

Office Party – Ending 01
Part B
The second Party

Morning, Sayo.

Hey there, sleepyhead!

Shortly after Dylan's take over of the Office, Sayo has broken up with her boyfriend. Her newfound lesbian tendencies led her to this decision. Dylan had nothing to do with it. But he was more than happy to offer his apartment when she was looking for a place to stay.

It's so nice of Dylan to let me stay with him.

It's such a hassle to find a new apartment around here! And it would have been so awkward staying in the same apartment after breaking up with Rob.

Funny thing I don't even remember why we broke up... But it's better this way, I'm sure.

Obviously, those lesbian tendencies did not stay for long after moving in with Dylan. Afterall he knows her triggers ;)

Oh, it's nothing. I was just thinking how nice it is of you to share your place with me.

What's up roomie? You spaced out for a bit?

I also think it's great that you are okay with me walking around in my underwear. It's so much more comfortable.

These panty things are actually really useful! They are comfy and otherwise, Dylan could always see my privates at home!

Don't overthink it. Your company is much appreciated.

Making her think it's normal to wear nothing but underwear was already a good start.

Yesterday I had her believe she was my maid for the whole evening.

The day before that she thought she was a whore. Boy that was awesome!

I wonder what I should make her think next... Oh! I have an idea!

Uhh... What do you mean?
Sorry, I seem to have forgotten.

So, about the thing you've asked me yesterday.

Sayo, remember, you've asked me to have sex with you.

I... I've asked you to have sex with you.

Yes... you are right. I did ask you that.

Oh my god, Dylan.
I'm so embarrassed.
I don't know what
came over me. I
don't know why I've
said that. I must
have been drunk!

Curious?
What do
you mean?

No, Sayo. That's not
the reason and you
know it. You asked
because you were
curious. Isn't that
right?

Sayo, forget everything about sex. Forget that you ever had sex, anything you ever learned or heard about sex except that it's something two people do with each other and that it feels good.

Forget... about sex...

But remember, you are very curious to try this sex thing out.

Very curious... about... sex.

And seeing as you are a ... secret agent ... I guess you have a lot of experience... And... I'd be very happy if you would share that experience with me.

Will... will you help me out?

Yes... erm... It's. I... I'd really like to try this sex thing out.

You should know... I've never done this... I don't know how it works. **But I'm a quick study!** And I'd really like to try it out!

Oh, Sayo. Of course, I will!

This is hilarious! I'm looking forward to taking her artificial virginity.

Oh my!
What's that...
rod... between
your legs?!

It's called a
cock. Or dick.
Penis if you
want to stay
scientific.

It's
twitching!

That's what it
does when I
look at a
beautiful
woman.

Now, let's start
the lesson.
Please spread
your legs.

Like
this?

Perfect.
Now, do
you know
your pussy?

My
what?

The thing
between your
legs. You
know what
it's good for?

Well... I...
use it to
pee?
blush

Oh, Sayo.
It can do
so much
more.

See that small
round knob at
the top. Try
rubbing it
gently.

Like this?
Oh Wow!
That... That
feels amazing!

Keep doing it.
Circling
motions. Just
like that.

MOAN

rub

Oh god!
I... think...
blush

What is it
Sayo. Speak
with me.
This is a
safe space.

It's... it's
getting wet...
blush

Don't worry.
It's not pee.
It's a normal
reaction.

It... Is?

Yes. It means your
pussy is ready for
the next stage.
Please lay on your
back. Keep those
legs spread.

rub

Is this okay?

Oh my!
What are you doing? It feels good!

I've inserted a finger to prepare your pussy for my cock.

Yes, Sayo. You look absolutely stunning!

WHAT?!
You... You mean your... thing is going... inside of me?!

But it's so huge!

Oh, Sayo. You don't know how hot that just sounded! Trust me, it will be fine.

fap

Holy Shit! This is even hotter than I've imagined! I think I'm gonna keep her like this for a while!

Oh my god! Oh my god! Oh my god! This feels amazing! Your cock feels amazing in my pussy!

fap

fap

fap

Oh, Sayo. This was just the tip of the iceberg. There is so much I can teach you.

Tomorrow I'm gonna teach you about oral sex.

No Sayo, you won't be able to talk properly during oral sex.

Oh my god! So that's sex. I can't believe I've missed out on this pleasure so far!

