble home.

*\* You, Pinkie and Rarity go to your room\**

**Rarity:** are you ready, dear? Time to shine!

**You:** time for what?...

**Pinkie:** duh! It's time to see your outfit for the costume event ^^

Ooh, it's true. Rarity said she would come to my home to give me my costume today ... but I have to tell her the truth. I can't go with them, not without talking to Fluttershy first.

Here's the problem ... how can I tell them that the reason is Fluttershy said she liked me, without being annihilated?! Dx!

**Pinkie:** something wrong, dummy? :O

**You:** I need to tell you something important, but promise me that whatever happens, you won't interrupt me until I finish of telling you everything that happened. Deal?

**Pinkie and Rarity:** deal :O

Okay.. it's time...

**You:** Fluttershy likes me. I finished.

**Pinkie and Rarity:** ...

**You:** For that reason I can't go with you girls, sorry! but my priority is talking to Fluttershy! I know this is a misunderstanding and I have to do something! DX

**Pinkie and Rarity:** ...

**You:** If I go to this event, with the crowding of people it will get worse and I will not be able to talk to her. You understand it, right?

**Pinkie and Rarity:** ...

haaaaaaaaaaaaaaaaaahahahahhahahagsahdsadgsajdsagjdsa!!  
X'D

The girls burst out laughing in front of my face ... what the heck is wrong with them?! Im being honest and they are making fun of me?!

**You:** what is funny?! This is a serious problem! Dx

**Rarity:** So she was the first to confess it? Yay! :D

**Pinkie:** I am as excited as you, Rarity! XD

**You:** excuse me? O\_o

It's like they already know! They only comment on the fact that "Fluttershy was the first", but they seem not be surprised.

**Rarity:** is that what worries you? We already knew it hehe.

**You:** really? O\_O

**Pinkie:** Fluttershy is just nervous, that's all. You know her, she is very shy! And on the contrary to what you say, I think that event is the perfect place for both to talk about what happened. You remember last year, right? I still have that photo ๑3๑

**You:** EEk!! O///o... okay okay.. i get it! Ugh.. I need to drink water. I'll be right back.

*\* you go to the kitchen for a glass of water \**

**Pinkie:** Hehe, the costume event is the perfect place to hide and listen to them! :D

**Rarity:** Fluttershy is in the lead, but we can't let her win! We are friends, but also rivals!

*\*Rarity looks at Pinkie\**

**Pinkie:** what... XD

**Rarity:** you know it perfectly ☹️

**Pinkie:** You mean the fact that I found out that you wanted to come here alone to confess that you love him too? Never!

**Rarity:** Aww ... I'll tell him eventually ^^

**Pinkie:** me too ^^

**Rarity:** hmm... Why don't we tell him now, together? 😊

**Pinkie:** together, huh?... 😊

Rarity and Pinkie look at each other with a confident expression! The fire in their eyes is visible even in Ponyville!!

*\*you come back with the girls\**

**You:** so, you say that it's best to clear up this misunderstanding with Fluttershy at that event? Do you really think that would be the best? I dont know... :S

**Pinkie:** dummy, think about it. If you with Shy are alone, things would get more awkward, don't you agree? Both of you can't even say 1 single word, but when you are with friends, that nervousness will disappear and you will be able to talk without problems!

**Rarity:** I agree with Pinkie. In addition, we can give you the necessary support so that you can tell Fluttershy what you need and clarify this misunderstanding ^^.

Rarity and Pinkie are two of Fluttershy's best friends, so I guess their advice might help me. And now that I notice, they both seem very sure of what they say.

**Pinkie:** Still, there is something I don't understand :/

**You:** hmm?

**Pinkie:** What makes you think that what Fluttershy told you was a confusion or a misunderstanding? :O

**Rarity:** right. She may be telling the truth :O

**You:** PFFFFFFFFF!! what?! Of course not! That is impossible! Fluttershy would never give her heart to a person like me Dx.

**Pinkie:** what you mean? O.o

**You:** Fluttershy is too cute and sweet. He is smart and kind. There is no alternate universe in which she feels something like that for a punk like me.

**Rarity:** alright, alright. But what if in the hypothetical case that she was telling the truth, what would you do? :O

**You:** ...

What would I do?

...

...

...

**You:** ...

**Rarity and Pinkie:** ... and? O.o

**You:** I don't know! Dx! hey, that could not even happen hypothetically. It is a non-existent assumption even in our thoughts, so stop questioning me and help me clarify all that with Fluttershy, please!! T\_T

**Rarity:** UUGH, you never change! Dx

**Pinkie:** well.. I really love you, dummy :P

**Rarity:** huh? O.o!.. I-I love you too!

**You:** yeah yeah, and Sunset, Twilight, Applejack and Dash love me too, right? HAH! Good joke ¬.¬'

**Pinkie:** joke? O.o

**Rarity:** oh, about that... :S

**You:** girls, I'll go with you to the event, okay? But just because I think you guys are right ... I don't know how to feel about this, but I don't want to lose any of you as a friend.

*\* You look at Rarity's bag with your outfit \**

**You:** Is that the bag with the outfit you made for me, Rarity?

**Rarity:** oh yes! \*-\*

**You:** thank you ^^ . Really thank you! Can I wear it now to see how I look?

**Rarity:** of couse! I wanna see you in that costume!

**Pinkie:** me too!! :D

**You:** okay... 😊

**Rarity:** 😊

**Pinkie:** 😊

...