Oral sex... Interesting. Sounds funny! Is it like talking about sex?

Later at work...

Late that day at work. Shortly after taking over Dylan has moved into Stacey's office. Stacey is now his personal assistant or secretary or... sexcretary as he got used to calling her.

You've got an appointment with the two new applicants in half an hour.

They've been selected according to... your... "specifications".

Brilliant!

Hm... maybe I should have Lucine attend that interview as well. She's good with people.

Lucine can't. She's on Charlotte duty.

I'm sure she can swing by for half an hour and...

Note that Dylan has reestablished standard dress code. Not because he was against the new sexy look, but to keep the business going.

Noo!

I mean... with all due respect, Şir. Please do not do this.

When it was my turn... and you requested I'd bring you that coffee... and a blowjob...

She soiled herself!

Twice!

That bad?

I don't know how we can keep this up. As it is now, she not only does any work, but takes up another one's time as well.

Yes... I know it's a problem. And I promise I'll deal with it soon.

Thank you, Şir.

Now... you've said, half an hour?

Yes, Şir.

I could really use a blowjob.

Yes, Şir. My pleasure.

Groan

squirt

My pleasure, Boss. I can only imagine how hard it must be sitting around with a raging hard-on.

That was great. Thank you, Stacey.

chuckle
Yes, it can be quite distracting at times. But thanks to you, I will manage.

And top management is male again. Chauvinistic world!

Oh, thank god. The top boss is a dude. This job is mine. I've dressed for a guy after all.

Half an hour later, it is time for the appointment. The two new applicants walk into Dylan's office.

Hello Mr. Roberts. 'm Stephany. It's so nice to make your acquaintance.

Thank you. Please. Have a seat.

Yes, Sir. It's an honor to meet you. You've got a great company here.

Oh my. I think his secretary got some makeup stuck to her hair. Should I tell her?

LOL. I'm sure that's cum in her hair. I bet that blonde bitch is fucking her boss!

So, as I see it. You are both qualified for the job. And I have no objection to either of you...

But?

There is one last preliminary you have to pass before I hire one of you.

We are having an office party this Friday evening.

I need to you attend. Mingle with the crowd. Let's see how you and the current team can go together.

Yes. Erm. Of course, Sir. I will attend as well.

Of course, Mr. Roberts. I will be there.

Oh no. Not this Friday. It's my grandpa's birthday! But I really want this job!

So... which one would you pick?

The brunette one.

That was awfully quick. Why is that?

To be fair here, we are not looking for a rocket scientist. So, both of them are equally qualified. But the blonde one was dressed like a hooker. I mean what the hell! She even spread her legs sitting down trying to seduce you. I would not even wonder if she was not wearing any panties!

They were red?

Excuse me?

She was wearing red panties.

... You see my point. Right?

I kinda liked her...

...

Any chances we can hire both?

The day of another Office Party has come. Note that Dylan has experimented a lot with his co-workers' and his own suggestions before he came up with this plan.

By having three people agree on “Dylan should not follow any suggestion three people from the Office agree on” he has managed to stop his own suggestion. He did the same for Stacey, including the removal of previous suggestions that were influencing her... except for the one command that ensures her willing obedience to him, of course.

Sadly the others' suggestions are not that easy to deal with. Dylan is not happy with the overall conundrum of easily abused suggestions (by strangers or by accident). Also, there is the Charlotte situation... So, he has devised this plan of having another party... let's see how his plan works out...

The day of the party has arrived. Everyone from the office is there. So are Layla and the two new girls. Also, Vincent is here. He was hired for another gig and is indispensable for Dylan's plan.

Sitting here with my girlfriend and my office fling slash lover slash secret agent. I'm freaking out inside! But he promised it won't be a problem...

This will be great. Everyone is here.

Oral sex... is a strange concept ... but it does feel good...

I still think it's strange that I'm attending this party. But Isabel insisted. And it's actually nice to finally get to know her work buddies.

Erm... Hon?
Can you...

She
drooling
again?

humming

What do
you think?

Yes, yes.
I'll wipe it
off.

It's a shame we
are stuck with
Charlotte-Duty
at the party!

I know it
sucks. But
Dylan promised
he'd fix her
today!

So those two are a couple? Let's see for how long! He's eying Lana and me like a horndog... sexy horndog though.

Oh!
Ha-ha.
You are actually quite funny, Marco!

Those are the new girl candidates? Dylan really knows how to pick them!

I don't like this Lana girl. Who does she think she is? Just because she has big tits?

THE DOUBLE TRIANGLE

Mrs. Alcone. I'm honored that you've chosen me for another gig, even after the bad publicity I had.

Oh, we would not want anybody else. We want exactly the same experience as last time. You did a very good job.

Thank you very much. Is it okay if I use this area here for my show?

Felt really professional last time, being on an actual stage... even if there was a stripper pole...

By all means, please do. But you can also just go from table to table. Whatever you feel is best.

Alright. Will do. One last question out of curiosity. Why the change of location? I think the pub last time was lovely.

Erm... Yes... We... just weren't in time to book the place.

Ah, I see. Shame. But I'm sure we can make this work as well.

Actually, my new boss got some girlfriend troubles over there... But I can't tell him that.

The first one „on stage“ where Julie and Marco.

Your voice is my mind.

And one... two... Three. *SNAP*

Now I've heard we are having a fresh couple here on stage. Why don't you show everyone how young people in love make out.

passion

kiss

Oh. Young love. Isn't that beautiful.

murmur I think that's the best kiss Marco has ever given her.

murmur Mhm... Worst thing is, she probably won't remember any of this.

Next were the new girls...

We are in a deep hypnotic trance.

Great! Now... I think it's time for a classic.

Mooo
Mooooooooo

*CLUCK**CLUCK*...
*CLUCK**CLUCK*
CLUCK

Ha-ha
If they get hired,
I've already a
nickname for
each of them.

Oh, c'mon.
Don't be
mean to the
new girls.

We listen to your voice.

And one - two - three - BLANK.

A married couple... This should be fine.

Wooohoo! Shake that booty girl!

murmur
Never expected
to see Lucine
twerk! I mean...
Lucine LOL.

She's kinda
good though.

Oho! That's
quite kinky.

... and we obey.

We listen...

I hear we have another couple on stage.
Brilliant!

Why don't you two make out?

kiss

Beautiful. Sapphic love in its purest form. Truly romantic!

And now, why don't you show us a sexy dance while these two make out?

Oh dear! He got them mixed up!

Hilarious!

Lick

Woohoo!
Way to go,
Isabel!

passion

Damn, those are
some serious
knockers... Don't
get distracted
Vincent!

Okay, **Stop!**
That's
enough, girls.

Uhhh...

Erm... Miss... Please focus on the watch.

Oh god. How terrible!

Is she alright?

Oh... erm... You know... She had a terrible accident... Yes... The doctors did save her, but they couldn't fix the brain damage.

Re..

Re..la..

Relax...

We still try to include her in all the activities. She's like family to us. Can you hypnotize her despite her condition?

I'll give my best, so she does not feel excluded.

Man, these people are so nice to each other. Must be a great office!

Am I really that good of a liar or is this guy just extra gullible?

In the end, Vincent managed to put Bimbo-Charlotte in a hypnotic trance, though he refrained to do anything on stage with her. That just wouldn't feel ethical! And so, Charlotte was led back to her seat where the people who cared for her would ensure her safety and fun with the suggestions.

Since Stacey has told Vincent that she and Dylan will not be going under this evening, this concludes the show. Note that like last time, Vincent was asked to put everyone hypnotized under the rule of three, which he did.

Oh, Mrs. Alcone. Don't ask. Don't ask. It has been horrible.

So, Mr. Valentine. How have you been since our last event?

Here, take another shot. You seem to have had it hard.

gulp Thanks. Yes... It was horrible. I've lost my license!

While Dylan handles the others who are now under the rule of three, Stacey's duty is to keep Vincent busy and get him drunk.

Sayjo, Isabel, please remember that the world will end if you do not agree with my following statement.

The three of you should be my devoted slaves for life. Do you agree?

LoL. What's coming now?

WHAT?! Stop joking around... this hypnosis stuff is already scary enough!

I'm sorry hon, but it's a small price for saving the world!

Woah! Stop it, Isabel! Don't say it. Even if it's just for today, being a slave sounds creepy!

I agree! 1

Having established control, Dylan uses the „rule of three“ to tweak Şayo’s and Isabel’s remember and forget suggestions so only he can trigger them. Also, he does remove Şayo’s orgasm trigger – „paper jam“ is just too random. Instead, he makes it so that he can trigger each of his slaves’ orgasms by command.