...

...

*\*silence\**

**You:** Do you want me to undress here in front of you? get out of here!! Dx

**Pinkie:** booooooooooooooring!

**Rarity:** you're not funny at all, Darling --'

Come on, did you really think I was going to shake the goose in front of the girls?! Dx.

In the moment Pinkie opens the door of my room, something hits the floor. It's a magazine ...

**You:** hmm, what is this? ... .. a magazine?...

*\*you look at the magazine\**

**You:** ... .. OOOOOOOOOHHHHH

WHAAAAAAAAAAAAAAAAAAAAAAAAATT?¿?¿!!

**Pinkie:** dummy? What is that?

**You:** NO!! It's nothing!!

**Rarity:** You're sweating and too nervous to be "nothing" ... show us, darling!

**You:** NOOO!!!

If the girls see this magazine, I will die!!! DX

**Rarity:** Pinkie! Now!

**Pinkie:** yeah!

**You:** what are you doing?!!!

Rarity quickly hugs me from behind! I can feel her soft breasts on my back and the sensation is indescribable! \*0\* .. however, although I'd like to stay that way, I can't let Pinkie and Rarity see that magazine!

**Rarity:** Pinkie, now! >\_<

**You:** nooo!!

**Pinkie:** yeah, got it!! :D ... let me see! ^^

With incredible speed, Pinkie takes advantage of the fact that I was unprepared because of the Rarity's breasts on my back, to take the magazine of my hands!

**Pinkie:** ...

**Rarity:** ...

**You:** NOOOOOOOOOOOOOOO!!!

**Pinkie:** oooooooooooooooooooooooooooooooooooooohh!!

**Rarity:** my, my!!

Yes, it's a magazine for adults! But it's not mine! I swear it is not mine! DX

**You:** This magazine is not mine!

**Pinkie:** so dummy, do you like these kind of girls? :O

**Rarity:** oh woah! look at the size of those breasts! :O

**Pinkie:** They are huge!

Pinkie and Rarity start looking at the magazine, impressed by the women in the photos ... O\_O

**You:** Stop talking about it, do any of you want to incriminate me for that magazine? Admit it Pinkie, it was you!

**Pinkie:** what?! NO!

**Rarity:** Pinkie has always been with me, dear XD

Then how ...! ... ... wait... the sound, that strange sound that I heard in my room before the girls knocked on the door of my house. Someone came into my room and put that magazine there to incriminate me and make me look like a pervert?! But who!!...

**You:** I swear to you! before you girls arrived here, someone came into my room!

**Pinkie:** suuuuuuuuuuuuuuuuuure...Xd

**You:** it's true!!! Aaahhh, i cant believe it! That magazine is not mine... T\_T

Rarity won't let me take the magazine from Pinkie. Pinkie on the other hand, she keeps flipping the pages of the magazine to see the photos!

**Rarity:** Pinkie, look at the time! We have to go prepare our costumes too hehe :P

**Pinkie:** oh yep, you right! ^^.

With my face flushed with embarrassment, I take the magazine U///U

**Pinkie:** We have to go, but next time, dummy, learn to hide your magazines tee hee ^^

**Rarity:** pervert once, pervert forever hehehehe ^^.. but still, we love you! :D .. aww, you're so cute when you're embarrassment :3

**You:** ... this... magazine... is... not... mine... T\_\_\_\_\_T *\*sniff\**

**Rarity:** see you tomorrow, Darling ^^

**Pinkie:** see ya! :D

*\*Rarity and Pinkie leave your home\**

**You:** ... *\*blushing\**

Someday I'll find the person who did this, and I'll make it pay! Dx

...

...

It's been a couple of hours and I decide to finally check out the costume that Rarity made for me. That girl is very talented! It's male seifuku school outfit... usually what the high school boys wear in many schools.

**You:** ooh nice! It's perfect! How did she know my measurements? :O

I don't want to know :S

## - The next day -

Today is the day of the costume event. It's true that I am excited, but I am also nervous. I trust that the girls will give me the necessary support to talk to Fluttershy and clear up this misunderstanding.

In that moment, I see Rarity waiting for me ...

**You:** WOAH! O///O

**Rarity:** hiii!! :D

Rarity is wearing a female Seifuku outfit! She looks extremely beautiful! Now I understand why she had said: “*We will look perfect together*” . A red outfit with long stockings... again, she looks just gorgeous!

**You:** oohh.. hi Rarity ^///^

**Rarity:** and? How I look?^^

**You:** you look awesome! Very cute 😊

**Rarity:** heehee, thank you! You look very handsome! I'll be the envy of girls :3

**You:** envy? Why :O

Rarity winks at me, takes my hand and we start walking! My heart starts beating very fast just because of the fact that, not only Im walking with a girl, but we are holding hands! \*O\*

**Rarity:** take it easy, okay? I will always be there for you 😊

**You:** yeah, su-sure, thanks hehe o.O- Oh and thanks for the costume, Rarity.

**Rarity:** no problem ^^

So, I walk with Rarity to the school, holding hands as if we were...

...

**You:** \*gulp\* o///o

**-END- :D**