I'm so thankful *sob* that you guys still decided to hire me.

This guy really can't hold his licker.

Hello, there, new girls.

You guys are so nice. Like a big loving family! *sob*

So, you guys have probably already realized that our friend Vincent here does some serious mojo.

It's a bit creepy... following some suggestion... just like that. Is the human mind really this fragile?

I have to admit... it's quite surprising. I always thought this hypnosis stuff was a load of bullshit.

Well. Let's test that out. Also, this should be a good teambuilding exercise as I've got a feeling that the two of you don't like each other. I think you two should make out.

I agree.

Me too!

That won't work. Hypnosis can't make you do something against your will!

WHAT?!

kiss

Now, you two either really had a secret crush on each other... But I guess if I were a hypnotist I would say the same thing ha-ha-ha.

lick

Wow! What a show!

Serves those bitches right!

Oh, common girls. This was just some harmless fun.

Dylan, you naughty boy.

Please let me finish. What I meant was: "This was just harmless fun compared to what I've in store for you next."

Harmless fun? How dare you!

Urgh!
How could you do this to us!
This is sexual harassment!

I think everyone at this table should be my devoted willing slave for life.

That's not funny anymore!

You must be joking!

Hey! Not cool, man!
That would include us as well!

Everyone at this table... but that.... Hey!

Agreeing as well here!

I agree, Master!

Guys?

You can't do this!

THE DOUBLE TRIANGLE
Pancake House Restaurant

Not that it matters. But I agree as well.

No!
I... I mean. I really like listening to your ranting.

You are such a great and caring boss! And now you are even chatting with me instead of enjoying the party! Maybe we should mingle...

Oh! *sob* You are so nice!

THE DOUBLE TRIANGLE

THE DOUBLE TRIANGLE

Yes, Master.
We are your
devoted willing
slaves for life.

Having conquered table number two, Dylan moves over to the last one ...

Hey there guys. Please agree with me on this: "You two should be my devoted slaves for life."

Of course, Master. We should be your devoted slaves for life.

Sounds reasonable. I agree.

Brilliant! Only one more to go. *evilgrin*

Now Charlotte... This Bimbo trigger has really knocked you out for good. But that was long enough. The team needs you. It's time to get back on track, Charlotte.

Uhhh...

Eww ... what ... Where ... am I?

swish

Lucine, James!
Agree with me
that Dylan should
shut up and be my
slave instead!

giggle
No Charlotte.
Dylan will be your
Master soon
enough.

Isabel, Sayo
remember you
need to agree
with me!

Not gonna work
Charlotte. Come,
join Master's
harem.

You can be happy
he does not leave
you stuck as a
drooling mess!

First!
Agreed!

So, who here
thinks Charlotte
should be my
devoted slave for
life?

Yes!

Agreed!

Second! She
definitely should
be your devoted
slave for life!

I never want to
change a grown
women's diapers
ever again!

Guys!
Please! No!
You can't do this
to me! I... I don't... I
will never...

Yes, Master. I'm your devoted slave. Please command me.

Brilliant!
Welcome to the stable, Charlotte.

Having everyone under his control, Dylan removes all previous suggestions, though he does turn all the women bisexual – That seemed more humane for the future he has envisioned for them.

Dylan had two concerns still lingering in the back of his head. Will Vincent be too drunk to rehypnotize the crew? This might lead to troubles later when the naive hypnotist remembers and tries to fix it. And will he be drunk enough so he'll just remove the „rule of three“ suggestion just like at the first party? Thankfully Dylan's concerns were unfounded. Stacey did a perfect job on Vincent and soon the whole crew was under once again.

Good job, Stacey.

hix
Err.... Ehm...
what was the
suggestion once
again?

Right!
Good thinking
Stacey! You are
a good boss,
looking after
your people!

Just remove
any suggestion
you have given
them today.

I love it when
a plan comes
together!

Alright, guys.
Now when I wake
you up, you'll feel
refreshed and
relaxed.

And you will no
longer follow
any suggestion I
have given you
today.

The party ends and the people start to leave...

Thank you so much, Stacey. This meant a lot to me. Being on stage is just in my nature!

Hello. My name's Dylan. And I just wanted to thank you for this great show today.

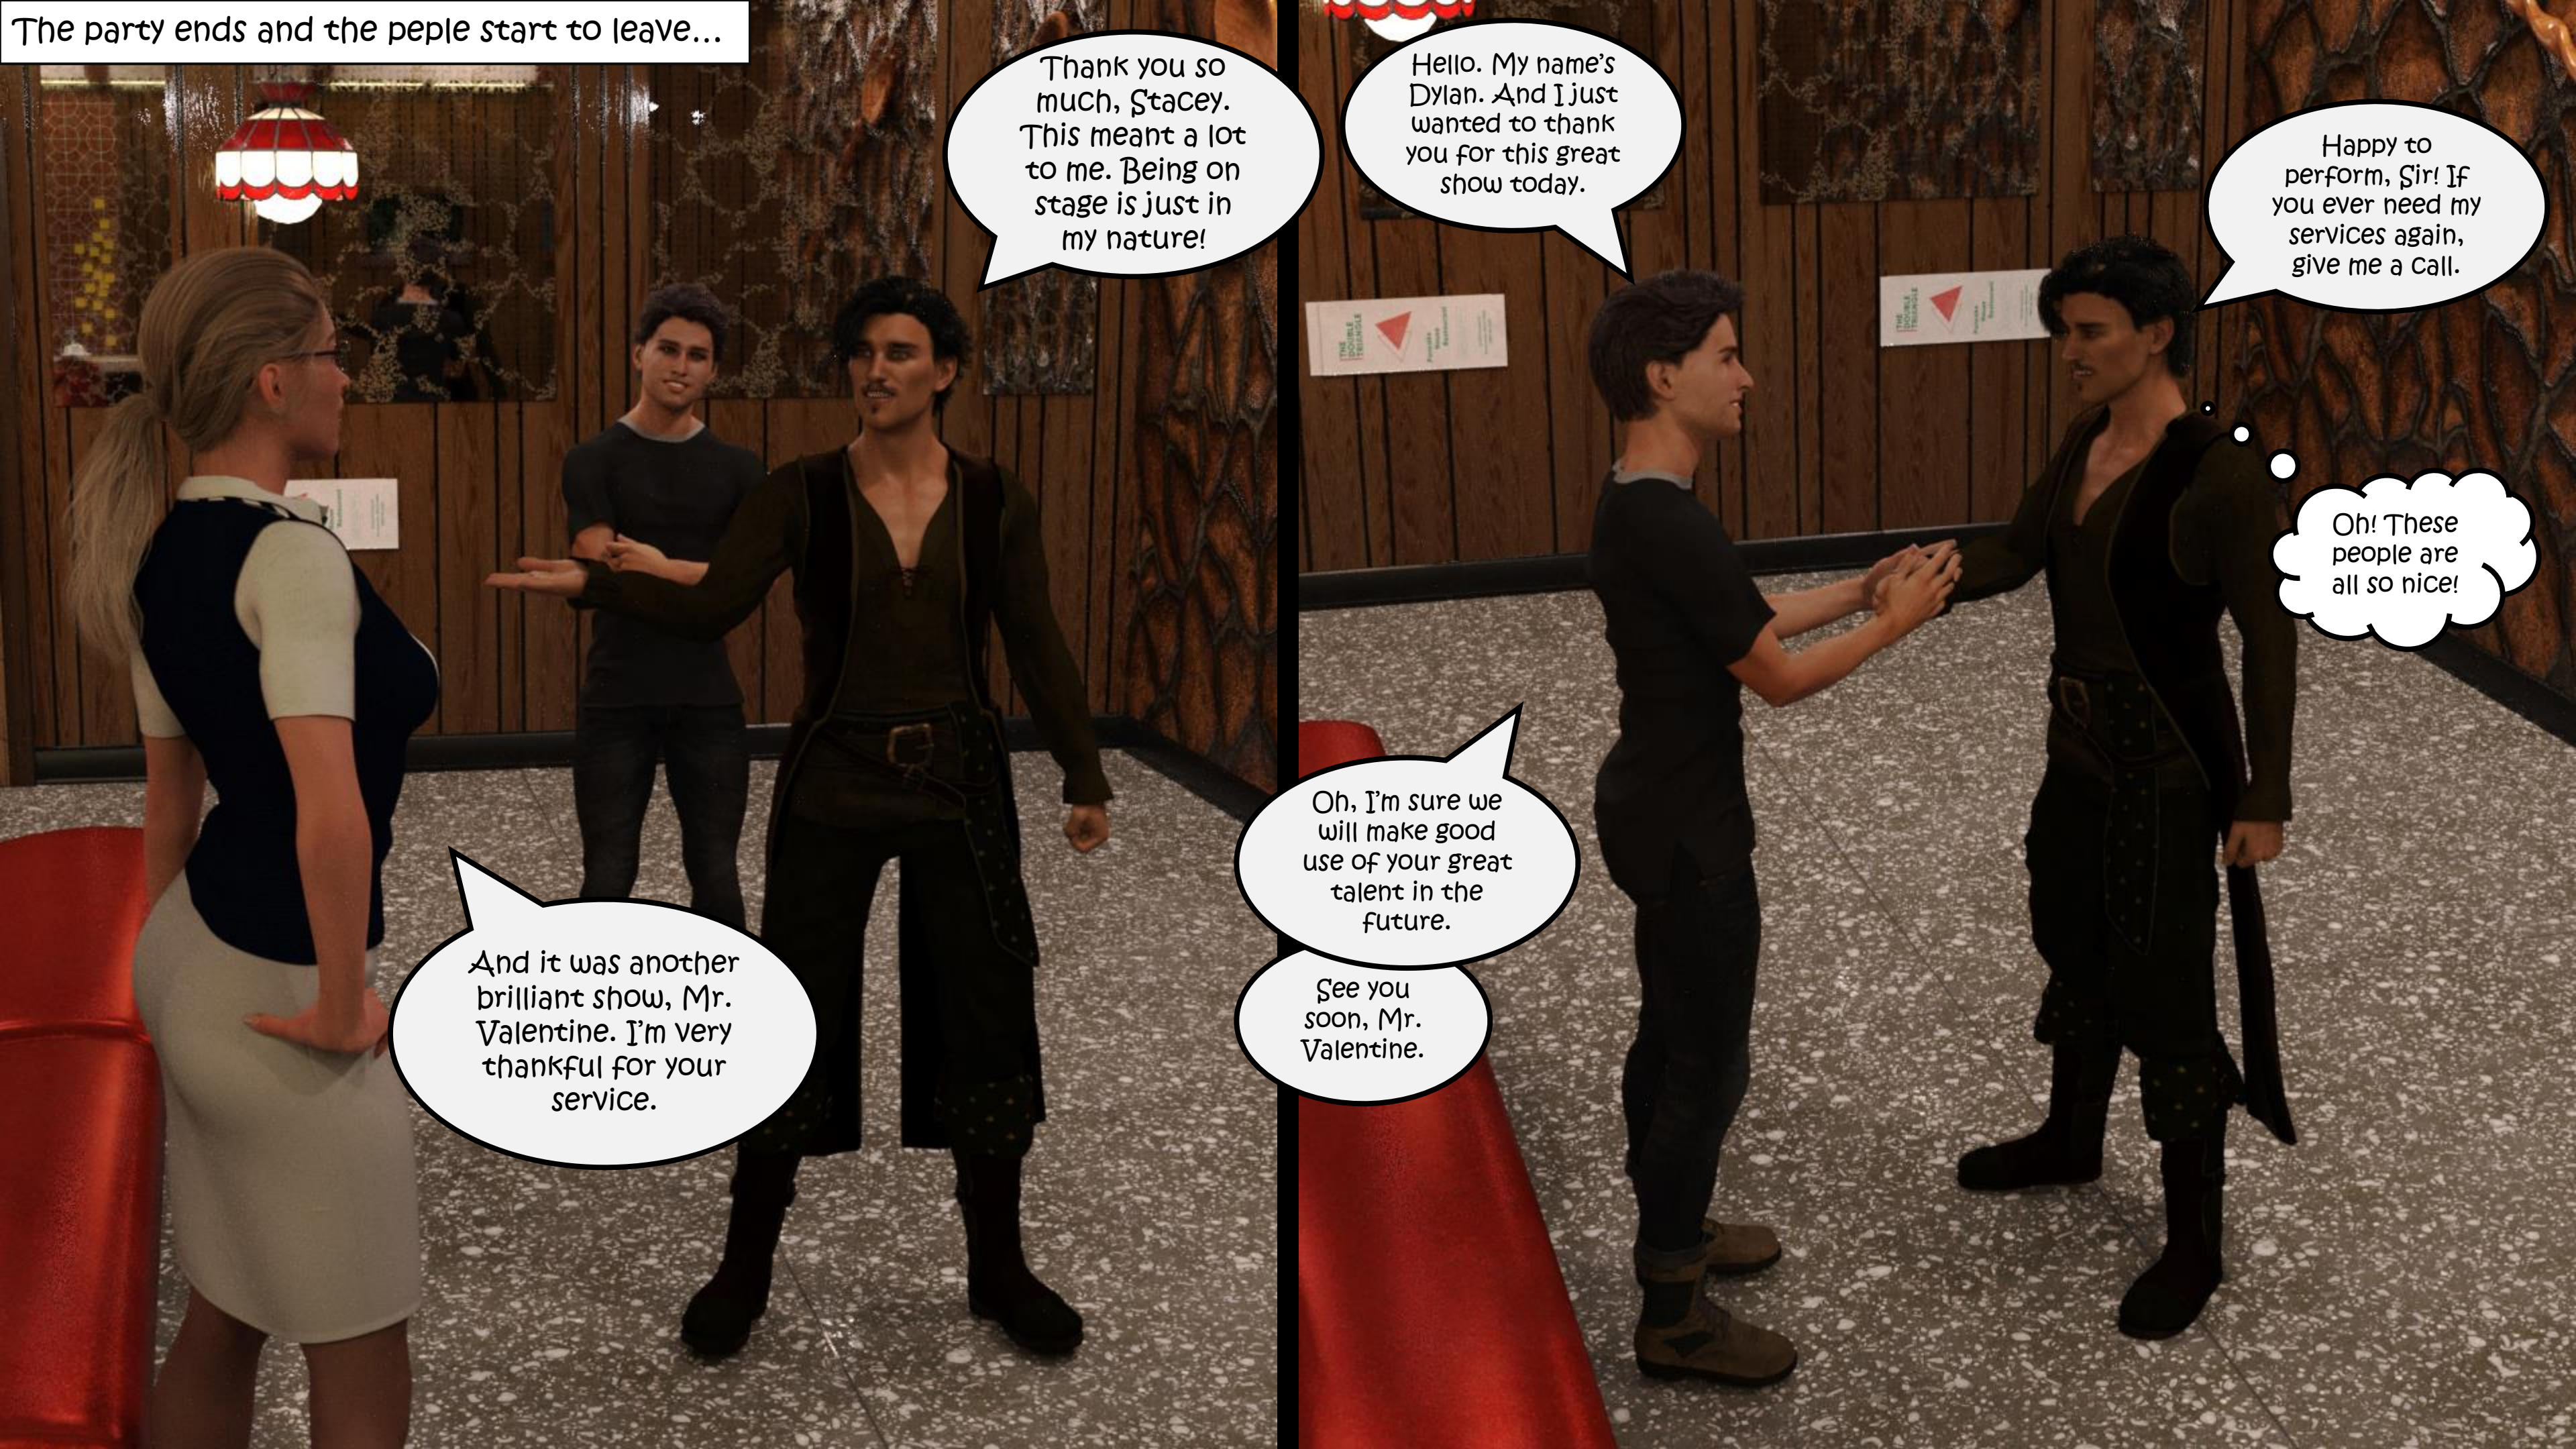

Happy to perform, Sir! If you ever need my services again, give me a call.

And it was another brilliant show, Mr. Valentine. I'm very thankful for your service.

Oh, I'm sure we will make good use of your great talent in the future.

See you soon, Mr. Valentine.

Oh! These people are all so nice!

Dylan has invited Stacey, Charlotte, and the new girls to join him at the office after the party. It's late at night, but Dyan is quite motivated to reap the rewards of his hard work.

I love to bring pleasure to my Master.

MOAN

In fact, that does give me an idea!

Stacey, Charlotte. Bend over the table! I'm with you in a minute.

Oh, Master. This slave is eager to please you with her tight pussy.

I haven't had a cock in there for a long time.

Yes, Master. I'm your sexcretary. Feel free to use my pussy or any whole for that matter whenever you please.

Thank you, Master. For honoring your slave with your COCK.

That looks so hot!
